No refuse shall be placed in a refuse container until such refuse has been drained of all free liquids. Tree trimmings, hedge clippings, and similar materials shall be cut to a length not to exceed four (4) feet and shall be securely tied in individual bundles weighing not more than seventy-five (75) pounds each and being not more than two (2) feet thick before being deposited for collection. 17-106. Collection. All refuse accumulated within the corporate limits shall be collected, conveyed, and disposed of under the supervision of such officer as the governing body shall designate. Collections shall be made regularly in accordance with an announced schedule. (1968 Code, § 8-106)

17-107. Collection vehicles. The collection of refuse shall be by means of vehicles with beds constructed of impervious materials which are easily cleanable and so constructed that there will be no leakage of liquids draining from the refuse onto the streets and alleys. Furthermore, all refuse collection vehicles shall utilize closed beds or such coverings as will effectively prevent the scattering of refuse over the streets or alleys. (1968 Code, § 8-107)

17-108. Disposal. The disposal of refuse in any quantity by any person in any place, public or private, other than at the site or sites designated for refuse disposal by the governing body is expressly prohibited. (1968 Code, § 8-108)

Notwithstanding any provisions to the contrary, the municipality may franchise to collect refuse within the municipality a private contractor, who shall obtain and meet the conditions for a privilege license and who shall agree to operate in accordance with municipal ordinances and regulations or contract provisions concerning collection fees, collection schedules, collection practices, equipment type and equipment sanitary devices. The franchised contractor will be liable for any lawsuits arising out of his actions and may be required to furnish a performance bond in an amount stipulated by the governing body to assure his continuing service during the contract period.
