Appendix A

All candidates for the chief administrative office (mayor), any candidates who spend more than $500, and candidates for other offices that pay at least $100 a month are required to file campaign financial disclosure reports. Civil penalties of $25 per day are authorized for late filings. Penalties up to the greater of $10,000 or 15 percent of the amount in controversy may be levied for filings more than 35 days late. It is a Class E felony for a multicandidate political campaign committee with a prior assessment record to intentionally fail to file a required campaign financial report. Further, the treasurer of such a committee may be personally liable for any penalty levied by the Registry of Election Finance (T.C.A. § 2-10-101–118).

Contributions to political campaigns for municipal candidates are limited to:

a. $1,000 from any person (including corporations and other organizations);
b. $5,000 from a multicandidate political campaign committee;
c. $20,000 from the candidate;
d. $20,000 from a political party; and
e. $75,000 from multicandidate political campaign committees.

The Registry of Election Finance may impose a maximum penalty of $10,000 or 115 percent of the amount of all contributions made or accepted in excess of these limits, whichever is greater (T.C.A. § 2-10-301–310).

Each candidate for local public office must prepare a report of contributions that includes the receipt date of each contribution and a political campaign committee’s statement indicating the date of each expenditure (T.C.A. § 2-10-105, 107).

Candidates are prohibited from converting leftover campaign funds to personal use. The funds must be returned to contributors, put in the volunteer public education trust fund, or transferred to another political campaign fund, a political party, a charitable or civic organization, educational institution, or an organization described in 26 U.S.C. 170(c) (T.C.A. § 2-10-114).

2. Conflicts of Interest.

Municipal officers and employees are permitted to have an “indirect interest” in contracts with their municipality if the officers or employees publicly acknowledge their interest. An indirect interest is any interest that is not “direct,” except it includes a direct interest if the officer is the only supplier of
goods or services in a municipality. A “direct interest” is any contract with the official himself or with any business of which the official is the sole proprietor, a partner, or owner of the largest number of outstanding shares held by any individual or corporation. Except as noted, direct interests are absolutely prohibited (T.C.A. § 6-2-402, T.C.A. § 6-20-205, T.C.A. § 6-54-107–108, T.C.A. § 12-4-101–102).

Conflict of interest disclosure reports by any candidate or appointee to a local public office are required under T.C.A. §§ 8-50-501 et seq. Detailed financial information is required, including the names of corporations or organizations in which the official or one immediate family member has an investment of over $10,000 or 5 percent of the total capital. This must be filed no later than 30 days after the last day legally allowed for qualifying as a candidate. As long as an elected official holds office, he or she must file an amended statement with the Tennessee Ethics Commission or inform that office in writing that an amended statement is not necessary because nothing has changed. The amended statement must be filed no later than January 31 of each year (T.C.A. § 8-50-504).

4. Consulting fee prohibition for elected municipal officials.

Any member or member-elect of a municipal governing body is prohibited under T.C.A. § 2-10-124 from “knowingly” receiving any form of compensation for “consulting services” other than compensation paid by the state, county, or municipality. Violations are punishable as Class C felonies if the conduct constitutes bribery under T.C.A. § 39-16-102. Other violations are prosecuted as Class A misdemeanors. A conviction under either statute disqualifies the offender from holding any office under the laws or Constitution of the State of Tennessee.

“Consulting services” under T.C.A. § 2-10-122 means “services to advise or assist a person or entity in influencing legislative or administrative action, as that term is defined in § 3-6-301, relative to the municipality or county represented by that official.” “Consulting services” also means services to advise or assist a person or entity in maintaining, applying for, soliciting or entering into a contract with the municipality represented by that official. "Consulting services" does not mean the practice or business of law in connection with representation of clients by a licensed attorney in a contested case action, administrative proceeding or rule making procedure;
"Compensation" does not include an “honorarium” under T.C.A. § 2-10-116, or certain gifts under T.C.A. § 3-6-305(b), which are defined and prohibited under those statutes.

The attorney general construes "Consulting services" to include advertising or other informational services that directly promote specific legislation or specifically target legislators or state executive officials. Advertising aimed at the general public that does not promote or otherwise attempt to influence specific legislative or administrative action is not prohibited. Op. Atty.Gen. No. 05-096, June 17, 2005.

5. Bribery offenses.

   a. A person who is convicted of bribery of a public servant, as defined in T.C.A. § 39-16-102, or a public servant who is convicted of accepting a bribe under the statute, commits a Class B felony.

   b. Under T.C.A. § 39-16-103, a person convicted of bribery is disqualified from ever holding office again in the state. Conviction while in office will not end the person’s term of office under this statute, but a person may be removed from office pursuant to any law providing for removal or expulsion existing prior to the conviction.

   c. A public servant who requests a pecuniary benefit for performing an act the person would have had to perform without the benefit or for a lesser fee, may be convicted of a Class E felony for solicitation of unlawful compensation under T.C.A. § 39-16-104.

   d. A public servant convicted of “buying and selling in regard to offices” under T.C.A. § 39-16-105, may be found guilty of a Class C felony. Offenses under this statute relevant to public officials are selling, resigning, vacating, or refusing to qualify and enter upon the duties of the office for pecuniary gain, or entering into any kind of borrowing or selling for anything of value with regard to the office.

   e. Exceptions to 1, 3, and 4, above include lawful contributions to political campaigns, and a “trivial benefit” that is “incidental to personal, professional, or business contacts” in which there is no danger of undermining an official’s impartiality.

   a. Public misconduct offenses under Tennessee Code Annotated § 39-16-401 through § 39-16-404 apply to officers, elected officials, employees,
candidates for nomination or election to public office, and persons performing a governmental function under claim of right even though not qualified to do so.

b. Official misconduct under Tennessee Code Annotated § 39-16-402 pertains to acts related to a public servant’s office or employment committed with an intent to obtain a benefit or to harm another. Acts constituting an offense include the unauthorized exercise of official power, acts exceeding one’s official power, failure to perform a duty required by law, and receiving a benefit not authorized by law. Offenses under this section constitute a Class E felony.

c. Under Tennessee Code Annotated § 39-16-403, “Official oppression,” a public servant acting in an official capacity who intentionally arrests, detains, frisks, etc., or intentionally prevents another from enjoying a right or privilege commits a Class E felony.

d. Tennessee Code Annotated § 39-16-404 prohibits a public servant’s use of information attained in an official capacity, to attain a benefit or aid another which has not been made public. Offenses under the section are Class B misdemeanors.

e. A public servant convicted for any of the offenses summarized in sections 2-4 above shall be removed from office or discharged from a position of employment, in addition to the criminal penalties provided for each offense. Additionally, an elected or appointed official is prohibited from holding another appointed or elected office for ten (10) years. At-will employees convicted will be discharged, but are not prohibited from working in public service for any specific period. Subsequent employment is left to the discretion of the hiring entity for those employees. Tennessee Code Annotated § 39-16-406.

7. Ouster law.

Some Tennessee city charters include ouster provisions, but the only general law procedure for removing elected officials from office is judicial ouster. Cities are entitled to use their municipal charter ouster provisions, or they may proceed under state law.

The judicial ouster procedure applies to all officers, including people holding any municipal “office of trust or profit.” (Note that it must be an “office” filled by an “officer,” distinguished from an “employee” holding a “position” that does not have the attributes of an “office.”) The statute makes any officer subject to such removal “who shall knowingly or willfully misconduct himself in office, or who shall knowingly or willfully neglect to perform any duty enjoined upon such officer by any of the laws of the state, or who shall in any public place be in a state of intoxication produced by strong drink voluntarily taken, or who shall
engage in any form of illegal gambling, or who shall commit any act constituting a violation of any penal statute involving moral turpitude” (T.C.A. § 8-47-101).

T.C.A. § 8-47-122(b) allows the taxing of costs and attorney fees against the complainant in an ouster suit if the complaint subsequently is withdrawn or deemed meritless. Similarly, after a final judgment in an ouster suit, governments may order reimbursement of attorney fees to the officer targeted in a failed ouster attempt (T.C.A. § 8-47-121).

The local attorney general or city attorney has a legal “duty” to investigate a written allegation that an officer has been guilty of any of the mentioned offenses. If he or she finds that “there is reasonable cause for such complaint, he shall forthwith institute proceedings in the Circuit, Chancery, or Criminal Court of the proper county.” However, with respect to the city attorney, there may be an irreconcilable conflict between that duty and the city attorney’s duties to the city, the mayor, and the rules of professional responsibility governing attorneys. Also, an attorney general or city attorney may act on his or her own initiative without a formal complaint (T.C.A. § 8-47-101–102). The officer must be removed from office if found guilty (T.C.A. § 8-47-120).

NOTICE TO ALL EMPLOYEES OF City of Jackson

The Tennessee Occupational Safety and Health Act of 1972 provides job safety and health protection for Tennessee workers through the promotion of safe and healthful working conditions. Under a plan reviewed by the Tennessee Department of Labor and Workforce Development, this government, as an employer, is responsible for administering the Act to its employees. Safety and health standards are the same as State standards and jobsite inspections will be conducted to insure compliance with the Act.

Employees shall be furnished conditions of employment and a place of employment free from recognized hazards that are causing or are likely to cause death or serious injury or harm to employees.

Each employee shall comply with occupational safety and health standards and all rules, regulations, and orders issued pursuant to this program which are applicable to his or her own actions and conduct.

Each employee shall be notified by the placing upon bulletin boards or other places of common passage, of any application for a temporary variance from any standard or regulation.

Each employee shall be given the opportunity to participate in any hearing which concerns an application for a variance from a standard.

Any employee who may be adversely affected by a standard or variance issued pursuant to this program may file a petition with the Director or City of Jackson.

Any employee who has been exposed or is being exposed to toxic materials or harmful physical agents in concentrations or at levels in excess of that provided for by an applicable standard shall be notified by the employer and informed of such exposure and corrective action being taken.

Subject to regulations issued pursuant to this program, any employee or authorized representative(s) of employees shall be given the right to request an inspection.
No employee shall be discharged or discriminated against because such employee has filed any complaint or instituted or caused to be instituted any proceedings or inspection under, or relating to, this program.

Any employee who believes he or she has been discriminated against or discharged in violation of these sections may, within thirty (30) days after such violation occurs, have an opportunity to appear in a hearing before Personnel Dept. for assistance in obtaining relief or to file a complaint with the Commissioner of Labor and Workforce Development alleging such discrimination.

A copy of the Occupational Safety and Health Program for the Employees of City of Jackson is available for inspection by any employee at City Hall during regular office hours.

Appendix III. OCCUPATIONAL SAFETY AND HEALTH
PROGRAM PLAN ACCIDENT REPORTING PROCEDURES

Note: All fatalities or accidents involving the hospitalization of three (3) or more employees shall be reported by phone to the Commissioner of Labor and Workforce Development within eight (8) hours.

There are six important steps required by the OSHA recordkeeping system:

1. Obtain a report on every injury/illness requiring medical treatment (other than first aid).
2. Record each injury/illness on the OSHA Form No. 300 according to the instructions provided.
3. Prepare a supplementary record of occupational injuries and illnesses for recordable cases either on OSHA Form No. 301 or on worker's compensation reports giving the same information.
4. Every year, prepare the annual summary (OSHA Form No. 300A); post it no later than February 1, and keep it posted until April 30.
5. Retain these records for at least 5 years.
6. Complete the Survey of Occupational Injuries/Illness and mail it to Labor Research and Statistics, when requested.

The four (4) procedures listed below are based upon the size of the work force and relative complexity of the organization. The approximate size of the organization for which each procedure is suggested is indicated in parenthesis in the left hand margin at the beginning, i.e., (1-15), (16-50), (51-250), and (251 Plus), and the figures relate to the total number of employees including the Chief Executive Officer but excluding the governing body (County Court, City Council, Board of Directors, etc.).

(1-15) Employees shall report all accidents, injuries, or illnesses directly to the Officer as soon as possible, but not later than twenty-four (24) hours, of their occurrence. Such reports may be verbal or in writing. All fatalities or accidents involving the hospitalization of three (3) or more employees shall be reported to the Officer and/or recordkeeper immediately, either by telephone or verbally, and will be followed by a written report within four (4) hours after their occurrence. The officer will insure completion of required reports and records in accordance with § 4-208 of the basic plan.

(16-50) Employees shall report all accidents, injuries, or illnesses to their supervisor as soon as possible, but not later than two (2) hours after their occurrence. All fatalities or accidents involving the
hospitalization of three (3) or more employees shall be reported to the Officer and/or recordkeeper immediately, either by telephone or verbally, and will be followed by a written report within four (4) hours after their occurrence. The supervisor will investigate the accident or illness, complete an accident report, and forward the accident report to the Director and/or recordkeeper within twenty-four (24) hours of the time the accident or injury occurred or the time of the first report of the illness.

Employees shall report all accidents, injuries, or illnesses to their supervisor as soon as possible, but not later than two (2) hours, after their occurrence. The supervisor will provide the Officer and/or recordkeeper with the name of the injured or ill employee and a brief description of the accident or illness by telephone as soon as possible, but not later than four (4) hours, after the accident or injury occurred or the time of the first report of the illness. All fatalities or accidents involving the hospitalization of three (3) or more employees shall be reported to the Officer and/or recordkeeper immediately, either by telephone or verbally, and will be followed by a written report within four (4) hours after their occurrence. The supervisor will then make a thorough investigation of the accident or illness (with the assistance of the Officer or Compliance Inspector, if necessary) and will complete a written report on the accident or illness and forward it to the Officer within seventy-two (72) hours after the accident, injury, or first report of illness and will provide one (1) copy of the written report to the recordkeeper.

Employees shall report all accidents, injuries, or illnesses to their supervisors as soon as possible, but not later than two (2) hours after their occurrence. The supervisor will provide the administrative head of the department with a verbal or telephone report of the accident as soon as possible, but not later than four (4) hours, after the accident. If the accident involves loss of consciousness, a fatality, broken bones, severed body member, or third degree burns, the Officer will be notified by telephone immediately and will be given the name of the injured, a description of the injury, and a brief description of how the accident occurred. The supervisor or the administrative head is to be notified of the accident within seventy-two (72) hours after the accident occurred (four (4) hours in the event of accidents involving a fatality or the hospitalization of three (3) or more employees).
Since an OSHA NO. 301 Form must be completed, all reports submitted in writing to the person responsible for recordkeeping shall include the following information as a minimum:

1. Accident location, if different from employers mailing address and state whether accident occurred on premises owned or operated by employer.
2. Name, social security number, home address, age, sex, and occupation (regular job title) of injured or ill employee.
3. Title of the department or division in which the injured or ill employee is normally employed.
4. Specific description of what the employee was doing when injured.
5. Specific description of how the accident occurred.
6. A description of the injury or illness in detail and the part of the body affected.
7. Name of the object or substance which directly injured the employee.
8. Date and time of injury or diagnosis of illness.
9. Name and address of physician, if applicable.
10. If employee was hospitalized, name and address of hospital.
11. Date of report.

NOTE: A procedure such as one of those listed above or similar information is necessary to satisfy Item Number 6 listed under PROGRAM PLAN in Chapter IV, Part IV of the Tennessee Occupational Safety and Health Plan. This information may be submitted in flow chart form instead of in narrative form if desired. These procedures may be modified in any way to fit local situations as they have been prepared as a guide only.

Generally, the more simple an accident reporting procedure is, the more effective it is. Please select the one procedure listed above, or prepare a similar procedure or flow chart, which most nearly fits what will be the most effective for your local situation.
