This supplement includes revisions required to the municipal code when considering ordinances and modifications made by the City of LaFollette. Code sections affected by these modifications contain citations, when required, at the end of the code section.

Section 2. Continuation of existing provisions. Insofar as the provisions of the supplement are the same as those of ordinances existing and in force on its effective date, the provisions shall be considered to be continuations thereof and not as new enactments.

Section 3. Penalty clause. Unless otherwise specified, wherever in the supplement, including any codes and ordinances adopted by reference, any act is prohibited or is made or declared to be a civil offense, or wherever the doing of any act is required or the failure to do any act is declared to be a civil offense, the violation of any such provision shall be punishable by a penalty of not more than fifty dollars (\$50.00) and costs for each separate violation; provided, however, that the imposition of a penalty under the provisions of this section shall not prevent the revocation of any permit or license or the taking of other punitive or remedial action where called for or permitted under the provisions of the supplement or the municipal code or other applicable law. In any place

in the supplement the term "it shall be a misdemeanor" or "it shall be an offense" or "it shall be unlawful" or similar terms appears in the context of a penalty provision of this supplement, it shall mean "it shall be a civil offense." Anytime the word "fine" or similar term appears in the context of a penalty provision of this supplement, it shall mean "a civil penalty."¹

When a civil penalty is imposed on any person for violating any provision of the supplement and such person defaults on payment of such penalty, he may be required to perform hard labor, within or without the workhouse, to the extent that his physical condition shall permit, until such civil penalty is discharged by payment, or until such person, being credited with such sum as may be prescribed for each day's hard labor, has fully discharged said penalty.

Each day any violation of the municipal code continues shall constitute a separate civil offense.

Section 4. Severability clause. Each section, subsection, paragraph, sentence, and clause of the supplement, including any codes and ordinances adopted by reference, are hereby declared to be separable and severable. The invalidity of any section, subsection, paragraph, sentence, or clause in the supplement shall not affect the validity of any other portion, and only any portion declared to be invalid by a court of competent jurisdiction shall be deleted therefrom.

Section 5. Construction of conflicting provisions. Where any provision of the supplement is in conflict with any other provision of the supplement or municipal code, the provision which establishes the higher standard for the promotion and protection of the public health, safety, and welfare shall prevail.

Section 6. Code available for public use. One copy of the supplement shall be kept available in the recorder's office for public use and inspection at all reasonable times.

Section 7. Date of effect. This supplement, including all the codes and ordinances therein adopted by reference, shall take effect from and after final passage, the public welfare requiring it, and shall be effective on and after that date.
