11-905. Severability.

11-901. Definitions. As used in this chapter, the following terms shall have the following meanings, unless the context clearly indicates that a different meaning is intended:

(1) "Minor" means an individual who is less than eighteen (18) years of age.

(2) "Retailer" means any person, firm, association, company, partnership, or corporation who operates a store, stand, booth, concession, or other place at which sales are made to purchasers for consumption or use of tobacco products.

(3) "Sales conducted in person," means any sales payment for which the purchase of the tobacco item is received directly and in person from the purchaser by the seller or seller's employee. Tobacco vending machines, which are located in plain view of the seller or an employee and controlled by an electronic device activated by the seller or an employee, upon the buyer's presentation of acceptable identification, shall be deemed "sales conducted in person."

(4) "Tobacco vending machine" means and includes any machine or device designated for or used for the vending of cigarettes, cigars, tobacco, or tobacco products upon the insertion of coins, trade checks, slugs or credit cards.

(as added by Ord. #06-16-02C, Feb. 2006)

11-902. Tobacco vending machines. It is unlawful to install, place or permit the use of any tobacco vending machine in any establishment which is open to minors, except in a place where the machine is not accessible to or cannot be used by minors; provided however, that this section shall not apply to the installation and use by the proprietor, proprietor's agent or employees, of tobacco vending machines behind a counter or in some place in any establishment in which access by minors is prohibited by law; provided, further, this chapter shall not apply to the installation and use of a tobacco vending machine in commercial buildings of industrial plants where the public is not
usually admitted and where such machines are intended for the sole use of the employees who are not minors. (as added by Ord. #06-16-02C, Feb. 2006)

11-903. **Requirements for production of identification.** No retailer or employee of a retailer shall sell or permit to be sold, by vending machine or otherwise, cigarettes or other tobacco products to any individual suspected of being a minor. If the retailer or the retailer's employee suspects that a minor is attempting to purchase a tobacco item, the retailer or retailer's employee shall request and examine identification from the purchaser and positively establish the purchaser's age as eighteen (18) years or greater before allowing the purchase of the tobacco item to occur. (as added by Ord. #06-16-02C, Feb. 2006)

11-904. **Posting of tobacco products required.** No retailer shall sell or permit to be sold, cigarettes or other tobacco products, unless the tobacco vending machine or other location at which the cigarettes or other tobacco products are available for purchase is posted with a notice which is clearly visible to anyone purchasing the products, and which states:

IT IS ILLEGAL TO SELL OR PERMIT TO BE SOLD ANY TOBACCO PRODUCTS TO ANY PERSON UNDER THE AGE OF EIGHTEEN (18) YEARS OF AGE.

The notice must be black letters at least one inch in height on a white background, and will be made available through the town clerk at the request of any retailer. (as added by Ord. #06-16-02C, Feb. 2006)
