Report Summary and Resources

Reference Number: MTAS-1146

A fire department's annual report is an excellent tool for a fire department to use to tell its story to the community and to build community support for its efforts and needs. The report should inform and educate the community about the role the fire department plays in community safety. Department members will take pride in the annual report, knowing that they contributed to the accomplishments of the department and that they helped make a difference in the community.
