## PREFACE

The Adamsville Municipal Code contains the codification and revision of the ordinances of the City of Adamsville, Tennessee. By referring to the historical citation appearing at the end of each section, the user can determine the origin of each particular section. The absence of a historical citation means that the section was added by the codifier. The word "modified" in the historical citation indicates significant modification of the original ordinance.

The code is arranged into titles, chapters, and sections. Related matter is kept together, so far as possible, within the same title. Each section number is complete within itself, containing the title number, the chapter number, and the section of the chapter of which it is a part. Specifically, the first digit, followed by a hyphen, identifies the title number. The second digit identifies the chapter number, and the last two digits identify the section number. For example, title 2, chapter 1, section 6, is designated as section 2-106.

By utilizing the table of contents and the analysis preceding each title and chapter of the code, together with the cross references and explanations included as footnotes, the user should locate all the provisions in the code relating to any question that might arise. However, the user should note that most of the administrative ordinances (e.g. Annual Budget, Zoning Map Amendments, Tax Assessments, etc...) do not appear in the code. Likewise, ordinances that have been passed since the last update of the code do not appear here. Therefore, the user should refer to the city's ordinance book or the city recorder for a comprehensive and up to date review of the city's ordinances.

Following this preface is an outline of the ordinance adoption procedures, if any, prescribed by the city's charter.

The code has been arranged and prepared in loose-leaf form to facilitate keeping it up to date. MTAS will provide updating service under the following conditions:

- (1) That all ordinances relating to subjects treated in the code or which should be added to the code are adopted as amending, adding, or deleting specific chapters or sections of the code (see section 8 of the adopting ordinance).
- (2) That one copy of every ordinance adopted by the city is kept in a separate ordinance book and forwarded to MTAS annually.

(3) That the city agrees to reimburse MTAS for the actual costs of reproducing replacement pages for the code (no charge is made for the consultant's work, and reproduction costs are usually nominal).

When the foregoing conditions are met MTAS will reproduce replacement pages for the code to reflect the amendments and additions made by such ordinances. This service will be performed at least annually and more often if justified by the volume of amendments. Replacement pages will be supplied with detailed instructions for utilizing them so as again to make the code complete and up to date.

The able assistance of Bobbie J. Sams, the MTAS Word Processing Specialist who did all the typing on this project, and Tracy G. Gardner, Administrative Services Assistant, is gratefully acknowledged.

**ORDINANCE ADOPTION PROCEDURES PRESCRIBED BY THE  
CITY CHARTER**

Section 2.11. City legislation.

1. The enacting clause of ordinances shall read "Be it ordained by the city of Adamsville, Tennessee".

2. An ordinance may be introduced by the mayor or any member of the commission. Every ordinance, except an emergency ordinance, must be approved on two (2) readings not less than fourteen (14) days apart, at least one of which must be a regular meeting, and shall become effective fourteen (14) days after final approval unless its terms provide a later effective date. Captions of all ordinances, except an emergency ordinance, shall be published at least once in the officially designated newspaper of the city or county before its final passage. Provided, however, the failure to publish the caption and/or ordinance shall in no way affect the validity of any ordinance otherwise properly adopted.

3. To meet a public emergency affecting life, health or property, an emergency ordinance may be adopted on one reading, and become effective immediately, if the ordinance contains a full statement declaring an emergency and detailing the facts creating the emergency, and is passed unanimously by the city commission. Appropriations, revenues, franchises, contracts, levy of taxes, borrowing money, or special privileges shall not be passed as emergency ordinances.

4. All ordinances after final passage shall be signed by the mayor and his signature shall be attested by the city recorder.
