Section C. City Administrator required to prepare annual budget and explanatory message.

At least sixty (60) days before the beginning of the fiscal year, the City Administrator shall prepare a budget for the ensuing fiscal year and an accompanying message. The budget shall provide a complete financial plan of all City funds and activities for the ensuing fiscal year and, except as required by law or this Charter, shall be in such form as required by the State Comptroller's office.

Section D. Budget adoption, and effect of adoption.

The budget shall be adopted by ordinance for the ensuing fiscal year before the end of the current fiscal year. Adoption of the budget shall constitute appropriations of the amounts specified therein from the funds indicated. If the Board fails to adopt the budget by the end of the fiscal year, the appropriations for the current fiscal year shall become the appropriations for the next fiscal year until the adoption of the new budget ordinance, except for funds appropriated for capital expenditures which shall lapse at the end of the current fiscal year.

Public advertisement and sealed bids shall be required, unless otherwise provided by state law, in all transactions involving the expenditure of eight thousand dollars (\$8,000), or such larger amount as provided by state law, within one (1) fiscal year. Any exceptions to competitive bidding established by state law shall apply to purchases by the municipality, including but not limited to those exceptions set forth in Tennessee Code Annotated, Section 6-56-304.
