Property maintenance regulations: title 13.

**17-105. Storage.** Each owner, occupant, or other responsible person using or occupying any building or other premises within the town where refuse accumulates or is likely to accumulate, shall provide and keep covered an adequate number of refuse containers. The refuse containers shall be strong, durable, and rodent and insect proof. They shall each have a capacity of not less than twenty (20) nor more than thirty-five (35) gallons. No refuse shall be placed in a refuse container until such refuse has been drained of all free liquids. Tree trimmings, hedge clippings, and similar materials shall be cut to a length not to exceed four (4) feet and shall be securely tied in individual bundles weighing not more than seventy-five (75) pounds each and being not more than two (2) feet thick before being deposited for collection. (1997 Code, § 17-105, as amended by Ord. #04-12-10-49, April 2010)

**17-106. Garbage rates.** Garbage rates for business and residential will be set by the mayor and board of commissioners on or before July 1st of each year. (1997 Code, § 17-106)

**17-107. Violations and penalty.** Violations of this chapter shall be punishable under the general penalty provision of this code. Each day a violation is allowed to continue shall constitute a separate offense. (1997 Code, § 17-107)
