James Stevens

**CITY JUDGE**  
Markley Gill

## PREFACE

The Erin Municipal Code contains the codification and revision of the ordinances of the City of Erin, Tennessee. By referring to the historical citation appearing at the end of each section, the user can determine the origin of each particular section. The absence of a historical citation means that the section was added by the codifier. The word "modified" in the historical citation indicates significant modification of the original ordinance.

The code is arranged into titles, chapters, and sections. Related matter is kept together, so far as possible, within the same title. Each section number is complete within itself, containing the title number, the chapter number, and the section of the chapter of which it is a part. Specifically, the first digit, followed by a hyphen, identifies the title number. The second digit identifies the chapter number, and the last two digits identify the section number. For example, title 2, chapter 1, section 6, is designated as section 2-106.

By utilizing the table of contents and the analysis preceding each title and chapter of the code, together with the cross references and explanations included as footnotes, the user should locate all the provisions in the code relating to any question that might arise. However, the user should note that most of the administrative ordinances (e.g. Annual Budget, Zoning Map Amendments, Tax Assessments, etc...) do not appear in the code. Likewise, ordinances that have been passed since the last update of the code do not appear here. Therefore, the user should refer to the city's ordinance book or the city recorder for a comprehensive and up to date review of the city's ordinances.

Following this preface is an outline of the ordinance adoption procedures, if any, prescribed by the city's charter.

The code has been arranged and prepared in loose-leaf form to facilitate keeping it up to date. MTAS will provide updating service under the following conditions:

(1) That all ordinances relating to subjects treated in the code or which should be added to the code are adopted as amending, adding, or deleting specific chapters or sections of the code (see section 8 of the adopting ordinance).

(2) That one copy of every ordinance adopted by the city is kept in a separate ordinance book and forwarded to MTAS annually.

(3) That the city agrees to pay the annual update fee as provided in the MTAS codification service charges policy in effect at the time of the update.

When the foregoing conditions are met MTAS will reproduce replacement pages for the code to reflect the amendments and additions made by such ordinances. This service will be performed at least annually and more often if justified by the volume of amendments. Replacement pages will be supplied with detailed instructions for utilizing them so as again to make the code complete and up to date.

The able assistance of Sandy Selvage, the MTAS Sr. Word Processing Specialist who did all the typing on this project, and Tracy G. Gardner, Administrative Services Assistant, is gratefully acknowledged.

Steve Lobertini  
Codification Specialist

**ORDINANCE ADOPTION PROCEDURES PRESCRIBED BY THE  
CITY CHARTER**

Section 2.10. City legislation. Any action of the Board having a regulatory or penal effect, relating to revenue or the expenditure of money, or required to be done by ordinance under this Act, shall be done only by ordinance. Other actions may be accomplished by resolution or motions. Each motion, resolution and ordinance shall be in written form before being introduced. The affirmative vote of at least five members of the Board or the mayor and four members shall be required to pass any motion, resolution or ordinance, including two readings in the case of an ordinance. Each ordinance, before being adopted, shall be read at two meetings not less than one week apart, and shall take effect ten days after its adoption, except that, where an emergency exists and the public safety and welfare require it, an ordinance containing a full statement of the facts and reasons for the emergency may be made effective upon its adoption if approved by at least four (4) members of the Board on two readings on successive days. No ordinance relating to a franchise, excluding contract, or other special privilege shall be passed as an emergency ordinance. Amendments or ordinances and resolutions or parts thereof shall be accomplished only by setting forth the complete section, sections, subsection or subsections in their amended form. A code may be adopted by an ordinance which contains only a reference to its title, date and issuing organization, and the recorder shall file a copy of the code in his office.

Section 2.11. Codification of ordinances. After this Act becomes effective there may be prepared, under the direction of the mayor and with the advice of the city attorney, a codification of all ordinances and resolutions having a regulatory effect or of general application which are to be continued in force. Existing ordinances and resolutions may be revised, amended, and consolidated in making the codification, which shall then be adopted as a single ordinance to be known and cited as the Official Code of the City of Erin, and thereupon all ordinances and resolutions in conflict therewith shall be repealed.
