After receipt of such notice the Board shall set a time and place for a public hearing on the matter, to be held within 20 days thereafter. The votes of four Aldermen shall be required to override the suspension or removal, and the action of the Board shall be final determination of the matter. FISCAL ADMINISTRATION

Section 4.01. Fiscal year. BE IT FURTHER ENACTED, That the fiscal year of the city government shall begin on the 1st day of July and shall end on the 30th day of June of the succeeding year, unless otherwise provided by ordinance.

Section 4.02. Mayor to submit annual budget. BE IT FURTHER ENACTED, That not later than 45 days prior to the beginning of each fiscal year, the Mayor and the City Recorder shall submit to the Board a proposed budget for the next fiscal year, showing separately for the general fund, each utility, and each other fund the following:

- (b) Estimated revenue and expenditures for the current fiscal year;

- (d) A comparative statement of the cash surplus (or deficit) at the end of the current fiscal year; and
- (e) Any other information and data, such as work programs and unit costs, in justification of recommended expenditures that may be considered necessary by the Mayor and City Recorder or requested by the Board. They may recommend and estimate receipts from additional revenue measures, providing

such estimates are separated clearly from normal revenue estimates. A copy of the budget in full shall be filed with the City Recorder for public inspection and a copy shall be furnished to each Alderman. [As replaced by Priv. Acts 2019, ch. 9, § 9, and Priv. Acts 2019, ch. 9, § 9]

Section 4.03. Capital improvement budget. BE IT FURTHER ENACTED, That a capital improvement budget may also be prepared to include a description of projects recommended for the ensuing year. The capital improvement budget shall be reviewed by the local planning commission, and the recommendations of the planning commission shall be submitted by the Mayor to the Board concurrently with the annual budget. The Board may accept, reject or revise the capital improvement budget as it deems desirable.

Section 4.04. Public hearing. The public hearing shall be held before the Board at the stated time and place, and all persons present shall be given a reasonable opportunity to be heard.

Section 4.05. Action by Board on budget--emergencies; amendments; reallocations; monthly reports by Mayor. BE IT FURTHER ENACTED, That after the public hearing and before the beginning of the ensuing fiscal year the board shall adopt an appropriation ordinance, based on the Mayor's proposed budget with such modifications as the Board considers necessary or desirable. The Board shall not make an appropriation in excess of estimated revenue, except to provide for an actual emergency threatening the health, property or lives of the inhabitants of the City declared by a vote of all members of the Board. If emergency conditions prevent the adoption of an appropriation ordinance before the beginning of the new fiscal year, the appropriations for the last fiscal year shall become the appropriations for the new fiscal year, subject to amendment as provided in this section. Amendments may be made to the original appropriation ordinance at any time during a current fiscal year. Appropriations, except emergency appropriations as provided above, may be increased during the year only after the Mayor certifies in writing that a sufficient amount of unappropriated fund balance will be available. Any portion of an annual budget remaining unexpended and unencumbered at the close of the fiscal year shall lapse and be subject to appropriation for the following year. Any balance remaining in any fund other than the general fund at the end of the fiscal year may remain to the credit of such fund and be subject to further appropriation. At the end of each month the City Recorder shall submit to the Board a budget report showing revenue receipts, encumbrances and

expenditures for the month and for the fiscal year to the end of that month. [As replaced by Priv. Acts 2019, ch. 9, § 10]

Section 4.06. Control of expenditures. No expenditures shall be made in excess of appropriations. [As replaced by Priv. Acts 2019, ch. 9, § 11]

Section 4.07. Centralized purchasing. BE IT FURTHER ENACTED, That: (a) Purchases or contracts of more than \$500 shall require prior approval of the Board, and except for minor items used infrequently or items which must be obtained immediately to avoid disruption of services, shall be subject to competitive bid, subject to such regulations as may be provided by ordinance. Any expenditure or contract for more than \$10,000 shall be made only after sealed bids have been invited. Purchases and contracts shall be awarded to the lowest responsible bidder, but all invitations to bid shall state that the city reserves the right to reject any and all bids. The Board may waive the requirements to obtain bids when there is only one source of supply or when such action is in the best interest of the town, providing the reasons for any such waiver are made a matter of record. Bid records shall be preserved for a period of not less than two years. Bids need not be taken for professional services and services for which the rates or prices are regulated by public authority, nor shall competitive bidding be required for purchases from other governmental agencies. [as amended by Priv. Acts 2017, ch. 9, § 1]

Section 4.08. Unauthorized contract or expenditure. BE IT FURTHER ENACTED, That any contract or agreement made in violation of the provisions of this Charter or ordinances of the city shall be void and no expenditure shall be made thereunder. Every officer and employee who shall knowingly make or participate in any such contract or agreement, or authorize or make any expenditure thereunder and their sureties on their official bonds, and every person who shall knowingly receive such a payment, shall be jointly and severally liable to the city for the full amount so paid or received. A violation of this section by any officer or employee shall be cause of his removal.

Section 4.09. Sale of town property. BE IT FURTHER ENACTED, That the Mayor may sell City property which is obsolete, surplus or unusable, after advertisement in a local newspaper, by sealed bids or a public auction; provided, however, that any sale for more than \$500 or any sale of real estate shall be subject to approval by the Board. [As replaced by Priv. Acts 2019, ch. 9, § 12]

Section 4.10. Annual audit. BE IT FURTHER ENACTED, That within 30 days after the beginning of each fiscal year the Board shall employ an

independent, certified public accountant to make an audit of all financial records of the city for that year. The auditor shall perform adequate sampling to determine validity of the records. Each such audit shall include determination of legality of transactions, mathematical accuracy of records, complete accountability, and application of accepted municipal accounting principles. It shall be made in accordance with generally accepted auditing standards and in conformity with generally accepted accounting principles and any applicable state and/or federal audit guidelines. The audit shall be completed and a report, including a summary for publication, shall be submitted to the Board within 90 days after the end of the fiscal year.

Section 4.11. Bonds for public works contracts. BE IT FURTHER ENACTED, That each bid on a contract for any public works or improvement shall be accompanied by a cash or surety company bid bonds in the amount of five percent of the amount of the bid. Before any contract is awarded, the contractor shall give a bond for the faithful performance of the contract, with a surety company authorized to transact business in Tennessee, in an amount equal to 100 percent of the contract price. The Board may waive these requirements for contracts under \$5,000.

Section 4.12. Property taxes. BE IT FURTHER ENACTED, That all property subject to taxation shall be subject to the property tax levied by the county. The Board shall use county assessments and assess all property subject to taxation except property assessed by the State Public Service Commission.

Section 4.13. Omitted property. Such property shall be appraised and assessed at the same ratio as other property of the same class located in the city.

Section 4.14. Tax levy. BE IT FURTHER ENACTED, That the Board shall make a tax levy, expressed as a fixed rate per \$100 of assessed valuation, not later than 90 days prior to the tax due date. In event of Board's failure to do so, the prior year's rate shall continue in effect.

Section 4.15. Tax due dates and tax bills. BE IT FURTHER ENACTED, That the due dates of property tax shall be fixed by ordinance and provisions may be made for equal or semi-annual installments. The city shall send tax bills to taxpayers, showing the assessed valuations, amounts of taxes due, tax due dates, and information as to delinquency dates and penalties. Failure to send tax bills shall not, however, invalidate any tax, penalty, or interest thereon. Property taxes shall become delinquent 30 days after a due date, at which time a penalty of five percent shall be added and thereafter such taxes

shall be subject to interest at the rate of one percent (1%) for each month or fraction thereof until paid. On and after the date when such taxes become delinquent, the tax records of the town shall have the force and effect of a judgment of a court of record.

Section 4.16. Delinquent taxes. BE IT FURTHER ENACTED, That the Board may provide by ordinance for the collection of delinquent taxes by distress warrants issued by the Mayor for the sale of goods and chattels to be executed by any police officer of the city under the laws governing execution of such process from a magistrate; or by the county trustee as provided by general law; or by the city attorney acting in accordance with general laws providing for the collection of delinquent city or county taxes; by garnishment; by suits in chancery; or by any two or more of the foregoing methods, or by the use of any other available legal processes and remedies. If not otherwise collected, the city attorney or other attorney designated by the Board, shall file suit for collection of all delinquent taxes not later than 18 months following date of delinquency.

Section 4.17. Taxes not to be excused. BE IT FURTHER ENACTED, That no officer or employee of the city shall have the authority to excuse taxes, penalties, interest, special assessments, or other charges due the town, but errors may be corrected when authorized by the Board.

Section 4.18. Disbursements by checks. BE IT FURTHER ENACTED, That all disbursements, except for any agency of the city administered by a board or commission, shall be made by checks signed by the city recorder and countersigned by the Mayor and/or the Finance and Budget Commissioner. The Board may by resolution designate other officers to sign such checks in the absence or disability of the Mayor or city recorder.

Section 4.19. Official depository. BE IT FURTHER ENACTED, That the Board shall designate an official depository or depositories for deposit and safekeeping of funds of the city with such collateral security as may be deemed necessary by the Board.

Section 4.20. Accounting. BE IT FURTHER ENACTED, That the financial records of the city will be established and maintained in general conformity with the accounts and procedures recommended by the office of the Comptroller, State of Tennessee, the Municipal Finance Officers Association, or other nationally recognized authority on municipal accounting.

ARTICLE V

INTERGOVERNMENTAL COOPERATION AND CONTRACTING

Section 5.01. Intergovernmental cooperation and contracts. BE IT FURTHER ENACTED, That in addition to other powers granted in this Charter, the city Board shall have power to contract and cooperate with any other municipality or other political subdivision of the state, or with an elective or appointive official thereof; or with any duly authorized agency of the federal or state government, for the exercise of any power or function which the town is authorized to undertake by this Charter.

Section 5.02. Execution of such powers. BE IT FURTHER ENACTED, That the Board may exercise the powers conferred in this article by ordinance or resolution setting out the terms to be included in any such contract or cooperative action, and any of them may acquire, by gift or purchase, or by power of eminent domain exercised by one or more of the parties, the lands, buildings, and other property necessary or useful for the purpose of the contract or cooperative action, either within or without the corporate limits of one or more of the contracting parties, and shall have the power to hold or acquire such property jointly. The city may provide for the financing of its share or portion of the cost or expenses of such a contract or cooperative action in the same manner as if it were acting alone and on its own behalf.

Such a contract also may provide for the establishment and selection of a joint commission, officer or officers to supervise, manage, and have charge of joint service or project and may provide for the powers and duties, terms of office, compensation, if any, and other provisions relating to the members of such joint commission, officer or officers. Such contract may include and specify terms and provisions relative to the termination or cancellation of the contract or cooperative action by ordinance or resolution, and the notice, if any, to be given of such termination or cancellation. Such cancellation or termination shall not relieve any party participating in such contract or cooperative action from any obligation or liability for its share of the cost or expense incurred prior to the effective date of any such cancellation or termination.

Section 5.03. Immunity and liabilities of officers. BE IT FURTHER ENACTED, That all public officers acting under the authority of a contract or undertaking cooperative action under the provisions of this article shall enjoy the same immunities and be subject to the same liabilities as if they were acting entirely within the territorial limits of their respective governmental units.

Section 5.04. Handling of funds. BE IT FURTHER ENACTED, That all money received pursuant to any such contract or cooperative action, under the provisions of this article, unless otherwise provided by law, shall be deposited

and disbursed in accordance with the provisions of such contract or cooperative action.

ARTICLE VI

Section 6.02. Penalties. BE IT FURTHER ENACTED, That the violation of any provision of this Charter, for which a penalty is not specifically provided herein, is hereby declared to be a misdemeanor, and persons guilty of such violations shall be fined not more than fifty dollars (\$50).
