Signing Into SolutionPoint

You may access the SolutionPoint page from the MTAS website:

http://mtas.tennessee.edu

The links will take you to the SolutionPoint page in order to login.

Website address:

https://solutionpoint.sabanow.net/Saba/Web/Main
Your username should be the initial of your first name and your whole last name

Ex. April Smith would be asmith

In some cases there are multiple users with the same first initial and last name. In such cases a number has been added to the end of the username such as asmith5.

Your password should have been emailed to you. If you have not received a password please call our office at 865-974-0411 and ask for SolutionPoint password assistance.
Searching the Course Catalog in SolutionPoint

The catalog search dialogue box is located on your homepage when you first login. If you know the ID number or keywords associated with the course you may enter them into this search box and click “Go.”

Here is the catalog search box. After entering the course ID or keywords click “Go”

If you are unable to find the course you are looking for here, click on the Advanced Search link which will take you to the page below.

Add course title here

Add MTAS in the agency field
Make sure to delete the Start Date and add MTAS to the Agency field when searching for courses (see notes in green boxes above).
