At the time a new permit is issued to any business subject to this tax, the permit holder shall be required to pay the privilege tax on a prorated basis for each month or portion thereof remaining until the next tax payment date.

8-209. Beer permits shall be restrictive. All beer permits shall be restrictive as to the type of beer business authorized under them. Separate permits shall be required for selling at retail, storing, distributing, and manufacturing. Beer permits for retail sale of beer may be further restricted so as to authorize sales only for off premises consumption. A single permit may be issued for on premise and off premise consumption. It shall be unlawful for any beer permit holder to engage in any type or phase of the beer business not expressly authorized by his permit. It shall likewise be unlawful for him not to comply with any and all express restrictions or conditions in his permit.

8-210. Limitations on beer permits. (1) Except as provided in subsection (2) of this section, licenses for the sale of beer shall be limited to sales for off premises consumption. Provided that all requirements of this chapter are complied with, all existing permits for the sale of beer within the corporate limits of the town at the date of the passage of this chapter shall continue to be renewed. A new permit may be issued to a qualified purchaser of an existing establishment in which a permit is now held for the sale of beer for off premises consumption, and the permit used only within the establishment or building purchased.

(2) A business which holds a valid beer permit to sell beer for on premises consumption within the Town of Baileyton on the date of adoption of this chapter, may continue to hold its beer permit as long as the business remains in compliance with this chapter. If and when that beer permit lapses, no more permits for the sale of beer for on premises consumption will be issued in the town.

8-211. Interference with public health, safety, and morals prohibited. No permit authorizing the sale of beer will be issued when such business would cause congestion of traffic or would interfere with schools, residences, churches, or other places of public gathering, or would otherwise interfere with the public health, safety, and morals. In no event will a permit be issued authorizing the manufacture or storage of beer, or the sale of beer within three hundred (300) feet of any school, residence, church or other place of public gathering. The distances shall be measured in a straight line from the nearest point on the property line upon which sits the building from which the beer will be manufactured, stored or sold to the nearest point on the property line of the school, residence, church or other place of public gathering. No permit shall be suspended, revoked or denied on the basis of proximity of the establishment to
a school, residence, church, or other place of public gathering if a valid permit had been issued to any business on that same location unless beer is not sold, distributed or manufactured at that location during any continuous six-month period.

8-212. Issuance of permits to persons convicted of certain crimes prohibited. No beer permit shall be issued to any person who has been convicted for the possession, sale, manufacture, or transportation of beer or other alcoholic beverage, or any crime involving moral turpitude within the past ten (10) years. No person, firm, corporation, joint-stock company, syndicate, or association having at least a five percent (5%) ownership interest in the applicant shall have been convicted of any violation of the laws against possession, sale, manufacture, or transportation of beer or other alcoholic beverages or any crime involving moral turpitude within the past ten (10) years.

8-213. Prohibited conduct or activities by beer permit holders, employees and persons engaged in the sale of beer. It shall be unlawful for any beer permit holder, employee or person engaged in the sale of beer to:

(1) Employ any person convicted for the possession, sale, manufacture, or transportation of intoxicating liquor, or any crime involving moral turpitude within the past ten (10) years.

(3) Make or allow any sale of beer to a person under twenty-one (21) years of age.
(4) Allow any person under twenty-one (21) years of age to loiter in or about his place of business.
(5) Make or allow any sale of beer to any intoxicated person or to any feeble-minded, insane, or otherwise mentally incapacitated person.

(8) Allow pool or billiard playing in the same room where beer is sold and/or consumed.
(9) Fail to provide and maintain separate sanitary toilet facilities for men and women.

8-214. Hours for beer sales. Beer may be sold twenty-four (24) hours per day seven days per week.
8-215. Revocation of beer permits. The beer board shall have the power to revoke any beer permit issued under the provisions of this chapter when the holder thereof is guilty of making a false statement or misrepresentation in his application or of violating any of the provisions of this chapter. However, no beer permit shall be revoked until a public hearing is held by the board after reasonable notice to all the known parties in interest. Revocation proceedings may be initiated by the police chief or by any member of the beer board.

8-216. Civil penalty in lieu of suspension. The beer board may, at the time it imposes a revocation or suspension, offer a permit holder the alternative of paying a civil penalty not to exceed one thousand five hundred dollars ($1,500.00) for each offense of making or permitting to be made any sales to minors or a civil penalty not to exceed one thousand dollars ($1,000.00) for any other offense. If a civil penalty is offered as an alternative to revocation or suspension, the holder shall have seven (7) days within which to pay the civil penalty before the revocation or suspension shall be imposed. If the civil penalty is paid within that time, the revocation or suspension shall be deemed withdrawn.

Payment of the civil penalty in lieu of suspension by a permit holder shall be an admission by the holder of the violation so charged and shall be paid to the exclusion of any other penalty that the city may impose.

8-217. Violations. Except as provided in § 8-215, any violation of this chapter shall constitute a civil offense and shall, upon conviction, be punishable by a penalty under the general penalty provision of this code. Each day a violation shall be allowed to continue shall constitute a separate offense.
