PREFACE

The Bradford Municipal Code contains the codification and revision of the ordinances of the City of Bradford, Tennessee. By referring to the historical citation appearing at the end of each section, the user can determine the origin of each particular section. The absence of a historical citation means that the section was added by the codifier. The word "modified" in the historical citation indicates significant modification of the original ordinance.

The code is arranged into titles, chapters, and sections. Related matter is kept together, so far as possible, within the same title. Each section number is complete within itself, containing the title number, the chapter number, and the section of the chapter of which it is a part. Specifically, the first digit, followed by a hyphen, identifies the title number. The second digit identifies the chapter number, and the last two digits identify the section number. For example, title 2, chapter 1, section 6, is designated as § 2-106.

By utilizing the table of contents, code index and the analysis preceding each title and chapter of the code, together with the cross references and explanations included as footnotes, the user should locate all the provisions in the code relating to any question that might arise. However, the user should note that most of the administrative ordinances (e.g. Annual Budget, Zoning Map Amendments, Tax Assessments, etc...) do not appear in the code. Likewise, ordinances that have been passed since the last update of the code do not appear here. Therefore, the user should refer to the city's ordinance book or the recorder for a comprehensive and up to date review of the city's ordinances.

Following this preface is an outline of the ordinance adoption procedures, if any, prescribed by the city's charter.

The code has been arranged and prepared in loose-leaf form to facilitate keeping it up to date. MTAS will provide updating service under the following conditions:

- (1) That all ordinances relating to subjects treated in the code or which should be added to the code are adopted as amending, adding, or deleting specific chapters or sections of the code (see section 7 of the adopting ordinance).
- (2) That one copy of every ordinance adopted by the city/town is kept in a separate ordinance book and forwarded to MTAS annually.
- (3) That the city/town agrees to pay the annual update fee as provided in the MTAS codification service charges policy in effect at the time of the update.

When the foregoing conditions are met MTAS will reproduce replacement pages for the code to reflect the amendments and additions made by such

ordinances. This service will be performed at least annually and more often if justified by the volume of amendments. Replacement pages will be supplied with detailed instructions for utilizing them so as again to make the code complete and up to date.

The able assistance of the codes team: Kelley Myers and Nancy Gibson is gratefully acknowledged.

**ORDINANCE ADOPTION PROCEDURES PRESCRIBED BY THE
CITY CHARTER**

Section 11. City Legislation. Any action of the Board having a regulatory or penal effect, awarding franchises or required to be done by ordinance under this Charter or the general laws of the State, shall be done only by ordinance. Other actions of the Board of Mayor and Aldermen may be accomplished by resolutions or motions. Ordinances and resolutions shall be furnished to each member of the Board at the meeting in which introduced. The enacting clause of ordinances shall be "Be it enacted by the Board of Mayor and Aldermen of the city of Bradford." An affirmative vote of the majority of all of the members of the Board of Mayor and Aldermen, whether present and voting or not, shall be necessary for the passage of any ordinance or the appropriation of money. All other action shall be valid and binding when approved by the affirmative vote of a majority of the Board of Mayor and Aldermen when all members are present or by at least three (3) members of the Board of Mayor and Aldermen when one (1) or more members are absent, but a quorum is present. Every ordinance must be approved on two (2) readings and there shall be no more than one (1) reading on any one (1) day. An ordinance shall become effective after its final reading unless its terms provide a later effective date. Every ordinance shall be read in full on the first reading and any amended provisions shall be read in full. Every ordinance upon final passage shall be signed by the Mayor or Mayor Pro tempore and attested by the City Recorder.

The Board shall have the general and continuing ordinances of the City assembled into an official code of the City, a copy of which shall be kept currently up to date by the City Recorder and shall be available to the public.
