

Resources for Acquired Structures

Dear Reader:

The following document was created from the MTAS website ([mtas.tennessee.edu](http://www.mtas.tennessee.edu)). This website is maintained daily by MTAS staff and seeks to represent the most current information regarding issues relative to Tennessee municipal government.

We hope this information will be useful to you; reference to it will assist you with many of the questions that will arise in your tenure with municipal government. However, the *Tennessee Code Annotated* and other relevant laws or regulations should always be consulted before any action is taken based upon the contents of this document.

Please feel free to contact us if you have questions or comments regarding this information or any other MTAS website material.

Sincerely,

The University of Tennessee
Municipal Technical Advisory Service
1610 University Avenue
Knoxville, TN 37921-6741
865-974-0411 phone

Resources for Acquired Structures

Reference Number: MTAS-1236

Because of its importance to the fire service, NFPA allows free online access to the complete contents of NFPA 1403, Standard on Live Fire Training Evolutions. Registration is required to access the standard. For access, go to <http://www.nfpa.org/codes-and-standards/all-codes-and-standards/list-of-codes-and-standards/detail?code=1403> [1].

For individual use, NFPA has licensed the checklist found in NFPA 1403. For more information on the checklist, contact NFPA directly. Obtain a copy of and become familiar with NFPA 1403 before conducting any live fire training evolutions.

The Tennessee Fire and Codes Enforcement Academy offers live fire training programs. For information on live fire and other training programs, contact the academy.

Tennessee Fire Service and Codes Enforcement Academy
2161 Unionville-Deason Road
Bell Buckle, Tennessee 37020
