**10-202. Vaccinations.** (1) Vaccinations of dogs or cats required. It shall be unlawful for any owner to keep, harbor or permit to remain on or about any premises any dog or cat over six (6) months of age which has not been vaccinated against rabies as required by the board of health. A certificate of such vaccination shall be issued by a licensed veterinarian duly authorized to administer such a vaccination, and such certificate shall be kept by the person who owns, keeps, harbors such dog or cat, subject to the inspection of the animal control and police department.

(2) Standard for vaccine and vaccination. It shall be the duty of the veterinarian, duly licensed by the state board of veterinary medical examiners and approved by the board of health, to administer such a vaccination and to perform such vaccination in such a manner as meets the standards of State

Board of Veterinary Medical Examiner. (1977 Code, § 3-202, as amended by Ord. #2006-116, Nov. 2006)

**10-203. Dogs not allowed at large--exception.** (1) It is unlawful for any person to allow a dog belonging to or under the control of such person, or that may be habitually found on premises occupied by the person or immediately under the control of such person, to go upon the premises of another, or upon a highway or upon a public road or street, provided, that this section shall not apply to a dog on a hunt or chase, or on the way to or from a hunt or chase, nor a dog guarding or driving stock, or on the way for that purpose, nor to a dog being moved from one place to another, by a person owning or controlling a dog provided, however, that the foregoing exemptions shall not apply unless all damages done by dogs therein exempted, to the person or property of another, shall be paid or tendered to the person so damaged, or to the person's agent, within thirty (30) days after the damage is done.

(2) Any dog found running at large or any dog or cat found without a proper rabies tag may be seized by the proper authorities of the animal control and police departments. Any owner whose dog if found to be running at large or whose dog or cat has not been vaccinated against rabies, shall be guilty of a violation.

(3) When any person is charged with a violation of this section, the animal control officer, or his designated representative, is hereby authorized to issue a citation for such violation. When a citation is issued for a violation of this section, it shall be the duty of the court in which such case is set for trial to try the same without the issuance or service of a warrant upon such defendant, provided the defendant has signed a waiver on such citation agreeing to come to court and waiving the issuance and service of a warrant upon him.

**10-204. Impoundment; redemption by owner.** When any dog is found running at large or when any dog or cat is found without a proper rabies tag it shall be impounded, and the owner, if the dog/cat bears a tag of identification, shall be sent by mail a postcard addressed to the last known mailing address or notified in person, to appear within five (5) days and redeem his dog/cat, or the same will be disposed of. If the owner appears to redeem his dog/cat, he shall pay for each dog/cat so seized and impounded an impoundment fee of thirty dollars (\$30.00) and a boarding fee of ten dollars (\$10.00) per day for each day or fraction thereof the dog/cat remains unclaimed. If the dog/cat so seized has not been vaccinated, the owner shall, before he is permitted to regain

possession of such dog/cat, have such dog/cat vaccinated and licensed and present the license registration to the animal control authority. No impounded dog shall be released without wearing a collar and a leash.

The payment of this fee, however, and the delivery of the dog/cat to the owner shall not relieve the owner from any other penalty for the violation of this chapter. If the owner does not appear after notice has been mailed to him, or if after appearing, declines to pay the fee as set out above and redeem his dog/cat then the dog/cat shall be disposed of, in accordance with § 10-205. (1977 Code, § 3-204, as amended by Ord. #2006-116, Nov. 2006)

**10-205. Disposition of unlicensed or unclaimed dogs/cats.** (1) It shall be the duty of the animal control officer to keep all dogs/cats so impounded for a period of two (2) days. If, at the expiration of two (2) days from the date notice is mailed to the owner of any dog found running at large, or any dog or cat is found without a proper rabies tag, such dog/cat shall not have been redeemed or claimed or at the expiration of two (2) days from the date of seizure of any unlicensed dog/cat, required by law to be licensed, such dog/cat may be disposed of as follows:

(a) Whenever any research institution shall apply to the department of health for permission to use for research purposes any impounded dogs/cats remaining unclaimed, the chief medical director may, at his discretion, sell to the institution such unclaimed dogs/cats as it has requested; provided the board of mayor and aldermen shall determine the fee to be paid by such institution.

All animals adopted from the shelter shall be vaccinated against rabies, and spayed or neutered by a licensed veterinarian. The new owner shall sign a written agreement with the City of Ridgetop stating that the new owner shall have the dog or cat spayed or neutered by a licensed veterinarian, within thirty (30) days of the date of adoption, if such dog or cat is sexually mature, or within thirty (30) days after the dog or cat reaches six (6) months of age, if the dog or cat is not sexually mature at the time of adoption. The cost of these services shall be paid for by the person(s) adopting the animal. If the dog or cat being adopted has not been spayed or neutered the City of Ridgetop shall require a deposit of twenty-five dollars (\$25.00) from the new owner prior to the adoption in order to ensure that the dog or cat is spayed or neutered. The new owner may request and shall receive a refund of the deposit from the agency upon providing confirmation of the spaying or neutering. The city may

waive the twenty-five dollar (\$25.00) deposit for an animal sanctuary that adopts a dog or cat and that operates under a policy to require animals to be spayed or neutered.

If the new owner fails to have the dog or cat spayed or neutered within the time frame established or if the spaying or neutering is timely performed, but the new owner fails to request the return of the deposit within an additional ten (10) days after the date by which the spaying or neutering is required to be performed, such deposit shall be forfeited to the City of Ridgetop and shall be used by the City of Ridgetop to conduct programs to spay or neuter dogs and cats and/or to conduct educational programs in support of the spaying or neutering of dogs and cats.

All animals adopted shall have a collar and leash, either furnished or purchased by the person adopting the animals, when they leave the animal shelter.

(c) Whenever any dogs/cats remain unclaimed, such dogs/cats may be destroyed in a manner to be determined by the city. Any person who does not desire to pay the license fee, provided by this chapter upon any dog/cat owned, kept or harbored on premises owned by him, shall bring such dog to the pound operated by the City of Ridgetop to be disposed of.

Any unidentified dog/cat, which the animal control officer, upon the advice of the city veterinarian determines to be suffering from rabies or other infectious or dangerous diseases or to be in misery, need not be released but may be disposed of immediately.

Nothing in this part shall be construed to authorize constructed to authorize the Ridgetop City Hall to spay or neuter a dog or cat, if such dog or cat is being claimed by and returned to its lawful owner. (1977 Code, § 3-205, as amended by Ord. #2006-116, Nov. 2006)
