(1) Green alone, or "Go":

(a) Vehicular traffic facing the signal may proceed straight through or turn right or left unless a sign at such place prohibits such turn. But vehicular traffic, including vehicles turning right or left, shall yield the right-of-way to other vehicles and to pedestrians lawfully within the intersection or an adjacent crosswalk at the time such signal is exhibited.

(b) Pedestrians facing the signal may proceed across the roadway within any marked or unmarked crosswalk.

(2) Steady yellow alone, or "Caution":

(a) Vehicular traffic facing the signal is thereby warned that the red or "Stop" signal will be exhibited immediately thereafter, and such vehicular traffic shall not enter or be crossing the intersection when the red or "Stop" signal is exhibited.

(b) Pedestrians facing such signal shall not enter the roadway unless authorized so to do by a pedestrian "Walk" signal.

(3) Steady red alone, or "Stop":

(a) Vehicular traffic facing the signal shall stop before entering the crosswalk on the near side of the intersection or, if none, then before entering the intersection and shall remain standing until green or "Go" is shown alone.

(b) Pedestrians facing such signal shall not enter the roadway unless authorized so to do by a pedestrian "Walk" signal.

(4) Steady red with green arrow:

(a) Vehicular traffic facing such signal may cautiously enter the intersection only to make the movement indicated by such arrow but shall yield the right-of-way to pedestrians lawfully within a crosswalk and to other traffic lawfully using the intersection.

(b) Pedestrians facing such signal shall not enter the roadway unless authorized so to do by a pedestrian "Walk" signal.

(5) In the event an official traffic-control signal is erected and maintained at a place other than an intersection, the provisions of this section shall be applicable except as to those provisions which by their nature can have no application. Any stop required shall be made at a sign or marking on the pavement indicating where the stop shall be made, but in the absence of any such sign or marking the stop shall be made a vehicle length short of the signal. (2004 Code, § 15-507)

15-508. At flashing traffic-control signals. (1) Whenever an illuminated flashing red or yellow signal is used in a traffic sign or signal placed or erected in the town, it shall require obedience by vehicular traffic as follows:

(a) Flashing red (stop signal). When a red lens is illuminated with intermittent flashes, drivers of vehicles shall stop before entering the nearest crosswalk at an intersection or at a limit line when marked, or if none, then before entering the intersection, and the right to proceed shall be subject to the rules applicable after making a stop at a stop sign.

(b) Flashing yellow (caution signal). When a yellow lens is illuminated with intermittent flashes, drivers of vehicles may proceed through the intersection or past such signal only with caution.

(2) This section shall not apply at railroad grade crossings. Conduct of drivers of vehicles approaching railroad grade crossings shall be governed by the rules set forth in § 15-504 of this code. (2004 Code, § 15-508)

15-509. At pedestrian control signals. Wherever special pedestrian control signals exhibiting the words "Walk" or "Wait" or "Don't Walk" have been placed or erected by the town, such signals shall apply as follows.

(1) "Walk." Pedestrians facing such signal may proceed across the roadway in the direction of the signal and shall be given the right-of-way by the drivers of all vehicles.

(2) "Wait or Don't Walk." No pedestrian shall start to cross the roadway in the direction of such signal, but any pedestrian who has partially completed his crossing on the walk signal shall proceed to the nearest sidewalk or safety zone while the wait signal is showing. (2004 Code, § 15-509)

15-510. Stops to be signaled. No person operating a motor vehicle shall stop such vehicle, whether in obedience to a traffic sign or signal or otherwise, without first signaling his intention in accordance with the requirements of the state law,¹ except in an emergency. (2004 Code, § 15-510)

(2004 Code, § 15-603)

- (9) On the roadway side of any vehicle stopped or parked at the edge or curb of a street;
- (10) Upon any bridge; or
- (11) Alongside any curb painted yellow or red by the town. (2004 Code, § 15-604)

15-605. Loading and unloading zones. No person shall park a vehicle for any purpose or period of time other than for the expeditious loading or unloading of passengers or merchandise in any place marked by the town as a loading and unloading zone. (2004 Code, § 15-605)

15-606. Presumption with respect to illegal parking. When any unoccupied vehicle is found parked in violation of any provision of this chapter, there shall be a prima facie presumption that the registered owner of the vehicle is responsible for such illegal parking. (2004 Code, § 15-606)

15-607. North Broad Street property to be used for large vehicles.

- (1) The property located at North Broad Street be dedicated for use as a parking lot for large vehicles not suitable for parking on city streets.
- (2) The Town of Trezevant prohibits the parking or storage of hazardous or flammable materials on this lot. Violation of this provision may result in permit revocation at the town's discretion.
- (3) The Town of Trezevant will charge a monthly fee of ten dollars (\$10.00) for each parking spot. Only one (1) truck tractor and/or trailer shall be parked in each parking spot. Additional truck tractors and/or trailers parked in a single parking spot shall be charged a separate fee. Applications may be obtained at town hall. Completed applications shall be returned to town hall during normal business hours for processing as a condition to the issuance of a parking permit. Prior to issuance of a parking permit, all applicants shall be required to execute an indemnity and hold harmless agreement in a form to be supplied by the town prior to the issuance of a parking permit.

CHAPTER 7

ENFORCEMENT

SECTION

- 15-701. Impoundment of vehicles.
- 15-702. Issuance of traffic citations.
- 15-703. Failure to obey citation.
- 15-704. Illegal parking.
- 15-705. Violation and penalty.

15-701. Impoundment of vehicles. Members of the police department are hereby authorized, when reasonably necessary to prevent obstruction of traffic, to remove from the streets and impound any vehicle whose operator is arrested or any unattended vehicle which is illegally parked, abandoned, or otherwise parked so as to constitute an obstruction or hazard to normal traffic. Any vehicle left parked on any street or alley for more than seventy-two (72) consecutive hours without permission from the chief of police shall be presumed to have been abandoned if the owner cannot be located after a reasonable investigation. Such an impounded vehicle shall be stored until the owner claims it, gives satisfactory evidence of ownership, and pays all applicable fees and costs. The fee for impounding a vehicle shall be ten dollars (\$10.00) per day for storage cost plus the cost of towing bill. (2004 Code, § 15-701)

15-702. Issuance of traffic citations.¹ When a police officer halts a traffic violator other than for the purpose of giving a warning, he shall take the name, address, and operator's license number of said person, the license number of the motor vehicle involved, and such other pertinent information as may be necessary, and shall issue to him a written traffic citation containing a notice to answer to the charge against him in the town court at a specified time. The officer, upon receiving the written promise of the alleged violator to answer as specified in the citation, shall release such person from custody. (2004 Code, § 15-702, modified)

15-703. Failure to obey citation. It shall be unlawful for any person to violate his written promise to appear in court after giving said promise to an officer upon the issuance of a traffic citation, regardless of the disposition of the charge for which the citation was originally issued. (2004 Code, § 15-703)

The offender may, within thirty (30) days, have the charge against him disposed of by paying to the town recorder a fine of ten dollars (\$10.00) provided he waives his right to a judicial hearing. If he appears and waives his right to a judicial hearing after thirty (30) days but before a warrant for his arrest is issued, his fine shall be whatever the judge sets forth plus court costs. (2004 Code, § 15-704)

15-705. Violation and penalty. Any violation of this title shall be a civil offense punishable as follows:

For other parking violations, excluding handicapped parking violations, the offender may, within thirty (30) days, have the charge against him disposed of by paying to the recorder a fine of ten dollars (\$10.00) provided he waives his right to a judicial hearing. If he appears and waives his right to a judicial hearing after thirty (30) days, his civil penalty shall be twenty-five dollars (\$25.00).

(b) Disabled parking violations, or parking in a space designated for disabled drivers without legal authority, shall be punishable by a fine of up to fifty dollars (\$50.00).
