

TENNESSEE RENEWABLE ENERGY AND ECONOMIC DEVELOPMENT COUNCIL

The University of Tennessee MTAS has been working with the TENNESSEE RENEWABLE ENERGY AND ECONOMIC DEVELOPMENT COUNCIL to develop its bylaws and strategy. In March 2009 a letter was sent out to every city and county Mayor in Tennessee inviting each local government to become members of the newly formed Council . University of Tennessee President Emeritus Dr. Joe Johnson has been appointed Chairman of the Advisory Board. The purpose of the Council is to connect technologies in renewable energy with sustainable economic development. The Council plans to become an active resource to collaborate with the State and private industries with biofuels, solar and wind energy development.

Please contact MTAS Management Consultant Warren Nevad at warren.nevad@tennessee.edu or 865-974-9839 for more information. Lunch will be provided. There is no fee to attend. The meeting should finish around 3:00.

June 10, 2009 | Fall Creek Falls State Park | 10:00 a.m. CST
