

Engineering

Dear Reader:

The following document was created from the MTAS website ([mtas.tennessee.edu](https://www.mtas.tennessee.edu)). This website is maintained daily by MTAS staff and seeks to represent the most current information regarding issues relative to Tennessee municipal government.

We hope this information will be useful to you; reference to it will assist you with many of the questions that will arise in your tenure with municipal government. However, the *Tennessee Code Annotated* and other relevant laws or regulations should always be consulted before any action is taken based upon the contents of this document.

Please feel free to contact us if you have questions or comments regarding this information or any other MTAS website material.

Sincerely,

The University of Tennessee
Municipal Technical Advisory Service

ENGINEERING RECORDS RETENTION SCHEDULE		
Description of Record	Retention Period	Legal Authority/Rationale
E-1. Aerial Photographs. Aerial photographs of flyovers. Negatives may be available at the state Department of Transportation's photographic lab.	Permanent Record.	Keep for operational purposes through reappraisal appeals process and greenbelt recertification appeal period. This record series has high historical and archival value and should be preserved for those reasons.
E-2. Bridge and Street Project Files, Federal, State and Local. Project files, including contracts and invoices.	Retain 7 years after completion of project.	Based on statute of limitations for legal actions for breach of contract plus 1 year. T.C.A. § 28-3-109.
E-3. Building Plans. Blueprints and specifications for all municipal building including school buildings.	Retain for life of the building (plus additional time if litigation arise from building's early demise). Consider donating to archive.	Necessary for maintenance and operation of physical plant.
E-4. City Street List. Record of all streets under control of the city.	Permanent Record	Necessary for street regulation and maintenance and to protect street department from allegations of working on private property.
E-5. Complaints. Citizen service request for maintenance and repair issues.	Retain 5 years.	Could constitute notice of unsafe condition.
E-6. Deeds, Easements, Highway Rights-of-way, etc. Instruments of conveyance of interests in real property. Show signature of property owner, date, width of easement, and name of road.	Permanent record in city recorder's office.	Recorded copy is necessary to preserve city property rights, City should retain its own copy as record of its property rights.
E-7. Maps and Map Books. City and civil district maps as well as single parcel maps (not part of subdivision).	Permanent Record.	Keep for historical purposes.
E-8. Ownership maps and index, Rural and Urban. These maps reflect the status of real property as of January 1 of each year.	Retain only current and one previous generation of ownership maps and indexes. Older generations of photographs may be removed from the office but if removed, should be transferred to an archive or library.	Useful in office for tracking property changes and as evidence in challenges to tax sales. This record series has a high historical and archival value and should be preserved for those reasons.
E-9. Plats, Plat Books, Surveyors' Books and Indexes. Drawings of subdivisions, cemeteries, utilities, city lots and street improvements showing name of subject, date drawn, boundaries, scale used, location, name of engineer making survey, name of draftsman, and register's certificate of	Permanent Record.	Necessary for maintenance and operation of city infrastructure. Eligible for recordation. T.C.A. § 13-3-402
