(ii) "Predominately" means knowledge through identification procedures or otherwise, or admission by owner, keeper, or harbinger that a dog is more than fifty percent (50%) pit bull. Predominately also means that the dog exhibits the physical characteristics of a pit bull more than that of any other breed of dog.

(iii) "Impoundment" means the taking or picking up and confining of an animal by any police officer, animal control officer or any other public officer under the provisions of this section.

(iv) "Muzzle" means a device constructed of strong, soft material or of metal, designed to fasten over the mouth of an animal to prevent the animal from biting any person or other animal.

(v) "Confined" means to be securely kept indoors, within an automobile or other vehicle, or kept in a securely enclosed and locked pen or structure upon the premises of the owner or keeper of such dog.

(vi) "Securely enclosed and locked pen or structure" means a fenced-in area that shall be a minimum of ten feet (10') wide, ten feet (10') long, and six feet (6') in height above grade, and with a horizontal top covering said area, all to be at least nine (9) gauge chain link fencing with necessary steel supporting posts. The floor shall be at least three inches (3") of poured concrete with the bottom edge of the fencing embedded in the concrete or extending at least two feet (2') below grade. The gate must be of the same materials as the fencing, fit securely, and be kept securely locked. The owner shall post the enclosure with a clearly visible warning sign, including a warning symbol to inform children that there is a dangerous dog on the property. The enclosure shall contain and provide shelter and protection from the elements, adequate exercise room, be adequately lighted and ventilated, and kept in a sanitary condition.

(vii) "Physical restraint" means a muzzle and a leash not to exceed four feet (4') in length.

(viii) "Under restraint" means that the dog is secured by a leash, led under the control of a person who is at least eighteen (18) years of age and physically capable of restraining the dog, and that the dog is obedient to that person's commands. A dog kept

(ix) "Sanitary condition" means a condition of good order and cleanliness to minimize the possibility of disease transmission.

(x) "Owner" means any person, partnership, corporation, or other legal entity owning, harboring, or possessing a pit bull or any other dog regardless of breed determined to be vicious, or in the case of a person under the age of eighteen (18), that person's parent or legal guardian. Such dog shall be deemed to be harbored if it is fed or sheltered for three (3) or more consecutive days. This definition shall not apply to any veterinary clinic or boarding kennel.

(b) Pit bull restrictions. It shall be unlawful to keep, harbor, own, or in any way possess a pit bull dog within the corporate limits of Adamsville. Provided, however, that persons owning such dogs at the time the ordinance comprising this section is adopted shall be allowed to keep them, provided that they comply with all of the provisions of this section, including § 10-204(3), within thirty (30) days of the effective date of the ordinance comprising this section.

(c) Standards and requirements for pit bulls. The following standards and requirements shall apply to pit bull dogs located within the corporate limits of Adamsville:

(i) Permit required. Each owner, keeper, harborer, or possessor of a pit bull dog shall annually obtain a pit bull permit from the Adamsville City Recorder. Such pit bull permit shall cost thirty dollars (\$30.00) per year and the pit bull's owner shall make a personal appearance at the Adamsville City Recorder's office when submitting an application for a permit. The thirty dollar (\$30.00) annual permit fee shall be non-refundable and shall be paid prior to any consideration of the permit application or issuance of the permit.

(ii) Physical restraint. No person having charge, custody, control, or possession of a pit bull shall permit the dog to go outside its kennel, pen, or other securely enclosed and locked pen or structure unless such dog is under restraint. No person shall permit a pit bull dog to be kept on a chain, rope, or other type of leash shorter than four feet (4') in length outside its kennel or pen unless such person is of at least eighteen (18) years of age and is in physical control of the leash. Such dogs shall not be leashed to inanimate objects such as trees, posts, buildings, or structures.

(iii) Muzzle. It is unlawful for any owner or keeper of a pit bull to allow the dog to be outside its kennel, pen, or other securely enclosed and locked pen or structure unless it is necessary for the dog to receive veterinary care. In such cases, the dog must

wear a properly fitted muzzle sufficient to prevent the dog from biting persons or other animals. Such muzzle shall not interfere with the dog's breathing or vision.

(iv) Outdoor confinement. Except when leashed and muzzled as provided in this section, all pit bull dogs shall be securely confined as defined in § 10-204(1)(a). All structures used to confine pit bull dogs must be locked with a key or combination lock when such animals are within the structure. All structures erected to house pit bull dogs must comply with zoning and building ordinances and regulations of the City of Adamsville.

(v) Indoor confinement. No pit bull dog shall be kept on a porch, patio, or in any part of a dwelling or structure that would allow the dog to exit such building on its own volition. In addition, no such dog may be kept in a dwelling or structure when the windows are open or when screen windows or screen doors are the only obstacles preventing the dog from exiting the structure.

(vi) Signs. All owners, keepers, harborers, or possessors of pit bull dogs shall display in a prominent place on their premises a sign easily readable by the public using the words "Beware of Dog" and including a warning symbol to inform children that there is a dangerous dog on the property. All such signs shall be displayed within twenty-four (24) hours of the issuance of a pit bull permit by the City of Adamsville.

(vii) Insurance. Prior to the issuance of a pit bull permit by the City of Adamsville, all owners, keepers, harborers, or possessors of pit bull dogs shall provide a certificate of insurance to the Adamsville City Recorder as evidence that they have public liability insurance in a single incident amount of one hundred thousand dollars (\$100,000.00) for bodily injury to or death of any person or persons or for damage to property owned by any persons which may result from owning, possessing, keeping, or maintaining such animal. Such insurance policy shall provide that no cancellation of the policy will be made unless ten (10) days' advance written notice is first given to the Adamsville City Recorder. Failure to maintain such liability insurance or any other lapse in such coverage shall be grounds for the immediate revocation of the pit bull permit issued by the City of Adamsville.

(viii) Identification photographs. Prior to the issuance of a pit bull permit by the City of Adamsville all owners, keepers, possessors, or harborers of pit bull dogs shall provide to the city recorder two (2) color photographs of the dog clearly showing the color and approximate size of the animal.

(ix) Reporting requirements. All owners, keepers, possessors, or harborers of pit bull dogs shall within ten (10) days

of the incident report the following information in writing to the Adamsville City Recorder as required hereinafter:

- (A) The removal from the city or death of a pit bull dog.
 - (B) The birth of offspring of a pit bull dog.
 - (C) The new address of a pit bull dog owner, keeper, possessor, or harbinger should such owner, keeper, possessor, or harbinger move his residence within the corporate limits of the City of Adamsville.
 - (d) Sale or transfer of ownership prohibited. No person shall sell, barter, or in any other way transfer possession of a pit bull dog to any person within the City of Adamsville unless the recipient person resides permanently in the same household and on the same premises as the owner of such dog; provided that the owner of a pit bull dog may sell or otherwise dispose of a pit bull dog or the offspring of such dog to persons who do not reside within the City of Adamsville.
 - (e) Animals born of registered dogs. All offspring born of pit bull dogs within the City of Adamsville shall be removed from the City of Adamsville within six (6) weeks of the birth of such animal.
 - (f) Rebuttable presumptions. There shall be a rebuttable presumption that any dog registered with the City of Adamsville as a pit bull dog or any of those breeds defined by § 10-204(1) of this section is in fact a dog subject to the requirements of this section.
 - (g) Impoundment. Any pit bull dog, not kept in compliance with the provisions of this section, may be taken into custody by the appropriate authorities of the City of Adamsville or agents acting on its behalf, and impounded. The dog's owner shall be solely responsible for payment of all boarding fees associated with the impounding of the dog, in addition to any punitive fines to be paid.
 - (h) Court proceedings against the owner. If any pit bull dog is impounded, the City of Adamsville may institute proceedings in municipal court charging the owner with violation of this section. Nothing in this section, however, shall be construed as preventing the city or any citizen from instituting a proceeding for violation of this section where there has been no impoundment.
 - (i) Court findings. If a complaint has been filed in municipal court against the owner of a dog for violation of this section, the dog shall not be released from impoundment or disposed of except on order of the court and payment of all charges and costs incurred under this section, including penalties for violating this section. The city may request the district attorney general to petition the circuit court to order the dog destroyed in a humane manner.
- (2) Vicious dogs. (a) Definitions. The definitions included in § 10-204(1)(a) of this section shall apply to vicious dogs. Additionally, the

The purpose of the hearing shall be to determine whether such dog is, in fact, vicious. The dog owner shall be notified by a certified letter of the date, time, place, and purpose of the hearing and may attend and have an opportunity to be heard.

If the dog is declared vicious, its owner shall confine the dog with a securely enclosed and locked pen or structure, and whenever the dog is removed from such secure enclosure it shall be physically restrained and under restraint as defined in this section. The owner of the vicious dog shall notify residents of all abutting properties, including those across the street, of such findings. This notice to occupants of abutting properties shall be by certified mail, return receipt requested, and shall be at the owner's sole expense. The city recorder may:

(A) Vary the minimum requirements of a secure enclosure if the owner's residence cannot accommodate a secure enclosure as defined in this section; or

(B) Permit an alternate method of enclosure provided that, in the sole discretion of the city recorder, such alternate method fulfills the objectives as a secure enclosure.

(iv) No dog shall be declared vicious if the threat, injury, or damage was sustained by a person who:

(A) Was committing a crime or willful trespass or other tort upon the premises occupied by the owner of the dog; or

(B) Was teasing, tormenting, abusing, or provoking the dog; or

(C) Was committing or attempting to commit a crime.

(v) No dog shall be declared vicious as the result of protecting or defending a human being, any other animal, or itself against an unjustified attack or assault.

(d) Impoundment of vicious dogs. Any vicious dog, not in compliance with the provisions of this section, may be taken into custody by the appropriate authorities of the City of Adamsville or agents acting on behalf of the city, and impounded. The dog's owner shall be solely responsible for payment of all boarding fees associated with such impoundment in addition to any punitive fines to be paid. Such dogs shall not be leashed to inanimate objects such as trees, posts, buildings, or structures.

(h) Muzzle. It is unlawful for any owner or keeper of a vicious dog to allow the dog to be outside its kennel, pen or other securely enclosed and locked pen or structure unless it is necessary for the dog to receive veterinary care. In such cases, the dog must wear a properly fitted muzzle sufficient to prevent the dog from biting persons or other animals. Such muzzle shall not interfere with the dog's breathing or vision.

(i) Outdoor confinement. Except when leashed and muzzled as provided in this section, all vicious dogs shall be securely confined as described in § 10-204(1)(a) of this section. Such insurance policy shall provide that no cancellation of the policy will be made unless ten (10) days' advance written notice is first given to the Adamsville City Recorder.

(p) Court proceedings against the owner. If any vicious dog is impounded, the City of Adamsville may institute proceedings in municipal court charging the owner with violation of this section. Nothing in this section, however, shall be construed as preventing the city or any citizen from instituting a proceeding for violation of this section where there has been no impoundment.

(q) Court findings. If a complaint has been filed in municipal court against the owner of a dog for violation of this section, the dog shall not be released from impoundment or disposed of except on order of the court and payment of all charges and costs incurred under this section, including penalties for violating this section. The city may request the district attorney general to petition the circuit court to order the dog destroyed in a humane manner.

(r) Guard dogs. It shall be unlawful for any person to place or maintain guard dogs in any area of the City of Adamsville for the protection of persons or property unless the following provisions are met:

10-206. Confinement of dogs suspected of being rabid. If any dog has bitten any person or is suspected of having bitten any person or is for any reason suspected of being infected with rabies, the health officer or chief of police may cause such dog to be confined or isolated for such time as he deems reasonably necessary to determine if such dog is rabid. (1984 Code, § 3-206)

10-207. Seizure and disposition of dogs. Any dog found running at large may be seized by the health officer or any police officer and placed in a pound provided or designated by the city commission. If said dog is wearing a tag the owner shall be notified in person, by telephone, or by a postcard addressed to his last-known mailing address to appear within five (5) days and redeem his dog by paying a reasonable pound fee, in accordance with a schedule approved by the city commission, or the dog will be humanely destroyed or sold. If said dog is not wearing a tag it shall be humanely destroyed or sold unless legally claimed by the owner within two (2) days. No dog shall be released in any event from the pound unless or until such dog has been vaccinated and had a tag evidencing such vaccination placed on its collar.

When, because of its viciousness or apparent infection with rabies, a dog found running at large cannot be safely impounded it may be summarily destroyed by the health officer or any policeman.¹ (1984 Code, § 3-207)
