PREFACE

The Portland Municipal Code contains the codification and revision of the ordinances of the City of Portland, Tennessee. By referring to the historical citation appearing at the end of each section, the user can determine the origin of each particular section. The absence of a historical citation means that the section was added by the codifier. The word "modified" in the historical citation indicates significant modification of the original ordinance.

The code is arranged into titles, chapters, and sections. Related matter is kept together, so far as possible, within the same title. Each section number is complete within itself, containing the title number, the chapter number, and the section of the chapter of which it is a part. Specifically, the first digit, followed by a hyphen, identifies the title number. The second digit identifies the chapter number, and the last two digits identify the section number. For example, title 2, chapter 1, section 6, is designated as section 2-106.

By utilizing the table of contents and the analysis preceding each title and chapter of the code, together with the cross references and explanations included as footnotes, the user should locate all the provisions in the code relating to any question that might arise. However, the user should note that most of the administrative ordinances (e.g. Annual Budget, Zoning Map Amendments, Tax Assessments, etc...) do not appear in the code. Likewise, ordinances that have been passed since the last update of the code do not appear here. Therefore, the user should refer to the city's ordinance book or the city recorder for a comprehensive and up to date review of the city's ordinances.

Following this preface is an outline of the ordinance adoption procedures, if any, prescribed by the city's charter.

The code has been arranged and prepared in loose-leaf form to facilitate keeping it up to date. MTAS will provide updating service under the following conditions:

1. That all ordinances relating to subjects treated in the code or which should be added to the code are adopted as amending, adding, or deleting specific chapters or sections of the code (see section 8 of the adopting ordinance).
2. That one copy of every ordinance adopted by the city is kept in a separate ordinance book and forwarded to MTAS annually.
3. That the city agrees to reimburse MTAS for the actual costs of reproducing replacement pages for the code (no charge is made for the consultant's work, and reproduction costs are usually nominal).
When the foregoing conditions are met MTAS will reproduce replacement pages for the code to reflect the amendments and additions made by such ordinances. This service will be performed at least annually and more often if justified by the volume of amendments. Replacement pages will be supplied with detailed instructions for utilizing them so as again to make the code complete and up to date.

The able assistance of Bobbie J. Sams, the MTAS Word Processing Specialist who did all the typing on this project, and Tracy G. Gardner Administrative Services Assistant, is gratefully acknowledged.

CABLE TV COMMISSION

SECTION
2-102. Composition; terms of office; compensation; vacancies.
2-103. Chairman; other offices; meetings.
2-104. Appointment of employees by commission.
2-105. Budget.
2-106. Public hearings.
2-107. Purpose of commission.
2-108. Assistance shall be provided.
2-109. Reports.

2-101. Commission established. A commission is established and shall be known as the "Cable TV Commission". (Ord. #585, § 1, Oct. 1998)

2-102. Composition; terms of office; compensation; vacancies.
(1) The cable TV commission shall be composed of seven (7) members, with one member being a representative of Portland High School and one member being a representative of Portland Middle School for as long as these schools have cable broadcast capabilities. If either school discontinues cable broadcast capabilities, a new representative with requirements identical to citizen representatives shall replace the respective member(s). Two members shall be citizen representatives and must live within the Portland cable viewing area. The term of office shall be three years, except that one member of the commission shall be a member of the city council, whose term shall be coterminous with his/her term in office. The remaining members shall be appointed such that no three members' terms shall expire in the same year. The members of the commission shall be appointed by the mayor and confirmed by the city council.

(2) All members of the cable TV commission shall serve without compensation unless and until the city council shall fix and provide for such
compensation. Members of the cable TV commission may be removed by a majority vote of the city council for inefficiency, neglect of duty, failure to attend meetings, or malfeasance in office. Vacancies occurring in the membership of the cable TV commission shall be filled by the mayor and confirmed by the city council for the unexpired term. (Ord. #583, Oct. 1998, as amended by Ord. #04-28, Oct. 2004, and Ord. #09-67, Dec. 2009)

2-103. **Chairman; other offices; meetings.** The cable TV commission shall elect its chairman from among its membership and create and fill such other offices as it may determine necessary for the proper performance of its mission as stated in this ordinance. The term of office of the chairman shall be for one year, with eligibility for re-election. The cable TV commission shall hold at least six (6) meetings per year. Such meetings shall be open to the public. It shall adopt rules for transaction of business and keep a record of its minutes, resolutions, transactions, findings, and determinations. All such records shall be open to the public. (Ord. #585, § 3, Oct. 1998)

2-104. **Appointment of employees by commission.** The cable TV commission may recommend to the city council the appointment of such employees as it may deem necessary for its work. It may also recommend contracts with engineers, and other consultants for such services as it may require, subject to the approval of the city council. Expenditures of the cable TV commission for compensation of employees, contracts, or any other purpose, shall be within the amounts appropriated for the purpose by the city council. (Ord. #585, § 4, Oct. 1998)

2-105. **Budget.** The creation of a budget for the cable TV commission is authorized, subject to the approval and adoption by the city council. (Ord. #585, § 5, Oct. 1998)

2-106. **Public hearings.** The cable TV commission shall be authorized and empowered to schedule and conduct public hearings. (Ord. #585, § 6, Oct. 1998)

2-107. **Purpose of commission.** The purpose of the cable TV commission is as follows:

1. To oversee the cable television franchise for the City of Portland. To receive complaints from the public and to assure full compliance with the terms and provisions of the cable television franchise.

2. To oversee, manage, control, and develop the use of the government access channel on local cable television provided, however, that the city council shall determine which meetings of city government shall be selected for broadcast.

3. To keep abreast of federal and state laws affecting and influencing the use of cable television and local control of the cable television franchise(s).
(4) To study and to keep abreast of the cable television industry, cable television technology, and trends for use and utilization of cable television in our society and to recommend applications of same to and for our citizens.

(5) To monitor the charges of the cable television franchise holder(s) and to make recommendations that are in the best interest of our citizens.

(6) To study and make recommendations with respect to the feasibility of a city owned cable television company in competition with any other existing cable television companies if it deems it is in the best interest of our citizens in order to promote competitive pricing and effective quality cable television service.

(7) To oversee and recommend effective use of funds derived from the cable television franchise.

(8) To promote an informed electorate by broadcasting public forums and debates involving candidates to public offices which serve the citizens of the city.

(9) To cooperate with the Sumner County Board of Education in presenting educational programs for use in the classrooms of the city schools.

(10) To cooperate with Volunteer State Community College in the presentation of educational programs and courses beneficial to our citizens. (Ord. #585, § 7, Oct. 1998)

2-108. Assistance shall be provided. All officers and employees of the city shall render such reasonable assistance and furnish information to the cable TV commission as may be requested by the cable TV commission. (Ord. #585, § 8, Oct. 1998)

2-109. Reports. The cable TV commission shall from time to time, and at least annually, submit written reports to the city council, furnishing information regarding the work and activities of the cable TV commission. The annual report shall include a financial report for the previous year and a budget for the upcoming year. (Ord. #585, § 9, Oct. 1998)

2-501. Established.
2-503. Appointments, terms and meetings.

2-501. Established. There is hereby established a retail committee to be composed of five (5) members as follows:
   (1) One (1) citizen from the community at large, who must be a resident of the City of Portland, and shall be appointed to a two-year term by the mayor and approved by resolution of the city council;
   (2) One (1) member of the Portland City Council to be appointed by the mayor and approved by resolution of the city council to a term that is concurrent with his/her elected term of office;
   (3) The Director of the Portland Chamber of Commerce term to be concurrent with employment as director of the local chamber;
   (4) One (1) local business owner to be appointed by the chamber of commerce board of directors to a two-year term; and
   (5) The community development director, to act as the coordinator of the committee and whose term shall be concurrent with employment as City of Portland's CD Director. (as added by Ord. #09-57, Nov. 2009)

2-502. Function. (1) The primary function and goals of this committee shall be to work with current local retail businesses to improve their business and to seek and attract new businesses to the City of Portland.
   (2) The mayor is authorized to remove, or cause to be removed, any member who does not act in accordance with the stipulations and provisions of this chapter. (as added by Ord. #09-57, Nov. 2009)

2-503. Appointments, terms and meetings. The retail committee shall:
   (1) Serve without compensation;
   (2) Compose a mission statement;
   (3) Choose a chairman and vice-chairman from among its members annually;
   (4) Set its own meeting date(s) and time(s) and publish meeting notices to comply with Tennessee's Open Meetings laws; and
   (5) Have three (3) of the five (5) members in attendance to constitute a quorum before a meeting is held. (as added by Ord. #09-57, Nov. 2009)
CHAPTER 6
WATER SUPPLY BOARD

SECTION
2-601. Created.
2-602. Membership.
2-603. Election.
2-604. Nature of the board.
2-605. Duties of the board.
2-606. Expenses.
2-607. Duration.

2-601. Created. A joint board to be known as the Water Supply Board for Robertson County (hereinafter referred to as the "board") is hereby created and established to serve the citizens of Robertson County, Tennessee pursuant to the authority granted to the parties to this agreement as "local government entities" or "public agencies" by Tennessee Code Annotated, §§ 12-9-101 through 12-9-112. (as added by Ord. #11-03, Feb. 2011)

2-602. Membership. The board shall consist of eleven (11) members as follows:

(1) One (1) member shall be the County Mayor of Robertson County, Tennessee or said mayor's designee.

(2) The governing body of each of the four (4) utilities (governmental entities or public agencies) providing water services to the citizens of Robertson County shall appoint one (1) member to the board from its membership who shall serve at the pleasure of the appointing governing body.

(3) The water services operations director for each of the four (4) utilities providing water services within Robertson County shall be a member of the board.

(4) Two (2) members shall be appointed on a rotating basis by two (2) of the nine (9) incorporated municipalities of Robertson County not represented through the other subsections of this section. The members shall be selected by the governing body of these municipalities. The members appointed pursuant to this subsection will serve a term of one (1) year beginning at the first meeting of the board after the individuals' appointment. The municipalities of Greenbrier and Cross Plains shall be the first in the rotation; thereafter, the rotation of members appointed by the other seven (7) incorporated municipalities shall be determined by the county mayor. The county mayor shall by letter to the affected municipalities request an appointment at least sixty (60) days prior to the end of the term of a member appointed under this subsection. (as added by Ord. #11-03, Feb. 2011)
2-603. **Election.** The board shall elect a chair, vice-chair and secretary.
   (1) The chair shall preside at all meetings of the board at which he or she is present.
   (2) The vice-chair shall preside at all meetings of the board when the chair is absent.
   (3) The secretary shall take minutes of the proceedings of the board and keep the minutes and other documents and records of the board.
   (4) The board may assign other duties to the aforementioned officers and may elect such other officers as it deems necessary and assign duties to such officers consistent with this agreement. (as added by Ord. #11-03, Feb. 2011)

2-604. **Nature of the board.** The nature of the board is planning and advisory. The purpose of board is to carry out the duties listed in § 2-605 below. (as added by Ord. #11-03, Feb. 2011)

2-605. **Duties of the board.** The duties of the board are follows:
   (1) Meet at least twice per year.
   (2) Coordinate meetings with representatives of the Tennessee Department of Conservation and Environment and other entities that can provide information useful to the board.
   (3) Receive recommendations from each of the municipalities of Robertson County not represented on the board.
   (4) Conduct open meetings with adequate public notice.
   (5) Provide for citizen input into the work of the board.
   (6) Examine the costs and benefits of the most logical alternatives for providing adequate future water supply to the citizens of Robertson County.
   (7) Provide detailed recommendations to the governing bodies of the four (4) utilities providing water services in Robertson County and to the Robertson County Commission as to the best means of securing adequate future water supply for the citizens of Robertson County. The recommendations of the board shall be consistent with the Robertson County Growth Plan. These recommendations shall state the assumptions for water use in Robertson County for the future up to a period of thirty (30) years, the preferred source or sources of future water supplies, the funding options for securing new water supplies, the preferred legal mechanism for securing new water supplies, the preferred method of operation for any new water distribution and storage facilities, and the role of all parties to this agreement in providing for the future water supply needs of the citizens of Robertson County. (as added by Ord. #11-03, Feb. 2011)

2-606. **Expenses.** The board shall not receive or expend any funds, nor shall the board own any property. The parties to this agreement may provide meeting space, office supplies, public notices and other reasonable accommodations for the board to properly conduct its meetings and make its recommendations. In the event no other party offers to provide the necessary
meeting space, office supplies or other reasonable accommodations for the work of the board, these things will be provided by Robertson County under the direction of the county mayor and within the budget of Robertson County. (as added by Ord. #11-03, Feb. 2011)

2-607. **Duration.** The duration of this agreement and the board is perpetual. However, this agreement and the board may be terminated by an amendment to this agreement. (as added by Ord. #11-03, Feb. 2011)

CHAPTER 1

CITY JUDGE

SECTION
3-101. City judge.

3-101. City judge. The officer designated by the charter to handle judicial matters within the city shall preside over the city court and shall be known as the city judge. (1980 Code, § 1-501)

---

¹Charter reference: art. X.
CHAPTER 2  
COURT ADMINISTRATION

SECTION  
3-201. Maintenance of docket.  
3-202. Imposition of fines, penalties, and costs.  
3-203. Disposition and report of fines, penalties, and costs.  
3-204. Disturbance of proceedings.  
3-205. Trial and disposition of cases.  

3-201. Maintenance of docket. The city judge shall keep a complete docket of all matters coming before him in his judicial capacity. The docket shall include for each defendant such information as his name; warrant and/or summons numbers; alleged offense; disposition; fines, penalties, and costs imposed and whether collected; whether committed to workhouse; and all other information that may be relevant. (1980 Code, § 1-502)

3-202. Imposition of fines, penalties, and costs. All fines, penalties, and costs shall be imposed and recorded by the city judge on the city court docket in open court.  

In all cases heard or determined by him, the city judge shall tax in the bill of costs the same amounts and for the same items allowed in courts of justices of the peace for similar work in state cases. (1980 Code, § 1-508)

3-203. Disposition and report of fines, penalties, and costs. All funds coming into the hands of the city judge in the form of fines, penalties, costs, and forfeitures shall be recorded by him and paid over daily to the city. At the end of each month he shall submit to the city council a report accounting for the collection or non-collection of all fines, penalties, and costs imposed by his court during the current month and to date for the current fiscal year. (1980 Code, § 1-511)

3-204. Disturbance of proceedings. It shall be unlawful for any person to create any disturbance of any trial before the city court by making loud or unusual noises, by using indecorous, profane, or blasphemous language, or by any distracting conduct whatsoever. (1980 Code, § 1-512)

3-205. Trial and disposition of cases. Every person charged with violating a city ordinance shall be entitled to an immediate trial and disposition

1State law reference  
of his case, provided the city court is in session or the city judge is reasonably available. However, the provisions of this section shall not apply when the alleged offender, by reason of drunkenness or other incapacity, is not in a proper condition or is not able to appear before the court. (1980 Code, § 1-506)
CHAPTER 3

WARRANTS, SUMMONSES AND SUBPOENAS

SECTION
3-301. Issuance of arrest warrants.
3-302. Issuance of summonses.
3-303. Issuance of subpoenas.

3-301. Issuance of arrest warrants.¹ The city judge shall have the power to issue warrants for the arrest of persons charged with violating municipal ordinances. (1980 Code, § 1-503)

3-302. Issuance of summonses. When a complaint of an alleged ordinance violation is made to the city judge, the judge may in his discretion, in lieu of issuing an arrest warrant, issue a summons ordering the alleged offender to personally appear before the city court at a time specified therein to answer to the charges against him. The summons shall contain a brief description of the offense charged but need not set out verbatim the provisions of the ordinance alleged to have been violated. Upon failure of any person to appear before the city court as commanded in a summons lawfully served on him, the cause may be proceeded with ex parte, and the judgment of the court shall be valid and binding subject to the defendant’s right of appeal. (1980 Code, § 1-504)

3-303. Issuance of subpoenas. The city judge may subpoena as witnesses all persons whose testimony he believes will be relevant and material to matters coming before his court, and it shall be unlawful for any person lawfully served with such a subpoena to fail or neglect to comply therewith. (1980 Code, § 1-505)

¹State law reference
For authority to issue warrants, see Tennessee Code Annotated, title 40, chapter 6.
CHAPTER 4

BONDS AND APPEALS

SECTION
3-401. Appearance bonds authorized.
3-402. Appeals.
3-403. Bond amounts, conditions, and forms.

3-401. Appearance bonds authorized. When the city judge is not available or when an alleged offender requests and has reasonable grounds for a delay in the trial of his case, he may, in lieu of remaining in jail pending disposition of his case, be allowed to post an appearance bond with the city judge or, in the absence of the judge, with the ranking police officer on duty at the time, provided such alleged offender is not drunk or otherwise in need of protective custody. (1980 Code, § 1-507)

3-402. Appeals. Any defendant who is dissatisfied with any judgment of the city court against him may, within ten (10) days next after such judgment is rendered appeal to the next term of the circuit court upon posting a proper appeal bond.¹ (1980 Code, § 1-509)

3-403. Bond amounts, conditions, and forms. An appearance bond in any case before the city court shall be in such amount as the city judge shall prescribe and shall be conditioned that the defendant shall appear for trial before the city court at the stated time and place. An appeal bond in any case shall be in the sum of two hundred and fifty dollars ($250.00) and shall be conditioned that if the circuit court shall find against the appellant the fine or penalty and all costs of the trial and appeal shall be promptly paid by the defendant and/or his sureties. An appearance or appeal bond in any case may be made in the form of a cash deposit or by any corporate surety company authorized to do business in Tennessee or by two (2) private persons who individually own real property located within the county. No other type bond shall be acceptable. (1980 Code, § 1-510)

MUNICIPAL PERSONNEL

CHAPTER
1. PERSONNEL POLICY.
2. OCCUPATIONAL SAFETY AND HEALTH PROGRAM.

CHAPTER 1

PERSONNEL POLICY

SECTION

4-101. Policy adopted. The personnel policy as adopted by ordinance number 13-32 dated October 7, 2013, replaced title 4 of this code in its entirety. The full text of the policy, and any amendments thereto, has been placed at the back of the code as Appendix A.
CHAPTER 2

OCCUPATIONAL SAFETY AND HEALTH PROGRAM

SECTION

4-201. Title.

4-202. Purpose.

4-203. Coverage.

4-204. Standards authorized.

4-205. Variances from standards authorized.

4-206. Administration.

4-207. Funding the program.

4-201. Title. This section shall be known as "The Occupational Safety and Health Program Plan" for the employees of the City of Portland. (as added by Ord. #16-13, June 2016)

4-202. Purpose. The City of Portland in electing to update the established program plan will maintain an effective and comprehensive occupational safety and health program plan for its employees and shall:

1. Provide a safe and healthful place and condition of employment that includes:
   (a) Top management commitment and employee involvement;
   (b) Continually analyze the worksite to identify all hazards and potential hazards;
   (c) Develop and maintain methods for preventing or controlling the existing or potential hazards; and
   (d) Train managers, supervisors, and employees to understand and deal with worksite hazards.

2. Acquire, maintain and require the use of safety equipment, personal protective equipment and devices reasonably necessary to protect employees.

3. Record, keep, preserve, and make available to the commissioner of labor and workforce development, or persons within the department of labor and workforce development to whom such responsibilities have been delegated, adequate records of all occupational accidents and illnesses and personal injuries for proper evaluation and necessary corrective action as required.

4. Consult with the commissioner of labor and workforce development with regard to the adequacy of the form and content of records.

1The occupational safety and health program plan for the City of Portland, and any amendments thereto, may be found in the recorder's office.
(5) Consult with the commissioner of labor and workforce development, as appropriate, regarding safety and health problems which are considered to be unusual or peculiar and are such that they cannot be achieved under a standard promulgated by the state.

(6) Provide reasonable opportunity for the participation of employees in the effectuation of the objectives of this program plan, including the opportunity to make anonymous complaints concerning conditions or practices injurious to employee safety and health.

(7) Provide for education and training of personnel for the fair and efficient administration of occupational safety and health standards, and provide for education and notification of all employees of the existence of this program plan. (as added by Ord. #16-13, June 2016)

4-203. Coverage. The provisions of the Occupational Safety and Health Program Plan for the employees of the City of Portland shall apply to all employees of each administrative department, commission, board, division, or other agency whether part-time or full-time, seasonal or permanent. (as added by Ord. #16-13, June 2016)

4-204. Standards authorized. The occupational safety and health standards adopted by the City of Portland are the same as, but not limited to, the State of Tennessee Occupational Safety and Health Standards promulgated, or which may be promulgated, in accordance with section 6 of the Tennessee Occupational Safety and Health Act of 1972 (Tennessee Code Annotated, title 50, chapter 3). (as added by Ord. #16-13, June 2016)

4-205. Variances from standards authorized. Upon written application to the Commissioner of Labor and Workforce Development of the State of Tennessee, we may request an order granting a temporary variance from any approved standards. Applications for variances shall be in accordance with Rules of Tennessee Department of Labor and Workforce Development Occupational Safety and Health, VARIANCES FROM OCCUPATIONAL SAFETY AND HEALTH STANDARDS, CHAPTER 0800-01-02, as authorized by Tennessee Code Annotated, title 50. Prior to requesting such temporary variance, we will notify or serve notice to our employees, their designated representatives, or interested parties and present them with an opportunity for a hearing. The posting of notice on the main bulletin board shall be deemed sufficient notice to employees. (as added by Ord. #16-13, June 2016)

4-206. Administration. For the purposes of this chapter, Thomas McCormick is designated as the safety director of occupational safety and health to perform duties and to exercise powers assigned to plan, develop, and administer this program plan. The safety director shall develop a plan of operation for the program plan in accordance with Rules of Tennessee
4-207. **Funding the program plan.** Sufficient funds for administering and staffing the program plan pursuant to this chapter shall be made available as authorized by the City of Portland. (as added by Ord. #16-13, June 2016)

PROPERTY TAXES

SECTION
5-201. Annual property tax levy.
5-202. Tax statements.
5-203. When due and payable.
5-204. When delinquent--penalty and interest.
5-205. Notice of taxes due.
5-206. Certified list of delinquent taxes to county trustee or delinquent tax attorney.
5-207. Property tax freeze program.
5-208. Partial payments for real and personal property taxes.

5-201. Annual property tax levy. As soon as the assessment role for the City of Portland is complete the city recorder shall submit a certified statement of the total amount of the valuation or assessment of the taxable property within the municipal limits. Upon presentation of such statement by the city recorder, the city council shall proceed by separate ordinance to make the property levy to meet the expenses of the municipality for the current fiscal year. (1980 Code, § 6-101)

5-202. Tax statements. Statements for taxes on real property located in the City of Portland shall be prepared by the city recorder and forwarded by mail to all taxpayers as soon as possible following September 1st each year. (1980 Code, § 6-102)

5-203. When due and payable. Taxes levied by the City of Portland against real property shall become due and payable annually on the first Monday of October of the year for which levied. (1980 Code, § 6-103)

5-204. When delinquent--penalty and interest. All real property taxes shall become delinquent on and after the first day of March next after they become due and payable and shall thereupon be subject to such penalty and interest as is authorized and prescribed by Tennessee Code Annotated, § 67-5-2010(b)(2) for delinquent real property taxes.

ASSESSMENTS

January 1  Tax assessor makes assessment as of this date. Assessed taxes become lien on property.

July 1  Municipal tax rate established by ordinance along with adoption of budget.
October 1  Taxes become due and payable. Prior to this date, notices sent to taxpayers of taxes due. City recorder will also give notice of any back-taxes due.

February 21  Reminder sent to taxpayers of taxes due.

February 28  Last day for paying taxes without penalty.

DELINQUENCIES

March 1  Taxes become delinquent. Penalties and interest (1.5 percent per month) accrue.

January 1 following year  City recorder prepares certified list of unpaid delinquent taxes. List forwarded to delinquent tax attorney by January 31 for initiation of tax suit.

TAX SUIT

February/April  Delinquent tax attorney must file suit for enforcement of tax liens during this period. Upon suit being filed, additional costs are added. These taxes are paid through chancery court clerk’s office. (1980 Code, § 6-104)

5-205. Notice of taxes due. With respect to any taxes and penalties remaining due and unpaid on the first day of March of the year following the year for which the taxes were assessed, it shall be the duty of the city recorder to give notice to such delinquent taxpayer in the current year’s tax statement, advising said taxpayer with the following: IN ADDITION TO THIS AMOUNT, YOU OWE BACK TAXES. CONTACT THIS OFFICE IMMEDIATELY OR YOUR PROPERTY MAY BE SOLD. (1980 Code, § 6-105)

5-206. Certified list of delinquent taxes to county trustee or delinquent tax attorney. In the event such taxes and penalties shall not be paid in full prior to the 1st day of March the year following the date specified in § 5-205, then it shall be the duty of the city recorder to deliver the delinquent list showing all unpaid taxes to the delinquent tax attorney, or to a special attorney appointed for such purpose, and to cause said attorney to prepare and file suits in the chancery and circuit courts for Sumner County, Tennessee, for the collection of all delinquent taxes and penalties thereon due the city. The suit shall provide for collection of unpaid taxes, interest, penalties, court costs, costs incurred in connection with any title search, and attorney fees which fees shall not exceed fifteen percent (15%) of the amount of unpaid taxes, interest and penalties. (1980 Code, § 6-106)
5-207. **Property tax freeze program.** (1) The property tax freeze program is provided for in chapter 581 of the Public Acts of 2007, codified in Tennessee Code Annotated, § 67-5-705, is hereby adopted by the legislative body of the City of Portland.

(2) The property tax freeze program shall be implemented and administered in accordance with Tennessee Code Annotated, § 67-5-705, and the rules promulgated by the State Board of Equalization through the Division of Property Assessments.

(3) The city recorder shall file a copy of the ordinance comprising this chapter with the Division of Property Assessments within forty-five (45) days of its adoption.

(4) The Sumner County Trustee is requested by the City of Portland to process all applications for a fee of ten dollars ($10.00) per citizen application. (as added by Ord. #08-18, May 2008)

5-208. **Partial payments for real and personal property taxes.** Partial payments for real and personal property taxes are authorized in the City of Portland, Tennessee. (as added by Ord. #10-24, Oct. 2010)

5-502. Purchasing agent. The city recorder shall be the purchasing agent for the municipality. Except as otherwise provided in this policy, all supplies, materials, equipment, and services of any nature shall be approved and acquired by the purchasing agent or his/her representative (purchasing administrator). (1980 Code, § 6-502, as replaced by Ord. #14-21, July 2014)

5-503. General procedures. Our charter requires that the purchasing policy be established and implemented by ordinance with the bid limits established at an upper limit of no greater than twenty-five thousand dollars ($25,000.00) and a lower limit at forty percent (40%) of the upper limit. As such this purchasing policy is establishing an upper limit of twenty-five thousand dollars ($25,000.00) and the lower limit of forty percent (40%) of the upper limit, ten thousand dollars ($10,000.00).

All purchases made from funds subject to the authority of this policy shall be made within the limits of the approved budget and/or the appropriations for the department, office or agency for which the purchase is made. The following procedures shall be followed by all city employees when purchasing goods or services on behalf of the city.

The department head of the using department shall deliver to the purchasing administrator a written or electronic purchase requisition for the item(s) to be purchased. Such request shall include a brief description of the item(s) to be purchased, specifications for the item(s) being purchased, the estimated cost of the item(s), shall indicate whether the item(s) have been approved in the annual budget and the account distribution for the purchase. Additionally at least three (3) quotes should be obtained and included with the purchase requisition if practical. A minimum of two (2) quotes are required unless a single source purchase. A Department Head can approve a purchase that is within a budgeted line item up to a limit of five thousand dollars ($5,000.00). Amounts over five thousand dollars ($5,000.00) must be approved by the mayor unless they have been previously approved by action of the council.
The purchasing administrator shall review the purchase requisition for completeness and accuracy and proper approvals. A purchase order will be generated from the information and a purchase order package completed to be given to the purchasing agent (city recorder) for review and approval. Orders will be placed from approved purchase orders.

For specific dollar limits additional procedures will be followed as follows:

1. Items expected to cost more than twenty-five thousand dollars ($25,000.00). These item(s) or service(s) should have followed the additional procedures for sealed bid requirements.
   a. The person issuing the requisition should additionally include a copy of the resolution/ordinance number approving the bid.
   b. The purchasing administrator shall review that the respective board approved resolution or ordinance authorizing the acceptance of the bid for the respective item(s) or service(s) is attached.

2. Items expected to cost ten thousand dollars ($10,000.00) to twenty-five thousand dollars ($25,000.00).
   a. The person issuing the requisition should additionally include the quotes, tally sheets or other quote information from at least two (2) suppliers for the item(s) being purchased. The normal should be three (3) quotes for all purchases, but three (3) will be acceptable if a third is not readily available. The lowest quote information should be used to generate the purchase requisition. If the lowest quote is not used then an explanation should be attached explaining the reasoning for the deviation. The requisition package should be presented to the mayor for approval before being delivered to the purchasing administrator for processing.
   b. The purchasing administrator shall review that the required quotes are attached and that either the lowest quote was accepted or that proper explanation for acceptance of the higher quote is included along with proper approval by the mayor. (1980 Code, § 6-503, as replaced by Ord. #14-21, July 2014, and amended by Ord. #15-06, Feb. 2015, and Ord. #17-87, Jan. 2018)

5-504. Rejection of bids. The purchasing agent shall have the authority to reject any and all bids, parts of bids, or all bids for any one (1) or more supplies or contractual services included in the proposed contract, when the public interest will be served thereby. The purchasing agent shall not accept the bid of a vendor or contractor who is in default on the payment of taxes, licenses, fees or other monies of whatever nature that may be due the city by said vendor or contractor. (1980 Code, § 6-504, as replaced by Ord. #14-21, July 2014)

5-505. Conflict of interest. All employees who participate in any phase of the purchasing function are to be free of interests or relationships which are actually or potentially hostile or detrimental to the best interests of the City of
Portland and shall not engage in or participate in any commercial transaction involving the city, in which they have a significant interest. (1980 Code, § 6-505, as replaced by Ord. #14-21, July 2014)

5-506. **Purchasing from employee.** It shall be the policy of the city not to purchase any goods or services from any employee or close relative of any city employee without the prior approval of the mayor for purchases under one thousand dollars ($1,000.00). Amounts over one thousand dollars ($1,000.00) require board of alderman approval. (1980 Code, § 6-506, as replaced by Ord. #14-21, July 2014)

5-507. **Sealed bid requirements greater than $25,000.00.** (1) On all purchases and contracts estimated to be in excess of twenty-five thousand dollars ($25,000.00), except as otherwise provided in this policy, formal sealed bids shall be submitted at a specified time and place to the purchasing agent or the purchasing administrator. The purchasing agent and/or the respective department head shall submit all such bids for award by the board of mayor and aldermen at the next regularly scheduled board meeting or special-called meeting together with the recommendation as to the lowest responsive bidder.

(2) Notice inviting bids shall be published at least once in a newspaper of general circulation in Sumner County, and at least five (5) days preceding the last day to receive bids. The newspaper notice shall contain a general description of the item(s) to be secured, and the date, time, and place for opening bids.

(3) In addition to publication in a newspaper, the purchasing agent may take other actions deemed appropriate to notify all prospective bidders of the invitation to bid, including, but not limited to, advertisement in community bulletin boards, metropolitan newspapers, professional journals, and electronic media. (1980 Code, § 6-507, as replaced by Ord. #14-21, July 2014, and amended by Ord. #15-06, Feb. 2015, and Ord. #17-87, Jan. 2018)

5-508. **Competitive bidding $10,000.00 to $25,000.00.** (1) All purchases of supplies, equipment, services, and contracts estimated to cost between ten thousand dollars ($10,000.00) and twenty-five thousand dollars ($25,000.00), shall be by competitive bidding and may be awarded to the lowest responsive bidder.

(2) Bids shall be requested from at least three (3) suppliers (preferably three (3)) of the goods or services to be purchased or leased; and these requests for bids shall be made by the representative department head and shall be submitted, along with the purchase requisition, for approval by the mayor and/or city recorder. A written record shall be required and available for public inspection showing that competitive bids were obtained by one (1) of the following methods:

(a) Direct mail advertisement;
(b) Telephone bids;
(c) Public notice.

(3) The purchasing agent shall verify account balances, prior to issuing approval to purchase.

(4) In the purchasing agent's absence, the mayor shall designate a suitable substitute to perform the purchasing agent's duties. (1980 Code, § 6-508, as replaced by Ord. #14-21, July 2014, and amended by Ord. #17-87, Jan. 2018)

5-509. Purchases and contracts costing less than $10,000.00. The purchasing agent is expected to obtain the best prices and services available for purchases and contracts estimated to be less than ten thousand dollars ($10,000.00), but are exempted from the formal bid requirements specified in §§ 5-507 and 5-508 of this policy. However, at least three (3) quotes should be obtained in order to assure the best pricing is being obtained when practical. The quotes should be attached to the purchase requisition. (as added by Ord. #14-21, July 2014, and amended by Ord. #17-87, Jan. 2018)

5-510. Bid deposit. When deemed necessary, bid deposits may be prescribed and noted in the public notices inviting bids. The deposit shall be in such amount as the purchasing agent shall determine and unsuccessful bidders shall be entitled to a return of such deposits within fifteen (15) calendar days of the bid opening. A successful bidder shall forfeit any required deposit upon failure on his/her part to enter a contract within fifteen (15) days after the award. (as added by Ord. #14-21, July 2014)

5-511. Performance bond. The purchasing agent may require a performance bond before entering into a contract, in such amount as he/she shall find reasonably necessary to protect the best interests of the city and furnishers of labor and materials in the penalty of not less than the amount provided by Tennessee Code Annotated. (as added by Ord. #14-21, July 2014)

5-512. Record of bids. The purchasing agent shall keep a record of all open market orders and bids submitted in competition thereon, including a list of the bidders, the amount bid by each, and the method of solicitation and bidding, and such records shall be open to public inspection and maintained in the city recorder's office. As a minimum, the bid file shall contain the following information:

(1) Request of start bid procedures;
(2) A copy of the bid advertisement;
(3) A copy of the bid specifications;
(4) A list of bidders and their responses;
(5) A copy of the purchase order. (as added by Ord. #14-21, July 2014)
5-513. **Considerations in determining bid awards.** The following criteria shall be considered in determining all bid awards:

1. The ability of the bidder to perform the contract or provide the material or service required.
2. Whether the bidder can perform the contract or provide the service promptly, or within the time specified, without delay or interference.
3. The character, integrity, reputation, judgment, experience, and efficiency of the bidder. This should be documented evidence.
4. The previous and existing compliance by the bidder with laws and ordinances relating to the contract or service.
5. The quality of performance of previous contracts or services, including the quality of such contracts or services in other municipalities, or performed for private sector contractors.
6. The sufficiency of financial resources and the ability of the bidder to perform the contract or provide the service.
7. The ability of the bidder to provide future maintenance and service for the use of the supplies or contractual service contracted.
8. Compliance with all specifications in the solicitation for bids.
9. The ability to deliver and maintain any requisite bid bonds or performance bonds.
10. Total cost of the bid, including life expectancy of the commodity, maintenance costs, and performance. (as added by Ord. #14-21, July 2014)

5-514. **Award splitting.** If total savings generated is less than one thousand dollars ($1,000.00), bids awards shall not be split among two (2) or more bidders. (as added by Ord. #14-21, July 2014)

5-515. **Statement when award not given to low bidder.** When the award for purchases and contracts in excess of ten thousand dollars ($10,000.00) is not given to the lowest bidder, a full and complete statement of the reasons for placing the order elsewhere shall be prepared by the purchasing agent or department head and filed with all the other papers relating to the transaction. (as added by Ord. #14-21, July 2014, and amended by Ord. #17-87, Jan. 2018)

5-516. **Award in case of tie bids.** When two (2) or more vendors have submitted the low bid, the following criteria shall be used to award the bid:

1. If all bids received are for the same amount, quality of service being equal, the purchase contract shall be awarded to the local bidder.
2. If two (2) or more local bidders have submitted the low bid, the criteria of § 5-513 will be used to award the bid. If the criteria of § 5-513 being equal, the purchase contract shall be awarded by a coin toss or drawing lots.
3. If no local bids are received and two (2) or more out-of-town bidders have submitted the low bid, the criteria of § 5-513 will be used to award the bid.
If the criteria of § 5-513 being equal, the purchase contract shall be awarded by a coin toss or drawing lots.

(4) When the award is to be decided by coin toss or drawing lots, representatives of the bidders shall be invited to observe. In no event shall such coin toss or drawing lots be performed with less than three (3) witnesses. (as added by Ord. #14-21, July 2014)

5-517. **Back orders.** All orders must be completed, whether through complete fulfillment of the purchase order or through closing the purchase order with items not received. The non-delivered items shall be cancelled from the purchase order and the check will be issued to the equal amount of the amended purchase order. (as added by Ord. #14-21, July 2014)

5-518. **Emergency purchases.** When in the judgment of the mayor and/or purchasing agent that an emergency exists, the provisions of this policy may be waived; provided, however, the purchasing agent shall report the purchases and/or contracts to the board of mayor and aldermen at the next regular board meeting stating the item(s) purchased, the amount(s) paid, from whom the purchase(s) was made, and the nature of the emergency. (as added by Ord. #14-21, July 2014)

5-519. **Waiver of the competitive bidding process.** Upon the recommendation of the mayor, and the subsequent approval of the board of mayor and aldermen through resolution, that it is clearly to the advantage of the city not to contract by competitive bidding, the requirements of competitive bidding may be waived provided that the following criteria are met and documented in the resolution:

(1) **Single source of supply.** The availability of only one (1) vendor of a product or service within a reasonable distance of the city as determined after a complete and thorough search by the using department and the purchasing agent.

(2) **State Department of General Services.** Purchase the product or service through or in conjunction with the State Department of General Services or via a state contract.

(3) **Purchase from other governmental entities.** Purchase of used or secondhand items from any other government. In addition the purchase of used or secondhand items can be purchased from any private individual or entity as long as the city documents the range of value of the purchased item through a nationally recognized publication or licensed appraiser and the price paid is no more than five percent (5%) higher than the documented range.

(4) **Purchase on other governmental entities bid.** Purchase equipment from a vendor under the same price and terms of a legal bid initiated by any other governmental unit of the state. This authorization does not apply to the purchase of new general purpose motor vehicles or purchases related to any
transportation infrastructure project. Special purpose vehicles are allowed under this provision.

(5) **Cooperative purchasing agreements.** Purchase of any supplies, services or joint construction with one (1) or more local governments under a cooperative purchasing agreement. An agreement must be entered into between the participants.

(6) **Joint or multi-party agreements.** Participation in a joint or multi-party master agreement by adopting a resolution accepting the terms of the master agreement. Documentation must be acquired and maintained showing that the procuring entity complied with its own purchasing requirements. This authorization does not apply to new motor vehicles, construction engineering or architectural services or construction materials. This provision applies to in-state and out-of-state organizations.

(7) **Purchases from non-profit organizations.** A thorough effort was made to purchase the goods or services from any non-profit organization whose sole purpose is to provide goods and services specifically to municipalities.

(8) **Purchases from Tennessee state industries.** A thorough effort was made to purchase the goods or services from Tennessee state industries (prison industries). (as added by Ord. #14-21, July 2014)

5-520. **Goods and services exempt from competitive bidding.** The following goods and services need not be awarded on the basis of competitive bidding; provided, however, that the purchasing agent and/or department head shall make a reasonable effort to assure that such purchases are made efficiently and in the best interest of the city:

(1) **Certain insurance.** The city may purchase insurance (all forms), without competitive bidding, from Tennessee Municipal League or any other plan offered by a governmental entity representing cities and counties. All other insurance plans, however, are to be awarded on the basis of competitive bidding or request for proposal.

(2) **Certain investments.** The city may make investments of municipal funds in, or purchases from, the pooled investment fund established pursuant to Tennessee Code Annotated, § 9-17-105.

(3) **Motor fuel products, or perishable commodities.** Such commodities may be purchased without competitive bidding.

(4) **Professional service contracts.** Any services of a professional person or firm, including attorneys, accountants, physicians, architects, engineers, and other consultants required by the city may be hired without competitive bidding. In those instances where such professional service fees are expected to exceed one thousand dollars ($1,000.00), a written contract shall be developed and approved by the board of mayor and aldermen prior to the provision of any goods or services. Contracts for professional services shall not be awarded on the basis of competitive bidding; rather, professional service contracts shall be awarded on the basis of recognized competence and integrity. (as added by Ord. #14-21, July 2014, and amended by Ord. #17-87, Jan. 2018)
5-521. **Procedures upon taking delivery of purchased items.** Before accepting delivery of purchased equipment, supplies, materials and other tangible goods, the department head of the using department shall:

1. Inspect the goods to verify that they are in acceptable condition.
2. Verify that all operating manuals and warranty cards are included in the delivery of the goods, if applicable.
3. Verify that the number of items purchased has been delivered; making special note when part or all of a particular purchase has been back ordered.
4. Record serial numbers for all capital items, notifying the city recorder of same.
5. Complete and return to the purchasing agent a material receiving report form. (as added by Ord. #14-21, July 2014)

5-522. **Property control.** A physical inventory of the city's fixed assets shall be taken at least once every three (3) years. The goals of the inventory shall be as follows:

1. To identify unneeded and duplicate assets.
2. To provide a basis for insurance claims, if necessary.
3. To deter the incidence of theft and negligence.
4. To aid in the establishment of replacement schedules for equipment.
5. To note transfers of surplus property.

To be classified as a fixed asset, an item must be tangible, have an expected life longer than the current fiscal year, and have a value of at least two thousand five hundred dollars ($2,500.00). Any property or equipment that meets these criteria shall be assigned an asset number (affixed with a property sticker) and have a completed property card. Such records shall be controlled and maintained by the city recorder. (as added by Ord. #14-21, July 2014)

5-523. **Disposal of surplus property.** The purchasing agent shall be in charge of the disposal of surplus property and make a full report to the board of mayor and aldermen after the items are disposed of. When a department head determines there is surplus equipment or materials within the department, he/she shall notify the purchasing agent in writing of any such equipment. The purchasing agent may transfer surplus equipment or materials from one department to another. (as added by Ord. #14-21, July 2014)

5-524. **Employee participation in disposal of surplus property.** City employees shall only be permitted to bid on surplus property in a sealed bid process or auction process; and no surplus property shall be given to a city employee by the board of mayor and aldermen, the purchasing agent or any city department head. For the purposes of this policy, members of the board of mayor and aldermen cannot bid on or receive surplus property. This provision is not applicable to items of nominal value (less than twenty dollars ($20.00)).
Additionally, no city employee is allowed to bid in any manner on items that they have been involved in the confiscation of or determination of surplus of the property. (as added by Ord. #14-21, July 2014)

5-525. **Surplus property; items consumed in the course of work thought to be worthless.** City property which may be consumed in the course of normal city business and items thought to be worthless shall be disposed of in a like manner as any other refuse. For accounting purposes, such items shall be charged off as a routine cost of doing business. (as added by Ord. #14-21, July 2014)

5-526. **Surplus property; items estimated to have monetary value.** When disposing of surplus property estimated to have monetary value, the purchasing agent shall comply with the following procedures:

1. Obtain from the board of mayor and aldermen a resolution declaring said items to be surplus property and fixing the date, time and location for the purchasing agent to receive bids.
2. A copy of the resolution shall be posted in at least three (3) locations in the community.
3. Such equipment or materials shall be sold to the highest bidder. In the event the highest bidder is unable to pay within twenty-four (24) hours, the item shall be awarded to the second highest bidder.
4. All pertinent information concerning the sale shall be noted in the fixed asset records of the city.
5. The advertisement, bids, and property cards shall be retained for a minimum period of five (5) years. (as added by Ord. #14-21, July 2014)

5-527. **Surplus property; city identification removed prior to sale.** No surplus city property shall be sold unless and until all decals, emblems, lettering, or coloring which identifies the item as belonging to the City of Portland have been removed or repainted. (as added by Ord. #14-21, July 2014)

5-528. **Liability for excess purchases.** This chapter shall authorize only the purchase of materials and supplies and the procurement of contracts for which funds have been appropriated and are within the limits of the funds estimated for each department in the annual budget or which have been authorized and lawfully funded by the board of mayor and aldermen. The city shall have no liability for any purchase made in violation of this chapter. (as added by Ord. #14-21, July 2014)

5-529. **Additional forms and procedures.** The purchasing agent is hereby authorized and directed to develop such forms and procedures as are necessary to comply with this chapter. (as added by Ord. #14-21, July 2014)
CHAPTER 6

UNCLAIMED PROPERTY

SECTION
5-601. Purpose.
5-602. Definitions.
5-603. Policy.
5-604. Procedure.
5-605. Sanctions.

5-601. **Purpose.** The unclaimed property policy provides direction for reporting and disposing of unclaimed property. It is to ensure compliance with the laws of the State of Tennessee concerning the identification and disposition of unclaimed property while under the control of the City of Portland, improve internal controls, and establish unclaimed property procedures. (as added by Ord. #09-75, Jan. 2010)

5-602. **Definitions.**

(1) "Dormancy period." The period in which the holder may hold the property interest before it is presumed to be abandoned. During this period, the unclaimed property is not required to be reported to the state. Most property falls under the five (5) years for dormancy with the exception of payroll checks which is one (1) year, and utility deposits/refunds which is two (2) years. During this time, the holder should perform due diligence in trying to locate the true owners of the unclaimed property. The holder of the unclaimed property does not have to wait until the dormancy period is over to report unclaimed property.

(2) "Due diligence." **Tennessee Code Annotated, § 66-29-113** requires due diligence on all unclaimed property of fifty dollars ($50.00) or more. All holders are legally bound to perform due diligence – a good faith effort to find the true owners of unclaimed property. Due diligence is performed by mailing a first-class or registered letter to the last known address of the property owner.

(3) "Due diligence period." Due diligence must take place no more than one hundred twenty (120) days or less than sixty (60) days to filing the report which is due May 1st. This would be the period after the year ended December 31st from January 1 to February 28th/29th.

(4) "Holder." The entity that is in possession or controls the property until it is transferred to the state on behalf of the lost owner.

(5) "Unclaimed property." Unclaimed property consists of funds or collateral in the city's possession that have gone unclaimed by, or undelivered to the true owner for the statutory period (dormancy period for most property is five (5) years in the State of Tennessee). Examples include, but are not limited to: outstanding checks, accounts receivable credit balances (utility, tax and court
overpayments), outstanding wage checks and vendor credit balances. This policy
does not address lost and found items. (as added by Ord. #09-75, Jan. 2010)

5-603. Policy. The City of Portland is subject to the State of Tennessee's
Uniform Disposition of Unclaimed Property Act in accordance with the
Unclaimed Property Law, Tennessee Code Annotated, §§ 66-29-101 through
66-29-134 and Regulations 1700-2-1-.01 through 1700-2-1-.36. This act requires
the city to exercise due diligence in attempting to locate owners of unwanted
property in its custody and to annually report certain unclaimed property to the
state. Tennessee law requires filing of an annual report of unclaimed property
in accordance with the provisions of Tennessee Code Annotated, § 66-29-101, et.
seq. Any unclaimed property will be written off the city's books and the funds
will be deposited with the state treasurer as unclaimed property. These funds
then become the property of the state. A claim from the original owner of the
property must be made with the state treasurer's office in order to receive the
funds.

The city recorder's office is responsible for the proper disposition of
unclaimed property. The city will recognize unclaimed property as a general
liability. (as added by Ord. #09-75, Jan. 2010)

5-604. Procedure. The city recorder is responsible for the proper
disposition of unclaimed property. This process includes the identification,
recognition, notification, reporting and remittance functions for all unclaimed
property such as accounts receivable credit balances, outstanding vendor checks,
and outstanding wage checks.

(1) At the end of the calendar year, December 31, each department
within the city shall identify and report all property that meets the definition
of unclaimed property to the city recorder's office. If departments are unclear or
have questions about whether certain items meet the definition, contact the city
recorder's office. The various responsible departments of the city shall maintain
sufficient detailed accounting records. In particular, the utility, accounts
payable, and payroll departments should report on unclaimed property to the
city recorder.

(2) Prior to making a determination as to whether property such as
credit accounts receivable balances or vendor credits is unclaimed, balances over
fifty dollars ($50.00) must be researched to determine validity. Once credits
have been substantiated, they are treated as unclaimed property. If balances are
not accurate, corrections and/or adjustments must be made and documented.

(3) If balances are below fifty dollars ($50.00), research and due
diligence is required. However, the property must be included on the report
provided to the city recorder's office.

(4) Such department should determine the dormancy period for the
type of property under review. The dormancy for most property is five (5) years.
Some exceptions include wages (one (1) year) and utility deposits/refunds (two
(2) years). Departments should document the last transaction date. The city does not have to wait the full statutory period to report property items. The property may be reported at any time, provided due diligence has been exercised in attempting to notify the property owner to eliminate the city's accountability and responsibility.

(5) The city recorder's office is responsible for exercising due diligence in attempting to notify the property owner by sending notification of unclaimed property by first-class or registered mail to the last known address of the property owner.

(6) Mail returned as "undeliverable" is evidence that the owner cannot be located. If the owner cannot be located, the property should be considered abandoned and reported as unclaimed. Unreturned mail is considered a contact (i.e. the owner received the notification and is now aware of the property's location).

(7) If contact is established, the property is no longer considered to be abandoned and should not be reported to the state. If the owner does not claim the property or provide the city directions for disposing of the property within ninety (90) days of the date of contact, the city may then assume ownership of the property. Non-cash items may be sold or disposed of as surplus property in accordance with city policy. Cash items will revert back to the city.

(8) Each department will provide to the city recorder a report of all items determined to be unclaimed property with the name, mailing address, social security number, last transaction date, account and/or check number, property type, and amount. This report should be provided to the city recorder's office by March 15th.

(9) The city recorder's office will review and compile all information submitted by each department. After review, the recorder's office will record the appropriate accounting entries and ensure that reconciliation has occurred.

(10) The city recorder's office shall determine if any further due diligence is required prior to reporting property as unclaimed. Due diligence must be exercised not more than one hundred twenty (120) days and not less than sixty (60) days before filing a report with the state.

(11) The city shall file a report containing all property presumed abandoned and held as of December 31. At the time of filing such report, the city shall, with that report, pay or deliver to the state treasurer all unclaimed funds and intangible property specified in the report. The report must be filed on or before May 1 of each year. Property reports should be delivered to: Treasury Department, Unclaimed Property Division, P.O. Box 198649, Nashville, TN 37219-8649. The report shall include a notarized verification and affidavit under the signature of the Mayor of the City of Portland.

(12) This report shall contain detail sufficient to make a proper account and remittance to the state treasurer. The city shall elect to use the electronic media for reporting provided by the state at no cost to the city. The media is available at the website listed under "references."
(13) Lost and found items are not considered to be unclaimed property and should not be reported in the unclaimed property reporting. These items should be disposed of in accordance with city security procedures.

(14) Confiscated property will not be considered abandoned and should be treated as city surplus property for disposal purposes. Confiscated firearms and other hazardous items should be disposed of in accordance with local statues. (as added by Ord. #09-75, Jan. 2010)

**5-605. Sanctions.** Failure to comply with this policy may result in disciplinary actions as set forth in the city's policies and procedures. (as added by Ord. #09-75, Jan. 2010)
CHAPTER 7

AUDIT COMMITTEE

SECTION
5-701. Established.
5-702. Members and terms of appointment.
5-703. Meetings.
5-704. Financial expert.
5-705. Duties and responsibilities of committee.
5-706. Funding.
5-707. Approval of comptroller and board of mayor and aldermen.

5-701. Established. Pursuant to the provisions of Tennessee Code Annotated, § 9-3-405, the Mayor and Board of Aldermen of the City of Portland does hereby establish an audit committee to provide independent review and oversight of the city's financial reporting processes and the city's internal controls, a review of the external auditor's report and follow up on management's corrective action, and compliance with laws, regulations and ethics. (as added by Ord. #15-25, April 2015)

5-702. Members and terms of appointment. The audit committee will consist of three (3) members, to be comprised of one (1) member from the standing board of alderman and two (2) citizens of the City of Portland. To insure the committee's independence and effectiveness, no audit committee member will be an employee, spouse of an official/employee or a person that comingles assets with an official/employee of the City of Portland. While committee members need not be accountants, they should possess sufficient knowledge and experience in finance, business and accounting to discharge the committee's duties. The members of the audit committee shall be appointed by the mayor and approved by resolution by the board of aldermen for staggered two (2) year terms. To establish staggered terms, the initial members of the committee shall be appointed so that one (1) citizen is appointed to a one (1) year term and one (1) citizen is appointed to a two (2) year term with the member of the board of aldermen appointed to a two (2) year term. Thereafter all members shall be appointed to serve two (2) year terms. All terms will commence on April 1. (as added by Ord. #15-25, April 2015)

5-703. Meetings. Meetings of the audit committee shall be held in accordance with the provisions of Tennessee Code Annotated, § 9-3-405. Meetings shall be subject to the open meetings provisions of Tennessee Code Annotated, title 8, chapter 44, except that upon a majority vote of those members in attendance for the public portion of a meeting, the audit committee
may hold confidential, nonpublic executive sessions to discuss the following items as authorized in Tennessee Code Annotated, § 9-3-405:

1. Items deemed not subject to public inspection under Tennessee Code Annotated, §§ 10-7-503 and 10-7-504, and all other matters designated as confidential or privileged;
2. Current or pending litigation and pending legal controversies;
3. Pending or ongoing audits or audit related investigations;
4. Information protected by federal law; and
5. Matters involving the reporting of illegal, improper, wasteful, or fraudulent activity under Tennessee Code Annotated, § 9-3-406, where the informant has requested anonymity.

The audit committee will follow Roberts Rules of Order. Each year at its first meeting, the committee will elect a chairman, vice-chairman and secretary. Meeting agendas will be prepared by the chairman and provided in advance to members along with appropriate briefing materials. Minutes of the audit committee meetings will be filed in the office of the city recorder. (as added by Ord. #15-25, April 2015)

5-704. **Financial expert.** The committee shall have access to the services of a financial expert, either through a committee member or an outside party engaged by the committee for this purpose. Such financial expert should, through both education and experience, and in a manner specifically relevant to the city government sector, possess

1. An understanding of generally accepted accounting principles and financial statements;
2. Experience in preparing or auditing financial statements of comparable entities;
3. Experience in applying such principles in connection with the accounting for estimates, accruals, and reserves;
4. Experience with internal accounting controls; and
5. An understanding of audit committee functions. (as added by Ord. #15-25, April 2015)

5-705. **Duties and responsibilities of committee.** The duties and responsibilities of the audit committee are:

1. To review the proposals from the external audit firms and make a recommendation to the mayor and board of aldermen on the firm that should be contracted with for the annual audit. Audit contracts will be for a three (3) year period.
2. To carefully review, upon completion of the city's annual audit, all audit findings in audit report and consult with the external auditors regarding any irregularities and deficiencies disclosed in the annual audit. The audit committee is empowered to meet with management to discuss audit findings and/or disagreements with the external auditors. The committee should satisfy
itself that appropriate and timely corrective action has been taken by management to remedy any identified weaknesses. The committee should determine what corrective action, if any, should be recommended to the mayor and board of aldermen.

(3) To consider the effectiveness of the internal control system, including information technology security and control, review the effectiveness of the system for monitoring compliance with laws and regulations, and review the process for communicating the city's ethics policies to the city's personnel and monitoring compliance therewith.

(4) To establish a process by which employees, taxpayers, or other citizens may confidentially report suspected illegal, improper, wasteful or fraudulent activity under provisions of Tennessee Code Annotated, § 9-3-406.

(5) To annually present a written committee report detailing how it discharged its duties and nay committee recommendations to the full board of alderman. (as added by Ord. #15-25, April 2015)

5-706. **Funding** The audit committee will be adequately funded to carry out the duties and responsibilities as set out in this chapter and under applicable law. (as added by Ord. #15-25, April 2015)

5-707. **Approval of comptroller and board of mayor and aldermen.** This chapter creating the duties and responsibilities of the audit committee has been submitted to the comptroller prior to approval by this legislative body, and this chapter conforms with the report issued by the comptroller. (as added by Ord. #15-25, April 2015)

FIRE DEPARTMENT

SECTION
7-301. Establishment, equipment, and membership.
7-302. Objectives.
7-303. Organization, rules, and regulations.
7-304. Records and reports.
7-305. Tenure and compensation of members.
7-306. Chief responsible for training and maintenance.
7-307. Chief to be assistant to state officer.
7-308. Fire hydrants within corporate limits.

7-301. Establishment, equipment, and membership. There is hereby established a fire department to be supported and equipped from appropriations by the city council. All apparatus, equipment, and supplies shall be purchased by or through the city and shall be and remain the property of the city. The fire department shall be composed of a chief appointed by the city council and such number of physically-fit subordinate officers and firemen as the council shall appoint. (1980 Code, § 7-301)

7-302. Objectives. The fire department shall have as its objectives:
1. To prevent uncontrolled fires from starting.
2. To prevent the loss of life and property because of fires.
3. To confine fires to their places of origin.
4. To extinguish uncontrolled fires.
5. To prevent loss of life from asphyxiation or drowning.
6. To perform such rescue work as its equipment and/or the training of its personnel makes practicable. (1980 Code, § 7-302)

7-303. Organization, rules, and regulations. The chief of the fire department shall set up the organization of the department, make definite

Ord. #446 (Dec. 7, 1992) created the position of public safety officer. Wherever this municipal code refers to the fire chief, it shall be deemed to be a reference to the public safety officer. See title 20, chapter 5, for further reference to the department of public safety.
assignments to individuals, and shall formulate and enforce such rules and
regulations as shall be necessary for the orderly and efficient operation of the
fire department. (1980 Code, § 7-303)

7-304. **Records and reports.** The chief of the fire department shall keep adequate records of all fires, inspections, apparatus, equipment, personnel, and work of the department. He shall submit a written report on such matters to the city council once each month, and at the end of the year a detailed annual report shall be made. (1980 Code, § 7-304)

7-305. **Tenure and compensation of members.** The chief shall hold office for one year subject to reappointment by the city council. However, so that adequate discipline may be maintained, the chief shall have the authority to suspend or discharge any other member of the fire department when he deems such action to be necessary for the good of the department. The chief may be suspended up to thirty (30) days by the mayor but may be dismissed only by the city council.

All personnel of the fire department shall receive such compensation for their services as the governing body may from time to time prescribe. (1980 Code, § 7-305)

7-306. **Chief responsible for training and maintenance.** The chief of the fire department shall be fully responsible for the training of the firemen and for maintenance of all property and equipment of the fire department. The minimum training shall consist of having the personnel take the fire apparatus out for practice operations not less than once a month. (1980 Code, § 7-306)

7-307. **Chief to be assistant to state officer.** Pursuant to requirements of Tennessee Code Annotated, § 68-102-108, the chief of the fire department is designated as an assistant to the state commissioner of commerce and insurance and is subject to all the duties and obligations imposed by Tennessee Code Annotated, title 68, chapter 102, and shall be subject to the directions of the fire prevention commissioner in the execution of the provisions thereof. (1980 Code, § 7-308)

7-308. **Fire hydrants within corporate limits.** All future water mains and fire hydrants shall be installed in such a manner to provide adequate fire flows. All water mains shall be at least six inches in diameter. However, larger mains shall be installed when necessary to insure that a minimum of 500 gallons per minute (gpm) at 20 pounds per square inch (psi) residual pressure is available at all fire hydrants.

Fire hydrants that currently exist on mains that will not flow at least 500 gallons per minute at 20 pounds per square inch of pressure will not be used by the fire department for connection to the pumper connection of the fire apparatus. Such fire hydrants shall be painted solid red in color to indicate to
firefighters that this hydrant will not flow adequate gallons per minute to be used in firefighting operations. All such fire hydrants shall be identified by the fire chief, color-coded, and a list of such fire hydrants shall be compiled and attached to a cover letter from the fire chief to the responsible water provider. The cover letter shall contain at least the following words. "The attached list of fire hydrants have been found to have inadequate fire flows and will not be used by the fire department for pumping operations except in the event of immediate and imminent threat of life safety." Such letter shall be generated annually with a copy to the mayor. (as added by Ord. #04-06, April 2004)
CHAPTER 4

FIRE SERVICE OUTSIDE CITY LIMITS

SECTION

7-401. Equipment to be used only within corporate limits generally.

7-401. Equipment to be used only within corporate limits generally. No equipment of the fire department shall be used for fighting any fire outside the corporate limits unless the fire is on city property or, in the opinion of the chief of the fire department, is in such hazardous proximity to property owned by or located within the city as to endanger the city property or unless expressly authorized in writing by the city council. Provided, however, and notwithstanding the above such equipment of the fire department may be used in fighting fires within an area and in a radius of eight (8) miles of the corporate limits of the city. (1980 Code, § 7-307)
CHAPTER 5

FIRE HYDRANTS OUTSIDE THE CITY LIMITS

SECTION
7-501. Prohibited.

7-501. Prohibited. The installation of any fire hydrants beyond the existing city limits without the approval of the mayor and aldermen is prohibited. This action is taken because the Portland Utility System is unable to protect and control the fire hydrants located in the remote areas of the system. (1980 Code, § 7-401)
7-601. Ordinance 567 amended. 1. The Standard Fire Prevention Code--1994 Edition, Chapter 20, currently prohibits the sale and use of Class "C" Fireworks and Ordinance Number 567 adopted by the Mayor and Board of Aldermen of the City of Portland on April 6, 1998 endorses said Fire Prevention Code with Appendix A, B, C, and D; and

(2) If the owners (individually, stockholders, partners, or members) exceed three (3) in number, the application fee shall be increased by fifty dollars ($50.00) for each owner in excess of three (3).

(3) If a new certificate of compliance is required by the State of Tennessee Alcoholic Beverage Commission after the initial issuance of a certificate of compliance but before a renewal certificate of compliance is issued, or between the time of the issuance of the renewal certificate of compliance and subsequent renewals of compliance, an additional two hundred dollars ($200.00) will become due and payable at time of the request.

(4) At the time of a request for a renewal certificate of compliance there will be a five hundred dollar ($500.00) application fee due provided the number of owners (individually, stockholders, partners, or members) does not exceed three (3) in number. If the number of owners exceeds three (3) in number the application fee shall be increased by fifty dollars ($50.00) for each owner in excess of three (3).

(5) The information in any application shall be verified by the oath of the applicant. If the applicant is a partnership, a corporation or a limited liability company, the application shall be verified by the oath of each owner of the entity. (as added by Ord. #09-28, Sept. 2009, and replaced by Ord. #10-32, Nov. 2010)

8-107. Applicant to appear before city council; duty to give information. An applicant for a certificate of compliance shall be required to appear in person before the city council for such reasonable examination as may be desired by the council. (as added by Ord. #09-28, Sept. 2009)

8-108. Action on application. Every application for a certificate of compliance shall be referred to the chief of police for investigation and to the city attorney for review, each of whom shall submit his findings to the city council within thirty (30) days of the date each application was filed.

The city council may issue a certificate of compliance to any applicant, which shall be signed by the mayor or by a majority of the city council.

The meeting of the city council at which the certificate of compliance will be considered shall be advertised for two (2) consecutive weeks in a local newspaper having circulation within the municipal limits of the City of Portland. (as added by Ord. #09-28, Sept. 2009)
8-109. Applicants for certificate who have criminal record. No certificate of compliance for the manufacture or sale at wholesale or retail of alcoholic beverages, or for the manufacture or venting of wine, shall be issued to any person, (or if the applicant is a partnership, any partner, or if the applicant is a corporation, any stockholder), who, within ten (10) years preceding the application for such certificate of compliance, has been convicted of any felony or of any offense under the laws of the state or of the United States prohibiting the sale, possession, transportation, storage or otherwise handling of intoxicating liquors, or who has during such period been engaged in business, alone or with others, in violation of such laws. (as added by Ord. #09-28, Sept. 2009)

8-110. Limitations on issuance of certificate of compliance. (1) No certificate of compliance will be issued authorizing the storage, sale, or manufacture of beer or the location of a retail store for the sale of alcoholic beverages at places within five hundred feet (500') of any church, school, including a school with a pre-kindergarten curriculum, hospital, and public recreation parks, not including areas located within the city's greenway plan. Measurements shall be in a straight line and be conducted by the Public Works Department of the City of Portland under the supervision of the public works superintendent or his designate who shall use the most accurate measuring technology available to the City of Portland. The points to be measured from in a straight line will be the closest corner of the building of the establishment seeking the permit and the closest corner of the church building, school building, or hospital facility. In the case of a public recreation park the point of measurement is to the center of the park's closest roadway entrance. A certificate of compliance issued under this chapter shall not be valid except at the premises recited in the application, and any change of location of said business shall be cause for immediate revocation of said certificate executed by the mayor, unless the location is approved in writing by the mayor. Said approval by the mayor must be authorized by approval of a majority of the members of the city council.

(2) No license shall be granted for the operation of a retail store for the sale of alcoholic beverages which retail store is not located on a arterial road or located on property adjacent to a road having direct access to an arterial road within the City of Portland and which property is zoned General Commercial Services (GCS) or Interchange Service District (ISO).

(3) No certificate of occupancy shall be granted for the operation of a retail store for the sale of alcoholic beverages in a building structure that provides less than one thousand five hundred (1,500) square feet of floor space. The structure shall have an exterior design as approved by the Design Review Committee of the City of Portland, the signage to meet the requirements of Office and Professional Service District if located in the GCS zone and the location of the structure shall meet all provisions of Zoning Ordinance No. 387
of the city. No retail store shall be located anywhere on the premises in the city except on the ground floor thereof. Each such store shall have only one (1) main entrance; provided, that when a store is located on the corner of two (2) streets, such store may maintain a door opening on each such street. (as added by Ord. #09-28, Sept. 2009)

8-111. Limitations as to residency. No license shall be issued to any person or persons unless the legal residence of such person or persons has been within Sumner or Robertson Counties, Tennessee, one (1) year at the time of the issuance of the retail license. In the case of a corporation, partnership or limited liability company at least fifty-one percent (51%) of the stockholders, partners or members must have had a one (1) year residency within Sumner or Robertson Counties at the time of the issuance of the license. Thereafter any change in such residence by such persons or owners to be outside this community must be approved by a majority of the board of mayor and aldermen. This provision shall likewise apply to any corporation that may subsequently move or desires to move the principal office of the corporation. However, in any event, such person or persons, firm or corporation's legal residence, and in the case of a corporation, its principal place of business and office must be with the State of Tennessee. (as added by Ord. #09-28, Sept. 2009, and amended by Ord. #12-11, March 2012)

8-112. Bonds of licensees. Bonds required herein shall be executed by a surety company, duly authorized and qualified to do business in Tennessee; bonds of retailers shall be five hundred dollars ($500.00). Said bond shall be conditioned that the principal thereof shall pay any fine which may be assessed against such principal. (as added by Ord. #09-28, Sept. 2009)

8-113. Retailer's license. (1) No retailer's license shall be issued to a person who is a holder of public office, either appointive or elective, or who is a public employee, either national, state, city or county. It shall be unlawful for any such person to have any interest in such retail business, directly or indirectly, either proprietary or by means of any loan, mortgage, or lien, or to participate in the profits of any such business. The foregoing shall not apply to uncompensated appointees to municipal boards and commissioners where the boards or commissions on which such appointees serve have no duty to vote for, overlook, or in any manner superintend the sale of alcoholic beverages.

(2) No retailer shall be a person who has been convicted of a felony involving moral turpitude, within ten (10) years prior to the time he or the concern with which he is connected shall receive a license; provided, however, that this provision shall not apply to any person who has been so convicted, but whose rights of citizenship have been restored or judgment of infamy has been removed by a court of competent jurisdiction; and in the case of any such conviction occurring after a license has been issued and received, the said license shall immediately be revoked, if such convicted felon be an individual
licensee, and if not, the partnership, corporation or association with which he is connected shall immediately discharge him.

(3) No license shall under any condition be issued to any person who, within ten (10) years preceding application for such license or permit shall have been convicted of any offense under the laws of the State of Tennessee or of any other state or of the United States prohibiting or regulating the sale, possession, transportation, storing, manufacturing, or otherwise handling alcoholic beverages or who has, during said period, been engaged in business alone or with others, in violation of any said laws or rules and regulations promulgated pursuant thereto, or as they existed or may exist thereafter.

(4) No manufacturer, brewer or wholesaler shall have any interest in the business or building containing licensed premises of any other person having a license hereunder, or in the fixtures of any such person.

(5) It shall be unlawful for any person to have ownership in, or participate, either directly or indirectly, in the profits of any retail business licensed, unless his interest in said business and the nature, extent and character thereof shall appear on the application; or if the interest is acquired after the issuance of a license, unless it shall be fully disclosed to the mayor and city council and approved by them. Where such interest is owned by such person on or before the application for any license, the burden shall be upon such person to see that this section is fully complied with, whether he, himself, signs or prepares the application, or whether the same is prepared by another; or if said interest is acquired after the issuance of the license, the burden of said disclosure of the acquisition of such interest shall be upon the seller and the purchaser.

(6) No person shall be employed in the sale of alcoholic beverages except a citizen of the United States.

(7) No retailer, or any employee thereof, engaged in the sale of alcoholic beverages shall be a person under the age of eighteen (18) years, and it shall be unlawful for any retailer to employ any person under eighteen (18) years of age for the physical storage, sale, or distribution of alcoholic beverages, or to permit any such person under said age on its place of business to engage in the storage, sale or distribution of alcoholic beverages.

(8) No retailer shall employ in the storage, sale or distribution of alcoholic beverages, any person who, within ten (10) years prior to the date of his employment, shall have been convicted of a felony involving moral turpitude, and in case an employee should be so convicted, he shall immediately be discharged; provided, however, that this provision shall not apply to any person who has been so convicted but whose rights of citizenship have been restored, or judgment of infamy has been removed by a court of competent jurisdiction.

(9) The issuance of a license does not vest a property right to the licensee, but is a privilege subject to revocation or suspension according to this chapter.
(10) Misrepresentation of a material fact, or concealment of a material fact required to be shown in application for license shall be a violation of this chapter. (as added by Ord. #09-28, Sept. 2009)

8-114. Display of license. Persons granted a license to carry on the business or undertaking contemplated therein shall, before being qualified to do business, display and post, and keep displayed and posted, in the most conspicuous place in their premises, such license. (as added by Ord. #09-28, Sept. 2009)

8-115. Transfer of license restricted. The holder of a license may not sell, assign or transfer such license to any other person unless same is approved by a majority of the board of mayor and aldermen and the state alcoholic beverage commission and said license shall be good and valid only for the calendar year in which the same was issued. Provided, however, that licensees who are serving in the military force of the United States in the time of war may appoint an agent to operate under the license of the licensee during the absence of the licensee. In such instances, the license shall continue to be carried and renewed in the name of the owner. The agent of the licensee shall conform to all the requirements of a licensee. No person who is ineligible to obtain a license shall be eligible to serve as the agent of a licensee under this section. (as added by Ord. #09-28, Sept. 2009)

8-116. Expiration date of license. Licenses issued under this chapter shall expire and be renewed as provided by the rules and regulations of the State of Tennessee Alcoholic Beverage Commission. (as added by Ord. #09-28, Sept. 2009)

8-117. New license after revocation. Where a license is revoked, no new license shall be issued to permit the sale of alcoholic beverages on the same premises until after the expiration of one (1) year from the date said revocation becomes final and effective. (as added by Ord. #09-28, Sept. 2009)

8-118. Federal license, effect of. The possession of any federal license to sell alcoholic beverages without the corresponding requisite state license, shall in all cases be prima facie evidence that the holder of such federal license is selling alcoholic beverages in violation of the terms of this chapter. (as added by Ord. #09-28, Sept. 2009)

8-119. Inspection fee. The City of Portland hereby imposes an inspection fee in the maximum amount allowed by Tennessee Code Annotated, § 57-3-501 on all licensed retailers of alcoholic beverages located within the corporate limits of the city. (as added by Ord. #09-28, Sept. 2009)
8-120. **Regulations for purchase and sale of alcoholic beverages.**

(1) It shall be unlawful for any person in this city to buy any alcoholic beverages herein defined from any person who does not hold the appropriate license under this chapter authorizing the sale of said beverages to him.

(2) No retailer shall purchase any alcoholic beverages from anyone other than a licensed wholesaler, nor shall any wholesaler sell any alcoholic beverages to anyone other than a licensed retailer.

(3) No licensee shall sell alcoholic beverages at retail in connection with any other business or in the same store where any other business is carried on. (as added by Ord. #09-28, Sept. 2009)

8-121. **Solicitation.** No holder of a license issued shall employ any canvasser or solicitor for the purpose of receiving an order from a consumer for any alcoholic beverages at the residence or places of business of such consumer, nor shall any such license receive or accept any such order which shall have been solicited or received at the residence or place of business of such consumer. This section shall not be construed so as to prohibit the solicitation by a state licensed wholesaler of an order from any licensed retailer at the licensed premises. (as added by Ord. #09-28, Sept. 2009)

8-122. **Regulation of retail sales.** (1) No retailer shall directly or indirectly, operate more than one (1) place of business in this municipality for the sale of alcoholic beverages, and the word "indirectly" shall include and mean any kind of interest in another place of business, by way of stock ownership, loan, partner's interest, or otherwise.

(2) No retailer shall sell, lend or give away any alcoholic beverages to any person who is drunk nor shall any retailer selling alcoholic beverages sell, lend or give away to any person accompanied by a person who is drunk.

(3) No retailer shall sell, lend or give away any alcoholic beverages to a person under twenty-one (21) years of age.

(4) No retailer shall sell, lend or give away any alcoholic beverages between 11 o'clock P.M. on Saturday and 8 o'clock A.M. on Monday of each week, and between 11 o'clock P.M. and 8 o'clock A.M. Monday through Saturday.

(5) No retailer shall sell, lend or give away any alcoholic beverages upon Christmas Day, Thanksgiving Day, Labor Day, New Year's Day or the Fourth of July.

(6) No retailer of alcoholic beverages shall keep or permit to be kept upon the licensed premises any alcoholic beverages in any unsealed bottles or other unsealed containers.

(7) No retailer as herein defined shall own, store or possess upon the licensed premises any unstamped merchandise required by the laws of Tennessee to have affixed thereto revenue stamps of said state. (as added by Ord. #09-28, Sept. 2009)
8-123. **Failure to pay inspection fee.** Whenever any person licensed hereunder fails to account for or pay over to the city recorder any inspection fee, or defaults in any of the conditions of his bond, the mayor and/or city recorder shall report the same to the city attorney who shall immediately institute the necessary action for the recovery of any such inspection fee. (as added by Ord. #09-28, Sept. 2009)

8-124. **Mayor to determine if provisions are being complied with.** The mayor and/or designated agent thereof is authorized to examine the books, papers and records of any dealer for the purpose of determining whether the provisions of this chapter are being complied with. The refusal to permit the examination of any such books, papers, and records, or the investigation and examination of such premises, shall constitute, sufficient reason for the revocation of a license or the refusal to issue a license. (as added by Ord. #09-28, Sept. 2009)

8-125. **Violation and penalty.** Any violation of the terms of this chapter shall be punishable by a fine of not more than five hundred dollars ($500.00); in such cases, suspension of said license by mayor for thirty (30) days shall be mandatory, and in the discretion of the board of mayor and aldermen may be cause for revocation of said license. (as added by Ord. #09-28, Sept. 2009)

8-126. **Visible possession prohibited.** Visible possession of alcoholic beverages in unsealed containers upon any public street or within any governmental building shall be a violation of this chapter. (as added by Ord. #09-28, Sept. 2009)

8-127. **Severability.** If any provision of this chapter is hereafter determined to be unenforceable or unconstitutional by a court of competent jurisdiction then the other provisions of this chapter shall not be effected and shall remain valid. (as added by Ord. #09-28, Sept. 2009)

8-128. **Limitations of the number of licenses.** The maximum number of licenses for retail liquor stores authorized to be issued within the municipal boundaries of the City of Portland is limited to four (4) and no new licenses shall be issued until the population of the city reaches the number of twenty thousand one (20,001) according to the latest legal census certified by the government. Thereafter the number of licenses authorized is one (1) license per five thousand (5,000) residents according to the latest legal census certified by government or the number of licenses authorized by the statutes of the State of Tennessee. (as added by Ord. #12-11, March 2012)
CHAPTER 2

BEER

SECTION
8-201. Alcoholic beverage board established.
8-202. Meetings of the alcoholic beverage board.
8-203. Record of alcoholic beverage board proceedings to be kept.

8-210. Interference with public health, safety, and morals prohibited.
8-211. Issuance of permits to persons convicted of certain crimes prohibited.
8-212. Prohibited conduct or activities by beer permit holders.
8-213. Revocation of beer permits.
8-214. Privilege tax.
8-215. Civil penalty in lieu of suspension.
8-216. Beer to be sold only in original container.
8-217. Limitation on number of permits.
8-218. Loss of clerk's certification for sale to minor.

8-201. Alcoholic beverage board established. There is hereby established an alcoholic beverage board to be composed of the seven (7) members of the City Council of the City of Portland. A chairman shall be elected annually by the alcoholic beverage board from among its members. All members of the board shall serve without compensation. (1980 Code, § 2-201, as amended by Ord. #536, July 1997, and replaced by Ord. #05-05, April 2005, Ord. #05-34, Oct. 2005, and Ord. #09-49, Sept. 2009)

8-202. Meetings of the alcoholic beverage board. All meetings of the alcoholic beverage board shall be open to the public. The board shall hold advertised regular monthly meetings in the city hall at such times as it shall prescribe. When there is business to come before the alcoholic beverage board, a special meeting may be called by the chairman, provided he gives a reasonable notice thereof to each member. The board may adjourn a meeting at any time

to another time and place. (1980 Code, § 2-202, as amended by Ord. #536, July 1997, and Ord. #05-11, July 2005)

8-203. **Record of alcoholic beverage board proceedings to be kept.** The recorder shall make a record of the proceedings of all meetings of the alcoholic beverage board. The record shall be a public record and shall contain at least the following: The date of each meeting; the names of the board members present and absent; the names of the members introducing and seconding motions and resolutions, etc., before the board; a copy of each such motion or resolution presented; the vote of each member thereon; and the provisions of each beer permit issued by the board. (1980 Code, § 2-203, as amended by Ord. #536, July 1997)

8-204. **Requirements for alcoholic beverage board quorum and action.** The attendance of at least a majority of the members of the alcoholic beverage board shall be required to constitute a quorum for the purpose of transacting business. Matters before the board shall be decided by a majority of the members present if a quorum is constituted. Any member present but not voting shall be deemed to have cast a "nay" vote. (1980 Code, § 2-204, as amended by Ord. #536, July 1997)

8-205. **Powers and duties of the alcoholic beverage board.** The alcoholic beverage board shall have the power and it is hereby directed to regulate the selling, storing for sale, distributing for sale, and manufacturing of beer within this city in accordance with the provisions of this chapter. (1980 Code, § 2-205, as amended by Ord. #536, July 1997)

8-206. **"Beer" defined.** The term "beer" as used in this chapter shall mean and include all beers, ales, and other malt liquors having an alcoholic content of not more than five percent (5%) by weight. (1980 Code, § 2-206)

8-207. **Permit required for engaging in beer business.** It shall be unlawful for any person to sell, store for sale, distribute for sale, or manufacture beer without first making application to and obtaining a permit from the alcoholic beverage board. The application shall be made on such form as the board shall prescribe and/or furnish and pursuant to Tennessee Code Annotated, § 57-5-101(b) and shall be accompanied by a non-refundable application fee of two hundred and fifty dollars ($250.00). Said fee shall be in the form of a cashier's check payable to the City of Portland. The applicant shall also provide a statewide background check provided by TBI at the applicant's expense. Any new permits and any renewals shall be submitted for consideration. (1980 Code, § 2-207, as amended by Ord. #536, July 1997, Ord. #05-11, July 2005, and Ord. #09-41, Sept. 2009)
8-208. **Beer permits shall be restrictive.** All beer permits shall be restrictive as to the type of beer business authorized under them. Separate permits shall be required for selling at retail, storing, distributing, and manufacturing. Beer permits for the retail sale of beer may be further restricted by the alcoholic beverage board so as to authorize sales only for off premises consumption. It shall be unlawful for any beer permit holder to engage in any type or phase of the beer business not expressly authorized by his permit. It shall likewise be unlawful for him not to comply with any and all express restrictions or conditions which may be written into his permit by the alcoholic beverage board. (1980 Code, § 2-208, as amended by Ord. #536, July 1997)

8-209. **Deleted.** (1980 Code, § 2-209, as amended by Ord. #536, July 1997, and deleted by Ord. #05-11, July 2005)

8-210. **Interference with public health, safety, and morals prohibited.** No permit authorizing the sale of beer will be issued when such business would cause congestion of traffic or would interfere with schools, churches, or other places of public gathering, or would otherwise interfere with the public health, safety, and morals. In no event will a permit be issued authorizing the storage, sale, or manufacture of beer at places within 500 feet of any church, school, state licensed child care center, hospital, and public recreation parks having an area in size greater than five (5) acres. Measurements shall be in a straight line and be conducted by the public works department of the City of Portland under the supervision of the public works superintendent or his designate who shall use the most accurate measuring technology available to the City of Portland. The points to be measured from in a straight line will be the closest corner of the building of the establishment seeking the permit and the closest corner of the church building, school building, or hospital facility. In the case of a public recreation park the point of measurement is to the center of the park’s closest roadway entrance. The foregoing restriction as to distance will not apply to those locations where a permit has been previously granted and issued for the sale of liquor by the drink by the Alcoholic Beverage Commission of the State of Tennessee. (1980 Code, § 2-210, modified, as amended by Ord. #05-11, July 2005, and Ord. #13-11, May 2013)

8-211. **Issuance of permits to persons convicted of certain crimes prohibited.** No beer permit shall be issued to any person who has been convicted for the possession, sale, manufacture, or transportation of intoxicating liquor, or any crime involving moral turpitude within the past ten (10) years. (1980 Code, § 2-211)

8-212. **Prohibited conduct or activities by beer permit holders.** It shall be unlawful for any beer permit holder to:
(1) Employ any person convicted for the possession, sale, manufacture, or transportation of intoxicating liquor, or any crime involving moral turpitude within the past ten (10) years.

(2) Employ any minor under the age of 18 in the sale, storage, distribution, or manufacture of beer. (This provision shall not apply to grocery stores selling beer for off-premises consumption only.)

(3) Make or allow any sale of beer between the hours of 12:00 Midnight and 6:00 o'clock A.M. during any night of the week; at any time on Sunday.

(4) Make or allow any sale of beer to a minor.

(5) Allow any minor to loiter in or about his place of business.

(6) Make or allow any sale of beer to any intoxicated person or to any otherwise mentally incapacitated person.

(7) Allow drunk or disreputable persons to loiter about his premises.

(8) Serve, sell, or allow the consumption on his premises of any alcoholic beverage with an alcoholic content of more than five percent (5%) by weight.

(9) Fail to provide and maintain separate sanitary toilet facilities for men and women.

(10) To violate any state criminal statute or law where the violation results in adjudication of a misdemeanor or felony or the violation of any city ordinance which is a violation of state law or city ordinance occurring on or about the premises to which the beer permit is issued by the alcoholic beverage board applies. (1980 Code, § 2-213, modified, as amended by Ord. #05-11, July 2005, and Ord. #12-32, Aug. 2012)

8-213. Revocation of beer permits. The alcoholic beverage board shall have the power to revoke any beer permit issued under the provisions of this chapter when the holder thereof is guilty of making a false statement or misrepresentation in his application or of violating any of the provisions of this chapter. However, no beer permit shall be revoked until a public hearing is held by the board after reasonable notice to all the known parties in interest. Revocation proceedings may be initiated by the police chief or by any member of the alcoholic beverage board.

Pursuant to Tennessee Code Annotated, § 57-5-608, the beer board shall not revoke or suspend the permit of a "responsible vendor" qualified under the requirements of Tennessee Code Annotated, § 57-5-606 for a clerk's illegal sale of beer to a minor if the clerk is properly certified and has attended annual meetings since the clerk's original certification, unless the vendor's status as a certified responsible vendor has been revoked by the alcoholic beverage commission. If the responsible vendor's certification has been revoked, the vendor shall be punished by the beer board as if the vendor were not certified as a responsible vendor. "Clerk" means any person working in a capacity to sell beer directly to consumers for off premises consumption. Under Tennessee Code
Annotated, § 57-5-608, the alcoholic beverage commission shall revoke a vendor's status as a responsible vendor upon notification by the beer board that the board has made a final determination that the vendor has sold beer to a minor for the second time in a consecutive twelve (12) month period. The revocation shall be for three (3) years. (1980 Code, § 2-214, as amended by Ord. #536, July 1997, and Ord. #07-36, Aug. 2007)

8-214. Privilege tax. There is hereby imposed on the business of selling, distributing, storing or manufacturing beer a privilege tax of one hundred dollars ($100). Any person, firm, corporation, joint stock company, syndicate or association engaged in the sale, distribution, storage or manufacture of beer shall remit the tax on Portland, Tennessee. At the time a new permit holder shall be required to pay the privilege tax on a prorated basis for each month or portion thereof remaining until the next tax payment date. (1980 Code, § 2-215)

8-215. Civil penalty in lieu of suspension. (1) Definition. "Responsible vendor" means a person, corporation or other entity that has been issued a permit to sell beer for off-premises consumption and has received certification by the Tennessee Alcoholic Beverage Commission under the "Tennessee Responsible Vendor Act of 2006," Tennessee Code Annotated, § 57-5-601, et seq.

(2) Penalty, revocation or suspension. The beer board may, at the time it imposes a revocation or suspension, offer a permit holder that is not a responsible vendor the alternative of paying a civil penalty not to exceed two thousand five hundred dollars ($2,500.00) for each offense of making or permitting to be made any sales to minors, or a civil penalty not to exceed one thousand dollars ($1,000.00) for any other offense.

The beer board may impose on a responsible vendor a civil penalty not to exceed one thousand dollars ($1,000.00) for each offense of making or permitting to be made any sales to minors or for any other offense.

If a civil penalty is offered as an alternative to revocation or suspension, the holder shall have seven (7) days within which to pay the civil penalty before the revocation or suspension shall be imposed. If the civil penalty is paid within that time, the revocation or suspension shall be deemed withdrawn.

Payment of the civil penalty in lieu of revocation or suspension by a permit holder shall be an admission by the holder of the violation so charged and shall be paid to the exclusion of any other penalty that the city may impose. (1980 Code, § 2-217, as amended by Ord. #536, July 1997, and replaced by Ord. #07-36, Aug. 2007)

8-216. Beer to be sold only in original container. No person, having obtained a permit from the alcoholic beverage board, shall offer beer for sale in any container other than the container in which it is received from the
manufacturer and distributor. (1980 Code, § 2-218, as amended by Ord. #536, July 1997)

8-217. Limitation on number of permits. The number of licenses for the sale of beer shall be limited to twenty-four (24). In calculating the limitation of the number of permits to be issued, those locations which have been issued a permit for the sale of liquor by the drink by the Tennessee Alcoholic Beverage Commission and retail establishment locations which have five thousand (5,000) square feet of retail space shall not be included in the total of permits to be authorized. Provided that all requirements of this chapter are complied with, all existing permits for the sale of beer within the corporate limits of the city at the date of the passage of the ordinance comprising this section shall continue to be renewed. A new permit may be issued to a qualified purchaser of an existing establishment in which a permit is now held for the sale of beer, and the permit used only within the establishment or building purchased. The number of additional permits hereafter allowed shall be increased by one (1) for each seven hundred fifty (750) citizens of the City of Portland which are added to the census of the city by any new verified census hereafter taken for the City of Portland. Any permit heretofore or hereafter issued by the Alcoholic Beverage Board of the City of Portland shall automatically terminate if not used or exercised by the permit holder within one hundred eighty (180) days of the date of issuance of permit or for any period of ninety (90) consecutive days after the expiration of six (6) months from the date of issuance of the permit. The failure of the alcoholic beverage board to enforce the termination of the permit immediately shall not operate as a waiver to enforce the termination of the permit at a subsequent time. A holder of a beer permit may submit a written application to the alcoholic beverage board for an extension of the time periods set forth herein setting forth in the application the reasons therefore but the reasons given must state with specific clarity the hardship providing the basis for the extension. (as added by Ord. #05-11, July 2005, and amended by Ord. #13-10, May 2013)

8-218. Loss of clerk's certification for sale to minor. If the beer board determines that a clerk of an off-premises beer permit holder certified under Tennessee Code Annotated, § 57-5-606, sold beer to a minor, the beer board shall report the name of the clerk to the alcoholic beverage commission within fifteen (15) days of determination of the sale. The certification of the clerk shall be invalid and the clerk may not reapply for a new certificate for a period of one (1) year from the date of the beer board's determination. (as added by Ord. #07-36, Aug. 2007)

SECTION
9-102. Exemptions.
9-103. Permit required.
9-104. Permit procedure.
9-105. Restriction on peddlers, street barkers and solicitors.
9-106. Restriction on transient vendors.
9-108. Suspension or revocation of permit.
9-110. Violation and penalty.

9-101. Definitions. Unless otherwise expressly stated, whenever used in this chapter, the following words shall have the meaning given to them in this section.

(1) "Peddler" means any person, firm or corporation, either a resident or a nonresident of the city, who has no permanent regular place of business and who goes from dwelling, business, place to place, or from street to street, carrying or transporting goods, wares or merchandise and offering or exposing the same for sale.

Noise reductions: title 11.
(2) "Solicitor" means any person, firm or corporation who goes from dwelling to dwelling, business to business, place to place, or from street to street, taking or attempting to take orders for any goods, wares or merchandise, or personal property of any nature whatever for future delivery or placing documentation on premises regarding products or services for sale, except that the term shall not include solicitors for charitable and religious purposes and solicitors for subscriptions as those terms are defined below.

(3) "Solicitor for charitable or religious purposes" means any person, firm, corporation or organization who or which solicits contributions from the public, either on the streets of the city or from door to door, business to business, place to place, or from street to street, for any charitable or religious organization, and who does not sell or offer to sell any single item at a cost to the purchaser in excess of ten dollars ($10.00). No organization shall qualify as a "charitable" or "religious" organization unless the organization meets one of the following conditions:

(a) Has a current exemption certificate from the Internal Revenue Service issued under section 501(c)(3) of the Internal Revenue Service Code of 1954, as amended.

(b) Is a member of a United Way or similar "umbrella" organization for charitable or religious organizations.

(c) Has been in continued existence as a charitable or religious organization in Sumner County for a period of two (2) years prior to the date of its application for registration under this chapter.

(4) "Solicitor for subscriptions" means any person who solicits subscriptions from the public, either on the streets of the city or from door to door, business to business, place to place, or from street to street, and who offers for sale publications to magazines or other materials protected by provisions of the Constitution of the United States.

(5) "Transient vendor" means any person who brings into temporary premises and exhibits stocks of merchandise to the public for the purpose of selling or offering to sell the merchandise to the public. Transient vendor does not include any person selling goods by sample, brochure, or sales catalog for

1State law references

Tennessee Code Annotated, § 62-30-101 et seq. contains permit requirements for "transitory vendors."

The definition of "transient vendors" is taken from Tennessee Code Annotated, § 62-30-101(3). Note also that transient vendors shall pay a tax of $50.00 for each 14 day period in each county and/or municipality in which such vendors sell or offer to sell merchandise or for which they are issued a business license, but that they are not liable for the gross receipts portion of the tax provided for in Tennessee Code Annotated, § 67-4-709(b).
future delivery; or to sales resulting from the prior invitation to the seller by the owner or occupant of a resident. For purposes of this definition, "merchandise" means any consumer item that is or is represented to be new or not previously owned by a consumer, and "temporary premises" means any public or quasi-public place including a hotel, rooming house, storeroom, building or part of a building, tent, vacant lot, railroad car, or motor vehicle which is temporarily occupied for the purpose of exhibiting stocks of merchandise to the public. Premises are not temporary if the same person has conducted business at those premises for more than six (6) consecutive months or has occupied the premises as his or her permanent residence for more than six (6) consecutive months.

(6) "Street barker" means any peddler who does business during recognized festival or parade days in the city and who limits his business to selling or offering to sell novelty items and similar goods in the area of the festival or parade. (1980 Code, § 5-101, as amended by Ord. #09-24, July 2009)

9-102. Exemptions. The terms of this chapter shall not apply to persons selling at wholesale to dealers, nor to newsboys, nor to bona fide merchants who merely deliver goods in the regular course of business, nor to persons selling agricultural products, who, in fact, themselves produced the products being sold. (1980 Code, § 5-102)

9-103. Permit required. No person, firm or corporation shall operate a business as a peddler, transient vendor, solicitor or street barker, and no solicitor for charitable or religious purposes or solicitor for subscriptions shall solicit within the city unless the same has obtained a permit from the city in accordance with the provisions of this chapter. (1980 Code, § 5-103)

9-104. Permit procedure. (1) Application form. A sworn application containing the following information shall be completed and filed with the city recorder by each applicant for a permit as a peddler, transient vendor, solicitor, or street barker and by each applicant for a permit as a solicitor for charitable for religious purposes or as a solicitor for subscriptions:

(a) The complete name and permanent address of the business or organization the applicant represents.
(b) A brief description of the type of business and the goods to be sold.
(c) The dates for which the applicant intends to do business or make solicitations.
(d) The names and permanent addresses of each person who will make sales or solicitations within the city.
(e) The make, model, complete description, and license tag number and state of issue, of each vehicle to be used to make sales or
solicitation, whether or not such vehicle is owned individually by the person making sales or solicitations, by the business or organization itself, or rented or borrowed from another business or person.

(f) Tennessee State sales tax number, if applicable.

(2) Permit fee. Each applicant for a permit as a peddler, transient vendor, solicitor or street barker shall submit with his application a non-refundable fee of one hundred dollars ($100.00). There shall be no fee for an application for a permit as a solicitor for charitable purposes or as a solicitor for subscriptions.

(3) Bond. Every permittee shall file with the city recorder a surety bond running to the city in the amount of five hundred dollars ($500.00). The bond shall be conditioned that the permittee shall comply fully with all the provisions of the ordinances of this city and the statutes of the state regulating peddlers, canvassers, solicitors, transient merchants, itinerant merchants, or itinerant vendors, as the case may be, and shall guarantee to any citizen of the city that all money paid as a down payment will be accounted for and applied according to the representations of the permittee, and further guaranteeing to any citizen of the city doing business with said permittee that the property purchased will be delivered according to the representations of the permittee. Action on such bond may be brought by any person aggrieved and for whose benefit, among others, the bond is given, but the surety may, by paying, pursuant to order of the court, the face amount of the bond to the clerk of the court in which the suit is commenced, be relieved without costs of all further liability.

(4) Permit issued. Upon the completion of the application form and the payment of the permit fee, where required, the recorder shall issue a permit and provide a copy of the same to the applicant.

(5) Submission of application form to the chief of police. Immediately after the applicant obtains a permit from the city recorder, the city recorder shall submit to the chief of police a copy of the application form and permit.

9-105. Restrictions on peddlers, street barkers and solicitors. No peddler, street barker, solicitor, solicitor for charitable purposes, or solicitor for subscriptions shall:

(1) Be permitted to set up and operate a booth or stand on any street or sidewalk, or in any other public area within the city except in locations designated by the chief of police and at prescribed times set by the chief of police.

(2) Stand or sit in or near the entrance to any dwelling or place of business, or in any other place which may disrupt or impede pedestrian or vehicular traffic.
9-5

(3) Offer to sell goods or services or solicit in vehicular traffic lanes, or operate a "road block" of any kind.

(4) Call attention to his business or merchandise or to his solicitation efforts by crying out, by blowing a horn, by ringing a bell, or creating other noise, except that the street barker shall be allowed to cry out to call attention to his business or merchandise during recognized parade or festival days of the city.

(5) Enter in or upon any premises or attempt to enter in or upon any premises wherein a sign or placard bearing the notice "Peddlers or Solicitors Prohibited", or similar language carrying the same meaning, is located. (1980 Code, § 5-105)

9-106. Restrictions on transient vendors. A transient vendor shall not advertise, represent, or hold forth a sale of goods, wares or merchandise as an insurance, bankrupt, insolvent, assignee, trustee, estate, executor, administrator, receiver's manufacturer's wholesale, cancelled order, or misfit sale, or closing-out sale, or a sale of any goods damaged by smoke, fire, water or otherwise, unless such advertisement, representation or holding forth is actually of the character it is advertised, represented or held forth. All permits granted to transient vendors shall be limited to the hours between 8:00 A.M. and 6:00 P.M. (1980 Code, § 5-106)

9-107. Display of permit. Each peddler, street barker, solicitor, solicitor for charitable purposes or solicitor for subscriptions is required to have in his possession a valid permit while making sales or solicitations, and shall be required to display the same to any police officer upon demand. (1980 Code, § 5-107)

9-108. Suspension or revocation of permit. (1) Suspension by the recorder. The permit issued to any person or organization under this chapter may be suspended by the city recorder for any of the following causes:

(a) Any false statement, material omission, or untrue or misleading information which is contained in or left out of the application; or

(b) Any violation of this chapter.

(2) Suspension or revocation by the city council. The permit issued to any person or organization under this chapter may be suspended or revoked by the city council, after notice and hearing, for the causes set out in paragraph (1) above. Notice of the hearing for suspension or revocation of a permit shall be given by the city recorder in writing, setting forth specifically the grounds of complaint and the time and place of the hearing. Such notice shall be mailed to the permit holder at his last known address at least five (5) days prior to the
date set for the hearing, or it shall be delivered by a police officer in the same manner as a summons at least three (3) days prior to the date set for hearing. (1980 Code, § 5-108)

9-109. Expiration and renewal of permit. The permit of peddlers, solicitors and transient vendors shall expire on the same date that the permit holder's privilege license expires. The registration of any peddler, solicitor, or transient vendor who for any reason is not subject to the privilege tax shall be issued for six (6) months. The permit of street barkers shall be for a period corresponding to the dates of the recognized parade or festival days of the city. The permit of solicitors for religious or charitable purposes and solicitors for subscriptions shall expire on the date provided in the permit, not to exceed thirty (30) days. (1980 Code, § 5-109)

9-110. Violation and penalty. In addition to any other action the city may take against a permit holder in violation of this chapter, such violation shall be punishable according to the general penalty provision of this municipal code of ordinances. (1980 Code, § 5-110)
CHAPTER 2

STREET SHOWS & MEDICINE SHOWS

SECTION

9-201. License required.

9-201. License required. It shall be unlawful for any kind of street show, medicine show, or circus or any other street amusement show to operate within the City of Portland without first obtaining a privilege license from the city recorder. (1980 Code, § 5-301)
CHAPTER 3

SLAUGHTER HOUSES

SECTION
9-301. Regulated.

9-301. Regulated. It shall be unlawful for any slaughter house to be located within 200 feet of any residence in the corporate limits of the City of Portland. (1980 Code, § 5-401)
CHAPTER 4

DELETED

(1980 Code, § 5-601, as deleted by Ord. #04-20, July 2004)
CHAPTER 5

TAXICABS

SECTION

9-502. Taxicab franchise required; application made to city recorder; issuance by the city council; and not applicable to busses, etc.

9-503. Limitation on number of taxicabs.

9-504. Requirement as to application.

9-505. Qualifications.

9-506. Conduct of drivers.

9-507. Transportation of more than one passenger at the same time.

9-508. Permit required of drivers.

9-509. Taxicabs to be kept clean and mechanically sound.

9-510. Drivers to comply with laws and ordinances.

9-511. Insurance required of franchisees.

9-512. Drivers prohibited from engaging in unlawful acts.

9-513. Public taxi stands authorized and regulated.

9-514. Transfer of franchise.

9-515. Suspension or revocation of franchise.

9-501. Definitions. (1) "Taxicab." The term "taxicab" as used in this chapter means any and all vehicles carrying passengers for hire, except busses and other common carriers operating over designated routes in and through the city.

(2) "Taxi franchise." Each individual taxicab shall constitute a single franchise separate and apart from all others. The City of Portland shall be the grantor while the person holding said franchise shall be the grantee.

(3) "Operate a taxi franchise." The term "operate a taxi franchise" as used in this chapter shall be held to mean the operating of one (1) taxicab within the corporate limits of Portland, Tennessee by the owner thereof, for the purpose of carrying passengers for hire, either by driving the same himself or having same driven by his agent or employee. Any grantee may operate one (1) or more taxicabs, but said grantee must secure a separate franchise for each and every taxicab in his fleet, and the grantee must otherwise comply with all the requirements of this chapter concerning each separate taxicab. (1980 Code, § 5-701)

9-502. Taxicab franchise required; application made to city recorder; issuance by the city council; and not applicable to busses, etc. No person shall operate any taxicab within the corporate limits of the city except under a franchise granted under this chapter.
The recorder shall take application from any person who gives satisfactory evidence of his compliance with the terms and conditions of this chapter, and shall present said application at the next regular or special called meeting of the Portland City Council, and upon a majority vote in favor thereof, the city recorder shall issue a franchise to the grantee to operate taxicabs within the corporate limits of the city, except as otherwise provided in this chapter.

This chapter shall not apply to busses or other passenger conveyances regulated by the State Public Service Commission. (1980 Code, § 5-702)

9-503. **Limitation on number of taxicabs.** Until conditions warrant otherwise, not more than six (6) vehicles shall be operated as taxicabs upon the public highways, streets, boulevards, or alleys of the city; provided that the number of taxicabs herein provided for may be increased or diminished as conditions may require, and upon the applications of interested parties when, in the discretion of the city council, the increase diminution of the number of taxicab vehicles is warranted by the safety and welfare requirements of the public. (1980 Code, § 5-703)

9-504. **Requirement as to application.** No person shall be eligible to apply for or to receive a taxicab franchise if he has been convicted of a felony within the past five (5) years. (1980 Code, § 5-704, modified)

9-505. **Qualifications.** No person shall be granted a franchise nor driver's permit to operate a taxicab unless he complies with the following to the satisfaction of the city recorder:

1. Makes written application to the city recorder.
2. Is at least eighteen (18) years of age and holds a state special chauffeur's license.
3. Is clean in dress and person and is not addicted to the use of intoxicating liquor or drugs.
4. Produces affidavits of good character from two reputable citizens of this city who have known him personally and have observed his conduct for at least two (2) years next preceding the date of his application.
5. (a) Has not been convicted of any felony within the past five (5) years.
   (b) Has not been convicted of driving under the influence of an intoxicant or drug during a period of five (5) years immediately preceding the date of his application.
   (c) Has not been convicted of three (3) or more traffic violations during a period of three (3) years immediately preceding the date of his application. (1980 Code, § 5-705, modified)

9-506. **Conduct of drivers.** It shall be unlawful for any taxicab driver, while on duty, to be under the influence of, or to drink any intoxicating beverage
or beer, use profane or obscene language, shout or call to prospective passengers, unnecessarily blow the automobile horn, or to otherwise disturb the peace and tranquility of the city in any manner. (1980 Code, § 5-706)

9-507. **Transportation of more than one passenger at the same time.** No person shall be admitted to a taxicab already occupied by a passenger without the consent of such other passenger. (1980 Code, § 5-707)

9-508. **Permit required of drivers.** No person shall drive a taxicab other than the franchise owner, or his agent or employee, without being in possession of a City of Portland taxicab driver's permit issued by the city recorder. Said permit shall cost twenty-five dollars ($25.00) and shall be issued by the city recorder only after the applicant's driving history has been thoroughly investigated and the applicant has otherwise complied with the requirements of this chapter. Said permit shall be valid and in effect until suspended by the city council for violation of this chapter and shall be renewable every two (2) years. (1980 Code, § 5-708)

9-509. **Taxicabs to be kept clean and mechanically sound.** All taxicabs operated in the city shall be kept in a clean and sanitary condition inside and out. They shall also be kept in such mechanical condition as is reasonably necessary to provide for their satisfactory operation and the safety of the public. They shall be equipped with such lights, brakes, and other mechanical equipment and devices as are required by state law and this code for motor vehicles generally. (1980 Code, § 5-709)

9-510. **Drivers to comply with laws and ordinances.** All taxicabs shall be operated in strict compliance with the code and ordinances of the city and the laws of the state. (1980 Code, § 5-710)

9-511. **Insurance required of franchisees.** No taxicab franchise shall be issued or continued in operation unless there is in full force and effect, insurance for each vehicle authorized in the amount of twenty five thousand dollars ($25,000.00) for bodily injury to any one person; in the amount of fifty thousand dollars ($50,000.00) for injuries to more than one person which are sustained in the same accident; and ten thousand dollars ($10,000.00) for property damage resulting from any one accident. Said insurance shall insure to the benefit of any person who shall be injured or who shall sustain damage to property proximately caused by the negligence of a franchise holder, his servants, or agents. Proof of said insurance shall be filed in the office of the city recorder and shall have as surety thereon a surety company authorized to do business in the State of Tennessee. (1980 Code, § 5-711)
9-512. Drivers prohibited from engaging in unlawful acts. No driver shall help, aid, assist, or use, or knowingly allow his taxicab to be used, or otherwise engage in, the commission of, or in the furtherance of, any unlawful act, nor to be used or driven in violation of any city ordinance of the City of Portland, or in violation of this chapter. (1980 Code, § 5-712)

9-513. Public taxi stands authorized and regulated. The city council may authorize public taxi stands in such place or places upon the streets of the city as it deems necessary for the use of taxicabs operated in the city. The city council shall not create a public taxi stand on the streets except when deemed necessary for the convenience of the general public. The city council shall prescribe the number of cabs that shall occupy such taxi stands. The city council shall not create a public taxi stand in front of any place of business where the abutting property owners object to the same or where such stand would tend to create a traffic hazard.

Public taxi stands shall be used by taxicab drivers on a first-come, first-served basis. Each driver shall pull on to the taxi stand from the rear shall advance forward as the cabs ahead pull off. Drivers shall stay within five feet (5') of their cabs. They shall not solicit passengers or engage in loud or boisterous talk while at the public taxi stand. Nothing in this chapter shall be construed as preventing a passenger from boarding any cab of his choice that is parked in a public taxi stand.

No vehicle other than a taxicab shall at any time occupy any space upon the streets that has been established as either a public taxi stand or a call box stand. (1980 Code, § 5-713)

9-514. Transfer of franchise. No franchise may be sold, assigned, mortgaged, or otherwise transferred without the consent of the city council. (1980 Code, § 5-714)

9-515. Suspension or revocation of franchise. The city council shall have the power to suspend a taxi franchise upon a public hearing, after which a ten (10) day notice has been given and when it has been established that such grantee has discontinued operation or has violated, refused, or neglected to observe any of the proper orders, rules, or regulations of this chapter, or willfully or persistently violated any of the laws of the State of Tennessee or ordinances of the City of Portland relative to the operation of such vehicles. If the city council should deem, after hearing that the offenses of the grantee have been so flagrant as to warrant such action, then it may revoke the franchise issued to the grantee. (1980 Code, § 5-715)
CHAPTER 6
CABLE TELEVISION

SECTION
9-602. Definitions.

9-601. Parts of Code of Federal Regulations adopted. Pursuant to authority granted by the Cable Television and Consumer Protection Act of 1992 at 47 U.S.C. 543, and Federal Communications Commission action under the authority of said act certifying the city to regulate basic cable television service within the boundaries of the city; and for the purposes of regulating the rates charged to customers of any cable television operator franchised by the city, the regulations contained in Title 47 of the Code of Federal Regulations, Part 76, Subpart N, sections 76.900 through 76.985, are hereby adopted and incorporated by reference as a part of this code. (1980 Code, § 5-801)

9-602. Definitions. Whenever the regulations cited in § 9-601 refer to "franchising authority", it shall be deemed to be a reference to the city council of the city. (1980 Code, § 5-802)

1For complete details relating to the cable television franchise agreement see Ord. #07-07, Feb. 2007, in the office of the recorder.

For the creation of a Cable TV Commission, see chapter 1 of title 2.
CHAPTER 7

GARAGE SALES AND YARD SALES

SECTION
7-101. Intent.
7-102. Definitions.
7-103. Exemptions from chapter.
7-104. Penalty for violation.
7-105. Right of entry-authority of inspector.
7-106. Property permitted to be sold.
7-107. Duration of sale.
7-108. Display of property.
7-109. Signs.
7-110. Responsibility for maintaining order.
7-111. Parking.
7-112. Yard and garage sales-registration required.
7-113. Means of advertisement of yard sales-obstructing traffic.

9-701. Intent. The council finds and declares that:
(1) The intrusion of non-regulated garage sales and yard sales is causing annoyance to the citizens in residential areas in the city and congestion of the streets in residential areas in the city.
(2) The provisions contained in this chapter are intended to prohibit the infringement of any businesses in any established residential areas by regulating the term and frequency of garage sales and yard sales, so as not to disturb or disrupt the residential environment of the area.
(3) The provisions of this chapter are designed to control the operation of garage sales and yard sales conducted in nonresidential areas where the sale is not carried on a daily basis but rather on an occasional basis.
(4) The provisions of this chapter do not seek to control sales by individuals selling a few of their household or personal items.
(5) The provisions and prohibitions contained in this chapter are enacted not to prevent garage sales or yard sales, but to regulate such sales for the safety and welfare of the city's citizens. (as added by Ord. #06-01, March 2006)

9-702. Definitions. The following words, terms and phrases, when used in this chapter, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning. The word "shall" is always mandatory and not merely directory.
(1) "Community yard sale" means the inclusion of five (5) or more surrounding neighbors in combination for the sole purpose of the sale of goods, wares, merchandise, personal property of such kind as household articles,
utensils, jewelry, clothing, furniture, or other articles of this kind and may be also known as a garage sale.

(2) "Garage sale" means and includes all general sales, open to the public, conducted from or on any premises in any residential or nonresidential zone as defined by the zoning ordinance, for the purpose of disposing of personal property, including but not limited to all sales entitled "garage," "lawn," "yard," "attic," "porch," "room," "backyard," "patio," "flea market" or "rummage" sale. This definition does not include the operation of such businesses carried on in a nonresidential zone where the person conducting the sales does so, on a regular day-to-day basis. This definition shall not include a situation where no more than five (5) specific items or articles are held out for sale and where all advertisement of such sale specifically names those items to be sold.

(3) "Personal property" means property which is owned, utilized and maintained by an individual or members of his residence and acquired in the normal course of living in or maintaining a residence. It does not include merchandise which was purchased for resale or obtained on consignment.

(4) "Yard sales" A yard sale is defined as a sale of goods, wares, merchandise, personal property of such kind as household articles, utensils, jewelry, clothing, furniture, or other articles of this kind and may be also known as a garage sale. Such a sale is usually held by a private citizen or citizens on property owned by the citizen and/or property occupied as rental property, and may be held on a space rented for the sale. (as added by Ord. #06-01, March 2006)

9-703. Exemptions from chapter. The provisions of this chapter shall not apply to or affect the following:

(1) Persons selling goods pursuant to an order of process of a court of competent jurisdiction.

(2) Persons acting in accordance with their powers and duties as public officials.

(3) Any sale conducted by any merchant or mercantile or other business establishment on a regular, day-to-day basis from or at the place of business wherein such sale would be permitted by zoning regulations of the city or under the protection of the nonconforming use provisions thereof, or any other sale conducted by a manufacturer, dealer or vendor in which sale would be conducted from properly zoned premises and which is not otherwise prohibited by other ordinances.

(4) Any bona fide charitable, eleemosynary, educational, cultural or governmental institution or organization when the proceeds from the sale are used directly for the institution or organization and the goods or articles are not sold on a consignment basis. (as added by Ord. #06-01, March 2006)

9-704. Penalty for violation of chapter. (1) Every article sold and every day a sale is conducted in violation of this article shall constitute a separate offense.
(2) Any person found guilty of violating the terms of this chapter shall be subject to punishment by a fine not less than fifty dollars ($50) per day. (as added by Ord. #06-01, March 2006)

9-705. Right of entry--authority of inspector. A police officer or any other public official designated by any city ordinance to make inspections under the licensing or regulating ordinance, or to enforce the licensing or regulating ordinance, shall have the right of entry to any premises showing evidence of a garage sale for the purpose of enforcement or inspection, and may close the premises from such a sale or arrest any individual who violates the provisions of this chapter. (as added by Ord. #06-01, March 2006)

9-706. Property permitted to be sold. It shall be unlawful for any person to sell or offer for sale, under authority granted by this chapter, property other than personal property. (as added by Ord. #06-01, March 2006)

9-707. Duration of sale. Garage sales and yard sales shall be registered with the building official as provided for in § 9-712 of this chapter at no cost and shall be limited as follows:

(1) A period during a week not greater than three (3) consecutive days.

(2) Each property address shall be limited to three (3) yard sales annually with persons holding more than three (3) yard sales per year being subject to application for a license for the commissioner of finance and revenue under the Business Tax Act, shall be subject to sales tax, and may be required to keep an inventory of items on hand for the sale for inspection by the commissioner of finance and revenue, or his authorized agent with the following exceptions:

(a) One (1) additional sale is permitted, provided the occupant of a specified address is moving to another specified address.

(b) One (1) additional "community yard sale," as defined by this chapter or the annual Highway 52 yard sale shall be permitted.

(3) The hours of operation for any such sales shall be from 6:00 A.M. to 6:00 P.M. (as added by Ord. #06-01, March 2006)

9-708. Display of property. Personal property offered for sale pursuant to this chapter may be displayed within the residence in a garage or carport or in a front, side or rear yard, but only in such areas. No personal property offered for sale at a garage sale or yard sale shall be displayed in any public right-of-way. A vehicle offered for sale may be displayed on a permanently constructed driveway within such front or side yard. (as added by Ord. #06-01, March 2006)

9-709. Signs. Signs permitted. Only the following specified signs may be displayed in relation to a pending garage sale or yard sale; provided however,
that such signs shall be subject to any other applicable ordinance of the City of Portland relating to the placement of signs:

1. Two (2) signs of not more than four (4) square feet shall be permitted to be displayed on the property of the residence or nonresidential site where the garage sale or yard sale is being conducted.

2. Directional signs of not more than two (2) square feet each are permitted, provided that the premises on which the garage sale or yard sale is conducted is not on a major thoroughfare and that written permission to erect such signs is received from the property owners on whose property such signs are to be placed.

   a. Time limitations. No sign or other form of advertisement shall be exhibited for more than two (2) days prior to the day such sale is to commence.

   b. Removal of signs. Signs must be removed at the conclusion of the garage sale or yard sale activities. (as added by Ord. #06-01, March 2006)

9-710. Responsibility for maintaining order. The individual to whom a permit is issued under this chapter and the owner or tenant of the premises on which such sale or activity is conducted shall be jointly and severally responsible for the maintenance of good order and decorum on the premises during all hours of such sale or activity. No such individual shall permit any loud or boisterous conduct on the premises or permit vehicles to impede the passage of traffic on any roads or streets in the area of such premises. All such individuals shall obey the reasonable orders of any member of the police or fire department of the city in order to maintain the public health, safety and welfare. (as added by Ord. #06-01, March 2006)

9-711. Parking. All parking of vehicles at sales regulated under this chapter shall be conducted in compliance with all applicable laws and ordinances. The police department may enforce such temporary controls as necessary to alleviate any special hazards and congestion created by any garage sale or yard sale. (as added by Ord. #06-01, March 2006)

9-712. Yard and garage sales—registration required. All persons who hold or engage in a garage sale or yard sale within the city limits of the City of Portland shall be residing at the time of the sale within the City of Portland either as a homeowner, renter of property, or both and shall register on a form provided by the Planning and Codes Department of the City of Portland which shall be approved by the building official. (as added by Ord. #06-01, March 2006)

9-713. Means of advertisement of yard sales—obstructing traffic. It shall be unlawful for any person or persons holding or engaged in a garage sale or yard sale to cause congestion of traffic in the areas where the sale is
being held. It shall be unlawful for any person or persons holding or intending to hold a garage sale or yard sale to post advertisement of the sale on telephone poles, utility poles, or in any manner anywhere except for temporary signs within the yard or space where the sale is being held or is to be held as set forth in other sections of this chapter. Advertising also may be given to the local news media for publication or other means of informing the public. (as added by Ord. #06-01, March 2006)

9-901. Title. This chapter shall be known and may be cited as "The Sexually Oriented Business Ordinance." (as added by Ord. #17-75, Nov. 2017)

9-902. Definitions. The following words, terms and phrases, when used in this chapter, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

(1) "Adult arcade" means any place to which the public is permitted or invited wherein coin-operated, slug-operated, or for any form of consideration, electronically, electrically, or mechanically controlled still or motion picture machines, projectors, video or laser disc players, or other image-producing devices are maintained to show images to five (5) or fewer persons per machine at any one (1) time, and where the images so displayed are distinguished or characterized by the depicting or describing of "specified sexual activities" or "specified anatomical areas."

(2) "Adult bookstore," "adult novelty store," or "adult video store" means a commercial establishment which, as one of its principal purposes, offers for sale or rental for any form of consideration any one (1) or more of the following:

(a) Books, magazines, periodicals or other printed matter, or photographs, films, motion pictures, video cassettes or video reproductions, slides, computer software or other visual representations which are characterized by the depiction or description of "specified sexual activities" or "specified anatomical areas;" or

(b) Instruments, devices or paraphernalia which are designed for use in connection with "specified sexual activities."
A commercial establishment may have other principal business purposes that do not involve the offering for sale or rental of material depicting or describing "specified sexual activities" or "specified anatomical areas" and still be categorized as an adult bookstore, adult novelty store or adult video store. Such other business purposes will not serve to exempt such commercial establishments from being categorized as an adult bookstore, adult novelty store or adult video store so long as one (1) of the principal business purposes is the offering for sale or rental for consideration the specified materials which are characterized by the depiction or description of "specified sexual activities" or "specified anatomical areas."

(3) "Adult cabaret" means an establishment that features as a principal use of its business, entertainers, waiters, or bartenders who expose to public view of the patrons within such establishment, at any time, the bare female breast below a point immediately above the top of the areola, human genitals, pubic region, or buttocks, even if partially covered by opaque material or completely covered by translucent material, including swim suits, lingerie, or latex covering. "Adult cabaret" includes a commercial establishment that features entertainment of an erotic nature, including exotic dancers, strippers, male or female impersonators, or similar entertainers;

(4) "Adult entertainment" means any exhibition of any adult-oriented motion picture, live performance, display or dance of any type, that has as a principal or predominant theme, emphasis, or portion of such performance, any actual or simulated performance of specified sexual activities or exhibition and viewing of specified anatomical areas, removal of articles of clothing or appearing unclothed, pantomime, modeling, or any other personal service offered customers.

(5) "Adult motion picture theater" means a commercial establishment where, as one of its principal purposes, and for any form of consideration, films, motion pictures, video cassettes, slides, or similar photographic reproductions are regularly shown which are characterized by the depiction or description of "specified sexual activities" or "specified anatomical areas."

(6) "Adult theater" means a theater, concert hall, auditorium or similar commercial establishment which regularly features persons who appear in a state of nudity or semi-nude, or live performances which are characterized by the exposure or "specified anatomical areas" or by "specified sexual activities."

(7) "Codes department" means the department or division of the city which is authorized to enforce building codes and other provisions of this municipal code of ordinances.

(8) "Employee" means a person who performs any service on the premises of a sexually oriented business on a full-time, part-time, or contract basis, whether or not the person is denominated as an employee, independent contractor, agent, or otherwise and whether or not the person is paid a salary, wage, or other compensation by the operator of said business. "Employee" does not include a person exclusively on the premises for repair or maintenance of the
premises or equipment on the premises or for the delivery of goods to the premises.

(9) "Entertainer" means any person who provides entertainment within a sexually oriented business as defined in this section, whether or not a fee is charged or accepted for entertainment and whether or not entertainment is provided as an employee or an independent contractor.

(10) "Escort" means a person who, for consideration, agrees or offers to act as a companion, guide or date for another person, or who agrees or offers to privately model lingerie or to privately perform a striptease for another person.

(11) "Family recreation center" means any facility, which is oriented principally toward meeting the athletic or recreational needs of families and whose targeted customer is a minor child, including, but not limited to, the provision of one (1) or more of the following:

(a) Ice skating;
(b) Roller skating;
(c) Skateboarding;
(d) Paintball;
(e) Mini-golf;
(f) Bowling;
(g) Go-carts;
(h) Climbing facilities;
(i) Athletic fields or courts; or
(j) Other similar athletic or recreation activities.

(12) "Massage parlor" means an establishment or place primarily in the business of providing massage or tanning services where one (1) or more of the employees exposes to public view of the patrons within said establishment, at any time, "specified anatomical areas."

(13) "Nude model studio" means a commercial establishment where a person appears semi-nude or in a state of nudity, or displays "specified anatomical areas," and is provided to be observed, sketched, drawn, painted, sculptured, photographed or similarly depicted by other persons who pay money or any form of consideration. Nude model studio as defined herein shall not include a proprietary school licensed by the State of Tennessee or a college, junior college or university supported entirely or in part by public taxation; a private college or university which maintains and operates educational programs in which credits are transferable to a college, junior college or university supported entirely or partly by taxation; or a structure:

(a) That has no sign visible from the exterior of the structure and no other advertising that indicates a nude or semi-nude person is available for viewing;

(b) Where in order to participate in a class, a student must enroll at least three (3) days in advance of the class; and

(c) Where no more than one (1) nude or semi-nude model is on the premises at any one (1) time.
(14) "Nudity" or "state of nudity" means the showing of the human male or female genitals, pubic area, vulva, anus, anal cleft or cleavage with less than a fully opaque covering, the showing of the female breast with less than a fully opaque covering of any part of the nipple, or the showing of the covered male genitals in a discernibly turgid state.

(15) "Operator" means a person operating, conducting, or maintaining a sexually oriented business or a person who is identified in any report filed with the city as the operator of a sexually oriented business.

(16) "Sauna" means an establishment or place primarily in the business of providing, for purposes of sexual stimulation:
   (a) A steam bath or dry heat sauna; or
   (b) Massage services.

(17) "Semi-nude" means the showing of the female breast below a horizontal line across the top of the areola at its highest point or the showing of the male or female buttocks. This definition shall include the entire lower portion of the human female breast, but shall not include any portion of the cleavage of the human female breast, exhibited by a dress, blouse, skirt, leotard, bathing suit or other wearing apparel, provided the areola is not exposed in whole or in part.

(18) "Sexual conduct" means the engaging in or the commission of an act of sexual intercourse, oral-genital contact, or the touching of the sexual organs, pubic region, buttocks, or female breast of a person for the purpose of arousing or gratifying the sexual desire of that person or another person.

(19) "Sexual encounter center" means a business or commercial enterprise that, as one of its principal business purposes, offers for any form of consideration:
   (a) Physical contact in the form of wrestling or tumbling between persons of the opposite sex; or
   (b) Physical contact between male and female persons or persons of the same sex when one (1) or more of the persons is in a state of nudity or semi-nude or exposes to view of the persons within such establishment, at any time, "specified anatomical areas";

(20) "Sexually oriented business" includes, but is not limited to, an adult arcade, adult bookstore, adult novelty store, adult video store, adult cabaret, adult motion picture theater, adult theater, nude model studio, sexual encounter center, massage parlor, or sauna, and further means any premises to which patrons or members of the public are invited or admitted and which are so physically arranged as to provide booths, cubicles, rooms, compartments or stalls separate from the common areas of the premises for the purpose of viewing adult-oriented motion pictures or other adult entertainment, or wherein an entertainer provides adult entertainment to a member of the public, a patron, or a member, when such is held, conducted, operated or maintained for a profit, direct or indirect.

(21) "Sexual stimulation" means to excite or arouse the prurient interest or to offer or solicit acts of "sexual conduct" as defined in this chapter.
(22) "Specified anatomical areas" means:
   (a) Less than completely and opaquely covered:
      (i) Human genitals;
      (ii) Pubic region;
      (iii) Buttocks; or
      (iv) Female breasts below a point immediately above the top of the areola; or
   (b) Human male genitals in a discernibly turgid state, even if completely opaquely covered.

(23) "Specified criminal acts" means the following criminal offenses as defined by the Tennessee Code Annotated or the corresponding violation of another state or country:
   (a) Aggravated rape;
   (b) Rape;
   (c) Rape of a child;
   (d) Aggravated sexual battery;
   (e) Sexual battery by an authority figure;
   (f) Sexual battery;
   (g) Statutory rape;
   (h) Public indecency;
   (i) Prostitution;
   (j) Promoting prostitution;
   (k) Distribution of obscene materials;
   (l) Sale, loan or exhibition to a minor of material harmful to minors;
   (m) The display for sale or rental of material harmful to minors;
   (n) Sexual exploitation of a minor;
   (o) Aggravated sexual exploitation of a minor; and
   (p) Especially aggravated sexual exploitation of a minor;

The fact that a conviction is being appealed shall have no effect whatsoever on the provisions of this chapter.

(24) "Specified services" means massage services, private dances, private modeling, or acting as an "escort" as defined in this chapter, and any other live adult entertainment as defined in this section.

(25) "Specified sexual activities" means:
   (a) Human genitals in a state of sexual arousal;
   (b) Acts of human masturbation, oral copulation, sexual intercourse, or sodomy; or
   (c) Fondling or erotic touching of human genitals, pubic region, buttocks, or female breasts. (as added by Ord. #17-75, Nov. 2017)

9-903. Prevention of sexual activity. No person who owns, operates or manages a sexually oriented business shall permit "specified sexual activities," as defined in this chapter, to occur on the premises. No commercial building, structure, premises or portion thereof shall be designed for or used to
promote high-risk sexual conduct. No person who owns, operates, causes to be operated or manages a sexually oriented business, which exhibits on the premises in any one (1) or more viewing rooms or booths of less than one hundred fifty (150) square feet of floor space, a film, video cassette, other reproduction or live entertainment which depicts "specified sexual activities" or "specified anatomical areas," shall cause or allow any deviation from the following requirements:

(1) The interior of the premises shall be configured in such a manner that there is an unobstructed view from a manager's station of every area of the premises to which any patron is permitted access for any purpose, excluding restrooms. Restrooms may not contain video reproduction equipment. No manager's station may exceed thirty two (32) square feet of floor area. If the premises has two (2) or more manager's stations, then the interior of the premises shall be configured in such a manner that there is an unobstructed view of each area of the premises to which any patron is permitted access for any purpose, excluding restrooms, from at least one (1) of the manager's stations. Each such area shall remain unobstructed by doors, curtains, partitions, walls, merchandise, display racks or other materials. All viewing rooms and booths shall have at least one (1) side open so that the area inside is visible from a manager's station. The view required in this subsection must be by direct line of sight from the manager's station;

(2) No alteration in the configuration or location of a manager's station may be made without the prior approval of the codes department;

(3) At least one (1) employee shall be on duty and situated in each manager's station at all times that any patron is present inside the premises;

(4) No viewing room or booth may be occupied by more than one (1) person at any time;

(5) Each viewing room or booth shall be lighted in such a manner that persons within are visible from a manager's station. The illumination level of each viewing room or booth, when not in use, shall be a minimum of ten (10) footcandles at all times, as measured from the floor. The illumination level of all other portions of the premises open to the public shall be a minimum of ten (10) footcandles at all times;

(6) No patron shall be permitted access to any area which has been designated as an area in which patrons will not be allowed;

(7) Each viewing room or booth shall be totally separated from adjacent viewing rooms and booths and any nonpublic areas by walls. All such walls shall be solid and extended from the floor to a height of not less than six feet (6') and shall be of light colored, nonporous, nonabsorbent, smooth textured and easily cleanable material. No such wall may be constructed of plywood or composition board. No opening or aperture of any kind shall be allowed to exist between viewing rooms or booths. No person shall make or attempt to make an opening or aperture of any kind between viewing rooms or booths;
(8) All floor coverings in viewing rooms or booths shall be light colored, nonporous, nonabsorbent, smooth textured, easily cleanable surfaces, with no rugs or carpeting;

(9) The premises shall be maintained in a clean and sanitary manner at all times; and

(10) No occupant of a viewing room or booth shall be allowed to damage or deface any portion therein, engage in any type of sexual activity, cause any bodily discharge, or litter while inside. (as added by Ord. #17-75, Nov. 2017)

9-904. Involvement of minors. An operator of a sexually oriented business is in violation of this chapter if:

(1) The operator is less than eighteen (18) years of age, if an individual;

(2) Any officer, director, partner, stockholder or other individual having a direct or beneficial financial interest in the operator is less than eighteen (18) years of age, if the operator is a corporation, partnership or other form of business organization;

(3) Any employee of the sexually oriented business is less than eighteen (18) years of age;

(4) Any entertainer at the sexually oriented business is less than eighteen (18) years of age; or

(5) Any patron, customer, visitor, vendor, or other person inside the premises is less than eighteen (18) years of age. (as added by Ord. #17-75, Nov. 2017)

9-905. Specified criminal activity by operators, employees, entertainers and others. (1) No person may own or operate a sexually oriented business within the city if:

(a) He has a record of "specified criminal activity," as defined in this chapter, if the owner or operator is an individual; or

(b) Any officer, director, partner or other individual having at least a ten percent (10%) direct or beneficial financial interest in the operator has a record of "specified criminal activity," as defined in this chapter, if the owner or operator is a corporation, partnership or other form of business organization.

(2) No operator of a sexually oriented business may allow any employee who has a record of "specified criminal activity," as defined in this chapter, to work on the premises of the business.

(3) No operator of a sexually oriented business may allow any entertainer who has a record of "specified criminal activity," as defined in this chapter, to perform on the premises of the business.

(4) No operator, employee, or entertainer of a sexually oriented business may knowingly allow any "specified criminal activity" to occur on the premises of the business.
(5) No operator or employee of a sexually oriented business may allow any patron or customer who has carried out any "specified criminal activity" on the premises of the business to re-enter the premises.

(6) The police department may at any time investigate the criminal record of any person identified pursuant to § 9-909(4) of this chapter or of any employee of a sexually oriented business or of any entertainer performing at a sexually oriented business. (as added by Ord. #17-75, Nov. 2017)

9-906. Prohibited hours of operation. No sexually oriented business shall open to do business before eight o'clock A.M. (8:00 A.M.), Monday through Saturday; and no such establishment shall remain open after twelve o'clock (12:00) midnight, Monday through Saturday. No sexually oriented business shall be open for business on any Sunday or a legal holiday as designated in Tennessee Code Annotated, § 15-1-101. (as added by Ord. #17-75, Nov. 2017)

9-907. Duties and responsibilities of operators, employees, and entertainers. (1) The operator of each sexually oriented business shall maintain a register of all employees, showing the name, all aliases, home address, age, birth date, sex, weight, color of hair and eyes, telephone number, social security number, driver license or other state identification number and state of issuance, date of employment and termination, and duties of each employee. The above information for each employee shall be maintained on the premises during his or her employment and for a period of three (3) years following termination.

(2) The operator shall make such information available for inspection immediately upon request by the mayor, the mayor's authorized representative, the police department, or the codes department. Alternatively, if the mayor, the mayor's authorized representative, the police department, or the codes department requests that copies of any such information be delivered to them, the operator shall have such copies delivered within three (3) days of the request.

(3) An operator shall be responsible for the conduct of all employees and entertainers on the premises of the sexually oriented business and any act or omission of any employee or entertainer constituting a violation of a provision of this chapter shall be deemed to be the act or omission of the operator.

(4) There shall be posted and conspicuously displayed in the common areas of each sexually oriented business a list of any and all entertainment and services provided on the premises. Viewing adult-oriented motion pictures shall be considered as entertainment. The operator shall make the list available immediately upon demand of the mayor, the mayor's authorized representative, the police department, or the codes department.

(5) No operator, employee, or entertainer of a sexually oriented business shall allow any person under the age of eighteen (18) years on the premises of a sexually oriented business.
(6) A sign shall be conspicuously displayed in the common area of the premises of each sexually oriented business, and shall read as follows:
This sexually oriented business is regulated by the City of Portland, Tennessee. Employees, entertainers, or customers are not permitted to engage in any type of sexual conduct.

(7) Operators of sexually oriented businesses that provide "specified services," as defined in this chapter, for customers or patrons shall comply with the following requirements:
   (a) For each "specified service," such customers or patrons shall be provided with written receipts. Operators shall keep copies of such receipts for at least three years, showing:
      (i) "Specified service" provided;
      (ii) Cost of "specified service";
      (iii) Date and time of service provided;
      (iv) Name of person providing the "specified service"; and
      (v) Method of payment for service;
   (b) Copies of all published advertisements for the business shall be kept for at least three (3) years; and
   (c) Copies of the receipts and advertisements required under this section shall be made available immediately upon request by the mayor, the mayor's authorized representative, the police department, or the codes department.

(8) It shall be the duty of the operator and all employees on the premises of a sexually oriented business to ensure that the line of sight between the manager's station(s) and each viewing room or booth remains unobstructed by doors, curtains, partitions, walls, merchandise, display racks or other materials.

(9) It shall be the duty of the operator and all employees on the premises of a sexually oriented business to ensure that the illumination required by this chapter is maintained at all times during business hours.

(10) It shall be the duty of the operator and all employees on the premises of a sexually oriented business to ensure that no openings of any kind exist between viewing rooms or booths.

(11) The operator or his/her agent shall, during each business day, regularly inspect the walls of all viewing rooms and booths to determine if any openings or holes exist. If such openings exist, it is the duty of the operator to immediately repair the damage. No patron shall be permitted access to a viewing room or booth where such an opening exists. It shall be the duty of the operator and all employees on the premises to ensure that such rooms or booths are unoccupied by patrons until the opening is repaired and covered. (as added by Ord. #17-75, Nov. 2017)

9-908. Prohibited activities. (1) No operator, employee, or entertainer of a sexually oriented business shall perform or offer to perform any specified sexual activities on the premises of the business, or allow or encourage any
person on the premises to perform or participate in any specified sexual activities.

(2) No operator, employee, entertainer, or customer shall be permitted to have any physical contact with any other person on the premises during any performance and all performances shall only occur upon a stage at least eighteen inches (18") above the immediate floor level and removed at least six feet (6’) from the nearest entertainer, employee, and/or customer.

(3) No business shall advertise that it offers or provides any entertainment or services which would fall under the definitions of "sexual conduct," "sexual stimulation" or "specified sexual activities" as defined in this chapter.

(4) No operator, employee, or entertainer shall serve or allow to be served or consumed any intoxicating liquor, wine, beer, or other malt beverage on the premises of a sexually oriented business.

(5) No operator, employee, or entertainer shall knowingly allow possession, use, or sale of controlled substances on the premises of a sexually oriented business.

(6) The possession of weapons by any patron or customer on the premises of a sexually oriented business shall be prohibited. Notice of such prohibition shall be posted on the premises. No operator, employee, or entertainer shall knowingly allow a patron or customer on the premises of a sexually oriented business to have a weapon in his possession. (as added by Ord. #17-75, Nov. 2017)

9-909. Reports. Any person operating or desiring to operate a sexually oriented business shall file a report with the codes department at least thirty (30) days prior to the opening of the business and no later than November 1 of each year thereafter. The report shall be filed in triplicate with and dated by the codes department upon receipt. One (1) copy of the dated report shall be returned to the operator and one (1) copy shall be promptly provided to the police department. The report shall be upon a form provided by the codes department and shall include the following information, which shall be sworn by the operator to be true and correct under oath:

(1) The name under which the sexually oriented business is or will be operated;
(2) The location and all telephone numbers for the sexually oriented business;
(3) The type of sexually oriented business which is being or will be operated, using the terms included in the definition of "sexually oriented business" provided in this chapter, if applicable, and a complete description of all types of entertainment and services provided or to be provided by the business;
(4) If the operator is an individual, or for any individual who owns or will own at least a ten percent (10%) direct or beneficial interest in the business:
(a) Legal name and any other names or aliases used by the individual;
(b) Mailing address and residential address and telephone number;
(c) Business address and telephone number;
(d) A recent photograph of the individual;
(e) Age, date and place of birth;
(f) Height, weight, and hair and eye color;
(g) Date, issuing state and number of the individual's driver's license or other state identification card information;
(h) Social security number;
(i) Proof that the individual is at least eighteen (18) years of age; and
(j) The business, occupation or employment of the individual for five (5) years immediately preceding the date of the report.

(5) If the operator is a partnership:
(a) The partnership's complete name;
(b) The names of all partners and the information required above for all individuals who own or will own at least a ten percent (10%) direct or beneficial interest in the business;
(c) Whether the partnership is general or limited; and
(d) A copy of any printed partnership agreement.

(6) If the operator is a corporation:
(a) The corporation's complete name, address, and telephone number;
(b) The date and state of incorporation;
(c) The corporation's federal tax identification number;
(d) Evidence that the corporation is in good standing under the laws of the state of incorporation;
(e) The names and capacity of all officers, directors and principal stockholders and the information required above for all individuals who own or will own at least a ten percent (10%) direct or beneficial interest in the business; and
(f) The name and address of the registered corporate agent for service of process.

(7) The sexually oriented business or similar business history of the operator and of each individual listed under § 9-909(4) above, including:
(a) The name and location of each sexually oriented business or similar business currently or previously owned or operated by such operator or individual;
(b) If the operator or individual is or was a partner, officer, or director or holds or held at least a ten percent (10%) direct or beneficial interest in a partnership, corporation or other business entity which operates or operated or is or was majority owner of any sexually oriented business.
business or similar business, the name and location of each such business and the owning or operating business entity;

(c) Whether such operator or individual, has had any license or permit issued to a sexually oriented business or similar business denied, suspended or revoked; and

(d) The name and location of each sexually oriented business or similar business for which the license or permit was denied, suspended or revoked, and the dates and reasons for each such suspension or revocation.

(8) Whether the operator or any of the operator's officers or directors or any individual listed under § 9-909(4) above has a record of any "specified criminal activity" as defined in this chapter, and, if so, the "specified criminal activity" or activities involved and the date, place and jurisdiction of each;

(9) If the premises are leased or being purchased under contract, a copy of such lease or contract;

(10) A sketch or diagram showing the configuration of the premises, including the total amount of floor space occupied by the business. The sketch or diagram need not be professionally prepared, but it must be drawn to a designated scale or drawn with marked dimensions of the interior of the premises to an accuracy of plus or minus six inches (6”). The codes department may waive this requirement if the report adopts a sketch or diagram that was previously submitted and the operator certifies that the configuration of the premises has not been altered since it was prepared. This requirement does not excuse the operator from compliance with all other applicable requirements for approval of building plans;

(11) For the initial report, a current certificate and straight-line drawing prepared within thirty (30) days prior to the filing of the report by a registered land surveyor depicting the property lines and the structures containing any existing sexually oriented businesses within one thousand feet (1,000’) of the property of the business filing the report; the boundary lines of any residential zoning district within one thousand feet (1,000’) of said property; and the property lines of any parcel which includes an established religious facility, child care or educational facility, public park or recreation area, family recreation center, liquor store or residence within one thousand feet (1,000’) of said property. For purposes of this section, a use shall be considered existing or established if it is in existence at the time a report is submitted;

(12) A signed statement by the operator that the operator is familiar with the provisions of this chapter and is and will continue to be in compliance therewith, provided that if the operator is not an individual, such statement shall be signed by each individual who owns or will own at least a ten percent (10%) direct or beneficial interest in the operator; and

(13) Any other reasonably available information necessary in determining whether the operator and the sexually oriented business meet the requirements of this chapter as determined by the mayor, the mayor's
authorized representative, the police department, or the codes department. (as added by Ord. #17-75, Nov. 2017)

9-910. **Inspections.** In order to effectuate the provisions of this chapter, the mayor, the mayor’s authorized representative, the police department, and the codes department are empowered to:

(1) Conduct investigations of the premises of any sexually oriented business or any business believed by any of them to be a sexually oriented business at any time such business is occupied or open for business;

(2) Inspect all licenses and records of any sexually oriented business and its operators and employees for compliance with this chapter at any time such business is occupied or open for business; and

(3) Conduct investigations of persons engaged or believed to be engaged in the operation of any sexually oriented business. (as added by Ord. #17-75, Nov. 2017)

9-911. **Applicability.** The provisions of this chapter are not intended to supersede any obligations or requirements of statutes, laws, rules, regulations, or ordinances, including licensing requirements and zoning restrictions, imposed by the State of Tennessee or the City of Portland and shall be in addition thereto. (as added by Ord. #17-75, Nov. 2017)

9-912. **Violations.** (1) Each of the following acts and omissions shall be considered a civil offense against the city:

(a) Failure to file any report required under this chapter at the time required or submittal of false or misleading information or omission of any material facts in any report required under this chapter;

(b) Any operator, employee, or entertainer violates any provision of this chapter;

(c) Any operator, employee, or entertainer denies access to the mayor, the mayor's authorized representative, the police department, or the codes department to any portion of the premises of the sexually oriented business at any time it is open for business; or

(d) Any operator fails to maintain the premises of a sexually oriented business in a clean, sanitary, and safe condition.

(2) Upon a second or subsequent violation by an operator, entertainer, or employee of a sexually oriented business, of any part of this chapter, or of any state statute regarding nudity, sexually oriented businesses, or adult entertainment, such business shall be deemed a nuisance and shall be subject to an order of closure and/or to cease and desist by chancery court action seeking injunctive relief to enforce the provisions of this chapter, provided that such second or subsequent violation occurs after a conviction or plea of nolo contendere has been obtained for the previous such violation. (as added by Ord. #17-75, Nov. 2017)
TITLE 10

ANIMAL CONTROL

CHAPTER 1

IN GENERAL

SECTION

If the owner is not known or cannot be located, a notice describing the impounded cow, swine, sheep, horse, mule, goat, chicken, duck, goose, turkey or other domestic fowl, cattle or livestock will be posted in at least three (3) public places within the corporate limits. In either case, the notice shall state that the impounded animal or fowl must be claimed within five (5) days by paying the pound costs or the same will be humanely destroyed or sold. If not claimed by the owner, the cow, swine, sheep, horse, mule, goat, chicken, duck, goose, turkey or other domestic fowl, cattle or livestock shall be sold or humanely destroyed, or it may otherwise be disposed of as authorized by the city council.

The pound keeper shall collect from each person claiming an impounded animal or fowl, a reasonable fee to cover the costs of impoundment and maintenance. (1980 Code, § 3-106)

**10-107. Inspections of premises.** For the purpose of making inspections to insure compliance with the provisions of this title, the health officer, or any police officer shall be authorized to enter, at any reasonable time, any premises where he has reasonable cause to believe an animal or fowl is being kept in violation of this chapter. (1980 Code, § 3-107)
CHAPTER 2

DOGS AND CATS

SECTION
10-201. Regulations applicable. Anyone owning or keeping a dog or cat within the corporate limits of the City of Portland, Tennessee, must abide by the following. (1980 Code, § 3-201)

10-202. Rabies vaccination and registration required. It shall be unlawful for any person to own, keep, or harbor any dog or cat without having the same duly vaccinated against rabies and registered in accordance with the provisions of the "Tennessee Anti-Rabies Law" (Tennessee Code Annotated, §§ 68-8-101 through 68-8-114). (1980 Code, § 3-202)

10-203. Dogs to wear tags. It shall be unlawful for any person to own, keep, or harbor any dog which does not wear a tag evidencing the vaccination and registration required by the preceding section. (1980 Code, § 3-203)

10-204. Cats to have proof of vaccination. It shall be unlawful for any person to own, keep, or harbor any cat which does not have proof evidencing the vaccination and registration required by § 10-202. (1980 Code, § 3-204)

10-205. Running at large prohibited.\(^1\) It shall be unlawful for any person knowingly to permit any dog or cat owned by him unless under adult control to run at large within the corporate limits. (1980 Code, § 3-205)

\(^1\)State law reference
10-206. Vicious dogs or cats to be securely restrained. It shall be unlawful for any person to own or keep any dog or cat known to be vicious or dangerous unless such dog or cat is confined and/or otherwise securely restrained as to reasonably provide for the projection of other animals and persons. (1980 Code, § 3-206)

10-207. Noisy dogs or cats prohibited. No person shall own, keep, or harbor any dog or cat which, by loud and frequent barking, whining, screeching, or howling, annoys, or disturbs the peace and quiet of any neighborhood. (1980 Code, § 3-207)

10-208. Confinement of dogs or cats suspected of being rabid. If any dog or cat has bitten any person or is suspected of having bitten any person or is for any reason suspected of being infected with rabies, the health officer or chief of police may cause such dog or cat to be confined or isolated for such time as he reasonably deems necessary to determine if such dog or cat is rabid. (1980 Code, § 3-208)

10-209. Seizure and disposition of dogs and cats. Any dog found running at large may be seized by the health officer or any police officer and placed in a pound provided or designated by the governing body. If said dog is wearing a tag the owner shall be notified in person, by telephone, or by a post card addressed to his last-known mailing address to appear within five (5) days and redeem his dog by paying a reasonably pound fee, to be fixed by the pound keeper, or the dog will be humanely destroyed or sold. If said dog is not wearing a tag it shall be humanely destroyed or sold unless legally claimed by the owner within two (2) days. No dog shall be released in any event from the pound unless or until such dog has been vaccinated and a tag placed on its collar.

Any cat found running at large may be seized by the health officer or any police officer and placed in a pound provided or designated by the governing body. If said cat is wearing a name tag the owner shall be notified in person, by telephone, or by a post card addressed to his last-known mailing address to appear within five (5) days and redeem his cat by paying a reasonable pound fee, to be fixed by the pound keeper, or the cat will be humanely destroyed or sold. If said cat is not wearing a name tag it shall be humanely destroyed or sold unless legally claimed by the owner within two (2) days. No cat shall be released in any event from the pound unless or until such cat has been vaccinated and proof kept with the owner.

When, because of its viciousness or apparent infection with rabies, any cat found running at large cannot be safely impounded it may be summarily destroyed by the health officer or any policeman. (1980 Code, § 3-209)

10-210. Abuse or mistreatment of dog, cat, or any animal. Any owner knowingly mistreating or abusing any animal, by not feeding, watering
or sheltering in a responsible manner may be subject to the penalties set forth in § 10-211. (1980 Code, § 3-210)

10-211. **Enforcement and penalties.** Any owner or keeper of a dog or cat violating this chapter or any part of it shall, upon conviction, pay a fine of not less than $2.00 nor more than $50.00 for each offense. (1980 Code, § 3-211)
CHAPTER 3

VICIOUS ANIMALS

SECTION
10-301. Definitions.
10-303. Impoundment and violation notice.
10-305. Nuisance animal.
10-308. Enforcement.
10-309. Penalties.

10-301. Definitions. (1) "Animal." Any live, vertebrate or invertebrate creature, domestic, or wild, warm or cold blooded, other than a human being.
(2) "Animal control officer." Any person designated by the mayor with primary responsibility in the area of animal control.
(3) "Animal shelter." Any facility operated by the city or other governmental entity for the purpose of impounding animals held under the authority of the city or state.
(4) "Confined" shall mean securely confined indoors, within an automobile or other vehicle, or confined in a securely enclosed and locked pen or structure upon the premises of the owner of such animal. Such pen or structure must have secure sides and a secure top and provide for appropriate shading. If the pen or structure has no bottom secured to the sides, the sides must be embedded into concrete no less than eighteen (18) inches into the ground and inspected and approved by the animal control officer or the codes and health administrator. All such pens or structures must be adequately lighted and kept in a clean and sanitary condition and the size of the pen must be sufficient to house and shelter the animal comfortably but be no smaller than ten (10) feet by ten (10) feet.
(5) "Nuisance animal." Any animal or animals which:
(a) Molests passersby or passing vehicles;
(b) Attacks other animals;
(c) Trespasses on school grounds;
(d) Damages private or public property; or
(e) Barks, whines or howls in an excessive, continuous or untimely fashion, or adversely affects the health or disturbs the repose of any neighbor or disturbs the peace and quiet of a neighborhood.
(6) "Owner." Any person, association, partnership, corporation or other entity owning, keeping or harboring one (1) or more animals. An animal shall
be deemed to be harbored if it is fed or sheltered for three (3) consecutive days or more.

(7) "Pet." Any animal kept for pleasure rather than commercial use.

(8) "Restraint." Any animal secured by a leash or lead, or under the control of a responsible person and obedient to that person's commands, or within the real property limits of its owner, or confined within a vehicle.

(9) "Vicious animal." Any animal or animals that attacks, bites, or injures or poses a threat to human beings or other animals without adequate provocations or approaches any person in an aggressive, menacing or terrorizing manner or in an apparent attitude of attack if such person is upon any public ways or private property; or any animal which, because of temperament, conditioning or training, has a known propensity to attack, bite or injure human beings or other animals; or any animal which is trained for dog fighting or which is owned or kept primarily for the purpose of dog fighting or any animal fighting. Provided, however, no animal shall be declared vicious if the threat, injury, or damage by the animal was sustained by a person who was committing a crime or willfully trespassing upon the premises occupied by the owner of the animal, or the person injured was teasing, tormenting, abusing, assaulting, or provoking the animal, or if the animal was protecting or defending another human being, or other animal, or itself against unjustified attack or assault.

(10) "Wild animal." Any live monkey (nonhuman primate), raccoon, skunk, fox, poisonous snake, leopard, panther, tiger, lion, lynx or any other warm-blooded animal which can normally be found in the wild state. (as added by Ord. #06-57, Feb. 2007)

10-302. Restrained. (1) Running at large prohibited. It shall be unlawful for the owner of any animal, or any person having an animal in his care, custody or possession to suffer or allow it to run at large unattended on or about the streets and highways of the City of Portland, or on the property of another person without permission of the owner or occupant of that property, or of the person in possession of that property.

(2) Duty to keep animal under restraint while off property. (a) It shall be the duty of the owner of any animal or anyone having an animal in his care, custody or possession to keep said animal under control at all times while the animal is off the real property limits of the owner, possessor or custodian. For the purposes of this section, an animal is deemed "under control" when it is confined within a vehicle, parked or in motion, is secured by a leash or other device held by a competent person, is under voice command of a competent person with said person being present with said animal, is properly confined within an enclosure with permission of the owner of the property where the enclosure is located.

(b) No person shall permit a vicious animal to go outside its kennel or pen unless such animal is securely leashed with a leash no longer than four (4) feet in length. No person shall permit a vicious
animal to be kept on a chain, rope or other type of leash outside its kennel or pen unless a person of suitable age and discretion is in physical control of the leash. Such animals may not be leashed to inanimate objects such as trees, posts, buildings or structures. In addition a muzzling device sufficient to prevent such animal from biting persons or other animals shall muzzle all vicious animals on a leash outside the animal's kennel.

(3) **Vicious animals.** As determined by the animal control officer, each vicious animal will be confined by the owner or custodian of the animal within a building or secure enclosure and shall be securely muzzled and restrained or caged whenever off the premises of its owner.

(4) **Procedure for determining a vicious animal.** The animal control officer upon his or her complaint or allegation alleging an animal to be vicious shall hold a hearing within five (5) days of serving notice to the animal owner. In making his decision whether the animal is vicious, the animal control officer shall consider, but is not limited to, the following criteria:

(a) Provocation;
(b) Severity of attack;
(c) Previous aggressive history;
(d) Observable behavior;
(e) Site and circumstances of the incident;
(f) Age of the victim;
(g) Statements from witnesses;
(h) Reasonable enclosures already in place;
(i) Height and weight of animal.

Within five (5) days of hearing, the animal control officer shall determine whether to declare the animal vicious and shall within five (5) days after the hearing notify the owner by certified mail of the animal's designation as a vicious animal and the specific restrictions and conditions for keeping the animal. If declared vicious, the animal owners must notify all abutting property owners by certified mail, with return receipt requested, and such notification shall be at owner's expense. (as added by Ord. #06-57, Feb. 2007)

10-303. **Impoundment and violation notice.**

(1) Unrestrained and nuisance animals shall be taken by the animal control officer and impounded in an animal shelter and there confined in a humane manner.

(2) If by a license, tag or other means, the owner of an impounded animal can be identified, the animal control officer shall immediately upon impoundment notify the owner by telephone or mail or other appropriate and reasonable means.

(3) An owner reclaiming an impounded animal will pay a fee of thirty dollars ($30.00) plus five dollars ($5.00) per day the animal has been impounded and the costs of all medical treatment or other cost or expense incurred as deemed necessary by the animal control officer. If the animal control officer determines the animal has vicious tendencies, the owner may be required as a
condition to reclaiming the animal to provide evidence of insurance in an amount not less than one hundred thousand dollars ($100,000.00) to insure the owner against claims for personal injuries that may be inflicted by the animal.

(4) Any animal not reclaimed by its owner within three (3) days will become the property of the city and will be placed for adoption in a suitable home or humanely euthanized. An owner of an unclaimed animal, whether licensed or not, will be charged with having an unrestrained animal.

(5) In addition to, or in lieu of, impounding an animal found at large, the animal control officer or police officer may issue to the known owner of such animal a notice of ordinance violation. Such notice, if uncontested, shall impose upon the owner a penalty of not less than twenty-five dollars ($25.00) nor more than fifty dollars ($50.00) which may, at the discretion of the animal owner, be paid to the animal control center within seventy-two (72) hours (excluding Saturday and Sunday) in full satisfaction of the assessed penalty. In the event such penalty is not paid within the seventy-two (72) hour time period prescribed, a citation or warrant will be issued and additional costs assessed for the same.

(6) The city judge may order the impoundment and destruction of a vicious animal where:

(a) The vicious animal has attacked, bitten or injured a human being or domestic animal or;
(b) The animal is a vicious animal as defined herein and the owner has failed to comply with the requirements and conditions for keeping a vicious animal as defined herein, or;
(c) All fines or costs imposed under this ordinance have become final orders, and remain unpaid or
(d) The vicious animal poses a threat of serious harm to the public health or safety.

Within five (5) days after impoundment, the animal control officer shall notify the vicious animal's owner in writing of the impoundment.

The owner of an impounded vicious animal shall have the right to file, within five (5) days after receiving notice, a written request for a hearing to contest the impoundment. The hearing shall be before the city judge within fifteen (15) business days after receipt of the request. The animal control officer shall provide notice of the date, time and location of the hearing to the owner of the vicious animal by certified mail, and to the complainant by regular mail. The hearing shall be informal and strict rules of evidence shall not apply. The owner may be represented by counsel, present oral and written evidence and cross-examine witnesses.

After considering all of the relevant evidence, the city judge shall issue a decision and may order the destruction of the vicious animal or may release the vicious animal to its owner conditioned on the owner complying with the requirements set forth in this chapter or with any other requirements necessary to protect the public health or safety. If the owner of an impounded vicious animal fails to appear at a hearing, or fails to request a hearing within the
allotted time, the animal may be destroyed. The city judge may issue an order
that the matter be transferred to the General Sessions Court of Sumner County
for disposition or the matter referred to the District Attorney of Sumner County
for further proceedings and if a referral is made the vicious animal shall be
impounded pending a decision from the General Sessions Court or the Circuit
Court for Sumner County, Tennessee. (as added by Ord. #06-57, Feb. 2007)

10-304. Animal care. (1) No owner or custodian shall fail to provide his
or her animals with sufficient good and wholesome food and water, proper
shelter and protection from the weather and veterinary care when needed to
prevent suffering, and shall provide such animals with humane care and
treatment.
(2) No person shall beat, cruelly ill treat, torment, overload, overwork
or otherwise abuse an animal, or cause, instigate, suffer or permit any dogfight,
cockfight, bullfight or other combat between animals or between animals and
humans.
(3) No owner of an animal shall abandon such animal.
(4) No person except a licensed veterinarian shall crop a dog’s ears nor
dock a dog’s tail.
(5) Any person who, as the operator of a motor vehicle, strikes a
domestic animal shall stop at once and render such assistance as may be
reasonable and shall immediately report such injury or death to the animal’s
owner; in the event the owner cannot be ascertained and located, such operator
shall at once report the accident to the appropriate law enforcement agency. (as
added by Ord. #06-57, Feb. 2007)

10-305. Nuisance animal. It shall be unlawful to keep or harbor any
animal which barks, howls, or whines in an excessive, continuous or untimely
fashion; creates a nuisance; or adversely affects the health or disturbs the repose
of any neighbor, or disturbs the peace and quiet of a neighborhood. Owners of
such animals will receive one (1) warning from the police or animal control to
correct the situation, a citation will be issued if the police or animal control have
to respond to repeated complaints. (as added by Ord. #06-57, Feb. 2007)

10-306. Animal waste. The owner of every animal shall be responsible
for the removal of any excreta deposited by his or her animal(s), or animals in
his or her custody, on public walks, recreation areas, private property and public
parks. (as added by Ord. #06-57, Feb. 2007)

10-307. Compliance. (1) It shall be unlawful for the owner, keeper, or
possessor of a vicious animal within the City of Portland to fail to comply with
the provision of this chapter. Any animal found to be subject of a violation of this
chapter shall be subject to immediate seizure and impoundment. In addition
failure to comply will result in the revocation of the license of such animal resulting in the immediate removal of the animal from the City of Portland.

(2) No owner, lessee, tenant or subtenant of any property, public or private, located within the city shall keep, maintain or cause to be kept any horses, mules, donkeys, cattle, swine, chickens, turkeys, ducks, geese, goats, sheep, hares or similar animals or fowl either domesticated or non-domesticated except under conditions set forth in the provisions of the municipal code of the city. (as added by Ord. #06-57, Feb. 2007)

10-308. Enforcement. The civil provisions of this chapter shall be enforced by those persons or agencies designated by the mayor. It shall be a violation of this chapter to interfere with an animal control officer in the performance of his or her duties. (as added by Ord. #06-57, Feb. 2007)

10-309. Penalties. Any person violating any provision of this chapter will be punished in accordance with the appropriate provisions of the charter and ordinances of the city and the statutes of Tennessee and shall be guilty of a misdemeanor and may be punished by a fine not to exceed fifty dollars ($50.00) per day for each violation in addition to other penalties that may be imposed by the city judge. Each separate day during which an offense occurs under this chapter shall constitute a separate chargeable offense. (as added by Ord. #06-57, Feb. 2007)

OFFENSES AGAINST THE PEACE AND QUIET

SECTION
11-401. Disturbing the peace.
11-402. Anti-noise regulations.
11-403. Disorderly conduct.

11-401. Disturbing the peace. No person shall disturb, tend to disturb, or aid in disturbing the peace of others by violent, tumultuous, offensive, or obstreperous conduct, and no person shall knowingly permit such conduct upon any premises owned or possessed by him or under his control. (1980 Code, § 10-202)

11-402. Anti-noise regulations. Subject to the provisions of this section, the creating of any unreasonably loud, disturbing, and unnecessary noise is prohibited. Noise of such character, intensity, or duration as to be detrimental to the life or health of any individual, or in disturbance of the public peace and welfare, is prohibited.

(1) Miscellaneous prohibited noises enumerated. The following acts, among others, are declared to be loud, disturbing, and unnecessary noises in violation of this section, but this enumeration shall not be deemed to be exclusive, namely:

(a) Blowing horns. The sounding of any horn or signal device on any automobile, motorcycle, bus, truck, or other vehicle while not in motion except as a danger signal if another vehicle is approaching, apparently out of control, or if in motion, only as a danger signal after or as brakes are being applied and deceleration of the vehicle is intended; the creation by means of any such signal device of any unreasonably loud or harsh sound; and the sounding of such device for an unnecessary and unreasonable period of time.

(b) Radios, phonographs, etc. The playing of any radio, phonograph, or any musical instrument or sound device, including but not limited to loudspeakers or other devices for reproduction or amplification of sound, either independently of or in connection with motion pictures, radio, or television, in such a manner or with such volume, particularly during the hours between 11:00 P.M. and 7:00 A.M., as to annoy or disturb the quiet, comfort, or repose of persons in any office or hospital, or in any dwelling, hotel, or other type of residence, or of any person in the vicinity.

(c) Yelling, shouting, hooting, etc. Yelling, shouting, hooting, whistling, or singing on the public streets, particularly between the hours of 11:00 P.M. and 7:00 A.M., or at any time or place so as to annoy or
disturb the quiet, comfort, or repose of any person in any hospital, dwelling, hotel, or other type of residence, or of any person in the vicinity.

(d) **Pets.** The keeping of any animal, bird, or fowl which by causing frequent or long continued noise shall disturb the comfort or repose of any person in the vicinity.

(e) **Use of vehicle.** The use of any automobile, motorcycle, truck, or vehicle so out of repair, so loaded, or in such manner as to cause loud and unnecessary grating, grinding, rattling, or other noise.

(f) **Blowing whistles.** The blowing of any steam whistle attached to any stationary boiler, except to give notice of the time to begin or stop work or as a warning of fire or danger, or upon request of proper municipal authorities.

(g) **Exhaust discharge.** To discharge into the open air the exhaust of any steam engine, stationary internal combustion engine, motor vehicle, or boat engine, except through a muffler or other device which will effectively prevent loud or explosive noises therefrom.

(h) **Building operations.** The erection (including excavation), demolition, alteration, or repair of any building in any residential area or section or the construction or repair of streets and highways in any residential area or section, other than between the hours of 7:00 A.M. and 6:00 P.M. on week days, except in case of urgent necessity in the interest of public health and safety, and then only with a permit from the building inspector granted for a period while the emergency continues not to exceed thirty (30) days. If the building inspector should determine that the public health and safety will not be impaired by the erection, demolition, alteration, or repair of any building or the excavation of streets and highways between the hours of 6:00 P.M. and 7:00 A.M., and if he shall further determine that loss or inconvenience would result to any party in interest through delay, he may grant permission for such work to be done between the hours of 6:00 P.M. and 7:00 A.M. upon application being made at the time the permit for the work is awarded or during the process of the work.

(i) **Noises near schools, hospitals, churches, etc.** The creation of any excessive noise on any street adjacent to any hospital or adjacent to any school, institution of learning, church, or court while the same is in session.

(j) **Loading and unloading operations.** The creation of any loud and excessive noise in connection with the loading or unloading of any vehicle or the opening and destruction of bales, boxes, crates, and other containers.

(k) **Noises to attract attention.** The use of any drum, loudspeaker, or other instrument or device emitting noise for the purpose of attracting attention to any performance, show, or sale or display of merchandise.
(l) **Loudspeakers or amplifiers on vehicles.** The use of mechanical loudspeakers or amplifiers on trucks or other moving or standing vehicles for advertising or other purposes.

(2) **Exceptions.** None of the terms or prohibitions hereof shall apply to or be enforced against:

(a) **Municipal vehicles.** Any vehicle of the city while engaged upon necessary public business.

(b) **Repair of streets, etc.** Excavations or repairs of bridges, streets, or highways at night, by or on behalf of the city, the county, or the state, when the public welfare and convenience renders it impracticable to perform such work during the day.

(c) **Noncommercial and nonprofit use of loudspeakers or amplifiers.** The reasonable use of amplifiers or loudspeakers in the course of public addresses which are noncommercial in character and in the course of advertising functions sponsored by nonprofit organizations. However, no such use shall be made until a permit therefor is secured from the recorder. Hours for the use of an amplifier or public address system will be designated in the permit so issued and the use of such systems shall be restricted to the hours so designated in the permit. (1980 Code, § 10-233)

**11-403. Disorderly conduct.** It shall be unlawful for any person to be so boisterous, loud, or disorderly as to disturb the peace and quietude of the City of Portland, or to obstruct the free passage along its streets or sidewalks, or having loud speakers so as to disturb the peace and quietude of same. (1980 Code, § 10-238)
CHAPTER 5
INTERFERENCE WITH PUBLIC OPERATIONS AND PERSONNEL

SECTION
11-501. Escape from custody or confinement.
11-502. Impersonating a government officer or employee.
11-503. False emergency alarms.
11-504. Resisting or interfering with city personnel.
11-505. Coercing people not to work.

11-501. Escape from custody or confinement. It shall be unlawful for any person under arrest or otherwise in custody of or confined by the city to escape or attempt to escape, or for any other person to assist or encourage such person to escape or attempt to escape from such custody or confinement. (1980 Code, § 10-209)

11-502. Impersonating a government officer or employee. No person other than an official police officer of the city shall wear the uniform, apparel, or badge, or carry any identification card or other insignia of office like or similar to, or a colorable imitation of that adopted and worn or carried by the official police officers of the city. Furthermore, no person shall deceitfully impersonate or represent that he is any government officer or employee. (1980 Code, § 10-211)

11-503. False emergency alarms. It shall be unlawful for any person intentionally to make, turn in, or give a false alarm of fire, or of need for police or ambulance assistance, or to aid or abet in the commission of such act. (1980 Code, § 10-217)

11-504. Resisting or interfering with city personnel. It shall be unlawful for any person knowingly to resist or in any way interfere with or attempt to interfere with any officer or employee of the city while such officer or employee is performing or attempting to perform his city duties. (1980 Code, § 10-210)

11-505. Coercing people not to work. It shall be unlawful for any person in association or agreement with any other person to assemble, congregate, or meet together in the vicinity of any premises where other persons are employed or reside for the purpose of inducing any such other person by threats, coercion, intimidation, or acts of violence to quit or refrain from entering a place of lawful employment. It is expressly not the purpose of this section to prohibit peaceful picketing. (1980 Code, § 10-230)
CHAPTER 6

FIREARMS, WEAPONS AND MISSILES

The city council is empowered to have the city police remove any other machines used for games of chance which the city council deems a menace to the community. (1980 Code, § 10-240)
CHAPTER 9

EPHEDRINE AND EPHEDRINE RELATED PRODUCTS

SECTION
11-901. Sales regulated.
11-902. Definitions.
11-903. Accessibility of products.
11-904. Exemptions.
11-905. Employee training.
11-906. Registration of purchases.
11-907. Penalties for failure to comply.

11-901. Sales regulated. No person shall sell or deliver, or attempt to sell or deliver, in any single retail sale, a package that contains more than one hundred tablets of any product that contains any quantity of ephedrine, pseudoephedrine or phenylpropanolamine, or any number of packages that contain a combined total of three (3) or more grams of ephedrine, pseudoephedrine, or phenylpropanolamine whether as the sole active ingredient or in combination products that have less than therapeutically significant quantities of other active ingredients. (as added by Ord. #04-11, April 2004)

11-902. Definitions. (1) The use of the terms "ephrine," "pseudoephedrine," or "phenylpropanolamine" in this chapter shall include the salts, optical isomers, or salts of optical isomers of ephedrine, pseudoephedrine and phenylpropanolamine.

(2) The use of the term "retail establishment" in this chapter shall include any business entity and individual person who sells, offers for sale or attempts to sell any product containing ephedrine, pseudoephedrine, or phenylpropanolamine at retail.

(3) The use of the term "consumer accessible shelving" in this chapter shall mean any area of a retail establishment other than a product display area behind a counter where the public is not permitted, or within a locked display case or within 6 feet of a register located on a checkout counter. (as added by Ord. #04-11, April 2004)

11-903. Accessibility of products. All packages of any product containing ephedrine, pseudoephedrine or phenylpropanolamine, whether as the sole active ingredient or in combination products that have less than therapeutically significant quantities of other active ingredients, shall not be displayed and offered for sale in any retail establishment on consumer-accessible shelving. (as added by Ord. #04-11, April 2004)

11-904. Exemptions. This chapter shall not apply as follows:
(1) To any products labeled pursuant to federal regulation for use only in children under twelve years of age;
(2) To any products that the state department of health, upon application of a manufacturer, determines has been formulated in such a way as to effectively prevent its use in the illicit manufacture of methamphetamine;

11-905. Employee training. Any person who is considered the general owner or operator of a retail establishment where products containing ephedrine, pseudoephedrine, or phenylpropanolamine are available for sale who violates §§ 11-901 or 11-902 of this chapter shall not be penalized pursuant to this chapter if such person documents that an employee training program was in place to provide the employees with information on the local, state, and federal regulations regarding ephedrine, pseudoephedrine and phenylpropanolamine, and that the employees had completed the training program. (as added by Ord. #04-11, April 2004)

11-906. Registration of purchases. (1) Any retail establishment that sells or delivers, or attempts to sell or deliver, to a person any product containing ephedrine, pseudoephedrine, or phenylpropanolamine whether as the sole active ingredient or in combination products that have less than therapeutically significant quantities of other active ingredients, shall require such person to show proper identification and to sign a register.
(2) The register described in subsection (1) shall be created by any retail establishment that sells a product or products described in subsection (1) and shall require at least the following information:
   (a) The specific quantity of ephedrine, pseudoephedrine or phenylpropanolamine purchased;
   (b) The signature of the purchaser;
   (c) The name and residential or mailing address of the purchaser; other than a post office box number;
   (d) The number of the purchaser's motor vehicle operator's license or other proper identification at the time of the purchase;
   (e) The date of such purchase; and
   (f) The signature of an employee of the retail establishment as witness to the purchase and identification of the purchase.
(3) As used in this section, "proper identification" means a valid motor vehicle operator's license or other official and valid state-issued identification of the purchaser that contains a photograph of the purchaser.

(4) This section shall not apply to the sale or delivery of any product containing ephedrine, pseudoephedrine, or phenylpropanolamine by a licensed pharmacy upon a pharmacist making a good faith determination that the purchase of the product is for a good legitimate medical purpose. (as added by Ord. #04-11, April 2004)

11-907. **Penalties for failure to comply.** It is a civil offense to fail to comply with the foregoing regulations. Any violation of these sections is punishable by civil penalty of up to $50.00. Each day a violation continues under § 11-902 above shall constitute a separate offense. (as added by Ord. #04-11, April 2004)
CHAPTER 10  
HANDBILL ORDINANCE

SECTION
11-1001. Intent and purpose.
11-1002. Definitions.
11-1003. Posting notice, placard, bill, etc., prohibited.
11-1004. Throwing handbills in public places prohibited.
11-1005. Placing handbills in or upon vehicles prohibited.
11-1006. Distribution of handbills on uninhabited or vacant private premises prohibited.
11-1007. Distribution of handbills where prohibition properly posted.
11-1008. Distribution of unsolicited written material.
11-1009. Handbills depiction certain matter prohibited.
11-1010. Existing ordinances not affected.
11-1011. Exemptions.
11-1012. Penalty.
11-1013. Severability.

11-1001. Intent and purpose. The City Council of the City of Portland finds and declares that to protect the people against the nuisance of and incident to the promiscuous distribution of handbills and circulars, with the resulting detriment and danger to public health and safety, the public interest, convenience and necessity requires in their regulation and to that end the purposes of this ordinance are specifically declared to be as follows:

(1) To protect local residents against trespassing by solicitors, canvassers, or handbill distributors upon the private property of residents if they have given reasonable notice that they do not wish to be solicited by those persons or do not desire to receive handbills or advertising matter;

(2) To protect the people against the health and safety menace and the expense incident to the littering of the streets and public places by the promiscuous and uncontrolled distribution of advertising matter and commercial and non-commercial handbills; and

(3) To preserve the people's constitutional right to receive and disseminate information. (as added by Ord. #09-56, Nov. 2009)

11-1002. Definitions. The following words, terms and phrases, when used in this ordinance, have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

(1) "Commercial, handbill" means any printed or written matter, any sample or device, circular, leaflet, pamphlet, paper, booklet, and/or other printed or otherwise reproduced original or copies of any matter or literature:
(a) That advertises for sale any merchandise, product, commodity, or thing;
(b) That directs attention to any business or mercantile or commercial establishment, or other activity, for the purpose of either directly or indirectly promoting the interests by sales;
(c) That directs attention to or advertises any meeting, theatrical performance, exhibition, or event of any kind, for which an admission fee is charged for the purpose of private gain or profit; but the terms of this clause do not apply where an admission fee is charged or a collection is taken up for the purpose of defraying the expenses incident to the meeting, theatrical performance, exhibition, or event of any kind, when either is held, given, or takes place in connection with the dissemination of information that is not restricted under the ordinary rules of decency, good morals, public peace, safety and good order. Nothing in this ordinance authorizes the holding, giving, or taking place of any meeting, theatrical performance, exhibition, or event of any kind without a license, where a license is or may be required by any law of this state, or under any ordinance of this city;
(d) That while containing reading matter other than advertising matter, is predominantly and essentially an advertisement, and is distributed or circulated for advertising purposes, or for the private benefit and gain of any person engaged as advertiser or distributor.
(2) "Newspaper" means any newspaper of general circulation as defined by general law, any newspaper duly entered with the United States Postal Service, in accordance with federal statute or regulation, and any newspaper filed and recorded with any recording officer as provided by general law. "In addition" means any periodical or current magazine regularly published with not fewer than four (4) issues per year, and sold to the public.
(3) "Non-commercial handbill" means any printed or written matter, any sample or device, circular, leaflet, pamphlet, newspaper, magazine, paper booklet, or any other printed or otherwise reproduced original or copies of any matter or literature not included in the procedure definitions of a commercial handbill or a newspaper.
(4) "Obscene" means material that depicts or describes sexual conduct that is objectionable or offensive to accepted standards of decency that the average person, applying contemporary community standards would find, taken as a whole, appeals to prurient interests or material that depicts or describes, in a patently offensive way, sexual conduct specifically defined by the applicable state law, that taken as a whole, lacks serious literary, artistic, political, or scientific value.
(5) "Person" means any person, firm, partnership, association, corporation, company, or organization of any kind.
(6) "Private premises" means any dwelling, house, building, or other structure, designed or used either wholly or in part for private residential
purposes, whether inhabited, uninhabited or vacant, and includes any yard, grounds, walk, driveway, porch, steps, vestibule, or mailbox belonging or appurtenant to that dwelling, house, building, or other structure.

(7) "Public place" means any streets, boulevard, avenues, lanes, alleys, or other public way and public park, square, space, plaza, grounds or buildings.

(As added by Ord. #09-56, Nov. 2009)

11-1003. Posting notice, placard, bill, etc., prohibited. It is unlawful to post, stick, stamp, paint or otherwise affix, any notice, placard, bill, card, poster, advertisement, or other paper or device calculated to attract the attention of the public, to or upon any sidewalk, crosswalk, curb or curbstone, flagstone, or any other portion or part of any public way or public place; or any lamp post, electric light, telegraph, telephone, or trolley line pole; railway structure; hydrant; shade tree or tree-box; or upon the piers, columns, trusses, railings, gates, or other parts of any public bridge or viaduct; or other public structure or building; or so cause this to be done, except authorized or required by the laws of the United States, or the State of Tennessee, and the ordinances of the city. (As added by Ord. #09-56, Nov. 2009)

11-1004. Throwing handbills in public places prohibited. It is unlawful for any person to deposit, place, throw, scatter, or cast any commercial or noncommercial handbill in or upon any public place within the city. It is not unlawful for any person to hand out or distribute, without charge to the recipient any commercial or non-commercial handbill in any public place to any person willing to accept the handbill. (As added by Ord. #09-56, Nov. 2009)

11-1005. Placing handbills in or upon vehicles prohibited. It is unlawful for any person to distribute, deposit, place, throw, scatter, or cast any commercial or non-commercial handbill in or upon any automobile or other vehicle. The handing, transmitting, or distribution of any commercial or non-commercial handbill to the owner or other occupant of any automobile or other vehicle, who is willing to accept it, is not unlawful. (As added by Ord. #09-56, Nov. 2009)

11-1006. Distribution of handbills on uninhabited or vacant private premises prohibited. It is unlawful for any person to distribute, deposit, place, throw, scatter, or cast any commercial or non-commercial handbill in or upon any private premises that are uninhabited or vacant. (As added by Ord. #09-56, Nov. 2009)

11-1007. Distribution of handbills where prohibition properly posted. It is unlawful for any person to distribute, deposit, place, throw, scatter or cast any commercial or non-commercial handbill upon any premises, if requested by the owner or occupant not to do so, or if there is placed, on the
premises in a conspicuous position near its entrance a sign bearing the words: "No Trespassing," "No Peddlers or Agents," "No Advertisements," or any similar notice, indicating in any manner that the occupants of this premises do not desire to be molested or to have their right of privacy disturbed, or to have any such commercial or non-commercial handbills left upon its premises.  

(as added by Ord. #09-56, Nov. 2009)

11-1008. **Distribution of unsolicited written materials.** (1) It is unlawful to throw, deposit, or distribute any unsolicited written materials in or upon a private premises except by handing or transmitting the written material directly to the owner, occupant, or other person then present in or upon the private premises.

(2) Except where the premises are posted as provided in this section or where anyone upon the premises requests otherwise, unsolicited written materials shall be placed at the premises in:

(a) A distribution box located on or adjacent to the premises;

(b) On a porch nearest the front door;

(c) To a place where the materials are securely attached to the front door;

(d) Through a mail slot on the front door of the main structure;

or

(e) Between the exterior front door, if existent and unlocked, and the interior front door.

(3) Unsolicited written materials shall be contained in a plastic bag ventilated with air holes throughout the surface of the bag or in unventilated plastic bags no greater than six inches (6") in width. The unsolicited materials shall be placed or deposited in a manner preventing the materials from being blown or drifting about the premises or on sidewalks and public streets.

(4) Unsolicited written materials placed at a premises creates a rebuttable presumption that the materials were placed at the premises by the owner, agent, manager, and/or authorized distributor of the business, product, goods, service message, or idea, which is being advertised, promoted, endorsed or conveyed in such materials.  

(as added by Ord. #09-56, Nov. 2009, and replaced by Ord. #12-12, April 2012)

11-1009. **Handbills depiction certain matter prohibited.** It is unlawful for any person to post, hand out, distribute or transmit any signs or any handbill:

(1) That is reasonably likely to incite or to produce imminent lawless action; or

(2) That is obscene or unlawful.  

(as added by Ord. #09-56, Nov. 2009)

11-1010. **Existing ordinances not affected.** This ordinance does not repeal, amend, or modify any ordinance ever ordained, either prohibiting,
regulating, or licensing canvassers, hawkers, peddlers, transient merchants, or any person using the public streets or places for any private business or enterprise, or for commercial sales, not otherwise covered.  (as added by Ord. #09-56, Nov. 2009)

11-1101. **Exemptions.** The terms of this chapter shall not apply to persons working for utility companies in the course of posting notices regarding electric or utility service or those charitable organizations having a current exemption certificate from the Internal Revenue Service issued under section 501(c)(3) of the Internal Revenue Service Code of 1954, as amended, or persons who are members of a United Way or similar "umbrella" organization for charitable or religious organizations. This chapter shall also not apply to persons exercising legitimate First Amendment rights.  (as added by Ord. #09-56, Nov. 2009)

11-1012. **Penalty.** Any person who violates any provision of this ordinance, upon conviction shall be punished by a fine or penalty of not more than fifty dollars ($50.00) for each offense each day in which an offense continues is a separate offense.  (as added by Ord. #09-56, Nov. 2009)

11-1013. **Severability.** If any provision, or portion of a provision, of this ordinance, or its application to any person or circumstances, is held invalid by a court of competent jurisdiction, the remainder of the ordinance, or the application of the provision to other person or circumstances, shall not be affected.  (as added by Ord. #09-56, Nov. 2009)

12-602. Modifications. The following sections are hereby revised:

1. 101.1 Title. These regulations shall be known as the International Property Maintenance Code of The City of Portland hereinafter referred to as "this code."

2. 101.5. References to International Zoning Code. All references to the International Zoning Code are hereby deleted and replaced with the City of Portland Zoning Ordinance.

3. In Section 102.3, the reference to the International Zoning Code shall be deleted and the term "City of Portland Zoning Ordinance No. 387" shall be inserted in lieu thereof.

Copies of this code (and any amendments) may be purchased from the International Code Council, 900 Montclair Road, Birmingham, Alabama 35213.
(4) 103.1 General. The department of property maintenance inspection is hereby created and The City of Portland Planning and Codes Director or his/her designee shall be known as the code official.

(5) 103.5 Fees. The fees for activities and services performed by the department in carrying out its responsibilities under this code shall be as indicated in the City of Portland Fee Schedule1.

(6) Add subsection 106.3.1 Authority to Include Administrative Costs. The enforcing office shall add an additional administrative charge of fifteen percent (15%) to the cost of the work to abate the violation(s), and the city recorder shall add an administrative charge of ten percent (10%) to set up the file(s), add the cost to the tax statement(s) of each parcel involved, and the same shall result in a tax lien against the property as set forth by city and state laws.

(7) 106.5 Abatement of violation. The imposition of the penalties herein prescribed shall not preclude the legal officer of the jurisdiction from instituting appropriate action to restrain, correct or abate a violation, or to prevent illegal occupancy of a building, structure or premises, or to stop an illegal act, conduct, business or utilization of the building, structure or premises. Abatement shall include demolition of the structure where necessary in accordance with Section 110.

(8) 107.2 Form. Such notice prescribed in Section 107.1 shall be in accordance with all of the following:

1. Be in writing.
2. Include a description of the real estate including address if applicable and map and parcel number.
3. Include a statement of the violation or violations and why the notice is being issued.
4. Include a correction order allowing stating the maximum amount of time allowed to make the repairs and improvements required to bring the dwelling unit or structure into compliance with the provisions of this code.
5. Inform the property owner or owner's authorized agent of the right to appeal.
6. Include a statement of the right to file a lien in accordance with Section 106.3.

(9) 107.3 Method of service. Such notice shall be deemed to be properly served by one or more of the following methods:

1. Delivered personally;
2. Sent by certified or first-class mail addressed to the last known address;

1Property maintenance administrative fees, and any amendments thereto, may be found in the recorder's office.
3. If the notice is returned showing that the letter was not delivered, a copy thereof shall be posted in a conspicuous place in or about the structure or property affected by such notice.

(10) Section 109.3 shall be amended to read as follows: Closing streets. When necessary for public safety, the City of Portland Police Department shall close, or order the authority having jurisdiction over same to close, sidewalks, streets, public ways and places adjacent to unsafe structures and prohibit the same from being utilized.

(11) 110.1 General. The code official shall order the owner or owner's authorized agent of any premises upon which is located any structure, which in the code official's or owner's authorized agent judgment is so deteriorated or dilapidated or has become so out of repair as to be dangerous, unsafe, insanitary or otherwise unfit for human habitation or occupancy, and such that it is unreasonable to repair the structure, to demolish and remove such structure; or if such structure is capable of being made safe by repairs, to repair and make safe and sanitary. The structure shall be immediately boarded up for a period not to exceed (6) six months. If a building permit has not been applied for and approved within the (6) six-month time frame, the code official shall order the owner or owner's authorized agent to immediately demolish and remove such structure.

(12) 111.1 Application for appeal. Any person directly affected by a decision of the code official or a notice or order issued under this code shall have the right to appeal to the board of appeals, provided that a written application for appeal is filed within (10) ten calendar days after the day the decision, notice or order was served. An application for appeal shall be based on a claim that the true intent of this code or the rules legally adopted thereunder have been incorrectly interpreted, the provisions of this code do not fully apply, or the requirements of this code are adequately satisfied by other means.

(13) 111.2.4 Secretary. The code official shall designate a qualified person to serve as secretary to the board. The secretary shall file a detailed record of all proceedings in the office of Construction and Development Services.

(14) 111.2.5 Compensation of members. Compensation of members shall be determined by City of Portland Ordinance.

(15) 111.3 Notice of meeting. The board shall meet on the second Monday of every month.

(16) 111.5 Postponed Hearing. Deleted.

(17) Add: Section 112 Maintenance of Vacant and Boarded Structures
112.1 Vacant Structures – If the structure is vacant, the owner shall post a placard stating the owner's name and telephone number and shall secure a building permit from the City to board the structure securely to Board-Up Standards provided in Section 112.7.

112.2 Enforcement and Remedies for Violation. A building that is boarded or vacant for more than one (1) year in violation of this section is a public nuisance. In addition to the provisions in this section the City is authorized to use the remedies set forth in Section 106 of this code, state law and the City of
Portland applicable ordinances. The remedies, procedures and penalties provided by this section are cumulative to each other and to any others available under state law and/or city ordinances.

112.3 Owner Responsibilities. No person shall allow a building designed for human use or occupancy to stand vacant for more than thirty (30) days unless the owner established by substantial evidence to the reasonable satisfaction of the code official one of the following applies.

112.3.1 Permits. The building is the subject of an active building permit for repair or rehabilitation.

112.3.2 Sale or Lease. The building meets all applicable codes, does not contribute to blight and is ready for occupancy and is actively being offered for sale, lease or rent.

112.3.3 Maintained. The building does not contribute to and is not likely to contribute to blight because the owner is actively maintaining and monitoring the building so it does not contribute to blight. Active maintenance and monitoring shall include:

1. Maintenance of landscaping and plant material in good condition.
2. Maintenance of exterior of the building including but not limited to roofing, paint, windows and other exterior finishes in good condition.
3. Prompt and regular removal of all exterior trash, debris and graffiti.
4. Maintenance of the building in continuing compliance with all applicable codes and regulations.
5. Prevention of criminal activity on the premises including but not limited to loitering or trespassing.

112.4 Failure to comply. Any person who shall continue any work after having been served with a stop work order, except such work as that person is directed to perform to remove a violation or unsafe condition, shall be liable to a fine of not less than $75.00 dollars per violation per day and per violation.

112.7 Standards for Boarding a Vacant Building. The boarding of a vacant building shall be according to the specifications approved by the code official at the time of permit issuance. At a minimum the materials used to board-up the building shall be similar in color as used on the existing exterior facade.

112.8 Notice Procedures for Vacant, Unsecured, or Board Buildings. Whenever the code official determines that a vacant, unsecured, or boarded building exists, a notice shall be sent to the owner or responsible party in accordance with Section 107.

112.9 Continuing Nuisance. When the owner of a boarded or vacant building fails to maintain the property in accordance with this section or when repeated violations of this section occur for the same property, the code official may seek other remedies as provided by this code, local ordinances or state law including but not limited to demolition of the structure.
112.10 Emergency Hazard Abatement. When any building, structure or site constitutes such an imminent threat to life, limb or property such that it must be secured or barricaded and compliance with other provisions of this Code becomes infeasible as determined by the code official, the code official may summarily secure, close, or barricade the building without prior notice to the property owner. All costs of boarding shall be recovered pursuant to the procedures in Section 108.2.

(18) 113 Owner Responsibilities. No person shall allow a building designed for human use or occupancy to stand vacant for more than thirty (30) days unless the owner established by substantial evidence to the reasonable satisfaction of the code official one of the following applies.

113.1 Permits. The building is the subject of an active building permit for repair or rehabilitation.

113.2 Sale or Lease. The building meets all applicable codes, does not contribute to blight and is ready for occupancy and is actively being offered for sale, lease or rent.

113.3 Maintained. The building does not contribute to and is not likely to contribute to blight because the owner is actively maintaining and monitoring the building so it does not contribute to blight. Active maintenance and monitoring shall include:

1. Maintenance of landscaping and plant material in good condition.
2. Maintenance of exterior of the building including but not limited to roofing, paint, windows and other exterior finishes in good condition.
3. Prompt and regular removal of all exterior trash, debris and graffiti.
4. Maintenance of the building in continuing compliance with all applicable codes and regulations.
5. Prevention of criminal activity on the premises including but not limited to loitering or trespassing.

(19) 114 Continuing Nuisance. When the owner of a boarded or vacant building fails to maintain the property in accordance with this code and when repeated violations of this code occur for the same property, the code official may seek other remedies as provided by this code, local ordinances or state law including but not limited to demolition of the structure.

(20) 115 Vacant Structures. If the structure is vacant, the owner shall post a placard stating the owner's name and telephone number and shall secure a building permit from the City to board the structure securely to Board-Up Standards provided in Appendix A.

(21) Section 201.3, the reference to the International Zoning Code shall be deleted and the term "City of Portland Zoning Ordinance No. 387" shall be inserted in lieu thereof.

(22) Section 202 - General Definitions add the following:
(a) "Building" means any structure including but not limited to any residential, commercial, industrial or assembly structure approved for occupancy.

(b) "Vacant Building" means any structure or building that is unoccupied or occupied by unauthorized persons; and is unsecured or boarded.

(23) Section 302.3 shall be amended to read as follows: All private sidewalks, walkways, stairs, driveways, parking spaces and similar areas shall be kept in a proper state of repair, and maintained free from hazardous conditions.

(24) 302.4 Weeds. Premises and exterior property shall be maintained free from weeds or plant growth in excess of (8) eight inches. Noxious weeds shall be prohibited. Weeds shall be defined as all grasses, annual plants and vegetation, other than trees or shrubs provided; however, this term shall not include cultivated flowers and gardens. Upon failure of the owner or agent having charge of a property to cut and destroy weeds after service of a notice of violation, they shall be subject to prosecution in accordance with Section 106.3 and as prescribed by the authority having jurisdiction. Upon failure to comply with the notice of violation, any duly authorized employee of the jurisdiction or contractor hired by the jurisdiction shall be authorized to enter upon the property in violation and cut and destroy the weeds growing thereon, and the costs of such removal shall be paid by the owner or agent responsible for the property.

(25) 302.4.1 Repeated Nuisance. If a property has been cited more than (1) one time in a calendar year, the City of Portland shall charge an escalated administrative fee as provided in the City of Portland fee schedule.

(26) 302.8 Motor vehicles. Except as provided for in other regulations, no inoperative or unlicensed motor vehicle shall be parked, kept or stored on any premises, and no vehicle shall at any time be in a state of major disassembly, disrepair, or in the process of being stripped or dismantled. Painting of vehicles is prohibited unless conducted inside an approved spray booth.

Exceptions:

1. A vehicle of any type is permitted to undergo major overhaul, including body work, provided that such work is performed inside a structure or similarly enclosed area designed and approved for such purposes.

2. Any motor vehicle held in conjunction with a business enterprise lawfully licensed by the City for the storage, servicing and repair of motor vehicles and properly operated in an appropriate business zone pursuant to the zoning ordinances of the City.

(27) 304.14 Insect screens. During the period from March 1st to October 1st, every door, window and other outside opening required for ventilation of habitable rooms, food preparation areas, food service areas or any areas where products to be included or utilized in food for human consumption are processed, manufactured, packaged or stored shall be supplied with approved tightly fitting
screens of minimum 16 mesh per inch (16 mesh per 25 mm), and every screen door used for insect control shall have a self-closing device in good working condition.

Exceptions:
  1. Screens shall not be required where other approved means, such as air curtains or insect repellent fans, are employed.
  2. Screens shall not be required where the building is equipped with a functioning and approved central heating, ventilating and air conditioning system.

(28) Section 304.18.1 is deleted.

(29) 307.1 General. Every exterior and interior flight of stairs having four (4) or more risers shall have a handrail on one side of the stair and every open portion of the stair, landing, balcony, porch, deck, ramp or other walking surface that is more than 30 inches above the floor or grade shall have guardrails. Handrails shall be not less than 34 inches in height or more than 38 inches in height measured vertically above the nosing of the tread or above the finished floor of the landing or walking surfaces. Guardrails shall be not less than 36 inches in height above the floor of the landing, balcony, porch, deck, or ramp or other walking surface.

Exception:
  1. Guardrails shall not be required where exempted by the adopted building code.

(30) Section 307.2.2 is amended as follows: Refrigerators. Refrigerators and similar equipment shall not be discarded, abandoned or stored on exterior premises.

(31) 602.3 Heat supply. Every owner and operator of any building who rents, leases or lets one or more dwelling units or sleeping units on terms, either expressed or implied, to furnish heat to the occupants thereof shall supply heat during the period from October 1st to April 1st to maintain a minimum temperature of 68°F (20°C) in all habitable rooms, bathrooms and toilet rooms.

(32) 602.4 Occupiable work spaces. Indoor occupiable work spaces shall be supplied with heat during the period from October 1st to April 1st to maintain a minimum temperature of 65°F during the period the spaces are occupied.

Exceptions:
  1. Processing, storage and operation areas that require cooling or special temperature conditions.
  2. Areas in which persons are primarily engaged in vigorous physical activities.

(33) Appendix A "Boarding Standard" is hereby added to this document.

(34) In Chapter 8, the reference to the International Zoning Code shall be deleted and the term "City of Portland Zoning Ordinance No. 387" shall be inserted in lieu thereof. (as added by Ord. #09-34, Aug. 2009, and amended by Ord. #16-07, March 2016, and 17-02, Feb. 2017)

CHAPTER 14

ABATING PUBLIC NUISANCES

SECTION
12-1401. Action concerning absentee property owners.
12-1402. Provisions for abating certain other public nuisances defined and prohibited.
12-1403. Notice of violations.
12-1404. Hearing before city council.
12-1405. Recorder to keep files and records.
12-1406. Authority to include administrative costs.

12-1401. Action concerning absentee property owners. To allow for nuisance abatement in the city limits when the property owner resides out of the effective enforcement of the city judge to act on affidavits of complaint filed by the codes officer. (as added by Ord. #584, § 1, Sept. 1998)

12-1402. Provisions for abating certain other public nuisances defined and prohibited. The growth of grass or weeds to a height of over one (1) foot (Ordinance #138); premises to be kept clean (Ordinance #401); and Standard Housing Code 1997 Edition (Ordinance #567) various standards for minimum facilities. (as added by Ord. #584, § 1, Sept. 1998)

12-1403. Notice of violations. If the codes officer determines that conditions exist in violation of preceding section 12-1401, he shall notify the recorded owner of the property in writing, at his last known mailing address, of the conditions on the property that constitute a menace to life, property, the public health, the public welfare and/or create a fire hazard, and demand that the owner cause such condition or conditions to be remedied immediately. Such notice shall include a description of the property owner's right and time for appeal, and an estimate of costs. The mailing of such notices shall be sufficient proof thereof, and the delivery of notice shall be equivalent to mailing. If the mailing address of the owner is unknown, and the property is unoccupied and the owner has no agent in the city, the notice shall be posted upon said property as notice to the owner. (as added by Ord. #584, § 1, Sept. 1998)

12-1404. Hearing before the city council. If the condition(s) described in the notice have not been corrected within ten (10) days from the date of mailing of the notice required in section 12-1403 hereof, and no proper request for an appeal by the owner has been received or, after any hearing and city council order of correction having been issued and not complied with,
the sewer/street/sanitation department head shall cause said condition(s) to be corrected by the city at the expense of the property owner. After correction by the sewer/street/sanitation department head, the sewer/street/sanitation department head shall submit in writing to the city recorder, with a copy to the property owner, the total cost of correction with a copy of the notice originally required in section 12-1403. The expense shall thereupon become and constitute a lien and charge upon the property which shall be payable with interest at the rate of six percent (6%) per annum from the date of such certification, until paid, collectable at the time ad valorem taxes on said property become due and payable to the city. Such expense and charge shall be first and prior lien against the property, subject only to the lien for taxes to the county and of the same character as the lien of the city for municipal taxes. Upon failure of the owner of the property to pay the lien, it may be enforced in the same manner as tax liens in favor of the city, and shall be certified by the city recorder to the delinquent tax attorney, along with the certification of ad valorem taxes assessed against the property in the city, and not paid when due. Any property owner shall have the right to have a hearing before the city council to show cause, if any, why such expense should not constitute a lien against his property. Such owner shall also have the right at this hearing to have determined the reasonableness of the expense or charge made by the city in remedying the condition(s) existing upon the owner's property. (as added by Ord. #584, § 1, Sept. 1998)

12-1405. **Recorder to keep files and records.** The city recorder shall keep a complete set of files and records relating to such liens, and shall include the amounts of such liens in tax statements for ad valorem taxes, thereafter submitted to the owners of lots, tracts, or parcels of land subject to such liens. (as added by Ord. #584, § 1, Sept. 1998)

12-1406. **Authority to include administrative costs.** The department head of streets/sewer/sanitation shall add an additional administrative charge of fifteen percent (15%) to the cost of the work to abate the violation(s), and the city recorder shall add an administrative charge of ten percent (10%) to set up the file(s), add the cost to the statement(s) of each parcel involved, and the same shall result and affect as set forth in prior selections of this chapter. (as added by Ord. #584, § 1, Sept. 1998)

PROPERTY MAINTENANCE REGULATIONS

CHAPTER
1. MISCELLANEOUS.
2. JUNKYARDS.
3. ABANDONED MOTOR VEHICLES.
4. OVERGROWN AND UNSIGHTLY lots.

CHAPTER 1

MISCELLANEOUS

SECTION
13-102. Smoke, soot, cinders, etc.
13-103. Stagnant water.
13-105. Dead animals.
13-106. Health and sanitation nuisances.

13-101. Health officer. The "health officer" shall be such municipal, county, or state officer as the city council shall appoint or designate to administer and enforce health and sanitation regulations within the city. (1980 Code, § 8-401)

13-102. Smoke, soot, cinders, etc. It shall be unlawful for any person to permit or cause the escape of such quantities of dense smoke, soot, cinders, noxious acids, fumes, dust, or gases as to be detrimental to or to endanger the health, comfort, and safety of the public or so as to cause or have a tendency to cause injury or damage to property or business. (1980 Code, § 8-405)

13-103. Stagnant water. (1) It shall be unlawful for any person to knowingly allow any pool of stagnant water to accumulate and stand on his property without treating it so as to effectively prevent the breeding of mosquitoes.

1Municipal code references
   Littering streets, etc.: § 16-107.
   Toilet facilities in beer places: § 8-212(11).
(2) It shall be unlawful for any person to permit unmounted tires to accumulate water leading to possible breeding places for mosquitoes. (1980 Code, § 8-406, as amended by Ord. #552, Nov. 1997)

13-104. Weeds. Every owner or tenant of property shall periodically cut the grass and other vegetation commonly recognized as weeds on his property, and it shall be unlawful for any person to fail to comply with an order by the city recorder or chief of police to cut such vegetation when it has reached a height of over one (1) foot. (1980 Code, § 8-407)

13-105. Dead animals. Any person owning or having possession of any dead animal not intended for use as food shall promptly bury the same or notify the health officer and dispose of such animal in such manner as the health officer shall direct. (1980 Code, § 8-408)

13-106. Health and sanitation nuisances. It shall be unlawful for any person to permit any premises owned, occupied, or controlled by him to become or remain in a filthy condition, or permit the use or occupation of same in such a manner as to create noxious or offensive smells and odors in connection therewith, or to allow the accumulation or creation of unwholesome and offensive matter or the breeding of flies, rodents, or other vermin on the premises to the menace of the public health or the annoyance of people residing within the vicinity. (Ord. #552, Nov. 1997)

13-107. House trailers. It shall be unlawful for any person to park, locate, or occupy any house trailer or portable building unless it complies with all plumbing, electrical, sanitary, and building provisions applicable to stationary structures and the proposed location conforms to the zoning provisions of the city and unless a permit therefor shall have been first duly issued by the building official, as provided for in the building code. (1980 Code, § 8-404)
CHAPTER 2

JUNKYARDS

13-201. Junkyards. All junkyards within the corporate limits shall be operated and maintained subject to the following regulations:

(1) All junk stored or kept in such yards shall be so kept that it will not catch and hold water in which mosquitoes may breed and so that it will not constitute a place, or places in which rats, mice, or other vermin may be harbored, reared, or propagated.

(2) All such junkyards shall be enclosed within close fitting plank or metal solid fences touching the ground on the bottom and being not less than six (6) feet in height, such fence to be built so that it will be impossible for stray cats and/or stray dogs to have access to such junkyards.

(3) Such yards shall be so maintained as to be in a sanitary condition and so as not to be a menace to the public health or safety. (Ord. #552, Nov. 1997)

\[1\] State law reference
The provisions of this section were taken substantially from the Bristol ordinance upheld by the Tennessee Court of Appeals as being a reasonable and valid exercise of the police power in the case of Hagaman v. Slaughter, 49 Tenn. App. 338, 354 S.W.2d 818 (1961).
CHAPTER 3

ABANDONED MOTOR VEHICLES

SECTION
13-301. Definitions.
13-302. Violations a civil offense
13-304. Enforcement.
13-305. Penalty.

13-301. Definitions. For the purpose of the interpretation and application of this chapter, the following words and phrases shall have the indicated meanings:

(1) "Junk vehicle" shall mean a vehicle of any age that is damaged or defective in any one or combination of any of the following ways that either makes the vehicle immediately inoperable, or would prohibit the vehicle from being operated in a reasonably safe manner upon the public streets and highways under its own power if self-propelled, or while being towed or pushed, if not self-propelled:

(a) Flat tires, missing tires, missing wheels, or missing or partially or totally disassembled tires and wheels;
(b) Missing or partially or totally disassembled essential part or parts of the vehicle's drive train, including, but no limited to, engine transmission, transaxle, drive shaft, differential, or axle;
(c) Extensive exterior body damage or missing or partially or totally disassembled essential body parts, including, but not limited to, fenders, doors, engine hood, bumper or bumpers, windshield, or windows;
(d) Missing or partially or totally disassembled essential interior parts, including, but not limited to, driver's seat, steering wheel, instrument panel, clutch, brake, gear shift lever;
(e) Missing or partially or totally disassembled parts essential to the starting or running of the vehicle under its own power, including, but not limited to, starter, generator or alternator, battery, distributor, gas tank, carburetor or fuel injection system, spark plugs, or radiator;
(f) Interior is a container for metal, glass, paper, rags or other cloth, wood, auto parts, machinery, waste or discarded materials in such quantity, quality and arrangement that a driver cannot be properly seated in the vehicle;
(g) Lying on the ground (upside down, on its side, or at other extreme angle) sifting on blocks, or suspended in the air by any other method;
(h) General environment in which the vehicle sits, including, but not limited to, vegetation that has grown up around, in or through the
vehicle, the collection of pools of water in the vehicle, and the accumulation of other garbage or debris around the vehicle;
   (i) Unlicensed vehicle or out of date license plate.
(2) "Person" shall mean any natural person, or any firm, partnership, association, corporation or other organization of any kind and description.
(3) "Private property" shall include all property that is not public property, regardless of how the property is zoned or used.
(4) "Traveled portion of any public street or highway" shall mean the width of the street from curb to curb, or where there are no curbs, the entire width of the paved portion of the street, or where the street is unpaved, the entire width of the street in which vehicles ordinarily use for travel.
(5) "Vehicle" shall mean any machine propelled by power other than human power, designed to travel along the ground by use of wheels, treads, self, laying tracks, runners, slides or skids, including but not limited to automobiles, trucks, motorcycles, motor scooters, go carts, campers, tractors, trailers, tractor-trailers, buggies, wagons, and earth-moving equipment, and any part of the same. (Ord. #552, Nov. 1997)

13-302. Violations a civil offense. It shall be unlawful and a civil offense for any person:
   (1) To park and or in any other manner place and leave unattended on the traveled portion of any public street or highway a junk vehicle for any period of time, even if the owner or operator of the vehicle did not intend to permanently desert or forsake the vehicle.
   (2) To park or in any other manner place and leave unattended on the untraveled portion of any street or highway, or upon any other public property, a junk vehicle for more than forty-eight (48) continuous hours, even if the owner or operator of the vehicle did not intend to permanently desert or forsake the vehicle.
   (3) To park, store, keep, maintain on private property a junk vehicle for more than sixty (60) days. (Ord. #552, Nov. 1997)

13-303. Exceptions. (1) It shall be permissible for a person to park, store, keep and maintain a junked vehicle on private property under the following conditions:
   (a) The junk vehicle is completely enclosed within a building where neither the vehicle nor any part of it is visible from the street or from any other abutting property. However, this exception shall not exempt the owner or person in possession of the property from any zoning, building, housing, property maintenance, and other regulations governing the building in which such vehicle is enclosed.
   (b) The junk vehicle is parked or stored on property lawfully zoned for business engaged in wrecking, junking or repairing vehicles. However, this exception shall not exempt the owner or operator of any
such business from any other zoning, building, property maintenance and other regulations governing business engaged in wrecking, junking or repairing vehicles.

(2) No person shall park, store, keep and maintain on private property a junk vehicle for any period of time if it poses an immediate threat to the health and safety of citizens of the city. (Ord. #552, Nov. 1997)

13-304. Enforcement. Pursuant to Tennessee Code Annotated, § 7-63-101, the codes enforcement officer is authorized to issue ordinance summons for violations of this chapter on private property. The codes enforcement officer shall upon the complaint of any citizen, or acting on his own information, investigate complaints of junked vehicles on private property. If after such investigation the codes enforcement officer finds a junked vehicle on private property, he shall issue an ordinance summons. The ordinance summons shall be served upon the owner or owners of the property, or upon the person or persons apparently in lawful possession of the property, and shall give notice to the same to appear and answer the charges against him or them. If the offender refuses to sign the agreement to appear, the codes enforcement officer may (1) request the city judge to issue a summons, or (2) request a police officer to witness the violation. The police officer who witnesses the violation may issue the offender a citation in lieu of arrest as authorized by Tennessee Code Annotated, § 7-63-101 et seq., or if the offender refuses to sign the citation, may arrest the offender for failure to sign the citation in lieu of arrest. (Ord. #552, Nov. 1997)

13-305. Penalty. Any person violating this chapter shall be subject to a civil penalty of $500 for each separate violation of this chapter. Each day the violation of this chapter continues shall be considered a separate violation. (Ord. #552, Nov. 1997)
CHAPTER 4

OVERGROWN AND UNSIGHTLY LOTS

SECTION
13-401. Prohibition. Pursuant to the authority granted to municipalities under Tennessee Code Annotated, § 6-54-113, it shall be unlawful for any owner of record of real property to create, maintain, or permit to be maintained on such property the growth of trees, vines, grass, underbrush and/or the accumulations of debris, trash, litter, or garbage or any combination of the preceding elements so as to endanger the health, safety, or welfare of other citizens or to encourage the infestation of rats and other harmful animals. (as added by Ord. #06-39, July 2006)

13-402. Designation of public officer or department. The mayor shall designate an appropriate department or person to enforce the provisions of this section. (as added by Ord. #06-39, July 2006)

13-403. Notice to property owner. It shall be the duty of the department or person so designated to enforce this section to serve notice upon the owner of record in violation of § 13-401 above, a notice in plain language to remedy the condition within ten (10) days (or twenty (20) days if the owner of record is a carrier engaged in the transportation of property or is a utility transmitting communications, electricity, gas, liquids, steam, sewage, or other materials), excluding Saturdays, Sundays, and legal holidays. The notice shall be sent by registered or certified United States mail, addressed to the last known address of the owner of record. The notice shall state that the owner of the property is entitled to a hearing, and shall, at the minimum, contain the following additional information:

(1) A brief statement that the owner is in violation of the City of Portland Municipal Code, which has been enacted under the authority of Tennessee Code Annotated, § 6-54-113, and that the property of such owner may be cleaned-up at the expense of the owner and a lien placed against the property to secure the cost of the clean-up;
(2) The person, office, address, and telephone number of the department or person giving the notice;

(3) A cost estimate for remedying the noted condition, which shall be in conformity with the standards of cost in the city; and

(4) A place wherein the notified party may return a copy of the notice, indicating the desire for a hearing. (as added by Ord. #06-39, July 2006)

13-404. **Clean-up property owner's expense.** If the property owner of record fails or refuses to remedy the condition within ten (10) days after receiving the notice (twenty (20) days if the owner of record is a carrier engaged in the transportation of property or is a utility transmitting communications, electricity, gas, liquids, steam, sewage, or other materials), the department or person designated by the city administrator to enforce the provisions of this chapter shall immediately cause the condition to be remedied or removed at a cost in conformity with reasonable standards, and the cost thereof shall be assessed against the owner of the property. Upon the filing of the notice with the office of the register of deeds in Sumner or Robertson County, the costs shall be a lien on the property in favor of the municipality, second only to liens of the state, county, and municipality for taxes, any lien of the municipality for special assessments, and any valid lien, right or interest in such property duly recorded or duly perfected by filing, prior to the filing of such notice. These costs shall be placed on the tax rolls of the municipality as a lien and shall be added to property tax bills to be collected at the same time and in the same manner as property taxes are collected. If the owner fails to pay the costs, they may be collected at the same time and in the same manner as delinquent property taxes are collected and shall be subject to the same penalty and interest as delinquent property taxes. (as added by Ord. #06-39, July 2006)

13-405. **Appeal.** The owner of record who is aggrieved by the determination and order of the public officer may appeal the determination of the order to the Mayor of the City of Portland. The appeal shall be filed with the city recorder within ten (10) days following the receipt of the notice issued pursuant to § 13-403 above. The failure to appeal within the time shall, without exception, constitute a waiver of the right to a hearing. (as added by Ord. #06-39, July 2006)

13-406. **Judicial review.** Any person aggrieved by an order or act of the mayor under 13-405 above may seek judicial review of the order or act. The time period established in 13-404 above shall be stayed during the pendency of judicial review. (as added by Ord. #06-39, July 2006)

14-407. **Supplemental nature of this section.** The provisions of this chapter are in addition and supplemental to, and not in substitution for, any other provision in the municipal charter, this municipal code of ordinances or
other applicable law which permits the city to proceed against an owner, tenant or occupant of property who has created, maintained, or permitted to be maintained on such property the growth of trees, vines, grass, weeds, underbrush and/or the accumulation of the debris, trash, litter, or garbage or any combination of the preceding elements, under its charter, any other provisions of this municipal code of ordinances or any other applicable law. (as added by Ord. #06-39, July 2006)

14-408. General requirements. Weeds and other similar regulated vegetation which has attained the height of twelve (12) inches or more shall be presumed to be detrimental to the public health and therefore a public nuisance. Such vegetation shall be controlled on property as set forth below:

(1) The entire area of any lot, parcel or tract containing two (2) acres or less.
(2) Within twenty-five (25) feet of any street right-of-way, and within twenty-five (25) feet on any building on any lot, parcel, or tract containing more than two (2) acres.
(3) Within twenty-five (25) feet of an adjacent property line at the request of the owner, regardless of acreage.
(4) Two (2) or more contiguous lots shall be treated as one (1) lot by this section.

(a) Nothing in this chapter shall preclude the use of a parcel for agricultural purposes such as gardens, compost piles, orchards, vineyards, silage, or specific domesticated plants, which normally tend to exceed twelve (12) inches. In addition, nothing herein shall preclude the use of a parcel as a natural wooded area or the maintenance of natural screening provided that the health, safety, and welfare not be impaired.

(b) Nothing in this chapter shall prevent the open storage of items of inventory within a fenced area of any commercial or industrial activity such as lumber in a lumberyard, unless otherwise limited; nor shall this section prevent the open storage of building materials on an active construction site. Firewood stacked in an orderly manner shall not be considered a violation of this chapter provided it does not constitute a fire or health hazard.

(c) All enforcement actions with respect to this chapter shall commence upon receipt of a written signed complaint. All complaints should be appropriately documented, including photographic evidence of violation, and reflect the specific nature and location of the complaint. (as added by Ord. #06-39, July 2006)

CHAPTER 1

MUNICIPAL PLANNING COMMISSION

SECTION

14-102. Organization, powers, duties, etc.
14-103. Additional powers.

14-101. Creation and membership. Pursuant to the provisions of Tennessee Code Annotated, § 13-4-101 there is hereby created a municipal planning commission, hereinafter referred to as the planning commission. The planning commission shall consist of ten (10) members. One (1) of the members shall be the mayor, or a member designated by the mayor, and one (1) of the members shall be a member of the city council selected by the city council. The other eight (8) members shall be appointed by the mayor, two (2) of which must reside within the regional area outside of the municipal boundaries of the City of Portland. All members of the planning commission, except any elected official who serves as a member or a member who also serves as a member of the City of Portland Board of Zoning and Appeals, shall be paid fifty dollars ($50.00) for each regularly called meeting of the commission that the member attends. The terms of the appointive members shall be provided by resolution of the governing body; provided, that they shall be so arranged so that the term of one (1) member will expire each year. The terms of the mayor and the member selected by the city council shall run concurrently with their terms of office. Any vacancy in the appointed membership shall be filled for the unexpired term by the mayor, who shall also have authority to remove any appointed member at the mayor's pleasure. (1980 Code, § 11-101, as replaced by Ord. #606, July 1999, and amended by Ord. #07-35, Aug. 2007, and Ord. #18-10, Feb. 2018)
14-102. **Organization, powers, duties, etc.** The planning commission shall be organized and shall carry out its powers, functions, and duties in accordance with Tennessee Code Annotated, title 13. (1980 Code, § 11-102)

14-103. **Additional powers.** Having been designated as a regional planning commission, the municipal planning commission shall have the additional powers granted by, and shall otherwise be governed by the provisions of the state law relating to regional planning commissions. (1980 Code, § 11-103)
CHAPTER 2

ZONING ORDINANCE

SECTION
14-201. Land use to be governed by zoning ordinance.

14-201. Land use to be governed by zoning ordinance. Land use within the City of Portland shall be governed by Ordinance #387, titled "Zoning Ordinance, Portland, Tennessee," and any amendments thereto.¹

¹Ordinance #387, and any amendments thereto, are published as separate documents and are of record in the office of the city recorder.

Amendments to the zoning map are of record in the office of the city recorder.
CHAPTER 3

ANNEXATION PLAN OF SERVICES

SECTION
14-301. Annexation plan of services.
14-302. Individualized plans of service.

14-301. Annexation plan of services. When any new territory shall be annexed into the City of Portland, Tennessee, municipal services shall be afforded that particular annexed territory in accordance with the schedule listed below:

(1) Water--If not already provided; within six months, with no inside city limit water rate reduction until annexed property is placed on the tax roll;
(2) Police protection--Immediately following annexation;
(3) Fire protection--Immediately following annexation;
(4) Garbage pickup--Immediately;
(5) Street lighting--Within twelve (12) months of annexation;
(6) Natural gas--If not already provided, within twelve (12) months of annexation, with no inside city limit gas rate reduction until said annexed property is placed on the tax rolls;
(7) Sewers--Whenever state, county, municipal and federal funds are available to extend sewer lines to the newly annexed territory and to make any alterations to the sewer plant as may be necessary to extend said lines. (1980 Code, § 11-301, as amended by Ord. #563, Feb. 1998, replaced by Ord. #02-06, March 2002; and amended by Ord. #03-28, Jan. 2004)

14-302. Individualized plans of service. The mayor and board of aldermen of the City of Portland, Tennessee reserve the right to consider each area considered for annexation to the city limits of the City of Portland on its own feasibility and submit individualized plans of service for any area it deems necessary to do so. (Ord. #563, Feb. 1998, as replaced by Ord. #02-06, March 2002)
CHAPTER 4

PROVISIONS GOVERNING PORTABLE SIGNS

SECTION

14-401. Provisions governing portable signs. Portable signs may be permitted subject to the following:

(1) All such signs shall be set back from the right-of-way, a minimum of the distance indicated in TABLE 4-205.3 of the Portland Zoning Ordinance.

(2) No portable sign shall be located so as to infringe upon or obstruct in any manner, the vision clearance area(s) required by subsection 4-208.4 of the Portland Zoning Ordinance.

*Any church or school will be allowed sixty-four (64) square feet freestanding sign, one thirty-two (32) square foot building sign and one thirty-two (32) foot directory or bulletin board.

**In any instance where a portable sign may be permitted under provisions established in § 14-401, of the Municipal Code of Portland, the setback for such sign shall be reduced to zero, as provided in said code provision. In no instance, however, shall any such sign violate the vision clearance areas required in subsection 4-208.4, of the Portland Zoning Ordinance.
Freestanding Signs. For purposes herein a side of a freestanding sign is any plane or flat surface included in the calculation of the total sign surface area as provided in subsection 4-205.2 of the Portland Zoning Ordinance. For example, wall signs typically have two (2) sides (back to back), although four-sided and other multi-sided signs are also common.

Number of Signs. Except as authorized by this section, no development may have more than one (1) freestanding sign.

If a development is located on a corner lot that has at least one hundred (100) feet of frontage on each of the two (2) intersecting public streets, then the development may have not more than one (1) freestanding sign along each side of the development bordered by such streets.

(3) All portable signs when wired for lights shall be equipped with a ground fault interruption device and shall in all regards comply with the provisions of Article 600, (Electric Signs and Outdoor Lighting) of the National Electrical Code. All such signs shall be inspected for compliance with this provision. The owner of any sign found to be in violation of this provision shall be provided with notice of such violation if not corrected within thirty (30) days following such notice, the building inspector shall initiate action to remove the sign.

(4) Any portable sign not wired for lights shall have all electric cords and connection devices removed. Failure to comply with this provision following thirty (30) days notice of same, shall constitute grounds for the building inspector to initiate action to remove the sign.

(5) All portable signs shall be adequately anchored. The building inspector will adjudge the adequacy of all anchoring. The owner of any sign found to be in violation of this provision shall be provided with notice of such violation which shall specifically include the actions required to bring the sign into compliance. In any event, where such violation is not corrected within thirty (30) days, following such notice, the building inspector shall initiate action to remove the sign.

(6) All portable signs shall be maintained in a safe and structurally sound condition. The owner of any sign found to be in violation of this provision, as determined by the building inspector, shall be provided with notice of such violation which shall specifically include the actions required to bring the sign into compliance. In any event, where such violation is not corrected within thirty (30) days, following such notice, the building inspector shall initiate action to remove the sign.

(7) In any event, where the principal activity to which onsite portable signs are accessory is terminated for a period of ninety (90) days, all portable signs shall be removed from such site, following thirty (30) days notice. (1980 Code, § 11-401)
CHAPTER 5

TRAILER PARKS

SECTION
14-501. Permit required.
14-503. General regulations.
14-504. Change of ownership.
14-505. Changes in existing parks.
14-506. Standards.
14-507. Enforcement.

14-501. Permit required. It shall be unlawful for any person, persons, or firm to establish a trailer park within the City of Portland without first notifying the city recorder and filing therewith a written application for a permit. (1980 Code, § 5-501)

14-502. General provisions. (1) "Occupancy of trailers." Any trailer used for living or sleeping purposes must comply with certain restrictions.
   (2) "Management." No trailer park shall be maintained without proper management.
   (3) "Register." Every person who owns or operates a trailer park or court shall keep a register in which shall be entered:
      (1) Name and address of each lessee for which space is rented.
      (2) Any additional information concerning registration of vehicles that city deems advisable.
   (4) "Illumination." Every trailer park shall have installed and kept burning from sunset to sunrise sufficient artificial light to illuminate every building and trailer space.
   (5) "Animals." No animals or poultry shall be permitted to run at large in any trailer court or park.
   (6) "Occupancy regulations." It shall be unlawful for any person in a trailer court or park to use or permit to be used for occupancy:
      (1) Any inhabited trailer which is not connected to the park sanitary sewer system or disposal facilities approved by the city plumbing and sewer inspector.
      (2) Any trailer in an unsanitary condition; structurally unsound or not protecting its inhabitants against the elements. (1980 Code, § 5-502)

14-503. General regulations. (1) Trailer site. A trailer site in a trailer park shall not be occupied as a living quarter unless a single trailer is parked on the site and there shall not be more trailers occupied in a trailer park than there are approved trailer sites.
(2) **Restrooms.** All restrooms and shower houses shall be kept in a clean and sanitary condition.

(3) **Garbage, refuse disposal.** Adequate garbage cans and collection service shall be provided.

(4) **Sewage disposal.** No waste water or material from sinks, plumbing fixtures, or waste lines shall be deposited upon the surface of the ground. Where possible, said trailer park or court shall be connected to the city's sewer system.

(5) **Streets and drives.** All streets and driveways shall be maintained in good condition by the owner.

(6) **Water supply.** Every trailer park must have an approved water supply.

(7) **Fire prevention regulations.** An approved fire extinguisher will be properly maintained and located within 50 feet for every five (5) trailers occupied in said parks. (1980 Code, § 5-503)

14-504. **Change of ownership.** A use permit issued to operate a trailer park in a given location shall not give the right to everyone to operate a trailer park in that location. (1980 Code, § 5-504)

14-505. **Changes in existing parks.** All additions or repairs undertaken by an existing park must conform with the specifications of the City of Portland building codes. (1980 Code, § 5-505)

14-506. **Standards.** Any trailer park within the corporate limits of Portland must comply with certain standards. (1980 Code, § 5-506)

14-507. **Enforcement.** License certificate to operate a trailer park must be conspicuously posted in the office or on the premises of every trailer park. Failure to do so shall be deemed a misdemeanor. (1980 Code, § 5-507)

1Municipal code reference
Excavations and obstructions in streets, etc.: title 16.

2State law references
Under Tennessee Code Annotated, § 55-10-307, the following offenses are exclusively state offenses and must be tried in a state court or a court having state jurisdiction: driving while intoxicated or drugged, as prohibited by Tennessee Code Annotated, § 55-10-401; failing to stop after a traffic accident, as prohibited by Tennessee Code Annotated, § 55-10-101, et seq.; driving while license is suspended or revoked, as prohibited by Tennessee Code Annotated, § 55-7-116; and drag racing, as prohibited by Tennessee Code Annotated, § 55-10-501.
15-113. Driving through funerals or other processions.
15-114. Clinging to vehicles in motion.
15-117. Projections from the rear of vehicles.
15-119. Vehicles and operators to be licensed.
15-120. Passing.
15-121. Damaging pavements.
15-122. Bicycle riders, etc.
15-123. Compliance with financial responsibility law required.
15-124. Rules of the road, etc. adopted.

15-101. Motor vehicle requirements. It shall be unlawful for any person to operate any motor vehicle within the corporate limits unless such vehicle is equipped with properly operating muffler, lights, brakes, horn, and such other equipment as is prescribed and required by Tennessee Code Annotated, title 55, chapter 9. (1980 Code, § 9-101)

15-102. Driving on streets closed for repairs, etc. Except for necessary access to property abutting thereon, no motor vehicle shall be driven upon any street that is barricaded or closed for repairs or other lawful purpose. (1980 Code, § 9-106)

15-103. Careless driving. Every person operating a vehicle upon the streets within the City of Portland shall drive the same in a careful and prudent manner, having regard for the width, grade, curves, corners, traffic and use of these streets and all other attendant circumstances, so as not to endanger the life, limb or property of any person. Failure to drive in such manner shall constitute careless driving and a violation of this chapter. (1980 Code, § 9-107, as replaced by Ord. #17-79, Feb. 2018)

15-104. One-way streets. On any street for one-way traffic with posted signs indicating the authorized direction of travel at all intersections offering access thereto, no person shall operate any vehicle except in the indicated direction. (1980 Code, § 9-109)

15-105. Unlaned streets. (1) Upon all unlaned streets of sufficient width, a vehicle shall be driven upon the right half of the street except:
   (1) When lawfully overtaking and passing another vehicle proceeding in the same direction.
   (2) When the right half of a roadway is closed to traffic while under construction or repair.
(3) Upon a roadway designated and signposted by the municipality for one-way traffic.
(2) All vehicles proceeding at less than the normal speed of traffic at the time and place and under the conditions then existing shall be driven as close as practicable to the right hand curb or edge of the roadway, except when overtaking and passing another vehicle proceeding in the same direction or when preparing for a left turn. (1980 Code, § 9-110)

15-106. Laned streets. On streets marked with traffic lanes, it shall be unlawful for the operator of any vehicle to fail or refuse to keep his vehicle within the boundaries of the proper lane for his direction of travel except when lawfully passing another vehicle or preparatory to making a lawful turning movement.

On two (2) lane and three (3) lane streets, the proper lane for travel shall be the right hand lane unless otherwise clearly marked. On streets with four (4) or more lanes, either of the right hand lanes shall be available for use except that traffic moving at less than the normal rate of speed shall use the extreme right hand lane. On one-way streets either lane may be lawfully used in the absence of markings to the contrary. (1980 Code, § 9-111)

15-107. Yellow lines. On streets with a yellow line placed to the right of any lane line or center line, such yellow line shall designate a no-passing zone, and no operator shall drive his vehicle or any part thereof across or to the left of such yellow line except when necessary to make a lawful left turn from such street. (1980 Code, § 9-112)

15-108. Miscellaneous traffic-control signs, etc. 1 It shall be unlawful for any pedestrian or the operator of any vehicle to violate or fail to comply with any traffic-control sign, signal, marking, or device placed or erected by the state or the city unless otherwise directed by a police officer.

It shall be unlawful for any pedestrian or the operator of any vehicle to willfully violate or fail to comply with the reasonable directions of any police officer. (1980 Code, § 9-113)

15-109. General requirements for traffic-control signs, etc. All traffic-control signs, signals, markings, and devices shall conform to the latest revision of the Manual on Uniform Traffic Control Devices for Streets and Highways, 2 published by the U. S. Department of Transportation, Federal Highway Administration, and shall, so far as practicable, be uniform as to type

1Municipal code references

and location throughout the city. This section shall not be construed as being mandatory but is merely directive. (1980 Code, § 9-114)

15-110. Unauthorized traffic-control signs, etc. No person shall place, maintain, or display upon or in view of any street, any unauthorized sign, signal, marking, or device which purports to be or is an imitation of or resembles an official traffic-control sign, signal, marking, or device or railroad sign or signal, or which attempts to control the movement of traffic or parking of vehicles, or which hides from view or interferes with the effectiveness of any official traffic-control sign, signal, marking, or device or any railroad sign or signal. (1980 Code, § 9-115)

15-111. Presumption with respect to traffic-control signs, etc. When a traffic-control sign, signal, marking, or device has been placed, the presumption shall be that it is official and that it has been lawfully placed by the proper municipal authority. All presently installed traffic-control signs, signals, markings and devices are hereby expressly authorized, ratified, approved and made official. (1980 Code, § 9-116)

15-112. School safety patrols. All motorists and pedestrians shall obey the directions or signals of school safety patrols when such patrols are assigned under the authority of the chief of police and are acting in accordance with instructions; provided, that such persons giving any order, signal, or direction shall at the time be wearing some insignia and/or using authorized flags for giving signals. (1980 Code, § 9-117)

15-113. Driving through funerals or other processions. Except when otherwise directed by a police officer, no driver of a vehicle shall drive between the vehicles comprising a funeral or other authorized procession while they are in motion and when such vehicles are conspicuously designated. (1980 Code, § 9-118)

15-114. Clinging to vehicles in motion. It shall be unlawful for any person traveling upon any bicycle, motorcycle, coaster, sled, roller skates, or any other vehicle to cling to, or attach himself or his vehicle to any other moving vehicle upon any street, alley, or other public way or place. (1980 Code, § 9-120)

15-115. Riding on outside of vehicles. It shall be unlawful for any person to ride, or for the owner or operator of any motor vehicle being operated on a street, alley, or other public way or place, to permit any person to ride on any portion of such vehicle not designed or intended for the use of passengers. This section shall not apply to persons engaged in the necessary discharge of lawful duties nor to persons riding in the load-carrying space of trucks. (1980 Code, § 9-121)
15-116. **Backing vehicles.** The driver of a vehicle shall not back the same unless such movement can be made with reasonable safety and without interfering with other traffic. (1980 Code, § 9-122)

15-117. **Projections from the rear of vehicles.** Whenever the load or any projecting portion of any vehicle shall extend beyond the rear of the bed or body thereof, the operator shall display at the end of such load or projection, in such position as to be clearly visible from the rear of such vehicle, a red flag being not less than twelve (12) inches square. Between one-half ($\frac{1}{2}$) hour after sunset and one-half ($\frac{1}{2}$) hour before sunrise, there shall be displayed in place of the flag a red light plainly visible under normal atmospheric conditions at least two hundred (200) feet from the rear of such vehicle. (1980 Code, § 9-123)

15-118. **Causing unnecessary noise.** It shall be unlawful for any person to cause unnecessary noise by unnecessarily sounding the horn, "racing" the motor, or causing the "screeching" or "squealing" of the tires on any motor vehicle. (1980 Code, § 9-124)

15-119. **Vehicles and operators to be licensed.** It shall be unlawful for any person to operate a motor vehicle in violation of the "Tennessee Motor Vehicle Title and Registration Law" or the "Uniform Motor Vehicle Operators' and Chauffeurs' License Law." (1980 Code, § 9-125)

15-120. **Passing.** Except when overtaking and passing on the right is permitted, the driver of a vehicle passing another vehicle proceeding in the same direction shall pass to the left thereof at a safe distance and shall not again drive to the right side of the street until safely clear of the overtaken vehicle. The driver of the overtaken vehicle shall give way to the right in favor of the overtaking vehicle on audible signal and shall not increase the speed of his vehicle until completely passed by the overtaking vehicle.

When the street is wide enough, the driver of a vehicle may overtake and pass upon the right of another vehicle which is making or about to make a left turn.

The driver of a vehicle may overtake and pass another vehicle proceeding in the same direction either upon the left or upon the right on a street of sufficient width for four (4) or more lanes of moving traffic when such movement can be made in safety.

No person shall drive off the pavement or upon the shoulder of the street in overtaking or passing on the right.

When any vehicle has stopped at a marked crosswalk or at an intersection to permit a pedestrian to cross the street, no operator of any other vehicle approaching from the rear shall overtake and pass such stopped vehicle.

No vehicle operator shall attempt to pass another vehicle proceeding in the same direction unless he can see that the way ahead is sufficiently clear and
unobstructed to enable him to make the movement in safety. (1980 Code, § 9-126)

15-121. **Damaging pavements.** No person shall operate or cause to be operated upon any street of the city any vehicle, motor propelled or otherwise, which by reason of its weight or the character of its wheels, tires, or track is likely to damage the surface or foundation of the street. (1980 Code, § 9-119)

15-122. **Bicycle riders, etc.** Every person riding or operating a bicycle, motorcycle, or motor driven cycle shall be subject to the provisions of all traffic ordinances, rules, and regulations of the city applicable to the driver or operator of other vehicles except as to those provisions which by their nature can have no application to bicycles, motorcycles, or motor driven cycles.

No person operating or riding a bicycle, motorcycle, or motor driven cycle shall ride other than upon or astride the permanent and regular seat attached thereto, nor shall the operator carry any other person upon such vehicle other than upon a firmly attached and regular seat thereon.

No bicycle, motorcycle, or motor driven cycle shall be used to carry more persons at one time than the number for which it is designed and equipped.

No person operating a bicycle, motorcycle, or motor driven cycle shall carry any package, bundle, or article which prevents the rider from keeping both hands upon the handlebar.

No person under the age of sixteen (16) years shall operate any motorcycle or motor driven cycle while any other person is a passenger upon said motor vehicle.

All motorcycles and motor driven cycles operated on public ways within the corporate limits shall be equipped with crash bars approved by the state's commissioner of safety.

Each driver of a motorcycle or motor driven cycle and any passenger thereon shall be required to wear on his head a crash helmet of a type approved by the state's commissioner of safety.

Every motorcycle or motor driven cycle operated upon any public way within the corporate limits shall be equipped with a windshield of a type approved by the state's commissioner of safety, or, in the alternative, the operator and any passenger on any such motorcycle or motor driven cycle shall be required to wear safety goggles of a type approved by the state's commissioner of safety for the purpose of preventing any flying object from striking the operator or any passenger in the eyes.

It shall be unlawful for any person to operate or ride on any vehicle in violation of this section and it shall also be unlawful for any parent or guardian to knowingly permit any minor to operate a motorcycle or motor driven cycle in violation of this section. (1980 Code, § 9-127)
15-123. **Compliance with financial responsibility law required.**

(1) Every vehicle operated within the corporate limits must be in compliance with the financial responsibility law.

(2) At the time the driver of a motor vehicle is charged with any moving violation under title 55, chapters 8 and 10, parts 1-5, chapter 50; any provision in this title of this municipal code; or at the time of an accident for which notice is required under Tennessee Code Annotated, § 55-10-106, the officer shall request evidence of financial responsibility as required by this section. In case of an accident for which notice is required under Tennessee Code Annotated, § 55-10-106, the officer shall request such evidence from all drivers involved in the accident, without regard to apparent or actual fault.

(3) For the purposes of this section, "financial responsibility” means:

   (a) Documentation, such as the declaration page of an insurance policy, an insurance binder, or an insurance card from an insurance company authorized to do business in Tennessee, stating that a policy of insurance meeting the requirements of the Tennessee Financial Responsibility Law of 1977, compiled in Tennessee Code Annotated, chapter 12, title 55, has been issued;

   (b) A certificate, valid for one (1) year, issued by the commissioner of safety, stating that a cash deposit or bond in the amount required by the Tennessee Financial Responsibility Law of 1977, compiled in Tennessee Code Annotated, chapter 12, title 55, has been paid or filed with the commissioner, or has qualified as a self insurer under Tennessee Code Annotated, § 55-12-111; or

   (c) The motor vehicle being operated at the time of the violation was owned by a carrier subject to the jurisdiction of the Department of Safety or the Interstate Commerce Commission, or was owned by the United States, the state of Tennessee or any political subdivision thereof, and that such motor vehicle was being operated with the owner's consent.

(4) **Civil offense.** It is a civil offense to fail to provide evidence of financial responsibility pursuant to this ordinance. Any violation of this ordinance is punishable by a civil penalty of up to fifty dollars ($50.00). The civil penalty prescribed by this ordinance shall be in addition to any other penalty prescribed by the laws of this state or by the city's municipal code of ordinances.

(5) **Evidence of compliance after violation.** On or before the court date, the person charged with a violation of this section may submit evidence of compliance with this section in effect at the time of the violation. If the court is satisfied that compliance was in effect at the time of the violation, the charge of failure to provide evidence of financial responsibility may be dismissed. (as added by Ord. #02-10, March 2002, amended by Ord. #02-37, Nov. 2002, and replaced by Ord. #09-59, Dec. 2009)

15-124. **Rules of the road, etc. adopted.** (1) Violations of Tennessee Code Annotated, §§ 55-8-101 through 55-8-180, 55-10-101 through 55-10-310,
55-50-301, 55-50-302, 55-50-304, 55-50-305, 55-50-311, 55-10-312, and 55-12-139, which are committed within the corporate limits are hereby declared to be offenses against this municipality also.

(2) All other offenses against the State of Tennessee which are committed within the corporate limits and which are defined by the state law or which are recognized by the common law to be misdemeanors are hereby designated and declared to be offenses against this municipality.

(3) The offenses specified in Tennessee Code Annotated, § 55-10-307(b) are considered to be solely state offenses and violations thereof shall be tried in state courts or in courts having state jurisdiction.

(4) It is a civil offense if a violation occurs of the statutes herein specified and a violation of this section is punishable by a civil penalty of up to fifty dollars ($50.00). The civil penalty prescribed by this section shall be in addition to any other penalty prescribed by the laws of this state or by the city's municipal code of ordinances. (as added by Ord. #02-14, May 2002)

15-125. Use of engine compression braking devices. (1) All truck tractor and semi-trailers operating within the City of Portland shall conform to the visual exhaust system inspection requirements, 40 CFR 202.22, of the Interstate Motor Carriers Noise Emission Standards.

(2) A motor vehicle does not conform to the visual exhaust system inspection requirements referenced in (1) of this section if inspection of the exhaust system of the motor carrier vehicle discloses that the system:

   (1) Has a defect that adversely affects sound reduction, such as exhaust gas leaks or alteration or deterioration of muffler elements. (Small traces of soot on flexible exhaust pipe sections shall not constitute a violation.);

   (2) Is not equipped with either a muffler or other noise dissipative device, such as a turbocharger (supercharger driven by exhaust by gases); or

   (3) Is equipped with a cut out, bypass, or similar device, unless such device is designed as an exhaust gas driven cargo unloading system.

(3) Violations of this section shall subject the offender to a fine of fifty dollars ($50.00) per offense. (as added by Ord. #06-84, Jan. 2007)
CHAPTER 2
EMERGENCY VEHICLES

SECTION
15-201. Authorized emergency vehicles defined.
15-203. Following emergency vehicles.
15-204. Running over fire hoses, etc.

15-201. Authorized emergency vehicles defined. Authorized emergency vehicles shall be fire department vehicles, police vehicles, and such ambulances and other emergency vehicles as are designated by the chief of police. (1980 Code, § 9-102)

15-202. Operation of authorized emergency vehicles.1 (1) The driver of an authorized emergency vehicle, when responding to an emergency call, or when in the pursuit of an actual or suspected violator of the law, or when responding to but not upon returning from a fire alarm, may exercise the privileges set forth in this section, subject to the conditions herein stated.

(2) The driver of an authorized emergency vehicle may park or stand, irrespective of the provisions of this title; proceed past a red or stop signal or stop sign, but only after slowing down to ascertain that the intersection is clear; exceed the maximum speed limit and disregard regulations governing direction of movement or turning in specified directions so long as he does not endanger life or property.

(3) The exemptions herein granted for an authorized emergency vehicle shall apply only when the driver of any such vehicle while in motion sounds an audible signal by bell, siren, or exhaust whistle and when the vehicle is equipped with at least one (1) lighted lamp displaying a red light visible under normal atmospheric conditions from a distance of 500 feet to the front of such vehicle, except that an authorized emergency vehicle operated as a police vehicle need not be equipped with or display a red light visible from in front of the vehicle.

(4) The foregoing provisions shall not relieve the driver of an authorized emergency vehicle from the duty to drive with due regard for the safety of all persons, nor shall such provisions protect the driver from the consequences of his reckless disregard for the safety of others. (1980 Code, § 9-103)

1Municipal code reference
Operation of other vehicle upon the approach of emergency vehicles: § 15-501.
15-203. **Following emergency vehicles.** No driver of any vehicle shall follow any authorized emergency vehicle apparently travelling in response to an emergency call closer than five hundred (500) feet or drive or park such vehicle within the block where fire apparatus has stopped in answer to a fire alarm. (1980 Code, § 9-104)

15-204. **Running over fire hoses, etc.** It shall be unlawful for any person to drive over any hose lines or other equipment of the fire department except in obedience to the direction of a fireman or policeman. (1980 Code, § 9-105)
CHAPTER 3

SPEED LIMITS

SECTION
15-301. In general.
15-302. At intersections.
15-304. In congested areas.

15-301. **In general.** It shall be unlawful for any person to operate or drive a motor vehicle upon any highway or street at a rate of speed in excess of thirty (30) miles per hour except where official signs have been posted indicating other speed limits, in which cases the posted speed limit shall apply. (1980 Code, § 9-201)

15-302. **At intersections.** It shall be unlawful for any person to operate or drive a motor vehicle through any intersection at a rate of speed in excess of fifteen (15) miles per hour unless such person is driving on a street regulated by traffic-control signals or signs which require traffic to stop or yield on the intersecting streets. (1980 Code, § 9-202)

15-303. **In school zones.** It shall be unlawful for any person to operate or drive a motor vehicle at a rate of speed in excess of fifteen (15) miles per hour when passing a school during recess or while children are going to or leaving school during its opening or closing hours. (1980 Code, § 9-203)

15-304. **In congested areas.** It shall be unlawful for any person to operate or drive a motor vehicle through any congested area at a rate of speed in excess of any posted speed limit when such speed limit has been posted by authority of the city. (1980 Code, § 9-204)
CHAPTER 4

TURNING MOVEMENTS

SECTION
15-402. Right turns.
15-403. Left turns on two-way roadways.
15-404. Left turns on other than two-way roadways.

15-401. Generally. No person operating a motor vehicle shall make any turning movement which might affect any pedestrian or the operation of any other vehicle without first ascertaining that such movement can be made in safety and signaling his intention in accordance with the requirements of the state law.¹ (1980 Code, § 9-301)

15-402. Right turns. Both the approach for a right turn and a right turn shall be made as close as practicable to the right hand curb or edge of the roadway. (1980 Code, § 9-302)

15-403. Left turns on two-way roadways. At any intersection where traffic is permitted to move in both directions on each roadway entering the intersection, an approach for a left turn shall be made in that portion of the right half of the roadway nearest the center lines thereof and by passing to the right of the intersection of the center lines of the two roadways. (1980 Code, § 9-303)

15-404. Left turns on other than two-way roadways. At any intersection where traffic is restricted to one direction on one or more of the roadways, the driver of a vehicle intending to turn left at any such intersection shall approach the intersection in the extreme left hand lane lawfully available to traffic moving in the direction of travel of such vehicle and after entering the intersection the left turn shall be made so as to leave the intersection, as nearly as practicable, in the left hand lane lawfully available to traffic moving in such direction upon the roadway being entered. (1980 Code, § 9-304)

CHAPTER 5

STOPPING AND YIELDING

SECTION
15-502. When emerging from alleys, etc.
15-503. To prevent obstructing an intersection.
15-504. At railroad crossings.
15-505. At "stop" signs.
15-506. At "yield" signs.
15-507. At traffic-control signals generally.
15-508. At flashing traffic-control signals.
15-509. At pedestrian control signals.
15-510. Stops to be signaled.

15-501. **Upon approach of authorized emergency vehicles.** Upon the immediate approach of an authorized emergency vehicle making use of audible and/or visual signals meeting the requirements of the laws of this state, the driver of every other vehicle shall immediately drive to a position parallel to, and as close as possible to, the right hand edge or curb of the roadway clear of any intersection and shall stop and remain in such position until the authorized emergency vehicle has passed, except when otherwise directed by a police officer. (1980 Code, § 9-401)

15-502. **When emerging from alleys, etc.** The drivers of all vehicles emerging from alleys, parking lots, driveways, or buildings shall stop such vehicles immediately prior to driving onto any sidewalk or street. They shall not proceed to drive onto the sidewalk or street until they can safely do so without colliding or interfering with approaching pedestrians or vehicles. (1980 Code, § 9-402)

15-503. **To prevent obstructing an intersection.** No driver shall enter any intersection or marked crosswalk unless there is sufficient space on the other side of such intersection or crosswalk to accommodate the vehicle he is operating without obstructing the passage of traffic in or on the intersecting street or crosswalk. This provision shall be effective notwithstanding any traffic-control signal indication to proceed. (1980 Code, § 9-403)

---

¹Municipal code reference
Special privileges of emergency vehicles: title 15, chapter 2.
15-504. **At railroad crossings.** Any driver of a vehicle approaching a railroad grade crossing shall stop within not less than fifteen (15) feet from the nearest rail of such railroad and shall not proceed further while any of the following conditions exist:

1. A clearly visible electrical or mechanical signal device gives warning of the approach of a railroad train.
2. A crossing gate is lowered or a human flagman signals the approach of a railroad train.
3. A railroad train is approaching within approximately fifteen hundred (1500) feet of the highway crossing and is emitting an audible signal indicating its approach.
4. An approaching railroad train is plainly visible and is in hazardous proximity to the crossing. (1980 Code, § 9-404)

15-505. **At "stop" signs.** The driver of a vehicle facing a "stop" sign shall bring his vehicle to a complete stop immediately before entering the crosswalk on the near side of the intersection or, if there is no crosswalk, then immediately before entering the intersection, and shall remain standing until he can proceed through the intersection in safety. (1980 Code, § 9-405)

15-506. **At "yield" signs.** The drivers of all vehicles shall yield the right of way to approaching vehicles before proceeding at all places where "yield" signs have been posted. (1980 Code, § 9-406)

15-507. **At traffic-control signals generally.** Traffic-control signals exhibiting the words "Go," "Caution," or "Stop," or exhibiting different colored lights successively one at a time, or with arrows, shall show the following colors only and shall apply to drivers of vehicles and pedestrians as follows:

1. **Green alone, or "Go":**
   1. Vehicular traffic facing the signal may proceed straight through or turn right or left unless a sign at such place prohibits such turn. But vehicular traffic, including vehicles turning right or left, shall yield the right-of-way to other vehicles and to pedestrians lawfully within the intersection or an adjacent crosswalk at the time such signal is exhibited.
   2. Pedestrians facing the signal may proceed across the roadway within any marked or unmarked crosswalk.
2. **Steady yellow alone, or "Caution":**
   1. Vehicular traffic facing the signal is thereby warned that the red or "Stop" signal will be exhibited immediately thereafter, and such vehicular traffic shall not enter or be crossing the intersection when the red or "Stop" signal is exhibited.
   2. Pedestrians facing such signal shall not enter the roadway unless authorized so to do by a pedestrian "Walk" signal.
(3) **Steady red alone, or "Stop":**

   (1) Vehicular traffic facing the signal shall stop before entering the crosswalk on the near side of the intersection or, if none, then before entering the intersection and shall remain standing until green or "Go" is shown alone.

   (2) Pedestrians facing such signal shall not enter the roadway unless authorized so to do by a pedestrian "Walk" signal.

(4) **Steady red with green arrow:**

   (1) Vehicular traffic facing such signal may cautiously enter the intersection only to make the movement indicated by such arrow but shall yield the right-of-way to pedestrians lawfully within a crosswalk and to other traffic lawfully using the intersection.

   (2) Pedestrians facing such signal shall not enter the roadway unless authorized so to do by a pedestrian "Walk" signal.

(5) In the event an official traffic-control signal is erected and maintained at a place other than an intersection, the provisions of this section shall be applicable except as to those provisions which by their nature can have no application. Any stop required shall be made at a sign or marking on the pavement indicating where the stop shall be made, but in the absence of any such sign or marking the stop shall be made a vehicle length short of the signal. (1980 Code, § 9-407)

15-508. **At flashing traffic-control signals.** (1) Whenever an illuminated flashing red or yellow signal is used in a traffic sign or signal placed or erected in the city it shall require obedience by vehicular traffic as follows:

   (1) **Flashing red (stop signal).** When a red lens is illuminated with intermittent flashes, drivers of vehicles shall stop before entering the nearest crosswalk at an intersection or at a limit line when marked, or if none, then before entering the intersection, and the right to proceed shall be subject to the rules applicable after making a stop at a stop sign.

   (2) **Flashing yellow (caution signal).** When a yellow lens is illuminated with intermittent flashes, drivers of vehicles may proceed through the intersection or past such signal only with caution.

   (2) This section shall not apply at railroad grade crossings. Conduct of drivers of vehicles approaching railroad grade crossings shall be governed by the rules set forth in § 15-504 of this title. (1980 Code, § 9-408)

15-509. **At pedestrian control signals.** Wherever special pedestrian control signals exhibiting the words "Walk" or "Wait" or "Don't Walk" have been placed or erected by the city, such signals shall apply as follows:

   (1) "Walk." Pedestrians facing such signal may proceed across the roadway in the direction of the signal and shall be given the right-of-way by the drivers of all vehicles.
(2) "Wait or Don't Walk." No pedestrian shall start to cross the roadway in the direction of such signal, but any pedestrian who has partially completed his crossing on the walk signal shall proceed to the nearest sidewalk or safety zone while the wait signal is showing. (1980 Code, § 9-409)

15-510. Stops to be signaled. No person operating a motor vehicle shall stop such vehicle, whether in obedience to a traffic sign or signal or otherwise, without first signaling his intention in accordance with the requirements of the state law,¹ except in an emergency. (1980 Code, § 9-410)

CHAPTER 6

PARKING

SECTION
15-601. Illegal parking.
15-604. Presumption of guilt in violations of parking regulations.
15-605. Validity of citations and warrants.
15-607. Generally; within commercially zoned areas; repairing parked vehicles.
15-608. Stopping, standing or parking prohibited in specific places; exceptions for disabled veterans and handicapped persons.
15-609. Obstructing traffic.
15-610. Parking for certain purposes prohibited.
15-611. Parking adjacent to schools.
15-612. Parking on narrow streets.
15-613. Stopping, standing or parking at hazardous or congested places.
15-615. Occupancy of more than one space.
15-616. Parking prohibited at all times on certain streets.
15-617. Reserved parking for handicapped drivers.
15-618. Parking on city property.

15-601. **Illegal parking.** Whenever any motor vehicle with or without a driver is found parked or stopped in violation of any of the restrictions imposed by this code, the officer finding such vehicle shall take its license number and may take any other information displayed on the vehicle which may identify its user, and shall conspicuously affix to such vehicle a citation for the driver and/or owner to answer for the violation during the hours and at a place specified in the citation. The offender may waive his right to a judicial hearing and have the charges disposed of out of court, provided that the penalty for the violation is paid within ten days of the date of the citation. The penalty for parking in a fire lane or space on public or private property or in a handicapped parking space, as prohibited by § 16-617 of this chapter, shall be twenty-five dollars ($25.00) and the penalty for other parking violations shall be fifteen dollars ($15.00). (1980 Code, § 9-501, as replaced by Ord. #13-30, Sept. 2013)

15-602. **Disposition of fines.** All fines and forfeitures collected upon conviction or upon forfeiture of bail of any person charged with a violation of any of the provisions of this chapter shall be paid into the city treasury and deposited in the general fund and be expendable as provided by the city charter. (1980 Code, § 9-502, as replaced by Ord. #13-30, Sept. 2013)
15-603. Notice to appear in court. (1) Whenever a person is charged by a police officer or another properly designated security officer with a violation of any provision of this chapter and such person is not immediately taken before the city judge the police officer shall prepare in duplicate written notice to appear in court containing the name and address of such person, the license number of his vehicle, if any, the offense charged, and the time and place when and where such person shall appear in court.

(2) The time specified in the notice to appear must be fixed by the police officer unless the person charged obtains an alternative approved hearing date.

(3) The person charged to appear in court must sign at least one (1) copy of the written notice prepared by the police officer. The officer shall deliver a copy of the notice to the person promising to appear. Thereupon, the officer shall forthwith release the person charged from custody.

(4) It shall be unlawful for any person to violate his written promise to appear given to an officer upon the issuance of a traffic citation, regardless of the disposition of the charge for which such citation was originally issued. A written promise to appear in court may be complied with by an appearance by counsel.

(5) If any person fails to comply with a traffic citation given to such person or attached to a vehicle, or fails to make appearance pursuant to a summons directing an appearance in the municipal court, the clerk of the municipal court shall issue such process as directed by the city judge as may be authorized by the laws of the State of Tennessee. (1980 Code, § 9-503, as replaced by Ord. #13-30, Sept. 2013)

15-604. Presumption of guilt in violations of parking regulations. In all prosecutions for alleged violations of the provisions of this chapter relating to parking regulations, the owner of the vehicle involved shall be prima facie presumed to have been the operator or in control thereof at the time the alleged offense was committed. (1980 Code, § 9-504, as replaced by Ord. #13-30, Sept. 2013)

15-605. Validity of citations and warrants. No traffic citation or warrant shall be declared void by reason of the fact that the incorrect ordinance or section number was cited, so long as the complaint or warrant states a cause of action sufficient to place the defendant on notice of the charge he is called upon to defend against. (1980 Code, § 9-505, as replaced by Ord. #13-30, Sept. 2013)

15-606. Applicability of chapter. (1) The provisions of this chapter prohibiting the stopping, standing or parking of a vehicle shall apply at all times or at those times specified in this chapter or as indicated on official signs, except
when it is necessary to stop a vehicle to avoid conflict with other traffic or in compliance with the directions of a police officer or official traffic control device.

(2) The provisions of this chapter imposing a time limit on parking shall not relieve any person from the duty to observe other and more restrictive provisions prohibiting or limiting the stopping, standing or parking of vehicles in specified places or at specified times. (1980 Code, § 9-506, as replaced by Ord. #13-30, Sept. 2013)

15-607. Generally; within commercially zoned areas; repairing parked vehicles. (1) No person shall leave any motor vehicle unattended on any street without first setting the brakes thereon, stopping the motor, removing the ignition key, and turning the front wheels of such vehicle toward the nearest curb or gutter of the street.

(2) Except as hereinafter provided, every vehicle parked upon a street within the city shall be so parked that its right wheels are approximately parallel to and within eighteen inches (18") of the right edge or curb of the street.

(3) Notwithstanding anything else in this code to the contrary, no person shall park or leave a vehicle parked on any public street or alley within a commercially zoned area, or on any other public street or alley for more than forty-eight (48) consecutive hours without the prior approval of the chief of police.

(4) No person shall wash, grease or work on any vehicle, except to make repairs necessitated by an emergency, while such vehicle is parked on a public street. (1980 Code, § 9-507, as replaced by Ord. #13-30, Sept. 2013)

15-608. Stopping, standing or parking prohibited in specific places; exceptions for disabled veterans and handicapped persons.

(1) No person shall stop, stand or park a vehicle, except when necessary to avoid conflict with other traffic or in compliance with law or the directions of a police officer or traffic control device, in any of the following places:

(a) On a sidewalk;
(b) In front of a public or private driveway;
(c) Fire lanes or spaces on private or public property;
(d) Within an intersection;
(e) Within fifteen feet (15') of a fire hydrant;
(f) On a crosswalk;
(g) Within twenty feet (20') of a crosswalk at an intersection;
(h) Within thirty feet (30') upon the approach to any flashing beacon, stop sign or traffic control signal located at the side of a roadway;
(i) Within fifty feet (50') of the nearest rail of a railroad crossing;
(j) Within twenty feet (20') of the driveway entrance to any fire station and on the side of a street opposite the entrance to any fire station, within seventy-five feet (75') of such entrance when properly signposted.

(k) Alongside or opposite any street excavation or obstruction when stopping, standing or parking would obstruct traffic;

(l) On the roadway side of any vehicle stopped or parked at the edge or curb of a street;

(m) Upon any bridge or other elevated structure upon a highway or within a highway tunnel;

(n) At any place where official signs prohibit stopping;

(o) In a parking space clearly identified by an official sign as being reserved for the physically handicapped, unless, however, the person driving the vehicle is physically handicapped or parking such vehicle for the benefit of a physically handicapped person. A vehicle parking in such a space shall display a certificate or placard as set forth in Tennessee Code Annotated, § 55-21-101, et seq., or a disabled veteran's license place issued under Tennessee Code Annotated, § 55-4-237.

(2) No person shall move a vehicle not lawfully under such person's control into any such prohibited area or away from a curb such distance as is unlawful.

(3) The provisions of this section shall not apply to:

(a) The driver of any vehicle which is disabled while on the paved or improved or main traveled portion of a road, street or highway in such manner and to such extent that it is impossible to avoid stopping and temporarily leaving such vehicle in such position.

(b) The driver of any vehicle operating as a carrier of passengers for hire and holding a certificate of convenience and necessity or interstate permit issued by the public service commission authorizing the operation of such vehicle upon the roads, streets or highways in this state, while taking passengers on such vehicle, or discharging passengers therefrom, provided, the vehicle is stopped so that a clear view of such vehicle shall be obtained from a distance of two hundred feet (200') in each direction, upon such roads, streets or highways.

(c) A solid waste vehicle while on the paved or improved main traveled portion of a road, street or highway in such manner and to such extent as is necessary for the sole purpose of collecting municipal solid waste, as defined by Tennessee Code Annotated, § 68-211-802(a)(10); provided, that such vehicle shall maintain flashing hazard lights at all times while it is stopping or standing; provided further, that the vehicle is stopped so that a clear view of such stopped vehicle shall be available from a distance of two hundred feet (200') in either direction upon the highway. The provisions of this subsection do not preclude any claimant from pursuing such claimant's common law claim for recovery pursuant
15-609. **Obstructing traffic.** No person shall park any vehicle upon a street in such a manner or under such conditions as to leave available less than fifteen feet (15') of the width of the roadway for free movement of vehicular traffic. (1980 Code, § 9-509, as replaced by Ord. #13-30, Sept. 2013)

15-610. **Parking for certain purposes prohibited.** No person shall park a vehicle upon any roadway for the principal purpose of:

1. Displaying such vehicle for sale;
2. Washing, greasing, or repairing such vehicle, except for repairs necessitated by an emergency;
3. Displaying advertising or commercial messages;
4. Storing such vehicle for a continuous period of time longer than twenty-four (24) hours. (1980 Code, § 9-510, as replaced by Ord. #13-30, Sept. 2013)

15-611. **Parking adjacent to schools.** (1) The chief of police or his designee is hereby authorized to erect signs indicating no parking upon either or both sides of any street adjacent to any school property when such parking would, in its opinion, interfere with traffic or create a hazardous situation.

2. When official signs are posted indicating no parking upon either side of a street adjacent to any school property as authorized in this section, no person shall park a vehicle in any such designated place. (1980 Code, § 9-511, as replaced by Ord. #13-30, Sept. 2013)

15-612. **Parking on narrow streets.** (1) The chief of police or his designee is hereby authorized to erect signs indicating no parking upon any street when the width of the roadway does not exceed twenty feet (20'), or upon one (1) side of a street when the width of the roadway does not exceed thirty feet (30').

2. When official signs prohibiting parking are erected upon narrow streets as authorized in this section, no person shall park a vehicle upon any such street in violation of any such sign. (as added by Ord. #13-30, Sept. 2013)

15-613. **Stopping, standing or parking at hazardous or congested places.** (1) The mayor or his designee is hereby authorized to determine and designate by proper signs places not exceeding one hundred fifty feet (150') in length in which the stopping, standing or parking of vehicles would create an especially hazardous condition or would cause unusual delay to traffic.

2. When official signs are erected at hazardous or congested places as authorized in this section, no person shall stop, stand or park a vehicle in any such designated place. (as added by Ord. #13-30, Sept. 2013)
15-614. **Manner of parking generally.** Every vehicle stopped or parked upon a two-way roadway shall be so stopped or parked with the righthand wheels parallel to and within twelve inches (12") of the righthand curb or as close as practicable to the right edge of the righthand shoulder. (as added by Ord. #13-30, Sept. 2013)

15-615. **Occupancy of more than one space.** No person shall park a vehicle in any designated parking space so that any part of such vehicle occupies more than one (1) such space or protrudes beyond the official markings on the street or curb designating such space unless the vehicle is too large to be parked within a single designated space. (as added by Ord. #13-30, Sept. 2013)

15-616. **Parking prohibited at all times on certain streets.** (1) The mayor or his designee is hereby authorized to erect signs prohibiting parking at all times on streets as may become necessary based on an engineering and traffic investigation.

(2) When signs are erected giving notice thereof, no person shall park a vehicle at any time upon any street or portion thereof so signed. (as added by Ord. #13-30, Sept. 2013)

15-617. **Reserved parking for handicapped drivers.** (1) The mayor or his designee is hereby authorized to designate, by the installation of appropriate signs, parking spaces for the exclusive use of handicapped drivers in those areas where a significant demand for parking by such persons may exist.

(2) Any merchant or owner of a privately owned parking lot for use by the general public is hereby authorized to designate, by the installation of appropriate signs, parking spaces for the exclusive use of handicapped drivers.

(3) Where signs bearing an official symbol are erected designating reserved parking spaces for handicapped drivers, no person except handicapped drivers or qualified operators in the presence of and acting under the express direction of a handicapped driver shall stand or park a vehicle in any such space.

(4) Violators of this section may be issued a parking ticket attached to the vehicle or a citation to court.

(5) Anyone who violates the provisions of this section shall be guilty of a misdemeanor. (as added by Ord. #13-30, Sept. 2013)

15-618. **Parking on city property.** The mayor or his designee is hereby authorized to establish and enforce policies, rules and regulations for parking at city parks and buildings and all other municipally owned property and to erect signs prohibiting parking at such locations except in accordance with such policies, rules and regulations.
(1) The policies, rules and regulations established in accordance with this section by the mayor or his designee may include requirements for parking permits in designated areas during certain times.

(2) Any vehicle parking in violation of such policies, rules or regulations shall be towed away upon the request of the mayor or his designee or any law enforcement officer. The owner of any such vehicle shall be responsible for all towing charges and resulting storage charges. The towing of any such vehicle shall be in addition to the issuance of a citation or other penalty imposed on the owner or driver of the vehicle. (as added by Ord. #13-30, Sept. 2013)
CHAPTER 7
ENFORCEMENT

SECTION
15-701. Issuance of traffic citations.
15-702. Failure to obey citation.
15-703. Illegal parking.
15-704. Impoundment of vehicles.
15-706. Violation and penalty.

15-701. Issuance of traffic citations. When a police officer halts a traffic violator other than for the purpose of giving a warning, and does not take such person into custody under arrest, he shall take the name, address, and operator's license number of said person, the license number of the motor vehicle involved, and such other pertinent information as may be necessary, and shall issue to him a written traffic citation containing a notice to answer to the charge against him in the city court at a specified time. The officer, upon receiving the written promise of the alleged violator to answer as specified in the citation, shall release such person from custody. It shall be unlawful for any alleged violator to give false or misleading information as to his name or address. (1980 Code, § 9-601)

15-702. Failure to obey citation. It shall be unlawful for any person to violate his written promise to appear in court after giving said promise to an officer upon the issuance of a traffic citation, regardless of the disposition of the charge for which the citation was originally issued. (1980 Code, § 9-602)

15-703. Illegal parking. Whenever any motor vehicle without a driver is found parked or stopped in violation of any of the restrictions imposed by this code, the officer finding such vehicle shall take its license number and may take any other information displayed on the vehicle which may identify its user, and shall conspicuously affix to such vehicle a citation for the driver and/or owner to answer for the violation within a time specified in the citation. (1980 Code, § 9-603, modified)

15-704. Impoundment of vehicles. Members of the police department are hereby authorized, when reasonably necessary, to prevent obstruction of traffic, to remove from the streets and impound any vehicle whose operator is

1State law reference
arrested or any vehicle which is illegally parked, abandoned, or otherwise parked so as to constitute an obstruction or hazard to normal traffic. Any impounded vehicle left parked on any street or alley for more than seventy-two (72) consecutive hours without permission from the chief of police shall be presumed to have been abandoned if the owner cannot be located after a reasonable investigation. Such an impounded vehicle shall be stored until the owner claims it, gives satisfactory evidence of ownership and pays all applicable fines and costs. (1980 Code, § 9-604)

15-706. Violation and penalty. Any violation of this title shall be a civil offense punishable as follows:

(1) Traffic citations. Traffic citations shall be punishable by a civil penalty up to fifty dollars ($50.00) for each separate offense.

(2) Parking citations. (1) Parking meter. If the offense is a parking meter violation, the offender may, within the designated time, have the charge against him disposed of by paying to the city recorder a fine provided he waives his right to a judicial hearing.

(2) Other parking violations. For other parking violations, the offender may, within ten (10) days, have the charge against him disposed of by paying to the city recorder a fine of three dollars ($3.00) provided he waives his right to a judicial hearing. If he appears and waives his right to a judicial hearing after ten (10) days but before a warrant is issued for his arrest, his civil penalty shall be five dollars ($5.00). (1980 Code, § 9-603, modified)
CHAPTER 8
IMPOUNDMENT OF VEHICLES

SECTION
15-801. Impoundment of vehicles by police department.
15-802. Impoundment of vehicles by the codes department.

15-801. Impoundment of vehicles by police department. Members of the police department are hereby authorized, when reasonably necessary for the security of the vehicle or to prevent obstruction of traffic, to remove from the streets and impound any vehicle whose operator is arrested or any unattended vehicle which is parked, so as to constitute an obstruction or hazard to normal traffic. Any impounded vehicle shall be stored until the owner or other person entitled thereto claims it, gives satisfactory evidence of ownership or right to possession, and pays all applicable fees and costs or until it is otherwise lawfully disposed of. The fee for impounding a vehicle shall be equal to the fee charged by the wrecker service who tows the vehicle. The storage cost of the impounded vehicle shall be twenty-five dollars ($25.00) dollars per day for each motor vehicle stored in the impoundment lot. Any part of a day shall count as a whole day.

The owner or authorized agent shall pay the City of Portland all outstanding fees for towing and storage in order to claim the vehicle. The City of Portland will reimburse cost for towing associated with having the vehicle moved to the impound lot for storage. (as added by Ord. #16-44, Oct. 2016)

15-802. Impoundment of vehicles by the codes department. Code enforcement officers are hereby authorized to impound inoperative or unlicensed motor vehicles in accordance with the International Property Maintenance Code. Any impounded vehicle shall be stored until the owner or other entitled person claims it, gives satisfactory evidence of ownership or right to possession, and pays all applicable fees and associated cost until it is otherwise lawfully disposed of. A storage fee for the impounded vehicle of twenty-five dollars ($25.00) per day for each motor vehicle stored in the impoundment lot. Any part of a day shall count as a whole day.

The owner or authorized agent shall pay the City of Portland all outstanding fees for towing and storage in order to claim the vehicle. The City of Portland will reimburse cost for towing associated with having the vehicle moved to the impound lot for storage. (as added by Ord. #16-44, Oct. 2016)

his property any tree, shrub, sign, or other obstruction which prevents persons
driving vehicles on public streets or alleys from obtaining a clear view of traffic
when approaching an intersection. (1980 Code, § 12-103)

16-104. Projecting signs and awnings, etc., restricted. Signs,
awnings, or other structures which project over any street or other public way
shall be erected subject to the requirements of the building code.¹ (1980 Code,
§ 12-104)

16-105. Banners and signs across streets and alleys restricted. It
shall be unlawful for any person to place or have placed any banner or sign
across any public street or alley except when expressly authorized by the city
council after a finding that no hazard will be created by such banner or sign.
(1980 Code, § 12-105)

16-106. Gates or doors opening over streets, alleys, or sidewalks
prohibited. It shall be unlawful for any person owning or occupying property
to allow any gate or door to swing open upon or over any street, alley, or
sidewalk except when required by statute. (1980 Code, § 12-106)

16-107. Littering streets, alleys, or sidewalks prohibited. It shall
be unlawful for any person to litter, place, throw, track, or allow to fall on any
street, alley, or sidewalk any refuse, glass, tacks, mud, or other objects or
materials which are unsightly or which obstruct or tend to limit or interfere
with the use of such public ways and places for their intended purposes. (1980
Code, § 12-107)

16-108. Obstruction of drainage ditches. It shall be unlawful for any
person to permit or cause the obstruction of any drainage ditch in any public
right of way. From and after June 19, 1984, all drain tile utilized in the
construction of new driveways, or reconstruction of existing driveways, shall be
not less than twelve inches (12") in diameter, and that in areas of the city prone
to flooding in times of heavy rainfall the city, through the director of public
works, may require such drain tile to exceed twelve inches (12") in diameter. All
drainage tiles utilized in the construction of new driveways, or used in the
reconstruction of existing driveways shall be not less than 16 feet in length.
(1980 Code, § 12-108)

16-109. Abutting occupants to keep sidewalks clean, etc. The
occupants of property abutting on a sidewalk are required to keep the sidewalk

clean. Also, immediately after a snow or sleet, such occupants are required to remove all accumulated snow and ice from the abutting sidewalk. (1980 Code, § 12-109)

16-110. Parades, etc., regulated. It shall be unlawful for any club, organization, or similar group to hold any meeting, parade, demonstration, or exhibition on the public streets without some responsible representative first securing a permit from the recorder. No permit shall be issued by the recorder unless such activity will not unreasonably interfere with traffic and unless such representative shall agree to see to the immediate cleaning up of all litter which shall be left on the streets as a result of the activity. Furthermore, it shall be unlawful for any person obtaining such a permit to fail to carry out his agreement to clean up the resulting litter immediately. (1980 Code, § 12-110)

16-111. Operation of trains at crossings regulated. No person shall operate any railroad train across any street or alley without giving a warning of its approach as required by state law. It shall be unlawful to stop a railroad train so as to block or obstruct any street or alley for a period of more than five (5) consecutive minutes. (1980 Code, § 12-111, modified)

16-112. Animals and vehicles on sidewalks. It shall be unlawful for any person to ride, lead, or tie any animal, or ride, push, pull, or place any vehicle across or upon any sidewalk in such manner as unreasonably interferes with or inconveniences pedestrians using the sidewalk. It shall also be unlawful for any person knowingly to allow any minor under his control to violate this section. (1980 Code, § 12-112)

16-113. Fires in streets, etc. It shall be unlawful for any person to set or contribute to any fire in any public street, alley, or sidewalk. (1980 Code, § 12-113)
CHAPTER 2

EXCAVATIONS AND CUTS

SECTION
16-201. Permit required.  It shall be unlawful for any person, firm, corporation, association, or others, to make any excavation in any street, alley, or public place, or to tunnel under any street, alley, or public place without complying with the provisions of this chapter; and it shall also be unlawful to violate, or vary from the terms of any such permit; provided, however, any person maintaining pipes, lines, or any underground facilities in or under the surface of any street may proceed with an opening without a permit when emergency circumstances demand the work to be done immediately and a permit cannot reasonably and practicably be obtained beforehand. The person shall thereafter apply for a permit on the first regular business day on which the offices of the public works superintendent and the recorder are open for business, and said permit shall be retroactive to the date when the work was begun. (1980 Code, § 12-201)

16-202. Applications for permits. Applications for such permits shall be made to the public works superintendent, or such person as he may designate to receive such applications, and shall state thereon the location of the intended excavation or tunnel, the size thereof, the purpose thereof, the person, firm, corporation, association, or others doing the actual excavating, the name of the person, firm, corporation, association, or others for whom the work is being done, and shall contain an agreement that the applicant will comply with all

1State law reference
This chapter was patterned substantially after the ordinance upheld by the Tennessee Supreme Court in the case of City of Paris, Tennessee v. Paris-Henry County Public Utility District, 207 Tenn. 388, 340 S.W.2d 885 (1960).
ordinances and laws relating to the work to be done. Such application shall be rejected or approved by the public works superintendent within three (3) days of its filing. (1980 Code, § 12-202)

16-203. Fee. The fee for such permits shall be ten dollars ($10.00) for all excavations or tunnels, and permits shall not be issued until a surety bond has been received by the city recorder, for not less than $1,000.00 and not to exceed $5,000.00. This bond will insure the proper restoration of the ground and laying of the pavement, and amount of bond will be determined by the public works superintendent, to correspond with the type of work being done. (1980 Code, § 12-203)

16-204. Cutting of road. (1) If any blacktop should have to be cut, it must be back filled with crushed stone, within 2" of the top surface, and 2" of asphalt on top.

(2) Any gravel road that has to be cut, must be completely refilled with crushed stone.

(3) At no time shall more than one half of any road be cut, and cause traffic to be blocked.

(4) City of Portland Street Department will furnish a supervisor to inspect any road to be cut and the repair to specifications.

(5) Proper caution signs will be furnished by each utility and contractor to insure safety of the public. (1980 Code, § 12-204)

16-205. Manner of excavating--barricades and lights--temporary sidewalks. Any person, firm, corporation, association, or others making any excavation or tunnel shall do so according to the terms and conditions of the application and permit authorizing the work to be done. Sufficient and proper barricades and lights shall be maintained to protect persons and property from injury by or because of the excavation being made. If any sidewalk is blocked by any such work, a temporary sidewalk shall be constructed and provided which shall be safe for travel and convenient for users. (1980 Code, § 12-205)

16-206. Restoration of streets, etc. Any person, firm, corporation, association, or others making any excavation or tunnel in or under any street, alley, or public place shall restore it to its original condition. This shall be paid for by such person, firm, corporation, association, or others promptly upon the completion of the work for which the excavation or tunnel was made. In case of unreasonable delay in restoring the street, alley, or public place, the recorder shall give notice, on advice of the public works superintendent, to the person, firm, corporation, association, or others that unless the excavation or tunnel is refilled properly within a specified reasonable period of time, the municipality will do the work and charge the expense of doing the same to such person, firm, corporation, association, or others. If within the specified time the conditions
of the above notice have not been complied with, the work shall be done by the city, an accurate account of the expense involved shall be kept, and the total cost shall be charged to the person, firm, corporation, association, or others who made the excavation. (1980 Code, § 12-206)

16-207. **Insurance.** The applicant for a permit under this chapter shall submit satisfactory evidence that he has sufficient assets or insurance to indemnify the city for any costs, losses or liabilities that it may incur by reason of such excavation, and to satisfy any judgments or liabilities arising out of the excavation. (1980 Code, § 12-207)

16-208. **Time limits.** Each application for a permit shall state the length of time it is estimated will elapse from the commencement of the work until the restoration of the surface of the ground pavement, or until the refill is made ready for the pavement to be put on by the municipality if the municipality restores such surface pavement. It shall be unlawful to fail to comply with this time limitation unless permission for an extension of time is granted by the superintendent of public works. (1980 Code, § 12-208)

16-209. **Enforcement and penalties.** Any person or persons violating this chapter shall be deemed guilty of a misdemeanor and, upon conviction, shall be punished by a fine not less than twenty-five dollars ($25.00) nor more than fifty dollars ($50.00). (1980 Code, § 12-209)

(13) "Private premises." Any dwelling, house, building, or other structure, designed or used either wholly or in part for private residential purposes, whether inhabited or temporarily or continuously uninhabited or vacant, and shall include any yard, grounds, walk, driveway, porch, steps, vestibule, or mailbox belonging or appurtenant to such dwelling, house, building, or other structure.

(14) "Producer." Either the person responsible for the ashes, garbage, refuse, trash, industrial waste, and any other waste material or the occupant of the place or building in which such is produced or in which the person responsible for such has a place of business or residence.

(15) "Public place." Any and all streets, sidewalks, boulevards, alleys, or other public ways and any and all public parks, squares, spaces, grounds, and buildings.
(16) "Refuse." All putrescible and nonputrescible solid wastes (except body waste) including garbage, trash, industrial waste, ashes, street cleanings, dead animals, and abandoned automobiles.

(17) "Residential establishments." Shall include single- or multiple-family dwelling units up to and including apartment's complexes, condominiums, or mobile home parks of four units or less.

(18) "Trash." Non-putrescible solid wastes consisting of both combustible and noncombustible wastes such as paper, boxes, cloth, wrappings, crates, grass clippings, cuttings, leaves, glass, and similar material. It shall not include bulky refuse meaning stoves, refrigerators, water tanks, washing machines, furniture, automotive parts, tires, bedding, furnaces, or similar bulky material having weight greater than fifty (50) pounds and/or a volume greater than thirty (30) gallons. Trash shall be divided into three (3) categories:

(a) Household trash - waste accumulation of paper, sweepings, dust, rags, bottles, cans or other matter of any kind, other than garbage, which is usually attendant to housekeeping.

(b) Yard trash - cuttings, leaves, grass clippings, etc. resulting from normal maintenance and care of landscaped, manicured grounds and lawns but does not include cuttings and leaves from that portion of grounds that have been left in its natural state without annual maintenance.

(c) Business trash - shall mean any waste accumulation of dust, paper, cardboard, excelsior, rags, or other accumulations other than garbage, household trash, or industrial waste which are usually attendant to the operation of stores, offices, and similar businesses.

(19) "Vacant property." Shall mean all parcels of land without any permanent dwelling or business structure that have remained vacant for a period of two (2) year without routine maintenance to the yard and grounds. This shall also include portions of grounds and/or yards left in their natural state. (1980 Code, § 8-102, as replaced by Ord. #18-19, April 2018)

17-103. Storage. Each owner, occupant, or other responsible person using or occupying any building within the city where refuse, except brush, accumulates or is likely to accumulate is required to store such refuse in closed containers suitable for pickup and disposal by private or public means in compliance with federal, state, and local laws and regulations that are approved by the city. (1980 Code, § 8-103, as replaced by Ord. #18-19, April 2018)

17-104. Rules and regulations to implement chapter. The public works director may make such necessary or desirable rules and regulations as are not inconsistent with the provisions of this chapter in order to aid in its administration and in order to insure compliance and enforcement. (1980 Code, § 8-104, as replaced by Ord. #18-19, April 2018)
17-105. **Brush hauling.** (1) The city may schedule periodic pickup of brush and limbs generated from the premises of owners or occupants of real property located within the city limits.

(2) If the property owner cuts or trims shrubs on their property the City of Portland, in accordance with the current policy, will haul off the cuttings; if the Portland property owner hires/contracts anyone to cut or trim their trees or shrubs, it will be the contractor's responsibility to dispose of the cuttings.

(1980 Code, § 8-105, as replaced by Ord. #18-19, April 2018)

17-106. **Manner of loading, moving and carrying materials, garbage, etc., and tracking of foreign material.** The owner, lessee, or operator of every vehicle engaged in hauling any sand, gravel, dirt, stone, rock, brick, coal, limestone, limestone dust, asphalt, garbage, trash, or any material which may, as a result of such vehicle's movement, be likely to blow, fall, or be scattered on or along city streets and alleys shall maintain such a vehicle in a secure condition and shall direct and supervise the loading of said vehicle in such a manner as to prevent any portion of such materials, products, or substances from falling, blowing, or being scattered on city streets or alleys as per current TDOT standards. Nor shall garbage or other materials offensive to the sight or smell be removed or carried on or along the streets and alleys of the city unless it be in trucks having watertight beds or boxes with proper cover.

(1980 Code, § 8-106, as replaced by Ord. #18-19, April 2018)

17-107. **Accumulation of decaying vegetables or fruits in railroad cars is prohibited, and debris from railroad cars must be disposed of in approved containers.** It shall be unlawful for any person having possession and control of any decaying or damaged vegetables of fruits to permit the same to remain in any railroad car or elsewhere within the city for twelve (12) hours after such fruit and vegetables shall be found to be in decaying or damaged condition. If any such vegetables or fruits are not removed immediately upon notice to a dumping area previously designated as such by the public works director, the police chief shall have the same removed at the cost of the person having possession of the same. Debris from railroad cars must be disposed of in approved containers.

(1980 Code, § 8-107, as replaced by Ord. #18-19, April 2018)

17-108. **Miscellaneous prohibited dispositions of refuse.** No person shall place any refuse in any street, alley, or other public place or upon any private property, whether owned by such person or not, within the city except it be in proper containers for collection or under express approval granted by the public works director. Nor shall any person throw or deposit any refuse in any stream, drainage way, or body of water.

Any unauthorized accumulation of refuse on any premises is hereby declared to be a nuisance and is prohibited. Failure to remove any existing
accumulation of refuse within fourteen (14) days after the effective date of this chapter shall be deemed violation of this chapter.

No person shall cast, place, sweep, or deposit anywhere within the city any refuse in such a manner that it may be carried or deposited by the elements upon any street, sidewalk, alley, drainage way, sewer, parkway, or other public place, or into any occupied premises, within the city. (1980 Code, § 8-108, as replaced by Ord. #18-19, April 2018)

17-109. Exclusive collection. It shall be unlawful for any person other than the city or its authorized contractor to engage in the business of collecting, removing, and disposing of refuse in the city except those private collectors specifically authorized by the city. The city shall establish rules and regulations to be adopted by the city council to govern the activities of such private collectors. This does not prohibit establishments from collecting and hauling their own refuse so long as such refuse is stored, collected, and hauled as prescribed in this chapter. (1980 Code, § 8-109, as replaced by Ord. #18-19, April 2018)

17-110. Premises to be kept clean and containers required. All persons within the city are required to keep their premises in a clean and sanitary condition, free from the accumulation of refuse except when stored as provided in this chapter.

It shall be the duty of every person in possession, charge, or control of any premises of a residential establishment, where garbage or trash containers, specified herein, for the deposit of garbage and trash generated on the premises. (1980 Code, § 8-110, as replaced by Ord. #18-19, April 2018)

17-111. Authority of city to confiscate, etc. unsatisfactory containers. Containers used for the deposit of garbage in a city purchased ninety-six (96) gallon roll-away cart, business trash, and/or household trash shall be in such good condition that collection thereof shall not injure the person collecting the contents nor be unsuitable for the healthful and sanitary storage of refuse substances. The city is hereby authorized to confiscate or to remove unsatisfactory containers from the premises of residential establishments that do not comply with the requirements of this article; city shall replace damaged carts in accordance with Resolution #12-70 at no charge to the customer. (1980 Code, § 8-111, as replaced by Ord. #18-19, April 2018)

17-112. Proximity of other personal effects. Garbage and trash shall not be stored in close proximity to other personal effects which are not desired to be collected but shall be reasonably separated in order that the collector can clearly distinguish between what is to be collected and what is not to be collected. Personal effects stored or placed within three feet of a container or
pile of trash shall be prima facie presumed to be to be garbage or trash. (as added by Ord. #18-19, April 2018)

17-113. Residential containers, storage, and requirements. Authorized residential containers shall be as defined in § 17-102 herein. Lids or covers of such containers shall be kept tightly closed and water tight at all times other than when refuse is being deposited therein or removed therefrom. Refuse may be stored for collection in the following manner: Garbage and household trash shall be stored in a city purchased ninety-six (96) gallon roll-away cart.

(1) Small limbs and twigs, grass clipping, small amounts of leaves and vines shall be stored in disposable containers such as plastic bags with no container exceeding fifty (50) pounds in weight when full.
(2) Leaves may be placed in plastic bags or paper at the curbside for collection.
(3) Cuttings of brush, limbs, and shrubbery shall be stored in neat piles with large ends toward the street. Each tree and shrubbery branch and limb shall be cut in lengths of not more than four feet (4'); and stumps, branches, and limbs shall weigh no more than twenty-five (25) pounds each.
(4) Items of trash too large to place in a container but weighing no more than fifty (50) pounds and/or having a volume of no more than thirty (30) gallons shall be stored in neat piles for collection.
(5) Cold ashes shall be stored in containers not to exceed ten (10) gallons in volume separate from other garbage and trash and shall be collected on a schedule developed by the public works director. (as added by Ord. #18-19, April 2018)

17-114. Nonresidential establishment containers, storage, and requirements. Refuse produced by keepers and/or owners of nonresidential establishments shall be stored for collection in the following manner:

(1) A bulk container as defined in § 17-102(4), required for all nonresidential establishments as defined in § 17-102(11), which produce garbage and/or trash. Those nonresidential establishments using authorized residential containers prior to the adoption of this ordinance are exempted from using a bulk container so long as the accumulation of their garbage and trash between scheduled pickups can be stored in two (2) or less residential containers. A need for more than one (1) container will require that establishment to acceptable bulk container.
(2) The minimum facilities for any bulk container(s) will be a paved pad with the size determined by the public works director.
(3) The public works director may exempt nonresidential establishments from use of bulk containers if the volume of garbage and trash does not justify such use (volume which can be contained by two (2) or less
ninety-six (96) gallon containers) and/or if no suitable site for bulk container(s) can be found.

(4) Appeal procedure for disputes between owner and the public works director. Within ten (10) days after the mailing of the notice, or the service thereof, of the public works director's decision, the keepers or owners of the nonresidential establishment may appeal to the City of Portland Council for a hearing to contest the decision. (as added by Ord. #18-19, April 2018)

17-115. Residential collection practices: garbage collection frequency, placement, etc. (1) Ashes, garbage, and household trash shall be collected from each residential establishment at least once a week. The public works director is authorized and directed to prepare schedules for regular collection of refuse.

(2) Residential collection shall be made from curbside and approved city alleys. Where there is no alley or curbside, containers shall be located at pavement edge or as indicated by the public works director. Alley collection service may be denied to residential establishments by the public works director if such alley is not easily accessible to the city garbage truck.

(3) Domestic producers of ashes, garbage, and household trash shall provide sufficient container space to hold one week's accumulation of refuse not to exceed two (2) authorized residential containers.

(4) All residents, except those approved for special assistance due to age, disability, or illness (or as listed in (5) below), shall place their wheeled containers at curbside or street side no later than 6:00 A.M. on the date of anticipated collection. Where streets are used by the refuse collectors, containers shall be placed adjacent to and back of the curb, or adjacent to and back of the street pavement line if there is no curb, at such times as shall be scheduled by the city for the collection of refuse therefrom. As soon as practicable, but no later than 7:30 P.M., after such containers have been emptied, they shall be removed by the owner or occupant to within, or to the rear of, the premises and away from the street line until the next scheduled time for collection.

(5) Application for exemption to the requirements of (4) above may be made by any resident who is unable to push the container to the curb due to age, infirmity, illness, or disability and who does not have an able-bodied person in the residence. A doctor's statement may be required by the solid waste division for backyard pickup.

(6) Failure to comply. Any person or agent thereof, who shall fail, neglect, or refuse to comply with the provisions of this chapter, specifically §§ 17-103 and 17-104, shall be deemed to be guilty of a misdemeanor and shall be punishable under § 17-115. (as added by Ord. #18-19, April 2018)

17-116. Residential collection practices: trash collection frequency, placement, and producer's responsibility. (1) Trash shall be
collected from each residential establishment on a schedule developed by the public works director.

(2) Trash collection shall be made from curbside only. Where there is no curb, containers and/or refuse shall be located as indicated in § 17-115(2).

(3) Leaves placed in plastic bags for collection shall be collected at curbside only. The placing of leaves in public streets, gutters or over storm drains is expressly prohibited. Collection of leaves, during the leaf season, shall be provided to each residential establishment as often as possible.

(4) Trash or any other refuse not stored and placed as provided in §§ 17-110 through 17-116 shall be removed from the premises by producer at his expense. The following items of refuse shall also be removed by the owner and/or producer at their expense:

   (a) Building material as defined in § 17-102, whether generated by the contractor or the owner or any other person.
   (b) Garden refuse as defined in § 17-102.
   (c) Refuse including brush, leaves, stumps, vines, or any materials resulting from the cleaning or the clearing of vacant property as defined in § 17-102, whether such cleaning or clearing was done by a contractor or by the owner or any other person.
   (d) Any refuse so resulting from the maintenance of yard, grounds, and residences such as refuse removed from the property after the owner was ordered to remove such refuse by the city health inspector or any other authorized city official.
   (e) Automobile, truck, tractor, and other vehicle tires and any other motor vehicle parts shall be disposed of by owner or producer.
   (f) Any trash pushed or pulled into piles by mechanical means shall be disposed of by owner or producer.
   (g) Any trash resulting from work performed by contractors or any other person for economic gain, whether such gain is in the form of cash or barter, shall be removed by the owner, occupant, or producer all landlord, clean-outs or evictions shall be removed at owners expense as defined in §§ 17-103 and 17-104.
   (h) Any other trash or refuse, except certain household items and appliances weighing in excess of fifty (50) pounds or having a volume of more than thirty (30) gallons, shall be removed by the producer. (as added by Ord. #18-19, April 2018)

17-117. Nonresidential collection practices: garbage and trash collection frequency, placement, etc. The City of Portland does not provide nonresidential collection (outside city limits customers). (as added by Ord. #18-19, April 2018)

17-118. Industrial waste. The collection and disposal of industrial waste shall be the responsibility of the owner, lessee, occupant, or producer. The
city does not provide service to industrial businesses. (as added by Ord. #18-19, April 2018)

17-119. Hazardous refuse. No hazardous refuse, as defined in § 17-102, shall be placed in any receptacle, container, or unit used for refuse collection by the city. The collection and disposal of such refuse shall be the responsibility of the owner, lessee, occupant, or producer. (as added by Ord. #18-19, April 2018)

17-120. Cardboard boxes and cartons. Prior to being deposited as refuse for collection in approved containers, all cardboard boxes, cartons, and crates shall be completely collapsed. (as added by Ord. #18-19, April 2018)

17-121. Containers. (1) The city will offer suitable new ninety-six (96) gallon containers for sale at the prevailing rate, payable to the City of Portland Utility Office. Presentation of a valid receipt to the public works director will cause the container to be delivered to the city address shown on the receipt. The cart purchased is the responsibility of the customer for any loss or stolen issues.

(2) It shall be mandatory that all refuse picked up by the city be first placed in wheeled refuse containers approved by the city as follows:

(a) Each owner, occupant, or other responsible person, as aforesaid, shall be responsible for keeping the refuse container clean and sanitary in compliance with health and sanitation requirements and shall keep container lids closed at all times. The container shall not be filled to overflowing. No refuse shall be placed in the container until such refuse has been drained of all free liquids.

(b) The city shall be responsible for replacing the refuse container if it becomes damaged or dilapidated to the point where it cannot be safely dumped by equipment used by the city for that purpose.

(c) Each owner, occupant, or other responsible person using or occupying any dwelling and/or building within the city limits shall be limited to a maximum of two (2) ninety-six (96) gallon wheeled refuse containers, except as allowed in § 17-123(4) and shall pay the most recent price paid by the city for each wheeled refuse container purchased from the city. (as added by Ord. #18-19, April 2018)

17-122. Disturbing containers. No unauthorized person shall uncover, rifle, pilfer, dig into, turn over, or in any other manner disturb or use any refuse container belonging to another. This section shall not be construed to prohibit the use of public refuse containers for their intended purpose. (as added by Ord. #18-19, April 2018)

17-123. Collection service. (1) Supervision and control. Collection, conveyance, and disposal of refuse by the city shall be done regularly in
accordance with an announced schedule under the supervision of the superintendent of public works or his designee.

(2) A refuse collection fee at the prevailing rate per month for two (2) refuse container for commercial customers receiving refuse collection service from the City of Portland, Tennessee, is hereby established. Said refuse collection fee shall be billed to each such owner, occupant, and entity monthly on the utility billing from the City of Portland, Tennessee. Failure to pay said refuse collection fee shall result in discontinuance of water and gas service pursuant to §§ 18-113 and 18-114 of the Portland Municipal Code and the procedures set out in Tennessee Code Annotated,§ 65-32-104 and 105 which are hereby adopted and incorporated herein by reference.

(3) Collection of excess refuse. Each owner, occupant, or other responsible person using or occupying any building or other premises where more refuse accumulates each week than can be stored in two (2) wheeled containers must make other arrangements for collection and disposal of such excess refuse in a manner conforming with provisions of this chapter.

(4) Multifamily dwellings may purchase and use additional wheeled refuse containers not to exceed a maximum of twenty (20) wheeled refuse containers. This provision is to serve small apartment complexes of twenty (20) or less units. Such multifamily dwellings shall be provided once per week pickup service with all refuse containers to be brought to a central pickup point as designated by the public works director. (as added by Ord. #18-19, April 2018)

17-124. Failure to comply. Any person, persons, firm, association, corporation, or agent thereof who shall fail, neglect, or refuse to comply with the provisions of this chapter, specifically §§ 17-103 and 17-104, shall be deemed to be guilty of a misdemeanor and shall be punishable under the general penalty clause of this code. (as added by Ord. #18-19, April 2018)

17-125. Bulky and nonburnable items. The city will, on a regular route, pick up bulky and nonburnable, nonbusiness items such as furniture, refrigerators, mattresses, and any other items that are not accepted by the Sumner County Resource Authority. (as added by Ord. #18-19, April 2018)

17-126. Property partially within the city limits. In the event real property is located partially within the city limits of Portland with a residential building thereon which is located outside of the city limits of Portland, the owner thereof can receive refuse and brush/limb collection service for the residential building in strict accordance with this chapter, upon the owner paying to the City of Portland an advance fee of two hundred dollars ($200.00) for each year or portion of a year refuse and brush/limb collection service is provided. This fee shall be in addition to all other fees and charges set out in this chapter applicable to refuse and brush/limb collection service. The term
residential building herein shall be limited to single-family dwellings only. (as added by Ord. #18-19, April 2018)

17-127. Disposal - at a proper resource recovery energy production facility. All solid waste collected by any person, firm, or entity within the boundaries of the city shall be delivered to the proper resource recovery for processing. (as added by Ord. #18-19, April 2018)

17-128. Refuse collection fee. A refuse collection fee shall be charged at the prevailing rate per month per refuse container for all owners, occupants, and entities receiving refuse collection service from the city is hereby established. Said refuse collection fee shall be billed to each such owner, occupant, and entity monthly on the utility billing from the city. Failure to pay said refuse collection fee shall result in discontinuance of water and gas service pursuant to §§ 18-113 and 18-114 of the Portland Municipal Code and the procedures set out in Tennessee Code Annotated, §§ 65-32-104 and 65-32-105 which are hereby adopted and incorporated herein by reference. 18-101. **Application and scope.** The provisions of this chapter are a part of all contracts for receiving water and/or sewer service from the city and shall apply whether the service is based upon contract, agreement, signed application, or otherwise. (1980 Code, § 13-101)

18-102. **Definitions.** (1) "Customer" means any person, firm, or corporation who receives water and/or sewer service from the city under either an express or implied contract.

(2) "Household" means any two (2) or more persons living together as a family group.

(3) "Service line" shall consist of the pipe line extending from any water or sewer main of the city to private property. Where a meter and meter box are located on private property, the service line shall be construed to include the pipe line extending from the city's water main to and including the meter and meter box.

(4) "Discount date" shall mean the date ten (10) days after the date of a bill, except when some other date is provided by contract. The discount date is the last date upon which water and/or sewer bills can be paid at net rates.

(5) "Dwelling" means any single structure, with auxiliary buildings, occupied by one or more persons or households for residential purposes.

(6) "Premises" means any structure or group of structures operated as a single business or enterprise, provided, however, the term "premise" shall not include more than one (1) dwelling. (1980 Code, § 13-102)

18-103. **Obtaining service.** A formal application for either original or additional service must be made and be approved by the city before connection or meter installation orders will be issued and work performed. (1980 Code, § 13-103)

18-104. **Application and contract for service.** Each prospective customer desiring water and/or sewer service will be required to sign a standard form of contract before service is supplied. If, for any reason, a customer, after signing a contract for service, does not take such service by reason of not
occupying the premises or otherwise, he shall reimburse the city for the expense incurred by reason of its endeavor to furnish said service.

The receipt of a prospective customer's application for service, regardless of whether or not accompanied by a deposit, shall not obligate the city to render the service applied for. If the service applied for cannot be supplied in accordance with the provisions of this chapter and general practice, the liabilities of the city to the applicant shall be limited to the return of any deposit made by such applicant. (1980 Code, § 13-104)

18-105. **Service charges for temporary service.** Customers requiring temporary service shall pay all costs for connection and disconnection incidental to the supplying and removing of service in addition to the regular charge for water and/or sewer service. (1980 Code, § 13-105)

18-106. **Connection charges.** Service lines will be laid by the city from its mains to the property line at the expense of the applicant for service. The location of such lines will be determined by the municipality.

Before a new water or service line will be laid by the city, the applicant shall make a deposit equal to the estimated cost of the installation.

This deposit shall be used to pay the cost of laying such new service line and appurtenant equipment. If such cost exceeds the amount of the deposit, the applicant shall pay to the city the amount of such excess cost when billed therefor. If such cost is less than the amount of the deposit, the amount by which the deposit exceeds such cost shall be refunded to the applicant.

When a service line is completed, the city shall be responsible for the maintenance and upkeep of such service line from the main to and including the meter and meter box, and such portion of the service line shall belong to the city. The remaining portion of the service line beyond the meter box (or property line, in the case of sewers) shall belong to and be the responsibility of the customer. (1980 Code, § 13-106)

18-107. **Fluoridation of public water.** The water department of the City of Portland is hereby authorized and instructed to make plans for the fluoridation of the water supply of the city; to submit such plans to the Department of Health of the State of Tennessee for approval, and upon approval to add such chemical as fluoride to the water supply in accord with such as will adequately provide for the fluoridation of said water supply. (1980 Code, § 13-107)
18-108. **Water and sewer main extensions.** Persons desiring water and/or sewer main extensions must pay all of the cost of making such extensions.

For water main extensions cement-lined cast iron pipe, class 150 American Waterworks Association Standard or other construction approved by the city council, not less than six (6) inches in diameter shall be used to the dead end of any line and to form loops or continuous lines, so that fire hydrants may be placed on such lines at locations no farther than 1,000 feet from the most distant part of any dwelling structure and no farther than 600 feet from the most distant part of any commercial, industrial, or public building, such measurements to be based on road or street distances; cement-lined cast iron pipe or other construction approved by the superintendent of waterworks two (2) inches in diameter, to supply dwellings only, may be used to supplement such lines. For sewer main extensions eight-inch pipe of vitrified clay or other construction approved by the superintendent shall be used.

All such extensions shall be installed either by city forces or by other forces working directly under the supervision of the city in accordance with plans and specifications prepared by an engineer registered with the State of Tennessee.

Upon completion of such extensions and their approval by the city, such water and/or sewer mains shall become the property of the city. The persons paying the cost of constructing such mains shall execute any written instruments requested by the city to provide evidence of the city's title to such mains. In consideration of such mains being transferred to it, the city shall incorporate said mains as an integral part of the city water and sewer systems and shall furnish water and sewer service therefrom in accordance with these rules and regulations, subject always to such limitations as may exist because of the size and elevation of the mains. (1980 Code, § 13-108)

18-109. **Variances from and effect of preceding section as to extensions.** Whenever the city council is of the opinion that it is to the best interest of the city and its inhabitants to construct a water and/or sewer main extension without requiring strict compliance with the preceding section, such extension may be constructed upon such terms and conditions as shall be approved by the city council.

The authority to make water and/or sewer main extensions under the preceding section is permissive only and nothing contained therein shall be construed as requiring the city to make such extensions or to furnish service to any person or persons. (1980 Code, § 13-109)

Construction of building sewers: title 18, chapter 2.
18-110. Meters. (1) All meters shall be installed, tested, repaired, and removed only by the city.

(2) No one shall do anything which will in any way interfere with or prevent the operation of a meter. No one shall tamper with or work on a water meter without the written permission of the city. No one shall install any pipe or other device which will cause water to pass through or around a meter without the passage of such water being registered fully by the meter.

(3) Tampering with utility equipment or stealing service will be grounds for discontinuance of utility service. Theft of service shall include, but not be limited to the following:

(a) Opening valves at the curb or meter that have been turned off by utility personnel;
(b) Breaking, picking or damaging cutoff locks;
(c) By-passing meters in any way;
(d) Taking unmetered water from hydrants by anyone other than an authorized official of a recognized fire department, fire insurance company or utility for any purpose other than fire fighting, testing or flushing of hydrants;
(e) Use of sprinkler system water service for any purpose other than fire protection;
(f) Removing, disabling or adjusting meter registers, or transmitters;
(g) Connecting to or intentionally damaging water lines, valves or other appurtenances for the purpose of stealing or damaging utility equipment;
(h) Moving the meter or extending service without permission of the utility;
(i) Any other intentional act of defacement, destruction or vandalism to utility property or act that affects utility property;
(j) Any intentional blockage or obstruction of utility equipment.

(4) A "notice of violation" may be mailed or otherwise delivered at the discretion of the public works director if:

(a) Evidence suggests the possibility of theft of utility service at the customer's premises;
(b) The violation does not constitute an immediate threat of safety or equipment integrity to the system.

The customer will be ordered to immediately cease any unlawful practice.

(5) No "notice of violation" will be mailed or delivered and customer service is subject to immediate cutoff in any of the following situations:

(a) In the opinion of the public works director, theft of service is definitely evident on the customer's premises;
(b) When in the opinion of the public works director a situation exists that may endanger public health.
18-6

(6) In addition, the customer will be subject to a two hundred dollar ($200.00) violation payment as well as service call charges, labor and replacement parts as detailed by the utility.

(7) If the utility determines theft of service has occurred, it reserves the right to adjust the customer's current bill and the bills for the past twelve (12) months' usage. If the approximate amount of service that was stolen cannot be reasonably determined, the customer's usage will be set at two to four (2-4) times the minimum bill, as set on a case by case basis by the governing board of the utility according to the facts of each case.

(8) Service will not be restored until all payments for the following are received by the utility:
   (a) Adjusted payment for utility service;
   (b) Violation payment (see section (6) above);
   (c) All service call charges;
   (d) Labor;
   (e) Replacement parts;
   (f) Reinstatement of service charge.

(9) Service will be reinstated only during regular working hours, Monday through Friday, except in the case of an emergency.

(10) Discontinuance of service by the utility shall not release the customer from liability for payment for service already received or from liability from payments that thereafter become due under the minimum bill provisions or other provisions of the customer's contract. (1980 Code, § 13-110, as amended by Ord. #12-08, March 2012)

18-111. Meter tests. The city will, at its own expense, make routine tests of meters when it considers such tests desirable.

In testing meters, the water passing through a meter will be weighed or measured at various rates of discharge and under varying pressures. To be considered accurate, the meter registration shall check with the weighed or measured amounts of water within the percentage shown in the following table:

<table>
<thead>
<tr>

<td>5/8&quot;, 3/4&quot;, 1&quot;, 2&quot;</td>

The city will also change meters and make tests or inspections of its meters at the request of the customer at no cost to the customer. (1980 Code, § 13-111, as amended by Ord. #544, Sept. 1997; and Ord. #595, § 1, Feb. 1999)

18-112. Multiple services through a single meter. No customer shall supply water or sewer service to more than one dwelling or premise from a
single service line and meter without first obtaining the written permission of the city.

Where the city allows more than one dwelling or premise to be served through a single service line and meter, the amount of water used by all the dwellings and premises served through a single service line and meter shall be allocated to each separate dwelling or premise served. The water and/or sewer charges for each such dwelling or premise thus served shall be computed just as if each such dwelling or premise had received through a separately metered service the amount of water so allocated to it, such computation to be made at the city's applicable water rates schedule, including the provisions as to minimum bills. The separate charges for each dwelling or premise served through a single service line and meter shall then be added together, and the sum thereof shall be billed to the customer in whose name the service is supplied. (1980 Code, § 13-113)

18-113. Billing. Bills for residential water and sewer service will be rendered monthly.

Bills for commercial and industrial service may be rendered weekly, semimonthly, or monthly, at the option of the city.

Both charges shall be collected as a unit; no city employee shall accept payment of water service charges from any customer without receiving at the same time payment of all sewer service charges owed by such customer. Water service may be discontinued for non-payment of the combined bill.

Water and sewer bills must be paid on or before the due date shown thereon; otherwise, a penalty of ten percent (10%) for each delinquent month shall be charged on each such bill. Failure to receive a bill will not release a customer from payment obligation, nor extend the discount date.

In the event a bill is not paid on or before five (5) days after the due date, a written notice shall be mailed to the customer. The notice shall advise the customer that his service may be discontinued without further notice if the bill is not paid in full on or before ten (10) days after the due date. The city shall not be liable for any damages resulting from discontinuing service under the provisions of this section, even though payment of the bill is made at any time on the day that service is actually discontinued.

Should the final date of payment of bill at the net rate fall on Sunday or a holiday, the business day next following the final date will be the last day to obtain the net rate. A net remittance received by mail after the time limit for payment at the net rate will be accepted by the city if the envelope is date-stamped on or before the final date for payment of the net amount.

If a meter fails to register properly, or if a meter is removed to be tested or repaired, or if water is received other than through a meter, the city reserves the right to render an estimated bill based on the best information available. (1980 Code, § 13-114)
18-114. Discontinuance or refusal of service. The municipality shall have the right to discontinue water and/or sewer service or to refuse to connect service for a violation of, or a failure to comply with, any of the following:

(1) These rules and regulations.
(2) The customer's application for service.
(3) The customer's contract for service.

Such right to discontinue service shall apply to all service received through a single connection or service, even though more than one (1) customer or tenant is furnished services therefrom, and even though the delinquency or violation is limited to only one such customer or tenant.

Discontinuance of service by the city for any cause stated in these rules and regulations shall not release the customer from liability for service already received or from liability for payments that thereafter become due under other provisions of the customer's contract. (1980 Code, § 13-115)

18-115. Re-connection charges. Whenever water service has been discontinued as provided for above, a re-connection charge shall be collected by the city before service is restored. (1980 Code, § 13-116)

18-116. Termination of service by customer. Customers who have fulfilled their contract terms and wish to discontinue service must give at least three (3) days written notice to that effect unless the contract specifies otherwise. Notice to discontinue service prior to the expiration of a contract term will not relieve the customer from any minimum or guaranteed payment under such contract or applicable rate schedule.

When service is being furnished to an occupant of premises under a contract not in the occupant's name, the city reserves the right to impose the following conditions on the right of the customer to discontinue service under such a contract:

(1) Written notice of the customer's desire for such service to be discontinued may be required; and the city shall have the right to continue such service for a period of not to exceed ten (10) days after receipt of such written notice, during which time the customer shall be responsible for all charges for such service. If the city should continue service after such ten (10) day period subsequent to the receipt of the customer's written notice to discontinue service, the customer shall not be responsible for charges for any service furnished after the expiration of the ten (10) day period.

(2) During the ten (10) day period, or thereafter, the occupant of premises to which service has been ordered discontinued by a customer other than such occupant, may be allowed by the city to enter into a contract for service in the occupant's own name upon the occupant's complying with these rules and regulations with respect to a new application for service. (1980 Code, § 13-117)
18-117. **Access to customers' premises.** The city's identified representatives and employees shall be granted access to all customers' premises at all reasonable times for the purpose of reading meters, for testing, inspecting, repairing, removing, and replacing all equipment belonging to the city, and for inspecting customers' plumbing and premises generally in order to secure compliance with these rules and regulations. (1980 Code, § 13-118)

18-118. **Inspections.** The city shall have the right, but shall not be obligated, to inspect any installation or plumbing system before water and/or sewer service is furnished or at any later time. The city reserves the right to refuse service or to discontinue service to any premises not meeting standards fixed by city ordinances regulating building and plumbing, or not in accordance with any special contract, these rules and regulations, or other requirements of the city.

Any failure to inspect or reject a customer's installation or plumbing system shall not render the city liable or responsible for any loss or damage which might have been avoided, had such inspection or rejection been made. (1980 Code, § 13-119)

18-119. **Customer's responsibility for system's property.** Except as herein elsewhere expressly provided, all meters, service connections, and other equipment furnished by or for the city shall be and remain the property of the city. Each customer shall provide space for and exercise proper care to protect the property of the city on his premises. In the event of loss or damage to such property, arising from the neglect of a customer to care for same, the cost of necessary repairs or replacements shall be paid by the customer. (1980 Code, § 13-120)

18-120. **Customer's responsibility for violations.** Where the city furnishes water and/or sewer service to a customer, such customer shall be responsible for all violations of these rules and regulations which occur on the premises so served. Personal participation by the customer in any such violations shall not be necessary to impose such personal responsibility on him. (1980 Code, § 13-121)

18-121. **Supply and resale of water.** All water shall be supplied within the city exclusively by the city and no customer shall, directly or indirectly, sell, sublet, assign, or otherwise dispose of the water or any part thereof, except with written permission from the city. (1980 Code, § 13-122)

18-122. **Unauthorized use of or interference with water supply.** No person shall turn on or turn off any of the city's stop cocks, valves, hydrants, spigots, or fire plugs without permission or authority from the city. (1980 Code, § 13-123)
18-123. Limited use of unmetered private fire line. Where a private fire line is not metered, no water shall be used from such line or from any fire hydrant thereon, except to fight fire or except when being inspected in the presence of an authorized agent of the city.

All private fire hydrants shall be sealed by the city, and shall be inspected at regular intervals to see that they are in proper condition and that no water is being used therefrom in violation of these rules and regulations. When the seal is broken on account of fire, or for any other reason, the customer taking such service shall immediately give the city a written notice of such occurrence. (1980 Code, § 13-124)

18-124. Damages to property due to water pressure. The city shall not be liable to any customer for damages caused to his plumbing or property by high pressure, low pressure, or fluctuations in pressure in the city's water mains. (1980 Code, § 13-125)

18-125. Liability for cutoff failures. The city's liability shall be limited to the forfeiture of the right to charge a customer for water that is not used but is received from a service line under any of the following circumstances:

1. After receipt of at least ten (10) days' written notice to cut off water service, the city has failed to cut off such service.
2. The city has attempted to cut off a service but such service has not been completely cut off.
3. The city has completely cut off a service, but subsequently, the cutoff develops a leak or is turned on again so that water enters the customer's pipes from the city's main.

Except to the extent stated above, the city shall not be liable for any loss or damage resulting from cutoff failures. If a customer wishes to avoid possible damage for cutoff failures, the customer shall rely exclusively on privately owned cutoffs and not on the city's cutoff. Also the customer (and not the city) shall be responsible for seeing that his plumbing is properly drained and is kept properly drained, after his water service has been cut off. (1980 Code, § 13-126)

18-126. Restricted use of water. In times of emergencies or in times of water shortage, the city reserves the right to restrict the purposes for which water may be used by a customer and the amount of water which a customer may use. (1980 Code, § 13-127)

18-127. Interruption of service. The city will endeavor to furnish continuous water and sewer service, but does not guarantee to the customer any fixed pressure or continuous service. The city shall not be liable for any damage for any interruption of service whatsoever.
In connection with the operation, maintenance, repair, and extension of the city water and sewer systems, the water supply may be shut off without notice when necessary or desirable and each customer must be prepared for such emergencies. The city shall not be liable for any damage from such interruption of service or for damages from the resumption of service without notice after any such interruption. (1980 Code, § 13-128)

18-128. **Schedule of rates.** All water and sewer service shall be furnished under such rate schedules as the city may from time to time adopt by appropriate ordinance or resolution.¹ (1980 Code, § 13-112)

18-129. **[Deleted.]** This section was deleted by Ord. #01-21, July 2001. (1980 Code, § 13-129, as amended by Ord. #553, Dec. 1997, and deleted by Ord. #01-21, July 2001)

18-130. **Water shortage.** (1) **Declaration of policy, purpose, and intent.**

Purpose: To achieve the greatest public benefit from domestic water use, sanitation, and fire protection, and to provide water for other purposes in an equitable manner, the City of Portland, Tennessee adopts the following regulations and restrictions on the delivery and consumption of water.

This section is hereby declared necessary for the preservation of public health, safety, and welfare and shall take effect upon its passage by the council of the City of Portland, Tennessee.

Whenever, in the judgment of the governing body of the City of Portland, Tennessee, it becomes necessary to conserve water in the service area, due to drought, the mayor of Portland, Tennessee is authorized to issue a Declaration that existing conditions prevent fulfillment of the usual water-use demands. The Declaration will be an attempt to prevent depleting the water supply to the extent that water-use for human consumption, sanitation, fire protection, and other essential needs become endangered. Immediately upon the issuance of such a Declaration, regulations and restrictions set forth under this section shall become effective and remain in effect until the water shortage is terminated and the Declaration rescinded.

Water uses, regulated or prohibited under this section are considered to be non-essential and continuation of such uses during times of water shortage are deemed to constitute a waste of water, subjecting the offender(s) to penalties (§ 18-130(8)).

The provisions of this section shall apply to customers of the City of Portland, Tennessee.

¹Administrative ordinances and resolutions are of record in the recorder's office.
(2) Definitions. For the purposes of this section, the following definitions shall apply:

(a) "Conservation." Reduction in water use to prevent depletion or waste of the resource.

(b) "Customer." Any person, company, or organization using water supplied by the City of Portland, Tennessee.

(c) "Domestic water use." Water use for personal needs or for household purposes such as drinking, bathing, heating, cooking, sanitation, including employees' use in business, industry, or institution.

(d) "Management phases."

(i) "Conservation." A conservation phase exists when specific factors or conditions, such as deficiencies in rainfall and runoff, a decline in soil moisture, lower ground water levels, increasing daily water demands, reduced storage, below normal water supply and/or inadequate water quality conditions, and possible-conflicts among various water user groups. Water use would be reduced by fifteen (15) percent and has been verified by best available information.

(ii) "Restrictions." A restrictions phase exists when characterized by a continued decline in available water supplies and water quality. Water use would be reduced by thirty (30) percent use during this phase, and has been verified by best available information.

(iii) "Emergency." An emergency phase exists when a water supply shortage situation characterized by severe water supply and water quality problems due to serious resource limitations which are well below the level needed to meet economically and socially important needs. Water use would be reduced by sixty (60) percent or more to alleviate these shortages. In addition to drought induced, a water supply emergency may be caused by a tornado, storm, flood, wind, earthquake, landslide, snowstorm, fire, explosion, civil disorder, dam failure, hazardous materials spill, power failure, nuclear attack or other catastrophes.

(e) "Even numbered address." Street addresses, box numbers or rural route numbers ending in 0, 2, 4, 6, 8, or letters A-M; and locations without addresses.

(f) "Institutional water use." Water used by government, public and private educational institutions, public medians and rights of way, churches and places of worship, water utilities, and other lands, buildings, and organizations.

(g) "Landscape water use." Water used to maintain gardens, trees, lawns, shrubs, flowers, athletic fields, rights of way and medians.

(h) "Odd numbered address." Street addresses, box numbers or rural route numbers ending in 1, 3, 5, 7, 9, or letters N-Z.
(i) "Water Management Advisory Group." A committee composed of local representatives, created for the purpose of coordinating responses to water shortages.

(j) "Water shortage." Lack of adequate available water to meet normal demands due to lower than normal precipitation, reduced stream flows or soil moisture, water levels in wells which cause water supplies to be less than usual, major water line breaks, chemical spills, etc., resulting in reduced water supplies.

(3) Water use classification system. (a) First class essential water uses. ("First Class Essential Water Uses" should correspond to the classification system established in the system's drought and emergency management plan.)

(b) Second class essential water uses. ("Second Class Essential Water Uses" should correspond to the classification system established in the system's drought or emergency management plan.)

(c) Third class essential water uses. ("Third Class Essential Water Uses" should correspond to the classification system established in the system's drought or emergency management plan.)

(d) Non-essential water uses. ("Non-Essential Water Uses" should correspond to the classification system established in the system's drought and emergency management plan.)

(4) Management phases. Three levels of water management are established: "Conservation," "Restrictions," and "Emergency." Declarations issued by the City of Portland shall specify the water management phase in effect and undertake the appropriate water management activities.

(a) Drought alert provisions and implementation. When a local, regional or statewide "Drought Alert" is issued by the Tennessee Office of Water Management, the City of Portland will begin, if not already underway, regular monitoring of supply and demand conditions applicable to the City of Portland. Users of the system will be alerted to the activation possibility of the water shortage management plan. Notice will be made to a newspaper of general circulation within the affected community or area. In addition, the City of Portland will encourage water users to assess their use of water.

(b) Conservation phase provisions. If conditions indicate that a moderate water shortage condition is present and is expected to persist, the City of Portland shall activate those requirements outlined in this section to reduce water use.

(i) Goal. (A) An overall water use reduction of fifteen (15) percent. Voluntary water use reductions would be requested for essential, economic, and social uses.

(B) Non-essential water uses would be banned.

(ii) General response. Issue a declaration of water shortage in a newspaper of general circulation within the affected
community and region. This statement shall specify that conservation phase measures are necessary and shall include the list of non-essential water uses.

(iii) Restrictions applying to non-essential uses.

(A) Outdoor noncommercial. Water use for irrigating gardens (except handheld), lawns, parks, golf courses (except greens), playing fields and other recreation areas, and street washing.

(B) Ornamental. Water use for fountains, reflecting pools, and artificial waterfalls.

(C) Swimming pools. Water use for private pools serving less than 25 dwelling units.

(D) Motor vehicle washing. Water use for the washing of privately owned cars and trucks.

(c) Restrictions phase provisions. If conditions indicate that a severe water shortage condition is present and is expected to persist the City of Portland shall activate those requirements outlined in this section to curtail water uses.

(i) Goal. An overall water use reduction of thirty (30) percent. Voluntary water use reductions would be requested for essential uses. Non-essential water uses would be banned, resulting in a 100 percent overall class reduction. Curtailments in a second and third class essential water uses would be required resulting in a seventeen (17) percent combined class reduction.

(ii) General responses.

(A) Issue a declaration of water shortage in a newspaper of general circulation within the affected community and region. This statement shall specify that a restrictions phase is in effect and shall include the list of banned uses, and the list of restricted water uses.

(B) Require customers of the City of Portland to comply with the listed water-use bans and restrictions in all categories while severe drought conditions exist.

(iii) Restrictions applying to second and third class essential water uses:

(d) **Emergency phase provisions.** If conditions indicate that an extreme water shortage condition is present the City of Portland shall activate the provisions outlined in this section to curtail water use. Water-use restrictions imposed during extreme water shortage conditions are mandatory.

(i) **Goal.**

(A) An overall water use reduction of sixty (60) percent; only first class essential water uses would be allowed.

(B) All other water uses would be prohibited.

(ii) **General responses.**

(A) Issue a declaration of water shortage in a newspaper of general circulation within the affected community and region. This statement shall specify that an emergency phase is in effect. It shall include the list of banned water uses.

(B) Require customers of the City of Portland to comply with the listed water-use restrictions in all categories while extreme water shortage conditions exist.

(iii) **Restrictions applying to second and third class essential water uses.**

(5) **Water management advisory group.** The Water Management Advisory Group shall consist of five (5) members, representing various local interest groups. The representatives shall be appointed by administrative body
and serve a term of five years. Terms should be staggered, beginning on October 1 of each year. Regular, annual meetings should be held to review the plan, meeting more frequently as necessary upon the onset of each drought.

The Water Management Advisory Group shall evaluate water supply conditions to determine if conditions satisfy water shortage management, triggering points as identified in the local drought management plan. The advisory group shall consider:

(a) The effectiveness of the local water shortage ordinance and plan in protecting and insuring adequate water supplies;
(b) Water supply conditions (existing and forecasted); and
(c) Other relevant information.

The Water Management Advisory Group shall consult with and invite participation by the general public affected, as well as with interest group representatives.

(6) Shortage water rates (stand-by rates). Upon the declaration of a water shortage, the City of Portland shall utilize shortage water rates to water conservation of water supplies. (Such rates may provide for, but not be limited to:

(a) Higher charges per unit for increasing usage (increasing block rates);
(b) Uniform charges for water usage per unit of use (uniform unit rate);
(c) Extra charges for use in excess of a specified level (excess demand surcharge; or
(d) Discounts for conserving water beyond specified levels. This section includes an example of an "excess use or surcharge" structure.)

In the event of a water shortage and activation of the "restrictions" phase, the City of Portland is hereby authorized to monitor water use and limit households to 70 gallons per household member per day. Domestic water use above this limit will be subject to a surcharge of $25.00 per 1,000 gallons. The City of Portland is hereby authorized to monitor water use and limit households to 40 gallons per household member per day under an "emergency" phase. Domestic water use above this limit will be subject to a surcharge of $50.00 per 1,000 gallons. Institutional, commercial, industrial, and recreational water users will be subject to water use surcharges of $100.00 per 1,000 gallons of water used if the City of Portland deems that adequate conservation measures have not been implemented.

(7) Rationing. (Water Supply Systems relying on rationing to reduce water use will need to include a section in their ordinance dealing with rationing.)

In the event of a declared drought the City of Portland issues a declaration of water shortage specifying either a restrictions phase or
Emergency phase. The City of Portland is hereby authorized to ration water in accordance with the following conditions:

(a) **Residential water customers and allotments.**

(i) The number of permanent residents in each dwelling unit (household) will determine the amount of water that each household will be allowed.

(ii) Each dwelling unit (household) shall be allotted 70 gallons per day for each resident of the household under "restrictions" and 40 gallons per day for each resident of the household under "emergency" conditions. Households with only one permanent resident will have a daily allotment of 55 gallons per day under "emergency" conditions.

(iii) Residential water customers are required to provide city utility personnel with reasonable access to read meters as necessary to this rationing declaration. Where access is not readily available, all reasonable efforts to contact customers in order to arrange for access to read meters shall be made. In the event a water customer does not allow entry to read the meter after reasonable efforts to arrange for such access, the dwelling unit (household) allotment will be reduced to 55 gallons per day.

(iv) (A) Where the residential water allotment provided under this section would create an "extraordinary hardship," as in the case of special health-related requirements, the water customer may apply to the water system for an exemption or variance from these requirements. If it is found that the allotment provided in this section would impose an extraordinary hardship, a revised allotment for the particular customer may be established.

(B) Any person aggrieved by a decision relating to such an exemption or variance rendered by the municipality rendering water service, may file a complaint with the city attorney. (The procedures for such a complaint may be described as):

A short, concise letter giving details as to why the water allotment is not sufficient, and why the extraordinary hardship exists so the information will be investigated.

(b) **Non-residential water customers and allotments.**

Non-residential customers include commercial, industrial, institutional, and public and all other such users, with the exception of hospitals and health care facilities.

Non-residential water customers shall further reduce their water usage to fifty (50) percent of use levels of ____________ (month, year).
It is the primary responsibility of each non-residential water customer to meet its mandated water use reduction goal in whatever manner possible.

The City of Portland will establish a water allotment for each non-residential water customer, based upon a required further reduction of water usage from the rate of water used by the customer in effect on [date], or the last recorded use level if no meter readings record the rate of the customer's use on [date].

Each non-residential water user shall provide access to water system personnel for purposes of meter reading and monitoring of compliance with this section. All reasonable efforts will be made to contact customers to arrange for access.

If the mandated further reduction in water usage cannot be obtained without imposing extraordinary hardship which threatens health and safety, the nonresidential customer may apply to the water system for a variance. For these purposes "extraordinary hardship" means a permanent damage to property or economic loss which is substantially more severe than the sacrifices borne by other water users subject to this water rationing ordinance. If the further reduction would cause an extraordinary hardship or threaten health or safety, a variance may be granted and a revised water use reduction requirement for the particular customer may be established.

(Any person aggrieved by a decision relating to such a variance rendered by a public utility may need to file a complaint with the appropriate body. The procedures for such a complaint may be described as follows:)

A letter addressed to the director of public works, with a copy to the mayor and city attorney, setting out in detail the reasons for variance from the restrictions. These reasons will be investigated.

(c) Water use rationing for hospitals and health care facilities. Hospitals and health care facilities shall comply with all restrictions imposed on residential and non-residential water customers as may be applicable to each individual institution, to the extent compliance will not endanger the health of its patients or residents to achieve a further reduction in the institution's water usage.

(8) Fines and penalties (failure to comply). Except as otherwise stated herein, violators of any provision of this section shall be penalized. The penalty for a person's first offense shall be $100. The penalty for a person's second offense shall be $200. Persons violating the section a third or more times within the same drought period will have water service disconnected for a period of five (5) days with a $300 reconnection fee.

The aforementioned fines and penalties may be in lieu of, or in addition to, any other penalty provided by law.
Services disconnected under such circumstances shall be restored only upon payment of a reconnection charge.

(9) **Monitoring and enforcement.** Law officers of the City of Portland police force shall, in addition to duties imposed by law, diligently enforce the provisions of this section.

Employees of the City of Portland, Department of Public Works, and Fire Department have the duty, and are hereby authorized to enforce the provisions of the section and shall have the power and authority to issue citations when violations of this section occur during any declared drought.

(10) **Exemptions (relief from compliance).** Customers not capable of reducing water use immediately, because of equipment damage or other extreme circumstances, shall reduce water use within twenty-four hours of a declaration of a water shortage, where provisions of this section apply to them and shall apply for and exemption from curtailment.

Customers requesting exemption from the provisions of this section shall file a petition for exemption with the City for Portland within three (3) days after such curtailment becomes effective.

When the section has been invoked by the mayor, all petitions for exemption shall be reviewed by the mayor. The City of Portland shall respond to requests for exemption within five (5) days of receipt of information or within twenty (20) days of declarations for the curtailment, whichever comes first. Petitions shall contain the following:

(a) Name and address of the petitioner(s).
(b) Purpose of water use.
(c) Specific provision form which the petitioner is requesting relief.
(d) Detailed statement as to how the declaration adversely affects the petitioner.
(e) Description of the relief desired.
(f) Period of time for which the exemption is sought.
(g) Economic value of the water use.
(h) Damage or harm to the petitioner or others if petitioner complies with section.
(i) Restrictions with which the petitioner is expected to comply and the compliance date.
(j) Steps the petitioner is taking to meet the restrictions from which exemption is sought and the expected date of compliance.
(k) Other pertinent information.

In order for an exemption to be granted, petitioner must show one or more of the following conditions:

(i) Compliance with the section cannot be technically accomplished during the duration of the water shortage.
(ii) Alternative methods can be implemented which will achieve the same level of reduction in water use.
(iii) An extraordinary hardship can be shown. The City of Portland may, in writing, grant temporary exemptions for existing water uses otherwise prohibited under the section if it is a condition adversely affecting health, sanitation, or fire protection for the public or the petitioner and if one or more of the aforementioned conditions is met. The governing body of the City of Portland shall ratify or revoke any such exemption at their next scheduled meeting. Any such exemption so ratified may be revoked by later action of the governing body of the City of Portland.

No exemption shall be retroactive or otherwise justify any violation of this section occurring prior to the issuance of the exemption.

Exemptions granted by the ______ shall be subject to the following conditions, unless waived or modified by the ______.

(A) Exemptions granted shall include a timetable for compliance.

(B) Exemptions granted shall expire when the water shortage no longer exists.

(11) Activation and deactivation of management phases.

(a) Declaration of a drought. Whenever the City of Portland finds that a potential shortage of water supply is indicated, it shall be empowered to declare a drought exists, and that the water superintendent shall, daily, monitor the supply and demands upon that supply. In addition, the mayor is authorized to specify the management phase in effect and the measures to be employed by the system's customers. This Declaration shall be published in an official city newspaper, and may be publicized through the general news media or any other appropriate method for making such resolutions public.

(b) Termination of drought phases. Whenever the City of Portland finds that water supplies have returned to normal, it shall be empowered to replace or declare as ended by resolution any phase enacted. Such a declaration shall follow the same guidelines used for declaring a drought. (1980 Code, § 13-130)

\(^1\)Municipal code reference

Plumbing code: title 12.
18-201. **Purposes and policy.** This ordinance sets forth uniform requirements regulating the use of public sewers and private wastewater disposal means; the installation and connection of building sewers; the discharge of wastewater into the Publicly Owned Treatment Works (POTW) of the City of Portland, Tennessee (City); and establishes mechanisms for the collection of fees from customers to offset expenses incurred for the privilege of using the POTW, a valuable and limited asset. This ordinance shall supersede and replace ordinance No. 299 passed December 7, 1981; ordinance No. 328 passed January 15, 1985; ordinance No. 465 passed March 7, 1994; and ordinance No. 00-26 passed June 4, 2001.

The objectives of this ordinance are:

1. To protect both city personnel, who may be affected by wastewater and sludge in the course of their employment, and the general public;
2. To protect the public health;
3. To provide problem free wastewater collection and treatment services;
4. To prevent the introduction of pollutants into the POTW that will interfere with its operation;
5. To prevent the introduction of pollutants into the POTW that will pass through the POTW, inadequately treated, into waters of the state, or otherwise be incompatible with the POTW;
6. To provide for full and equitable distribution of the cost of operation, maintenance, and improvement of the POTW;
(7) To provide a mechanism for the city to follow in the development of agreements with inter-municipal and satellite POTWs;

(8) To enable the city to comply with the objectives of the "Management, Operations, and Maintenance" Program, as adopted by the city and mandated by federal or state laws;

(9) To enable the city to comply with its National Pollutant Discharge Elimination System (NPDES) permit conditions, sludge use and disposal requirements, and any other federal or state laws to which the POTW is subject;

(10) To enable the city to comply with the provisions of the Clean Water Act (33 United States Code (U.S.C.) section 1251, et seq.), the General Pretreatment Regulations (40 Code of Federal Regulations (C.F.R.) part 403), including the city's "Enforcement Response Plan (ERP)" and "Industrial Pretreatment Program," and other applicable federal and state laws;

(11) To enable the city to improve its opportunity to recycle and reclaim wastewater, sludge, and other by-products of the POTW;

(12) To enable the city to comply with the provisions of "The Standard for the Use or Disposal of Sewage Sludge" -- 40 C.F.R. part 503, the city's "Biosolids Management Program," and other applicable federal and state laws; and

(13) To provide a mechanism for the city to assess and collect sewer fees for discharges into the POTW.

To meet these objectives, this ordinance sets forth the requirement that all persons in the service area of the city must have adequate wastewater collection for treatment, either in the form of a connection to the POTW or, where this connection is not practical, an appropriate private disposal system. This ordinance authorizes the issuance of permits to users of the POTW; sets limitations on user wastewater discharge volume and constituents; allows for monitoring, compliance, and enforcement activities; requires user reporting; and provides for the setting of fees for the full and equitable distribution of costs resulting from the programs established by the city in accordance to federal and state laws and/or mandates.

This ordinance shall apply to the City of Portland, Tennessee, and to users inside and/or outside the city who are, by contract or agreement with the city, users of the POTW. Except as otherwise provided herein, the superintendent shall administer, implement, and enforce the provisions of this ordinance. Any powers granted to or duties imposed upon the superintendent may be delegated by the superintendent to duly authorized city employees. This ordinance shall be enforced in full force in accordance to city, state, and federal laws, including an approved ERP as mandated by 40 C.F.R. part 403. (1980 Code, § 13-201, as replaced by Ord. #00-26, June 2001, and Ord. #10-25, Oct. 2010)
18-202. **Definitions.** Unless the context specifically indicates otherwise, the following terms and phrases, as used in this ordinance, shall have the meanings hereafter designated:

1. "Act" or "the Act." The Federal Water Pollution Control Act, also known as the Clean Water Act, as amended, 33 U.S.C. 1251, et seq.

2. "Approval authority." The Commissioner of the Tennessee Department of Environment and Conservation (TDEC) or the administrator of the EPA.

3. "Authorized or duly authorized representative of the user." (a) If the user is a corporation:

   (i) The president, secretary, treasurer, or vice-president of the corporation in charge of a principal business making function, or any other person who performs similar policy- or decision-making functions for the corporation; or

   (ii) The manager of one (1) or more manufacturing, production, or operating facilities, provided, the manager is authorized to make management decisions which govern the operation of the regulated facility including having the explicit or implicit duty of making major capital investment recommendations, and initiate and direct other comprehensive measures to assure long-term environmental compliance with environmental laws and regulations; can ensure that the necessary systems are established or actions taken to gather complete and accurate information for control mechanism requirements; and where authority to sign documents has been assigned or delegated to the manager in accordance with corporate procedures.

(b) If the user is a partnership or sole proprietorship: a general partner or proprietor, respectively.

(c) If the user is a federal, state, or local governmental facility: a director or highest official appointed or designated to oversee the operation and performance of the activities of the government facility, or their designee.

(d) A duly authorized representative of the individual described in subsections (a), (b) and (c) of this section if:

   (i) The authorization is made in writing by the individual described in subsections (a), (b) and (c) of this section;

   (ii) The authorization specifies either an individual or a position having responsibility for the overall operation of the facility from which the discharge originates or having overall responsibility for environmental matters for the company; and

   (iii) The written authorization is submitted to the city.

4. "Available user." Any person who has availability to connect to the city's POTW but has been granted waiver by the supervisor of collection.
(5) "Baseline monitoring report." A report submitted by industrial users to the city, used by the city to identify those users in need of pretreatment to come into compliance with categorical pretreatment standards.

(6) "Best Management Practices (BMPs)." The schedules of activities, prohibitions of practices, maintenance procedures, and other management practices to implement the prohibitions and limitations listed in §§ 18-218 through 18-221 of this chapter (40 C.F.R. 403.5(a)(1) and (b)). BMPs include treatment requirements, operating procedures, and practices to control plant site runoff, spillage or leaks, sludge or waste disposal, or drainage from raw materials storage.

(7) "Biochemical Oxygen Demand (BOD)." The quantity of oxygen utilized in the biochemical oxidation of the organic matter under standard laboratory procedures for five (5) days at twenty (20°) C (degrees centigrade), expressed as concentration (milligrams per liter (mg/L)).

(8) "Building drain." The part of the lower horizontal piping of a drainage system that receives the discharge from soil, waste, and other drainage pipes inside the walls of the building and conveys it to the building sewer, beginning five feet (5') outside the face of the building wall.

(9) "Building sewer." The extension from the building drain to the public sewer or other place of disposal.

(10) "Categorical industrial user." An industrial user subject to a categorical pretreatment standard or categorical standard.

(11) "Categorical pretreatment standard" or "categorical standard." Any regulation containing pollutant discharge limits promulgated by the EPA in accordance with sections 307(b) and (c) of the Act (33 U.S.C. section 1317) that apply to a specific category of users and that appear in 40 C.F.R. chapter I, subchapter N, parts 405-471.

(12) "Chain of custody." A record of each person involved in the possession of a sample from the person who collects the sample to the person who analyzes the sample in the laboratory.

(13) "Chemical Oxygen Demand (COD)." A measure of the oxygen required to oxidize all compounds, both organic and inorganic, in water.

(14) "City." The City of Portland, Tennessee, or the Mayor and the City Council of the City of Portland, or a duly authorized representative of the city.

(15) "Conventional pollutants." Defined in 40 C.F.R. 401.16 pursuant to section 304(a)(4) of the Act to be BOD, TSS, pH, fecal coliform bacteria, and Oil and Grease (O&G).

(16) "Control authority." The City of Portland, as a TDEC delegated control authority.

(17) "Daily maximum limit." The maximum allowable discharge limit of a pollutant during a calendar day. Where daily maximum limits are expressed in units of mass, the daily discharge is the total mass discharged over the course of the day. Where daily maximum limits are expressed in terms of a
concentration, the daily discharge is the arithmetic average measurement of the pollutant concentrations derived from all measurements taken that day.

(18) "Direct discharge." The discharge of wastewater directly into the waters of the State of Tennessee.

(19) "Domestic wastewater." Wastewater from normal residential activities including, but not limited to, wastewater from kitchen, bath and laundry facilities, or wastewater from the personal sanitary conveniences (toilets, showers, bathtubs, fountains, non-commercial sinks, and similar structures) of commercial, industrial or institutional buildings, provided that the wastewater exhibits characteristics which are similar to those of wastewater from normal residential activities, free from stormwater and industrial wastewaters.

(20) "Environmental Protection Agency (EPA)." The U.S. Environmental Protection Agency or, where appropriate, the term may also be used as designation for the administrator or other duly authorized official of the said agency.

(21) "Garbage." Solid wastes from the domestic and commercial preparation, cooking, and dispensing of food, and from the handling, storage, and sale of produce.

(22) "Grab sample." An individual sample that is taken from a wastestream without regard to the flow in the wastestream and over a period not to exceed fifteen (15) minutes.

(23) "Grease interceptor." A device with a capacity greater than seven hundred fifty (750) gallons designed and installed, in accordance with the city's plumbing code, to separate and retain for removal, by passive means, fats, oils, and grease. These devices are typically installed underground, exterior to the building.

(24) "Grease management program." A program developed by the city and administered by the industrial pretreatment coordinator with the overall aim of reducing the amount of Fats, Oils, and Greases (FOG) being discharged into the POTW. Requirements may include, but are not limited to, the use of grease interceptors, BMPs, prohibitions, general good housekeeping, and other educational and enforcement activities.

(25) "Holding tank waste." Any wastewater from holding tanks that have no direct connection to the POTW and is brought and discharged into the POTW, such as vessels, chemical toilets, campers, trailers, septic tanks, and vacuum pump tank trucks.

(26) "Indirect discharge." The introduction of pollutants into the POTW from any non-domestic source.

(27) "Industrial Pretreatment Coordinator (IPC)." The individual designated by the city to implement the state approved industrial pretreatment program and grease management program. The IPC is responsible for handling all aspects of these programs, as directed by the superintendent.

(28) "Industrial user." A source of indirect discharge.
(29) "Industrial wastewater." The wastewater from an industrial process, trade, or business that is distinct from domestic wastewater.

(30) "Influent technical review study." Investigation that may be initiated in the event analysis of WWTP influent for any pollutant listed in Table B of this ordinance exceeds eighty percent (80%) of the concentration value listed.

(31) "Instantaneous limit." The maximum concentration of a pollutant allowed to be discharged at any time, determined from the analysis of any discrete or composited sample collected, independent of the industrial flow rate and the duration of the sampling event.

(32) "Interference." A discharge which, alone or in conjunction with a discharge or discharges from other sources, inhibits or disrupts the POTW, its treatment processes or operations, or its sludge processes, use or disposal, or exceeds the design capacity of the treatment works or the collection system.

(33) "Local Hearing Authority (LHA)." The LHA for the city is a body appointed to hear appeals from orders, penalties, and other enforcement activities issued by the superintendent. This body shall be appointed by the mayor and may be made up of either the mayor and city council or a group of no more than five (5) people selected to act as duly authorized representatives of the aforementioned board. A quorum of this authority is understood to be two-thirds (2/3) of its total members.

(34) "Management, Operations, and Maintenance (MOM)." Program mandated by the approval authority to bring the POTW into full compliance with the Act by eliminating sanitary sewer overflows. The city fully intends to implement and document a formal MOM program specific to its POTW. The city also understands that this program needs to continuously evolve to meet changing system needs.

(35) "Monthly average limit." The highest allowable average of "daily discharges" over a calendar month, calculated as the sum of all "daily discharges" measured during a calendar month divided by the number of "daily discharges" measured during that month.

(36) "National Pollutant Discharge Elimination System (NPDES)." The federal program for issuing, modifying, revoking and reissuing, terminating, monitoring, and enforcing discharge permits to direct discharges into the waters of the state, and imposing and enforcing pretreatment requirements under sections 307, 318, 402, 405 of the Act as amended.

(37) "New source." (a) Any building, structure, facility or installation from which there is (or may be) a discharge of pollutants, the construction of which commenced after the publication of proposed pretreatment standards under section 307(c) of the Act that will be applicable to such source if such standards are thereafter promulgated in accordance with that section, provided that:

(i) The building, structure, facility, or installation is constructed at a site at which no other source is located; or
(ii) The building, structure, facility, or installation totally replaces the process or production equipment that causes the discharge of pollutants at an existing source; or

(iii) The production or wastewater generating processes of the building, structure, facility, or installation are substantially independent of an existing source at the same site. In determining whether these are substantially independent, factors such as the extent to which the new facility is integrated with the existing plant, and the extent to which the new facility is engaged in the same general type of activity as the existing source, should be considered.

(b) Construction of a site at which an existing source is located results in a modification rather than a new source if the construction does not create a new building, structure, facility, or installation meeting the criteria of subsections (a)(ii) or (iii) above but otherwise alters, replaces, or adds to existing process or production equipment.

(c) Construction of a new source as defined under this paragraph has commenced if the owner or operator has begun, or caused to begin, as part of a continuous on-site construction program:

   (i) Any placement, assembly, installation of facilities or equipment; or

   (ii) Significant site preparation work including clearing, excavation, or removal of existing buildings, structures, or facilities or equipment; or

   (iii) Entered into a binding contractual obligation for the purchase of facilities or equipment that is intended for use in its operation within a reasonable time. Options to purchase or contracts that can be terminated or modified without substantial loss, and contracts for feasibility, engineering, and design studies do not constitute a contractual obligation under this paragraph.

(38) "Noncontact cooling water." Water used for cooling which does not come into direct contact with any raw material, intermediate product, water product, or finished product.

(39) "Non-conventional pollutants." Those pollutants which do not fall under the conventional or toxic pollutant categories defined in this section, and include such parameters as ammonia, nitrogen, phosphorus, COD, and Whole Effluent Toxicity (WET).

(40) "North American Classification System (NAICS)." An industrial classification system that was developed by governments of Mexico, Canada, and the United States of America to provide common industrial definitions. This is a comprehensive system that groups establishments into industries based on their activities, production, and non-production.

(41) "Pass through." A discharge which exits the POTW into waters of the state or waters of the United States in quantities or concentrations which,
alone or in conjunction with a discharge or discharges from other sources, is a cause of a violation of any requirement of the city's NPDES permit, including an increase in the magnitude or duration of a violation.

(42) "Person." Any individual, partnership, co-partnership, firm, company, corporation, association, joint stock company, trust, estate, governmental entity, or any other legal entity; or their legal representatives, agents, or assigns. The masculine gender shall include the feminine; the singular shall include the plural where indicated by the context.

(43) "pH." A measure of the acidity or alkalinity of a solution, expressed in standard units.

(44) "Phenols." The total of the phenolic compounds as measured by the procedure listed in 40 C.F.R. 136.

(45) "Plant protection criteria." A set of calculated values for various pollutants (see Table B of this ordinance) that are determined to protect the POTW and its treatment processes.

(46) "Pollutant." Any dredged spoil, solid waste, incinerator residue, sewage, garbage, sewage sludge, munitions, chemical wastes, biological materials, radioactive materials, heat, wrecked or discarded equipment, rock, sand, cellar dirt, industrial, municipal, and agricultural wastes discharged into water, and certain characteristics of wastewater (e.g., pH, temperature, TSS, turbidity, color, BOD, COD, toxicity, odor, etc.).

(47) "Pollution." The man-made or man-induced alteration of the chemical, physical, biological, and radiological integrity of water.

(48) "Pretreatment" or "treatment." The reduction of the amount of pollutants, the elimination of pollutants, or the alteration of the nature of pollutant properties in wastewater prior to, or in lieu of, introducing such pollutants into the POTW. The reduction or alteration can be obtained by physical, chemical, or biological processes; by process changes; or by other means, except as prohibited by § 18-223 of this chapter.

(49) "Pretreatment requirements." Any substantive or procedural requirement related to pretreatment imposed on a user, other than a pretreatment standard.

(50) "Pretreatment standards" or "standards." Prohibited discharge standards, categorical pretreatment standards, and other specific discharge limits (§ 18-219 of this chapter) developed by the city to meet local, state, and federal ordinances and regulations.

(51) "Process wastewater." See wastewater.

(52) "Prohibited discharge standards" or "prohibited discharges." Absolute prohibitions against the discharge of certain substances; these prohibitions appear in § 18-218 of this chapter.

(53) "Public sewer." A sewer in which all owners of abutting properties have equal rights and is controlled by the city.
(54) "Public works office." The city department administered by the superintendent that is authorized with the duty to manage the daily operations of all public works for the city, i.e., water, sewer, gas, and street departments.

(55) "Publicly Owned Treatment Works (POTW)." A treatment works, as defined by section 212 of the Act (33 U.S.C. 1292), which is owned by the city. This definition includes any devices or systems used in the collection, storage, treatment, recycling, and reclamation of sewage or industrial wastes of a liquid nature. It also includes sewers, pipes, and other conveyances that convey wastewater to the POTW. The term also means the municipality as defined in section 502(4) of the Act, which has jurisdiction over the indirect discharges to and the discharges from such a treatment works.

(56) "Sanitary sewer." A pipeline or conduit that carries wastewater and into which stormwater, surface water, and groundwater are not intentionally admitted.

(57) "Sanitary Sewer Overflow (SSO)." The discharge of wastewater from any portion of the POTW into the environment other than through permitted outfalls.

(58) "Satellite POTW." A POTW owned and operated by another municipality, utility district, or private entity connected to the city's POTW and not possessing its own NPDES permit.

(59) "Sewage." Human excrement and gray water (household showers, dishwashing operation, etc.).

(60) "Shall" or "will" is mandatory; may is permissive.

(61) Significant Industrial User (SIU)."
(a) An industrial user subject to categorical pretreatment standards; or
(b) An industrial user that:
   (i) Has a reasonable potential in the opinion of the city to adversely affect the POTW's operation or for violating any pretreatment standard or requirement;
   (ii)Contributes a process wastestream which makes up five percent (5%) or more of the average dry weather hydraulic or organic capacity of the WWTP; or
   (iii) Discharges an average of twenty-five thousand (25,000) gallons per day or more of process wastewater to the POTW (excluding sanitary, noncontact cooling and boiler blowdown wastewater).

(62) "Slug load" or "slug discharge." Any discharge at a flow rate or concentration which could cause a violation of the prohibited discharge standards in § 18-218 of this chapter. A slug discharge is any discharge of a non-routine, episodic nature, including but not limited to an accidental spill or a non-customary batch discharge, which has a reasonable potential to cause interference or pass through, or in any other way violate the pretreatment
standards, IWDP conditions, and local, state, and federal ordinances and regulations.

(63) "Standard Industrial Classification (SIC)." A classification pursuant to the Standard Industrial Classification Manual issued by the Executive Office of the President, Office of Management and Budget, 1987, or subsequently amended.

(64) "State." State of Tennessee or TDEC, as a duly authorized representative of the state.

(65) "Stormwater." Any flow occurring during or following any form of natural precipitation, and resulting from such precipitation, such as snowmelt.

(66) "Storm sewer" or "storm drain." A pipe or conduit which carries stormwater and surface waters, excluding wastewaters; it may, however, carry noncontact cooling waters and unpolluted waters upon approval of the superintendent.

(67) "Superintendent." The duly authorized representative of the city in all matters regarding the POTW. The superintendent has complete oversight responsibility for all POTW operations, including the public works office, and to see that all local, state, and federal ordinances, regulations, and requirements are met. The superintendent's management authority includes but is not limited to: the supervisor of collections, the supervisor of wastewater treatment, and the industrial pretreatment coordinator. The superintendent may designate person(s) to serve in his absence when he is unable to perform his duties. Such instances shall include, but not be limited to, the superintendent being ill or on vacation.

(68) "Supervisor of collections." The individual designated by the city to oversee, manage, and operate the POTW collection system. The supervisor of collections is charged with certain duties and responsibilities, including the administration of the MOM program, by the superintendent, by this ordinance, and by certification of regulations stipulated in any state and/or federal credentials required to hold this position.

(69) "Supervisor of wastewater treatment." See WWTP chief operator.

(70) "Time proportional composite sample." A sample consisting of a series of equal volume sample portions collected at consistent time intervals, not less than fifteen (15) minutes, during which time the flow does not vary by more than ten percent (10%) of the average flow rate over the sampling period.

(71) "Total Kjeldahl Nitrogen (TKN)." The sum of organic nitrogen and ammonia in a water body, usually expressed as concentration (milligrams per liter (mg/L)).

(72) "Total Suspended Solids" or "suspended solids (TSS)." The total suspended matter that floats on the surface of, or is suspended in, water, wastewater, or other liquid, and which is removable by laboratory filtering.

(73) "Toxic pollutants." Those pollutants defined in section 307(a)(1) (33 U.S.C. 1317) of the Act that include metals and man-made organic compounds.
(74) "Twenty-four (24) hour flow proportional composite sample." A sample consisting of several sample portions collected during a twenty-four (24) hour period in which the portions of the sample are proportioned to the flow and combined to form a representative sample.

(75) "User." Any person who contributes, causes, or permits the contribution of wastewater into the city's POTW.

(76) "Wastewater." The liquid and water-carried industrial wastes and sewage from residential dwellings, commercial buildings, industrial facilities, and institutions, whether treated or untreated, which are contributed into the POTW.

(77) "Wastewater discharge permit." A legal mechanism issued by the city, to a user, to control the character of the user's wastewater discharge such as, but not limited to, pollutant and flow limitations, and any other prohibitions and limitations the city deems necessary to protect the POTW, any by-products of its processes, and waters of the state.

(78) "Wastewater Treatment Plant (WWTP)." That portion of the city's POTW designed to provide treatment to wastewater.

(79) "WWTP chief operator." The individual designated by the city to oversee, manage, and operate the WWTP. In holding this position, the WWTP chief operator is charged with certain duties and responsibilities by the superintendent, by this ordinance, and by certification of regulations stipulated in any state and/or federal credentials required to hold this position.

(80) "Waters of the state." All streams, lakes, ponds, marshes, watercourses, waterways, wells, springs, reservoirs, aquifers, irrigation systems, drainage systems, and all other bodies or accumulations of water, surface or underground, natural or artificial, public or private, which are contained within, flow through or border upon the state or any portion thereof. (1980 Code, § 13-202, as replaced by Ord. #00-26, June 2001, and Ord. #10-25, Oct. 2010, and amended by Ord. #16-49, Nov. 2016)

18-203. Requirements for proper wastewater disposal.

(1) It shall be unlawful for any person to place, deposit, or permit to be deposited any wastewater, human or animal excrement, garbage, or other objectionable waste, in any unsanitary manner on public or private property within the city.

(2) It shall be unlawful to discharge any wastewater, human or animal excrement, garbage, or other objectionable waste into any waters of the state, except when suitable treatment has been provided in accordance with provisions of this ordinance.

(3) Except as hereinafter provided, it shall be unlawful to construct or maintain within the city any privy, privy vault, septic tank, cesspool, or other facility intended or used for the disposal of wastewater.

(4) Except as provided in subsection (6) of this section, the owner of all houses, buildings, or properties used for human occupancy, employment,
recreation, or other purposes situated within the service area and abutting on any street, alley, or right-of-way in which there is now located or may in the future be located a public sanitary sewer, is hereby required at his expense to install suitable sanitary facilities therein, and to connect such facilities directly with the POTW in accordance with the provisions of this ordinance, within ninety (90) days after date of official notice to do so, provided that said public sanitary sewer is within three hundred feet (300') of the property line.

(5) The owner of a manufacturing facility may discharge wastewater to the waters of the state provided that the facility obtains an NPDES permit and meets all requirements of the Act, the NPDES permit, and any other applicable local, state, and federal laws and regulations.

(6) Where a public sanitary sewer is not available, the building sewer shall be connected to a private sewage disposal system complying with the provisions of §§ 18-208 and 18-209 of this chapter.

(7) The city shall develop a set of standard specifications for the construction of new sanitary sewers with the approval of the superintendent and the state. (1980 Code, § 13-203, as replaced by Ord. #00-26, June 2001, and Ord. #10-25, Oct. 2010, and amended by Ord. #16-49, Nov. 2016)

18-204. Physical connection to public sewer. (1) No person shall uncover, make any connections with or openings into, use, alter, or disturb any public sewer or appurtenance thereof without first obtaining written authorization from the city as required by §§ 18-215 or 18-216 of this chapter.

(2) Any person given permission by the city to uncover, make connection with or openings into, use, alter, or disturb any part of the POTW or appurtenance thereof that requires entrance into said POTW must adhere to all current federal, state, and local safety regulations, including but not limited to the city's "Confined Space Entry" Program requirements.

(3) All costs sustained from the installation, connection, and inspection of the building sewer shall be borne by the owner. The owner shall indemnify the city from any loss or damage that may directly or indirectly be caused by the aforementioned activities.

(4) A separate and independent building sewer shall be provided for every building; except where one building stands at the rear of another on an interior lot and no private sewer is available or can be constructed to a rear building through an adjoining alley, court, yard, or driveway. When an exception is approved by the supervisor of collections, the building sewer from the building may be extended to a rear building and the whole considered as one (1) building sewer. The city accepts no responsibility for any injury or damage caused by this type of building sewer installation.

(5) Old building sewers may be used in connection with new buildings only when they are found, on examination and tested by the supervisor of collections, to meet all requirements of this ordinance. All others must be sealed in accordance to the specifications of the city.
Building sewers shall conform to the following requirements:

(a) The minimum size of a gravity-building sewer shall be four inches (4”).
(b) The minimum depth of a building sewer shall be eighteen inches (18”).
(c) Four inch (4”) gravity-building sewers shall be laid on a grade of one-fourth inch (1/4”) per foot. Larger building sewers shall be laid on a grade that will produce a velocity when flowing full of at least two feet (2’) per second.
(d) Slope and alignment of all building sewers shall be neat and regular.
(e) Building sewers shall be constructed only of:
   (i) Schedule 40 polyvinyl chloride pipe with solvent welded or with rubber compression joints;
   (ii) Ductile iron pipe with push on joints; or
   (iii) Such other materials of equal or superior quality as may be approved by the supervisor of collections.
Under no circumstances will cement mortar joints be acceptable.
(f) A cleanout shall be located three feet (3’) outside of the building, at the tap to the POTW, and at each change of direction of the building sewer that is greater than forty-five degrees (45°). Additional cleanouts shall be placed not more than seventy-five feet (75’) apart in horizontal building sewers of four inch (4”) nominal diameter and not more than one hundred feet (100’) apart for larger pipes. Cleanouts shall extend to within six inches (6”) of the finished grade level and shall be protected by a plastic meter box with cast iron reader lid. A "T" (long sweep) or "Y" (wye and one-eighth (1/8) bend) shall be used for the cleanout base. Cleanouts shall not be smaller than four inches (4”) on a four inch (4”) pipe.
(g) Connections of building sewers to the POTW shall be made to the appropriate existing wye or tee branch using compression type couplings or collar type rubber joint with corrosion resisting or stainless steel bands. Where existing wye or tee branches are not available, connections of building services shall be made by either removing a length of pipe and replacing it with a wye or tee fitting or cutting a clean opening in the existing public sewer and installing a tee-saddle or tee-insert of a type approved by the supervisor of collections. Where connections are made with pipe of different inside or outside diameter, proper watertight gasketed or sleeved transition connections shall be used. All such connections shall be made gastight and watertight.
(h) The building sewer may be brought into the building below the basement floor when gravity flow from the building to the POTW is at a grade of one-fourth inch (1/4”) per foot (two percent (2%)) or more if possible. In cases where basement or floor levels are lower than the
ground elevation at the point of connection to the POTW, the owner shall
provide adequate precautions by installation of check valves or backflow
prevention devices to protect against flooding. In all buildings in which
any building drain is too low to permit gravity flow to the POTW, a
private sewage pumping station, as approved by the supervisor of
collections, shall be installed at the expense of the owner. Said pumping
station installation shall conform to the requirements of the building and
plumbing code or other applicable rules and regulations of the city or to
the procedures set forth in appropriate specifications of the ASTM and
Water Pollution Control Federation Manual of Practice No. 9.

(i) The building sewer shall be laid in a ditch no less than
twelve inches (12") in width. The pipe shall have no less than eight inches
(8") of #57 crushed stone as bedding. The building sewer shall be laid
according to grade and checked with rod and level or laser leveling device.
The person installing the building sewer may be asked to provide proof
of grade upon request by the supervisor of collections.

(j) The methods to be used in excavating, placing of pipe,
jointing, testing, backfilling the trench, or other activities in the
construction of a building sewer which have not been described above
shall conform to the requirements of the building and plumbing code or
other applicable rules and regulations of the city or to the procedures set
forth in appropriate specifications of the ASTM and Water Pollution
Control Federation Manual of Practice No. 9. The supervisor of collections
must approve any deviation from the prescribed procedures and materials
before installation.

(k) An installed building sewer shall be gas tight and
watertight. Tightness testing shall be performed in accordance with the
city's standard specifications for wastewater construction.

(7) All excavations for building sewer installations shall follow current
federal, state and local safety requirements including, but not limited to, safety
jacks, shores, and/or proper excavations; and be adequately guarded with
barricades and lights so as to protect the public from hazard. Streets, sidewalks,
parkways, and other public property disturbed in the course of the work shall
be restored in a manner satisfactory to the supervisor of collections.

(8) No person shall make connection to roof downspouts, exterior
foundation drains, areaway drains, basement drains, or other sources of
stormwater or groundwater to building sewer or building drain that in turn is
connected directly or indirectly to the POTW. (1980 Code, § 13-204, as replaced
by Ord. #566, § 1, April 1998, Ord. #00-26, June 2001, and Ord. #10-25, Oct.
2010)

18-205. Grease interceptor requirements. (1) Upon construction or
renovation, all commercial, industrial, institutional, and all other
non-residential establishments (e.g., restaurants, cafeterias, motels, hospitals,
garages, nursing homes, schools, grocery stores, prisons, churches, caterers, manufacturing facilities) that discharge FOG bearing wastewaters shall properly install, operate, and maintain grease interceptors in accordance with the city's grease management program.

(2) All existing commercial, industrial, institutional, and all other non-residential establishments (e.g., restaurants, cafeterias, motels, hospitals, garages, nursing homes, schools, grocery stores, prisons, churches, caterers, manufacturing facilities) that discharge FOG bearing wastewaters shall be expected to conduct their operations in such a manner that FOG is captured on the user's premises and properly disposed in accordance with the city's grease management program.

(3) Grease interceptors shall be designed in accordance with the requirements outlined in the city's grease management program. The cost of the installations shall be borne by the user.

(4) All grease interceptors shall be maintained by the user at the user's expense, in continuously efficient operation at all times, and according to the city's grease management program. In the maintenance of these interceptors, the owner shall be responsible for the proper removal and disposal of the captured material and shall maintain records of the dates and means of disposal; records are subject to review by the IPC. The frequency of removal shall be in accordance with the city's grease management program. The removal and/or disposal of collected materials must be performed by licensed waste disposal firms. Under no circumstances shall the collected materials ever be returned to the wastewater system.

(5) The IPC shall have the right to enter all properties subject to this program, at any time and without prior notification, for the purpose of inspection, observation, measurement, sampling, testing, or record review. Fees may be collected from users to compensate the city for the inspections and other administrative duties of the grease management program. The user shall reimburse the city for all expenses incurred including, but not limited to, labor, equipment, and materials if the city is required to clean out the public sewer, as a consequence of a blockage resulting from an improperly maintained grease interceptor of the user. (1980 Code, § 13-205, as replaced by Ord. #00-26, June 2001, and Ord. #10-25, Oct. 2010)

18-206. Inspection of connections. (1) All building sewers shall be inspected by the supervisor of collections or his duly authorized representative and subject to inspection and testing before the underground portion is covered.

(2) The applicant shall notify the city's public works office that the building sewer is ready for inspection. The public works office shall verify that all fees have been paid. If all fees have been paid, the public works office will contact the supervisor of collections and inform him that the building sewer is ready for inspection.
(3) The inspection result, pass or fail, shall be indicated by a sticker attached to the cleanout closest to the POTW. The applicant may cover up subsurface building sewer lines that pass inspection. The supervisor of collections will report subsurface building sewer lines that fail inspection to the public works and utility offices. Once the applicant has corrected the failed building sewer lines and is ready for re-inspection, the requirements set forth in subsection (2) of this section shall be followed. (1980 Code, § 13-206, as replaced by Ord. #00-26, June 2001, and Ord. #10-25, Oct. 2010)

18-207. Maintenance of building sewers. The POTW is a costly but valuable asset for all of its users. The capacity and cost of this service is directly affected by the regular building sewer maintenance conducted by the users of the POTW. Each user of the POTW shall be entirely responsible for the maintenance of the building sewer located on private property. This maintenance will include repair or replacement of the sewer line on private property up to the property line as deemed necessary by the supervisor to meet specifications of the city. If, upon smoke testing and/or visual inspection by the city, roof downspout connections; exterior foundation drains; basement drains; or other sources of stormwater, surface water, or groundwater entry into the POTW are identified on a user's private property, the city may take any of the following actions:

(1) Notify the user in writing of the nature of the problem(s) identified on the user's building sewer and the specific steps required to bring the building sewer into compliance with the requirements of this ordinance. All steps necessary to correct these violations must be complete within sixty (60) days from the date of the written notice. All costs incurred in correcting these violation(s) are entirely at the expense of the user.

(2) Notify the user in writing of the nature of the problem(s) identified on the user's building sewer and inform the user that the city will provide all labor, equipment, and materials necessary to make the repairs required to bring the building sewer into compliance with the requirements of this ordinance. The work on private property will be performed at the city's convenience and the cost of all materials used will be charged to the user. The city will be responsible for bringing any excavations back to original grade, replacing topsoil, and hand-raking all disturbed areas. The user shall be responsible for final landscaping, including but not limited to, seeding, fertilizing, watering, mulching, sodding, and replacing any shrubbery or trees displaced or damaged by the city during the execution of the work.

(3) Any person that requires entry into any part of the POTW or an appurtenance of the POTW to conduct any maintenance work must meet the requirements of § 18-204 of this chapter. (1980 Code, § 13-207, as replaced by Ord. #00-26, June 2001, and Ord. #10-25, Oct. 2010)
18-208. **Availability of public sewer.** (1) Where a public sanitary sewer is not available, the building sewer shall be connected to a private sewage disposal system complying with the provisions of § 18-209 of this chapter.

(2) Any residence, office, recreational facility, or other establishment used for human occupancy and the building drain is below the elevation necessary to obtain a grade equivalent to a one-eighth inch (1/8") per foot (one percent (1%)) in the building sewer, but is otherwise accessible to a sanitary sewer as provided in § 18-203 of this chapter, the owner shall provide a private sewage pumping station as required in § 18-204(6)(h) of this chapter.

(3) In the event a public sanitary sewer becomes available to a building, the building sewer shall be connected to that public sewer within ninety (90) days of notice from the city. The supervisor of collections shall maintain the right and discretion to temporarily waive the public sanitary sewer connection requirement, on a case-by-case basis, and under certain circumstances. If the supervisor of collections waives such requirement, the subject property owner (available user) shall be required to pay any and all applicable sewer use charges in accordance with the schedule of charges and fees. (1980 Code, § 13-208, as replaced by Ord. #00-26, June 2001, and Ord. #10-25, Oct. 2010, and amended by Ord. #16-49, Nov. 2016)

18-209. **Requirements for private sewage disposal.** (1) A private sewage disposal system may not be constructed in the city until a certificate is obtained from the superintendent stating that a public sanitary sewer is not accessible to the property and no such sanitary sewer is proposed for construction in the immediate future. No certificate shall be issued for any private sewage disposal system employing subsurface soil absorption facilities where the area of the lot is less than that specified by the Sumner County Health Department.

(2) Before commencement of construction of a subsurface soil absorption facility, the owner shall obtain written permission from the Sumner County Health Department. The owner shall supply all plans, specifications, and other information as deemed necessary by the Sumner County Health Department.

(3) A subsurface soil absorption facility shall not be placed in operation until the installation is completed to the satisfaction of the Sumner County Health Department. The owner shall allow the Sumner County Health Department to inspect the work at any stage of construction. The owner shall notify the Sumner County Health Department when the work is ready for final inspection and before any underground portions are covered. The inspection shall be made by the Sumner County Health Department within a reasonable period of time after the receipt of notice.

(4) The type, capacity, location, and layout or a private sewage disposal system shall comply with all recommendations of TDEC and/or the
Sumner County Health Department. No septic tank or cesspool shall be permitted to discharge directly to any waters of the state.

(5) The owner shall operate and maintain the private sewage disposal system in a sanitary manner at all times, at no cost to the city.

(6) No statement contained in this section shall be construed to interfere with any additional requirements that may be imposed by the Sumner County Health Department. (1980 Code, § 13-209, as replaced by Ord. #00-26, June 2001, and Ord. #10-25, Oct. 2010)

18-210. Requirements for satellite POTWs and inter-municipal agreements. The following requirements shall be followed in the development and implementation of all satellite and inter-municipal agreements entered into by the city with other municipalities that desire to connect to the city's POTW. The services offered by the city with its POTW are a valuable but limited asset developed by the city. Use of a portion of its POTW capacity should be viewed as a privilege that comes with certain requirements. All agreements should follow the general provisions of § 18-215 of this chapter.

(1) Agreements with satellite POTWs shall be developed in such a manner as to protect the city's POTW, its employees, and the environment;

(2) Agreements with satellite POTWs shall be developed to reflect the city's SUO including, but not limited to, its definitions, requirements, and regulations. The satellite POTW may be required to develop its own SUO and modify it to reflect the city's SUO when necessary;

(3) The city reserves the right to set discharge limits, for volume and/or pollutant concentration, on satellite POTWs including, but not limited to the requirements in §§ 18-218 through 18-219 of this chapter;

(4) The city shall have the right to administer its industrial pretreatment program unless the satellite POTW has its own state approved industrial pretreatment program;

(5) All satellite POTWs shall install and maintain a monitoring facility at a point just prior to the connection to the city's POTW. These facilities shall include an electronic flow measurement device and a discrete sampling point in accordance with § 18-225 of this chapter;

(6) The city and the satellite POTW shall develop a payment system for the collection of fees, from the satellite POTW or its users, to cover all costs incurred by the city for the use of its POTW and the treatment of the wastewater discharged from the satellite POTW. This payment system shall be reviewed and adjustments made by both parties, not less than bi-annually, to ensure that all cost for the services being extended to the satellite POTW are being covered by their fees;

(7) The satellite POTW shall submit an annual report, due by January 30th of each year, to the city. It shall indicate the activities conducted by the satellite POTW including modifications, maintenance, and extensions of its POTW during the previous year. This report shall also include the annual total
flow discharged, based on their potable water usage or other verifiable method, and the total flow measured at the measured at the connection point to the city's POTW. The difference between these volumes is wastewater not covered by the normal payment system. The city may charge the satellite POTW a fee, determined by the city, for difference between these two (2) volumes. (1980 Code, § 13-210, as replaced by Ord. #00-26, June 2001, and Ord. #10-25, Oct. 2010)

18-211. **Holding tank waste disposal.** (1) The acceptance of holding tank wastewater into the POTW is a privilege that may be granted by the city to holding tank haulers. The city reserves the right to terminate this privilege at any time to any or all holding tank haulers if it deems it necessary to protect the POTW. Holding tank wastewater shall be accepted into the POTW only at receiving points designated by the superintendent, at such times established by the WWTP chief operator, and provided that such wastewaters do not violate § 18-218 of this chapter or any other local pretreatment standards or requirements established or adopted by the city. No person shall discharge holding tank wastewaters or clean equipment used to haul such wastewaters at any place other than a place so designated.

(2) The WWTP chief operator shall have the authority to prohibit the disposal of such wastewater, if such disposal will cause interference or pass through or adversely affect the ability of the city to meet the objectives provided in § 18-201 of this chapter. (1980 Code, § 13-211, as replaced by Ord. #00-26, June 2001, and Ord. #10-25, Oct. 2010)

18-212. **Holding tank haulers waste disposal permit.** (1) No person shall clean out, drain, or flush any septic tank or any other type of wastewater or sewage disposal system, unless such person obtains a permit from the city to perform such acts or services. Any person desiring a permit to perform such services shall submit an application on the prescribed form(s). Applications may be obtained and submitted at the WWTP during normal office hours. The city may issue a permit when the conditions of this ordinance have been met and providing the WWTP chief operator is satisfied the applicant has adequate and proper equipment to perform the services contemplated in a safe and competent manner.

(2) Failure to comply with all the provisions of this ordinance shall be sufficient cause for the revocation of such permit by the superintendent. The possession within the city by any person of any motor vehicle equipped with a body type and accessories of a nature and design capable of servicing private sewage disposal systems or septic tanks shall be prima facie evidence that such person is engaged in the business of cleaning, draining, flushing, and/or servicing such systems within the city. (1980 Code, § 13-212, as replaced by Ord. #00-26, June 2001, and Ord. #10-25, Oct. 2010)
18-213. **Fees for holding tank waste disposal permits.** (1) **Annual fees.** For each permit issued under the provisions of § 18-212 of this chapter, an annual service charge shall be paid to the city as specified in § 18-245 of this chapter. Holding tank waste disposal permits shall be issued for a maximum period of one (1) year but may be prorated for a lesser period of time, with the approval of the WWTP chief operator. This permit is nontransferable.

(2) **Permit number.** The permit number issued by the city shall be plainly displayed on each side of the tank used in the conduct of this service.

(3) **Tipping fees.** The holding tank haulers shall pay a tipping fee, as set by the city, for each load discharged into the POTW.

(4) **Sampling and analyzing loads.** The city reserves the right to collect and analyze samples from any holding tank hauler at any time as deemed necessary to ensure that all wastewaters being discharged into the POTW shall not cause interference or pass through or adversely affect the ability of the city to meet the objectives provided in § 18-201 of this chapter. The hauler shall be liable for all expenses incurred for all such analysis. Refusal by the hauler to pay these costs shall be grounds for immediate termination of the hauler's discharge privileges. The superintendent may reinstate a hauler's discharge privileges only after receiving payment and a written request by the hauler, provided its wastewater shall not cause interference or pass through or adversely affect the ability of the city to meet the objectives provided in § 18-201 of this chapter.

18-214. **Underground fuel storage tank wastewaters.** The acceptance of underground fuel storage tank wastewater into the POTW is a privilege that may be granted by the city to a user when requested. Wastewater from contaminated underground fuel storage tank sites within the city may be discharged to the POTW only when and if a permit application, as prescribed by the WWTP chief operator, is submitted, fees, if any, are paid, and a special "underground fuel storage tank wastewater discharge permit" is obtained. Said permits shall have an effective period of not more than one (1) year. The user shall apply for a renewal permit not less than thirty (30) days prior to the expiration date of the current permit. The city reserves the right to terminate this privilege at any time to any or all persons, if the city deems it necessary to protect the POTW. All other aspects of this ordinance will be in force for these permits and administered by the city.

18-215. **Domestic wastewater discharge permits.** (1) **General requirements.** All users or prospective users that generate only domestic wastewater shall make application to the city's utility office for written authorization to connect a building sewer and to discharge wastewater to the POTW. Applications shall be required from all new dischargers of domestic
wastewater as well as for any existing dischargers of domestic wastewater desiring additional service. Connection to the POTW shall only be made when the following conditions have been met:

(a) A completed application is received and approved by the city;
(b) The appropriate fee(s) have been paid;
(c) The building sewer is installed in accordance with § 18-204 of this chapter; and
(d) An inspection of the building sewer by the supervisor of collections has been performed and has passed inspection.

(2) Disclaimer for services requested. The receipt by the city of a prospective user's application for sanitary sewer service shall not obligate the city to render such service. If the service requested cannot be supplied in accordance with this ordinance and/or any other requirements established by the city, the tap fee shall be refunded in full. There shall be no liability on the city to the applicant for such service, except that the superintendent may grant conditional waivers for additional services for interim periods if compliance will be met within thirty (30) days. (1980 Code, § 13-215, as replaced by Ord. #00-26, June 2001, and Ord. #10-25, Oct. 2010)

18-216. Industrial Wastewater Discharge Permits (hereafter IWDP). It is a privilege and a valuable asset for any user to be allowed to use a portion of the POTW's capacity. Local, state, and federal regulations have been established to protect our environment. A partnership between the city and its local industries can be beneficial for all parties.

(1) General requirements. (a) When requested by the IPC, a user must submit information on the nature and characteristics of its wastewater within sixty (60) days of the request. All new industrial users proposing to connect to or to contribute to the POTW shall notify the IPC and submit baseline information to the IPC not less than ninety (90) days prior to connecting to or contributing to the POTW. The IPC is authorized to prepare a form to collect this baseline information and may periodically require users to update this information. This baseline information shall be used by the IPC to determine the nature of the proposed contribution to the POTW.

(b) No SIU shall discharge wastewater into the POTW without first obtaining an IWDP from the city. All SIUs connected to or contributing to the POTW must maintain a current IWDP. The IPC may require other users to obtain an IWDP as necessary to carry out the objectives of this ordinance.

(c) The IPC shall review all existing IWDP(s) within ninety (90) days after the effective date of this ordinance to determine if any modifications need to be made to bring them into compliance with the provisions of this ordinance.
(d) Failure to follow the guidelines above may result in the city charging extra fees for the services rendered.

(e) Any violation of the terms and conditions of an IWDP shall be deemed a violation of this ordinance and subjects the permitted user to the sanctions set out under the enforcement and abatement sections §§ 18-231 through 18-244 of this chapter. Obtaining an IWDP does not relieve a user of its obligation to comply with all federal and state pretreatment standards or requirements or with any other requirements of federal, state, and local law.

(2) Applications for an IWDP. Applications for IWDP(s) shall be required as follows:

(a) Application timeframe. All users required to obtain an IWDP shall obtain, complete, and submit a permit application. Existing IWDP holders shall apply for permit renewals not less than sixty (60) days prior to the expiration of their current IWDP permit. Users proposing to begin or recommence discharging into the POTW must obtain an IWDP prior to the beginning or recommencing of such discharge. An application for an IWDP must be filed not less than ninety (90) days prior to contributing to the POTW.

(b) Application information. The application shall be on the prescribed form of the city and may include, but not be limited to, the following information:

(i) Identifying information. The user shall submit the name and address of the facility including the name of the operator and owners.

(ii) Permits. The user shall submit a list of any environmental control permits held by or for the facility.

(iii) Description of operations. The user shall submit a brief description of the nature, average rate of production, and standard industrial classification(s) of the operation(s) carried out by the user. This description should include a schematic process diagram which indicates points of discharge to the POTW from the regulated processes.

(iv) Flow measurement. The user shall submit information showing the measured average daily and maximum daily flow, in gallons per day, to the POTW from regulated process streams and other streams, as necessary, to allow use of the combined wastestream formula set out in Tennessee Rule 1200-4.14-.06(5). The city may allow for verifiable estimates of these flows where justified by cost or feasibility considerations.

(v) Measurement of pollutants. (A) When applicable, the user shall identify the categorical pretreatment standards applicable to each regulated process;
(B) The user shall submit the results of sampling and analysis identifying the nature and concentration (or mass, where required by the standard or the city) of regulated pollutants in the discharge from each regulated process. Both daily maximum and average concentration (or mass, where required) shall be reported. The sample shall be representative of daily operations. In cases where the standard requires compliance with a BMP or pollution prevention alternative, the user shall submit documentation as required by the city or the applicable standards to determine compliance with the standard;

(C) The user shall take a minimum of one (1) representative sample to compile that data necessary to comply with the requirements of this paragraph;

(D) Samples should be taken immediately downstream from pretreatment facilities if such exist or immediately downstream from the regulated process if no pretreatment exists. If other wastewaters are mixed with the regulated wastewater prior to pretreatment, the user should measure the flows and concentrations necessary to allow use of the combined wastestream formula set out in Tennessee Rule 1200-4-14-.06(5) in order to evaluate compliance with the pretreatment standards. Where an alternate concentration or mass limit has been calculated in accordance with Tennessee Rule 1200-4-14-.06(5), this adjusted limit along with supporting data shall be submitted to the city;

(E) Sampling must be performed in accordance with procedures set out in § 18-226(3) of this chapter;

(F) The city may allow the submission of baseline information which utilizes only historical data so long as the data provides information sufficient to determine the need for industrial pretreatment measures; and

(G) The baseline information shall indicate the time, date and place of sampling, and methods of analysis, and shall certify that such sampling and analysis is representative of normal work cycles and expected pollutant discharges to the POTW.

(vi) Certification. A statement, reviewed by an authorized representative of the industrial user (as provided in § 18-230 of this chapter) and certified to by an authorized representative of the user, indicating whether pretreatment standards are being met on a consistent basis, and, if not, whether additional Operation and Maintenance (O&M) and/or additional pretreatment is
required for the industrial user to meet the pretreatment standards and requirements.

(vii) Compliance schedule. If additional pretreatment and/or O&M will be required to meet the pretreatment standards; the shortest schedule by which the industrial user will provide such additional pretreatment and/or O&M. The completion date in this schedule shall not be later than the compliance date established for the applicable pretreatment standard.

(viii) Pretreatment facilities. Any user who elects or is required to construct new or additional pretreatment facilities to achieve compliance with all categorical pretreatment standards, user discharge restrictions, and prohibitions set out in this ordinance, shall, as part of the application for the IWDP, submit plans, specifications, and other pertinent information related to the proposed construction to the IPC for approval. An IWDP shall not be issued until such plans and specifications are approved. Approval of such plans and specifications shall in no way relieve the user from the responsibility of modifying the facility as necessary to produce a discharge that is acceptable to the city under the provisions of this ordinance.

(ix) If pretreatment facilities and/or changes to the current O&M practices of the user are required to meet the pretreatment standards, the application shall include the shortest schedule by which the user will provide such additional pretreatment and/or O&M. The completion date in this schedule shall not be later than the compliance date established for the applicable pretreatment standards.

(x) The following conditions shall apply to the schedule required by subsection (b)(vii) above:

(A) The schedule shall contain increments of progress in the form of dates for the commencement and completion of major events leading to the construction and operation of additional pretreatment required for the industrial user to meet the pretreatment standards (e.g., hiring an engineer, completing preliminary plans, completing final plans, executing contract for major components, commencing construction, completing construction, etc.). No increment of progress shall exceed nine (9) months.

(B) The industrial user shall submit a progress report to the IPC, not later than fourteen (14) days following each date in the schedule and the final date for compliance, including, at a minimum, whether or not it complied with the increment of progress to be met on such date and, if not,
the date on which it expects to comply with this increment of progress, the reason for delay, and the steps being taken by the industrial user to return the construction to the schedule established. In no event shall more than two (2) months elapse between such progress reports to the IPC. Failure to submit progress reports in a timely manner may result in enforcement actions.

(xi) Additional information. The IPC will evaluate the data furnished by the user and may require additional information. After the IPC's evaluation and acceptance of the data furnished, the IPC may issue an IWDP subject to terms and conditions provided herein. The IPC shall determine the discharge status of the applicant and issue billings appropriate for that industrial status. City may reimburse the applicant for the amount received should the application be denied after receipt of any fee.

(xii) IPC's actions on application. The IPC will act only on applications containing all the information required. Persons who have filed an incomplete application will be notified by the IPC that the application is deficient and the nature of such deficiency and will be given thirty (30) days to correct the deficiency. If the deficiency is not corrected within thirty (30) days or within such extended period as allowed by the IPC, the IPC shall deny the application. A written notification of the IPC's action shall be sent to the applicant and the superintendent.

(xiii) Disclaimer of services requested. The receipt by the IPC of a prospective user's application for an IWDP shall not obligate the city to render the wastewater collection and treatment service. If the service applied for cannot be supplied in accordance with this ordinance or the city's rules and regulations and general practice, the application shall be rejected and there shall be no liability of the city to the applicant of such service.

(3) Contents for an IWDP. IWDPs shall be expressly subject to all provisions of this ordinance and all other applicable federal, state, and local regulations and user charges and fees established by the city.

(a) IWDPs shall contain, but not be limited to, the following:

(i) A statement that indicates the IWDP issuance date, expiration date, and effective date;

(ii) A statement that the IWDP is nontransferable without prior notification to the city and provisions for furnishing a copy of the existing IWDP to the new owner or operator;

(iii) Effluent limits, including BMPs, based on applicable pretreatment standards;

(iv) Self-monitoring, sampling, reporting, notification, and recordkeeping requirements, including identification of pollutants
(or BMP) to be monitored, sampling location, sampling frequency, and sample type based on federal, state, and local law;

(v) A statement of applicable civil and criminal penalties for violation of pretreatment standards and requirements, and any applicable compliance schedule. Such schedules shall not extend the time for compliance beyond that required by applicable federal, state, or local law; and

(vi) Requirements to control slug discharge, if determined by the IPC to be necessary.

(b) IWDPs may contain, but not be limited to, the following conditions:

(i) The unit charge per gallon of wastewater discharged, schedule of user charges, and/or fees for the wastewater discharged to the POTW developed by the city to offset the cost of treatment;

(ii) Limits on average and/or maximum rate, time of discharge, and/or requirements for flow equalization;

(iii) Requirements for installation and maintenance of inspection and sampling facilities and equipment, including flow measurement devices;

(iv) Requirements for the development and implementation of spill control plans or other special conditions including management practices necessary to adequately prevent accidental, unanticipated, or nonroutine discharges;

(v) Development and implementation of waste minimization plans to reduce the amount of pollutants discharged to the POTW;

(vi) Requirements for the installation of pretreatment technology, pollution control, or construction of appropriate containment devices, designed to reduce, eliminate, or prevent the introduction of pollutants into the treatment works;

(vii) A statement that compliance with the IWDP does not relieve the user of responsibility for compliance with all applicable federal and state pretreatment standards, including those which become effective during the term of the IWDP; and

(viii) Other conditions as deemed appropriate by the IPC to ensure compliance with this ordinance, and state and federal laws, rules, and regulations.

(4) **Duration for an IWDP.** An IWDP shall be issued for a specified time period, not to exceed five (5) years from the effective date of the permit. An individual IWDP may be issued for a period less than five (5) years, at the discretion of the public works office. Each IWDP will indicate a specific date upon which it will expire. The user shall apply for permit re-issuance not less than sixty (60) days prior to the expiration of the user's current IWDP.
(5) **Transfer for an IWDP.** Each IWDP is issued to a specific user for a specific operation. An IWDP shall not be reassigned, transferred, or sold to a new user, a different premise, or a new or changed operation without the approval of the IPC. Any succeeding person, owner, or user shall also comply with all the terms and conditions of the existing IWDP.

(6) **Permit modification.** Any IWDP issued under the provisions of this ordinance may be modified for good cause, including, but not limited to, the following reasons:

   (a) To incorporate any new or revised federal, state, or local pretreatment standards or requirements;
   (b) To address significant alterations or additions to the user's operation, processes, or wastewater volume or character since the time of the IWDP issuance;
   (c) A change in the POTW that requires either a temporary or permanent reduction or elimination of the authorized discharge;
   (d) Information indicating that the permitted discharge poses a threat to POTW, city employees, or the receiving waters;
   (e) Violation of any terms or conditions of the IWDP;
   (f) Misrepresentations or failure to fully disclose all relevant facts in the wastewater discharge permit application or in any required reporting;
   (g) Revision of or a grant of variance from categorical pretreatment standards pursuant to 40 C.F.R. 403.13;
   (h) To correct typographical or other errors in the IWDP;
   (i) To reflect a transfer of the facility ownership or operation to a new owner or operator where requested in accordance with subsection (6) above.

(7) **Permit revocation.** Any IWDP issued under the provisions of this ordinance is subject to suspension or revocation in whole or in part during its term for good cause, including, but not limited to, the following reasons:

   (a) Failure to notify IPC of significant changes in operations or wastewater volume, constituents, and characteristics prior to the changed discharge;
   (b) Misrepresentation or failure to fully disclose all relevant facts in the wastewater discharge permit application;
   (c) Falsifying self-monitoring reports and certification statements;
   (d) Tampering with monitoring equipment;
   (e) Refusing to allow the city timely access to the facility premises and records;
   (f) Failure to meet effluent limitations;
   (g) Failure to pay fines;
   (h) Failure to pay sewer charges;
   (i) Failure to meet compliance schedules;
(j) Failure to complete a wastewater survey or the wastewater discharge permit application;
(k) Failure to provide advance notice of the transfer of business ownership of a permitted facility; or
(l) Violation of any pretreatment standard or requirement, or any terms of its IWDP or this ordinance. (1980 Code, § 13-216, as replaced by Ord. #00-26, June 2001, and Ord. #10-25, Oct. 2010)

18-217. Confidential information. Any information and data on a user submitted to the city pursuant to the provisions of this ordinance, an IWDP, or order issued hereunder, or any other pretreatment standard or requirement, shall be available to the public without restriction, unless the user specifically requests, and is able to demonstrate to the satisfaction of city, that the release of specific information would divulge information, processes, or methods of production entitled to protection as trade secrets under applicable state law. Any such request must be asserted at the time of submission of the information or data. When requested and demonstrated by the user furnishing a written document that such information should be held confidential, the portions of a report which might disclose trade secrets or secret processes shall be clearly and permanently marked "Confidential Business Information" and the city shall not make available those portions for inspection by the public, but shall be made available immediately upon request to governmental agencies for uses related to the NPDES program or pretreatment program, and in enforcement proceedings involving the user furnishing the report. Wastewater constituents, characteristics, and other effluent data, as defined at 40 C.F.R. 2.302, shall not be recognized as confidential information and shall be available to the public without restriction. (1980 Code, § 13-217, as replaced by Ord. #00-26, June 2001, and Ord. #10-25, Oct. 2010)

(a) No user shall contribute or cause to be contributed into the POTW, directly or indirectly, any pollutant or wastewater which causes pass through or interference. These general prohibitions apply to all users of the POTW whether or not a user is subject to categorical pretreatment standards or any other federal, state, or local pretreatment standards or requirements.
(b) Waters prohibited by this section shall not be processed or stored in such a manner that they could be discharged to the POTW. All floor drains located in the process or materials storage areas must discharge to the industrial user's pretreatment facility before connecting with the POTW.
(2) Specific prohibitions. No user shall contribute or cause to be contributed into the POTW the following pollutants, substances, or wastewater:
(a) Liquids, solids, or gases which, by reason of their nature or quantity are, or may be, either singly or by interaction with other wastes, sufficient to cause fire or explosion or be injurious in any other way to the POTW or to the operation of the POTW. At no time shall two (2) successive readings on an explosion hazard meter, at the point of discharge into the POTW, or to any point in the POTW, be more than five percent (5%) nor any single reading over ten percent (10%) of the Lower Explosive Limit (LEL) of the meter. Wastewater shall not have a closed-cup flashpoint of less than one hundred forty (140°F) F (degrees Fahrenheit)/sixty (60°C) C (degrees Centigrade) using the test methods in 40 C.F.R. 261.21. Prohibited materials include, but are not limited to, gasoline, kerosene, naphtha, benzene, toluene, xylene, ethers, alcohols, ketones, aldehydes, peroxides, chlorates, perchlorates, bromate, carbides, hydrides and sulfides, and any other substances which the city, the state, or EPA has notified the user is a fire hazard or a hazard to the system.

(b) Wastewater having a pH less than 5.0 or higher than 10.0, unless authorized by the city, or wastewater having any other corrosive property capable of causing damage or hazard to structures, equipment, and/or personnel of the POTW. No wastewater having a pH more than 12.5 shall be authorized, since this would be considered a corrosive hazardous waste under 40 C.F.R. 261.22 of the Act.

(c) Solid or viscous substances in amounts which will cause obstruction of the flow in the POTW resulting in interference such as, but not limited to: grease; solids with particles greater than one-half inch (1/2") in any dimension; paunch manure, bones, hair, hides, or fleshings, entrails, whole blood, feathers from animal processing facilities; ashes; cinders; sand; spent lime; stone or marble dust; metal; glass; straw; shavings; grass clippings; rags; spent grains; spent hops; waste paper; wood; plastics; gas; tar; asphalt residues; residues from refining or processing of fuel or lubricating oil; mud; or glass grinding or polishing wastes.

(d) Pollutants, including oxygen-demanding pollutants (BOD, etc.), released in a discharge at a flow rate and/or pollutant concentration which, either singly or by interaction with other pollutants, will cause interference with the POTW.

(e) Wastewater having a temperature which will inhibit biological activity in the WWTP resulting in interference, but in no case wastewater which causes the temperature at the introduction into the WWTP which exceeds one hundred four (104°F) F (degrees Fahrenheit)/forty degrees (40°C) C (degrees Celsius).

(f) Wastewaters containing any toxic pollutants, chemical elements, or compounds in sufficient quantity, which either singly or by interaction with other pollutants, may cause interference, constitute a hazard to humans or animals, create a toxic effect in the receiving waters
of the POTW, or exceed the pretreatment standards. A toxic pollutant shall include but not be limited to any pollutant identified pursuant to section 307(a) of the Act.

(g) Trucked, hauled, or other discharge of pollutants, except at discharge points designated by the WWTP chief operator in accordance with §§ 18-212 through 18-214 of this chapter.

(h) Noxious or malodorous liquids, gases, solids, or other wastewater which, either singly or by interaction with other wastes, are sufficient to create a public nuisance or a hazard to life or are sufficient to prevent entry into the POTW for maintenance and repair.

(i) Pollutants which result in the presence of toxic gases, vapors, or fumes within the POTW in a quantity that may cause acute worker health and safety problems.

(j) Any substance which may cause the WWTP effluent or any other product of the WWTP such as residues, sludges, or scums, to be unsuitable for reclamation and reuse or to interfere with the reclamation process. In no case shall a substance discharged to the POTW cause the WWTP to be in noncompliance with sludge use or disposal criteria, guidelines, or regulations developed under section 405 of the Act; any criteria, guidelines, or regulations affecting sludge use or disposal developed pursuant to the Solid Waste Disposal Act, the Clean Air Act, the Toxic Substances Control Act, or state criteria applicable to the sludge management method being used.

(k) Any substance that will cause the POTW to violate its NPDES permit or the receiving water quality standards.

(l) Any wastewater causing discoloration of the WWTP effluent to the extent that the NPDES permit would be violated, such as, but not limited to, dye wastes and vegetable tanning solutions.

(m) Any wastewater of an unusual flow rate or concentrations, "slug" as defined in this ordinance, unless authorized by the city.

(n) Wastewater containing any radioactive wastes or isotopes except as specifically approved by the city and in compliance with applicable state or federal regulations.

(o) Any wastewater that causes a hazard to human life or creates a public nuisance.

(p) Any wastewater containing fats, oils, or greases of animal or vegetable origin, whether emulsified or not, in excess of one hundred (100) mg/L or containing substances which may solidify or become viscous at temperature between thirty-two (32°) F and one hundred forty (140°) F (degrees Fahrenheit) or zero (0°) C and sixty (60°) C (degrees Celsius).

(q) Any wastewaters containing petroleum oil, non-biodegradable cutting oil, or products of mineral oil origin in excess of one hundred (100) mg/L, or in amounts that will cause interference or pass through.
(r) Stormwater, surface water, groundwater, roof runoff, subsurface drainage, noncontact cooling water, or unpolluted industrial process waters to any sanitary sewer. Stormwater and all other unpolluted drainage shall be discharged to conveyances that are specifically designated as storm sewers, or to a natural outlet approved by the superintendent and TDEC. Noncontact cooling water or unpolluted process wastewaters may be discharged on approval of the superintendent and/or TDEC, to a storm sewer or natural outlet.

(s) Except where expressly authorized to do so by an applicable pretreatment standard or requirement, no user shall ever increase the use of process water, or in any other way attempt to dilute a discharge, as a partial or complete substitute for adequate treatment to achieve compliance with a pretreatment standard or requirement.

(t) Sludges, screenings, or other residues from the pretreatment of industrial wastes unless approved by the IPC.

(u) Any wastes containing detergents, surface-active agents, surfactants, or other substances that may cause excessive foaming in the POTW.

(3) By-pass. (a) Definitions. (i) By-pass means the intentional diversion of wastestreams from any portion of an industrial user's treatment facility.

(ii) Severe property damage means substantial physical damage to property, damage to the treatment facilities which causes them to become inoperable, or substantial and permanent loss of natural resources which can reasonably be expected to occur in the absence of a by-pass. Severe property damage does not mean economic loss caused by delays in production.

(b) An industrial user may allow any by-pass to occur which does not cause pretreatment standards or requirements to be violated, but only if it also is for essential maintenance to assure efficient operation. These by-passes are not subject to the provisions of subsections (c) and (d) below.

(c) Notice. (i) If an industrial user knows in advance of the need for a by-pass, it shall submit prior notice to the POTW, if possible at least ten (10) days before the date of the by-pass.

(ii) An industrial user shall submit oral notice of an unanticipated by-pass that exceeds applicable pretreatment standards to the city within twenty-four (24) hours from the time the industrial user becomes aware of the by-pass. A written submission shall also be provided within five (5) days of the time the industrial user becomes aware of the by-pass. The written submission shall contain a description of the by-pass and its cause; the duration of the by-pass, including exact dates and times, and, if the by-pass has not been corrected, the anticipated time it is
expected to continue; and steps taken or planned to reduce, eliminate, and prevent reoccurrence of the by-pass. The city may waive the written report on a case-by-case basis if the oral report has been received within twenty-four (24) hours.

(d) Prohibition of by-pass. (i) By-pass is prohibited, and the city may take enforcement action against an industrial user for a by-pass, unless;

(A) By-pass was unavoidable to prevent loss of life, personal injury, or severe property damage;

(B) There were no feasible alternatives to the by-pass, such as the use of auxiliary treatment facilities, retention of untreated wastes, or maintenance during normal periods of equipment downtime. This condition is not satisfied if adequate back-up equipment should have been installed in the exercise of reasonable engineering judgment to prevent a by-pass which occurred during normal periods of equipment downtime or preventative maintenance; and

(C) The industrial user submitted notices as required under subsection (c) of this section.

(ii) The city may approve an anticipated by-pass, after considering its adverse effects, if the city determines that it will meet the three (3) conditions listed in subsection (d)(i) of this section. (1980 Code, § 13-218, as replaced by Ord. #00-26, June 2001, and Ord. #10-25, Oct. 2010)

18-219. Restrictions on wastewater strength. (1) No user shall discharge wastewater containing pollutants in excess of the limits shown in Table A - User Discharge Restrictions. These pollutant limits have been established using standard procedures, calculations, and methods acceptable to TDEC to protect the POTW against pass through, interference, and adverse effects on wastewater residuals reuse or disposal. These pollutant limits shall be included as permit conditions and attached to each IWDP. The pollutant limits apply at the point where the wastewater is discharged to the POTW.

(2) Dilution of any wastewater discharge for satisfying these pollutant limits is prohibited by § 18-223 of this chapter. Any user that discharges pollutant concentrations in excess of the limits presented in Table A of this ordinance will be subject to enforcement actions outlined in the ERP.

(3) The IPC may develop BMPs, by ordinance or in IWDPs, to implement the restrictions of §§ 18-218, 18-219, and 18-220 of this chapter.

(1980 Code, § 13-219, as replaced by Ord. #00-26, June 2001, and Ord. #10-25, Oct. 2010)

**18-220. Protection of WWTP.** The WWTP chief operator shall monitor the WWTP influent for each pollutant in Table B - Plant Protection Criteria. In the event that the influent to the WWTP reaches or exceeds eighty percent (80%) of a concentration value listed in Table B, the WWTP chief operator may initiate an "Influent Technical Review" (ITR) study. If initiated, the WWTP chief operator, in conjunction with the IPC and any consultants deemed necessary, shall conduct the ITR study. This study shall be conducted in an effort to determine the source(s) of the increased pollutant contributions and to develop recommendations to the city, including, but not limited to, changes to any of the pollutant limits shown in Table A of this ordinance.

** Based on single grab sample.

(1980 Code, § 13-220, as replaced by Ord. #00-26, June 2001, and Ord. #10-25, Oct. 2010)

18-221. **Categorical pretreatment standards.** (1) National pretreatment standards specifying quantities or concentrations of pollutants or pollutant properties that may be discharged to the POTW by industrial users in specific industrial subcategories are established as separate regulations under the appropriate subpart of 40 C.F.R. chapter I, subchapter N, parts 405-471. These standards, unless specifically noted otherwise, shall be in addition to all applicable pretreatment standards and requirements set forth in this ordinance.

(2) **Category determination request.** (a) Application deadline. Within sixty (60) days after the effective date of a pretreatment standard for a subcategory under which an industrial user may be included, the industrial user or city may request that the approval authority provide written certification on whether the industrial user falls within that particular subcategory. If an existing industrial user adds or changes a process or operation that may be included in a subcategory, the existing industrial user must request this certification prior to commencing discharge from the added or changed processes or operation. A new source must request this certification prior to commencing discharge. Where a request for certification is submitted by the city, the city shall notify any affected industrial user of such submission. The industrial user may provide written comments on the city submission to the approval authority within thirty (30) days of notification.

(b) Contents of application. Each request shall contain a statement:

(i) Describing which subcategories might be applicable; and

(ii) Citing evidence and reasons why a particular subcategory is applicable and why others are not applicable. Any person signing the application statement submitted pursuant to this paragraph must include the certification statement provided in § 18-230 of this chapter.
Compliance by existing sources with categorical pretreatment standards shall be within three (3) years of the date the standard is effective unless a shorter compliance time is specified in the appropriate subpart of 40 C.F.R. chapter I, subchapter N. Existing sources that become industrial users subsequent to promulgation of an applicable categorical pretreatment standard shall be considered existing industrial users except where such sources meet the definition of a new source as defined in § 18-202 of this chapter. New sources shall install and have in operating condition and shall "start-up" all pollution control equipment required to meet applicable pretreatment standards before beginning to discharge. Within the shortest feasible time (not to exceed ninety (90) days), new sources must meet all applicable pretreatment standards.

Concentration and mass limits. (a) Pollutant discharge limits in categorical pretreatment standards will be expressed either as concentration or as mass limits. Wherever possible, where concentration limits are specified in standards, equivalent mass limits will be provided so that local, state or federal authorities responsible for enforcement may use either concentration or mass limits. Limits in categorical pretreatment standards shall apply to the effluent of the process regulated by the standard, or as otherwise specified by the standard.

(b) When the limits in a categorical pretreatment standard are expressed only in terms of mass of pollutant per unit of production, the city may convert the limits to equivalent limitations expressed either as mass of pollutant discharged per day or effluent concentration for purposes of calculating permit limitations applicable to individual industrial users.

(c) When calculating equivalent mass-per-day limitations under subsection (b) of this section, the city shall calculate such limitations by multiplying the limits in the categorical pretreatment standard by the industrial user's average rate of production. This average rate of production shall be based not upon the designed production capacity but rather upon a reasonable measure of the industrial user's actual long-term daily production, such as the average daily production during a representative year. For new sources, actual production shall be estimated using projected production.

(d) When calculating equivalent concentration limitations under subsection (b) of this section, the city shall calculate such limitations by dividing the mass limitations derived under subsection (c) of this section by the average daily flow rate of the industrial user's regulated process wastewater. This average daily flow rate shall be based upon a reasonable measure of the industrial user's actual long-term average flow rate, such as the average daily flow rate during the representative year. Any day in which a facility does not have a discharge should not be included in the calculation of an average flow.
(e) When the limits in a categorical pretreatment standard are expressed only in terms of pollutant concentrations, an industrial user may request that the city convert the limits to equivalent mass limits. The determination to convert concentration limits to mass limits is within the discretion of the city. The city may establish equivalent mass limits only if the industrial user meets all the following conditions:

(i) To be eligible for equivalent mass limits, the industrial user must:
   (A) Employ, or demonstrate that it will employ, water conservation methods and technologies that substantially reduce water use during the term of its control mechanism;
   (B) Currently use control and treatment technologies adequate to achieve compliance with the applicable categorical pretreatment standard, and not have used dilution as a substitute for treatment;
   (C) Provide sufficient information to establish the facility's actual average daily flow rate for all wastestreams, based on data from a continuous effluent flow monitoring device, as well as the facility's long-term average production rate. Both the actual average daily flow rate and the long-term average production rate must be representative of current operating conditions;
   (D) Not have daily flow rates, production levels, or pollutant levels that vary so significantly that equivalent mass limits are not appropriate to control the discharge; and
   (E) Have consistently complied with all applicable categorical pretreatment standards during the period prior to the industrial user's request for equivalent mass limits.

(ii) An industrial user subject to equivalent mass limits must:
   (A) Maintain and effectively operate control and treatment technologies adequate to achieve compliance with the equivalent mass limits;
   (B) Continue to record the facility’s flow rates through the use of a continuous effluent flow monitoring device;
   (C) Continue to record the facility's production rates and notify the city whenever production rates are expected to vary by more than twenty percent (20%) from its baseline production rates determined in subsection (e)(i)(C) above. Upon notification of a revised production rate, the city must reassess the equivalent mass limit and revise the
limit as necessary to reflect changed conditions at the facility; and

(D) Continue to employ the same or comparable water conservation methods and technologies as those implemented pursuant to subsection (e)(i)(A) above so long as it discharges under an equivalent mass limit.

(iii) When developing equivalent mass limits, the city:

(A) Shall calculate the equivalent mass limit by multiplying the actual average daily flow rate of the regulated process(es) of the industrial user by the concentration based daily maximum and monthly average standard for the applicable categorical pretreatment standard and the appropriate unit conversion factor;

(B) Upon notification of a revised production rate, shall reassess the equivalent mass limit and recalculate the limit as necessary to reflect changed conditions at the facility; and

(C) May retain the same equivalent mass limit in subsequent control mechanism terms if the industrial user's actual average daily flow rate was reduced solely as a result of the implementation of water conservation methods and technologies, and the actual average daily flow rates used in the original calculation of the equivalent mass limit were not based on the use of dilution as a substitute for treatment as prohibited by § 18-223 of this chapter. The industrial user must also be in compliance with § 18-218(3) of this chapter.

(iv) The city shall not express limits in terms of mass for pollutants such as pH, temperature, radiation, or other pollutants that cannot appropriately be expressed as mass.

(f) The city may convert the mass limits of the categorical pretreatment standards at 40 C.F.R. parts 414, 419, and 455 to concentration limits for purposes of calculating limitations applicable to individual industrial users under the following conditions. When converting such limits to concentration limits, the city must use the concentrations listed in the applicable subparts of 40 C.F.R. parts 414, 419, and 455 and document that dilution is not being substituted for treatment as prohibited by § 18-223 of this chapter.

(g) Equivalent limitations calculated in accordance with subsections (c), (d), (e) and (f) of this section are deemed pretreatment standards for the purposes of section 307(d) of the Federal Clean Water Act and this section. The city must document how the equivalent limits were derived and make this information publicly available. Once incorporated into its control mechanism, the industrial user must comply
with the equivalent limitations in lieu of the promulgated categorical standards from which the equivalent limitations were derived.

(h) Many categorical pretreatment standards specify one (1) limit for calculating maximum daily discharge limitations and a second limit for calculating maximum monthly average, or four (4) day average, limitations. Where such standards are being applied, the same production or flow figure shall be used in calculating both the average and the maximum equivalent limitation.

(i) Any industrial user operating under a control mechanism incorporating equivalent mass or concentration limits calculated from a production based standard shall notify the city within two (2) business days after the user has a reasonable basis to know that the production level will significantly change within the next calendar month. Any user not notifying the city of such anticipated change will be required to meet the mass or concentration limits in its control mechanism that were based on the original estimate of the long term average production rate.

(5) When wastewater subject to a categorical pretreatment standard is mixed with wastewater not regulated by the same standard, the city shall impose an alternate limit in accordance with Tennessee Rule 1200-4-14-.06(5).

(6) Upon the promulgation of categorical pretreatment standards for a particular industrial subcategory, the categorical pretreatment standards for industries in that subcategory, if more stringent limitations than those imposed under this ordinance, shall immediately supersede the limitations imposed under this ordinance. The IPC shall notify all affected users of the applicable reporting requirements under 40 C.F.R. 403.12. (1980 Code, § 13-221, as replaced by Ord. #00-26, June 2001, and Ord. #10-25, Oct. 2010)

18-222. Right to establish more restrictive criteria. The city reserves the right to establish, by ordinance or in IWDPs, more stringent pretreatment standards or requirements on discharges to the POTW consistent with the purpose of this ordinance. (1980 Code, § 13-222, as replaced by Ord. #00-26, June 2001, and Ord. #10-25, Oct. 2010)

18-223. Dilution. No industrial user shall ever increase the use of process water or, in any way attempt to dilute a discharge as a partial or complete substitute for adequate treatment to achieve compliance with a pretreatment standard or requirement. The IPC may impose mass limitations on users using dilution to meet applicable pretreatment standards or requirements or in other cases when the imposition of mass limitations is appropriate. (1980 Code, § 13-223, as replaced by Ord. #00-26, June 2001, and Ord. #10-25, Oct. 2010)
18-224. Accidental/slug discharges. (1) Notification of accidental/slug discharge. (a) In the case of any discharge, including, but not limited to, accidental discharges, discharges of a nonroutine, episodic nature, a noncustomary batch discharge, a slug discharge or slug load, that might cause potential problems for the POTW, the user shall immediately telephone and notify the city of the incident. This notification shall include the location of the discharge, type of waste, concentration, and volume, if known, and corrective actions taken by the user.

(b) Any person or user causing or suffering from any accidental/slug discharge shall immediately notify the city that an accidental/slug discharge has occurred.

(i) Normal business hours. If the incident has or is occurring during regular office hours, the user shall telephone the city's public works office.

(ii) After business hours, weekends, and holidays. If the incident has or is occurring at times other than normal business hours, the user shall contact the Portland Police Department.

(iii) Upon notification of the accidental/slug discharge, the public works office or police department shall notify the WWTP chief operator or his duly designated official to enable countermeasures to be taken. This is done in an effort to minimize any damage to the POTW, the health and welfare of the public, and the environment.

(iv) Follow-up statement. The user shall follow up this notification, within five (5) days of the date of occurrence, with a detailed written statement describing the cause(s) of the accidental/slug discharge and the measures being taken to prevent similar future occurrences. Such notification shall not relieve the user of any expense, loss, damage, or other liability, which might be incurred as a result of damage to the POTW, natural resources, or any other damage to person or property; nor shall such notification relieve the user of any fines, penalties, or other liability that may be imposed pursuant to this ordinance.

(2) Notice to employees. A notice shall be permanently posted on the user's bulletin board or other prominent place advising employees whom to call in the event of an accidental/slug discharge (examples of, but not limited to, those in § 18-224 of this chapter). Employers shall ensure that all employees, who could cause such a discharge to occur, are advised of the emergency notification procedure.

(3) Protection from accidental/slug discharge. (a) Users shall provide such facilities and institute such procedures as are reasonably necessary to prevent or minimize the potential for accidental or slug discharge into the POTW, from liquid or raw material storage areas, from truck and rail
car loading and unloading areas, from in-plant transfer or processing and materials handling areas, and from diked areas or holding ponds, of any waste regulated by this ordinance. The IWDP of any user who has a history of significant leaks, spills, slug discharge, or other accidental discharge of waste regulated by this ordinance shall be subject on a case-by-case basis to a special permit condition requiring the construction of facilities or establishment of procedures that will prevent and/or minimize the potential for such accidental or slug discharges. Facilities to prevent accidental discharge of prohibited materials shall be provided and maintained at the user's expense. Detailed plans showing the facilities and its operating procedures shall be submitted to the IPC for approval before the facility is constructed.

(b) The review and approval of such plans and operating procedures will in no way relieve the user from the responsibility of modifying the facility to provide the protection necessary to meet the requirements of this ordinance.

(4) Accidental/slug discharge control plan requirements. (a) If the IPC decides that a slug control plan is needed, the plan shall contain, at a minimum, the following elements:

(i) Description of discharge practices, including non-routine batch discharges;
(ii) Description of stored chemicals;
(iii) Procedures for immediately notifying the IPC of any accidental or slug discharge, including any discharge that would violate a prohibition under § 18-218 of this chapter, with procedures for follow-up written notification within five (5) days;
(iv) Procedures to prevent accidental spills, inspection and maintenance of storage areas, handling and transfer of materials, loading and unloading operations, control of plant site run-off, and worker training;
(v) Any necessary measures for building containment structures or equipment;
(vi) Any additional measures necessary for containing toxic organic pollutants (including solvents);
(vii) Any necessary procedures and equipment for emergency response; and
(viii) Any necessary follow-up practices to limit the damage suffered by the treatment plant or the environment.

(b) Detailed plans shall be submitted to the IPC for review prior to construction of the facility. Review and approval of such plans and operating procedures shall not relieve the user from the responsibility to modify the user's facility, as necessary, to meet the requirements of this ordinance.
(c) The IPC shall evaluate whether each SIU needs an accidental discharge/slug discharge control plan or other action to control slug discharges. For industrial users identified as significant prior to November 14, 2005, this evaluation must have been conducted at least once by October 14, 2006; additional SIUs must be evaluated within twelve (12) months of being designated a SIU.

(5) **Accidental/slug discharge control plan evaluation.** (a) Each SIU shall provide protection from accidental/slug discharge of prohibited materials or other substances regulated by this ordinance. Facilities to prevent accidental/slug discharge of prohibited or regulated substances shall be provided and maintained at the user's cost.

(b) The city reserves the right to require the SIU to take specified measures to prevent accidental/slug discharges whenever the facility's accidental/slug control measures are judged by the IPC to be inadequate.

(6) SIUs are required to notify the IPC immediately of any changes at its facility affecting the potential for a slug discharge. (1980 Code, § 13-224, as replaced by Ord. #00-26, June 2001, and Ord. #10-25, Oct. 2010)

18-225. **Monitoring facilities.** (1) The city may require installation and operation of a discrete monitoring facility(s) to allow inspection, sampling, and flow measurement of the building sewer and/or internal drainage systems at the user's expense. When, in the judgment of the IPC, there is a significant difference in wastewater constituents and characteristics produced by different operations of a single user the IPC may require that separate monitoring facilities be installed for each separate source of discharge.

(2) Discrete monitoring facilities, including static and/or electronic flow measuring and sampling devices may be required by the city. These devices shall be purchased, installed, and maintained at the user's expense. The purposes of the devices are to enable inspection, monitoring, sampling and flow measurement of wastewater produced by a user. All devices shall be approved by the city before installation.

(3) Discrete monitoring facility may be required to be located on the user's premises, outside of a building. The IPC may, however, when such a location would be impractical or cause undue hardship on the user, allow the facility to be constructed inside the user's building or in the public street right-of-way with the approval of the public agency(s) having jurisdiction of the right-of-way. It shall also be located so that landscaping or parked vehicles will not obstruct it.

(4) Ample room in or near such discrete monitoring facilities shall be left to allow human access and any necessary work related to the monitoring of the user's discharge. The monitoring facility shall be equipped with the necessary plumbing and electric power, in accordance with all applicable codes requirements, to facilitate required monitoring. These monitoring facilities shall
be maintained at all times in a safe and proper operating condition at the expense of the user.

(5) Whether constructed on public or private property, the monitoring facility shall be constructed in accordance with the city's requirements and all applicable local agency construction standards and specifications. A user shall be notified in writing when, in the judgment of the IPC, a user is required to install a monitoring facility. Construction must be completed within one hundred eighty (180) days following written notification unless an extension is granted by the city. (1980 Code, § 13-225, as replaced by Ord. #00-26, June 2001, and Ord. #10-25, Oct. 2010)

18-226. Access, reporting violations, and sampling. (1) Access to user's facilities. (a) The city shall have the right to enter and inspect the premises of any user to determine whether the user is complying with all the requirements of this ordinance, an IWDP or an order duly issued hereunder. A fee may be charged, to the user, to offset expenses incurred by this inspection. Users shall allow the city, or its representative(s), ready access at all reasonable times to all parts of the premises for the purpose of inspection, sampling, records examination and copying, or the performance of any additional duties.

(b) The city, state, and/or EPA representatives shall have the right to set up on the user's property, or require installation of, such devices as are necessary to conduct sampling and/or metering of the user's operations.

(c) The city, state, and/or EPA representatives may require the user to install monitoring equipment as necessary. The facility's sampling and monitoring equipment shall be maintained at all times in a safe and proper operating condition by the user at its own expense. All devices used to measure wastewater flow and quality shall be calibrated at the manufacturer's recommended minimum frequency to ensure their accuracy.

(d) Where a user has security measures in force, which would require proper identification and clearance before entry into user's premises, the user shall make necessary arrangements so that, upon presentation of suitable identification, personnel from the city, state, and/or EPA will be permitted to enter, without delay, for the purposes of performing specific responsibilities.

(e) Unreasonable delays in allowing city, state, and/or EPA representatives access to the user's premises shall be a violation of this ordinance.

(2) Violations and repeat sampling. (a) If sampling and analysis performed by a user, following 40 C.F.R. 136 testing procedures, indicates a violation, the user shall notify the IPC within twenty-four (24) hours of becoming aware of the violation. The user shall also repeat the sampling
for the parameter violated within ten (10) days after becoming aware of the violation and submit the results of the repeat analysis to the IPC within thirty (30) days after the initial violation.

(b) If the city performed the sampling and analysis in lieu of the user, the city will perform the repeat sampling and analysis unless the city notifies the user of the violation and requires the user to perform the repeat sampling and analysis.

(3) Sample collection. Samples collected to satisfy reporting requirements must be based on data obtained through appropriate sampling and analysis performed during the period covered by the report, based on data that is representative of conditions occurring during the reporting period.

(a) Except as indicated in (b) and (c) of this subsection, the user must collect wastewater samples using 24-hour flow-proportional composite sampling techniques, unless time-proportional composite sampling or grab sampling is authorized by IWDP. Where time-proportional composite sampling or grab sampling is authorized by the IWDP, the samples must be representative of the discharge. Using protocols (including appropriate preservation) specified in 40 C.F.R. part 136 and appropriate EPA guidance, multiple grab samples collected during a twenty-four (24) hour period may be composited prior to the analysis as follows: for cyanide, total phenols, and sulfides the samples may be composited in the laboratory or in the field; for volatile organics and oil and grease, the samples may be composited in the laboratory. Composite samples for other parameters unaffected by the compositing procedures as documented in approved EPA methodologies may be authorized by IWDP, as appropriate. In addition, grab samples may be required to show compliance with instantaneous limits.

(b) Samples for oil and grease, temperature, pH, cyanide, total phenols, sulfides, and volatile organic compounds must be obtained using grab collection techniques.

(c) For sampling required in support of baseline monitoring and compliance reports required for industrial users subject to pretreatment standards, a minimum of four (4) grab samples must be used for pH, cyanide, total phenols, oil and grease, sulfide and volatile organic compounds for facilities for which historical sampling data do not exist; for facilities for which historical sampling data are available, IPC may authorize a lower minimum. For the reports required by § 18-228 of this chapter, the industrial user is required to collect the number of grab samples necessary to assess and assure compliance with applicable pretreatment standards and requirements.

(4) Safety. All city representatives performing work on private properties shall observe all safety rules applicable to the premises established by the user. The user shall be held harmless for injury or death to the city employees and the city shall indemnify the user against loss or damage to its
property by its representative(s) and against liability claims and demands for personal injury or property damage asserted against the user and growing out of the monitoring and sampling operation, except as such may be caused by negligence or failure of the user to maintain safe conditions. (1980 Code, § 13-226, as replaced by Ord. #00-26, June 2001, and Ord. #10-25, Oct. 2010)

18-227. Reporting requirements. (1) Reports on compliance with categorical pretreatment standard deadline. (a) Within ninety (90) days following the date for final compliance with applicable categorical pretreatment standards or, in the case of a new source, following commencement of the introduction of wastewater into the POTW, any user subject to such pretreatment standards and requirements shall submit to the IPC a report containing the information described in §§ 18-216(2) and 18-226(3) of this chapter. For users subject to equivalent mass or concentration limits established by the city in accordance with the procedures in § 18-221 of this chapter, this report shall contain a reasonable measure of the user's long-term production rate. For all other users subject to categorical pretreatment standards expressed in terms of allowable pollutant discharge per unit of production (or other measure of operation), this report shall include the user's actual production during the appropriate sampling period.

(b) The report shall state whether the applicable categorical pretreatment standards are being met on a consistent basis and, if not, what additional O&M and/or pretreatment is necessary to bring the user into compliance with the applicable categorical pretreatment standards. This report shall be signed and certified by an authorized representative of the user in accordance with § 18-230 of this chapter. All sampling will be done in conformance with § 18-226(3) of this chapter.

(2) Baseline monitoring reports. Within one hundred eighty (180) days after the effective date of a categorical pretreatment standard, or one hundred eighty (180) days after the final administrative decision made upon a category determination submission under Tennessee Rule 1200-4-14-.06(1)(d), whichever is later, existing industrial users subject to such categorical pretreatment standards and currently discharging to or scheduled to discharge to the POTW shall be required to submit to the city a report which contains the information listed in § 18-216(2)(b)(i)--(x) of this chapter. At least ninety (90) days prior to commencement of discharge, new sources, and sources that become industrial users subsequent to the promulgation of an applicable categorical standard, shall be required to submit to the city a report which contains the information listed in § 18-216(2)(b)(i)--(x) of this chapter. New sources shall also be required to include in this report information on the method of pretreatment the source intends to use to meet applicable pretreatment standards. New sources shall give estimates of the information requested in § 18-216(2)(b)(iv) and (v) of this chapter.
(3) All industrial users shall promptly notify the IPC in advance of any substantial change in the volume or character of pollutants in their discharge, including the listed or characteristic hazardous wastes for which the industrial user has submitted initial notification under the following paragraph.

(4) The industrial user shall notify the POTW, the EPA regional waste management division director, and state hazardous waste authorities in writing of any discharge into the POTW of a substance, which, if otherwise disposed of, would be a hazardous waste under Tennessee Rule 1200-1-11.

(a) Such notification must include the name of the hazardous waste as set forth in 1200-1-11, the EPA hazardous waste number, and the type of discharge (continuous, batch, or other). If the industrial user discharges more than one hundred (100) kilograms of such waste per calendar month to the POTW, the notification shall also contain the following information to the extent such information is known and readily available to the industrial user: an identification of the hazardous constituents contained in the wastes, an estimation of the mass and concentration of such constituents in the wastestream discharged during that calendar month, and an estimation of the mass of constituents in the wastestream expected to be discharged during the following twelve (12) months. All notifications must take place within one hundred eighty (180) days of the effective date of this rule. Industrial users who commence discharging after the effective date of this rule shall provide the notification no later than one hundred eighty (180) days after the discharge of the listed or characteristic hazardous waste. Any notification under this paragraph need be submitted only once for each hazardous waste discharged. However, notifications of changed discharges must be submitted under § 18-227(4) of this chapter. The notification requirement in this rule does not apply to pollutants already reported under the self-monitoring requirements of §§ 18-226(2)(b), 18-227(1), and 18-228 of this chapter.

(b) Dischargers are exempt from the requirements of subsection (a) above during a calendar month in which they discharge no more than fifteen (15) kilograms of hazardous wastes, unless the wastes are acute hazardous wastes as specified in Tennessee Rule 1200-1-11-.02(4)(a) and (4)(d). Discharge of more than fifteen (15) kilograms of non-acute hazardous wastes in a calendar month, or of any quantity of acute hazardous wastes as specified in Tennessee Rule 1200-1-11-.02(4)(a) and (4)(d), requires a one-time notification. Subsequent months during which the industrial user discharges more than such quantities of any hazardous waste do not require additional notification.

(c) In the case of any new regulations under section 3001 of RCRA identifying additional characteristics of hazardous waste or listing any additional substance as a hazardous waste, the industrial user must
notify the POTW, the EPA regional waste management waste division
director, and state hazardous waste authorities of the discharge of such
substance within ninety (90) days of the effective date of such regulations.

(d) In the case of any notification made under this paragraph,
the industrial user shall certify that it has a program in place to reduce
the volume and toxicity of hazardous wastes generated to the degree it
has determined to be economically practical.  (1980 Code, § 13-227, as
replaced by Ord. #00-26, June 2001, and Ord. #10-25, Oct. 2010)

18-228. Periodic compliance reports. (1) All SIUs subject to a
pretreatment standard must submit to the IPC all data generated between April
and September and October and March, no later than every October 15th and
April 15th, respectively, unless required more frequently by the user’s IWDP,
along with a report indicating the nature, concentration of pollutants in the
discharge which are limited by the pretreatment standards, and the measured
or estimated average and maximum daily flows for the reporting period. In cases
where the pretreatment standard requires compliance with a BMP or pollution
prevention alternative, the user must submit documentation required by the
IPC or the pretreatment standard necessary to determine the compliance status
of the user. At the discretion of the IPC and in consideration of such factors as
holidays, budget cycles, etc., the IPC may agree to alter the months during
which the above reports are to be submitted.

(2) The reports required by this section shall be signed and certified
by an authorized representative of the user in accordance with § 18-230 of this
chapter. All sampling and analysis shall be performed in accordance with
procedures established by the administrator of the EPA pursuant to
section 304(h) of the Act and contained in 40 C.F.R. part 136 and amendments
thereto or with any other test procedures approved by the city.

(3) All wastewater samples must be representative of the user’s
discharge. Wastewater monitoring and flow measurement facilities shall be
properly operated, kept clean, and maintained in good working order at all
times. The failure of a user to keep its monitoring facility in good working order
shall not be grounds for the user to claim that sample results are
unrepresentative of its discharge.

(4) If a user subject to the reporting requirement in this section
monitors any regulated pollutant at the appropriate sampling location more
frequently than required by IWDP, using the sampling procedures prescribed
in § 18-226(3) of this chapter, the results of this monitoring shall be included in
the report.

(5) The city may authorize the industrial user subject to a categorical
pretreatment standard to forego sampling of a pollutant regulated by a
categorical pretreatment standard if the industrial user has demonstrated
through sampling and other technical factors that the pollutant is neither
present nor expected to be present in the discharge, or is present only at
background levels from intake water and without any increase in the pollutant due to activities of the industrial user. This authorization is subject to the following conditions:

(a) The city may authorize a waiver where a pollutant is determined to be present solely due to sanitary wastewater discharged from the facility provided that the sanitary wastewater is not regulated by an applicable categorical standard and otherwise includes no process wastewater.

(b) The monitoring waiver is valid only for the duration of the effective period of the IWDP, but in no case longer than five (5) years. The user must submit a new request for the waiver before the waiver can be granted for each subsequent IWDP.

(c) In making a demonstration that a pollutant is not present, the industrial user must provide data from at least one (1) sampling of the facility's process wastewater prior to any treatment present at the facility that is representative of all wastewater from all processes. Non-detectable sample results may only be used as a demonstration that a pollutant is not present if the EPA approved method from 40 C.F.R. part 136 with the lowest minimum detection level for that pollutant was used in the analysis.

(d) The request for a monitoring waiver must be signed and certified in accordance with § 18-230 of this chapter.

(e) Any grant of the monitoring waiver by the city must be included as a condition in the user's IWDP. The reasons supporting the waiver and any information submitted by the user in its request for the waiver must be maintained by the city for three (3) years after expiration of the waiver.

(f) Upon approval of the monitoring waiver and revision of the user's IWDP by the city, the industrial user must certify on each report with the statement below, that there has been no increase in the pollutant in its wastestream due to activities of the industrial user:

   Based on my inquiry of the person or persons directly responsible for managing compliance with the Pretreatment Standard for 40 C.F.R. [applicable National Pretreatment Standard part(s)], I certify that, to the best of my knowledge and belief, there has been no increase in the level of [list pollutant(s)] in the wastewaters due to the activities at the facility since filing of the last periodic report under § 18-228 of the City Ordinance.

(g) In the event that a waived pollutant is found to be present or is expected to be present based on changes that occur in the user's operations, the user must immediately: comply with the monitoring requirements of § 18-228 of this chapter or other more frequent monitoring requirements imposed by the city, and notify the city.
(h) This provision does not supersede certification processes and requirements established in categorical pretreatment standards, except as otherwise specified in the categorical pretreatment standard.

(6) Where the city has imposed mass limitations on industrial users (as provided for by § 18-221(4) of this chapter) the report required by § 18-228 of this chapter shall indicate the mass of pollutants regulated by pretreatment standards in the discharge from the industrial user.

(7) For industrial users subject to equivalent mass or concentration limits (established by the city in accordance with the procedures in § 18-221(4) of this chapter), the report required by § 18-228 of this chapter shall contain a reasonable measure of the user's long-term production rate. For all other industrial users subject to categorical pretreatment standards expressed only in terms of allowable pollutant discharge per unit of production (or other measure of operation), the report required by § 18-228 of this chapter shall include the user's actual average production rate for the reporting period.

18-229. Maintenance of records. Users subject to the reporting requirements of this chapter shall retain, and make available for inspection and copying by the IPC, the city, TDEC, or EPA, all records of information obtained pursuant to any monitoring activities required by this ordinance, any additional records of information obtained pursuant to monitoring activities undertaken by the user independent of such requirements, and documentation associated with BMPs established in the user's IWDP.

(1) Records shall include:

(a) A chain of custody form acceptable to the city that includes the date, exact place, method, and time of sampling, the names of the persons taking the samples, and a record of handling up to and including delivery to and receipt by an analytical laboratory;

(b) The date(s) the analyses were performed;

(c) The person who performed the analyses;

(d) The signature of the person who performed the analyses;

(e) The analytical techniques/methods used; and

(f) The results of such analyses expressed in appropriate units.

(2) These records shall remain available for a period of at least three (3) years. This period of retention shall be automatically extended during the course of any unresolved litigation regarding the industrial user or POTW, or when requested by the IPC, the city, TDEC, or EPA.

18-230. Certifications of permit applications and user reports.

(1) The following certification statement is required to be signed and submitted by users submitting permit applications in accordance with
§§ 18-216(2) and 18-221(2) of this chapter and users submitting reports required by §§ 18-227 and 18-228 of this chapter. The following certification statement must be signed by an authorized representative of the user as defined in § 18-202 of this chapter:

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.

(2) If the designation of an authorized representative of a user is no longer accurate because a different individual or position has responsibility for the overall operation of the facility or overall responsibility for environmental matters for the company, a new written authorization satisfying the definition of § 18-202 of this chapter must be submitted to the IPC prior to or together with any reports to be signed by an authorized representative. (1980 Code, § 13-230, as replaced by Ord. #00-26, June 2001, and Ord. #10-25, Oct. 2010)

18-231. Enforcement response plan. The city shall prepare an ERP, as part of its industrial pretreatment program, to ensure that the city's responsibility to enforce all pretreatment requirements and standards will be met. The ERP shall outline various enforcement actions the city may take for specific violations of pretreatment standards and requirements. The city may review and update the ERP as needed in order to ensure compliance with the federal, state, and local ordinances and regulations. (1980 Code, § 13-231, as replaced by Ord. #00-26, June 2001, and Ord. #10-25, Oct. 2010)

18-232. Notification of violation. When IPC finds that a user has violated, or continues to violate, any provision of this ordinance, an IWDP, or order issued hereunder, or any other pretreatment standard or requirement, the city may serve upon said user a written notice of violation. Within ten (10) days of the receipt of such notice, the IPC may require a written explanation of the violation and a plan, to include specific required actions, for the satisfactory correction and prevention thereof, to be submitted by the user. Submission of such a plan in no way relieves the user of liability for any violations occurring before or after receipt of the notice of violation. Nothing in this section shall limit the authority of city to take any action, including emergency actions or any
other enforcement action, without first issuing a notice of violation. (1980 Code, § 13-232, as replaced by Ord. #00-26, June 2001, and Ord. #10-25, Oct. 2010)

18-233. Administrative orders. For the city to meet its responsibility to enforce all pretreatment standards and requirements, this ordinance provides the city legal authority to issue administrative orders as deemed necessary. Violations of significant noncompliance must be addressed with an administrative order. Failure of the city to issue any order to the noncompliant user shall not in any way relieve the user from any consequences of a wrongful or illegal discharge. An order shall become final and not subject to review unless the user named therein requests by written petition a hearing before the LHA as provided in § 18-234 no later than thirty (30) days after the date of such order is served; provided, however, that the LHA may review such final order on the same grounds upon which a court of the state may review default judgments.

(1) Cease and desist orders. When the IPC finds that a user has violated, or continues to violate, any provision of this ordinance, an IWDP, or order issued hereunder, or any other pretreatment standard or requirement, or that the user's past violations are likely to recur, the superintendent may, at the request of the IPC, issue to the user an order to cease and desist all such violations and directing the user to:
   (a) Immediately comply with all requirements; and
   (b) Take such appropriate remedial or preventive action as may be needed to properly address a continuing or threatened violation, including halting operations and/or terminating the discharge. Issuance of a cease and desist order shall not be a bar against, or a prerequisite for, taking any other action against the user.

(2) Compliance orders. When IPC finds that a user has violated, or continues to violate, any provision of this ordinance, an IWDP, or order issued hereunder, or any other pretreatment standard or requirement, the IPC may issue an order to the user responsible for the discharge directing that the user come into compliance within a specified time. If the user does not come into compliance within the time provided, sewer service may be discontinued unless adequate treatment facilities, devices, or other related appurtenances are installed and properly operated. Compliance orders also may contain other requirements to address the noncompliance, including additional self-monitoring and management practices designed to minimize the amount of pollutants discharged to the public sewer. A compliance order may not extend the deadline for compliance established for a pretreatment standard or requirement, nor does a compliance order relieve the user of liability for any violation, including any continuing violation. Issuance of a compliance order shall not be a bar against, or a prerequisite for, taking any other action against the user.

(3) Consent orders. The IPC may enter into consent orders, assurances of compliance, or other similar documents establishing an agreement with any user responsible for noncompliance. Such documents shall include
specific action to be taken by the user to correct the noncompliance within a time period specified by the document. Such documents shall have the same force and effect as the administrative orders issued pursuant to subsections (1) and (2) of this section and shall be judicially enforceable.

(4) **Show cause orders.** (a) The superintendent may order a user which has violated, or continues to violate, any provision of this ordinance, an IWDP, or order issued hereunder, or any other pretreatment standard or requirement, to appear before the superintendent, other personnel of the public works office, and/or the public, and show cause why more severe enforcement action should not be taken. Notice shall be served on the user specifying the time and place for the meeting, future enforcement actions, the reasons for such action, and a request that the user show cause why the proposed enforcement actions should not be taken. The notice of the meeting shall be served personally or by registered or certified mail (return receipt requested) at least fifteen (15) days prior to the hearing. Such notice may be served on any authorized representative of the user as defined in § 18-202 of this chapter and required by § 18-229(2) of this chapter. A show cause hearing shall not be a bar against, or prerequisite for, taking any other action against the user.

(b) The superintendent shall conduct the hearing and take the evidence, or may designate another person to act in his stead. The following guidelines will be used in conducting a show cause hearing.

(i) The superintendent shall issue, in the name of the city, notices of hearings requesting the attendance and testimony of witnesses and the production of evidence relevant to any matter involved in such hearings.

(ii) The superintendent may request that other city personnel present the evidence of the violation on behalf of the city.

(iii) The user may present relevant evidence to the city for review.

(c) At any hearing held pursuant to this ordinance, testimony taken must be under oath and recorded. The transcript, so recorded, will be made available to any member of the public or any party to the hearing upon payment of a charge set by the superintendent to cover the costs of preparation.

(d) After the superintendent has reviewed the evidence, he may instruct the IPC to issue further enforcement actions including, but not limited to, additional orders to the user responsible for the violation(s) directing that, following a specified time period, the sewer service be discontinued unless adequate treatment facilities, devices, or other related appurtenances shall have been installed on existing treatment facilities, and that these devices or other related appurtenances are

18-234. Submission of time schedule. When the superintendent finds that a user has violated any provision of this ordinance, an IWDP, or an order duly issued hereunder, or any other pretreatment standard or requirement, the superintendent may require the user to submit to the city, for approval, a detailed time schedule of specific actions the user shall take to halt the violation. The actions in this time schedule shall include any modifications as it deems necessary, in order to prevent or halt the violation(s). Such schedule shall be submitted to the IPC not less than thirty (30) days after the issuance of any order and shall comply with § 18-216(2)(e) of this chapter. (1980 Code, § 13-234, as replaced by Ord. #00-26, June 2001, and Ord. #10-25, Oct. 2010)

18-235. Appeals and enforcement hearings. (1) Appeal to superintendent. Any actions taken by the supervisor of collections, the WWTP chief operator, or the IPC in the daily administration of their duties may be appealed to the superintendent. Appeals shall be submitted, in writing, within thirty (30) days of said action. The superintendent shall respond as promptly as possible, but in no case greater than thirty (30) days from the receipt of such appeals.

(2) Appeal to the LHA. The LHA shall have and exercise the power, duty, and responsibility to hear appeals from orders issued and penalties or damages assessed by the superintendent, permit revocations, or modifications by the superintendent; and affirm, modify, or revoke such actions or orders of the superintendent. Any hearing brought before the LHA shall be conducted in accordance with the following:

(a) Upon receipt of a written petition from the alleged noncompliant user pursuant to this section, the superintendent shall give the petitioner a written notice at least thirty (30) days before the time and place of the hearing. In no case shall such hearing be held more than sixty (60) days after the receipt of the written petition, unless the superintendent and the petitioner agree to a postponement;

(b) The LHA, at a regular or special meeting, may conduct the hearing herein provided. A quorum of the LHA must be present at the regular or special meeting in order to conduct the hearing herein provided;

(c) A verbatim record of the proceedings of such hearings shall be taken and filed with the LHA, together with the findings of fact and conclusions of law made pursuant to § 18-235(2)(g) of this chapter. The transcript so recorded shall be made available to the petitioner or any party to a hearing upon payment of a charge set by the superintendent to cover the costs of preparation;
(d) In connection with the hearing, the chairman of the LHA shall issue subpoenas in response to any reasonable request by any party to the hearing requiring the attendance and testimony of witnesses and the production of evidence relevant to any matter involved in the hearing. In case of contumacy or refusal to obey a notice of hearing or subpoena issued under this section, the chancery court of the county in which the pretreatment agency is located shall have jurisdiction upon the application of the LHA or the superintendent to issue an order requiring such person to appear and testify or produce evidence as the case may require and any failure to obey such order of the court may be punished by such court as contempt thereof;

(e) Any member of the LHA may administer oaths and examine witnesses;

(f) The superintendent or his designated representative shall act on the city's behalf to present evidence, relevant to the issues at hand, to the LHA;

(g) On the basis of the evidence produced at the hearing, the LHA shall make findings of fact and conclusions of law and enter such decisions and orders as in its opinion will best further the purposes of the pretreatment program and shall give written notice of such decisions and orders to the alleged noncompliant user. The chairman of the LHA shall issue any order issued by the LHA no later than thirty (30) days following the close of the hearing;

(h) The decision of the LHA shall become final and binding on all parties unless appealed to the courts as provided in § 18-235(2)(j) of this chapter;

(i) Any user to whom an emergency suspension order is directed pursuant to § 18-237 of this chapter shall comply therewith immediately, but on petition to the LHA, shall be afforded a hearing as soon as possible. In no case shall such hearing be held by the LHA later than three (3) days from the receipt of such petition; and

(j) An appeal may be taken from any final order or other final determination of the LHA by any party, including to the approval authority, who is or may be adversely affected thereby, to the chancery court pursuant to the common law writ of certiorari set out in Tennessee Code Annotated, § 27-8-101 not later than sixty (60) days from the date such order or determination is made. (1980 Code, § 13-235, as replaced by Ord. #00-26, June 2001, and Ord. #10-25, Oct. 2010)

18-236. Legal action. If a user violates or continues to violate any provision of this ordinance, an IWDP, or order issued hereunder, or any pretreatment standard or requirement, the superintendent may petition the city attorney to commence an action for appropriate legal and/or equitable relief through the chancery court of this county. A petition for injunctive relief shall
not be a bar against, or a prerequisite for, taking any other action against the user. (1980 Code, § 13-236, as replaced by Ord. #00-26, June 2001, and Ord. #10-25, Oct. 2010)

18-237. **Emergency termination of sewer service.** The superintendent or his duly authorized representative may immediately suspend a user's discharge, after informal notice to the user, whenever such suspension is necessary to stop an actual or threatened discharge to the POTW of any pollutant that, in the opinion of the superintendent or his duly authorized representative, presents or may present an imminent and substantial endangerment to the health or welfare of persons, that threatens to interfere with the operation of the POTW, or that presents or may present an endangerment to the environment. The superintendent or his duly authorized representative shall immediately notify the mayor of the nature of the emergency suspension. The superintendent shall also attempt to notify the user or other person causing the emergency and request their assistance. The superintendent shall restore such service as soon as the emergency situation has been abated or corrected.

(1) Any user notified of a suspension of its sewer service shall immediately stop or eliminate its contribution. In the event of a user's failure to immediately comply voluntarily with the emergency suspension order, the city may take such steps as deemed necessary, including immediate severance of the sewer connection, to prevent or minimize damage to the POTW, the environment, or endangerment to any individuals. The city may allow the user to recommence its discharge when the user has demonstrated to the satisfaction of the city that the period of endangerment has passed, unless the permit revocation proceedings as provided in § 18-216(8) of this chapter are initiated against the user.

(2) A user that is responsible, in whole or in part, for any discharge presenting imminent endangerment shall submit a detailed written statement, describing the causes of the harmful contribution and the measures taken to prevent any future occurrence, to the city prior to the date of any show cause or permit revocation hearing. Nothing in this section shall be interpreted as requiring a hearing prior to any emergency termination of sewer service. (1980 Code, § 13-237, as replaced by Ord. #00-26, June 2001, and Ord. #10-25, Oct. 2010)

18-238. **Public nuisances.** A violation of any provision of this ordinance, an IWDP, an order issued hereunder, or any other pretreatment standard or requirement, is hereby declared a public nuisance and shall be corrected or abated as directed by the superintendent. Any person(s) creating a public nuisance shall be subject to the provisions of city ordinances governing such nuisances, including reimbursing the city for any costs incurred in
removing, abating, or remedying said nuisance. (1980 Code, § 13-238, as replaced by Ord. #00-26, June 2001, and Ord. #10-25, Oct. 2010)

18-239. **Correction of violation and collection of costs.** In order to enforce the provisions of this ordinance, the superintendent shall correct any violation hereof. The cost of such correction shall be payable by the user violating the ordinance or the owner or tenant of the property upon which the violation occurred. The city shall have such remedies for the collection of such costs as it has for the collection of sewer service charges. (1980 Code, § 13-239, as replaced by Ord. #00-26, June 2001, and Ord. #10-25, Oct. 2010)

18-240. **Damage to POTW facilities.** When a discharge of wastewater or wastes causes an obstruction, damage, or any other physical or operational impairment to the POTW, the city shall assess a charge against the user for the work required to clean or repair the POTW. At the superintendent's discretion, these costs may either be billed separately or added to the user's sewer charge. (1980 Code, § 13-240, as replaced by Ord. #00-26, June 2001, and Ord. #10-25, Oct. 2010)

18-241. **Liabilities.** (1) **Civil liability.** Any person or user who violates any provision of this ordinance, an IWDP, or an order duly issued hereunder, or any other pretreatment standard or requirement, shall be liable civilly. The city may sue for such damage in any court of competent jurisdiction. In determining the damages, the court shall take into consideration all relevant circumstances, including, but not limited to, the extent of harm caused by the violation, the nature and persistence of the violation, the length of time over which the violation occurs, and the corrective action, if any.

(2) **Criminal liability.** The city shall maintain the authority to seek criminal penalties in addition to any civil penalties under certain circumstances involving evidence of intentional, willful, or knowing violations or criminal negligence. In particular, any person or user who intentionally, willfully, knowingly, or with criminal negligence violates any provision of this ordinance, an IWDP, or an order duly issued hereunder, or any other pretreatment standard or requirement, shall be criminally liable and assessed criminal penalties. (1980 Code, § 13-241, as replaced by Ord. #00-26, June 2001, and Ord. #10-25, Oct. 2010)

18-242. **Publication of users in significant noncompliance.** The IPC shall publish annually, in a newspaper of general circulation that provides meaningful public notice within the jurisdictions served by the POTW, a list of the users that, at any time during the previous twelve (12) months, were in significant noncompliance with applicable pretreatment standards and requirements. The term significant noncompliance shall be applicable to a SIU
(or any other industrial user that violates subsections (3), (4), or (8) of this section) if its violation meets one (1) or more of the following criteria:

1. Chronic violations of wastewater pollutant limits, defined here as those in which sixty-six percent (66%) or more of all the measurements taken for the same pollutant during a six-month period exceed (by any magnitude) a numeric pretreatment standard or requirement, including instantaneous limits as defined in § 18-202 of this chapter;

2. Technical Review Criteria (TRC) violations, defined here as those in which thirty-three percent (33%) or more of all the measurements taken for a pollutant during a six-month period equal or exceed the product of the numeric pretreatment standard or requirement including instantaneous limits, as defined by § 18-202 of this chapter, multiplied by the applicable TRC (TRC = 1.4 for BOD, TSS, FOG, and 1.2 for all other pollutants except pH);

3. Any other violation of a pretreatment standard or requirement as defined by § 18-202 of this chapter (daily maximum limit, monthly average limit, instantaneous limit, or narrative standard) that the IPC determines has caused, alone or in combination with other discharges, interference or pass through, including endangering the health of city personnel or the general public;

4. Any discharge of a pollutant that has caused imminent endangerment to the public or to the environment, or has resulted in the city's exercise of its emergency authority to halt or prevent such a discharge;

5. Failure to meet, within ninety (90) days of the scheduled date, a compliance schedule milestone contained in an IWDP or enforcement order for starting construction, completing construction, or attaining final compliance;

6. Failure to provide within forty-five (45) days after the due date, required reports such as baseline monitoring reports, compliance reports, periodic self-monitoring reports, and reports on compliance with compliance schedules;

7. Failure to accurately report noncompliance; or

8. Any other violation or group of violations, which may include a violation of BMPs, which the IPC determines will adversely affect the operation or implementation of the city's industrial pretreatment program. (1980 Code, § 13-242, as replaced by Ord. #00-26, June 2001, and Ord. #10-25, Oct. 2010)

18-243. Penalties. Issuance of a penalty shall not be a bar against, or prerequisite for, taking any other action against the user.

1. Civil penalties. (a) Any person or user who is found to have violated any provision of this ordinance, an IWDP, or an order duly issued hereunder, or any other pretreatment standard or requirement, may be penalized not less than one thousand dollars ($1,000.00) but not more than ten thousand dollars ($10,000.00) per violation. Each day in which a violation shall occur or continue to occur shall be deemed a separate and distinct violation. In addition to the penalties provided herein, the city may recover reasonable attorney's fees, court costs, court reporters'
fees, and other expenses of litigation by appropriate suit at law against
the person or user found to have violated any provision of this ordinance,
an IWDP, or an order duly issued hereunder, or any other pretreatment
standard or requirement.

(b) Unpaid charges, fines, and penalties shall, after seven (7)
calendar days of the due date, be assessed an additional penalty of
twenty-five percent (25%) of the unpaid balance.

(c) Any person or user desiring to dispute such penalties may
secure a review of such assessment by filing with the superintendent a
written petition setting forth the grounds and reasons for the objections
and asking for a hearing in the matter involved before the city’s LHA as
per the provisions of § 18-235 of this chapter. If a petition for review of
the assessment is not filed within thirty (30) days after the date the
assessment is served, the said user shall be deemed to have consented to
the assessment and it shall become final. Upon receipt of a written
petition from the alleged said user pursuant to this section, the
superintendent shall give the petitioner a written notice thirty (30) days
prior to the meeting indicating the time and place of the hearing; in no
case shall such hearing be held more than sixty (60) days from the receipt
of the written petition, unless the superintendent and the petitioner
agree to a postponement.

(2) Prosecution. Nothing in this ordinance shall be construed as to
prohibit criminal prosecution for a violation of any provision of this ordinance,
an IWDP, or an order duly issued hereunder, or any other pretreatment
standard or requirement, by the city or other duly constituted government
authority or a civil action by the city or other private person or entity. (1980
Code, § 13-243, as replaced by Ord. #00-26, June 2001, and Ord. #10-25, Oct.
2010)

18-244. Falsifying information. Any person or user who knowingly
makes any false statements, representation, or certification in any application,
record, report, plan, or other document filed or required to be maintained
pursuant to this ordinance or IWDP, or who falsifies, tampers with, or
knowingly renders inaccurate any monitoring device or method required under
this ordinance or IWDP, shall, upon conviction, be punished by a fine of not less
than five thousand dollars ($5,000.00) or by imprisonment for not more than six
(6) months, or both. (1980 Code, § 13-244--13-252, as replaced by Ord. #00-26,

18-245. Purpose of charges, fees and billings. It is the purpose of the
following sections to provide for the equitable recovery of costs from users of the
POTW including, but not limited to, costs of operation, maintenance,
replacement, administration, bond service costs, capital improvements, and
depreciation. (as added by Ord. #00-26, June 2001, and replaced by Ord. #10-25, Oct. 2010)

18-246. Types of charges, fees, and billings. The charges, fees, and billings as established in the city's schedule of charges, fees, and billings may include, but not be limited to:

(1) Inspection fee and tapping fee for connection of building sewers;
(2) Fees for IWDP applications;
(3) Mandated repairs to service lines;
(4) Industrial discharge compliance monitoring fees;
(5) Holding tank haulers permit fees;
(6) Holding tank hauler tipping fees;
(7) Underground storage tank wastewater permit fee;
(8) Inspection and monitoring fees associated with the grease management plan;
(9) Appeal fees; and
(10) Fees for reviewing slug control plans. (as added by Ord. #00-26, June 2001, and replaced by Ord. #10-25, Oct. 2010)

18-247. Base sewer charges. (1) Determination of sewer charges. The city shall establish monthly rates and charges for the use of the POTW and for the services provided by the city to the POTW. Said charges shall be based upon the cost categories of administration costs, including billing and accounting costs; operation and maintenance costs of the POTW; debt service costs; and general replacement costs.

(a) All users shall pay a sewer charge expressed as dollars per one thousand (1,000) gallons of water purchased ($/1,000 gallons) with the unit charge being determined in accordance with the following formula:

\[ C_i = \frac{T.S.C.}{V_t} \]

Where:

\[ C_i \] = Base unit charge in $/1,000 gallons applicable to users.
\[ T.S.C. \] = Total operation, maintenance, minor equipment replacement, administration, and debt service costs determined by yearly budget projections.
\[ V_t \] = Total volume of water in one thousand (1,000) gallons purchased by all users per year as determined from projections from one city fiscal year to the next.

(b) The volume of water purchased that is used in the calculation of sewer charges may be adjusted by the city if a user purchases a significant volume of water for use that does not result in its
discharge to the POTW (e.g., filling swimming pools, industrial heating, and humidifying equipment, etc.). The user shall be responsible for documenting the quantity of wastewater discharged to the POTW. The accuracy of the equipment used to determine the quantity of wastewater discharged into the POTW must be verified by accepted scientific methods, installed and maintained in accordance to manufacturers' recommendations, and approved by the city. The city reserves the right to approve all methods used for this purpose.

(c) All "available users" shall pay only the established monthly minimum sewer rate for residential inside city.

(2) Discharge violations. Discharges from any user in excess of a pollutant concentration listed in Table A of this ordinance will be considered a violation of this ordinance and will be enforced in accordance with the ERP. (as added by Ord. #00-26, June 2001, replaced by Ord. #10-25, Oct. 2010, and amended by Ord. #16-49, Nov. 2016)

18-248. Billing. The billing for normal domestic wastewater services shall consist of monthly billing in accordance with the rates and schedules specified by the city and in accordance with article 13-11-1 of the City Code Annotated. (as added by Ord. #00-26, June 2001, and replaced by Ord. #10-25, Oct. 2010)

18-249. Review of operation and maintenance charges. The user charge method provided in § 18-247 of this chapter will be reviewed as deemed necessary. The total wastewater contribution of users and the total cost of operation and maintenance of the system will be reviewed to assess the need for revision of the sewer base unit charge. (as added by Ord. #00-26, June 2001, and replaced by Ord. #10-25, Oct. 2010)

18-250. Validity. (1) All ordinances or parts of ordinances in conflict herewith are hereby repealed.

(2) The validity of any section, clause, sentence, or provision of this ordinance shall not affect the validity of any other part of this ordinance, which can be given effect without such invalid part or parts.

(3) This ordinance and its provisions shall be valid for all service areas, regions, and POTWs under the jurisdiction of the city. (as added by Ord. #00-26, June 2001, and replaced by Ord. #10-25, Oct. 2010)

18-251. Ordinance in force. That this ordinance take effect after its passage on second and final reading, amending Ordinance No. 299 passed December 7, 1980, Ordinance No. 328 passed January 15, 1985 Ordinance No. 465 passed March 7, 1994 Ordinance No. 00-26 passed June 4, 2001 and Ordinance No. 10-25 passed October 4, 2010, the public welfare requiring it. (as
added by Ord. #00-26, June 2001, and replaced by Ord. #10-25, Oct. 2010, and Ord. #16-49, Nov. 2016)

18-252. [Deleted.] (as added by Ord. #00-26, June 2001, and deleted by Ord. #10-25, Oct. 2010)

18-253. [Deleted.] (as added by Ord. #00-26, June 2001, and deleted by Ord. #10-25, Oct. 2010)

18-254. [Deleted.] (as added by Ord. #00-26, June 2001, and deleted by Ord. #10-25, Oct. 2010)
CHAPTER 3
SEWAGE AND HUMAN EXCRETA DISPOSAL

SECTI ON
18-301. Definitions.
18-302. Places required to have sanitary disposal methods.
18-303. When a connection to the public sewer is required.
18-304. When a septic tank shall be used.
18-305. Registration and records of septic tank cleaners, etc.
18-306. Use of pit privy or other method of disposal.
18-307. Approval and permit required for septic tanks, privies, etc.
18-308. Owner to provide disposal facilities.
18-309. Occupant to maintain disposal facilities.
18-310. Only specified methods of disposal to be used.
18-311. Discharge into watercourses restricted.
18-312. Pollution of ground water prohibited.
18-313. Enforcement of chapter.
18-314. Carnivals, circuses, etc.
18-315. Violations.

18-301. Definitions. The following definitions shall apply in the interpretation of this chapter:

1. "Accessible sewer." A public sanitary sewer located in a street or alley abutting on the property in question or otherwise within two hundred (200) feet of any boundary of said property measured along the shortest available right-of-way.

2. "Health officer." The person duly appointed to such position having jurisdiction, or any person or persons authorized to act as his agent.

4. "Sewage." All water-carried human and household wastes from residences, buildings, or industrial establishments.

5. "Approved septic tank system." A watertight covered receptacle of monolithic concrete, either precast or cast in place, constructed according to plans approved by the health officer. Such tanks shall have a capacity of not less than 750 gallons and in the case of homes with more than two (2) bedrooms the capacity of the tank shall be in accordance with the recommendations of the Tennessee Department of Health as provided for in its 1958 bulletin entitled "Recommended Construction of Septic Tanks and Disposal Fields for Residential Municipal code reference Plumbing code: title 12, chapter 2.
Uses." A minimum liquid depth of four (4) feet should be provided with a minimum depth of air space above the liquid of one (1) foot. The septic tank dimensions should be such that the length from inlet to outlet is at least twice but not more than three (3) times the width. The liquid depth should not exceed five (5) feet. The discharge from the septic tank shall be disposed of in such a manner that it may not create a nuisance on the surface of the ground or pollute the underground water supply, and such disposal shall be in accordance with recommendations of the health officer as determined by acceptable soil percolation data.

(6) "Sanitary pit privy." A privy having a fly-tight floor and seat over an excavation in earth, located and constructed in such a manner that flies and animals will be excluded, surface water may not enter the pit, and danger of pollution of the surface of the ground or the underground water supply will be prevented.

(7) "Other approved method of sewage disposal." Any privy, chemical toilet, or other toilet device (other than a sanitary sewer, septic tank, or sanitary pit privy as described above) the type, location, and construction of which have been approved by the health officer.

(8) "Watercourse." Any natural or artificial drain which conveys water either continuously or intermittently. (1980 Code, § 8-201)

18-302. Places required to have sanitary disposal methods. Every residence, building, or place where human beings reside, assemble, or are employed within the corporate limits shall be required to have a sanitary method for disposal of sewage and human excreta. (1980 Code, § 8-202)

18-303. When a connection to the public sewer is required. Wherever an accessible sewer exists and water under pressure is available, approved plumbing facilities shall be provided and the wastes from such facilities shall be discharged through a connection to said sewer made in compliance with the requirements of the official responsible for the public sewerage system. On any lot or premise accessible to the sewer no other method of sewage disposal shall be employed. (1980 Code, § 8-203)

18-304. When a septic tank shall be used. Wherever water carried sewage facilities are installed and their use is permitted by the health officer, and an accessible sewer does not exist, the wastes from such facilities shall be discharged into an approved septic tank system.

No septic tank or other water-carried sewage disposal system except a connection to a public sewer shall be installed without the approval of the health officer or his duly appointed representative. The design, layout, and construction of such systems shall be in accordance with specifications approved by the health officer and the installation shall be under the general supervision of the department of health. (1980 Code, § 8-204)
18-305. Registration and records of septic tank cleaners, etc. Every person, firm, or corporation who operates equipment for the purpose of removing digested sludge from septic tanks, cesspools, privies, and other sewage disposal installations on private or public property must register with the health officer and furnish such records of work done within the corporate limits as may be deemed necessary by the health officer. (1980 Code, § 8-205)

18-306. Use of pit privy or other method of disposal. Wherever a sanitary method of human excreta disposal is required under the section above designated as "Places required to have sanitary disposal methods", and water-carried sewage facilities are not used, a sanitary pit privy or other approved method of disposal shall be provided. (1980 Code, § 8-206)

18-307. Approval and permit required for septic tanks, privies, etc. Any person, firm, or corporation proposing to construct a septic tank system, privy, or other sewage disposal facility, requiring the approval of the health officer under this chapter, shall before the initiation of construction obtain the approval of the health officer for the design and location of the system and secure a permit from the health officer for such system. (1980 Code, § 8-207)

18-308. Owner to provide disposal facilities. It shall be the duty of the owner of any property upon which facilities for sanitary sewage or human excreta disposal are required by, or the agent of the owner to provide such facilities. (1980 Code, § 8-208)

18-309. Occupant to maintain disposal facilities. It shall be the duty of the occupant, tenant, lessee, or other person in charge to maintain the facilities for sewage disposal in a clean and sanitary condition at all times and no refuse or other material which may unduly fill up, clog, or otherwise interfere with the operation of such facilities shall be deposited therein. (1980 Code, § 8-209)

18-310. Only specified methods of disposal to be used. No sewage or human excreta shall be thrown out, deposited, buried, or otherwise disposed of, except by a sanitary method of disposal as specified in this chapter. (1980 Code, § 8-210)

18-311. Discharge into watercourses restricted. No sewage or excreta shall be discharged or deposited into any lake or watercourse except under conditions specified by the health officer and specifically authorized by the Tennessee Stream Pollution Control Board. (1980 Code, § 8-211)
18-312. **Pollution of ground water prohibited.** No sewage, effluent from a septic tank, sewage treatment plant, or discharges from any plumbing facility shall empty into any well, either abandoned or constructed for this purpose, cistern, sinkhole, crevice, ditch, or other opening either natural or artificial in any formation which may permit the pollution of ground water. (1980 Code, § 8-212)

18-313. **Enforcement of chapter.** It shall be the duty of the health officer to make an inspection of the methods of disposal of sewage and human excreta as often as is considered necessary to insure full compliance with the terms of this chapter. Written notification of any violation shall be given by the health officer to the person or persons responsible for the correction of the condition, and correction shall be made within forty-five (45) days after notification. If the health officer shall advise any person that the method by which human excreta and sewage is being disposed of constitutes an immediate and serious menace to health such person shall at once take steps to remove the menace, and failure to remove such menace immediately shall be punishable under the general penalty clause for this code; but such person shall be allowed the number of days herein provided within which to make permanent correction. (1980 Code, § 8-213)

18-314. **Carnivals, circuses, etc.** Whenever carnivals, circuses, or other transient groups of persons come within the corporate limits such groups of transients shall provide a sanitary method for disposal of sewage and human excreta. Failure of a carnival, circus, or other transient group to provide such sanitary method of disposal and to make all reasonable changes and corrections proposed by the health officer shall constitute a violation of this section. In these cases the violator shall not be entitled to the notice of forty-five (45) days provided for in the preceding section. (1980 Code, § 8-214)

18-315. **Violations.** Any person, persons, firm, association, or corporation or agent thereof, who shall fail, neglect, or refuse to comply with the provisions of this chapter shall be deemed guilty of a misdemeanor and shall be punishable under the general penalty clause for this code. (1980 Code, § 8-215)
CHAPTER 4

CROSS CONNECTIONS, AUXILIARY INTAKES, ETC.¹

SECTION
18-401. Definitions.
18-402. Water system to comply with law, rules, etc.
18-403. Cross connections unlawful; exception.
18-404. Statements.
18-405. Inspections.
18-406. Right of entry.
18-407. Time for compliance.
18-408. Protective devices.
18-409. Unpotable water supply.
18-410. Application of this chapter.
18-411. Violations.

18-401. Definitions. The following definitions and terms shall apply in the interpretation and enforcement of this chapter:

1) "Public water system." The waterworks system furnishing water to Portland for general use and which supply is recognized as the public water supply by the Tennessee Department of Health.

2) "Cross connection." Any physical arrangement whereby the public water system is connected, directly or indirectly, with any other water supply system, whether sewer, drain, conduit, pool, storage reservoir, plumbing fixture, or other device which contains, or may contain, contaminated water, sewage, or other waste or liquid of unknown or unsafe quality which may be capable of imparting contamination to the public water system as a result of backflow. By-pass arrangements, jumper connections, removable sections, swivel or change-over devices through which, or because of which, backflow could occur are considered to be cross connections.

3) "Auxiliary intake." Any water supply, on or available to premises, other than that directly supplied by the public water system.

4) "By-pass." Any system of piping or other arrangement whereby the water may be diverted around a backflow prevention device.

5) "Interconnection." Any system of piping or other arrangement whereby the public water supply is connected directly with a sewer, drain, conduit, pool, storage reservoir, or other device which does or may contain

¹Municipal code references
   Plumbing code: title 12.
   Water and sewer system administration: title 18.
   Wastewater treatment: title 18.
sewage or other waste or liquid which would be capable of imparting contamination to the public water system.

(6) "Person." Any individual, corporation, company, association, partnership, state, municipality, utility district, water cooperative, or federal agency.

(7) "Approved." To mean that the device or method is accepted by the Tennessee Department of Environment and Conservation and the City of Portland Water Distribution Department Head, or state certified backflow tester, as meeting specifications suitable for the intended purpose.

18-402. Water system to comply with law, rules, etc. The Portland Water System is to comply with Tennessee Code Annotated, §§ 68-221-701 through 68-221-720 as well as the Rules and Regulations for Public Water Systems, legally adopted in accordance with this code, which pertain to cross connections, auxiliary intakes, by-passes, and interconnections, and establish an effective ongoing program to control these undesirable water uses. (1980 Code, § 8-302, as amended by Ord. #04-05, Feb. 2004)

18-403. Cross connections unlawful; exception. It shall be unlawful for any person to cause a cross connection to be made, or allow one to exist for any purpose whatsoever, unless the construction and operation of same have been approved by the Tennessee Department of Environment and Conservation and the operation of such cross connection, auxiliary intake, by-pass or interconnection is at all times under the direct supervision of the Portland Public Water System. (1980 Code, § 8-303, as amended by Ord. #04-05, Feb. 2004)

18-404. Statements. Any person whose premises are supplied with water from the public water supply and who also has on the same premises a separate source of water supply, or stores water in an uncovered or unsanitary storage reservoir from which the water stored therein is circulated through a piping system, shall file with the superintendent of public works, a statement of the non-existence of unapproved or unauthorized cross connections, auxiliary intakes, by-passes, or interconnections. Such statement shall also contain an agreement that no cross connection, auxiliary intake, by-pass, or interconnection will be permitted upon the premises. (1980 Code, § 8-304)

18-405. Inspections. It shall be the duty of the superintendent of the public water system to cause inspections to be made of all properties served by the public water supply where cross connections with the public water supply
are deemed possible. The frequency of inspections and reinspections based on potential health hazards involved, shall be established by the Superintendent of the Portland Public Water System and as approved by the Tennessee Department of Environment and Conservation. (1980 Code, § 8-305, as amended by Ord. #04-05, Feb. 2004)

18-406. **Right of entry.** The superintendent, or his authorized representative shall have the right to enter, at any reasonable time, any property served by a connection to the Portland Public Water System for the purpose of inspecting the piping system or systems therein for cross connections, auxiliary intakes, by-passes, or interconnections or for the testing of backflow prevention devices. On request, the owner, lessee, or occupant of any property so served shall furnish to the inspection agency any pertinent information regarding the piping system or systems on such property. The refusal of such information or refusal of access, when requested, shall be deemed evidence of the presence of cross connections. (1980 Code, § 8-306, as amended by Ord. #04-05, Feb. 2004)

18-407. **Time for compliance.** Any person who now has cross connections, auxiliary intakes, by-passes, or interconnections in violation of the provisions of this chapter shall be allowed a reasonable time within which to comply with the provisions of this chapter. After a thorough investigation of existing conditions and an appraisal of the time required to complete the work, the amount of time shall be designated by the Superintendent of the Portland Public Water System or the designated agent, depending on the degree of hazard, but in no case shall the time for correction exceed thirty (30) days.

The failure to correct conditions threatening the safety of the public water system as prohibited by this chapter and the Tennessee Code Annotated, § 68-221-711, within a reasonable time and within the time limits set by the Portland Public Water System shall be grounds for denial of water service. If proper protection has not been provided no more than thirty (30) days, the utility shall give the customer legal notification that water service is to be discontinued and shall physically separate the public water system from the customer's on-site piping system in such a manner that the two systems cannot again be connected by an unauthorized person subject to the right of a due process hearing upon timely request. The due process hearing may follow disconnection when the risk to public health and safety in the opinion of the public works superintendent, or the water distribution supervisor, warrant disconnection prior to a due process hearing.

Where cross connections, interconnections, auxiliary intakes, or by-passes are found that constitute an extreme hazard of immediate concern of contaminating the public water system, the management of the water supply shall require that immediate corrective action be taken to eliminate the threat to the public water system. Immediate steps shall be taken to disconnect the
public water supply from the on-site piping system unless the imminent hazard(s) is (are) corrected immediately. (1980 Code, § 8-307, as amended by Ord. #04-05, Feb. 2004)

18-408. Protective devices. Where the nature of use of the water supplied to premises by the water department is such that it is deemed:

1. Impractical to provide an effective air-gap separation.
2. That the owner and/or occupant of the premises cannot, or is not willing, to demonstrate to the public works superintendent, or his designated representative, that the water use and protective features of the plumbing are such as to propose no threat to the safety or potability of the water system.
3. That the nature and mode of operation within a premises are such that frequent alterations are made to the plumbing.
4. There is a likelihood that protective measures may be subverted, altered, or disconnected.
5. The public works superintendent, or his designated representative, shall require the use of an approved protective device on the service line serving the premises to assure that any contamination that may originate in the customer's premises is contained therein.
6. The protective device shall be a reduced pressure zone type backflow preventer approved by the Tennessee Department of Environment and Conservation and the public works superintendent, or state certified tester, as to manufacture, model, size, and application. The method of installation of backflow protective devices shall be approved by the public works superintendent, or his designated representative, prior to installation and shall comply with the criteria set forth by the Tennessee Department of Environment and Conservation. The installation shall be at the expense of the owner or occupant of the premises.
7. Applications requiring backflow prevention devices include, but are not limited to, service and/or fire flow connections for most commercial and educational buildings, construction sites, all industrial, institutional, and medical facilities, all fountains, lawn irrigation systems, swimming pools, softeners and other point of use treatment systems, locations where the nature of the premises is such that the use of the structure may change to a use wherein backflow prevention is required, and all fire hydrant connections other than by the fire department in combating fires.
8. Personnel of the City of Portland Water Department System shall have the right to inspect and test the device or devices on an annual basis or whenever deemed necessary by the public works superintendent, or his designated representative. Water service shall not be disrupted to test the device without the knowledge of the occupant of the premises.
9. Where the use of water is critical the continuance of normal operations or protection of life, property, or equipment, duplicate units shall be provided to void the necessity of discontinuing water service to test or repair the
protective device or devices. Where it is found that only one unit has been installed and the continuance of service is critical, the public works superintendent, or his designated representative, shall notify, in writing, the occupant of the premises of plans to discontinue water serviced and arrange for a mutually acceptable time to test and/or repair the device. The water system shall require the occupant of the premises to make all repairs indicated promptly, to keep the unit(s) working properly, and the expense of such repairs shall be borne by the owner or occupant of the premises. Repairs shall be made by qualified personnel acceptable to the public works superintendent, or his designated representative.

(10) The failure to maintain backflow prevention device(s) in proper working order shall be grounds for discontinuing water service to a premises. Likewise, the removal, by-passing, or altering of the protective device(s) or the installation thereof so as to render the device(s) ineffective shall constitute grounds for discontinuance of water service. Water service to such premises shall not be restored until the customer has corrected or eliminated such conditions or defects to the satisfaction of the public works superintendent or his designated representative. (1980 Code, § 8-308, as amended by Ord. #04-05, Feb. 2004)

18-409. Unpotable water supply. The potable water system made available to premises served by the public water supply shall be protected from possible contamination as specified herein. Any water outlet which could be used for potable or domestic purposes and which is not supplied by the potable system must be labeled in a conspicuous manner as:

WATER UNSAFE FOR DRINKING

Minimum acceptable sign shall have black letters at least one-inch high located on a red background. (1980 Code, § 8-309)

18-410. Application of this chapter. The requirements contained herein shall apply to all premises served by the Portland Public Water System whether located inside or outside the corporate limits and are hereby made part of the conditions required to be met for the city to provide water services to any premises. Such action, being essential for the protection of water distribution system against the entrance of contamination which may render the water unsafe healthwise, or otherwise undesirable, shall be enforced rigidly without regard to location of the premises, whether inside or outside the Portland Corporate Limits.

Any owner or occupant of a premises that shall be required to install backflow prevention devices shall be required to meet all other criteria as
provided in the City of Portland's Cross Connection Plan in addition to the requirements provided herein. (1980 Code, § 8-310, as amended by Ord. #04-05, Feb. 2004)

18-411. Violations. Any person who neglects or refuses to comply with any of the provisions of this chapter shall be deemed guilty of a misdemeanor and, upon conviction therefor, shall be fined not less than ten dollars ($10.00) nor more than one hundred dollars ($100.00), and each day of continued violation after conviction shall constitute a separate offense. (1980 Code, § 8-311)
CHAPTER 5

STORMWATER MANAGEMENT

SECTION

18-503. Waivers.
18-504. Stormwater system design: construction and permanent stormwater management.
18-505. Permanent stormwater management: operation, maintenance, and inspection.
18-506. Riparian buffer requirements.
18-507. Existing locations and ongoing developments.
18-508. Illicit discharges.
18-509. Enforcement.
18-510. Penalties.
18-511. Appeals.

18-501. General provisions. (1) Purpose. It is the purpose of this chapter to:

(a) Protect, maintain, and enhance the environment of the City of Portland and the public health, safety and the general welfare of the citizens of the city, by controlling discharges of pollutants to the city's stormwater system and to maintain and improve the quality of the receiving waters into which the stormwater outfalls flow, including, without limitation, lakes, rivers, streams, ponds, wetlands, and groundwater of the city;

(b) Enable the city to comply with the National Pollution Discharge Elimination System permit (NPDES) and applicable regulations, 40 CFR 122.26 for stormwater discharges;

(c) Allow the city to exercise the powers granted in Tennessee Code Annotated, § 68-221-1105, which provides that, among other powers cities have with respect to stormwater facilities, is the power by ordinance or resolution to:

(i) Exercise general regulation over the planning, location, construction, and operation and maintenance of stormwater facilities in the city, whether or not owned and operated by the city;

(ii) Adopt any rules and regulations deemed necessary to accomplish the purposes of this statute, including the adoption of a system of fees for services and permits;
(iii) Establish standards to regulate the quantity of stormwater discharged and to regulate stormwater contaminants as may be necessary to protect water quality;

(iv) Review and approve plans and plats for stormwater management in proposed subdivisions or commercial developments;

(v) Issue permits for stormwater discharges, or for the construction, alteration, extension, or repair of stormwater facilities;

(vi) Suspend or revoke permits when it is determined that the permittee has violated any applicable ordinance, resolution, or condition of the permit;

(vii) Regulate and prohibit discharges into stormwater facilities of sanitary, industrial, or commercial sewage or waters that have otherwise been contaminated; and

(viii) Expend funds to remediate or mitigate the detrimental effects of contaminated land or other sources of stormwater contamination, whether public or private.

(2) **Administering entity.** The city engineer shall administer the provisions of this chapter.

(3) **Stormwater management ordinance.** The intended purpose of this ordinance is to safeguard property and public welfare by regulating stormwater drainage and requiring temporary and permanent provisions for its control. It should be used as a planning and engineering implement to facilitate the necessary control of Stormwater.

(4) **Jurisdiction.** The stormwater management ordinance shall govern all properties within the corporate limits of the City of Portland, Tennessee.

(a) Exemptions from article. The following development activities shall be exempt from the provisions of this article and requirements of providing stormwater management:

(i) Agricultural land management activities.

(ii) Additions or modifications to existing detached single-family dwellings that disturb less than one acre and not part of a larger common plan of development.

(iii) Developments that disturb less than one (1) acre of land use. This exception may not be applied for contiguous properties that may have been subdivided and/or are attributed to multiple separate owners. This exemption does not apply to development in critical areas. This exemption does not apply to any discharge of sediment or other forms of water pollution that may leave a small site. (as added by Ord. #16-02, May 2016)

18-502. **Definitions.** For the purpose of this chapter, the following definitions shall apply: Words used in the singular shall include the plural, and
the plural shall include the singular; words used in the present tense shall include the future tense. The word "shall" is mandatory and not discretionary. The word "may" is permissive. Words not defined in this section shall be construed to have the meaning given by common and ordinary use as defined in the latest edition of Webster's Dictionary.

1) "100-year flood event." See base flood.
2) "Active construction sites" means any site that has a permit for grading or other activities (even if actual construction is not proceeding) and any site where construction is occurring regardless of permits required.
3) "Administrative or civil penalties" means under the authority provided in Tennessee Code Annotated, § 68-221-1106, the city declares that any person violating the provisions of this title may be assessed a civil penalty by the city of not less than fifty dollars ($50.00) and not more than five thousand dollars ($5,000.00) per day for each day of violation. Each day of violation shall constitute a separate violation.
4) "Appeal" means a request for a review of the city engineer's interpretation of any provision of these regulations.
5) "As built plans" means drawings depicting conditions as they were actually constructed.
6) "Base flood" means the flood having a one percent (1%) chance of being equaled or exceeded in any given year. While this statistical event may occur more frequently, it may also be known as the "100-year flood event."
7) "Best Management Practices" ("BMPs") means schedules of activities, prohibitions of practices, maintenance procedures, and other management practices to prevent or reduce the discharge of pollutants to waters of the state. BMPs also include treatment requirements, operating procedures, and practices to control plant site runoff, spillage or leaks, sludge or waste disposal, or drainage from raw material storage.
8) "BMP treatment train" means a technique for progressively selecting various stormwater management practices to address water quality, by which groups of practices may be used to achieve a treatment goal while optimizing effectiveness, maintenance needs and space.
9) "Borrow Pit" means an excavation from which erodible material (typically soil) is removed to be fill for another site. There is no processing or separation of erodible material conducted at the site. Given the nature of activity and pollutants present at such excavation, a borrow pit is considered a construction activity for the purpose of this permit.
10) "Buffer management plan" means a written integrated plan outlining the utilitarian, ecological and aesthetic objectives for a specific landscape, and the landscape management practices and products that will be employed.
11) "Buffer zone" means a setback from the top of water body's bank of undisturbed vegetation, including trees, shrubs and herbaceous vegetation; enhanced or restored vegetation; or the re-establishment of native vegetation
bordering streams, ponds, wetlands, springs, reservoirs or lakes, which exists or is established to protect those water bodies.

(12) "Building" means any structure built for support, shelter, or enclosure for any occupancy or storage.

(13) "Channel" means a natural or artificial watercourse with a definite bed and banks that conducts flowing water continuously or periodically.

(14) "City" means the City of Portland, Tennessee.

(15) "City engineer" refers to the City of Portland, City Engineer who has the authority to delegate to designated city staff, which includes, but is not limited to, staff engineers, the stormwater management coordinator, water quality specialists and stormwater inspectors or staff of the city's designated engineering consultant.

(16) "Common plan of development or sale" is broadly defined as any announcement or documentation (including a sign, public notice or hearing, sales pitch, advertisement, drawing, permit application, zoning request, computer design, etc.) or physical demarcation (including boundary signs, lot stakes, surveyor markings, etc.) indicating construction activities may occur on a specific plot. A common plan of development or sale identifies a situation in which multiple areas of disturbance are occurring on contiguous areas. This applies because the activities may take place at different times, on different schedules, by different operators.

(17) "Contaminant" means any physical, chemical, biological, or radiological substance or matter in water.

(18) "Cut" means a portion of land surface or area from which earth has been removed or will be removed by excavation; the depth below original ground surface to the excavated surface.

(19) "Design storm event" means a hypothetical storm event, of a given frequency interval and duration, used in the analysis and design of a stormwater management facility. The estimated design rainfall amounts, for any return period interval (i.e., 2-yr, 5-yr, 25-yr, etc.,) in terms of either 24-hour depths or intensities for any duration, can be found by accessing the following NOAA National Weather Service Atlas 14 data for Tennessee: http://hdsc.nws.noaa.gov/hdsc/pfds/pfds_map_cont.html?bkmrk=tn. Other data sources may be acceptable with prior written approval by TDEC Water Pollution Control.

(20) "Detention" means the temporary delay of stormwater runoff prior to discharge into receiving waters.

(21) "Developer" means any individual, firm, corporation, association, partnership, trust, or authorized agents involved in commencing proceedings to effect development of land for him/her or others.

(22) "Development" means any man-made change to improved or unimproved real estate, including but not limited to, buildings or other structures, mining, dredging, filling, grading, paving, excavating, drilling
operations, or permanent storage of materials (as defined as materials of like nature stored in whole or in part for more than six (6) months).

(23) "Discharge" means dispose, deposit, spill, pour, inject, seep, dump, leak or place by any means, or that which is disposed, deposited, spilled, poured, injected, seeped, dumped, leaked, or placed by any means including any direct or indirect entry of any solid or liquid matter into the MS4.

(24) "Easement" means an acquired privilege or right of use or enjoyment that a person, party, firm, corporation, city or other legal entity has in the land of another.

(25) "Engineer" or "professional engineer" means an engineer duly registered, licensed or otherwise authorized by the State of Tennessee to practice in the field of civil engineering.

(26) "Erosion" means the removal of soil particles by the action of water, wind, ice or other geological agents, whether naturally occurring or acting in conjunction with or promoted by human activities or effects.

(27) "Erosion Prevention and Sediment Control Plan (EPSCP)" means a written plan (including drawings or other graphic representations) that is designed to minimize the erosion and sediment runoff at a site during construction activities.

(28) "Excavation." See cut.

(29) "Existing construction" means any structure for which the "start of construction" commenced before the effective date of these regulations.

(30) "Existing grade" means the slope or elevation of existing ground surface prior to cutting or filling.

(31) "Fill" means a portion of land surface or area to which soil, rock, or other materials have been or will be added; height above original ground surface after the material has been or will be added.

(32) "Finished grade" means the final slope or elevation of the ground surface, after cutting or filling.

(33) "Flood or flooding" means water from a river, stream, watercourse, lake, or other body of standing water that temporarily overflows and inundates adjacent lands and which may affect other lands and activities through increased surface water levels and/or increased groundwater level.

(34) "Floodplain" means the relatively flat or lowland area adjoining a river, stream, watercourse, lake, or other body of standing water, which has been or may be covered temporarily by floodwater. For purposes of the title, the floodplain is defined as the 100-year floodplain having a one percent (1%) chance of being equaled or exceeded in any given year.

(35) "Floodway" means that portion of the stream channel and adjacent floodplain required for the passage or conveyance of a 100-year flood discharge. The floodway boundaries are placed to limit encroachment in the floodplain so that a discharge can be conveyed through the floodplain without materially increasing (less than one foot (1')) the water surface elevation at any point and without producing hazardous velocities or conditions. This is the area of
significant depths and velocities and due consideration should be given to effects of Fill, loss of cross sectional flow area, and resulting increased water surface elevations.

(36) "Floor" means the top surface of an enclosed area in a building (including basement), i.e., top of slab in concrete slab construction or top of wood flooring in wood frame construction. The term does not include the floor of a garage used solely for parking vehicles.

(37) "Grading" means any operation or occurrence by which the existing site elevations are changed; or where any ground cover, natural, or man-made, is removed; or any watercourse or body of water, either natural or man-made, is relocated on any site, thereby creating an unprotected area. This includes stripping, cutting, filling, stockpiling, or any combination thereof, and shall apply to the land in its cut or filled condition. Grading activities that disturb one (1) acre or more shall only be performed with a land disturbance permit.

(38) "Green infrastructure" means the interconnected network of natural areas and other open spaces that conserves natural ecosystem values and functions, sustains clean air and water, and provides environmental and community benefits.

(39) "Green infrastructure practices" means management measures that are designed, built and maintained to infiltrate, evapotranspire, harvest and/or use rainwater through the use of natural hydrologic features.

(40) "Greenways" means linear undeveloped areas linking various types of Development by such facilities as bicycle paths, footpaths, and bridle paths. Greenways are usually kept in their natural state except for the pathway and areas immediately adjacent to the pathway.

(41) "Hotspot" means an area where land use or activities generate highly contaminated runoff, with concentrations of pollutants in excess of those typically found in stormwater. The following land uses and activities are deemed stormwater hotspots, but that term is not limited to only these land uses:

(a) Vehicle salvage yards and recycling facilities.
(b) Vehicle service and maintenance facilities.
(c) Vehicle and equipment cleaning facilities.
(d) Fleet storage areas (bus, truck, etc.).
(e) Industrial sites (included on Standard Industrial Classification code list).
(f) Marinas (service and maintenance).
(g) Public works storage areas.
(h) Facilities that generate or store hazardous waste materials.
(i) Commercial container nursery.
(j) Restaurants and food service facilities.
(k) Other land uses and activities as designated by an appropriate review authority.
(42) "Illicit connections" means illegal and/or unauthorized connections to the MS4 whether or not such connections result in discharges into that system.

(43) "Illicit discharge" means any discharge to the MS4 that is not composed entirely of stormwater, except discharges authorized under an NPDES permit (other than the NPDES permit for discharges from the MS4) and discharges resulting from firefighting activities; and not specifically exempted under §18-508(2).

(44) "Impaired waters" means any segment of surface waters that has been identified by the Tennessee Department of Environment and Conservation (TDEC) as failing to support classified uses. The TDEC periodically compiles a list of such waters known as the "303(d) list."

(45) "Impervious surface" means a term applied to any ground or structural surface that water cannot penetrate or through which water penetrates with great difficulty.

(46) "Improved sinkhole" means a natural surface depression that has been altered in order to direct fluids into the hole opening. Improved sinkhole is a type of injection well regulated under TDEC's Underground Injection Control (UIC) program. Underground injection constitutes an intentional disposal of waste waters in natural depressions, open fractures, and crevices (such as those commonly associated with weathering of limestone).

(47) "Inspector" means a person that has successfully completed (has a valid certification from) the "Fundamentals of Erosion Prevention and Sediment Control Level I" course or equivalent course. An inspector performs and documents the required inspections, paying particular attention to time-sensitive permit requirements such as stabilization and maintenance activities. An inspector may also have the following responsibilities:

(a) Oversee the requirements of other construction-related permits, such as Aquatic Resources Alteration Permit (ARAP) or Corps of Engineers permit for construction activities in or around waters of the state;

(b) Update field SWPPPs;

(c) Conduct pre-construction inspection to verify that undisturbed areas have been properly marked and initial measures have been installed; and

(d) Inform the permit holder of activities that may be necessary to gain or remain in compliance with the Construction General Permit (CGP) and other environmental permits.

(48) "Invasive exotic plants" means plants that have been introduced from other regions and compete so successfully against native plants that they can crowd out their competitors, thus providing a monoculture that discourages the growth of native plant species.

(49) "Land disturbance permit" means a permit issued by the city engineer that allows for land disturbing activities within the City of Portland in
accordance with this chapter. In some instances, additional local, state or federal permitting may also be required.

(50) "Land disturbing activity" means any activity on property that results in a change in the existing soil cover (both vegetative and non-vegetative) and/or the existing soil topography. Land disturbing activities include, but are not limited to, development, redevelopment, demolition, construction, reconstruction, clearing, grading, filling, and excavation. Land disturbing activities that disturb one acre or more shall only be performed with a land disturbance permit.

(51) "Landscape architect" means a landscape architect duly registered, licensed or otherwise authorized by the State of Tennessee to practice in the field of landscape architecture.

(52) "Maintenance" means any activity that is necessary to keep a stormwater management facility in good working order so as to function as designed. Maintenance shall include complete reconstruction of a stormwater management facility if reconstruction is needed in order to restore the facility to its original operational design parameters. Maintenance shall also include the correction of any problem on the site property that may directly impair the functions of the stormwater management facility.

(53) "Maintenance agreement" or "long term maintenance agreement" means a document recorded in the land records that acts as a property deed restriction, and which provides for long-term maintenance of stormwater management practices.

(54) "Municipal Separate Storm Sewer System (MS4)" means the conveyances owned or operated by the city for the collection and transportation of stormwater, including the roads and streets and their drainage systems, catch basins, curbs, gutters, ditches, man-made channels, and storm drains, and where the context indicates, it means the municipality that owns the separate storm sewer system.

(55) "National Pollutant Discharge Elimination System permit" or a "NPDES permit" means a permit issued pursuant to 33 U.S.C. 1342.

(56) "Native vegetation" means the normal vegetation that grows or would reestablish normally after a disturbance. This does not include invasive exotic plants.

(57) "New construction" means structures for which the "start of construction" commenced on or after the effective date of these regulations. The term also includes any subsequent improvements to such structures.

(58) "Off-site facility" means a structural BMP located outside the subject property boundary described in the permit application for land development activity.

(59) "On-site facility" means a structural BMP located within the subject property boundary described in the permit application for land development activity.
(60) "Passive recreation" means recreational activities that require
limited physical exertion on behalf of the participant. Examples of passive
recreation activities include bird watching, walking or photography.
(61) "Peak flow" means the maximum instantaneous rate of flow of
water at a particular point resulting from a storm event.
(62) "Person" means any and all persons, natural or artificial, including
any individual, firm or association and any municipal or private corporation
organized or existing under the laws of this or any other state or country.
(63) "Permittee" means any person, firm, or any other legal entity to
which a grading, building or other related permit is issued in accordance with
City of Portland regulations.
(64) "Pollutant" means anything which causes or contributes to
pollution. Pollutants may include, but are not limited to, paints, varnishes, and
solvents; oil and other automotive fluids; non-hazardous liquid and solid wastes
and yard wastes; refuse, rubbish, garbage, litter, or other discarded and
abandoned objects, and accumulations, so that same may cause or contribute to
pollution; floatables; pesticides, herbicides, and fertilizers; hazardous substances
and wastes; sewage, fecal coliform and pathogens; dissolved and particulate
metals; animal wastes, wastes and residues that result from constructing a
building or structure; sediment; and noxious or offensive matter of any kind.
(65) "PUD" means a Planned Unit Development.
(66) "Qualified Hydrologic Professional" or "QHP" means a person who
is duly registered, licensed or otherwise authorized by the State of Tennessee to
perform hydrologic determinations and is certified as a Tennessee Qualified
Hydrologic Professional.
(67) "Redevelopment" means the alteration of developed land that
disturbs and increases the site or building impervious footprint, or offers a new
opportunity for stormwater controls. Demolition and reconstruction is
considered development and not redevelopment. Note: redevelopment is not
intended to include such activities as exterior remodeling, which would not be
expected to cause adverse stormwater quality impacts.
(68) "Retention" means the prevention of storm runoff from direct
discharge into receiving waters. Examples include systems which discharge
through percolation, exfiltration, filtered bleed-down and evaporation processes.
(69) "Riparian buffer." See buffer zone.
(70) "Riparian zone" means areas adjacent to water resources with a
differing density, diversity, and productivity of plant and animal species relative
to nearby uplands. This area provides a transition from an aquatic ecosystem
to a terrestrial ecosystem.
(71) "Runoff" means that portion of the precipitation on a drainage area
that is discharged from the area into the MS4.
(72) "Sediment" means solid material, both inorganic and organic, that
is in suspension, is being transported, or has been moved from its site of origin
by air, water, gravity, or ice and has come to rest on the earth's surface either above or below sea level.

(73) "Sedimentation" means soil particles suspended in stormwater that can settle in stream beds.

(74) "Site" means all contiguous land and bodies of water in one (1) ownership, graded, proposed for grading or development as a unit, although not necessarily at one (1) time.

(75) "Slope" means degree of deviation of a surface from the horizontal, usually expressed in percent or ratio.

(76) "Soil" means all unconsolidated mineral and organic material of any origin that overlies bedrock and that can be readily excavated.

(77) "Soils report" means a study of soils on a subject property with the primary purpose of characterizing and describing the soils. The soils report shall be prepared by a qualified soils engineer, who shall be directly involved in the soil characterization either by performing the investigation or by directly supervising employees conducting the investigation.

(78) "Stabilization" means providing adequate measures, vegetative and/or structural, that will prevent erosion from occurring.

(79) "Stop work order" means an order directing the developer and/or permittee responsible for the development to cease and desist all or any portion of the work which violates the provisions of this chapter.

(80) "Stormwater" means stormwater runoff, snow melt runoff, surface runoff, street wash waters related to street cleaning or maintenance, infiltration and drainage.

(81) "Stormwater management" means the programs to maintain quality and quantity of stormwater runoff to pre-development levels.

(82) "Stormwater management facilities" means the drainage structures, conduits, ponds, ditches, combined sewers, sewers, and all device appurtenances by means of which stormwater is collected, transported, pumped, treated or disposed of.

(83) "Stormwater management plan" means the set of drawings and other documents that comprise all the information and specifications for the programs, drainage systems, structures, BMPs, concepts and techniques intended to maintain or restore quality and quantity of stormwater runoff to pre-development levels.

(84) "Stormwater Pollution Prevention Plan (SWPPP)" means a written plan that includes site map(s), an identification of construction/contractor activities that could cause pollutants in the stormwater, and a description of measures or practices to control these pollutants. It must be prepared and approved before construction begins. In order to effectively reduce erosion and sedimentation impacts, Best Management Practices (BMPs) must be designed, installed, and maintained during land disturbing activities. The SWPPP should be prepared in accordance with the current Tennessee Erosion and Sediment Control Handbook. The handbook is intended for use during the design and
construction of projects that require erosion and sediment controls to protect waters of the state. It also aids in the development of SWPPPs and other reports, plans, or specifications required when participating in Tennessee's water quality regulations. All SWPPPs shall be prepared and updated in accordance with section 3 of the general NPDES permit for discharges of stormwater associated with construction activities.

(85) "Stormwater runoff" means flow on the surface of the ground, resulting from precipitation.

(86) "Stream" means surface water that is not a wet weather conveyance as determined by a qualified hydrological professional and approved by the city engineer.

(87) "Structural BMPs" means facilities that are constructed to provide control of stormwater runoff.

(88) "Structure" means anything constructed or erected, the use of which requires a permanent location on or in the ground. Such construction includes but is not limited to objects such as buildings, towers, smokestacks, carports, and walls.

(89) "Surface water" includes waters upon the surface of the earth in bounds created naturally or artificially including, but not limited to, streams, other water courses, lakes and reservoirs.

(90) "Top of bank" means the ordinary high water level and break in slope for a water resource.

(91) "View corridors" means areas associated with formal trail systems closer than the required buffer width approved by the city engineer with an approved buffer management plan.

(92) "Waste site" means an area where waste material from a construction site is deposited. When the material is erodible, such as soil, the site must be treated as a construction site.

(93) "Water quality buffer." See buffer zone.

(94) "Water resources" means streams, seeps, springs, wetlands, sinkholes, lakes or channels, as determined by the city engineer. It may be necessary to use methodology from standard operating procedures for hydrologic determinations (see rules to implement a certification program for qualified hydrologic professionals, TN Rules chapter 0400-40-17) to identify a community water.

(95) "Watercourse" means a permanent or intermittent stream or other body of water, either natural or man-made, which gathers or carries surface water.

(96) "Watershed" means all the land area that contributes runoff to a particular point along a waterway.

(97) "Waters" or "waters of the state" means any and all water, public or private, on or beneath the surface of the ground, which are contained within, flow through, or border upon Tennessee or any portion thereof except those bodies of water confined to and retained within the limits of private property in
Change 11, April 2, 2018

single ownership which do not combine or effect a junction with natural surface or underground waters.

98) "Wetland(s)" means those areas that are inundated or saturated by Surface or groundwater at a frequency and duration sufficient to support a prevalence of vegetation typically adapted to life in saturated soil conditions. Wetlands include, but are not limited to, swamps, marshes, bogs, and similar areas.

99) "Wet weather conveyances" are man-made or natural watercourses, including natural watercourses that have been modified by channelization, that flow only in direct response to precipitation runoff in their immediate locality and whose channels are above the groundwater table and are not suitable for drinking water supplies; and in which hydrological and biological analyses indicate that, under normal weather conditions, due to naturally occurring ephemeral or low flow, there is not sufficient water to support fish or multiple populations of obligate lotic aquatic organisms whose life cycle includes an aquatic phase of at least two (2) months. (Rules and Regulations of the State of Tennessee, chapter 1200-4-3-.04(3)). (as added by Ord. #16-02, May 2016)

18-503. Waivers. (1) General. No waivers will be granted any construction or site work project. All construction and site work shall provide for stormwater management as required by this chapter. However, alternatives to the 2010 NPDES general permit for discharges from small MS4s primary requirement for on-site permanent stormwater management may be considered, if:

(a) Management measures cannot be designed, built and maintained to infiltrate, evapotranspire, harvest and/or use, at a minimum, the first inch of every rainfall event preceded by seventy-two (72) hours of no measurable precipitation. This first inch of rainfall must be one hundred percent (100%) managed with no discharge to surface waters.

(b) It can be demonstrated that the proposed development is not likely to impair attainment of the objectives of this chapter. Alternative minimum requirements for on-site management of stormwater discharges have been established in a stormwater management plan that has been approved by the city.

(2) Downstream damage, etc. prohibited. In order to receive consideration, the applicant must demonstrate to the satisfaction of the city engineer that the proposed alternative will not lead to any of the following conditions downstream:

(a) Deterioration of existing culverts, bridges, dams, and other structures;
(b) Degradation of biological functions or habitat;
(c) Accelerated streambank or streambed erosion or siltation;
(d) Increased threat of flood damage to public health, life or property.

(3) Land disturbance permit not to be issued where alternatives requested. No land disturbance permit shall be issued where an alternative has been requested until the alternative is approved. If no alternative is approved, the plans must be resubmitted with a stormwater management plan that meets the primary requirement for on-site stormwater management. (as added by Ord. #16-02, May 2016)

18-504. Stormwater system design: construction and permanent stormwater management. (1) MS4 stormwater design or BMP manuals.

(a) Adoption. The city adopts as its MS4 stormwater design and Best Management Practices (BMP) manuals for stormwater management, construction and permanent, the following publications, which are incorporated by reference in this ordinance as if fully set out herein:

(iii) A collection of MS4 approved BMPs developed or collected by the MS4 that comply with the goals of the MS4 permit and/or the CGP, such as the Nashville-Davidson County Metro Stormwater Management Manual (BEST MANAGEMENT PRACTICES (BMP) MANUAL - Volume 4); most current edition.

(b) The city's BMP manual(s) include a list of acceptable BMPs including the specific design performance criteria and operation and maintenance requirements for each stormwater practice. These include city approved BMPs for permanent stormwater management including green infrastructure BMPs.

(c) The city manual(s) may be updated and expanded from time to time, at the discretion of the governing body of the city, upon the recommendation of the city engineer, based on improvements in engineering, science, monitoring and local maintenance experience, or changes in federal or state law or regulation. Stormwater facilities that are designed, constructed and maintained in accordance with these BMP criteria will be presumed to meet the minimum water quality performance standards.

(2) Land development. This section shall be applicable to all land development, including, but not limited to, site plan applications, subdivision applications, land disturbance applications and grading applications. These standards apply to any new development or redevelopment site that meets one (1) or more of the following criteria:

(a) One (1) acre or more;
(i) New development that involves land development activities of one (1) acre or more;
(ii) Redevelopment that involves other land development activity of one (1) acre or more;
(b) Projects or developments of less than one (1) acre of total land disturbance may also be required to obtain authorization under this ordinance if:
   (i) The city engineer has determined that the stormwater discharge from a site is causing, contributing to, or is likely to contribute to a violation of a state water quality standard;
   (ii) The city engineer has determined that the stormwater discharge is, or is likely to be a significant contributor of pollutants to waters of the state;
   (iii) Changes in state or federal rules require sites of less than one (1) acre that are not part of a larger common plan of development or sale to obtain a land disturbance permit;
   (iv) Any new development or redevelopment, regardless of size, that is defined by the city engineer to be a hotspot land use; or
   (v) Minimum applicability criteria set forth in item (a) above if such activities are part of a larger common plan of development even multiple that is part of a separate and distinct land development activity that may take place at different times on different schedules.

(3) Submittal of a copy of the NOC, SWPPP and NOT to the local MS4. Permittees who discharge stormwater through an NPDES-permitted Municipal Separate Storm Sewer System (MS4) who are not exempted in section 1.4.5 (Permit Coverage through Qualifying Local Program) of the Construction General Permit (CGP) must provide proof of coverage under the Construction General Permit (CGP); submit a copy of the Stormwater Pollution Prevention Plan (SWPPP); and at project completion, a copy of the signed Notice of Termination (NOT) to the city engineer.
Copies of additional applicable local, state or federal permits (i.e.: ARAP, etc.) must also be provided upon request. If requested, these permits must be provided before the issuance of any land disturbance permit or the equivalent.

(4) Stormwater Pollution Prevention Plan (SWPPP) for construction stormwater management. The applicant must prepare a Stormwater pollution prevention plan for all construction activities that complies with subsection (5) below. The purpose of this plan is to identify construction/contractor activities that could cause pollutants in the stormwater, and to describe measures or practices to control these pollutants during project construction.

(5) Stormwater pollution prevention plan requirements. The erosion prevention and sediment control plan component of the SWPPP shall accurately describe the potential for soil erosion and sedimentation problems resulting
from land disturbing activity and shall explain and illustrate the measures that are to be taken to control these problems. The length and complexity of the plan is to be commensurate with the size of the project, severity of the site condition, and potential for off-site damage. If necessary, the plan shall be phased so that changes to the site during construction that alter drainage patterns or characteristics will be addressed by an appropriate phase of the plan. The plan shall be sealed by a registered professional engineer or landscape architect licensed in the state of Tennessee. The plan shall also conform to the requirements found in the MS4 BMP manual, and shall include at least the following:

(a) Project description - briefly describe the intended project and proposed land disturbing activity including number of units and structures to be constructed and infrastructure required.

(b) A topographic map with contour intervals of two feet (2') or less showing present conditions and proposed contours resulting from land disturbing activity.

(c) All existing drainage ways, including intermittent and wet weather. Include any designated floodways or floodplains.

(d) A general description of existing land cover. Individual trees and shrubs do not need to be identified.

(e) Stands of existing trees as they are to be preserved upon project completion, specifying their general location on the property. Differentiation shall be made between existing trees to be preserved, trees to be removed and proposed planted trees. Tree protection measures must be identified, and the diameter of the area involved must also be identified on the plan and shown to scale. Information shall be supplied concerning the proposed destruction of exceptional and historic trees in setbacks and buffer strips, where they exist. Complete landscape plans may be submitted separately. The plan must include the sequence of implementation for tree protection measures.

(f) Approximate limits of proposed clearing, grading and filling.

(g) Approximate flows of existing stormwater leaving any portion of the site.

(h) A general description of existing soil types and characteristics and any anticipated soil erosion and sedimentation problems resulting from existing characteristics.

(i) location, size and layout of proposed stormwater and sedimentation control improvements.

(j) Existing and proposed drainage network.

(k) Proposed drain tile or waterway sizes.

(l) Approximate flows leaving the site after construction and incorporating water runoff mitigation measures. The evaluation must include projected effects on property adjoining the site and on existing drainage facilities and systems. The plan must address the adequacy of
outfalls from the development: when water is concentrated, what is the capacity of waterways, if any, accepting stormwater off-site; and what measures, including infiltration, sheeting into buffers, etc., are going to be used to prevent the scouring of waterways and drainage areas off-site, etc.

(m) The projected sequence of work represented by the grading, drainage and sedimentation and erosion control plans as related to other major items of construction, beginning with the initiation of excavation and including the construction of any sediment basins or retention/detention facilities or any other structural BMPs.

(n) Specific remediation measures to prevent erosion and sedimentation runoff. Plans shall include detailed drawings of all control measures used; stabilization measures including vegetation and non-vegetation measures, both temporary and permanent, will be detailed. Detailed construction notes and a maintenance schedule shall be included for all control measures in the plan.

(o) Specific details for: the construction of stabilized construction entrance/exits, concrete washouts, and sediment basins for controlling erosion; road access points; eliminating or keeping soil, sediment, and debris on streets and public ways at a level acceptable to the city. Soil, sediment, and debris brought onto streets and public ways must be removed by the end of the work day to the satisfaction of the city. Failure to remove the sediment, soil or debris shall be deemed a violation of this ordinance.

(p) Proposed structures: location and identification of any proposed additional buildings, structures or development on the site.

(q) A description of on-site measures to be taken to recharge surface water into the ground water system through runoff reduction practices.

(r) Specific details for construction waste management. Construction site operators shall control waste such as discarded building materials, concrete truck washout, petroleum products and petroleum related products, chemicals, litter, and sanitary waste at the construction site that may cause adverse impacts to water quality. When the material is erodible, such as soil, the site must be treated as a construction site.

(6) General design performance criteria for permanent stormwater management: the following performance criteria shall be addressed for permanent stormwater management at all development sites. The runoff reduction requirement found below in § 18-504(6)(a) will become effective March 1, 2018.

(a) Site design standards for all new and redevelopment require, in combination or alone, management measures that are designed, built and maintained to infiltrate, evapotranspire, harvest and/or use, at a minimum, the first inch of every rainfall event preceded
by seventy-two (72) hours of no measurable precipitation. This first inch of rainfall must be one hundred percent (100%) managed with no discharge to surface waters or the public storm sewer system.

(i) Pre-development infiltrative capacity of soils at the site must be taken into account in selection of runoff reduction management measures.

(ii) The Tennessee Runoff Reduction Assessment Tool (TN-RRAT) or Metro Nashville's Stormwater Management Manual Volume 5, Low Impact Development design guidelines may be used by the site designer to determine compliance with the runoff reduction requirement.

(iii) Incentive standards for re-developed sites: a ten percent (10%) reduction in the volume of rainfall to be managed for any of the following types of development. Such credits are additive such that a maximum reduction of fifty percent (50%) of the standard in the paragraph above is possible for a project that meets all five (5) criteria:

1. Redevelopment;
2. Brownfield redevelopment;
3. High density (>7 units per acre);
4. Vertical density, (Floor to Area Ratio (FAR) of 2 or >18 units per acre); and
5. Mixed use and transit oriented development (within one half (1/2) mile of transit).

(b) Prior to March 1, 2018 or after March 1, 2018 for projects that cannot meet one hundred percent (100%) of the runoff reduction requirement unless subject to the incentive standards, the remainder of the stipulated amount of rainfall (one inch (1") prior to March 1, 2018) must be treated prior to discharge with a technology documented to remove eighty percent (80%) Total Suspended Solids (TSS) unless an alternative provided under this ordinance is approved. The treatment technology must be designed, installed and maintained to continue to meet this performance standard.

(c) Limitations to the application of runoff reduction requirements include, but are not limited to:

(i) Where a potential for introducing pollutants into the groundwater exists, unless pretreatment is provided;

(ii) Where pre-existing soil contamination is present in areas subject to contact with infiltrated runoff;

(iii) Presence of sinkholes or other karst features.

(d) To protect stream channels from degradation, specific channel protection criteria shall be provided as prescribed in the MS4 BMP manual.
(e) Stormwater discharges to critical areas with sensitive resources (i.e., cold water fisheries, shellfish beds, swimming beaches, recharge areas, water supply reservoirs) may be subject to additional performance criteria, or may need to utilize or restrict certain stormwater management practices.

(f) Stormwater discharges from hotspots may require the application of specific structural BMPs and pollution prevention practices. In addition, stormwater from a hotspot land use may not be infiltrated.

(g) Prior to or during the site design process, applicants for land disturbance permits shall consult with the city engineer to determine if they are subject to additional stormwater design requirements.

(7) Minimum volume control requirements. In accordance with § 18-501(1)(c )(iii) the MS4 may establish standards to regulate the quantity of stormwater discharged, therefore:

(a) Stormwater designs shall meet the multi-stage storm frequency storage requirements as identified in the MS4 BMP manual and Attachment A of this chapter.

(b) If hydrologic or topographic conditions warrant greater control than that provided by the minimum control requirements, the city engineer may impose any and all additional requirements deemed necessary to control the volume, timing, and rate of runoff.

(8) Permanent stormwater management plan requirements. The stormwater management plan shall include sufficient information to allow the city engineer to evaluate the environmental characteristics of the project site, the potential impacts of all proposed development of the site, both present and future, on the water resources, and the effectiveness and acceptability of the measures proposed for managing stormwater generated at the project site. To accomplish this goal the stormwater management plan shall include the following:

(a) Topographic base map: Topographic base map of the site which extends a minimum of one hundred feet (100') beyond the limits of the proposed development and indicates:

(i) Existing surface water drainage including streams, ponds, culverts, ditches, sink holes, wetlands; and the type, size, elevation, etc., of nearest upstream and downstream drainage structures;

(ii) Current land use including all existing structures, locations of utilities, roads, and easements;

(iii) All other existing significant natural and artificial features;

(iv) Proposed land use with tabulation of the percentage of surface area to be adapted to various uses; drainage patterns;
locations of utilities, roads and easements; the limits of clearing and grading.
(b) Proposed structural and non-structural BMPs;
(c) A written description of the site plan and justification of proposed changes in natural conditions may also be required;
(d) Calculations: Hydrologic and hydraulic design calculations for the pre-development and post-development conditions for the design storm event specified in the MS4 BMP manual and Attachment A of this chapter. These calculations must show that the proposed stormwater management measures are capable of controlling runoff from the site in compliance with this chapter and the guidelines of the MS4 BMP manual. Such calculations shall include:
   (i) A description of the design storm event frequency, duration, and intensity where applicable;
   (ii) Time of concentration;
   (iii) Soil curve numbers or runoff coefficients including assumed soil moisture conditions;
   (iv) Peak runoff rates and total runoff volumes for each watershed area;
   (v) Infiltration rates, where applicable;
   (vi) Culvert, stormwater sewer, ditch and/or other stormwater conveyance capacities;
   (vii) Flow velocities;
   (viii) Data on the increase in rate and volume of runoff for the design storm event referenced in the MS4 BMP manual; and
   (ix) Documentation of sources for all computation methods and field test results.
(e) Soils information: If a stormwater management control measure depends on the hydrologic properties of soils (e.g., infiltration basins), then a soils report shall be submitted. The soils report shall be based on on-site boring logs or soil pit profiles and soil survey reports. The number and location of required soil borings or soil pits shall be determined based on what is needed to determine the suitability and distribution of soil types present at the location of the control measure.
(9) Maintenance and repair plan: the design and planning of all permanent stormwater management facilities shall include detailed maintenance and repair procedures to ensure their continued performance. These plans will identify the parts or components of a stormwater management facility that need to be maintained and the equipment and skills or training necessary. Provisions for the periodic review and evaluation of the effectiveness of the maintenance program and the need for revisions or additional maintenance procedures shall be included in the plan.
Buffers and buffer zones. Buffer and buffer zones shall be those buffers and buffer zones as those terms are defined in § 18-502(11), above, and shall meet the requirements contained in those provisions.

(a) Construction (i) Construction requires buffer zone widths of a minimum of thirty feet (30'). The thirty foot (30') criterion for the width of the buffer zone can be established on an average width basis. As long as the minimum width of the buffer zone is fifteen feet (15'). The buffer zone shall meet all the other applicable requirements of §§ 18-502(11) and 18-506.

(ii) Construction on impaired or exceptional waters. The width of the buffer zone shall be a minimum of sixty feet (60'). The sixty feet (60') criterion for the width of the buffer zone can be established on an average basis at a project as long as the minimum width of the buffer is more than thirty feet (30') at any measured location. The buffer zone shall meet all the other applicable requirements of §§ 18-502(11) and 18-506.

(b) Permanent. (i) More than one (1) square mile drainage area will require buffer zones of a minimum of sixty feet (60'). The sixty foot (60') criterion for the width of the buffer zone can be established on an average width basis, as long as the minimum width of the buffer zone is more than thirty feet (30') at any measured location.

(ii) Less than one (1) square mile drainage area. Less than one (1) square mile drainage area will require buffer zones of a minimum of thirty feet (30'). The thirty foot (30') criterion for the width of the buffer zone can be established on an average width basis, as long as the minimum width of the buffer zone is more than thirty feet (30') at any measured location. The buffer zone shall meet all the other applicable requirements of §§ 18-502(11) and 18-506. (as added by Ord. #16-02, May 2016)

18-505. Permanent stormwater management: operation, maintenance, and inspection. (1) As built plans. All applicants are required to submit actual as built plans for any stormwater structures located on-site after final construction is completed. The plan must show the final design specifications for all stormwater management facilities and must be sealed by a registered professional engineer and/or land surveyor licensed to practice in Tennessee. Coordinate data shall be presented in the State of Tennessee plane system with the North American Datum 1983 (NAD83) and North American Vertical Datum (NAVD) of 1988. A final inspection by the city is required before any performance security or performance bond will be released. The city shall have the discretion to adopt provisions for a partial pro-rata release of the performance security or performance bond on the completion of various stages.
of development. In addition, occupation permits shall not be granted until corrections to all BMPs have been made and accepted by the city.

(2) Landscaping and stabilization requirements. (a) Any area of land from which the natural vegetative cover has been either partially or wholly cleared by development activities shall be stabilized. Stabilization measures shall be initiated as soon as possible in portions of the site where construction activities have temporarily or permanently ceased. Temporary or permanent soil stabilization at the construction site (or a phase of the project) must be completed not later than fourteen (14) days after the construction activity in that portion of the site has temporarily or permanently ceased. In the following situations, temporary stabilization measures are not required:

(i) Where the initiation of stabilization measures is precluded by snow cover or frozen ground conditions or adverse soggy ground conditions, stabilization measures shall be initiated as soon as practicable; or

(ii) where construction activity on a portion of the site is temporarily ceased, and land disturbing activities will be resumed within fourteen (14) days.

(b) Permanent stabilization with perennial vegetation (using native herbaceous and woody plants where practicable) or other permanently stable, non-eroding surface shall replace any temporary measures as soon as practicable. Unpacked gravel containing fines (silt and clay sized particles) or crusher runs will not be considered a non-eroding surface.

(c) The following criteria shall apply to revegetation efforts:

(i) Reseeding must be done with an annual or perennial cover crop accompanied by placement of straw mulch or its equivalent of sufficient coverage to control erosion until such time as the cover crop is established over ninety percent (90%) of the seeded area.

(ii) Replanting with native woody and herbaceous vegetation must be accompanied by placement of straw mulch or its equivalent of sufficient coverage to control erosion until the plantings are established and are capable of controlling erosion.

(iii) Any area of revegetation must exhibit survival of a minimum of seventy-five percent (75%) of the cover crop throughout the year immediately following revegetation. Revegetation must be repeated in successive years until the minimum seventy-five percent (75%) survival for one (1) year is achieved.

(iv) In addition to the above requirements, a landscaping plan must be submitted with the final design describing the vegetative stabilization and management techniques to be used at
a site after construction is completed. This plan will explain not only how the site will be stabilized after construction, but who will be responsible for the maintenance of vegetation at the site and what practices will be employed to ensure that adequate vegetative cover is preserved.

(3) **Inspection of stormwater management facilities.** Periodic inspections of Facilities shall be performed, documented, and reported in accordance with this chapter, as detailed in §18-507.

(4) **Records of installation and maintenance activities.** Parties responsible for the operation and maintenance of a stormwater management facility shall make records of the installation of the stormwater management facility, and of all maintenance and repairs to the facility, and shall retain the records for at least three (3) years. These records shall be made available to the city during inspection of the facility and at other reasonable times upon request.

(5) **Failure to meet or maintain design or maintenance standards.** If a responsible party fails or refuses to meet the design or maintenance standards required for stormwater facilities under this chapter, the city, after reasonable notice, may correct a violation of the design standards or maintenance needs by performing all necessary work to place the facility in proper working condition. In the event that the stormwater management facility becomes a danger to public safety or public health, the city shall notify in writing the party responsible for maintenance of the stormwater management facility. Upon receipt of that notice, the responsible person shall have thirty (30) days to effect maintenance and repair of the facility in an approved manner. In the event that corrective action is not undertaken within that time, the city may take necessary corrective action. The cost of any action by the city under this section shall be charged to the responsible party. (as added by Ord. #16-02, May 2016)

18-506. **Riparian buffer requirements.** (1) A riparian buffer shall be applied to all water resources located in, or adjacent to, new construction, development, or redevelopment that require a land disturbance permit. The goal of the water quality buffer is to preserve undisturbed vegetation that is native to the streamside habitat in the area of the project. Vegetated, preferably native, water quality buffers protect water bodies by providing structural integrity and canopy cover, as well as stormwater infiltration, filtration and evapotranspiration.

(2) A determination that water quality buffer widths cannot be met on-site may not be based solely on the difficulty or cost of implementing measures, but must include multiple criteria, such as: type of project, existing land use and physical conditions that preclude use of these practices. Every attempt should be made for development and redevelopment activities not to take place within the buffer zone.

(a) "Construction" applies to all streams adjacent to construction sites, with an exception for streams designated as impaired
or exceptional Tennessee waters, as designated by the Tennessee Department of Environment and Conservation. A thirty foot (30') natural riparian buffer zone adjacent to all streams at the construction site shall be preserved, to the maximum extent practicable, during construction activities at the site. The water quality buffer zone is required to protect waters of the state located within or immediately adjacent to the boundaries of the project, as identified using methodology from standard operating procedures for hydrologic determinations (see rules to implement a certification program for qualified hydrologic professionals, TN Rules chapter 0400-40-17). Buffer zones are not primary sediment control measures and should not be relied on as such. Rehabilitation and enhancement of a natural buffer zone is allowed, if necessary, for improvement of its effectiveness of protection of the waters of the state. The buffer zone requirement only applies to both new construction sites and redevelopment. The riparian buffer zone should be preserved between the top of stream bank and the disturbed construction area.

(b) Buffer zone requirements for discharges into impaired or exceptional waters: a sixty foot (60') natural riparian buffer zone adjacent to the receiving stream designated as impaired or exceptional waters shall be preserved, to the maximum extent practicable, during construction activities at the site. The water quality buffer zone is required to protect waters of the state (e.g., perennial and intermittent streams, rivers, lakes, wetlands) located within or immediately adjacent to the boundaries of the project, as identified using methodology from standard operating procedures for hydrologic determinations (see rules to implement a certification program for qualified hydrologic professionals, TN Rules chapter 0400-40-17). Buffer zones are not sediment control measures and should not be relied upon as primary sediment control measures. Rehabilitation and enhancement of a natural buffer zone is allowed, if necessary, for improvement of its effectiveness of protection of the waters of the state. The buffer zone requirement only applies to both new construction sites and redevelopment. The riparian buffer zone should be established between the top of stream bank and the disturbed construction area. The sixty foot (60') criterion for the width of the buffer zone can be established on an average width basis at a project, as long as the minimum width of the buffer zone is more than thirty feet (30') at any measured location.

(c) "Permanent" new development and significant redevelopment sites are required to preserve water quality buffers along waters within the MS4. Buffers shall be clearly marked on site development plans, land disturbance permit applications, and/or concept plans. Buffer width depends on the size of a drainage area. Streams or other waters with drainage areas less than one (1) square mile will require buffer widths of thirty feet (30’) minimum. Streams or other
waters with drainage areas greater than 1 square mile will require buffer
widths of sixty feet (60') minimum. The sixty feet (60') criterion for the
width of the buffer zone can be established on an average width basis at
a project, as long as the minimum width of the buffer zone is more than
thirty feet (30') at any measured location.
(3) The following list includes the allowable uses within the buffer
zone. The city engineer shall approve the specific requirements of a plan
proposing the installation of any feature or construction within the buffer zone.
For any such work, a buffer management plan shall be submitted to the city
engineer prior to the issuance of a land disturbance permit.
(a) Utility crossings.
(b) Passive recreation, pervious footpaths, and boardwalks to
approach the water resource as approved by the city engineer.
(c) Biking or hiking paths and greenways, but no closer than
thirty feet (30') at any measured location. View corridors shall be allowed
along greenways as approved by the city engineer. Paths and greenways
shall be designed to prevent the channelization of stormwater runoff, and
should be constructed of pervious and/or permeable materials. There
shall be no other permanent structures with the exception of paths.
(d) Stormwater channels as approved by the city engineer.
(e) Stabilization practices to prevent channelization and erosion
in the buffer zone from stormwater runoff adjacent to the water resource.
(f) Landscaping to allow for climax successional vegetation
through the removal of invasive exotic plants and the establishment of
native vegetation, and/or other practices that restore the ecological
integrity of the riparian buffer.
(g) Removal of individual trees within the buffer zone which are
in danger of falling, causing damage to dwellings or other structures, or
causing blockage of the water resource.
(h) Cut and fill for floodplain compensations as approved by the
city engineer.
(4) Requests to reduce the riparian buffer width, perform clearing
activities or install crossings within the riparian buffer shall be approved by the
city engineer.
(a) The riparian buffer width may be reduced in conjunction
with targeted restoration plans that make comparable improvements to
both the ecological integrity within the buffer zone and water quality of
the water resource. Reduction of the riparian buffer width shall be
approved on a case-by-case basis. Restoration plans must be submitted
along with a buffer management plan to the city engineer for approval.
(b) Riparian Buffer crossings should be limited as much as
possible. Utilities shall be located under pavement where possible to
limit the width of the crossing. Riparian Buffer crossings shall be
submitted along with a buffer management plan to the city engineer for approval.

(i) Utilities may be allowed in the riparian buffer, but not closer than thirty feet (30') to the top of bank except for crossings.

(ii) The city engineer may approve new driveways or road crossings through or across riparian buffer zones on a case-by-case basis. It shall be demonstrated that the access across the buffer is necessary and that the buffer will not be impacted excessively. In these cases, the driveway or road crossing shall be constructed perpendicular, or as close to perpendicular as possible to the water resource and/or riparian buffer with careful detail to protecting trees and vegetation and minimizing site grades. Other federal, state and/or local permits may still be required.

(5) For any proposed development and/or construction activity within or adjacent to a riparian buffer, the following shall be required.

(a) The parameters of the riparian buffer shall be delineated by the applicant and boundaries shall be clearly indicated and labeled on all plats, plans, permits and official maps.

(b) Include a note on plans to reference protective covenants governing all riparian buffer areas, labeled as: "any riparian buffer is subject to protective covenants recorded in the register of deeds (Sumner or Robertson County). Disturbance and use of these areas is restricted; severe penalties apply."

(c) Riparian buffers shall be protected during construction activities by a combination of fencing and flagging to prevent entry of construction equipment, storage and stockpiling. Buffer boundaries shall be marked with signs that persist before, during and after construction activities.

(d) Permanent boundary markers shall be installed prior to the completion of the development activities. Signage shall be posted at the edge of the riparian buffer on each lot line, and at a maximum spacing of two hundred feet (200'). Properties with a large amount of riparian buffer frontage may request a reduction in spacing requirements, subject to approval by the city engineer. The size of the sign shall be six inches by four inches (6" x 4") or greater and shall contain the message, "Water resource protected. Violators subject to severe penalties" or other language as approved by the city engineer.

(e) All riparian buffers shall be placed in open space lots to be maintained according to § 18-505 of this chapter.

(6) Riparian buffers shall be actively managed with periodic buffer surveys. Violators shall be served with civil penalties according to § 18-510(2) of this title and shall be required, at their own expense, to revegetate, according to an approved buffer management plan, and maintain the section of the
riparian buffer encroached upon, using only native vegetation. Equivalent native plants and trees that were removed shall be replaced on a tree per tree basis or as approved by the city engineer. Specimen trees shall be replaced as required by the city's zoning ordinance. (as added by Ord. #16-02, May 2016)

18-507. **Existing locations and ongoing developments.** (1) On-site stormwater management facilities maintenance agreement:

(a) Where the stormwater management facility is located on property that is subject to a development agreement, and the development agreement provides for a permanent stormwater maintenance agreement that runs with the land, the owners of property must execute an inspection and maintenance agreement that shall operate as a deed restriction binding on the current property owners and all subsequent property owners and their lessees and assigns, including but not limited to, homeowner associations or other groups or entities.

(b) The maintenance agreement shall:

   (i) Assign responsibility for the maintenance and repair of the stormwater management facility to the owners of the property upon which the facility is located and be recorded as such on the plat for the property by appropriate notation.

   (ii) Provide for a periodic inspection by the property owners in accordance with the requirements of § 18-507(1)(b)(v) below for the purpose of documenting maintenance and repair needs and to ensure compliance with the requirements of this ordinance. The property owners will arrange for this inspection to be conducted by a registered professional engineer licensed to practice in the State of Tennessee, who will submit a signed written report of the inspection to the city engineer. It shall also grant permission to the city to enter the property at reasonable times and to inspect the stormwater management facility to ensure that it is being properly maintained.

   (iii) Provide that the minimum maintenance and repair needs include, but are not limited to: the removal of silt, litter and other debris, the cutting of grass, cutting and vegetation removal, and the replacement of landscape vegetation, in detention and retention basins, and inlets and drainage pipes and any other stormwater facilities. It shall also provide that the property owners shall be responsible for additional maintenance and repair needs consistent with the needs and standards outlined in the MS4 BMP manual.

   (iv) Provide that maintenance needs must be addressed in a timely manner, on a schedule to be determined by the city engineer.
(v) Provide that if the property is not maintained or repaired within the prescribed schedule, the city engineer shall perform the maintenance and repair at its expense, and bill the same to the property owner. The maintenance agreement shall also provide that the city engineer's cost of performing the maintenance shall be a lien against the property.

(2) Existing problem locations - no maintenance agreement.

(a) The city engineer shall in writing notify the owners of existing locations and developments of specific drainage, erosion or sediment problems affecting or caused by such locations and developments, and the specific actions required to correct those problems. The notice shall also specify a reasonable time for compliance. Discharges from existing BMPs that have not been maintained and/or inspected in accordance with this ordinance shall be regarded as illicit discharges.

(b) Inspection of existing stormwater management facilities. The city may, to the extent authorized by state and federal law, enter and inspect private property for the purpose of determining if there are non-stormwater illicit discharges, and to establish inspection programs to verify that all stormwater management facilities are functioning within design limits. These inspection programs may be established on any reasonable basis, including but not limited to: routine inspections; random inspections; inspections based upon complaints or other notice of possible violations; inspection of drainage basins or areas identified as higher than typical sources of sediment or other contaminants or pollutants; inspections of businesses or industries of a type associated with higher than usual discharges of contaminants or pollutants or with discharges of a type which are more likely than the typical discharge to cause violations of the city's NPDES stormwater permit; and joint inspections with other agencies inspecting under environmental or safety laws. Inspections may include, but are not limited to: reviewing maintenance and repair records; sampling discharges, surface water, groundwater, and material or water in drainage control facilities; and evaluating the condition of drainage control facilities and other BMPs.

(3) Owner/operator inspections - generally. The owners and/or the operators of stormwater management practices shall:

(a) Perform routine inspections to ensure that the BMPs are properly functioning. These inspections shall be conducted on an annual basis, at a minimum. These inspections shall be conducted by a person familiar with control measures implemented at a site. Owners or operators shall maintain documentation of these inspections. The city engineer may require submittal of this documentation.

(b) Perform comprehensive inspection of all stormwater management facilities and practices. These inspections shall be conducted once every five years, at a minimum. Such inspections must
be conducted by either a professional engineer or landscape architect, licensed in the State of Tennessee. Complete inspection reports for these five (5) year inspections shall include:

(i) Facility type,
(ii) Inspection date,
(iii) Latitude and longitude and nearest street address,
(iv) BMP owner information (e.g. name, address, phone number, fax, and email),
(v) A description of BMP condition including: vegetation and soils; inlet and outlet channels and structures; embankments, slopes, and safety benches; spillways, weirs, and other control structures; and any sediment and debris accumulation,
(vi) Photographic documentation of BMPs, and
(vii) Specific maintenance items or violations that need to be corrected by the BMP owner along with deadlines and re-inspection dates.

(c) Owners or operators shall maintain documentation of these inspections. The city engineer may require submittal of this documentation.

(4) Requirements for all existing locations and ongoing developments.
The following requirements shall apply to all locations and development at which land disturbing activities have occurred previous to the enactment of this ordinance:

(a) Denuded areas must be vegetated or covered under the standards and guidelines specified in § 18-505 (2)(c)(i), (ii), (iii) and on a schedule acceptable to the city engineer.
(b) Cuts and slopes must be properly covered with appropriate vegetation and/or retaining walls constructed.
(c) Drainage ways shall be properly covered in vegetation or secured with rip-rap, channel lining, etc., to prevent erosion.
(d) Trash, junk, rubbish, etc. shall be cleared from drainage ways.
(e) Stormwater runoff shall, at the discretion of the city engineer be controlled to the maximum extent practicable to prevent its pollution. Such control measures may include, but are not limited to, the following:

(i) Ponds.
   (A) Detention pond.
   (B) Extended detention pond.
   (C) Wet pond.
   (D) Alternative storage measures.
(ii) Constructed wetlands.
(iii) Infiltration systems.
   (A) Infiltration/percolation trench.
18-508. Illicit discharges. (1) Scope. This section shall apply to all water generated on developed or undeveloped land entering the city's separate storm sewer system.

(2) Prohibition of illicit discharges. No person shall introduce or cause to be introduced into the MS4 any discharge that is not composed entirely of stormwater or any discharge that flows from stormwater management facility that is not inspected in accordance with § 18-507 shall be an illicit discharge. Non-stormwater discharges shall include, but shall not be limited to, sanitary wastewater, car wash wastewater, radiator flushing disposal, spills from roadway accidents, carpet cleaning wastewater, effluent from septic tanks, improper oil disposal, laundry wastewater/gray water, improper disposal of auto and household toxics. The commencement, conduct or continuance of any non-stormwater discharge to the MS4 is prohibited except as described as follows:

(a) Uncontaminated discharges from the following sources:
   (i) Water line flushing or other potable water sources;
   (ii) Landscape irrigation or lawn watering with potable water;
   (iii) Diverted stream flows;
   (iv) Rising ground water;
   (v) Groundwater infiltration to storm drains;
   (vi) Pumped groundwater;
   (vii) Foundation or footing drains;
   (viii) Crawl space pumps;
   (ix) Air conditioning condensation;
   (x) Springs;
   (xi) Non-commercial washing of vehicles;
   (xii) Natural riparian habitat or wetland flows;
   (xiii) Swimming pools (if dechlorinated - typically less than one (1) PPM chlorine or desalinated for salt water pools);
(xiv) Firefighting activities;
(xv) Individual residential car washing;
(xvi) Controlled flushing of stormwater conveyances (controlled by appropriate BMPs);
(xvii) Discharges within the constraints of an NPDES permit from the Tennessee Department of Environment and Conservation (TDEC);
(xviii) Any other uncontaminated water source.

(b) Discharges specified in writing by the city as being necessary to protect public health and safety.

c) Dye testing is an allowable discharge if the city has so specified in writing.

d) Discharges authorized by the Construction General Permit (CGP), which comply with section 3.5.9 of the same:

(i) Dewatering of work areas of collected stormwater and ground water (filtering or chemical treatment may be necessary prior to discharge);

(ii) Waters used to wash vehicles (of dust and soil, not process materials such as oils, asphalt or concrete) where detergents are not used and detention and/or filtering is provided before the water leaves site;

(iii) Water used to control dust in accordance with CGP section 3.5.5;

(iv) Potable water sources including waterline flushings from which chlorine has been removed to the maximum extent practicable;

(v) Routine external building washdown that does not use detergents or other chemicals;

(vi) Uncontaminated groundwater or spring water; and

(vii) Foundation or footing drains where flows are not contaminated with pollutants (process materials such as solvents, heavy metals, etc.).

(3) Prohibition of illicit connections. The construction, use, maintenance or continued existence of illicit connections to the MS4 is prohibited. This prohibition expressly includes, without limitation, illicit connections made in the past, regardless of whether the connection was permissible under law or practices applicable or prevailing at the time of connection.

(4) Reduction of stormwater pollutants by the use of best management practices. Any person responsible for a property or premises, which is, or may be, the source of an illicit discharge, may be required to implement, at the person’s expense, the BMPs necessary to prevent the further discharge of pollutants to the MS4. Compliance with all terms and conditions of a valid NPDES permit authorizing the discharge of stormwater associated with
industrial activity, to the extent practicable, shall be deemed in compliance with the provisions of this section. Discharges from existing BMPs that have not been maintained and/or inspected in accordance with this ordinance shall be regarded as illicit discharges.

(5) Notification of spills. Notwithstanding other requirements of law, as soon as any person responsible for a facility or operation, or responsible for emergency response for a facility or operation has information of any known or suspected release of materials which are resulting in, or may result in, illicit discharges or pollutants discharging into, the MS4, the person shall take all necessary steps to ensure the discovery, containment, and cleanup of such release. In the event of such a release of hazardous materials the person shall immediately notify emergency response agencies of the occurrence via emergency dispatch services. In the event of a release of non-hazardous materials, the person shall notify the city in person or by telephone, fax, or email, no later than the next business day. Notifications in person or by telephone shall be confirmed by written notice addressed and mailed to the city within three (3) business days of the telephone notice. If the discharge of prohibited materials emanates from a commercial or industrial establishment, the owner or operator of such establishment shall also retain an on-site written record of the discharge and the actions taken to prevent its recurrence. Such records shall be retained for at least three (3) years.

(6) No illegal dumping allowed. No person shall dump or otherwise deposit outside an authorized landfill, convenience center or other authorized garbage or trash collection point, any trash or garbage of any kind or description on any private or public property, occupied or unoccupied, inside the city. (as added by Ord. #16-02, May 2016)

18-509. Enforcement. (1) Enforcement authority. The city engineer shall have the authority to issue notices of violation and citations, and to impose the civil penalties provided in this title. Each day of noncompliance is considered a separate offense; and nothing herein contained shall prevent the city from taking such other lawful action as is necessary to prevent or remedy any violation, including application for injunctive relief. If the person, property or facility has or is required to have a stormwater discharge permit from TDEC, the city shall alert the appropriate state authorities of the violation. Measures authorized include:

(a) Verbal warnings - At minimum, verbal warnings must specify the nature of the violation and required corrective action. Verbal warnings will be documented by the city.

(b) Written notices - Written notices must stipulate the nature of the violation and the required corrective action, with deadlines for taking such action.
(c) Citations with administrative penalties - The MS4 has the authority to assess monetary penalties, which may include civil and administrative penalties.

(d) Stop work orders - Stop work orders that require construction activities to be halted, except for those activities directed at cleaning up, abating discharge, and installing appropriate control measures.

(e) Withholding of plan approvals or other authorizations - where a facility is in noncompliance, the MS4's own approval process affecting the facility's ability to discharge to the MS4 can be used to abate the violation.

(f) Additional measures - The MS4 may also use other escalated measures provided under local legal authorities. The MS4 may perform work necessary to improve erosion control measures and collect the funds from the responsible party in an appropriate manner, such as collecting against the project's bond or directly billing the responsible party to pay for work and materials.

2) Notification of violation:

(a) Verbal warning. Verbal warning may be given at the discretion of the Inspector when it appears the condition can be corrected by the violator within a reasonable time, which time shall be approved by the Inspector.

(b) Written notice. Whenever the city engineer finds that any permittee or any other person discharging stormwater has violated or is violating this ordinance or a permit or order issued hereunder, the city engineer may serve upon such person written notice of the violation. All written notices will be documented and delivered by personal service or by registered or certified mail (return receipt requested) to the person that has violated or is violating this chapter. Within ten (10) days of this notice or shorter period as may be prescribed in the notice, an explanation of the violation and a plan for the satisfactory correction and prevention thereof, to include specific required actions, shall be submitted to the city engineer. Submission of this plan in no way relieves the discharger of liability for any violations occurring before or after receipt of the notice of violation.

(c) Consent orders. The city engineer is empowered to enter into consent orders, assurances of voluntary compliance, or other similar documents establishing an agreement with the person responsible for the noncompliance. Such orders will include specific action to be taken by the person to correct the noncompliance within a time period also specified by the order. Consent orders shall have the same force and effect as administrative orders issued pursuant to paragraphs (d) and (e) below.

(d) Show cause hearing. The city engineer may order any person who violates this chapter or permit or order issued hereunder, to
show cause why a proposed enforcement action should not be taken. Notice shall be served on the person specifying the time and place for the meeting, the proposed enforcement action and the reasons for such action, and a request that the violator show cause why this proposed enforcement action should not be taken. The notice of the meeting shall be served personally or by registered or certified mail (return receipt requested) at least ten (10) days prior to the hearing.

(e) Compliance order. When the city engineer finds that any person has violated or continues to violate this title or a permit or order issued thereunder, he may issue an order to the violator directing that, following a specific time period, adequate stormwater structures or devices be installed and/or procedures implemented and properly operated. Orders may also contain such other requirements as might be reasonably necessary and appropriate to address the noncompliance, including the construction of appropriate stormwater structures, installation of devices, self-monitoring, and management practices.

(f) Cease and desist and stop work orders. When the city engineer finds that any person has violated or continues to violate this title or any permit or order issued hereunder, the city engineer may issue a stop work order or an order to cease and desist all such violations and direct those persons in noncompliance to:

(i) Comply forthwith; or

(ii) Take such appropriate remedial or preventive action as may be needed to properly address a continuing or threatened violation; including halting operations except for terminating the discharge and installing appropriate control measures.

(g) Suspension, revocation or modification of permit. The city engineer may suspend, revoke or modify the permit authorizing the land development project or any other project of the applicant or other responsible person within the city. A suspended, revoked or modified permit may be reinstated after the applicant or other responsible person has taken the remedial measures set forth in the notice of violation or has otherwise cured the violations described therein, provided such permit may be reinstated upon such conditions as the city engineer may deem necessary to enable the applicant or other responsible person to take the necessary remedial measures to cure such violations.

(h) Conflicting standards. Whenever there is a conflict between any standard contained in this chapter and in the BMP manual adopted by the city under this ordinance, the strictest standard shall prevail. (as added by Ord. #16-02, May 2016)

18-510. Penalties. (1) Violations. Any person who shall commit any act declared unlawful under this chapter, who violates any provision of this chapter, who violates the provisions of any permit issued pursuant to this
chapter, or who fails or refuses to comply with any lawful communication or notice to abate or take corrective action by the city engineer, shall be guilty of a civil offense.

(2) Penalties. Under the authority provided in Tennessee Code Annotated, § 68-221-1106, the city declares that any person violating the provisions of this title may be assessed a civil penalty by the city engineer of not less than fifty dollars ($50.00) and not more than five thousand dollars ($5,000.00) per day for each day of violation. Each day of violation shall constitute a separate violation.

(3) Measuring civil penalties. In assessing a civil penalty, the city engineer may consider:
   (a) The harm done to the public health or the environment;
   (b) The duration and gravity of the violation;
   (c) Whether the civil penalty imposed will be a substantial economic deterrent to the illegal activity;
   (d) The economic benefit gained by the violator;
   (e) The amount of effort put forth by the violator to remedy this violation;
   (f) Whether the violation was committed intentionally;
   (g) The prior record of the violator in complying or failing to comply with the stormwater management program;
   (h) Any unusual or extraordinary enforcement costs incurred by the city;
   (i) The amount of penalty established by ordinance or resolution for specific categories of violations; and
   (j) Any equities of the situation which outweigh the benefit of imposing any penalty or damage assessment.

(4) Recovery of damages and costs. In addition to the civil penalty in subsection (2) above, the city may recover:
   (a) All damages proximately caused by the violator to the city, which may include any reasonable expenses incurred in investigating violations of, and enforcing compliance with, this chapter, or any other actual damages caused by the violation.
   (b) The costs of the city’s maintenance of stormwater facilities when the user of such facilities fails to maintain them as required by this chapter.

(5) Referral to TDEC. Where the city has used progressive enforcement to achieve compliance with this ordinance, and in the judgment of the city has not been successful, the city may refer the violation to tdec. For the purposes of this provision, "progressive enforcement" shall mean two (2) follow-up inspections and two (2) warning letters. In addition, enforcement referrals to TDEC must include, at a minimum, the following information:
   (a) Construction project or industrial facility location;
   (b) Name of owner or operator;
(c) Estimated construction project or size or type of industrial activity (including SIC code, if known);
(d) Records of communications with the owner or operator regarding the violation, including at least two (2) follow-up inspections, two (2) warning letters or notices of violation, and any response from the owner or operator.

(6) **Other remedies.** The city may bring legal action to enjoin the continuing violation of this chapter, and the existence of any other remedy, at law or equity, shall be no defense to any such actions.

(7) **Remedies cumulative.** The remedies set forth in this section shall be cumulative, not exclusive, and it shall not be a defense to any action, civil or criminal, that one (1) or more of the remedies set forth herein has been sought or granted. (as added by Ord. #16-02, May 2016)

**18-511. Appeals.** Pursuant to **Tennessee Code Annotated,** § 68-221-1106(d), any person aggrieved by the imposition of a civil penalty or damage assessment as provided by this title may appeal said penalty or damage assessment to the city's governing body.

(1) **Appeals to be in writing.** The appeal shall be in writing and filed with the municipal recorder or clerk within fifteen (15) days after the civil penalty and/or damage assessment is served in any manner authorized by law.

(2) **Public hearing.** Upon receipt of an appeal, the city's governing body, or other appeals board established by the city's governing body shall hold a public hearing within thirty (30) days. Ten (10) days prior notice of the time, date, and location of said hearing shall be published in a daily newspaper of general circulation. Ten (10) days' notice by registered mail shall also be provided to the aggrieved party, such notice to be sent to the address provided by the aggrieved party at the time of appeal. The decision of the governing body of the city shall be final.

(3) **Appealing decisions of the city's governing body.** Any alleged violator may appeal a decision of the city's governing body pursuant to the provisions of **Tennessee Code Annotated,** title 27, chapter 8. (as added by Ord. #16-02, May 2016)

SEE LEGAL DESCRIPTION ATTACHED HERETO AS EXHIBIT A.

This Inspection and Maintenance Agreement ("Agreement") is made this _____
day of _________________, 20___, by and between _________________ ("Owner,
whether one or more), and the City of Portland ("City").

WHEREAS, the City is required by federal and state surface water quality
regulations and its National Pollutant Discharge Elimination System (NPDES)
permit to prevent surface water quality degradation from development or
redevelopment activities within its jurisdiction, and the City has adopted
surface water quality regulations as required and such regulations are
contained in the Stormwater Management Title of the City Code; and

WHEREAS the Owner owns the Property identified above and has or
will construct certain stormwater management facilities on the Property,
and has developed a Stormwater Maintenance Plan (SWMP
No. ________________________), as may be amended from time to time (the
"Plan") for the maintenance of those facilities, which the City has reviewed and
approved, and a copy of which will be maintained at the office of the City
Engineer. A drawing showing the general area of the facilities covered by the
Plan is attached to this Agreement for ease of identification.
THEREFORE, in consideration of the benefits received by the Owner as a result of the approval by the City of the Plan, the Owner does hereby covenant and agree with the City as follows:

1. The Owner shall provide adequate long term maintenance and continuation of the stormwater control measures described in the Plan, to ensure that all stormwater facilities are and remain in proper working condition. The Owner shall perform inspection and preventative maintenance activities in accord with the Plan.

2. The Owner shall maintain a copy of the Plan On-site, together with a record of inspections and maintenance actions required by the Plan. The Owner shall document the times of inspections, remedial actions taken to repair, modify or reconstruct the system, the state of control measures, and notification of any planned change in responsibility for the system. The City may require that the Owner's records be submitted to the City.

3. If it is later determined that the City's NPDES permit clearly directs Owners or the City to manage stormwater treatment systems differently than specified in the Plan, the direction of the NPDES permit shall override the provisions of the Plan.

4. The Owner hereby grants to the City the right of ingress, egress and access to enter the Property at reasonable times and in a reasonable manner for the purpose of inspecting, operating, installing, constructing, reconstructing, maintaining or repairing the facilities. The Owner hereby grants to the City the right to install and maintain equipment to monitor or test the performance of the stormwater control system for quality and quantity upon reasonable notice to Owner.

5. If the City finds that the Owner has not maintained the facilities, the City may order the Owner to make repairs or improvements to bring the facilities up to the standards set forth in the Plan. If the work is not performed within the time specified by the City, the City may enter the property and take any action necessary to maintain or repair the stormwater management facilities; PROVIDED, HOWEVER, that the City shall in no event be deemed obligated to maintain or repair the stormwater management facilities, and nothing in this Agreement shall ever be construed to impose or create any such obligation on the City.

6. If the City incurs expenses in maintaining the stormwater control facilities, and the Owner fails to reimburse the City for such expenses within 45 days after a written notice, the City may collect said expenses from the Owner through appropriate legal action, and the Owner shall be
liable for the reasonable expenses of collection, including all court costs and attorney fees.

7. The Owner and the Owner's heirs, administrators, executors, assigns, and any other successor in interest shall indemnify and hold the City harmless from any and all damages, accidents, casualties, occurrences, claims or attorney's fees which might arise or be asserted, in whole or in part, against the City from the construction, presence, existence, or maintenance of the stormwater control facilities subject to the Plan and this Agreement. In the event a claim is asserted against the City, its officers, agents or employees, the City shall notify the Owner, who shall defend at Owner's expense any suit or other claim. If any judgment or claims against the City shall be allowed, the Owner shall pay all costs and expenses in connection therewith. The City will not indemnify, defend or hold harmless in any fashion the Owner from any claims arising from any failure, regardless of any language in any attachment of other document that the Owner may provide.

8. No waiver of any provision of this Agreement shall affect the right of any party thereafter to enforce such provision or to exercise any right or remedy available to it in the event of any other default.

9. The City, at Owner's expense, shall record this Agreement with the Register of Deeds of Sumner County, Tennessee; this Agreement shall constitute a covenant running with the land, and shall be binding upon the Owner and the Owner's heirs, administrators, executors, assigns, and any other successors in interest.

10. The Owner shall have the facilities inspected in accordance with § 18-507 of the City's stormwater ordinance and certify to the City that the constructed facilities conform and purport substantially to the approved Plan. If the constructed condition of the facility or its performance varies significantly from the approved Plan, appropriately revised calculations shall be provided to the City and the Plan shall be amended accordingly.

11. Owner agrees that the failure to follow the provisions and requirements of the Plan may result in the revocation of previously approved credits to stormwater user fees, or the imposition of such stormwater user fees or of additional stormwater user fees.

12. The Owner agrees that for any systems to be maintained by a property owner's association, deed restrictions and covenants for the subdivision or other development will include mandatory membership in the property owners' association responsible for providing maintenance of the system,
will require the association to maintain the stormwater system, will
prohibit termination of this covenant by unilateral action of the
association, and provide for unpaid dues or assessments to constitute a
lien upon the property of an owner upon recording a notice of
non-payment.

13. This Agreement must be re-approved and re-executed by the City if all or
a portion of the Property is subdivided or assembled with other property.

18-601. General provisions. (1) Introduction. (a) This chapter is to:
   (i) Be known as the "stormwater utility" for the City of Portland, Tennessee;
   (ii) Enable the city to comply with the National Pollution Discharge
        Elimination System permit (NPDES) and applicable regulations, 40 CFR 122.26 for
        stormwater discharges;
   (b) The City of Portland finds, determines, and declares that the stormwater
        system, which provides for the collection, treatment, storage and disposal of
        stormwater, provides benefits and services to all property within the incorporated City
        of Portland limits. Such benefits include, but are not limited to: the provision of adequate
        systems of collection, conveyance, detention, retention, treatment and release of
        stormwater, the reductions of hazards to property and life resulting from stormwater
        runoff, improvements in general health and welfare through reduction of undesirable
        stormwater conditions, and improvements to water quality in the stormwater and
        surface water system and its receiving waters of the state all of which are managed by
        the stormwater management coordinator as part of the Municipal Separate Storm
        Sewer System (MS4) program.
   (c) The objective of this chapter is to promote the public health, safety and general
       welfare of the City of Portland, Tennessee ("City") and its citizens in compliance with
       the Federal Clean Water Act, 33 U.S.C. 1251 et seq., and Tennessee Code Annotated,
       § 68-221-1101 et seq, which require municipalities to implement stormwater management programs,
within prescribed time frames, to regulate stormwater discharges to protect water quality; establish adequate systems of collection, conveyance, detention, treatment and release of stormwater; reduce hazards of property and life resulting from stormwater runoff; and enable municipalities to fix and require payment of fees for the privilege of discharging stormwater. The city finds that a stormwater management system which provides for the treatment of stormwater is of benefit and provides services to all property within the city.

(d) It is further determined and declared that charges shall be established for each developed parcel of developed property located within the municipal limits of the city as provided hereinafter to provide for dedicated funding sources for the administration of stormwater management programs and/or stormwater system of the city. The proceeds of charges so derived shall be used for the purposes of planning, operation, maintenance, repair, replacement and debt service of the city's stormwater management programs and system necessary to protect the health, safety, and welfare of the public.

(2) **Purpose.** The stormwater utility's purpose is to:

(a) Administer and enforce the City of Portland's stormwater management ordinance;

(b) Administer, plan, and implement stormwater projects to protect, maintain, and enhance the environment of the City of Portland;

(c) Implement activities necessary to maintain compliance with the city's MS4 National Pollutant Discharge Elimination System (NPDES) permit and applicable regulations, 40 CFR section 122.26 for stormwater discharges;

(d) Annually analyze the cost of services and benefits provided, and the system and structure of fees, charges, civil penalties, and other revenues of the utility; and,

(e) Advise the board of mayor and alderman and other City of Portland departments on matters relating to the utility.

(3) **Administering entity.** The stormwater utility shall be a part of the City of Portland Engineering Department. The stormwater utility, under the immediate direction and supervision of the city engineer or designee, shall administer the provisions of this stormwater utility ordinance. (as added by Ord. #16-59, Nov. 2016)

18-602. **Jurisdiction.** The stormwater utility ordinance shall govern all properties within the incorporated limits of the City of Portland, Tennessee. (as added by Ord. #16-59, Nov. 2016)

18-603. **Definitions.** For the purpose of this chapter, the following definitions shall apply: Words used in the singular shall include the plural, and the plural shall include the singular; words used in the present tense shall
include the future tense. The word "shall" is mandatory and not discretionary. The word "may" is permissive. Words not defined in this section shall be construed to have the meaning given by common and ordinary use as defined in the latest edition of Webster's Dictionary.

(1) "Board of mayor and alderman" means the city governing body for the City of Portland.

(2) "Agricultural property" means property which is zoned agricultural and/or property which yields an annual minimum, or in which the annual minimum has been met in two (2) of the last five (5) years, of one thousand dollars ($1,000.00) of agricultural products produced and/or sold from the operation of the property. Agricultural production shall include agricultural, forest, and/or livestock production as defined by the United States Department of Agriculture, Natural Resources Conservation Service, and Environmental Quality Incentive Program. Proof of agricultural producer status may include IRS form 1040 Schedule F or other accounting records certified by a tax preparer.

(3) "Appeal" means a request for a review of the city engineer's interpretation of any provision of these regulations.

(4) "Base rate" means the stormwater user fee for a detached single family residential property in the City of Portland.

(5) "Best Management Practices" or "BMPs" means the physical, structural, and/or managerial practices that, when used singly or in combination, prevent or reduce pollution of water, that have been approved by the City of Portland, and that have been incorporated by reference into the stormwater management ordinance as if fully set out therein.

(6) "CII" refers to developed commercial, industrial, and institutional properties within the incorporated limits of the City of Portland, Tennessee.

(7) "City" means the City of Portland, Tennessee.

(8) "City engineer" refers to the City of Portland, City Engineer who has the authority to delegate to designated city staff, which includes, but is not limited to, staff engineers, the stormwater management coordinator, water quality specialists and stormwater inspectors or staff of the city’s designated engineering consultant.

(9) "Construction" means the erection, building, acquisition, alteration, reconstruction, improvement, or extension of stormwater facilities; preliminary planning to determine the economic and engineering feasibility of stormwater facilities; the engineering, architectural, legal, fiscal, and economic investigations and studies, surveys, designs, plans, working drawings, specifications, procedures, and other actions necessary in the construction of stormwater facilities; and the inspection and supervision of the construction of stormwater facilities.

(10) "Deficient property" means developed property that does not have adequate stormwater facilities as required in the latest edition of the City of Portland minimum drainage requirements for development.
(11) "Developed property" means developed property which has been altered from its natural state by the creation or addition of buildings, structures, pavement or other impervious surfaces, or by the alteration of the property that results in a meaningful change in the hydrology of the property.

(12) "Equivalent Residential Unit (ERU)" shall be used as the basis for determining stormwater service charges to all properties within the city. An ERU is the standard value for which non-residential properties are compared to the average residential property. One (1) ERU is based upon the average residential property area.

(13) "Exempt property" means all public rights-of-way, public streets and public roads, public alleys, public sidewalks and public greenways, public drainage facilities, privately owned residential streets, property that does not discharge stormwater runoff to the stormwater or flood control facilities and railroad right-of-way properties within the City of Portland. For purposes of this definition, "public" shall mean that which is maintained by or is or is to be dedicated to the City of Portland and/or the State of Tennessee or the government of the United States.

(14) "Fee or stormwater user fee" means the charge established by ordinance and levied on owners or users of parcels or pieces of developed property to fund the cost of stormwater management and of operating, maintaining, and improving the stormwater system in the city.

(15) "Fiscal year." July 1 of a calendar year to June 30 of the next calendar year, both inclusive.

(16) "Impervious surface" means a surface which is compacted or covered with material that is resistant to infiltration by water, including, but not limited to, most conventionally surfaced streets, roofs, sidewalks, patios, driveways, parking lots, and any other oiled, graveled, graded, compacted, or any other surface which impedes the natural infiltration of surface water.

(17) "Impervious surface area" means the number of square feet of horizontal surface covered by buildings, and other impervious surfaces. All building measurements shall be made between exterior limits of the structure, foundations, columns or other means of support or enclosure.

(18) "Multi-family residential property" means a building containing three (3) or more dwelling units. The term includes cooperative apartments, condominiums, and the like.

(19) "Other developed property" means all developed property located within the municipal limits of the city other than
   (a) Residential property;
   (b) Exempt property;
   (c) Vacant property and
   (d) Park lands/cemetery. Other developed property shall include commercial properties, industrial properties, apartments, parking lots, hospitals, schools, recreational and cultural facilities, industrial properties, hotels, offices, churches, federal, state and local government
properties and multi-use properties. Such property shall also include single family dwellings which are attached to or otherwise a part of a building housing a commercial enterprise. Any single family residential structure which contains more than two (2) attached dwelling units is specifically included in this definition.

(20) "Park land"/"cemetery" means all developed property owned by federal, state and/or local governments that has been designated by such governmental entity for use as a public park or cemetery.

(21) "Person" means any and all persons, natural or artificial, including any individual, firm or association, and any municipal or private corporation organized or existing under the laws of this or any other state or country.

(22) "Property owner" means the property owner of record as listed in the city's and/or county's tax assessment roll. A property owner includes any individual, corporation, firm, partnership, or group of individuals acting as a unit, and any trustee, receiver, or personal representative.

(23) "Runoff coefficient" is a term used to describe the percentage of precipitation that leaves a particular site as runoff. Runoff is precipitation that does not soak or absorb into the soil surface and is greatly impacted by the amount of impervious surface that exists on a particular site. The runoff coefficient relates the amount of impervious surface to the intensity of development.

(24) "Single family residential property" refers to a building containing only one (1) dwelling unit located upon one (1) zone lot, the term is general, including such specialized forms as one-family detached, one-family semi-detached, and one-family attached. For regulatory purposes, the term is not to be construed to include travel trailers, self-propelled motor homes, tents, or other forms of portable or temporary housing.

(25) "Stormwater" or "storm water" refers to stormwater runoff, snow melt runoff, surface runoff, infiltration, and drainage.

(26) "Stormwater management" means the planning, design, construction, regulation, improvement, repair, maintenance, and operation of facilities and programs relating to water, flood plains, flood control, grading, erosion, tree conservation, and sediment control.

(27) "Stormwater management coordinator" refers to the city of Portland, stormwater management coordinator who develops, coordinates, and maintains the city's stormwater program. The stormwater management coordinator shall report directly to the city engineer.

(28) "Stormwater management fund" or "fund" means the fund created by this ordinance to operate, maintain, and improve the city's stormwater management system.

(29) "Stormwater system" or "system" means all stormwater facilities, stormwater drainage systems and flood protection systems of the city and all improvements thereto which operate to, among other things, control discharges and flows necessitated by rainfall events; and incorporate methods to collect,
convey, store, absorb, inhibit, treat, prevent or reduce flooding, over drainage, environmental degradation and water pollution or otherwise affect the quality and quantity of discharge from such system.

(30) "Stormwater user fee" or "fee" refers to the utility service fee established under this ordinance and levied on owners or users of parcels or pieces of developed property to fund the costs of stormwater management and of operating, maintaining, and improving the stormwater system in the City of Portland. The stormwater user fee is in addition to other fees that the City of Portland has the right to charge under any other rule or regulation of the City of Portland.

(31) "Stormwater utility" means a management structure that is responsible solely and specifically for the stormwater management program and system.

(32) "Surface water" means a water upon the surface of the earth in bounds created naturally or artificially including, but not limited to, streams, other watercourses, lakes, ponds, wetlands, marshes and sinkholes.

(33) "Undeveloped property" shall mean property that is in its natural state and has not been developed; does not have impervious surfaces on it.

(34) "User" refers to the owner or customer of record of property subject to the stormwater user fee imposed by this ordinance.

(35) "Vacant/undeveloped property" means property on which there is no structure for which a certificate of occupancy has been issued. (as added by Ord. #16-59, Nov. 2016)

18-604. Funding of stormwater utility. Funding for the stormwater utility's activities may include, but not be limited to, the following:

(1) Stormwater user's fees.
(2) Civil penalties and damage assessments imposed for or arising from the violation of the city's stormwater management ordinance.
(3) Stormwater permit and inspection fees.
(4) Other funds or income obtained from federal, state, local, and private grants, or revolving funds, and from the Local Government Public Obligations Act of 1986 (Tennessee Code Annotated, title 9, chapter 21).

To the extent that the stormwater drainage fees collected are insufficient to construct needed stormwater drainage facilities, the cost of the same may be paid from such city funds as may be determined by the board of mayor and alderman. (as added by Ord. #16-59, Nov. 2016)

18-605. Stormwater utility management fund. All revenues generated by or on behalf of the stormwater utility shall be deposited in a stormwater utility management fund and used exclusively to fulfill the purposes of the stormwater utility. (as added by Ord. #16-59, Nov. 2016)
18-606. **Operating budget.** The board of mayor and alderman shall adopt, based on a recommendation from the city engineer, stormwater management coordinator, and city recorder, an operating budget for the stormwater utility management fund each fiscal year. The operating budget shall set forth for such fiscal year the estimated revenues and the estimated costs for operations and maintenance, extension and replacement and debt service. (as added by Ord. #16-59, Nov. 2016)

18-607. **Stormwater user fee.** There shall be imposed on each and every developed property in the City of Portland, a stormwater user fee which will be charged monthly, which shall be set from time to time by ordinance in the fee schedule as adopted by the City of Portland, except exempt property, and in the manner and amount prescribed by this ordinance. Prior to establishing or amending the stormwater user fee, the City of Portland shall advertise its intent to do so by publishing notice in a newspaper of general circulation in the City of Portland at least ten (10) days in advance of a council meeting which shall consider the adoption of the fee or its amendment. (as added by Ord. #16-59, Nov. 2016)

18-608. **Equivalent Residential Unit (ERU).** (1) Establishment. The ERU was established for the purpose of calculating the stormwater user fee.

(2) **Definition.** See definition section.

(3) **Setting the ERU.** The ERU shall be set by the board of mayor and alderman via ordinance.

(4) **Source of ERU.** The board of mayor and alderman shall have the discretion to determine the source of the data from which the ERU is established, taking into consideration the general acceptance and use of such source on the part of other stormwater systems, and the reliability and general accuracy of the source including but not limited to property tax assessor's rolls, site examination, mapping information, aerial photographs, and other reliable information.

(5) **Evaluation of ERU.** The ERU shall be evaluated by the stormwater utility as necessary. (as added by Ord. #16-59, Nov. 2016)

18-609. **Property classification for stormwater user fees.**

(1) **Property classifications.** For purposes of determining the stormwater user fee, all properties in the City of Portland are classified into one of the following categories:

(a) Developed property;
(b) Single family dwelling residential property;
(c) Commercial/Industrial Property/Institutional (CII);
(d) Park land/cemetery;
(e) Vacant property;
(f) Exempt property; and
(g) Undeveloped property.

(2) Single family dwelling residential fee. The board of mayor and alderman finds that the intensity of development of most parcels of developed property in the City of Portland classified as single family residential is similar and that it would be excessively and unnecessarily expensive to determine precisely the square footage of the impervious surface on each such parcel. Therefore, all single family residential properties in the City of Portland shall be charged the rate outlined in Appendix A, regardless of the size of the parcel or the impervious surface area of the improvements, except as provided herein.

(3) Developed property, commercial, industrial, institutional, park land, and cemetery fee. The fee for the properties listed above (i.e., non-single-family residential property) in the City of Portland shall be charged the rate outlined in Appendix A under specific section.

(4) Vacant/undeveloped property fee. The fee for vacant/undeveloped property in the City of Portland shall be charged the rate outlined in Appendix A.

(5) Exempt property. There shall be no stormwater user fee for exempt property or as otherwise provided by state law.

(a) Property outside of the incorporated city limits.
(b) Undeveloped property that is not altered from its natural state.
(c) Agricultural property upon which the owner or operator conducts activities that satisfy the requirements of a qualified farmer or nurseryman under Tennessee Code Annotated, § 67-6-207(e). The owner or operator shall bear the burden of establishing such exempt status.
(d) Cemeteries.
(e) Railroad rights-of-way. (as added by Ord. #16-59, Nov. 2016)

18-610. Base rate. The board of mayor and alderman shall, by ordinance in the fee schedule as adopted by the Board of mayor and alderman, establish the base rate for the ERU. The base rate shall be calculated to insure adequate revenues to fund the costs of stormwater management and to provide for the operation, maintenance, and capital improvements of the stormwater system in the City of Portland. The base rates are set forth in City of Portland Ordinance No. 16-46.¹ (as added by Ord. #16-59, Nov. 2016)

18-611. Property owners to pay charges. (1) The owner of each property/tax lot shall be obligated to pay the stormwater user fee as provided in this chapter, provided however, that if no water or sewer service is being provided by the City of Portland or local water utility district at the property to

¹Ordinance #16-46 regarding base rates, and any amendments thereto, may be found in the recorder's office.
the owner as a customer of record and such service is being provided to a customer of record other than the owner, it shall be presumed that the owner and such customer of record have agreed that the customer of record shall be obligated to pay such stormwater user fee.

(2) If the customer of record other than the owner refuses to pay the stormwater user fee, the owner of each property shall be obligated to pay the stormwater user fee as defined in this chapter.

(3) Non-residential multi-tenant properties shall be billed according to the placement of utility meters, i.e. if the property contains individual unit meters, then billing for the stormwater user fee shall be billed to individual units based on the unit's pro rata percentage of impervious surface. If the multi-tenant property contains a master meter, then the stormwater user fee for the entire impervious surface area shall be billed to the customer of record for such master meter.

(4) Each unit of a multi-tenant residential building shall be billed a minimum charge, the same being the single family residential fee, to the customer of record for the unit. If an individual unit is not individually billed for any water or sewer service, i.e. water and sewer utilities are billed to a master meter, then the customer of record for the master meter shall be billed as commercial property based on the total impervious surface area. Billing rates are set forth in Appendix A. (as added by Ord. #16-59, Nov. 2016)

18-612. Billing procedures and penalties for late payment.

(1) Rate and collection schedule. A stormwater user fee shall be set at a rate as set forth in the stormwater user fee schedule as adopted by the board of mayor and alderman by ordinance, collected at a location, and collected on a schedule, established in accordance with this ordinance. The stormwater user fee shall be billed and collected monthly with the monthly utility services bill for those properties within the incorporated limits. The stormwater user fee for those properties utilizing city utilities is part of a consolidated statement for utility customers, which is generally paid by a single payment to the property owner's water utility or to the City of Portland Stormwater Department, unless other means of billing is established at any time by the city.

(2) The stormwater user fee for those properties utilizing utilities not provided by the City of Portland shall be billed and collected by the City of Portland directly to the utility provider or as directed by the city recorder. All bills for the stormwater user fee shall become due and payable in accordance with the rules and regulations of the applicable utilities department pertaining to the collection of the stormwater user fees.

1The stormwater user fee schedule, and any amendments thereto, may be found in the recorder's office.
(3) **Delinquent bills.** The stormwater user fee shall be considered delinquent if not received by the City of Portland or applicable billing water utility by the due date stated within the utility statement, and subsequent late fees shall be imposed as set forth in the fee schedule as adopted by the board of mayor and alderman as established by an ordinance.

(4) **Penalties for late payment; failure to pay.** Stormwater user fees shall be subject to a late fee established by ordinance as indicated in the stormwater user fee schedule. The City of Portland shall be entitled to recover attorney's fees incurred in collecting delinquent stormwater user fees. The city or other collecting utility provider may discontinue utility service to any stormwater user who fails or refuses to pay the stormwater user fees and may refuse to accept payment of the utility bill from any user without receiving at the same time, payment of the stormwater user fee charges owned by such user and further may refuse to re-establish service until all such fees have been paid in full.

(5) **Mandatory statement.** Pursuant to Tennessee Code Annotated, § 68-221-1112, each bill that shall contain stormwater user fees shall contain the following statement in bold: "THE STORMWATER FEE HAS BEEN MANDATED BY CONGRESS PURSUANT TO TENNESSEE CODE ANNOTATED, § 68-221-1112." The City of Portland Board of Mayor and Alderman hereby finds and declares that the stormwater user fee is a utility service fee and not a tax. (as added by Ord. #16-59, Nov. 2016)

**18-613. Appeal of fees.** (1) Any person who disagrees with the calculation of the stormwater user fee, as provided in this ordinance, may appeal such fee determination to the City of Portland's Stormwater Appeal Board within ten (10) days after the date the payment is due. Any appeal not filed within the time permitted by this section shall be deemed waived.

(2) All appeals shall be filed in writing addressed to the stormwater management coordinator for the City of Portland and shall state the grounds for the appeal and the amount of the stormwater user fee the appellant asserts is appropriate. The appeal shall provide such information and documentation supporting the basis of the appeal. The appeal shall be accompanied by an appeal review fee as set forth in the City of Portland's Utility Credit Manual.

(3) Any matter, decision, conclusion, pronouncement, or evaluation made by the city cannot be considered for The Portland Stormwater Appeal Board review until the matter has first been submitted to the City of Portland Engineering Department for evaluation. Only after the city engineer and stormwater management coordinator has had an opportunity to fully consider the matter, and denied the appeal, or a timely review has not taken place, can appellate review be considered with the Portland Stormwater Appeal Board.

(4) The Portland Stormwater Appeal Board shall then review the appeal and determine whether the challenged determination is consistent with the provisions of this chapter. Appeals related to the stormwater user fee shall
be decided based on substantiated evidence with a sound engineering and factual basis. All appeal determinations shall be applied utilizing a strict interpretation of the stormwater utility ordinance. At any hearing related to an appeal or credit determination, the city shall be allowed to present evidence, findings, and recommendations; appealing parties and applicants shall be given an opportunity to present evidence, findings, and recommendations.

(5) The Portland Stormwater Appeal Board may request additional information from the appealing party; the committee may defer the determination of an appeal one (1) time to the next regularly scheduled meeting of the Portland Stormwater Appeal Board. Each appeal shall be placed on the Portland Stormwater Appeal Board agenda for the next scheduled meeting, which meeting is at least twenty (20) days after the stormwater management coordinator receives the written appeal.

(6) The stormwater management coordinator shall notify the appellant customer of the date of the appeal review hearing in writing; such written notice shall be given at least ten (10) days prior to the hearing by regular mail at the address provided in the written appeal document. The decision of the Portland Stormwater Appeal Board shall be final and conclusive with no further administrative review.

(7) If a refund is due, the city engineer shall authorize the refund which will be provided as the stormwater management coordinator deems necessary. (as added by Ord. #16-59, Nov. 2016)

18-614. Stormwater user fee credit and adjustment policy. All applications for stormwater user fee credits and adjustments shall be submitted as outlined in the City of Portland's Utility Credit Manual. Stormwater user fee credits and adjustments may be available for developed properties that provide an up-to-date certified engineered plan, stamped by a current state-approved engineer licensed to practice in Tennessee, documenting reduced stormwater runoff and shows the stormwater on the property is not coming in contact with the city's stormwater system. A detailed hydrologic report is required. (as added by Ord. #16-59, Nov. 2016)

ELECTRICITY¹

SECTION
19-101. To be furnished under franchise.

19-101. To be furnished under franchise. Electricity shall be furnished for the city and its inhabitants under such franchise as the city council shall grant.² The rights, powers, duties, and obligations of the city, its inhabitants, and the grantee of the franchise shall be clearly stated in the written franchise agreement which shall be binding on all parties concerned. CHAPTER 2

GAS

SECTION
19-201. Schedule of rates.
19-203. Gas service line installation policy.

19-201. **Schedule of rates.** All gas service shall be furnished under such rate schedules as the city may from time to time adopt by appropriate ordinance. (1980 Code, § 13-401)

19-202. **Delinquent bills.** A penalty of ten percent (10%) of the total charge shall be assessed against each delinquent customer for each month the bill is not paid after the delinquent date set by the city gas billing office. (1980 Code, § 13-402)

19-203. **Gas service line installation policy.** The City of Portland Natural Gas Department (a municipally-owned and operated system, referred to as OPERATOR) will install the approximately sized service line, where the main is available, from the main to the building wall of the residence, commercial or industrial establishment, set the meter, perform the necessary tests for required safety measures, inspect customer pipings, and turn the gas on for use by the customer, after the customer has paid applicable tap fees and meter deposits as are current. Approval will be subject to the compliance with the Standard Building Code as required by title 12, chapter 4, of the gas code of the City of Portland, §§ 12-401--12-404. The customer will also have been cleared for installation from the following:

The Portland Gas System reserves the right to refuse installation of more than 1,500 feet of service line to any customer, basing its decision on one or more of the following factors:

1. Excessive length of service line over lands that may be tilled for crops, or that the customer plans to till, or may plan to clear of timber, and/or any similar work or procedure which would likely damage a service line;

2. Roughness of terrain, such as rocky conditions, creeks or branches of water to cross, which could likely pose more damage to a service line, or create the possibility of wash-outs of the line, or of rock working its way into the pipe;

---

1Municipal code reference
   Gas code: title 12.
The angle of installation which a customer may request across vacant property which could, at some point in time, be subdivided for development and make relocation necessary;

Installation across private property for which the customer has not, or cannot obtain legal easement;

Installation of service lines within the county/state rights-of-way for which the customer has no written permission from the appropriate authority.

These decisions will be based on the expertise and knowledge of the public works superintendent and gas department crew foreman/department head, and will be based on fact, and made as consistently to the individual situation as is reasonably possible, without bias or partiality, and with the safety of the customers and the OPERATOR'S liability and responsibility foremost in consideration.

In such cases when decision is made to go beyond the 1,500 feet limit, documentation will be kept with the tap sheet (work order) to verify the reasoning for the allowance. Said documentation will bear the signature of the decision maker. (Examples may be, but not limited to, a consumption factor which would render this tap installation more profitable to the system than the average service line connection, such as commercial versus residential, and/or no other heat source available to a customer experiencing extreme hardship.) Costs incurred for installation beyond 1,500 feet will be passed on to the customer.

Regulations governing the transportation and disposition of natural gas, the responsibilities and liabilities of the OPERATOR, and factors determining the feasibility for the municipally-owned system, make it necessary that this policy be adopted by the City of Portland, for compliance by its gas system, the public welfare requiring it. CHAPTER 1

FAIR HOUSING REGULATIONS

SECTION
20-103. General purposes.
20-104. Prohibited acts.
20-105. Exceptions.
20-106. Applicability.
20-108. Findings of hearing board; nature of affirmative action.
20-110. Conspiracy to violate unlawful.
20-111. Establishment of procedures for conciliation.
20-112. Enforcement and penalties.

20-101. Fair housing adopted. The city council of the City of Portland recognizes the right of all people to have full and equal housing opportunity in every neighborhood of their choice.

The city council of the City of Portland adopted a fair housing resolution on February 2, 1976, and this governing body feels that a fair housing ordinance should be adopted in order to strengthen the purpose of fair housing and to provide for the enforcement of equal housing for all.

The city council recognizes that where segregated housing now exists it shall cease or the perpetrator shall be in violation of this chapter.

This chapter shall, by its enactment, eliminate any discrimination in the sale of or in the renting of property within the City of Portland. (1980 Code, § 4-301)
20-102. Definitions. For the purpose of this section, the following words and terms shall have the meaning ascribed to them in this section;

(1) "Dwelling" means any building, structure, or portion thereof which is occupied as, or designed or intended for occupancy as, a residence by one or more families, and any vacant land which is offered for sale or lease for the construction of location thereon of any such building.

(2) "Family" includes a single individual.

(3) "Person" includes one or more individuals, corporations, partnerships, associations, labor organizations, legal representatives, mutual companies, joint-stock companies, trusts, unincorporated organizations, trustees, trustees in bankruptcy, receivers and fiduciaries.

(4) "To rent" includes to lease, to sublease, to let and otherwise to grant for a consideration the right to occupy premises not owned by the occupant.

(5) "Hearing board" means that body of citizens duly appointed by the city council to hear, make determinations, and issue findings in all cases of discriminatory practices in housing results from conciliation failure.

(6) "Conciliation agreement" means a written agreement or statement setting forth the terms of the agreement mutually signed and subscribed to by both complainant(s) and respondent(s) and witnessed by a duly authorized enforcing agent.

(7) "Conciliation failure" means any failure to obtain a conciliation agreement between the parties to the discrimination charge or a breach thereof.

(8) "Discrimination" means any direct or indirect act or practice of exclusion, distinction, restriction, segregation, limitation, refusal, denial or any other act or practice of differentiation or preference in the treatment of a person or persons because of race, color, religion, national origin or sex, or the aiding, abetting, inciting, coercing, or compelling thereof.

(9) "Real property" includes buildings, structures, real estate, lands, tenements, leaseholds, cooperatives, condominiums, and hereditaments, corporal and incorporeal, or any interest in the above. (1980 Code, § 4-302)

20-103. General purposes. The general purposes of this ordinance are:

(1) To provide for execution within the City of Portland of the policies embodied in Title VIII of the Federal Civil Rights Act of 1968 as amended.

(2) To safeguard all individuals within the city from discrimination in housing opportunities because of race, color, religion, national origin, or sex; thereby to protect their interest in personal dignity and freedom from humiliation; to secure the city against domestic strife. (1980 Code, § 4-303)

20-104. Prohibited acts. Subject to the exceptions hereinafter set out it shall be unlawful for any person to do any of the following acts:

(1) To refuse to sell or rent after the making of a bona fide offer to do so or to refuse to negotiate for the sale or rental of, or otherwise make unavailable or deny a dwelling to any person because of race, color, religion, or national origin or sex.
(2) To discriminate against any person in the terms, conditions, or privileges of sale or rental of a dwelling, or in the provision of services or facilities in connection therewith, because of race, color, religion, national origin or sex.

(3) To make, print, or publish or cause to make, printed, or published any notice, statement, or advertisement, with respect to the sale or rental of a dwelling that indicates any preference, limitation, or discrimination.

(4) To represent to any person because of race, color, religion, or national origin that any dwelling is not available for inspection, sale or rental when such dwelling is in fact so available.

(5) For profit, to induce or attempt to induce any person to sell or rent any dwelling by representations regarding the entry or prospective entry into the neighborhood of a person or persons of a particular race, color, religion or national origin or sex. (1980 Code, § 4-304)

20-105. Exceptions. Nothing in the preceding subsection except paragraph (c) is intended to apply to:

(1) Any single family house sold or rented by an owner; provided that such private individual owner does not own more than three such single family houses at any one time; provided further, that in the case of the sale of any such single family house by a private individual owner not residing in such house at the time of such sale or who was not the most recent resident of such house prior to such sale, the exemption granted by this subsection shall apply only with respect to one such sale within any twenty-four month period; provided further, that such bona fide private individual owner does not own any interest in, nor is there owned or reserved on his behalf under any express or voluntary agreement, title to or any right to all or a portion of the proceeds from the sale or rental of, more than three such single family houses covered by this subsection shall be excepted from the application of subsection only if such house is sold or rented without the use in any manner of the sales or rental facilities or the sales or rental services of any real estate broker, agent, or salesman, or of such facilities or services of any person in the business of selling or renting dwellings, or of any employee or agent of any such broker, agent, salesman, or person. Nothing in this provision shall prohibit the use of attorneys, escrow agents, abstractors, title companies, and other such professional assistance as is necessary to perfect or transfer the title. For the purposes of this subsection, a person shall be deemed to be in the business of selling or renting dwellings if:

   (a) He has, within the preceding twelve months participated as principal in three or more transactions involving the sale or rental of any dwelling or any interest therein, or

   (b) He has, within the preceding twelve months participated as agent, other than in the sale of his own personal residence in providing sales or rental facilities or sales or rental of any dwellings or any interest therein, or
(c) He is the owner of any dwelling designed or intended for occupancy by, or occupied by, five or more families.

(2) Rooms or units in dwellings containing living quarters occupied or intended to be occupied by no more than four families living independently of each other, if the owner actually maintains and occupies one of such living quarters as his residence. (1980 Code, § 4-305)

20-106. Applicability. Nothing in this section shall prohibit a religious organization, association, or society, or any nonprofit institution or organization operated, supervised or controlled by or in conjunction with a religious organization, association, or society, from limiting the sale, rental or occupancy of dwellings which it owns or operates for other than a commercial purpose to persons of the same religion or from giving preference to such persons, unless membership in such religion is restricted on account of race, color, sex, or national origin. Nor shall anything in this section prohibit a private club not in fact open to the public which as an incident to its primary purposes, provides lodgings which it owns or operates for other than a commercial purpose, from limiting the rental or occupancy of such lodging to its members or from giving preference to its members. (1980 Code, § 4-306)

20-107. Access. It shall be unlawful to deny any person access to or membership or participation in any multiple listing service, real estate broker's organization or other service, organization or facility relating to the business of selling or renting dwellings, or to discriminate against him in the terms or conditions of such access membership or participation on account of race, color, religion, or national origin or sex. (1980 Code, § 4-307)

20-108. Findings of hearing board; nature of affirmative action.

(1) If the hearing board determines that the respondent has not engaged in an unlawful practice, the board shall state its findings of fact and conclusions of law and shall issue an order dismissing the complaint. A copy of the order shall be delivered to the complainant, the respondent, the city attorney, and such other public officers and persons as the board deems proper.

(2) If the hearing board determines that the respondent has engaged in an unlawful practice, it shall state its findings of fact and conclusions of law and shall negotiate such affirmative action as in its judgment will carry out the purposes of this chapter. A copy of the findings shall be delivered to the respondent, the complainant, the city attorney and such other public officials, officers and persons as the board deems proper.

(3) Affirmative action negotiated under this section may include, but not be limited to:

(a) Extension to all individuals of the full and equal enjoyment of the advantages, facilities, privileges, and services of the respondent;

(b) Reporting as to the manner of compliance;

(c) Posting notices in conspicuous places in the respondent's place of business in a form prescribed by the hearing board;
(d) Sale, exchange, lease, rental, assignment, or sublease of real property to an individual;

(e) Payment to the complainant of damages for injury caused by an unlawful practice including compensation for humiliation and embarrassment, and expenses incurred by the complainant in obtaining alternative housing accommodation and for other costs actually incurred by the complainant as a direct result of such unlawful practice.

(4) The provisions for conciliation and affirmative action shall not preclude or in any way impair the enforcement provisions of this chapter. (1980 Code, § 4-308)

20-109. Investigations, powers, records. (1) In connection with an investigation of a complaint filed under this ordinance, the enforcing agent shall have access to records and documents relevant to the complaint and may request the right to examine, photograph and copy evidence.

(2) Every person subject to this ordinance shall make, keep and preserve records relevant to the determination of whether unlawful practices have been or are being committed, such records being maintained and preserved in a manner and to the extent required under the Civil Rights Act of 1968 and any regulations promulgated thereunder.

(3) A person who believes that the application to it of a regulation or order issued under this section would result in undue hardship may apply to the hearing board for an exemption from the application of the regulational order. If the board finds what the application of the regulation or order to the person in question would impose an undue hardship, it may consider appropriate relief. (1980 Code, § 4-309)

20-110. Conspiracy to violate unlawful. It shall be an unlawful practice for a person, or for two or more persons to conspire:

(1) To retaliate or discriminate in any manner against a person because he or she has opposed a practice declared unlawful by this ordinance, or because he or she has made a charge, filed a complaint, testified, assisted or participated in any manner in any investigation, proceeding, or hearing under this ordinance; or

(2) To aid, abet, incite, compel or coerce a person to engage in any of the acts or practices declared unlawful by this ordinance; or

(3) To obstruct or prevent a person from complying with the provisions of this ordinance or any order issued thereunder; or

(4) To resist, prevent, impede, or interfere with the enforcing agent(s), hearing board, or any of its members or representatives in the lawful performance of duty under this chapter. (1980 Code, § 4-310)

20-111. Establishment of procedures for conciliation. (1) The city shall designate an agent(s) to investigate, make determinations of probable cause, and seek to conciliate apparent violations of this ordinance. Conciliation
efforts may be initiated by any person(s) said to be subject to discrimination as defined in this ordinance.

(2) The city council shall establish a hearing board which in turn shall adopt formal rules and procedures to hear complaints and make appropriate finding. Such procedures shall be made known to all parties of a given charge of discrimination. Hearings by the board shall commence whenever the agent(s) acting on behalf of the city decides a conciliation failure has occurred and the hearing board proceedings. Hearing open to the public may be initiated by the responding party at any time during the conciliation process. (1980 Code, § 4-311)

20-112. Enforcement and penalties. Any person violating this ordinance shall be guilty of a misdemeanor and subject to a fine of not more than five hundred dollars ($500.00) or imprisonment in accordance with the authority granted the city by Tennessee Code Annotated. (1980 Code, § 4-313)
CHAPTER 2

IMPACT FEES

SECTION
20-201. Short title and applicability.
20-203. Definitions.
20-204. Fee determination.
20-205. Exemptions.
20-206. Independent fee calculation.
20-207. Use of fees.
20-208. Refunds.
20-209. Credits.
20-211. Appeals.
20-212. Violations.

20-201. Short title and applicability. (1) Short title. This chapter may be known and cited as Portland's "Impact fee ordinance," and is referred to herein as "this chapter."

(2) Applicability. The provisions of this chapter shall apply to all of the territory within the corporate limits of the City of Portland. (1980 Code, § 1-1201, as deleted by Ord. #04-26, Sept. 2004 and replaced by Ord. #06-10, May 2006)

20-202. Intent. (1) The intent of this chapter is to ensure that impact-generating development bears a share of the cost of improvements to the city's parks and public safety facilities; to ensure that the share does not exceed the cost of providing such facilities; and to ensure that funds collected from impact-generating development are actually used to construct improvements that serve new development.

(2) It is not the intent of this chapter to collect any money from any impact-generating development in excess of the actual amount necessary to offset demands generated by that development for the type of facilities for which the fee was paid. (1980 Code, § 1-1202, as deleted by Ord. #04-26, Sept. 2004 and replaced by Ord. #06-10, May 2006)

20-203. Definitions. For the purpose of interpreting this chapter, certain words used herein are defined as follows:

(1) "Applicant" means the applicant for a building permit for which an impact fee is due pursuant to the provisions of this chapter.

(2) "Equivalent dwelling units (EDUs)" means a common unit of measure that represents the impact of a typical single-family dwelling on the
park system. A typical single-family unit represents, on average, one EDU. Other types of units each represent a fraction of an EDU, based on their relative average household sizes.

(3) "Functional population" means a common unit of measure that represents the impact of a development on the city's public safety facilities.

(4) "Impact fee administrator" means the City of Portland employee who shall be primarily responsible for administering the provisions of this chapter, or his or her designee.

(5) "Impact fee study" means the impact fee study prepared for the City of Portland by Duncan Associates in December 2005, or a subsequent similar report.

(6) "Impact-generating development" means any land development or water or wastewater connection designed or intended to permit an increase the number of service units.

(7) "Industrial" means any industrial including manufacturing and warehousing of goods for the purpose of distribution.

(8) "Institutional" means buildings of religious institutions including but not limited to churches and synagogues; schools, colleges, nursing homes, hospitals and other institutional uses.

(9) "Retail/commercial" means shopping centers and other nonresidential land uses not classified as office/institutional, industrial or warehouse.

(10) "Service units" means common units of measure of the demand placed on the infrastructure and facilities of the city, including parks EDUs and public safety functional population.

(11) "Square feet" means gross floor area, defined as the total area of all floors of a primary building and all associated accessory buildings, measured from the external surface of the outside walls, but excluding covered walkways, open roofed-over areas, porches and similar spaces, exterior terraces or steps, chimneys, roof overhangs, and similar features. Excluded areas include basements or attic spaces of less than seven (7) feet in height and vehicular parking and maneuvering areas. (1980 Code, § 1-1203 as deleted by Ord. #04-26, Sept. 2004 and replaced by Ord. #06-10, May 2006)

20-204. Fee determination. (1) Fee schedule. Any person who applies for a building permit or a water or wastewater connection for an impact-generating development, except those exempted or preparing an independent fee calculation study, shall pay a park and public safety impact fee in accordance with the following fee schedule prior to the issuance of a building permit. If any credit is due pursuant to § 20-209, the amount of such credit shall be deducted from the amount of the fee to be paid.

(2) **Uses not listed.** If the type of impact-generating development for which a building permit is requested is not specified on the above schedule, the impact fee administrator shall determine the fee on the basis of the fee applicable to the most nearly comparable type of land use on the fee schedule. If the impact fee administrator determines the impact fee administratively and the applicant does not agree with the determination, the applicant may prepare an independent fee calculation study.

(3) **Fee assessed on primary use.** In many instances, a particular structure may include auxiliary uses associated with the primary land use. The impact fees are assessed based on the primary land use.

(4) **Net impact of redevelopment.** If the type of impact-generating development for which a building permit is requested is for a change of land use type or for the expansion, redevelopment, or modification of an existing development, the fee shall be based on the net increase in the fee for the new land use type as compared to the previous land use type.

(5) **No refund for channel of use.** In the event that the proposed change of land use type, redevelopment, or modification results in a net decrease in the fee for the new use or development as compared to the previous use or development, there shall be no refund of impact fees previously paid. (1980 Code, § 1-1204, as deleted by Ord. #04-26, Sept. 2004 and replaced by Ord. #06-10, May 2006)

20-205. **Exemptions.** The following shall be exempt from the terms of this chapter. An exemption must be claimed at the time of application for a building permit.

(1) **Residential alternations.** Alterations of an existing dwelling unit where no additional dwelling units are created.

(2) **Residential replacement.** Replacement of a destroyed, partially-destroyed or moved residential building or structure with a new building or structure of the same use, and with the same number of dwelling
units. In the case of a single-family detached dwelling unit, if the replacement structure is larger than the original structure, a fee shall be charged based on the increase in square footage.

(3) **Nonresidential replacement.** Replacement of destroyed, partially-destroyed or moved non residential building or structure with a new building or structure of the same gross floor area and use.

(4) **Pre-ordinance permit application.** Any development for which a completed application for a building permit was submitted prior to the effective date of this chapter, provided that the construction proceeds according to the provisions of the permit and the permit does not expire prior to the completion of the construction.

(5) **No waivers; payment or fees by city.** Impact fees shall not be waived. In order to promote the economic development of the city or the public health, safety, and general welfare of its residents, the city council may agree to pay some of the impact fees imposed on a proposed development or redevelopment from other funds of the city that are not restricted to other uses. Any such decision to pay impact fees on behalf of an applicant shall be at the discretion of the city council and shall be made pursuant to goals and objectives articulated by the city council. (1980 Code, § 1-1205, as deleted by Ord. #04-26, Sept. 2004 and replaced by Ord. #06-10, May 2006)

**20-206. Independent fee calculation.** The impact fee may be computed by the use of an independent fee calculation study at the election of the applicant, or upon the request of the impact fee administrator, for any proposed land development activity interpreted as not one of those types listed on the fee schedule or as one that is not comparable to any land use on the fee schedule, and for any proposed land development activity for which the impact fee administrator concludes the nature, timing or location of the proposed development makes it likely to generate impacts costing substantially more to mitigate than the amount of the fee that would be generated by the use of the fee schedule.

(1) **Cost of study; fee.** The preparation of the independent fee calculation study shall be the sole responsibility and cost of the applicant. Any person who requests to perform an independent fee calculation study shall pay an application fee for administrative costs associated with the review and decision on such study.

(2) **Content of study.** The independent fee calculation study shall be based on the same formulas, level of service standards and unit costs for facilities used in the impact fee study, and shall document the methodologies and assumptions used. The scope of the study shall be approved in advance by the impact fee administrator.
(3) **Park impact fee formula.** The park impact fees shall be calculated according to the following formula.

\[
FEE = \text{EDUs} \times \frac{\text{NET COST}}{\text{EDU}}
\]

Where:

- \( \text{EDUs} = \text{UNITS} \times \text{EDUs/UNIT} \)
- \( \text{UNITS} = \) Number of dwelling units of each housing type in the development
- \( \text{EDUs/UNIT} = \) Number of equivalent dwelling units represented by one dwelling unit of a given housing type
- \( \text{NET COST/EDU} = \frac{\text{NET COST} + \text{TOTAL EDUs}}{\text{EDUs}} \)
- \( \text{NET COST} = \) Total replacement cost of existing park facilities less outstanding debt
- \( \text{TOTAL EDUs} = \) Total existing housing units in the city, expressed in terms of equivalent dwelling units

(4) **Public safety impact fee formula.** The public safety impact fees shall be calculated according to the following formula.

\[
FEE = \text{FPOP} \times \frac{\text{NET COST}}{\text{FPOP}}
\]

Where:

- \( \text{FPOP} = \text{UNITS} \times \text{FPOP/UNIT} \)
- \( \text{UNITS} = \) Number of dwelling units of each housing type in the development
- \( \text{FPOPIUNIT} = \) Functional population represented by one dwelling unit of a given housing type or 1,000 square feet of nonresidential floor area of a given land use type
- \( \text{NET COST/FPOP} = \frac{\text{NET COST} + \text{TOTAL FPOP}}{\text{FPOP}} \)
- \( \text{NET COST} = \) Total replacement cost of existing public safety facilities and equipment less outstanding debt
- \( \text{TOTAL FPOP} = \) Total existing residential and nonresidential development in the city, expressed in terms of functional population (1980 Code, § 12-1206, as deleted by Ord. #04-26, Sept. 2004 and replaced by Ord. #06-10, May 2006)

20-207. **Use of fees.** (1) **Segregation of funds.** An impact fee fund that is distinct from the general fund of the city is hereby created, and the impact fees received will be deposited in the following interest-bearing accounts of the impact fee fund.
(a) **Park impact fee account.** The park impact fee account shall contain only those park impact fees collected pursuant to this chapter plus any interest which may accrue from time to time on such amounts.

(b) **Public safety impact fee account.** The public safety impact fee account shall contain only those public safety impact fees collected pursuant to this chapter plus any interest which may accrue from time to time on such amounts.

(2) **FIFO accounting.** Monies in each impact fee account shall be considered to be spent in the order collected, on a first-in/first-out basis.

(3) **Eligible expenditures.** The monies in each impact fee account shall be used only for the following:

(a) To acquire or construct system improvements of the type reflected in the title of the account;

(b) To pay debt service on any portion of any current or future general obligation bond or revenue bond used to finance facilities or capital equipment of the type reflected in the title of the account, provided that the facilities financed by that portion of the debt have not been included in the calculation of the existing level of service on which the impact fees were based in the most recent impact fee study;

(c) As described in § 20-208, refunds; or

(d) As described in § 20-209, credits.

(4) **Ineligible expenditures.** The monies in each impact fee account shall not be used for the following:

(a) Rehabilitation, reconstruction, replacement or maintenance of existing facilities and capital equipment except to the extent that the projects increase the capacity to serve new development; or

(b) Ongoing operational costs. (as added by Ord. #06-10, May 2006)

20-208. **Refunds.** (1) Any monies in the impact fee fund that have not been spent within seven (7) years after the date on which such fee was paid shall be returned to the current owners with earned interest since the date of payment.

(2) Notice of the right to a refund, including the amount of the refund and the procedure for applying for and receiving the refund, shall be sent or served in writing to the present owners of the property within thirty (30) days of the date the refund becomes due. The sending by regular mail of the notices to all present owners of record shall be sufficient to satisfy the requirement of notice.

(3) The refund shall be made on a pro rata basis, and shall be paid in full within ninety (90) days of the date certain upon which the refund becomes due.

(4) If an applicant has paid an impact fee required by this chapter and the building permit later expires without the possibility of further extension,
and the development activity for which the impact fee was imposed did not occur and no impact has resulted, then the applicant who paid such fee shall be entitled to a refund of the fee paid, without interest. In order to be eligible to receive such refund, the applicant who paid such fee shall be required to submit an application for such refund within thirty (30) days after the expiration of the permit or extension for which the fee was paid.

(5) At the time of payment of any impact fee under this chapter, the impact fee administrator shall provide the applicant paying such fee with written notice of those circumstances under which refunds of such fees will be made. Failure to deliver such written notice shall not invalidate any collection of any impact fee under this chapter.

(6) The city shall be entitled to retain two percent (2%) of the amount of any refund to cover the administrative costs of processing refunds. (as added by Ord. #06-10, May 2006)

20-209. Credits. Credit against the park and public safety impact fees shall be provided for contributions toward the cost of park and public safety facilities, respectively.

(1) Effective upon acceptance. Approved credits shall generally become effective when the improvements have been completed and have been accepted by the city council under the provisions of a prior agreement.

(2) Land valuation. Credit for dedication of land for parks or public safety facilities shall be based on the value of the land to be dedicated. The value of any land required to be dedicated during the subdivision process shall be based upon the "fair market value" of the land at the time of filing the final plat. The value of any land required to be dedicated as part of a rezoning or other approval shall be based on the value of the land at the time of the application for the approval. The value shall be determined by a certified appraiser who is selected and paid for by the applicant, and who uses generally accepted appraisal techniques. If the city disagrees with the appraised value, the city may engage another appraiser at the city's expense, and the value shall be an amount equal to the average of the two appraisals. If either party rejects the average of the two appraisals, a third appraisal shall be obtained, with the cost of such third appraisal being borne by the party rejecting the average. The third appraiser shall be selected by the first two appraisers, and the third appraisal shall be binding on both parties. Approved credits for dedicated land shall become effective when the land has been conveyed to the city and has been accepted by the city.

(3) Construction costs. In order to receive credit for park or public safety improvements, the developer shall submit complete engineering drawings, specifications, and construction cost estimates to the impact fee administrator. The impact fee administrator shall determine the amount of credit due based on the information submitted, or where such information is
inaccurate or unreliable, then on alternative engineering or construction costs acceptable to the impact fee administrator.

(4) **Developer agreement.** To qualify for an impact fee credit, the developer must enter into an agreement with the city as approved by the city council. The developer agreement shall specify the amount of the credit, how the credit will be allocated within the development, and whether and how the developer will be reimbursed for any excess credit beyond the impact fees that would otherwise be due from the development.

(5) **Allocation of credits within a development.** Unless otherwise specified in a developer agreement, in the event that the impact-generating development for which credits have been issued is sold to different owners, the credits usable by each new owner shall be calculated in terms of a percentage of the impact fees that would otherwise be due from the entire development. If the total amount of development is not known, the maximum potential development under existing development regulations shall be assumed. This percentage reduction will be applied to all impact fees assessed within the development until the total amount of the credits is exhausted or the development is completed, whichever occurs first.

(6) **Credits run with the land.** Unless otherwise specified in a developer agreement, the right to claim credits shall run with the land and may be claimed only by owners of property within the development for which the land was dedicated or the improvement was made. Credits issued for a particular development shall not be transferable to another development.

(7) **Expiration of credits.** Credits provided pursuant to this chapter shall be valid from the effective date of such credits until ten (10) years after such date or until the last date of construction within the development or project for which the credits were issued, whichever occurs first.

(8) **Pre-ordinance credits.** Applicants may also obtain credits for improvements completed prior to the effective date of this chapter, and may use such credits to reduce the impact fees due after the effective date of this chapter within the same impact-generating development for which the credits were issued. Application for such credits must be made, on forms provided by the city, within one (1) year after the effective date of this chapter. In the event that the impact-generating development for which the credits are claimed is partially completed, the amount of the credits shall be reduced by the amount of the impact fees that would have been charged for the completed portion of the development had this chapter been in effect. In the event that the entire impact-generating development project has been completed, no credits shall be issued.

(9) **Must be claimed.** The use of credits must be claimed at the time of application for a building permit. Any right to credit not so claimed shall be deemed to be waived. (as added by Ord. #06-10, May 2006)
20-201. **Miscellaneous provisions.** (1) **Developer exactions.** Nothing in this chapter shall restrict the city from requiring the construction of reasonable improvements required to serve the development project, whether or not such improvement are of a type for which credits are available under § 20-209, credits.

(2) **Record-keeping.** The impact fee administrator shall maintain accurate records of the impact fees paid, including the name of the person paying such fees, the project for which the fees were paid, the date of payment of each fee, the amounts received in payment for each fee, and any other matters that the city deems appropriate or necessary to the accurate accounting of such fees. Records shall be available for review by the public during normal business hours and with reasonable advance notice.

(3) **Programming of funds.** The city's capital improvements program shall assign monies from each impact fee fund to specific projects and related expenses for eligible improvements of the type for which the fees in that fund were paid. Any monies, including any accrued interest, not assigned to specific projects within such capital improvements program and not expended pursuant to § 20-208, refunds, or § 20-209, credits, shall be retained in the same impact fee fund until the next fiscal year.

(4) **Administrative charges.** The city shall assess a surcharge of two percent (2%) of each impact fee collected to cover the expenses of collecting the fee and administering this chapter. The administrative charge may not be paid with impact fee credits.

(5) **Correction of errors.** If a impact fee has been calculated and paid based on a mistake or misrepresentation, it shall be recalculated. Any amounts overpaid by an applicant shall be refunded by the impact fee administrator to the applicant within thirty (30) days after the acceptance of the recalculated amount, with interest since the date of such overpayment. Any amounts underpaid by the applicant shall be paid to the impact fee administrator within thirty (30) days after the acceptance of the recalculated amount, with interest since the date of such underpayment. In the case of an underpayment to the impact fee administrator, the city shall not issue any additional permits or approvals for the project for which the impact fee was previously underpaid until such underpayment is corrected, and if amounts owed to the city are not paid within such thirty (30) day period, the city may also rescind any permits issued in reliance on the previous payment of such impact fee.

(6) **Periodic updates.** The impact fee schedules and the administrative procedures established by this chapter shall be reviewed at least once every three (3) years. (as added by Ord. #06-10, May 2006)

20-211. **Appeals.** Any determination made by the impact fee administrator charged with the administration of any part of this chapter may be appealed to the city council within thirty (30) days from the date of the decision to be appealed. (as added by Ord. #06-10, May 2006)
20-212. Violation. Furnishing false information on any matter relating to the administration of this chapter, including without limitation the furnishing of false information regarding the expected size, use, or impacts from a proposed development, shall be a violation of this chapter. (as added by Ord. #06-10, May 2006)
CHAPTER 3

AIRPORT AUTHORITY

SECTION
20-301. Creation.
20-302. Previous ordinance incorporated.
20-303. Commissioners.
20-304. Location of office.
20-305. Powers and authorities.
20-306. Previous actions and transactions ratified and approved.

20-301. Creation. Pursuant to the provisions of the Airport Authorities Act, Tennessee Code Annotated, title 42, chapter 3 an authority to be known as the City of Portland Airport Authority [is hereby created] for the purpose of developing, building and operating an airport in or near the City of Portland, Tennessee, to be known as the Portland Airport. (1980 Code, § 1-1301, as amended by Ord. #527, Nov. 1996)

20-302. Previous ordinance incorporated. To the extent not inconsistent herewith, the provisions of Ordinance No. 122, as adopted on May 15, 1968, are incorporated here and by reference and made a part hereof. (Ord. #527, Nov. 1996)

20-303. Commissioners. The number of airport authority commissioners is hereby increased from seven (7) to nine (9). The new commissioners shall be appointed by the mayor and approved by the city council and their term of office shall be for a period of five (5) years or for a lesser period of time to allow for staggered terms by the board of commissioners of the Portland Airport Authority. (as replaced by Ord. #597, March 1999, and amended by Ord. #05-13, July 2005, and Ord. #13-25, Aug. 2013)

20-304. Location of office. The location of the principal office of the Portland Airport Authority shall be the same as that of the City of Portland, that being 100 South Russell Street, Portland, Tennessee 37148. The Portland Airport Authority shall have authority to meet at such other places as the authorities shall deem appropriate from time to time. (Ord. #527, Nov. 1996)

20-305. Powers and authorities. The Portland Airport Authority shall have such powers and authority as set forth in Tennessee Code Annotated, § 42-3-101 et seq. (Ord. #527, Nov. 1996)
20-306. Previous actions and transactions ratified and approved. The actions and transactions heretofore performed and approved by the Portland Airport Authority as presently constituted are hereby ratified and approved and shall be the responsibility and obligations of the new Airport Authority as hereby recreated. (Ord. #527, Nov. 1996)

20-307. Applications. All necessary applications shall be filed with the Secretary of State of Tennessee and with the Tennessee Department of Transportation, if required. (Ord. #527, Nov. 1996)
CHAPTER 4
CIVIL DEFENSE REGULATIONS

SECTION
20-401. Local agency established, etc.
20-402. Title of chapter.
20-403. Definitions.
20-404. Authority.
20-405. Duties and responsibilities of director.
20-408. Natural emergencies.
20-410. Liabilities.
20-411. Acceptance of services, equipment, etc., from federal or state governments, etc.
20-412. Absence, incapacity, etc. of mayor.
20-413. Interference with civil defense organization, etc.

20-401. Local agency established, etc. Be it ordained that we do hereby establish a local agency for civil defense in accordance with the authority contained in Tennessee Code Annotated, title 58, chapter 2, §§ 58-2-101 through 58-2-129, to provide for the appointment of a director of civil defense, to define the words "enemy-caused" and "natural emergencies," and to provide the means whereby such emergencies would be declared to exist, to define the duties of the mayor, to provide for penalties for violations. (1980 Code, § 1-1401)

20-402. Title of chapter. This chapter shall be known as the Civil Defense Ordinance for the City of Portland, Tennessee. (1980 Code, § 1-1402)

20-403. Definitions. (1) "Civil defense" shall mean the preparation for the carrying out of all emergency functions, other than functions for which military forces are primarily responsible, to minimize and repair injury and damage resulting from disasters caused by enemy attack, sabotage, or other hostile actions.

(2) "Natural disaster" shall mean any condition seriously affecting or threatening the public health, the welfare or property of the citizens or similar natural or accidental causes which are beyond the control of public or private agencies ordinarily responsible for the control or relief of such conditions. Riots, strikes, insurrections, or other civil disaster shall not be included in the meaning of "natural disaster," but includes rescue, engineering services, air raid warning services, communications, radiological, chemical and other special weapons defense, evacuation of persons from stricken areas, emergency welfare
service, emergency transportation, plant protection, and all other activities necessary or incidental to the preparation for the carrying out of the foregoing emergency functions.

(3) "Emergencies" shall mean a condition resulting from an enemy attack or natural disaster which cannot be handled by normal operating personnel and facilities.

(4) "Civil defense volunteer" shall mean any person who serves without compensation in the civil defense organization.

(5) "Enemy caused emergencies" shall mean any state of emergency caused by actual or impending attack, sabotage or other hostile actions involving the imminent peril to life and property in the city. Such emergency shall be deemed to exist only when the mayor shall so declare by public proclamation. Such emergencies shall be deemed to continue to exist until the aforesaid mayor shall declare it terminated by resolution.

(6) "Natural emergency" shall mean any state of emergency caused by an actual or impending flood, drought, fire, hurricane, earthquake, storm or other catastrophe within the city, and involving immediate peril to life and property within the city. Such emergency shall be deemed to exist only when the mayor shall so declare and shall be terminated by resolution of aforesaid mayor. (1980 Code, § 1-1403)

20-404. **Authority.** (1) The mayor shall have the authority to exercise emergency powers provided in existing state and federal codes.

(2) To provide for the rendering of mutual aid to the surrounding community.

(3) The mayor is hereby authorized to create a city civil defense department and to appoint a director of civil defense. (1980 Code, § 1-1404)

20-405. **Duties and responsibilities of director.** The director of civil defense shall have general direction and control of the office of civil defense and shall be subject to the direction and control of the mayor and shall have the following functions and duties:

(1) To prepare a civil defense operating plan for the city conforming to the state and federal civil defense agencies' plan and program to be integrated and coordinated so as to control and cooperate with civil defense organizations of the County of Sumner for the accomplishments of the purposes of this chapter.

(2) To direct, coordinate and cooperate between departments, services and staff of the civil defense organization of the city.

(3) To represent the civil defense organization in all activities, which include public and private agencies operating in the field of civil defense and disaster. (1980 Code, § 1-1405)
20-406. **Powers of director.** Prior to an emergency as defined in this chapter and subject to the direction and control of the mayor, the director of civil defense shall have the following powers:

1. To make, amend and rescind the necessary orders, rules and regulations to carry out the provisions of this chapter within the limits of the authority conferred upon him herein, with due consideration to be given to the plans and powers of the federal government, the government of Tennessee, and other public and private agencies and organizations empowered to act in either enemy-caused emergencies or natural emergencies or both.

2. To prepare comprehensive plans for the civil defense of the city in both enemy-caused and natural emergencies, such plans and programs to be integrated and coordinated with the plans and programs of the federal government, of the government of Tennessee, and of other public and private agencies and organizations empowered to act in either enemy-caused or natural emergencies or both.

3. To establish, within the limits of funds available, a public warning system composed of sirens, horns, or other acceptable warning devices.

4. To establish and carry out recruitment and training programs as may be necessary to develop an adequate, qualified civil defense volunteer corps.

5. To conduct drills, exercises, and similar programs as may be necessary to develop a well trained, alert, fully prepared civil defense organization.

6. To make such studies and surveys of the industries, resources and facilities of the City of Portland as he deems necessary to ascertain its capabilities for civil defense and plan for the most efficient emergency use therefor.

7. On behalf of the City of Portland to enter into mutual-aid arrangements with surrounding communities subject to the approval of the governing bodies affected.

8. To delegate any administrative authority vested in him under the chapter, and to provide for the sub-delegations of any such authority.

9. To take any other action proper and lawful under his authority to prepare for either an enemy-caused or a natural emergency. (1980 Code, § 1-1406)

20-407. **Enemy-caused emergencies.** In the event of any actual enemy-caused emergency proclaimed, as provided in this chapter, the director of civil defense, with the approval of the mayor, may take control of all means of transportation and communications, all stocks of fuel, food, clothing, medicines and supplies, and all facilities, including buildings and plants, and exercise all power necessary to secure the safety and protection of the civilian population. In exercising such powers, he shall be guided by regulations and orders issued by the federal government and Governor of Tennessee relating to civil defense and shall take no action contrary to orders which may be issued by
the governor under the powers conferred upon him by Tennessee Code Annotated, § 58-2-101 et seq. (1980 Code, § 1-1407)

20-408. Natural emergencies. In the event of any natural emergency proclaimed, as provided in this chapter, the director of civil defense, with the approval of the mayor and acting under his instructions, shall coordinate in every way the activities of the civil defense organization. He is specifically charged in such emergency with the collection, evacuation and dissemination of information to all agencies participating in the city's civil defense organization or cooperating in such emergency. As director, he shall have the power to recommend appropriate action, but he shall not otherwise exercise control over the participating agency. He shall also recommend to the mayor the allocation of any source to alleviate the distress and to aid in restoring normal conditions. (1980 Code, § 1-1408)

20-409. Emergency powers of city. In carrying out the provisions of this chapter, the city, upon the happening of any disaster as described herein, shall have the power to enter into contract and incur obligations necessary to combat such disaster, protecting the health and safety of person and property and providing emergency assistance to the victims of such disaster. The city is authorized to exercise the powers vested under this section and elsewhere in this chapter in the light of exigencies of the extreme emergency situation without regard to time-consuming procedures and formalities prescribed by chapter or statute (except mandatory constitutional requirements) pertaining to the performance of public work entering into contract, the incurring of obligations, the employment of temporary workers, the rental of equipment, the purchase of supplies and materials, and levying of taxes and the appropriations and expenditures of public funds. (1980 Code, § 1-1409)

20-410. Liabilities. As provided in Tennessee Code Annotated, § 58-2-129, and in accordance herewith, agents or representatives of the city shall not be liable for personal injury or property damage sustained by any person appointed or acting as a civil defense worker. The right of any person to receive benefits of compensation to which he might otherwise be entitled to under workmen's compensation law or any pension law or any act of congress, shall not be affected by this section. (1980 Code, § 1-1410)

20-411. Acceptance of services, equipment, etc., from federal or state governments, etc. Whenever the federal government or the State of Tennessee on any person, firm or corporation shall offer to the city any services, equipment, supplies, materials, or any funds by way of gift, grant or loan for purposes of civil defense, the mayor may accept such offer and may authorize the receipt of same subject to the terms of the offer and the rules and regulations, if any, of the agency making the offer. (1980 Code, § 1-1411)
20-412. Absence, incapacity, etc. of mayor. In the event of the absence, incapacity or inability to act on the part of the mayor under the provisions of this civil defense chapter, the actions or declarations authorized or required on the part of the mayor may be taken or declared by the mayor pro-tem. (1980 Code, § 1-1412)

20-413. Interference with civil defense organization, etc. It shall be unlawful for any person willfully to obstruct, hinder, or delay the civil defense organization in the enforcement of any rule or regulation issued pursuant to this chapter, or to do any act forbidden by any rule or regulation issued pursuant to the authority contained in this chapter. It shall likewise be unlawful for any person to wear, carry or display any emblem, insignia or any other means of identification as a member of the Civil Defense Organization of the City of Portland, Tennessee, unless authorization has been granted to such person by the proper officials. Upon conviction for violation of the provisions of this chapter, violation shall be punishable by a fine of not more than $50.00. (1980 Code, § 1-1413)
CHAPTER 5

CREATION OF THE DEPARTMENT OF PUBLIC SAFETY

SECTION

20-501. Department of public safety. There is hereby created a department of the City of Portland, Tennessee, known as the Department of Public Safety. (1980 Code, § 1-1501)

20-502. Functions of the department. It shall be the responsibility of this department to provide for the overall direction of the division of police protection (formerly police department) and the division of fire protection (formerly fire department), the supporting records and communication services and departmental training activities. It shall determine plans and policies to assure the protection of lives and property in the City of Portland. It shall further coordinate related activities with other governmental units, such as law enforcement agencies and fire protection agencies. (1980 Code, § 1-1502)

20-503. Establishment of the police division and the fire protection division. There is hereby established within the department of safety two (2) divisions to be known as the police division and the fire protection division each headed respectively by the police chief and the fire chief employed by the city. The persons selected to these positions must meet the qualifications established from time to time by the city council and each position has complete internal control over their assigned division. These persons shall report directly to the mayor of the city and shall prepare annual departmental budget requests and such reports as may be required to anticipate departmental personnel and equipment needs. The police chief and the fire chief shall attend city council meetings and other meetings determined by the mayor. The persons occupying these positions shall keep abreast of professional development in their respective fields of endeavor. (1980 Code, § 1-1503, as replaced by Ord. #11-23, June 2011)

REGULATIONS FOR TELECOMMUNICATIONS TOWERS
AND FACILITIES

SECTION
20-801. Findings.
20-802. Purposes.
20-803. Definitions.
20-804. Special provisions for amateur radio stations.
20-807. Setbacks.
20-808. Structural requirements.
20-809. Separation of towers.
20-810. Method of determining tower height.
20-811. Illumination.
20-813. Landscaping and screening.
20-814. Telecommunications facilities on antenna support structures.
20-815. Modification of towers.
20-816. Certifications and inspections.
20-817. Maintenance.
20-818. Criteria for site plan development modifications.
20-819. Abandonment.

20-801. Findings. The Communication Act of 1934, as amended by the Telecommunications Act of 1996 ("the Act") grants the Federal Communications Commission (FCC) exclusive jurisdiction over:

(1) The regulation of the environmental effects of radio frequency (RF) emissions from telecommunications facilities, and

(2) The regulation of radio signal interference among users of the RF spectrum.

The city's regulation of towers and telecommunications facilities in the city will not have the effect of prohibiting any person from providing wireless telecommunications services in violation of the Act. (as added by Ord. #02-31, Oct. 2002)

20-802. Purposes. The general purpose of this chapter is to regulate the placement, construction, and modification of towers and telecommunications facilities in order to protect the health, safety, and welfare of the public, while at the same time not reasonably interfering with the development of the competitive wireless telecommunications marketplace in the city.

Specifically, the purposes of this chapter are:
(1) To regulate the location of towers and telecommunications facilities in the city;
(2) To protect residential areas and land uses from potential adverse impact of towers and telecommunications facilities;
(3) To minimize adverse visual impact of towers and telecommunication facilities through careful design, sitting, landscaping, and innovative camouflaging techniques;
(4) To promote and encourage shared use/collocation of towers and antenna support structures as a primary option rather than construction of additional single-use towers;
(5) To promote and encourage utilization of technological designs that will either eliminate or reduce the need for erection of new tower structures to support antenna and telecommunications facilities;
(6) To avoid potential damage to property caused by towers and telecommunications facilities by ensuring such structures are soundly and carefully designed, constructed, modified, maintained, and removed when no longer used or are determined to be structurally unsound; and
(7) To ensure that towers and telecommunications facilities are compatible with surrounding land uses. (as added by Ord. #02-31, Oct. 2002)

20-803. Definitions. The following words, terms, and phrases, when used in this section, shall have the meaning indicated:
(1) "Antenna support structure" means any building or structure other than a tower that can be used for location of telecommunications facilities.
(2) "Applicant" means any person that applies for a tower development permit.
(3) "Application" means the process by which the owner of a parcel of land within the city submits a request to develop, construct, build, modify, or erect a tower upon such parcel of land. Application includes all written documentation, verbal statements, and representations, in whatever form or forum, made by an applicant to the city concerning such a request.
(4) "Engineer" means any engineer licensed by the State of Tennessee.
(5) "Owner" means any person with fee title or a long-term (exceeding ten (10) years) leasehold to any parcel of land within the city who desires to develop, or construct, build, modify, or erect a tower upon such parcel of land.
(6) "Person" is any natural person, firm, partnership, association, corporation, company, or other legal entity, private or public, whether for profit or not for profit.
(7) "Stealth" means any tower or telecommunications facility which is designed to enhance compatibility with adjacent land uses, including but not limited to, architecturally screened roof-mounted antennas, antennas integrated into architectural elements, and towers designed to look other than like a tower such as light poles, power poles, and trees. The term stealth does not
necessarily exclude the use of uncamouflaged lattice, guyed, or monopole tower designs.

(8) "Telecommunications facilities" means any cables, wires, lines, wave guides, antennas, and any other equipment or facilities association with the transmission or reception of communications which a person seeks to locate or has installed upon or near a tower or antenna support structure. However, telecommunications facilities shall not include:

(a) Any satellite earth station antenna two (2) meters in diameter or less which is located in an area zoned industrial or commercial; or

(b) Any satellite earth station antenna one (1) meter or less in diameter, regardless of zoning category.

(9) "Tower" means a self-supporting lattice, guyed, or monopole structure constructed from grade that supports telecommunications facilities. The term tower shall not include amateur radio operators' equipment, as licensed by the FCC. (as added by Ord. #02-31, Oct. 2002)

20-804. Special provisions for amateur radio stations. Amateur radio stations (Hams) licensed under FCC regulations shall be exempt from the general requirements of this chapter. However, amateur radio stations shall adhere to the following regulations:

(1) No tower shall be placed within any required front, side, or rear setback area.

(2) Towers shall be placed behind the rear building line of the principal structure on the lot.

(3) All towers shall be properly grounded as per National Electric Code 810, Section C.

(4) Amateur towers greater than one hundred (100) feet in height are subject to the following additional provisions: At no time shall the fall radius of the tower include any habitable structure not owned by the amateur. The applicant shall provide documentation of ownership, lease, or permanent easement rights for the entire fall radius of the tower. The tower shall be equipped with guards or other devices to prevent it from being climbed without authorization of the amateur. The applicant shall submit documentation to the codes department sufficient to show that all provisions of this section have been met.

(5) Amateur towers located at a site other than the primary residence of a licensed ham operator shall meet the requirements for setbacks, fencing, screening, and parking/access as detailed in this chapter. However, amateur towers without ground mounted equipment or buildings need only meet the requirements for access/parking and be designed so that they are not accessible to unauthorized climbing.
(6) Temporary towers may be erected for a maximum of forty-eight (48) hours for special events or emergencies upon approval by the codes department. (as added by Ord. #02-31, Oct. 2002)

20-805. Development of towers. (1) No person shall build, erect, or construct a tower upon any parcel of land within any zoning district set forth above unless a site plan is approved and a development permit shall have been issued by the city.

(2) A tower shall be a permitted use of land in the following zoning districts:

Commercial Districts
Central Business District
General Commercial Services
Interchange Service District

Industrial Districts
All Industrial Districts

(3) A tower shall be conditional use of land in the following zoning districts:

Commercial Districts
Medical-professional Office
Neighborhood Service Districts
Office Professional Service

(4) Towers are exempt from the maximum height restrictions of the zoning districts where located. Towers shall be permitted to a height of one hundred and fifty (150) feet. Towers may be permitted in excess of one hundred and fifty (150) feet in accordance with § 20-818 "Criteria for site plan development modifications."

(5) No new tower shall be built, constructed, or erected in the city unless the tower is capable of supporting another person's operating telecommunications facilities comparable in weight, size, and surface area to the telecommunications facilities installed by the applicant on the tower within six (6) months of the completion of the tower construction. (as added by Ord. #02-31, Oct. 2002)

20-806. Application. An application to develop a telecommunications tower containing the information indicated within this section shall be required of all such proposed facilities. The city may require an applicant to supplement any information that it considers inadequate or that the applicant has failed to supply. The city may deny an application on the basis that the applicant has not satisfactorily supplied the information required in this subsection. Applications shall be reviewed by the city in a prompt manner and all decisions shall be supported in writing, setting forth the reasons for approval or denial.
As a minimum, an application to develop a tower shall include:

1. The name, address, and telephone number of the owner and lessee of the parcel of land upon which the tower is situated.
2. The legal description, map parcel number, and address of the parcel of land upon which the tower is situated.
3. The names, addresses, and telephone numbers of all owners of other towers or usable antenna support structures within a one-half (½) mile radius of the proposed new tower site, including city-owned property.
4. A description of the design plan proposed by the applicant in the city. Applicant must identify its utilization of the most recent technological design, including microcell design, as part of the design plan. The applicant must demonstrate the need for towers and why design alternatives, such as the use of microcell, cannot be utilized to accomplish the provision of the applicant's telecommunications services.
5. An affidavit attesting to the fact that applicant made diligent, but unsuccessful, efforts to install or collocate the applicant's telecommunications facilities on city-owned facilities (including water tanks), on city-owned towers or usable antenna support structures located within a one-half (½) mile radius of the proposed tower site.
6. An affidavit attesting to the fact that the applicant made diligent, but unsuccessful, efforts to install or collocate the applicant's telecommunications facilities on towers of usable antenna support structures owned by other persons located within one-half (½) mile radius of the proposed tower site.
7. Written technical evidence from an engineer(s) that the proposed tower or telecommunications facilities cannot be installed or collocated on another person's tower or usable antenna support structures owned by other persons located within one-half (½) mile radius of the proposed tower site.
8. A written statement from an engineer(s) that the construction and placement of the tower will not interfere with public safety communications and the usual and customary transmission or reception of radio, television, or other communications services enjoyed by adjacent residential and non-residential properties.
9. Written, technical evidence from an engineer(s) that the proposed structure meets the standards set forth in § 20-808, "Structural requirements," of this chapter.
10. Written, technical evidence from qualified engineer(s) acceptable to the fire marshal and the building official that the proposed site of the tower or telecommunications facilities does not pose a risk of explosion, fire, or other danger to life or property due to its proximity to volatile, flammable, explosive, or hazardous materials such as LP gas, propane, gasoline, natural gas, or corrosive or other dangerous chemicals.
11. In order to assist city staff and the planning commission in evaluating visual impact, the applicant shall submit color photo simulations...
showing the proposed site of the tower with a photo-realistic representation of
the proposed tower as it would appear viewed from the closest residential
property and from adjacent roadways.

(12) The Act gives the FCC sole jurisdiction of the field of regulation of
RF emissions and does not allow the city to condition or deny on the basis of RF
impacts the approval of any telecommunication facilities which meet FCC
standards. In order to provide information to its citizens, the city shall make
available upon request copies of ongoing FCC information and RF emission
standards for telecommunications facilities transmitting from towers or antenna
support structures. Applicants shall be required to submit information on the
proposed power destiny of their proposed telecommunications facilities and
demonstrate how this meets FCC standards. (as added by Ord. #02-31, Oct.
2002)

20-807. Setbacks. (1) All towers up to one-hundred (100) feet in height
shall be set back on all sides a distance equal to the underlying setback
requirement in the applicable zoning district. Towers in excess of one hundred
(100) feet in height shall be set back one (1) additional foot per each foot of tower
height in excess of one hundred (100) feet.

(2) Setback requirements for towers shall be measured from the base
of the tower to the property line of the parcel of land on which it is located.

(3) Setback requirements may be modified, as provided in
§ 20-818(2)(a), when placement of a tower in location which will reduce the
visual impact can be accomplished. For example, adjacent to trees which may
visually may hide the tower. (as added by Ord. #02-31, Oct. 2002)

20-808. Structural requirements. All towers must be designed and
certified by an engineer to be structurally sound and as a minimum in
conformance with the adopted building code and any other standards outlined
in this chapter. All towers in operation shall be fixed to land. (as added by Ord.
#02-31, Oct. 2002)

20-809. Separation of towers. For the purpose of this section, the
separation distances between towers shall be measured by following a straight
line between the base of the existing or approved structure and the proposed
base, pursuant to a site plan of the proposed tower. Tower separation distances
from residentially zoned lands shall be measured from the base of a tower to the
closest point of residentially zoned property. The minimum tower separation
distances from residentially zoned land and from other towers shall be
calculated and applied irrespective of city jurisdiction boundaries.

(1) Towers shall be separated from all residentially zoned lands by a
minimum of two hundred (200) feet or two hundred (200) percent of the height
of the proposed tower, whichever is greater.
(2) Proposed towers must meet the following minimum separation requirements from existing towers or towers which have a development permit but are not yet constructed at the time a development permit is granted pursuant to this chapter:

(a) Monopole tower structures shall be separated from all other towers, whether monopole, self-supporting lattice, or guyed, by a minimum of seven hundred and fifty (750) feet.

(b) Self-supporting lattice or guyed tower structures shall be separated from all other self-supporting or guyed towers by a minimum of fifteen hundred (1,500) feet.

(c) Self-supporting lattice or guyed tower structures shall be separated from all monopole towers by a minimum of seven hundred and fifty (750) feet. (as added by Ord. #02-31, Oct. 2002)

20-810. **Method of determining tower height.** Measurement of tower height for the purpose of determining compliance with all requirements of this section shall include the tower structure itself, the base pad, and any other telecommunications facilities attached thereto which extend more than twenty (20) feet over the top of the tower structure itself. Tower height shall be measured from grade. (as added by Ord. #02-31, Oct. 2002)

20-811. **Illumination.** Towers shall not be artificially lighted except as required by the Federal Aviation Administration (FAA). Upon commencement of construction of a tower, in cases where there are residential uses located within a distance which is three hundred (300) percent of the height of the tower from the tower and when required by federal law, dual mode lighting shall be requested from the FAA. (as added by Ord. #02-31, Oct. 2002)

20-812. **Exterior finish.** Towers not requiring FAA painting or marking shall have an exterior finish that enhances compatibility with the natural environment. (as added by Ord. #02-31, Oct. 2002)

20-813. **Landscaping and screening.** All landscaping on a parcel of land containing towers, antenna support structures, or telecommunications facilities shall be in accordance with the applicable landscaping requirements in the zoning district where such facilities are located. In order to enhance compatibility with adjacent land uses, the city may require landscaping in excess of the requirements in the zoning ordinance. (as added by Ord. #02-31, Oct. 2002)

20-814. **Telecommunications facilities on antenna support structures.** Any telecommunications facilities which are not attached to a tower may be permitted on any antenna support structure at least fifty (50) feet tall, regardless of the zoning restrictions applicable to the zoning district where
the structure is located. Telecommunications facilities are prohibited on all other structures. The owner of such structure shall, by written certification to the zoning administrator, establish the following at the time plans are submitted for a building permit:

(1) That the height from grade of the telecommunications facilities shall not exceed the height from grade of the antenna support structure by more than twenty (20) feet.

(2) That any telecommunications facilities and their appurtenances, located above the primary roof of an antenna support structure, are set back one (1) foot form the edge of the primary roof for each one (1) foot in height above the primary roof of the telecommunications facilities. This setback requirement shall not apply to telecommunication facilities and their appurtenances, located above the primary roof of an antenna support structure, if such facilities are appropriately screened from view through the use of panels, walls, fences, or other screening techniques approved by the city. Setback requirements shall not apply to stealth antennas which are mounted to the exterior of antenna support structures below the primary roof, but which do not protrude more than eighteen (18) inches from the side of such an antenna support structure. (as added by Ord. #02-31, Oct. 2002)

20-815. Modification of towers. A tower existing prior to the effective date of this chapter, which was in compliance with the city's zoning regulations immediately prior to the effective date of this chapter, may continue in existence as a non-conforming structure. Such nonconforming structures may be modified or demolished and rebuilt without complying with any of the additional requirements of this section, except for §§ 20-809, "Separation of towers"; 20-813 "Landscaping and screening"; 20-816 "Certification and inspections"; and 20-817 "Maintenance," provided:

(1) The tower is being modified or demolished and rebuilt for the sole purpose of accommodating additional telecommunications facilities comparable in weight, size, and surface area to the discrete operating telecommunications facilities of any person currently installed on the tower.

(2) An application for a development permit is made pursuant to this section allowing the modification or demolition and rebuild of an existing non-conforming tower. The grant of a permit made pursuant to this section shall not be considered a determination that the modified or demolished and rebuilt tower is conforming.

(3) The height of the modified or rebuilt tower and telecommunications facilities attached, thereto, do not exceed the maximum height allowed under this chapter.

This provision shall not be interpreted to legalize any structure or use existing at the time this chapter is adopted which structure or use is in violation of the code prior to enactment of this chapter. (as added by Ord. #02-31, Oct. 2002)
20-816. **Certifications and inspections.** (1) All towers shall be certified by an engineer to be structurally sound and in conformance with the requirements of the standards set forth by the city's building code and federal and state law. For new monopole towers, such certification shall be submitted with an application pursuant to § 20-804 of this chapter, and every five (5) years, thereafter. For existing monopole towers, certifications shall be submitted within sixty (60) days of the effective date of this chapter and then every five (5) years, thereafter. For new lattice or guyed towers, such certification shall be submitted with an application pursuant to § 20-804 of this chapter, and every two (2) years, thereafter. For existing lattice or guyed towers, certification shall be submitted within sixty (60) days of the effective date of this chapter and then every two (2) years thereafter. The tower owner may be required by the city to submit more frequent certifications should there be reason to believe that the structural and electrical integrity of the tower is jeopardized.

(2) The city or its agents shall have authority to enter onto the property upon which a tower is located, between the inspection and certification required above, to inspect the tower for the purpose of determining whether it complies with the building code and all other construction standards provided by the city code and federal and state law.

(3) The city reserves the right to conduct such inspections at any time, upon reasonable notice to the tower owner. All expenses related to such inspections by the city shall be borne by the tower owner. (as added by Ord. #02-31, Oct. 2002)

20-817. **Maintenance.** (1) Tower owners shall at all times employ ordinary and reasonable care and shall install and maintain in use nothing less than commonly accepted methods and devices for preventing failures and accidents which are likely to cause damage, injuries, or nuisances to the public.

(2) Tower owners shall install and maintain towers, telecommunications facilities, wires, cables, fixtures, and other equipment in substantial compliance with the requirements of the National Electric Safety Code and all FCC, state, and local regulations, and in such manner that will not interfere with the use of other property.

(3) All towers, telecommunications facilities, and antenna support structures shall at all times be kept and maintained in good condition, order and repair so that the same shall not menace or endanger the life or property of any person.

(4) All maintenance or construction of towers, telecommunications facilities, or antenna support structures shall be performed by licensed maintenance and construction personnel.

(5) All towers shall maintain compliance with current RF emission standards of the FCC.
(6) In the event that the use of a tower is discontinued by the tower owner, the tower owner shall provide written notice to the city of its intent to discontinue use and the date when the use shall be discontinued. (as added by Ord. #02-31, Oct. 2002)

20-818. Criteria for site plan development modifications.

(1) Notwithstanding the tower requirements provided in this chapter, a modification to the requirements may be approved by the zoning board of appeals as a variance in accordance with the following:

(a) In addition to the requirements for a tower application for modification shall include the following:

(i) A description of how the plan addresses any adverse impact that might occur as a result of approving the modification.

(ii) A description of off-site or on-site factors that mitigate any adverse impacts which might occur as a result of the modification.

(iii) A technical study that documents and supports the criteria submitted by the applicant upon which the request for modification is based. The technical study shall be certified by an engineer and shall document the existence of the facts related to the proposed modifications and its relationship to surrounding rights-of-way and properties.

(iv) For a modification of the setback requirement, the application shall identify all parcels of land where the proposed tower could be located, attempts by the applicant to contract and negotiate an agreement for collocation, and the result of such attempts.

(v) The board may require the application to be reviewed by an independent engineer under contract to the city to determination whether the antenna study supports the basis for the modification requested. The applicant shall reimburse the city for the cost of the review.

(b) The board of appeals shall consider the application for modification based on the following criteria:

(i) That the tower as modified will be compatible with and not adversely impact the character and integrity of surrounding properties.

(ii) Off-site or on-site conditions exist which mitigate the adverse impacts, if any, created by the modification.

(iii) In addition, the board may include conditions on the site where the tower is to be located if such conditions are necessary to preserve the character an integrity of the neighborhoods affected by the proposed tower and mitigate any
adverse impacts which arise in connection with the approval of the modification.

(2) In addition to the requirements of subparagraph (1) of this section, in the following cases, the applicant must also demonstrate, with written evidence, the following:

(a) In the case of a requested modification to the setback requirement established in § 20-807 "Setbacks," that the setback requirement cannot be met on the parcel of land upon which the tower is proposed to be located and the alternative for the person is to locate the tower at another site which is closer in proximity to a residentially zoned land.

(b) In the case of a request for modification to the separation and buffer requirements from other towers of § 20-809, "Separation," or § 20-813 "Landscaping and buffer requirements," that the proposed site is zoned "industrial" and the proposed site is at least double the minimum standard for separation from residentially zoned lands as provided for in § 20-809.

(c) In the case of a request for modification of the separation and buffer requirements from residentially zoned land of §§ 20-809 and 20-813, if the person provides written technical evidence from an engineer(s) that the proposed tower and telecommunications facilities must be located at the proposed site in order to meet the coverage requirements of the applicant's wireless communications system and if the person is willing to create approved landscaping and other buffers to screen the tower from being visible to residentially zoned property.

(d) In the case of a request for modification of the height limit for towers and telecommunications facilities or to the minimum height requirements for antenna support structures, that the modification is necessary to:

   (i) Facilitate collocation of telecommunications facilities in order to avoid construction of a new tower; or
   
   (ii) To meet the coverage requirements of the applicant's wireless communication system, which requirements must be documented with written, technical evidence from an engineer(s) that demonstrates that the height of the proposed tower is the minimum height required to function satisfactorily, and no tower that is taller than such minimum height shall be approved. (as added by Ord. #02-31, Oct. 2002)

20-819. Abandonment. (1) If any tower shall cease to be used for a period of three hundred-sixty-five (365) consecutive days, the board of aldermen shall notify the owner, with a copy to the applicant, that the site has been abandoned. The owner shall have thirty (30) days from receipt of said notice to show, by a preponderance of the evidence, that the tower has been in use or
under repair during the period. If the owner fails to show that the tower has been in use or under repair during the period, the board of aldermen shall issue a final determination of abandonment for the site. Upon issuance of the final determination of abandonment, the owner shall, within seventy-five (75) days, dismantle and remove the tower.

(2) To secure the obligation set forth in this section, the applicant [and/or owner] shall post a bond in the amount of ten thousand dollars ($10,000.00). Such amount shall be determined by the board of aldermen based on the anticipated cost of removal of the tower. (as added by Ord. #02-31, Oct. 2002)
CHAPTER 9

TITLE SIX (VI) POLICY AND COMPLAINT PROCEDURE

SECTION
20-901. Purpose.
20-902. Policy and procedure.

20-901. Purpose. Title Six (VI) is intended to prohibit discrimination on the basis of race, color, or national origin in federally assisted programs. (as added by Ord. #03-03, Feb. 2003)

20-902. Policy and procedure. A violation may occur if a recipient of federal funds:
1. Denies an individual service or provides only inferior or discriminatory service, aid or benefits because of an individual's race, color, or national origin;
2. Subjects a person to segregation or treats person differently in regards to eligibility for and participation in services because of race, color, or national origin;
3. Restricts or discourages individuals in their enjoyment of facilities because of race, color, or national origin;
4. Discriminates in any way against an individual in any program or activity that is conducted using federal funds.

Title VI applies to employment only if the federal program is intended to provide employment. Employment issues are covered by Title Seven (VII) and its appropriate complaint procedures.

Complaints filed under Title Six (VI) shall be processed with the following steps:

Step 1
The complainant and/or his representative shall present the complaint to the manager of the service facility where the discrimination has allegedly occurred. The complainant will be encouraged to complete a Complainant Form, but it may also be reduced to writing by a staff member, and should contain the following information:
1. Name, address and telephone number of the complainant.
2. The location and name of the entity delivering the service.
3. The nature of the incident that led the complainant to feel that discrimination was a factor.
4. The basis of the complaint (race, color or national origin).
5. Names, addresses and phone numbers of people who may have knowledge of this event.
6. The date or dates of which the alleged discriminatory event or events occurred.

The manager shall, within ten workdays after receiving the complaint, reach a decision and communicate the decision to the complainant. The complainant has the right of representation and may bring a witness and present evidence if desired. The manager shall also inform the complainant that he may appeal to the Title VI Coordinator who will proceed with Step 2. The complaint along with the findings of the investigation of the manager is to be submitted to the Title VI Coordinator for the City of Portland, Tennessee.

Step 2
If the complaint is not resolved in Step 1, the written complaint shall be filed with the Title Six (VI) Coordinator for the City of Portland, Tennessee. The coordinator shall notify the manager of the service or facility where the discrimination allegedly occurred that an appeal has been made. The coordinator shall conduct an independent investigation. The investigation shall be completed within twenty workdays of receipt of the complaint, at which time the coordinator will inform the complainant and the manager of his findings of fact and actions recommended.

Step 3
If the complaint is not resolved at Step 2, the complainant may appeal to the Tennessee Title Six (VI) Program Director. The Coordinator for the City of Portland will send copies of the following to the Tennessee Title Six (VI) Program Director:
1. The signed complaint.
2. The report from the manager where the alleged discrimination occurred.
3. The requested appeal from the complainant.
4. The coordinator's findings and recommendations.

The Title Six (VI) Program Director will send a written notification of his investigation and action steps to be taken to all parties. (as added by Ord. #03-03, Feb. 2003)

20-903. General provisions. (1) If for some reason the complainant feels that the complaint cannot be resolved at the early stages, he/she may advance directly to Step 2 or 3.
(2) A record of action taken on each request or complaint must be maintained as a part of the records of each level of the complaint process.
(3) A complainant's right to a prompt and equitable resolution of the complaint will not be impaired by his/her pursuit of other remedies. Use of this complaint procedure is not a prerequisite to the pursuit of other remedies. The
Title Six (VI) Coordinator maintains a list of Title Six (VI) Coordinators for state agencies and can provide contact information upon request. (as added by Ord. #03-03, Feb. 2003)
CHAPTER 10

RACIAL PROFILING POLICY

SECTION

20-1001. Purpose. The purpose of this policy is to provide Portland Police Department members with constitutional policing principles that protect citizens from racial profiling and send clear direction to officers that racial profiling is never permitted. (as added by Ord. #16-23, July 2016)

20-1002. Policy. This policy is established in accordance with Tennessee Code Annotated, § 38-1-501 through 503, governing racial profiling. The Portland Police Department prohibits racial profiling by any employee. The Portland Police Department requires officers to investigate and detect crime in a proactive manner. This requirement is fulfilled through actively investigating suspicious persons and circumstances, and enforcing criminal and motor vehicle laws. At a minimum, reasonable suspicion must exist that someone is committing, has committed or is about to commit an offense before any stop or detention is attempted or initiated. No law enforcement action shall ever commence solely on the basis of the individual’s actual or perceived race, color, ethnicity, national origin. Portland Police Department personnel shall not engage in racial profiling and shall respect the dignity of all persons while accomplishing the mission of the Portland Police Department. (as added by Ord. #16-23, July 2016)

20-1003. Definitions. (1) "Racial profiling." The detention or interdiction of an individual in traffic contacts, field contacts, or asset seizure and forfeiture efforts solely on the basis of the individual’s actual or perceived race, color, ethnicity, or national origin as defined by Tennessee Code Annotated, § 38-1-502.

(2) "Law enforcement agency." A lawfully established state or local public agency that is responsible for preventing and detecting crime and enforcing laws or local ordinances; and has employees who are authorized to make arrests for crimes while acting within the scope of their authority; and includes an institution considered a "law enforcement agency" pursuant to Tennessee Code Annotated, § 49-7-118 (which addresses public and private higher educational institutions). (as added by Ord. #16-23, July 2016)
CHAPTER 11

SEXUALLY ORIENTED CRIMES POLICY

SECTION
20-1101. Purpose.
20-1102. Policy.
20-1103. Definitions.
20-1105. Compliance.
20-1006. Application.

20-1101. **Purpose.** To outline a protocol for coordinated preliminary and continued investigations of sexually oriented crimes and other related offenses. (as added by Ord. #16-24, July 2016)

20-1102. **Policy.** Sexually oriented crimes (see § 20-1003, definitions) are personal violent crimes that have great psychological or physical effects on the victims. It is the policy of this department to assist victims of sexually oriented crimes in a supportive manner, using appropriate crisis intervention skills. Because of the special considerations involved in investigations of sexually oriented crimes, this policy encourages a multidisciplinary, coordinated community response. Public confidence in the reporting and investigative process will encourage all victims of sexually oriented crimes to report the crime. Reducing recidivism through the apprehension and prosecution of the assailants is a department priority. (as added by Ord. #16-24, July 2016)

20-1103. **Definitions.**

2. "Hold kit." A sexual assault evidence collection kit of an adult victim that is coded with a number rather than a name pending the victim's decision to report the crime to law enforcement authorities, and has not been submitted to the state crime lab or similar qualified laboratory, as defined in Tennessee Code Annotated, § 39-13-519(a)(2), P.C. 253 (2015).

3. "Law enforcement agency." An established state or local agency that is responsible and has the duty to prevent and detect crime and enforce laws or local ordinances; and has employees who are authorized to make arrests for crimes while acting within the scope of their authority; and a campus security force created by an institution of higher education pursuant to

(6) "Victim." A victim of a sexually oriented crime as defined in § 29-13-118(b) and as defined in *Tennessee Code Annotated*, § 39-13-519(a)(6), P.C. 253 (2015).

(7) "Victim advocate." This term applies to service providers trained to assess and address the needs of the victim as well as provide counseling, advocacy, resources and information, and ongoing support. Depending on the primary functions of the advocate, the level of confidentiality and privilege they have will vary and should be communicated to those involved. (as added by Ord. #16-24, July 2016)

**20-1104. Procedures.**

(1) *Training and personnel selection*: Training is necessary for all personnel who have contact with victims of sexually oriented crimes, including dispatch/communications and initial responders, as well as those who investigate these crimes. All officers should receive ongoing training that specifically addresses the realities, dynamics and investigations of these crimes, and legal developments pertaining to sexually oriented crimes. Responders at every level need to recognize that they are accountable to the victim.

When an agency has a dedicated unit for sexually oriented crimes, careful consideration should be taken when selecting personnel to staff it.

(2) *General responsibilities*: (a) Department personnel shall be aware of community services available to victims of sexually oriented crimes.

(b) Department personnel shall be trained and knowledgeable about investigation of sexually oriented crimes and its impact on victims.

(c) Department personnel shall use appropriate communication skills when interacting with victims of sexually oriented crimes.

(3) *Communications officer (communications center) responsibilities*: Communication officers or dispatch personnel may be the first to whom the victim will speak following a sexually oriented crime. In general, communications personnel should address two (2) primary goals: collecting information and dispatching assistance.

(4) *Patrol officer/deputy responsibilities*: Officers/deputies should be mindful of the impact of trauma on memory, especially when contact with the victim is within a short time after the sexually oriented crime occurred. Victims of any trauma, including but not limited to sexually oriented crimes, may
experience difficulty with memory storage and recall. As a result, victims may be inconsistent or unclear in their descriptions. These symptoms may be indications of a traumatic experience rather than fabrication. This fact should be considered by the investigator to assure a more accurate follow-up interview after appropriate time has passed from the traumatic event.

(a) The patrol officer/deputy has certain immediate responsibilities, as follows:

(i) The first priority is the victim's physical well-being. Give attention to the victim’s emergency medical needs. Ensure safety.

(ii) Preserve the crime scene. Call an investigator, additional officers/deputies, or a supervisor when necessary.

(iii) Be alert to any suspect in the vicinity. If applicable, give crime broadcast.

(iv) Contact a victim advocate as soon as possible to provide assistance throughout the reporting and investigative process.

(v) Explain to the victim the officer/deputy role and what will be done at the scene and through follow-up.

(b) The patrol officer/deputy shall obtain detailed information essential to determine what occurred.

(c) The patrol officer/deputy shall obtain preliminary statements from victim and witnesses to obtain information in an effort to identify and locate the suspect.

(d) The patrol officer/deputy shall inform the victim of the sexual assault center and other community-coordinated response agencies and resources available to support the victim. The patrol officer/deputy should ask if the victim would prefer to have a support person present and offer to contact the person if necessary.

(e) The patrol officer/deputy shall arrange transportation or transport the victim to the hospital for a forensic medical examination. The officer/deputy should explain the medical and investigative purposes of this exam and advise the victim to bring a change of clothing.

(5) Investigator responsibilities. (a) The investigator shall obtain a complete report from the patrol officer assigned to the case.

(b) The initial contact with the victim may happen in different ways:

(i) At the crime scene: The officer/deputy shall protect the crime scene and begin the preliminary investigation. The investigator should establish rapport with the victim and offer to transport the victim to the hospital.

(ii) At the hospital: The investigator should collaborate with medical staff to arrange for the collection of evidence needed for prosecution. Ensure the victim understands the exam
procedures and establish rapport for further interviews. Assist in arranging for clothing the victim may need after the examination. The investigator should never be in the examination room during the sexual assault exam but shall have the victim sign a consent form in order to obtain a copy of the medical report. The sexual assault evidence collection kit shall be received from medical staff after it has been properly sealed and labeled. The sexual assault evidence collection kit will be stored and/or submitted for testing in accordance with state law. See subsection (7), collection and storage of evidence.

(iii) At the department: Before interviewing the victim, the investigator should review the officer/deputy's report and establish rapport with the victim by allowing the victim to ask preliminary questions and voice initial concerns.

(c) The investigator shall be trained in sexual assault procedures:

(i) The investigator shall allow the victim advocate to be with the victim for support during the interview(s), if the victim desires.

(ii) If the victim prefers a gender specific investigator, every attempt to provide one should be made. If one is not available, the investigator shall nevertheless encourage the victim's cooperation.

(iii) The investigator shall prepare the victim for each phase of the investigation. The investigator will encourage the victim's cooperation by explaining investigative procedures.

(d) Victim interviews:

(i) Privacy is a necessity for follow-up interviews. Choose a quiet room at the department or go to the victim's home. Recording is encouraged. A victim advocate may be helpful to the investigation. Ask the advocate not to interfere with questioning. The patrol officer/deputy shall obtain detailed information essential to determine what occurred.

(ii) Polygraph test: Tennessee Code Annotated, § 38-3-123.

(A) No law enforcement officer shall require any victim of a sexual offense, as defined in Tennessee Code Annotated, § 40-39-202, or violent sexual offense, as defined in Tennessee Code Annotated, § 40-39-202, to submit to a polygraph examination or any other test designed to detect deception or verify the truth of statements through instrumentation or by means of a mechanical device, as a condition of the officer proceeding with the investigation of the offense.
(B) A violation of this section shall subject the officer to appropriate departmental disciplinary action.

(iii) The investigators should determine if there were any witnesses and interview them. Investigators should also determine if the incident was reported to someone else.

(iv) Questions that must be addressed include, but are not limited to, the following:

(B) Suspect information: Name, if known? Age? Race? Hair color? Clothing? Height? Weight? Identifying marks? Relationship to victim, if any?

(C) Multiple crimes: Did multiple assaults occur? Were other crimes committed?

(D) Assault details: What happened during the assault? Were weapons used? Describe them. Were threats made? What were they? Was there a fight or struggle? Were injuries sustained by the victim and/or suspect? Were drugs/alcohol involved? Was the victim incapacitated in any way?

(E) Details of sexual acts: What did the suspect do? If a male suspect, did he ejaculate? If so, where? Was a condom used? Was a lubricant used, and if so, what type?

(F) Duration: How long was the suspect with the victim?

(G) After the assault: What did the victim or suspect do immediately after the assault?

(H) Prosecution: Does the victim have concerns about prosecuting?

(vi) At the conclusion of the interview, the investigator should ask about any additional assistance needed by the victim and refer the victim to appropriate services.

(vii) Inform the victim that it is common to remember additional details later. Encourage the victim to contact the investigator with additional details or to ask questions. Provide contact information to the victim.

(viii) Interviewing child sexual assault victims under the age of eighteen (18) requires special guidelines set forth by established statutory child sexual abuse investigative protocols, as described in Tennessee Code Annotated, § 37-1-601 et seq. (2015).

(6) Supervisor responsibilities. Effective supervision plays a key role in ensuring comprehensive responses to and investigation of sexually oriented crimes. Though this is important for victims, it is also important for ensuring compliance with department policy and accountability. Supervisors shall
demonstrate a thorough understanding of victim issues and proper response by subordinates.

(7) Collection and storage of evidence. The sexual assault evidence collection kit or hold kit shall be received from the medical staff after it has been properly sealed and labeled. A chain of custody for the sexual assault evidence kit or hold kit shall be established and the kit will be prepared for DNA testing or storage in accordance with established protocols. See, Tennessee Code Annotated, § 39-13-519(b), P.C. 253 (2015).

Collection and storage procedures for sexual assault evidence kits and hold kits are stated below.

(i) If an adult victim reports the alleged offense to the police, or if the victim is a minor, the health care provider shall attach the victim's name to the sexual assault evidence collection kit, and it shall be released to the appropriate law enforcement agency.

(ii) The law enforcement agency shall, within sixty (60) days of taking possession of the sexual assault evidence collection kit with the victim's name affixed to it, submit the kit to the Tennessee bureau of investigation or similar qualified laboratory for either serology or deoxyribonucleic (DNA) testing.

(i) If an adult victim elects not to report the alleged offense to police at the time of the forensic medical examination, the sexual assault evidence collection kit becomes a hold kit, and the healthcare provider shall assign a number to identify the kit rather than use the victim's name. The healthcare provider shall provide the victim with the identifying number placed on the victim's hold kit, information about where and how long the kit will be stored, and the procedures for making a police report.

(ii) Upon receipt of a hold kit with only an identification number attached to it, the law enforcement agency shall store the hold kit for a minimum of three (3) years or until the victim makes a police report, whichever event occurs first. Once the victim makes a police report, the law enforcement agency shall have sixty (60) days from the date of the police report to send the sexual assault evidence collection kit to the state crime lab or other similar qualified laboratory for either serology or deoxyribonucleic acid (DNA) testing. However, no hold kit shall be submitted to the state crime lab or similar laboratory for testing until the victim has made a police report. (as added by Ord. #16-24, July 2016)
20-1105. **Compliance.** Violations of this policy, or portions thereof, may result in disciplinary action. All members shall comply with this policy. (as added by Ord. #16-24, July 2016)

20-1106. **Application.** This document constitutes department policy, is for internal use only, and does not enlarge an employee's civil or criminal liability in any way. It shall not be construed as the creation of a higher legal standard of safety or care in an evidentiary sense, with respect to third party claims insofar as the employee's legal duty as imposed by law. Violations of this policy, if proven, can only form a basis of a complaint by this department, and then only in a non-judicial administrative setting. (as added by Ord. #16-24, July 2016)

SECTION 1 - PERSONNEL POLICIES

1.1. PURPOSE AND OBJECTIVES

The purpose of these policies is to establish a high degree of understanding and cooperation among the City of Portland employees, which comes from the application of good procedures in personnel administration, and to provide uniform policies for all employees, with all the benefits such program ensures without regard to race, color, religion, national origin, ancestry, gender, age, political affiliation, or disability.

The City complies with Title VI of the Civil Rights Act of 1964. Title VI requires that no person shall, on the grounds of race, color or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance. The City further complies with all federal and state laws protecting employees from discrimination.

The fundamental objectives of good personnel administration to be achieved by these policies are to:

1. promote and increase efficiency and cooperation among employees of the City of Portland;
2. provide fair and equal employment opportunity to all qualified citizens on the basis of demonstrated merit and fitness, as ascertained through fair and practical methods of selection;
3. develop a program of recruitment, advancement and retention; which will make the City attractive as an employer and encourage each employee to render their best service;
4. establish and maintain a uniform plan of evaluation and compensation; and
5. establish and promote high morale among the employees by providing good working relationships, uniform personnel policies, and opportunities for advancement

1.2. PERSONNEL POLICY STATEMENT

This manual and all other City manuals do not bestow any additional rights to employees regarding employment or employment benefits. This manual is not part of a contract and no employee has any contractual right to the matters set forth herein. The City reserves the right to change any and all such policies, practices, and procedures in whole or in part at any time, with or without prior notice to employees.

It is the policy of the City of Portland to apply and foster a sound program of personnel management. The policies of the municipal government are established to:

1.2.1. Employment and Placement

a. fill all positions, in accordance with job qualifications and requirements without discrimination as to race, color, religion, national origin, ancestry, gender, political affiliation, age or disability;

b. establish programs for the promotion, transfer, demotion, dismissal, and reassignment of personnel

1.2.2. Position Classification and Pay Administration

a. establish and maintain job descriptions for every position, with the descriptions maintained on file with the Human Resources Department;

b. review position descriptions periodically and systematically to ensure currency and accuracy;

a. establish appropriate position standards and to group positions in classes with similar standards;
d. conduct area wage and salary surveys periodically, in order to provide competitive wage and salary scales as the budget allows

1.2.3. Employee Relations and Services

a. develop a system of job performance standards and evaluation and inform each employee periodically and systematically of their performance status;

b. establish rules and standards governing employee conduct;

c. administer a uniform leave program;

d. provide an employee complaint process;

e. develop a handbook to inform employees of their responsibilities, rights, and privileges;

f. provide and maintain a safe and healthful work environment

1.2.4. Employee Development and Training

a. establish training standards and requirements for positions;

b. motivate and stimulate employees to achieve their highest potential

1.2.5. Records

a. establish and maintain comprehensive and uniform personnel records;

b. maintain confidentiality and privacy of employees to the extent allowed by the law

1.3. COVERAGE

The following personnel are not covered by this policy, unless otherwise provided and as statutorily required:

1. All elected officials*
2. Members of appointed boards and commissions.
3. Consultants, advisors, and legal counsel rendering temporary professional service.
4. The city attorney.
5. Independent contractors and/or contract employees.
6. Volunteer personnel.
7. The city judge. (Judge position is only eligible for retirement through TCRS.)

All other employees of the municipal government are covered by this personnel policy. These Personnel Regulations shall be made available to all employees. Regular employees will receive a copy of the regulations upon employment. Any employee, who desires to review the regulations during work hours, may review the departmental copy upon approval of their supervisor or Department Head.

* Council Members are eligible to purchase insurance benefits; while the Mayor is an elected official, the position serves as the Executive Branch of City Government. The Mayor receives employee health and voluntary benefits the same as appointed employees.
1.4. **ADMINISTRATION**

The Mayor is responsible to the governing body for the proper operations of all City functions. The responsibilities of the Mayor include appointment and termination of all City employees upon approval of City Council, enforcement and application of all laws, provisions of the City Charter and Municipal Code, and acts of the governing body including but not limited to the Personnel Regulations and pay classification plan. The Mayor is also responsible for implementation of additional rules, policies and procedures, which may be necessary for the proper operation of the City or its various departments, provided that such rules and procedures are consistent with the Personnel Regulations adopted by the governing body.

Department Heads and supervisors are responsible for the administration and enforcement of the Personnel Regulations for employees in their respective program areas.

1.5. **AMENDMENTS TO PERSONNEL POLICIES**

Amendments or revisions to these regulations, policies and procedures may be recommended by the Mayor or designee for adoption by the City Council. Such amendments or revisions of these regulations, policies and procedures shall become effective upon approval by the City Council.

All departmental regulations, policies and procedures as presently constituted or hereinafter adopted, which are not in conflict with these regulations, policies and procedures shall be in effect.

1.6. **SEVERABILITY**

If any Charter, Article or Section of these Regulations is found to be in conflict with Federal, State or City laws and regulations, or Court decision, that section will continue in effect only to the extent permitted by such law or regulation or Court decision. If any Charter, Article or Section of these regulations is or becomes invalid or unenforceable, such invalidity or unenforceable nature will not affect or impair any other Charter, Article or Section of these regulations.
SECTION 2 – DEFINITIONS

For the purposes of this manual, the following words and phrases shall have the meanings respectively ascribed to them by this chapter:

**Actual Service** – The time engaged in performance of the duties of a position or positions, including absences with pay and authorized leave without pay.

**Applicant** – An individual who has completed and submitted an application for employment with the City.

**Appointing Authority** – The Mayor shall be responsible for the appointment of qualified applicants to full-time (upon approval by the City Council), part-time, temporary, or emergency positions in the City. The Mayor shall be the appointing authority for all Department Head and certain other positions as specified in the Municipal Code and Charter for the City.

**Appointment** – The offer to and acceptance by a person of a position.

**Class** – A group of positions that are sufficiently alike in general duties and responsibilities to warrant the use of the same title, specifications and pay range.

**COBRA** – The Consolidated Omnibus Budget Reconciliation Act that requires employers to offer extended health care benefits in the event of a qualifying event.

**Compensation** – The standard rates of pay that have been established for the prospective classes of work, as set forth in the compensation plan.

**Compensation or Pay Plan** – The official schedule of pay approved by the governing body assigning one or more rates of pay to each class title.

**Demotion** – Assignment of an employee from one class to another which has a lower maximum rate of pay and/or rank.

**Department** – The primary organizational unit under the immediate charge of a Department Head who reports directly to the Mayor.

**Disability Leave** – Paid or unpaid leave that may be granted to an eligible employee who is unable to pursue the duties of his/her position because of physical or mental impairment.

**Examination** – The process of testing, evaluating, or investigating the fitness and qualifications of applicants and employees.

**Exempt Employee** – Employees not covered in the overtime provisions of the Fair Labor Standards Act (FLSA) and defined as such by the Duties Test.

**FMLA** – The Family Medical Leave Act

**Guests of the City** – Persons with which the City is conducting business, citizens involved in public safety ride-alongs per departmental policies, persons who the City Department is responsible for transporting in a public safety setting, etc.

**Introductory Period** – The designated period of time after an applicant is appointed or an employee is promoted in which the employee is required to demonstrate fitness for the position by job performance.

**Job Description** – Statement of the tasks, duties, essential functions and responsibilities of a job to be performed.
**Lay-Off/Staff Reduction** – The involuntary non-disciplinary separation of an employee from a position for reasons of shortage of funds or work, the elimination of a position, or for related reasons which are outside the employee's control and which do not reflect upon service of the employee.

**Leave** – An authorized absence during regularly scheduled work hours that has been approved by proper authority. Leave may be authorized with or without pay as provided for by these rules.

**Nepotism** – Favoritism shown to relatives by reason of relationship rather than merit.

**Non-exempt Employee** – Employees covered by the overtime provisions of the Fair Labor Standards Act (FLSA).

**Occupational Accident or Injury Leave** – An excused absence from duty because of an injury of or illness sustained in the course of employment and determined to be compensable under the provisions of the Workers’ Compensation Law.

**Overtime** – Authorized time worked by an eligible employee in excess of 40 hours per week to be compensated at one and one half times the employee’s straight time rate of pay. Public safety employees are allowed to work additional hours before overtime pay is required according to statute.

**Pay Range** – The range of pay rates, from minimum to maximum, established for a pay grade or class.

**Pay Rate** – A specific dollar amount, expressed as either an annual rate, monthly rate or hourly rate.

**Payroll Date** - Actual date a check is issued to an employee.

**Position** – A group of duties and responsibilities assigned to one employee. A position can be vacant or occupied.

**Promotion** – Assignment of an employee from one class to another which has a higher rate of pay and/or rank.

**Qualifications** – The minimum educational, experience and personal requirements which must be fulfilled by a person prior to an appointment or promotion.

**Reclassification** – The process of reviewing the duties and responsibilities of an existing position or positions in order to revise the job description to which the position or positions are assigned; or moving a job description from one pay grade to another pay grade.

**Reprimand** – A type of disciplinary action, oral or written, that denotes a violation of personnel or departmental regulations which becomes part of the employee's personnel record.

**Resignation** – The voluntary separation of employment from the City initiated by the employee.

**Separation** – The removal of an individual from a position either through resignation, termination, layoff, staff reduction, disability, retirement or death.

**Suspension** – An enforced leave of absence for disciplinary purposes or pending investigation of charges made against an employee.

**Termination** – A type of disciplinary action resulting in the involuntary separation of employment from the City.

**Transfer** – The assignment of an employee from one position to another position. Transfers must occur laterally.

**Workday** – The scheduled number of hours an employee is required to work per day.
SECTION 3 - CLASSIFICATION PLAN

3.1. PURPOSE

The classification plan provides a complete inventory of all positions in the City’s service and an accurate description and specifications for each employment class. The plan standardizes titles, each of which is indicative of a definite range of duties and responsibilities and has the same meaning throughout the City.

3.2. COMPOSITION OF THE CLASSIFICATION PLAN

The classification plan may consist of:

a. a grouping of classes of positions that are approximately equal in difficulty and responsibility that call for the same general qualifications and that can be equitably compensated within the same range of pay under similar working conditions;

b. class titles descriptive of the work of the class;

c. written specifications for each class of positions; and

d. physical standards for performance of the duties of the position

3.3. USE OF CLASSIFICATION PLAN

The classification plan may be used:

a. as a guide in recruiting and examining candidates for employment;

b. in determining lines of promotion and developing employee training programs;

c. in determining salaries to be paid for various types of work;

d. in determining service items in departmental budgets;

e. in providing uniform job terminology understandable by all local government officers and employees and by the general public

3.4. ALLOCATION OF POSITIONS

Before a new position is established, Department Heads shall submit in writing 1) a job description describing in detail the duties of such a position and 2) justification of the need for an additional position.

The Mayor shall then approve or deny such recommendation. If the Mayor agrees that the new position is necessary, then the recommendation is put before the City Council for approval or denial.

3.5. REQUEST FOR RECLASSIFICATION

Positions may be reclassified by the Mayor, upon approval by the City Council, based on a written request from the Department Head outlining justification for the change.
SECTION 4 - PAY PLAN AND COMPENSATION

4.1. PURPOSE OF THE PAY PLAN

The pay plan is intended to provide fair compensation for all classes of positions in consideration of ranges of pay for other positions, general rates of pay for similar employment in private establishments and other public agencies in the area, cost of living data, the financial condition of the City, and other factors as the budget allows.

4.2. COMPOSITION OF THE PAY PLAN

The pay plan for the City of Portland shall consist of minimum and maximum rates of pay for each existing pay grade.

4.3. MAINTENANCE OF THE PAY PLAN

The Mayor, or designee, may from time to time make comparative studies of all factors affecting the level of salary ranges and may recommend to the City Council for approval of appropriate changes in the salary ranges as the budget allows.

4.4. USE OF SALARY RANGES

Salary ranges are intended to furnish administrative flexibility in recognizing individual differences among positions and in providing incentives to employees.

The minimum rate established for a position is the normal hiring rate except, in those cases where circumstances related to operational needs appear to warrant employment of an individual at a higher rate in the pay range. Any Department Head desiring to appoint an applicant to start at a salary above the minimum must submit a written justification to the Mayor for approval. Such appointments shall be made only in exceptional cases as decided by the Mayor.

4.5. PAY FOR PART-TIME WORK

When an employment decision is for a part-time position, the employee will only be paid for the actual hours worked. In the event hours worked for part time employees exceeds the FLSA defined work week threshold, overtime rates will apply per the Fair Labor Standards Act. Part time employees performing the same function as full time employees will receive the minimum rate of pay for that position as described in the classification and pay ranges established by the City. Part time workers are those individuals working an average of 29 hours per work week or less.

Volunteer Fire nominal expense reimbursement pay is set at the rate of $25.00 per call for Fire Service and $18.75 per Medical Response Call.

4.6. MINIMUM WAGE

In accordance with FLSA, no employee whether full-time, part-time, or within his/her introductory period, shall be paid less than the Federal minimum wage unless they are expressly exempt from the minimum wage requirement by FLSA regulations. Employees paid on an hourly rate basis are paid for all time actually worked.

4.7. OVERTIME PAY

The Fair Labor Standards Act (FLSA) shall govern the overtime compensation of municipal employees. FLSA defines overtime pay as one-and-one-half times the employee’s regular rate of pay. When it becomes necessary for any city employee to work overtime hours or return to duty from off-duty hours, they shall be paid according to the prevailing salary schedule and FLSA.
The Mayor with the assistance of the heads of each department will provide a monthly report of all overtime hereafter paid with a detailed written explanation of the reasons for any overtime paid and said report will be made a part of the document to be provided to the members of the City Council at its regular monthly meeting on the first Monday of each month during the calendar year.

Generally, overtime work must be authorized by the department head. (CFR § 553.1 et seq) Most city employees observe a 40-hour workweek; however, Police and Fire Department personnel observe a longer workweek. The workweek shall hereafter be referred to as the “pay period”.

Overtime will be paid when the employee’s actual hours worked exceed the hours that constitute a full pay period for that employee. Sick leave, vacation leave and/or holiday leave for the employee shall not be used in the calculation of total hours in the pay period before overtime is paid; hours must be those hours actually worked.

In the event that an employee must be called in to work due to an emergency on a pre-scheduled, pre-approved vacation day, then, as an added bonus, those hours actually worked on vacation shall be used in the total hours calculated before overtime is paid. In the event that an employee must work on a holiday, as an added bonus, the City of Portland will pay the employee at time and one-half for the holiday hours actually worked in addition to straight time pay for the 8-hour holiday (to be referred to as holiday benefit pay) but only the hours actually worked on the holiday will be calculated into the total hours of the pay period before the employee is eligible for additional overtime pay within the pay period.

Non-exempt city employees who are called back into work after hours (completion of scheduled work day or work week) shall be paid a minimum of 2 hours overtime for the call-out even if s/he works less than 2 hours. If the employee works more than 2 hours for this one call-out, then she/he shall be paid overtime for actual hours worked. An employee who is “on-call” and fails to respond to an emergency call within 30 minutes will be subject to disciplinary action up to and including discharge. Full-time Firefighters are excluded from the two hour minimum. They are guaranteed a one hour minimum while responding to medical emergencies while off duty.

Salaried/exempt employees and salaried/exempt supervisors are exempt from the overtime pay and for “on-call” services. Salaried/exempt employees and salaried/exempt supervisors may not be listed on the rotation for “on call” but are considered “on call as necessary”, as assumed with acceptance of the departmental supervisory responsibilities.

Employees assigned to “on-call” services during nights, holidays and weekends are required to restrict themselves from certain activities while being subject to on-call and comply with the city’s drug and alcohol policy. The employee is required to respond within thirty (30) minutes after being called.

The designated “on-call” employee will be compensated at a differential of $.50 per hour for every hour they are assigned to “on-call” status. Additionally, the employee shall be paid a minimum of two hours for each time the employee must report for duty.

Fulltime fire personnel working twenty-four (24) hour shifts may earn compensatory time up to 480 hours.

4.8. DIRECT DEPOSIT

All employees may have their payroll checks deposited via direct deposit into the financial institution of their choice.

4.9. PAYCHECKS

All employees of the City of Portland will be paid on a basis as determined to best suit the needs of the City. Examples are: weekly, bi-weekly, etc. as allowed by law.

If an employee is absent on payday and wishes to have someone, such as a relative, obtain his/her check, the employee may send his/her identification and a signed note authorizing the City to give the check to the bearer.

Final Paycheck The final paycheck will be made available on an employee’s regular payday.
Lost Paychecks  Employees are responsible for their paychecks after they have been issued. Checks lost or otherwise missing should be reported immediately to the payroll department so that a stop-order payment will be initiated. The Finance Director will determine if and when a new check should be issued to replace a lost or missing check.

Unclaimed Paychecks  Paychecks not claimed by employees must be returned by the supervisor to the payroll offices.

4.10 CHRISTMAS BONUS

Those employees classified as Full Time with less than one (1) year service unless hired in December of previous year, and those employees classified as ongoing Part Time employees (regardless of time with the City) will receive $40.00 Christmas bonus.

Full time employees with at least one year service (December hires from previous year are considered in this category) will receive the bonus according to the following schedule:

SECTION 5 - EMPLOYMENT

5.1. APPLICATIONS

The City of Portland will make a reasonable effort to attract qualified applicants for all positions. Applications are only accepted for current position vacancies. In the event an applicant (internal or external) desires to apply for multiple open positions, an application must be submitted for each position desired.

All applications for employment are received at City Hall in the Human Resources Department and reviewed by the Human Resources Director to ensure that minimum employment qualifications are met.

Vacancies for positions may be simultaneously posted internally and externally. The City of Portland exercises a policy of fairness for every person who applies for work, and strives for the proper placement of individuals in various departments based on their experience, qualifications, and the needs of the City.

Potential applicants may request an application from the Human Resources Department or the City Hall Receptionist either in person, via email, or via the telephone, whereby an application will be sent to the applicant. Applicants will file their application with the City Hall Receptionist or the Human Resources Department.

Applications will remain active for a period of six (6) months from the date of original submission, and only for the specific position applied for. Applications are only accepted when vacancies exist and will only be considered for the specific position applied. City of Portland does not consider applications and resumes after a position closes except in limited circumstances, or as announced on a case by case basis.

Internal applicants for open positions are required to submit an application for each open position applied for; applicants for internal lateral transfers should submit a letter of interest responding to notices of internal transfer opportunity.

Applicants may be removed from consideration if:

- The applicant declines an appointment when offered.
- The applicant cannot be located by the postal authorities. It will be deemed impossible to locate an applicant when a communication is mailed to the last known address and returned unclaimed.
- The applicant fails to pass a post offer pre-employment drug test or any other required job-related employment test.
- The applicant is found to have been convicted of a felony or applicable misdemeanor which precludes employment for the particular position for which they applied.
- The applicant has made false statements of material fact on the application.
- The application was not filed within the period specified in the vacancy announcement or was not completed correctly or thoroughly.
- The applicant does not possess the minimum qualifications as indicated by the vacancy announcement.

Job Announcements: Department Heads who need to fill a job opening should contact the Human Resource Manager in order to begin the recruitment process. The Human Resource Manager will cause the announcement to be prepared and publicized in order to bring notice of vacancies to as many qualified persons as possible.

In-House Posting - Notice of vacant regular positions will be distributed to all departments for posting on designated bulletin boards or for circulation among employees within that department. Notice of regular vacancies will be posted until the position is filled.
Public Advertisement - Applicants shall be recruited from a geographic area as wide as necessary and for a period of time sufficient to ensure that qualified applicants are obtained for City Service. The Human Resource Manager, in collaboration with the hiring manager, will determine what forms of media to extend the advertisement.

The advertisement may also include the City website along with the local government cable channel and in appropriate media outlets. The notice shall contain brief descriptions of the qualifications for the particular position and will specify the locations where applications can be obtained and the deadline for accepting applications. The vacancy will be posted until the position is filled or until specified closing date.

The city will not discriminate on the basis of a person's national origin or citizenship status with regard to recruitment, hiring, or discharge. However, the city will not knowingly employ any person who is or becomes an unauthorized alien. In compliance with the Immigration Reform and Control Act, all employees hired after Nov. 6, 1986, regardless of national origin, ancestry, or citizenship, must provide suitable documentation to verify identity and employability. The documentation must be provided within three days of employment or the individual will not be hired.

The Mayor is authorized to hire temporary employees for the various departments of the city as the need may arise. The Mayor is to inform the Council as to his decisions and provide any necessary additional information to the Council as requested.

The Mayor shall appoint and remove for reasonable cause, subject to approval by the city council, promote, transfer, demote, suspend and discipline all officers and employees of the city including the following: recorder, city attorney, city judge, treasurer, chief of police, fire chief, superintendent of public works, and superintendent of parks and recreation; subject to the provisions of this charter, state law, and city ordinances. Before any new appointment is made of any of the foregoing officers or employees, a salary or salary range shall have been established by the City Council.

Such officers and employees shall be under the supervision and control of the mayor, and he may, at his discretion, authorize each department head to promote, transfer, demote, suspend, discipline, and recommend for appointment and removal for cause, employees under his or her supervision to provide for the orderly day-to-day operation of the city; subject to the provisions of this charter, state law, and city ordinances.

The Mayor shall have the authority to authorize appropriate appointed designees to promote, transfer, demote, suspend, discipline and recommend for appointment and removal for cause those employees under their direct supervision but, they can only recommend the appointment or removal for cause of any employee to the Mayor for his final decision or for recommendation to City Council.

5.2. RECRUITMENT BY EXAMINATION

All appointments in the City shall be made according to merit and fitness and may be subject to competitive examination. All such examinations shall fairly and impartially test those matters relevant to the capacity and fitness of the applicant’s ability to be able to perform the essential functions, as well as the requisite knowledge, skills and abilities required by the position.

5.3. TYPES OF EXAMINATIONS

The examinations held to establish eligibility and fitness for any position may consist of one or more of the following elements as determined by the Mayor and/or Department Head in conjunction with Human Resources. The City will make reasonable accommodations in the examination process to disabled applicants requesting such accommodations.

5.3.1. Written Test. This test, when required, will include a written demonstration designed to show the applicant’s familiarity with the knowledge involved in the class of positions to which he/she is seeking employment.
5.3.2. **Oral Test.** This test, when required, will include a personal interview where the ability to interact with others, to meet the public, and/or other personal qualifications are to be evaluated. An oral interview may also be used in examinations where a written test is unnecessary or impractical.

5.3.3. **Performance Test.** This test, when required, will determine the ability and skills of applicants to perform the work involved.

5.3.4. **Physical Test.** When required and allowed by law, this consists of tests of strength, agility, and physical fitness, and functional ability to perform the essential functions of the job for applicants. This test may be used to exclude from further consideration applicants who do not meet the minimum required standards where allowed by law.

5.3.5. **Mental Test.** When required and allowed by law, the mental test will include any test to determine mental alertness, general capacity of the applicant to adjust his/her thinking to new problems or to ascertain special character traits and attitudes.

5.3.6. **Pre-employment Drug Test.** Pre-employment drug testing will be conducted on all positions. Positive results on the drug test can result in an applicant being denied employment.

### 5.4. NOTIFICATION AND INSPECTION OF EXAMINATION RESULTS

Each person who takes an examination shall be notified of his/her standing on the eligibility list (if one is maintained) or of his/her passing or failing.

### 5.5. PHYSICAL EXAMINATIONS

**Pre-employment.** Every prospective employee for the Police and Fire Departments shall be given a physical examination by a licensed physician designated by the municipal government after a conditional offer of employment has been extended, to determine if the employee meets necessary physical fitness standards.

Employees in other departments may also be required to receive a physical examination after the conditional offer of employment based on the essential functions of the position as contained in the job description. A copy of the specific job description will be provided to the examining physician. The cost of this physical examination shall be borne by the City.

The conditional offer of employment may be rescinded for applicants who are unable to meet the necessary physical fitness standards of the job description.

**Post-Hire.** All employees of the City may, during the period of their employment, be required by their Department Head and with the approval of the Mayor, to undergo periodic medical examinations as allowed by law to determine their fitness to perform the essential functions of the position in which they are employed or appointed to. This periodic medical examination shall be at no expense to the employee. Determination of fitness for duty will be by a physician designated by the City or its insuring agency.

An employee determined to be unfit to continue in the position in which he/she is employed may be demoted in accordance with these rules or separated from the City as governing Federal and State law permits.

### 5.6. NEPOTISM

The following members of the immediate family of the City employee, department head, Mayor, Alderman or other official of the City, who meet the hiring standards, may be employed to fill any position. The members of the immediate family include spouse, child, brother, sister, son-or daughter-in-law, sister- or brother-in-law, parents, parents-in-law, nephews, nieces, stepsisters, stepbrothers, stepchildren, and stepparents. However, such family members are subject to the following provisions:

1. Members of the immediate family may not be hired or transferred into the same department.
2. Members of the immediate family in other departments or divisions may not work for the same supervisor.
3. No special preference will be given to family members in the selection of work location, days off, vacation schedules, etc…
4. The work and conduct of the family members will be governed by the same requirements and procedures as all other employees.
5. Members of the immediate family may not work in the same department or in a position where one member of the family would have direct supervisory responsibility over another member of the family.
6. No person currently employed will be penalized for being related as described above.
7. Seasonal and part-time employees are exempt from this provision/policy.

5.7. MINIMUM AGE

The Fair Labor Standards Act requires that employees of State and Local governments be at least 16 years of age for most jobs and at least 18 years of age to work jobs declared hazardous by the Secretary of Labor. All Firefighters and Police Officers must be a minimum of 21 years of age.

5.8. TYPES OF EMPLOYEES

5.8.1. Full-Time Employee. A regular full-time employee is an employee who is typically scheduled a minimum of 40 hours per week, is paid an hourly or salaried rate, is subject to all conditions of employment, and receives all benefits offered unless specifically excluded by the local government, charter, code, or ordinance. Regular full-time employees serve a 90 day Introductory Period, during which time they may be dismissed without recourse.

5.8.2. Part-Time Employee. A regular part-time employee is an employee who works part-time hours on a regular basis and whose hours cannot exceed an average of 29 hours per week during the standard measurement period. Week-to-week increase of hours beyond the 29 hour limit must be approved by the Mayor or Department Head. Ongoing analysis of hours worked to be performed by Department Head regarding budgetary impact of benefits cost. Regular part-time employees are not eligible for benefits other than those statutorily mandated. Standard measurement periods can be defined separately for hourly and salaried employees.

5.8.3. Temporary Employee and/or Seasonal Employee. Temporary (or seasonal) employees are individuals who perform work for the city for no more than six months during one calendar year (or per term of employment) and whose ongoing employment with the City is not expected at time of hire. Temporary (or seasonal) employees are not eligible for benefits except coverage under workers’ compensation. Hours of work shall be as determined by the department head.

5.8.4. Non Exempt Employee. Employees that are not exempt from the Fair Labor Standards Act Overtime Requirements may be required to work more than 40 hours in a workweek and are entitled to receive overtime pay for hours actually worked in excess of 40 hours in a workweek under the applicable provisions of the Fair Labor Standards Act (“FLSA”), its regulations and applicable state law. (Holidays and Leave will not be deemed to be “hours worked” for purposes of determining eligibility for overtime pay.) Special calculation circumstances apply to Police and Fire service employees for determining overtime.

5.8.5. Exempt Employees. All personnel defined as “department heads” in the City Charter, and any employee determined to be exempt from the Fair Labor Standards Act, shall be paid on a salary basis. All exempt employees are expected to observe a normal forty hour work week and to work any additional hours necessary to accomplish the responsibilities of the position.

Exempt employees are required to complete time records which are maintained by the Finance Department and must be submitted during the payroll process.

5.9. APPOINTMENTS, PROMOTIONS, DEMOTIONS AND TRANSFERS

Pursuant to the City Charter, the Mayor has the authority to appoint, promote, demote, transfer, suspend, and remove for cause (appointment and removal upon approval of City Council) all officers, appointees and employees of the City of Portland except as defined in the City Charter.
All vacancies of Board-approved positions in the City shall be filled by original appointment, re-employment, promotion, interim appointment, transfer or demotion.

Whenever a Department Head wishes to fill a vacancy, an Employee Request Form must be completed and submitted to Human Resources for approval by the Mayor.

**Promotions.** A promotion is the assignment of an employee from one class to another that has a higher pay rate and/or rank, and the employee is qualified and can physically perform the duties and essential functions as outlined in the job description. The Mayor may authorize department heads to make promotions of employees, including temporary promotions to fill vacancies on an interim basis. Duration of absence of position to be filled must be greater than 21 calendar days for consideration of temporary promotion. Employee will begin to earn pay differential for temporary promotion immediately upon assuming related duties and will cease to do so upon completion of interim assignment.

Promotions in every case must involve a definite increase in duties and responsibilities and shall not be made merely for the purpose of affecting an increase in compensation.

When an employee in one classification is promoted to a position in another classification and the employee's current pay rate is less than the minimum rate for the new position, the employee's salary shall be raised to that minimum rate. When the employee's salary falls above the new minimum rate, a percentage increase as determined by the Mayor shall be given based on historical pay data for the position to be filled.

When a position is advertised for certified personnel (for positions that require certification) and no applications are received that meet the qualifications, then present employees may be given the opportunity to move into the position and receive training, unless it is necessary to fill the vacancy quickly, or on an emergency basis.

**Transfers.** A transfer is a lateral move assigning an employee from one position to another position of equal responsibility and class.

Transfers can take place within a department, between departments, between positions of the same pay range, between positions of the same class, or between positions of different classes of equal rank and pay.

The Mayor may authorize department heads to make transfers of employees. A transfer may also be implemented as a reasonable accommodation when an employee is unable, due to a disability, to continue to perform the essential functions of the job.

Should a city employee wish to transfer to another position, in the same department or in another department, when there is a vacancy, the transfer may be allowed if the level of pay is the same and the position is considered as the same level position, and the employee wishing to transfer is qualified, can perform the essential functions and duties as outlined in the job description and it is in the best interest of the city.

An employee who transfers from one municipal government department to another will retain and carry forward all benefits earned, accrued, or both as of the date of transfer (in the event an employee of the Fire Service working 24 hour shifts transfers to another department, Sick Leave will be reduced at a ratio of Fire Service accrual divided by standard accrual). As a general rule, lateral transfers require no increase in compensation. No transfer shall occur unless the employee has at least one (1) year of employment with the City of Portland without the approval of the Mayor.

Under no circumstances will a department head (as defined in the City Charter), an employee of supervisory status, a certified operator, or any employee with a higher level position be allowed to transfer to a position of lesser responsibility without accepting the lower rate of pay. Should this type of transfer be allowed, the employee’s existing seniority will be acknowledged, but the employee must take the entry-level position with appropriate pay.

**Demotions.** A demotion is assigning an employee from one position to another that has a lower maximum pay rate, rank, and responsibility. An employee may be demoted for any of the following reasons:
1. because his/her position is being abolished and he/she would otherwise be laid off;
2. because his/her position is being reclassified to a higher grade, and the employee lacks the necessary skills to successfully perform the job;
3. because there is a lack of work;
4. because there is a lack of funds;
5. because another employee, returning from authorized leave granted in accordance with the rules on leave, will occupy the position to which the employee is currently assigned;
6. because the employee does not possess the necessary qualifications to render satisfactory service to the position he/she holds;
7. because the employee voluntarily requests such a demotion, and it is available;
8. as a reasonable accommodation when an employee, due to a disability, becomes unable to perform the essential functions of the job, and job transfer, reassignment, or job redesign is not reasonable; and/or
9. as a form of disciplinary action.

5.10. INTRODUCTORY PERIOD

The introductory period is an integral part of the examination process, and may be utilized for the following:

- closely observing the employee's work;
- securing the most effective adjustment of a new, promoted, demoted or transferred employee to his/her position;
- rejecting any employee whose performance does not meet work standards

The introductory period for all full- and part-time employees shall be 90 calendar days. Department Heads may request an extension of any employee's introductory period with the prior approval of the Mayor. In no event may a probationary period be extended beyond 6 months.

Department head shall recommend continuation/discontinuation of employment, or extension of probationary period prior to completion of employee's probationary/introductory period. This review should occur and be scheduled by the department head between the 60th and 90th calendar day of employment.

Firefighter and Police Officer probationary periods are determined by the department’s SOP.

At any time during the probationary period, the Department Head may notify the Mayor in writing of an employee’s unsatisfactory performance and recommend whether or not employment should continue.

5.11. PERFORMANCE APPRAISAL / EVALUATION

Each employee should be given a performance evaluation at the midpoint and completion of his/her respective introductory period by the immediate supervisor. Annually, each employee's performance should be formally reviewed by his/her immediate supervisor, once the employee has served in his/her position for a minimum of one (1) year at time of evaluation at a minimum. The written evaluation will be discussed with the employee. By this means, it is intended that each employee will have adequate opportunity to correct any weaknesses that may hinder satisfactory job performance. Each written evaluation, once signed by the employee will be forwarded to Human Resources for review by the Mayor and inclusion in the employee’s personnel file. The City reserves the right to alter the terms and conditions of employment, including the manner in which performance is or is not appraised.
The overall rating will be one of the following five levels:

<table>
<thead>
<tr>
<th>Rating</th>
<th>Definition of Rating</th>
<th>Guidelines</th>
</tr>
</thead>
<tbody>
<tr>
<td>Outstanding</td>
<td>Exceptional, extraordinary, well above standard. Employee achieves all major objectives, most by a wide margin. Performance is consistently characterized by exceptionally high-quality work. Contributions to the City are repeatedly far above the requirements of the position.</td>
<td>Use when performance is exceptional. Far exceeds requirements.</td>
</tr>
<tr>
<td>Exceeds Expectations</td>
<td>Performance exceeds position requirements. Consistently meets all major objectives, producing high-quality work. Makes valuable contributions to the organization and contributes more than required share. Takes initiative beyond job responsibilities. Requires minimal supervision.</td>
<td>Use when performance consistently exceeds standards. Exceeds requirements.</td>
</tr>
<tr>
<td>Meets Expectations</td>
<td>Satisfactory and competent performance. Meets all performance requirements and produces quality work. Performance on some objectives exceeds requirements; may be deficient in a few, but overall performance is solid. Requires moderate supervision.</td>
<td>Use when all standards for successful performance are met. Meets all basic requirements.</td>
</tr>
<tr>
<td>Improvement Needed</td>
<td>In general, meets performance requirements and accomplishes objectives. Understands basic job responsibilities. Needs some growth and development. May be new in job. Requires supervision.</td>
<td>Use when performance standards are generally not acceptable. Meets some basic requirements.</td>
</tr>
<tr>
<td>Unsatisfactory</td>
<td>Performance is clearly below the level of acceptability. Unable to perform essential functions. Deficiencies may be correctable. Requires frequent counsel, guidance, and close supervision.</td>
<td>Use when performance is intolerable. Fails to meet the most basic requirements.</td>
</tr>
</tbody>
</table>

The City of Portland does not solely rely on the performance review process to gauge employee performance and “fit for the city”. A positive review is simply a snapshot in time. The city does recognize the value of providing employees with regular feedback. The performance of all employees may be appraised and reviewed at least annually by their supervisor. Written appraisals will be discussed with the employees so they will know how they are progressing and what they may do to improve their performance. As important as these written performance appraisals are, they are not meant as substitutes for ongoing discussions between employees and their supervisors about their performance.

The appraisal is not final until it has been reviewed and acted upon by Human Resources and the Mayor.

**Rating Period**  The annual rating period (period of observed performance) observes performance occurring from June 30th of the completed fiscal year back through July 1st of the previous calendar year to encompass the entire prior fiscal year. The review period (time set for appraisal meetings between supervisors and subordinates) will be determined annually based on City needs.

The supervisor and/or department head will formally meet with each employee within the review period. During this meeting, the performance elements and associated performance standards will be discussed, established and recorded for the prior year. Goals, objectives, development plans, etc. should be established during this time for the upcoming rating period. Supervisors should conduct quarterly update meetings with subordinates to track and discuss progress toward goals and objectives.

**Assessment**  The supervisor and/or Department Head and employee will review the job description together, and determine if the job description properly describes the duties and responsibilities of the position. Job descriptions may be amended or revised as necessary through Human Resources and the Mayor. The supervisor will also review and assess employee performance related to job functions.
5.12. OUTSIDE EMPLOYMENT

With the approval of one's Department Head and Mayor, outside employment is permissible, provided that there is no conflict of interest or impairment of work performance for the City of Portland. Before outside employment begins, employees must present a written request to the Department Head describing the work to be performed.

Required overtime of any employee of the City takes priority over an employee’s outside employment. Anyone who knowingly misses work or refuses mandatory overtime at his/her primary job to work a second job may be subject to disciplinary action up to, and including, termination of employment. Approval of a second job may be withdrawn for any of the above reasons.

5.13. WORKDAY / WORKWEEK

Pursuant to the Fair Labor Standards Act, a workweek is a regular recurring period of 168 hours consisting of seven consecutive 24-hour periods. Except as is provided in special contracts of employment, the number of days that shall constitute a workweek for regular employment shall be five in total. Schedules will vary in departments as necessary for the smooth operation of the City, i.e. the Parks and Recreation Department, the Public Works Department, and the Fire Department and Police Departments. A standard workweek is scheduled between 12:00 AM on Monday through 11:59 PM on the Sunday following. Standard work periods for purposes of calculation of overtime for Fire Service Personnel working 24 hour shifts and Sworn Police Personnel may differ from the standard workweek of other employees.

5.14. ATTENDANCE AND TIME CALCULATION

Punctual and regular attendance is necessary for the efficient operation of the City. Employees who are unavoidably late or absent from work due to illness or other cause must notify their supervisor (or the supervisor’s designee if unable to reach the supervisor) within 60 minutes (with the exception of emergency) of their regularly scheduled starting time. Employees should provide the reason for the absence and, if possible and anticipated return to work date. Failure to timely notify one's supervisor of absences may result in disciplinary action or dismissal. Excessive absences, unless protected under existing law, may be subject to disciplinary action regardless of existing bank of paid leave time available.

Every city employee has been assigned working hours. These scheduled hours are not the same for every employee or every department. This policy does not change those original assignments.

Some city employees are not required to use a time clock, but use time sheets. Employees who complete time sheets will be subject to the same regulations as those using a time clock, Employees assigned a time clock must not clock in more than seven (7) minutes prior to the beginning of the employee’s work schedule, nor out more than seven (7) minutes after the end of the work schedule. Early or late clock-ins/outs in excess of seven (7) minutes’ deviation from the assigned work schedule must be justified and approved by the supervisor. The accumulation of extra time or overtime by virtue of early clock-in or late clock-out is prohibited.

An employee who does not have prior written permission and is found to have clocked in more than seven (7) minutes before his/her schedule, or clocked out more than seven (7) minutes after his/her schedule, will be in violation of the provisions of this policy. Time accumulated on the time clock before or following the employee’s scheduled work hours will not be considered as time worked – whether regular time or overtime – without written justification provided to the payroll office by the supervisor.

Tardiness exceeding the seven (7) minute grace period will be counted in 15 minute increments for purposes of payroll calculation. Fractions of time on the clock beyond the 7 minute grace period resulting in overtime will be paid in 15 minute increments but only when overtime has been authorized. All issues of tardiness up to and including the 7 minute period are subject to disciplinary action.

Continual and/or repeated deviations from the assigned working hours will be grounds for disciplinary action. Such deviations include, but are not limited to: changes of schedule without prior approval, excessive tardiness, and clocking in/out too early or too late.
Any time a city employee leaves the workplace during the workday, on other than work related business, the employee must clock out. Upon returning to work, the employee must clock-in.

If the time clock calculations result in less than the assigned work hours, the employee must claim vacation leave, funeral leave, family sick time, personal sick time, jury duty, or other excused absence for the lost time. (NOTE: All of these must be approved, and some in advance.) However, prior arrangements approved by the supervisor for lost time for anything other than reason listed may supersede that requirement. The employee shall be docked for lost time if no provision is made for any of the above reasons for absence. For any leave, an “Employee Leave Request” must be completed and approved by the supervisor in advance, except in the event of an emergency.

No city employee is to punch the time clock in/out for another employee. This will be deemed as falsification of records or documents, and shall be a violation of city policy that will result in both employees receiving disciplinary action. The first offense will result in suspension. Future offenses may result in termination.

5.14.1. BREAKS AND MEALS

Coffee and snack breaks are compensable rest periods and cannot be excluded from hours worked as meal periods. “A bona fide meal time, when employees are completely relieved from duty, is not work time.” 29 C.F.R. § 785.19(a). “Short periods, such as coffee breaks or snacks, are not considered meal time. If an employee works during the meal, the time is compensable. Whether or not an employee’s meal period can be excluded from compensable working time depends on the employee ‘freedom meal test’.” 29 C.F.R. § 785.19(a). Unless all of the following three conditions are met, meal periods must be counted as hours worked:

1. The meal period generally must be at least 30 minutes, although a shorter period may qualify under special conditions.

2. The employee must be completely relieved of all duties. (If an employee must sit at a desk and incidentally answer the telephone this would be compensable time)

3. The employee must be free to leave his/her duty station. There are no requirements, however, that an employee be allowed to leave the premises or work site.

Those employees on the job away from their department locations must begin and end their 15 minute break(s) at the worksite and include all travel time to and from the work location.

With the exception of the Police Department, Fire Department and Water Treatment Plant, whose schedules must cover 24-hour operation, city employees will observe a 40-hour work-week with times scheduled at the discretion of the Department Head and approved by the mayor with a one hour lunch break.

Full-time employees observing a 40 hour work schedule may take a fifteen (15) minute break in the morning and one in the afternoon, as may be worked into his/her schedule and not overly burden fellow employees.

Overtime, lunch breaks, break times and any other modification of these hours shall be subject to approval of the department head.

5.15. GRIEVANCE PROCEDURES

A grievance is defined as an expression of dissatisfaction, disagreement or dispute arising between a current employee and his/her supervisor and/or employer with some aspect of his/her employment, application or interpretation of regulations and policies, or some management decision affecting him/her.

It is the City’s desire to address grievances informally, and both supervisors and employees are expected to make every effort to resolve problems as they arise. However, it is recognized that there will be occasional situations that will be resolved only after a formal appeal and review.
Employee(s) who have a grievance should first discuss it with their immediate supervisor, a higher-level supervisor, and/or the Department Head within five business days following the incident or immediately upon returning to work from a suspension. Every employee may present a grievance under the provisions of the grievance procedure free from fear of retaliation of any kind concerning employment.

**STEPS OF THE GRIEVANCE PROCEDURE ARE AS FOLLOWS:**

**Step 1.** The employee files an oral or written grievance with the immediate supervisor within five business days of the incident or immediately upon returning to work after a suspension. An employee should give the supervisor copies of any witness statements or other supporting documents. It is the responsibility of the immediate supervisor to promptly consider the grievance and take action. The supervisor shall inform the employee of his/her decision in writing within three business days. The supervisor shall provide a copy of his/her decision to the Department Head. Any supervisor in the chain of command shall attach a copy of his/her recommendation regarding the unresolved grievance if it proceeds to a higher level. No supervisor may hold a grievance longer than three business days without forwarding it to the next supervisory level.

**Step 2.** If the issue cannot be resolved between the employee and his/her supervisor, the employee may proceed to the second step. Before proceeding, an employee must reduce the request to writing and request that the Department Head review the written grievance and supervisor’s response. If an employee wishes a meeting with the Department Head, one will be arranged. Upon hearing the grievance, the Department Head must provide a written response to the employee and the immediate supervisor within three business days of the meeting.

**Step 3.** If the issue still cannot be resolved by the Department Head, the employee may request in writing a meeting with the Mayor. The Mayor shall have ten business days to schedule the meeting after which, the Mayor shall provide a written response to the employee with copies to the Department Head and immediate supervisor. Every attempt will be made to resolve the employee's grievance. The Mayor’s decision shall be final and binding on all parties involved.

### 5.16. TYPES OF SEPARATIONS

#### 5.16.1. RESIGNATION

In the event an employee decides to leave the City’s employ, whenever possible, a two (2) week written notice shall be given to his/her supervisor. In such a case, employees must return any/or all City equipment assigned. Failure to provide appropriate written notice may render employee ineligible for rehire, upon approval by the Mayor. Unused vacation will be paid upon voluntary termination of employment with appropriate notice.

An unauthorized absence from work for a period of three consecutive working days will be considered a voluntary resignation.

All separating employees will have scheduled an exit interview with Human Resources or their department head. The main purpose of this interview is to ascertain whether the reason for an employee's separation is founded on a misunderstanding that might be corrected by either the city or the employee. Any information that may improve future working conditions in the city is always welcome.

#### 5.16.2. LAY-OFF/STAFF REDUCTION

The Mayor or Department Head (upon approval from the Mayor) may lay-off an employee in the City’s service when he/she deems it necessary by reason of shortage of funds, the elimination of a position, or for related reasons that are outside the employer's control and that do not reflect discredit upon the service of the employee. Unused vacation will be paid upon involuntary layoff / staff reduction.

#### 5.16.3. TERMINATION

An employee may be terminated for a number of reasons which may include, but not be limited to, misconduct, insubordination, failure to pass a drug test and the inability to satisfactorily perform the job. Upon involuntary
termination of employment, unused vacation will be calculated on a pro-rated basis (percentage of calendar year worked prior to separation). Prorated vacation will be paid out upon involuntary separation of employment.

5.16.4. DISABILITY

An employee may be separated for disability when he/she cannot perform the essential functions of the job with or without reasonable accommodation because of physical or mental impairment that cannot be accommodated without undue hardship, or that poses a direct threat to the health and safety of others.

Action may be initiated by the employee or the City, but in all cases it must be supported by medical evidence acceptable to the Mayor and in accordance with Federal and State law. The City may require an examination by a licensed physician of its choice at the City’s expense.

5.16.5. RETIREMENT

Whenever an employee meets the conditions set forth in the retirement system's regulations, he/she may elect to retire, and receive all benefits earned under the appropriate retirement system.

5.16.6. DEATH

All compensation due in accordance with T.C.A., Section 30-2-103, Designation of beneficiary – Wages and debts owed deceased employee, shall be paid except for such sums as by law must be paid to the surviving spouse.

5.17. STAFF REDUCTION POLICY

Purpose:

1. To establish a formal process in determining the appropriate course of action, in the event and/or need for staff reduction measures for the City of Portland.

2. To implement a fair, consistent, yet practical and systematic policy that meets the needs of the city in an effort to execute the fiduciary responsibilities and business needs in accordance to the discretionary authority of city administration

Covered Employees:

All city employees/positions to include; exempt (Salaried), non-exempt (Hourly), full time classifications and/or assignments

I. Determining the Need for Staff Reduction

The decision to initiate staff reduction conversation and/or measures is a proactive stance to ensure the ongoing perpetuity of day to day business operations. By studying and assessing the viability, success and the overall performance of the city through prudent business acumen and actuarial foresight, city administration is better able to determine the critical and vital impact to the city’s fiduciary standing. If determined that staff reduction measures are needed, implementation of the process will be handled exclusively through the language in said policy to ensure fairness and consistency throughout the entire process.

Department Heads are required to provide written justification to the Mayor indicating the business necessity for staff reduction. Written justification must clearly outline the reason(s) for such action to include, but not limited to; budget, lack of work, reorganization, or reduction of staff positions beyond the city’s control. The decision and/or recommendation to remove said positions or individuals will be handled in accordance to change in policy and
ordinance protocol as defined in the City of Portland Personnel Manual. Authority to execute staff reduction measures is deemed and/or vested by administrative privilege of the Mayor and the Board of Mayor and Aldermen.

II. Staff Reduction Types

A. Short Term Temporary

1. Defined as a temporary period of time as designated by city management
2. Layoff recall provisions may apply
3. Not to exceed ninety (90) Days

B. Permanent

1. Indefinite layoff period with no defined recall provision(s)

III. Criteria Standards (Order of Criteria)

A. Business Need
   The City reserves the right to make decisions and recommendations in an effort to sustain necessary business operation standards in the best interest of the City of Portland and its constituents.

B. Performance
   Staff Reduction measures may necessitate the need to utilize job performance reviews, disciplinary actions, attendance records and other performance-related data for placement decisions.

C. Length of Service
   Tenure and service time will be considered when implementing staff reduction measures, however, guaranteed placement is neither imposed nor implied through service length ranking.

IV. Notification Process

Employees are notified via written communication upon administrative approval to implement staff reduction actions. All staff reduction communication to include; notifications, correspondence, press/media releases and other related inquiries will be handled exclusively through the City of Portland Department of Human Resources and the Office of the Mayor.

V. Procedural Protocols

A. Timeline(s)

   Employee(s) will receive written notification as soon as is practicable.

B. Compensation & Benefits

1. The City of Portland will provide two (2) week’s pay as a result of staff reduction measures.
2. Employee benefits will cease on the last day of the month of the impending staff reduction termination date. COBRA benefits will be offered accordingly. All COBRA regulations apply without exceptions.
3. Earned vacation time will be paid upon disbursement of the employee’s final payroll check.

C. **Internal & External Resource Assistance**

1. Employees are entitled to apply for State Unemployment Insurance Benefits accordingly.

2. City of Portland Department of Human Resources will assist with internal job placement as applicable. Employees are able and encouraged to apply for current posted positions for which they qualify.

VI. **Reinstatement**

1. Displaced employees are eligible for future re-hire consideration, unless failing to work through appropriate notification period as designated; or for other unfavorable, inappropriate or unprofessional behavior that could result in formal corrective counseling action (up to and to include immediate termination of employment).

2. If an employee returns to work within ninety (90) days of their layoff date, they will be reinstated with no change to their benefit accrual dates and amounts. Salary will be issued in accordance to current wage standards set by City of Portland and in accordance to FLSA Wage & Hour governing provisions.
SECTION 6 – BENEFITS AND LEAVE POLICIES

6.1. HOLIDAYS

All offices of the City of Portland, except emergency and necessary operations, will be closed and employees excused on the holidays listed below. New non-exempt employees are not eligible for paid holidays while serving their 90-day probationary period.

1. New Year’s Day
2. Martin Luther King Jr. Day
3. Presidents’ Day
4. Good Friday
5. Memorial Day
6. Independence Day - July 4th
7. Labor Day
8. Thanksgiving Day
9. Day after Thanksgiving Day
10. Veteran’s Day
11. Christmas Eve
12. Christmas Day

6.2. HOLIDAY PAY

Employees must work their last regularly scheduled shift before a holiday (or approved, City-observed holiday as applicable) and their first regularly scheduled shift after a holiday in order to receive Holiday Pay. In the event that a nationally-observed holiday falls on a weekend, work performed on that weekend will be compensated at holiday rate. Pre-approved vacation or pre-approved sick leave does not constitute forfeiture of holiday pay. Employees scheduled to work on the holiday, but who do not report to work (other than pre-approved or excused absence) as scheduled shall forfeit holiday pay.

**Full-Time Employees.** Full-time, non-exempt employees (other than Fire personnel working 24 hour shifts) who are required to work on a holiday shall receive one and one-half times regular pay (Holiday Bonus Pay) for the actual hours worked. Those hours worked will be counted as straight time hours for purposes of calculation of overtime. Eight (8) hours of holiday pay will also be recorded at the employee’s straight time rate of pay.

**Fire Personnel.** Fire Department personnel required to work a 24-hour shift on a holiday shall receive holiday pay at a rate of a straight twelve (12) hour time period.

6.3. ANNUAL VACATION WITH PAY

All full-time employees of the municipality will be granted vacation leave annually based on continuous years of service to the city. Vacation leave will be available when the employee is hired full-time and may be used when the employee has completed twelve (12) months service, unless approved by the Mayor at time of hire. As the number of years of service increases, the amount of leave granted increases and may accumulate to the maximum amount as shown in the table below:

<table>
<thead>
<tr>
<th>Service Completed</th>
<th>Annual Award</th>
</tr>
</thead>
<tbody>
<tr>
<td>1 Year</td>
<td>1 week</td>
</tr>
<tr>
<td>2 Years</td>
<td>2 weeks</td>
</tr>
<tr>
<td>5 Years</td>
<td>3 weeks</td>
</tr>
<tr>
<td>10 Years</td>
<td>4 weeks</td>
</tr>
<tr>
<td>20 Years</td>
<td>5 weeks</td>
</tr>
</tbody>
</table>

Each employee has the option to take pay for any one (1) week of vacation. If an employee is eligible for more than one (1) week of vacation and the employee opts to take pay, the employee can only be paid for one (1) week and must take the other time off; OR in lieu of cashing out said week, that week may be opted to carry over to the following year (must use in next year or lose).
Vacation leave shall be taken at a time approved by the employee's supervisor and may not be accumulated above the annual allowance (with the exception of approved one week carryover). Vacation scheduling shall be done on a seniority basis within departments. Leave may be taken in no less than 2 hour increments with the exception of intermittent or reduced schedule leave used under FMLA, which may be used in 1 hour increments.

Upon voluntary separation, employees are entitled to be reimbursed for any unused vacation leave, with submission of appropriate notice. Failure to provide appropriate notice may result in forfeiture of payout of vacation and classification as ineligible for rehire.

**Scheduling.** Vacations should be scheduled in advance for the mutual convenience of the employee and the City so proper adjustments can be made in work schedules. Department Heads preparing vacation schedules may give a choice of dates based on seniority of the personnel in his/her department, and no employee may begin his/her vacation leave until his/her request has been approved by the Department Head.

**Termination of Employment.** An employee who voluntarily separates from the employment of the City shall only be paid for his/her unused vacation leave if the employee gives appropriate written notification and works the entire notification period. Vacation leave payout will be at the employee’s straight time rate of pay. Payment of the unused accrued vacation will only be made after the return of any issued City property. Upon involuntary termination of employment, unused vacation will be calculated on a pro-rated basis (percentage of calendar year worked prior to separation). Prorated vacation will be paid out upon involuntary separation of employment and upon return of issued City property.

**Legal Holidays.** Legal holidays falling within a vacation period are not to be counted as vacation days.

### 6.4. SICK LEAVE

All full-time employees shall accumulate (9.33) hours of sick leave with pay for each month of work completed for the municipality (total of 14 days per calendar year), with the exception of full time Fire Service employees working 24 hour shifts who shall accumulate 24 hours of sick leave per month. Employees may not draw from their sick leave until completion of their 90-day probationary period. For purposes of this provision only, the 90-day probation applies also to police personnel on 6 month and 1 year probation.

Sick leave may be granted for any of the following reasons, and must run concurrent to FMLA when applicable:

1. Personal illness or physical incapacity resulting from causes beyond the employee's control.
2. Exposure to contagious disease so that employee's presence at work might jeopardize the health of other employees.
3. Medical, dental, optical or other professional treatments or examinations for the employee.
4. Acute illness of a member of the employee’s immediate family. Immediate family includes children, spouse or parent(s).
5. To attend to personal illness or physical incapacity of family members, resulting from causes beyond the employee's control.
6. To attend to a family member with exposure to contagious disease so that the family member might jeopardize the health of other people.
7. Medical, dental, optical or other professional treatments or examinations for family members.

There is no maximum accumulation of Sick leave. Resolution #2146 provides for any unused sick leave upon retirement to be a service credit toward the employee’s retirement (T.C.A. 8-34-604). Accumulated sick leave is not otherwise payable to the employee upon termination, resignation or retirement; nor can it be used to as a form of ‘early retirement’ in practice.

A doctor's statement shall be delivered to the supervisor after three (3) consecutive days of absence for sickness. To prevent abuse of the sick leave privilege, the Mayor and department heads are required to satisfy themselves that the employee is genuinely ill before approving sick leave. The Mayor or department head may require a doctor's certificate for any absence for which the employee requests sick leave, (if, in the opinion of the Mayor or department head, such action is deemed appropriate).
Eligibility and Waiting Period. Sick leave may only be taken after the satisfactory completion of 90 days employment and only for the illness or injury of the employee, family member, or any FMLA or Maternity/Paternity Leave qualifying event. Sick leave benefits will commence on the first day of such absence and shall continue for as long as sick leave credit remains.

Sick leave hours deducted from an employee's sick leave accumulation shall be for the number of regular work hours absent and shall not include holidays and scheduled off days. Employees claiming sick leave while on annual leave must support their claim by a doctor's statement if requested by a Department Head or the Mayor. When an employee is on "leave without pay" for greater than half of their assigned shifts during any calendar month no sick leave accumulates.

Sick Leave Notice. The employee is required to notify his/her supervisor as soon as practical, but no later than the start of the workday. The employee should make every effort to reach the supervisor directly to explain the reason for absence.

Health Care Statement. To prevent abuse of the sick leave privilege, any absence may require a doctor's certificate. Absences in excess of three days shall require a doctor's return to work certification in order to return to work.

Fire Personnel. Members of the Fire Department working a 24 hour shift will be charged 24 hours of sick leave for each missed shift due to illness. Fire department employees who work a regular eight or ten hour shift shall be charged sick leave for the number of hours absent each day up to a maximum of eight or ten hours.

Workers Compensation. Employees on Workers’ Compensation will continue to accrue sick leave during the period of absence.

Exhaustion of Leave. Once an employee exhausts sick leave, vacation leave will be substituted for the remaining absences or until the vacation leave is exhausted. If the illness is FMLA qualifying, once all accrued leave is exhausted, further absences shall be designated as leave without pay.

Department Head or Supervisor Requirements. Department Heads and/or supervisors are required to report to Human Resources any employee sick leave absences of three calendar days to ensure that the City complies with federal regulations regarding the Family and Medical Leave Act. Notification to Human Resources must occur on the fourth day after three consecutive days of absences.

6.5. LEAVE WITHOUT PAY

Leave without pay is defined as time off from regular work which may be granted without pay at the recommendation of the employee's Department Head. Leave without pay may only be authorized by the Mayor.

Leave without pay may only be granted after an employee exhausts all applicable paid leave, and for a period not to exceed four months for good and sufficient reasons which are considered uncontrollable. Such leave shall require prior Department Head recommendation and approval of the Mayor. When an employee is on "leave without pay" for greater than half of their assigned shifts during any calendar month no sick leave accumulates until the employee returns to work for greater than half of their assigned shifts for the calendar month in which they return.

6.6. FUNERAL/BEREAVEMENT LEAVE

Full-time employees may take eight (8) hours per funeral leave for immediate grandparents-in-law, Aunts and Uncles. This eight (8) hour funeral leave is available for each of these relatives, per relative.

Full-time employees may take twenty-four (24) hours per funeral leave for the following relatives:

<table>
<thead>
<tr>
<th>Children</th>
<th>Spouse</th>
<th>Parents</th>
<th>Mother-in-law</th>
</tr>
</thead>
<tbody>
<tr>
<td>Father-in-law</td>
<td>Step parents</td>
<td>Step children</td>
<td>Grandfather</td>
</tr>
<tr>
<td>Grandmother</td>
<td>Brother</td>
<td>Brother-in-law</td>
<td>Sister</td>
</tr>
<tr>
<td>Sister-in-law</td>
<td>Grandchildren</td>
<td>Daughter-in-law</td>
<td>Son-in-law</td>
</tr>
</tbody>
</table>

Should more than twenty-four (24) hours of bereavement leave be necessary; employees may seek approval from their supervisor to use available vacation or sick time in addition to the funeral leave. Notice must be given to the
supervisor and the amount of vacation or sick time to be used must be approved by the supervisor. The twenty-four (24) hours Funeral Leave is available for each of these listed relatives, per relative“xvi. Bereavement Leave may be used non-consecutively as approved.

6.7. EMPLOYEE EDUCATION LEAVE

The Mayor and/or the City Council may require department heads to attend conferences, seminars, workshops or other functions that are intended to improve or upgrade the department head’s job skills.

Employees are also encouraged to take advantage of education and training benefits to improve their job skills and qualify for promotions. These benefits are limited to training and education relevant to the employee's current position or "reasonable" transfer and/or promotional opportunities. "Reasonable" is defined as attaining the minimum qualifications for promotion or transfer with no more than two years of additional training or education.

These benefits will be available to all employees on a first-come, first-served basis, subject to the availability of budgeted funds. Requests for education and training may be initiated by either the employee or department head. References to training requests and training received should be made on performance evaluation forms. Final decisions on requests for education and training will be made by the Mayor and department head.

Department heads may authorize or require employee attendance at conferences, seminars, workshops, or other functions of a similar nature that are intended to improve or upgrade the employee's job skills. Requests to attend training sessions should be made at least 15 days prior to the deadline for registration. The department head, based on the supervisor's recommendation, will determine who will attend conferences based on the availability of resources.

When a request for training is approved, the employee's cost for registration, tuition and publications, transportation, lodging, and other reasonable expenses will be covered by the city.

6.8. MILITARY LEAVE

Any employee who is a member of the United States Army Reserve, Navy Reserve, Air Force Reserve, Marine Reserve or any of the Armed Forces of the United States, will be granted military leave for any field training or active duty required (excluding extended active duty). Such leave will be granted upon presentation of the employee's official order to his/her Department Head. Compensation for such leave will be paid pursuant to T.C.A., Section 8-33-109.

Full-Time Employees. All full-time employees will be allowed up to 20 eight hour days per calendar year. Employees working shifts greater than eight hours per day will be allowed up to a total of 160 hours military leave.

Part-Time Employees. Part time employees will be allowed military leave of up to 20 days at the average of their daily hours worked, not to exceed 8 hours per day.

The employee may choose to supplement military leave with vacation pay, if available, up to the amount of regularly scheduled average pay.

Benefits. These same employees who are covered under the City’s health insurance policy will be allowed to continue the City’s health insurance for the duration of active duty. For the first 31 days of military leave, the City will maintain contribution at the same level as was done prior to leave. It is the responsibility of the employee to pay their portion of the health insurance premium while on active military duty. Continued health insurance coverage will be offered up to 24 months, with the employee paying premiums due for such policy. An employee wishing to continue health insurance coverage during their military leave shall provide a mailing address where notices of premium payments due may be sent. Past the initial 31 days, the employee will be responsible for payment of 102% of their total premium cost if coverage continuation is elected.

Both COBRA and USERRA generally allow individuals who leave work for military service to continue coverage for themselves and their dependents under an employment-based group health plan. COBRA provides for 18 months of coverage, with further extensions for certain events. COBRA applies to group health plans maintained by employers with 20 or more employees. USERRA, which applies to all employers, provides for 24 months of
coverage. If military service is for 30 or fewer days, you and your family can continue coverage at the same cost as before your short service. If military service is longer, you and your family may be required to pay as much as 102 percent of the full premium for coverage. If your plan is covered by COBRA, you should receive a notice from the plan explaining your rights.

Employees eligible for re-employment will be covered under the Uniformed Services Employment and Re-Employment Rights Act (USERRA).

Reinstatement. The process for reinstatement of employees returning from military leave begins when the employee requests reemployment. Said request must be submitted:

- on the first work day back for employees deployed 30 days or less;
- within 14 days of the end of service for employees deployed up to 180 days; and
- within 90 days of the end of service for employees deployed 181 days or longer

Extensions are available if employee can show that it was impossible or unreasonable, through no fault of the employee, to report or reapply.

The returning employee will be re-employed in the position he/she would have attained had they not been absent for military service, with the same seniority, status, and pay.

6.9. JURY AND CIVIL DUTY LEAVE

Civil leave with pay shall be granted to employees for the following reasons:

1. Jury duty (T.C.A. 22-4-108)
2. To answer a subpoena to testify for the municipality.

Employees providing proper documentation as being selected for jury duty shall be excused from their assigned duties for the actual duration of the jury duty. In the event of release from jury duty during the employee's normal working hours, he/she shall be expected to return to his/her department. An employee shall receive full pay from the City during jury duty. Any monies received from jury duty may be kept by the employee.

6.10. FAMILY AND MEDICAL LEAVE

Eligibility. The Family and Medical leave policy is applicable to both male and female employees who have worked at least 12 months for the City and who have worked at least 1,250 hours during the preceding 12-month period. Such employees are eligible for a maximum of 12 to 26 weeks of leave under the act. Special rules apply for husbands and wives employed by the same employer and for highly compensated employees. People who are not covered include elected officials, volunteers, independent contractors, and legal advisors.

Employees may be eligible for Family and Medical Leave for one or more of the following reasons:

- for the birth and care of the newborn child of the employee;
- for placement with the employee of a son or daughter for adoption or foster care;
- to care for an immediate family member (spouse, child, or parent) with a serious health condition;
- medical leave when the employee is unable to work because of a serious health condition;
- to care for an immediate family member (spouse, son, daughter or parent) injured while on active duty if that injury renders the service member unfit for military duty; and/or
- to handle a “qualifying exigency” relating from an employee’s spouse or child being called to active duty.

Paid / Unpaid Leave. Family and medical leave runs concurrently with paid time off (i.e. sick and vacation). Payment during FMLA will be in accordance with current leave policies. If the employee does not have the time available or he/she exhausts paid time while out on family and medical leave, the remainder of the approved leave will be unpaid. When an employee is on "leave without pay" greater than half of their assigned shifts or more during any calendar month no sick leave accrues. The combination of sick leave, annual leave, and unpaid leave may not exceed the total allowable leave under the FMLA, except as required by statute.
Guidelines. An eligible employee may take up to 12 weeks of family and medical leave in a 12-month period for the birth of a child or the placement of an adopted or foster care child. Leave may also be taken to care for one’s self, a child, spouse, or parent who has a serious health condition. The right to take leave applies equally to male and female employees who are eligible. Eligible employees may take up to 12 weeks of unpaid leave to deal with family issues resulting from a spouse, son, daughter or parent being called to active duty (including being notified of an impending call to active duty).

Eligible family members of military personnel defined as the spouse, son, daughter, parent or next of kin of a covered service member may take a maximum of 26 weeks leave under FMLA to care for a wounded member of the armed forces. This includes family members of the National Guard or Reserves who are undergoing medical treatment, recuperation, therapy or other medical treatment for a “serious injury or illness”.

Serious health condition. A serious health condition means an illness, injury, impairment, or physical or mental condition that involves one of the following:

1. Inpatient care in a hospital, hospice or residential medical care facility, including any period of incapacity or subsequent treatment.
2. A period of incapacity of more than three consecutive calendar days that also involves treatment two or more times by a health care provider or treatment which results in a regimen of continuing treatment under the supervision of the health care provider.
3. Any period of incapacity due to pregnancy or for prenatal care.
4. A chronic condition that requires periodic treatments, continues over an extended period of time, and may cause episodic rather than a continuous period of incapacity.
5. A period of incapacity which is permanent or long-term due to a condition for which treatment may not be effective, requiring continuing supervision of a health care provider.
6. Multiple treatments either for restorative surgery after an accident or other injury, or for a condition that would likely result in a period of incapacity of more than three calendar days in the absence of medical intervention or treatments, such as cancer, severe arthritis or kidney disease.

Serious Injury or Illness for an Injured Service Member is defined as a covered service member’s injury or illness incurred in the line of duty on active duty in the Armed Forces that may render the service member medically unfit to perform the duties of the member’s office, grade, rank, or rating. This could include medical treatment, recuperation, therapy, outpatient care and other treatments for a serious injury or illness.

Spouse / Same Employer. If spouses are employed by the same employer and eligible to take leave for the birth or adoption of a child, their aggregate leave under FMLA is limited to 12 weeks. For example, if the father takes four weeks leave to care for a child, the mother would be entitled to eight weeks leave, for a total of 12 weeks. If, however, the spouse experiences her own serious health condition as a result of the pregnancy, both employees are entitled to the full 12 weeks.

Right to Return to Work. On return from family and medical leave, an employee is entitled to be returned to the same position that he/she held when leave commenced, or to an equivalent position with equivalent benefits, pay, and other terms and conditions of employment. An employee is entitled to such reinstatement even if the employee has been replaced or his/her position has been restructured to accommodate the employee’s absence.

If the employee is unable to perform the essential functions of the position because of a physical or mental condition, including the continuation of a serious health condition, the employee has no right to restoration to another position under the FMLA. The City, however, may be required by the Americans with Disabilities Act (ADA) to offer the employee an accommodation.

Notification and Scheduling. An eligible employee must provide the City at least 30 days advance notice of the need for leave for birth, adoption, or planned medical treatment when it is foreseeable. This 30-day advance notice is not required in cases of medical emergency or other unforeseen events, such as premature birth or sudden changes in a patient’s condition that require altering scheduled medical treatment.

Parents who are awaiting the adoption of a child and are given little notice of the availability of the child may also be exempt from this 30-day notice.
It is the City’s responsibility to designate leave in writing as FMLA leave and to notify the employee. Employees may not retroactively claim that leave was for FMLA. Failure to provide notification will result in the leave not being designated as FMLA. The City will, if necessary, provide the FMLA leave notice in alternate formats.

**Certification.** The City reserves the right to verify an employee’s request for family/medical leave. Failure to provide certification from a health care provider in a timely manner may result in delay or denial of FMLA. Medical certifications will be treated as confidential and privileged information under HIPAA and the State’s Open Records laws as appropriate.

If the City has a reason to question the original certification, the City may, at the City’s expense, require a second opinion from a different health care provider chosen by the employer. The health care provider may not be employed by the City on a regular basis. If a resolution of the conflict cannot be obtained by a second opinion, a third opinion may be obtained from another provider and that opinion will be final and binding. Payment for the second opinion shall be borne by the employee. Payment for the third shall be divided between the employee and the City.

An employee may be required to report periodically to the City the status and the intention of the employee to return to work. Before return is granted, employees are required to furnish the City with a medical certification from the employee’s health care provider stating that the employee is able to resume work.

**Reduced and Intermittent Leave.** Family and medical leave may be taken intermittently or on a reduced schedule when medically necessary as certified by the health care provider. The schedule must be mutually agreed upon by the employee and the employer. Employees on intermittent or reduced leave schedules may be temporarily transferred by the City to an equivalent alternate position that may better accommodate the intermittent or reduced leave schedule. Intermittent or reduced leave may be spread over a period of time longer than 12 weeks, but it will not exceed the equivalent of 12 workweeks total leave in a 12-month period.

**Restoration.** Employees who are granted leave under the FMLA policy will be reinstated to an equivalent or the same position held prior to the commencement of their leave. Certain highly compensated key employees, who are salaried and among the 10 percent highest paid workers, may be denied restoration.

Restoration may be denied if:

- the employer shows that such denial is necessary to prevent substantial and grievous economic injury to the employer’s operations;
- the employer notifies the employee that it intends to deny restoration on such basis at the time the employer determines that such injury would occur; and
- in any case in that the leave has commenced, the employee elects not to return to work within a reasonable period of time after receiving such notice

Employees voluntarily accepting a light duty assignment in lieu of continuing FMLA leave maintain their right to restoration to the original or an equivalent job until the twelve (12) weeks of FMLA leave has passed.

If an employee fails to provide a requested fitness-for-duty certification to return to work, the City may delay restoration until the employee submits the certification.

**The 12-Month FMLA Period.** The City follows a 12-months measured forward method. This means that the leave is measured from the date an employee’s first FMLA leave begins. Effective January 1, 2014.

**Denial of FMLA Leave.** If an employee fails to give timely, advance notice when the need for FMLA leave is foreseeable, the City may delay the taking of FMLA leave until 30 days after the date the employee provides notice to the employer of the need for FMLA leave.

If an employee fails to provide, in a timely manner, a requested medical certification to substantiate the need for FMLA leave, the City may delay continuation of FMLA leave until an employee submits the certificate. If the employee never produces the certification, the leave is not designated as FMLA.
Employee Benefits While on FMLA. During periods of FMLA, the City will continue to provide health insurance benefits at the employee rate. If premiums are current, the City will maintain health insurance benefits during periods of unpaid leave without interruption. Any payment for premiums or other payroll deductible insurance policies must be paid by the employee or the benefits may be terminated. The City is obligated to reinstate benefits upon an employee’s return to work.

The City has the right to recover from the employee all health insurance premiums paid during the unpaid leave period if the employee fails to return to work after leave. Employees who fail to return to work because they are unable to perform the functions of their job because of their own serious health condition or because of the continued necessity of caring for a seriously ill family member may be exempt from this recapture provision at the City’s discretion.

FMLA leave under this policy does not constitute a qualifying event that entitles an employee to Consolidated Omnibus Budget Reconstruction Act (COBRA) benefit; however, the qualifying event triggering COBRA coverage may occur when it becomes clearly known that an employee will not be returning to work. At that point, the employee ceases to be entitled to leave under this policy and may be offered COBRA.

Workers’ Compensation While on FMLA. Workers’ Compensation injury/illness meets the criteria for a serious health condition, therefore, the workers’ compensation absence and the FMLA leave entitlement will run concurrently.

6.11. AMERICAN’S WITH DISABILITIES POLICY (ADA/ADAAA)

The City of Portland is committed to the fair and equal employment of individuals with disabilities under the Americans with Disabilities Act (ADA). It is the City of Portland’s policy to provide reasonable accommodation to individuals with disabilities who are qualified for the job in question unless the accommodation would impose an undue hardship on the organization. The City prohibits any harassment of, or discriminatory treatment of, employees on the basis of a disability or because an employee has requested a reasonable accommodation.

In accordance with the ADA as amended, reasonable accommodations will be provided to qualified individuals with disabilities to enable them to perform the essential functions of their jobs or to enjoy the equal benefits and privileges of employment. This policy applies to all applicants for employment and all employees.

Disability

“Disability” refers to a physical or mental impairment that substantially limits one or more of the major life activities of an individual. A “qualified person with a disability” means an individual with a disability who has the requisite skills, experience, and education for the job in question and who can perform the essential functions of the job with or without reasonable accommodation.

Reasonable Accommodation

The City will seek to provide reasonable accommodation for a known disability or at the request of an individual with a disability. Many individuals with disabilities can apply for jobs and perform the essential functions of their jobs without any reasonable accommodations. However, there are situations in which a workplace barrier may interfere. A “reasonable accommodation” is any change or adjustment to the job application process, work environment, or work processes that would make it possible for the individual with a disability to perform the essential functions of the job.

There are three types of reasonable accommodation that may be considered:

• Changes to the job application process so that a qualified applicant with a disability will receive equal consideration for the job opportunity;

• Modifications to the work environment so that the qualified individual with a disability can perform the essential functions of the job; or

• Adjustments that will allow a qualified individual with a disability to enjoy the same benefits and privileges of employment as other similarly situated employees without disabilities.
Essential Job Functions
For each position, the job description typically will identify essential job functions. The Human Resources department generally will review job descriptions on a periodic basis to evaluate job functions designated as essential. An employee’s questions about a job’s requirements should be directed to the employee’s supervisor or manager, or the manager of the Human Resources department.

Requesting a Reasonable Accommodation
An employee with a disability is responsible for requesting an accommodation from the Human Resources department, or his or her supervisor, and engaging in an informal process to clarify what the employee needs and to identify possible accommodations. The City will provide notice of the employee’s rights under the ADA and document the interactive process discussions. If requested, the employee is responsible for providing medical documentation regarding the disability.

The employee should describe the problem created by a workplace barrier so that an appropriate accommodation may be considered. Typically, the Human Resources department will work with the employee to identify possible reasonable accommodations and to assess the effectiveness of each in allowing the employee to perform the essential functions of the job.

Based on this interactive process, a reasonable accommodation will be selected that is appropriate for both The City and the individual employee. While an individual’s preference will be considered, The City is free to choose between equally effective accommodations with consideration toward expense and impact on the rest of the organization.

A request for reasonable accommodation may be denied if it would create an undue hardship for The City. The City will provide notification in writing of denial based on undue hardship. Factors to be considered when determining whether an undue hardship exists include the cost of the accommodation, the organization’s overall financial resources, the financial resources of the particular facility at which the accommodation is to be made, the number of employees at the facility, the total number of employees of the organization, and the type of operation.

Safety
All employees are expected to comply with all safety procedures. The City will not place qualified individuals with disabilities in positions in which they will pose a direct threat to the health or safety of others or themselves. A “direct threat” means a significant risk to the health or safety of one’s self or others that cannot be eliminated by reasonable accommodation. The determination that an individual with a disability poses a direct threat typically will be made by the Human Resources department and will be based on factual, objective evidence. A written copy of the determination will be given to the employee so that he or she may submit additional information and/or challenge the determination that he or she poses a direct threat.

Confidentiality
All information obtained concerning the medical condition or history of an applicant or employee will be treated as confidential information, maintained in separate medical files, and disclosed only as permitted by law.

Complaint Procedure
It is the policy of The City to prohibit any harassment of, or discriminatory treatment of, employees on the basis of a disability or because an employee has requested a reasonable accommodation. If an employee feels he or she has been subject to such treatment or has witnessed such treatment, the situation should be reported using the harassment complaint procedure. The City of Portland’s policy prohibits retaliation against an employee for exercising his or her rights under the ADA or applicable state fair employment laws. Any employee found to have engaged in retaliation against an employee for exercising his or her rights or for making a request for reasonable accommodation under this policy will be subject to disciplinary action up to and including discharge. If an employee feels he or she has been retaliated against, the situation should be reported using the harassment complaint procedure.
6.12. MATERNITY/PATERNITY LEAVE

Under the Tennessee Maternity Leave Act, any employee who has been employed full time for at least one year with the city of Portland and who gives at least three months advance notice of their anticipated date of departure, length of maternity/paternity leave, and intentions to return to full-time employment, may be granted maternity/paternity leave for a period not to exceed four months for pregnancy, childbirth, adoption, and nursing an infant. Use of paid leave (sick, family sick or vacation) shall be used until exhausted for maternity/paternity purposes; otherwise, the employee will be granted a leave of absence without pay.

An employee desiring maternity/paternity leave shall notify her department head so a temporary replacement may be secured. Maternity/paternity leave will run concurrent with FMLA leave and shall be approved depending upon the medical needs and doctor’s instructions. Return to duty must be accompanied by a release statement from the employee's attending physician under maternity leave.

6.13. HEALTH BENEFITS / COBRA

Employees and those City officials specified in the Municipal Code are covered under plan providers selected by the City. For details regarding current benefit plans and availability, refer to annually approved Schedule of Benefits available in the Human Resource Department.

Eligibility. Eligibility of the medical and dental insurance is per each plan document. Eligible employees must enroll for coverage within 30 days of employment or probationary period or a qualifying event. Health coverage will be effective the 1st of the month following initial hire. Dental coverage will be effective the 1st of the month following completion of 30 days of service.

Qualifying Events. Employees are responsible to notify the City if they experience any significant life event such as birth, marriage, divorce, legal separation, adoption, legal placement of a child, change of address, reduction in employees regularly scheduled work hours, or a dependent change in status (i.e., school status). Some events will allow an employee to make changes to benefits including adding or dropping dependents or terminating or adding coverage. Employees should notify the City within 30 days of experiencing a qualifying event.

COBRA. COBRA provides certain former employees, retirees, spouses, former spouses, and dependent children the right to temporary continuation of health coverage at group rates. This coverage, however, is only available when coverage is lost due to certain specific events. Group health coverage for COBRA participants is usually more expensive than health coverage for active employees, since usually the employer pays a part of the premium for active employees while COBRA participants generally pay the entire premium themselves. It is ordinarily less expensive, though, than individual health coverage.

Qualified Beneficiaries - A qualified beneficiary generally is an individual covered by a group health plan on the day before a qualifying event who is either an employee, the employee's spouse, or an employee's dependent child.

In certain cases, a retired employee, the retired employee's spouse, and the retired employee's dependent children may be qualified beneficiaries. In addition, any child born to or placed for adoption with a covered employee during the period of COBRA coverage is considered a qualified beneficiary. Agents, independent contractors, and directors who participate in the group health plan may also be qualified beneficiaries.

Qualifying Events - Qualifying events are certain events that would cause an individual to lose health coverage. The type of qualifying event will determine who the qualified beneficiaries are and the amount of time that a plan must offer the health coverage to them under COBRA.

Qualifying Events for Employees:

- Voluntary or involuntary termination of employment for reasons other than gross misconduct
- Reduction in the number of hours of employment
Qualifying Events for Spouses:

- Voluntary or involuntary termination of the covered employee's employment for any reason other than gross misconduct
- Reduction in the hours worked by the covered employee
- Covered employee's becoming entitled to Medicare
- Divorce or legal separation of the covered employee
- Death of the covered employee

Qualifying Events for Dependent Children:

- Loss of dependent child status under the plan rules
- Voluntary or involuntary termination of the covered employee's employment for any reason other than gross misconduct
- Reduction in the hours worked by the covered employee
- Covered employee's becoming entitled to Medicare
- Divorce or legal separation of the covered employee
- Death of the covered employee

6.14. SECTION 125 PLAN

A Section 125 plan is a benefit plan that allows employees to make contributions toward medical and dental insurance on a pre-tax rather than an after-tax basis. This means qualified expenses are deducted from your gross pay before income taxes and social security are calculated. By doing so, employees elect to have their gross pay reduced by an amount equal to contributions for medical and dental insurance. Once this election is made, no changes may be made to the pre-tax contributions until the next open enrollment period, unless the change being requested is the result of a change in family status (such as marriage, divorce, death of a spouse or child, birth or adoption of a child or termination of employment of a spouse). A change in election due to a change in family status will be effective in the pay period following receipt of the election.

6.15. RETIREMENT BENEFITS

After six months of service, eligible employees of the City of Portland will be enrolled in the Tennessee Consolidated Retirement System. Employees are required to contribute a percentage of their wages as determined by the Tennessee Consolidated Retirement Systemxvii.

Whenever an employee meets the conditions set forth in the retirement system's regulations, and as adopted by City Council, he/she may elect to retire and receive all benefits earned under the appropriate retirement system.

All eligible employees and their covered dependents who retire from the City before age 65 will be allowed to continue health coverage until becoming eligible for Medicare. Retired employees must meet one of the following criteria to qualify for continuation of medical insurance coverage after retirement:

1. Age 55 with at least 20 years of service with the agency and be covered under the Plan for at least one full year immediately prior to retirement, or
2. Age 55xviii with at least 10 years of service with the City and be covered under the Plan for at least three full years immediately prior to retirement, or
3. 30 years of service and under the age of 65.

The employee must be drawing a monthly retirement check in order to maintain his/her coverage. Should the City of Portland withdraw from the State’s Health Insurance Plan, the retiree would no longer be eligible to continue the coverage.

All retirees must elect to continue coverage in the Plan within 30 days of termination of coverage.

The retired employee’s insurance premium will be paid by the City with the retired employee’s dependent’s coverage offered at their expense.
Retirees or covered dependents who are not members of TCRS will be eligible for a BC/CS Medicare Supplement when they reach the age of 65 or become Medicare eligible.

According to regulations of the State of Tennessee’s Health Insurance Program effective July 1, 2015, city employees and elected officials hired or elected on or after July 1, 2015 will NOT be eligible for the benefit of continuation coverage at retirement as outlined in this section. However, current employees, elected officials and retirees (hired, elected or retired prior to July 1, 2015) will be grandfathered into the previously covered health insurance plan for retirees. Other adjustments to this policy may apply as outlined in Tennessee Public Chapter #426. Information on eligibility requirements will be available from the State of Tennessee, Benefits Administration publications and website.

**6.16. WORKERS’ COMPENSATION**

An employee of the City who suffers injury or illness as a result of a work related accident or condition shall receive compensation during the period of illness or injury by the State Compensation Insurance Fund in accordance with the Tennessee Worker’s Compensation Act.

No compensation shall be allowed for the first seven (7) days of disability resulting from injury, excluding the day of injury. If sick leave is accumulated, the employee may use it for this seven (7) day period. If disability extends beyond the seven (7) day period, compensation shall commence with the eight (8) day after the injury. Beginning on the eighth day, and for as long as worker’s compensation benefits continue, no accumulated sick leave shall be used by the employee. In the event the disability from injury exist for a period as long as n (14) days, then compensation shall be allowed beginning with the first day after injury.

Employees injured in an on-the-job accident may be compensated according to the fourteen following schedule of compensation:

1. **Temporary Total Disability** – For an injury-producing temporary total disability, sixty-six and two-thirds (66 2/3) percent of the average weekly wages shall be allowed.

2. **Temporary Partial Disability** – In all cases of temporary partial disability, the compensation shall be sixty-six and two-thirds (66 2/3) percent of the difference between the wage of the worker at the time of the injury and the wage such worker is able to earn in the worker’s partially disabled condition. This compensation shall be paid during the period of such disability, but not beyond 400 weeks.

3. **Permanent Partial Disability** – In all cases of disability that are partial in character but adjudged to be permanent, the injured employee shall be paid, in addition to any medical benefits, sixty-six and two-thirds (66 2/3) percent of the employee’s average weekly wages for the period of time during which they suffer temporary total disability. Other benefits may apply for loss of limbs.

4. **Permanent Total Disability** – For permanent disability, the injured employee shall receive sixty-six and two-thirds (66 2/3) percent of the injured employee’s wages at the time of injury. This compensation shall be paid during the period of such permanent total disability until the employee reaches the ages of sixty-five (65). This is providing that, with respect to disability resulting from injuries occurring after the age of 60, regardless of the employee’s age, permanent total disability benefits are payable for a period of 260 week. Such compensation shall be reduced by the amount of any old-age insurance benefits received under the Social Security Act.

Employees on occupational disability leave due to an on-the-job injury will not be charged sick or vacation leave during the period of convalescence. Employees shall continue to accrue sick leave and vacation leave at their regular rate while on occupational disability or injury leave.

The employee shall continue paying their portion of their insurance while on worker’s compensation. After returning to work, any workers’ compensation related doctor’s visits will be covered by worker’s compensation. If worker’s compensation does not cover these visits then the employee may use their sick days.
**Time Off for Medical Appointments.** Any city employee with a workers’ compensation-related illness or injury who is on the job but seeing a medical provider for said illness/injury will not be required to use his/her accumulated sick leave for medical appointments that are scheduled during the employee’s **regularly scheduled work hours.**

Medical providers and medical appointments shall include, but not necessarily be limited to: specializing physicians, medical practitioners, chiropractors, occupational therapists, and providers from other medical fields, as prescribed by provisions of the TN Code, Title 50, Chapter 6.

Workers’ compensation related medical appointments shall be noted as such on the employee’s time sheet/time card but shall not be deducted from the employee’s accumulated sick leave. The employee shall be compensated at his/her regular rate of pay.

The employee shall, as soon as he or she has knowledge of scheduled appointments, advise the supervisor of the date and times that he/she will be away from the job. The Mayor (or designee), at his/her discretion, may question the employee’s number of appointments and length of appointments through the employee’s workers’ compensation case worker should there appear to be a pattern of irregularities. However, HIPPA rules and regulations shall apply with the employee’s medical provider for any and every person inquiring.

**Mileage Paid To Employees For Medical Appointment.** When a city employee, who has suffered a workers’ compensation related illness/injury, drives more than 15 miles for a medical appointment, that employee is eligible for mileage reimbursement. The per mile reimbursement rate for the injured employee shall be not less than the mileage allowance authorized for state employees who have been authorized to use personally owned vehicles in the performance of their duties. This minimum per mile reimbursement rate shall be based on the last published comprehensive travel regulation promulgated by the department of finance and administration. Said employee is personally responsible for keeping accurate records of all mileage. (NOTE – This provision only applies to medical providers and appointments that are related to a workers’ compensation related illness or injury.

**Employee May Use City-Owned Vehicles for Doctor’s Appointment for Workers’ Compensation Related Illnesses/Injuries.** City employees, who have suffered a workers’ compensation related illness/injury that have a city-assigned vehicle for his/her job, shall be permitted to use that vehicle to travel to medical appointments for said illness/injury. The employee, however, may not use the city-assigned vehicle for appointments that are scheduled during off-duty time. During off-duty, the employee shall use his/her personal vehicle for appointments and shall keep mileage records to turn in to workers’ compensation for reimbursement.

Those city employees who do not have access to city-owned vehicles shall drive their personal vehicles to medical appointments and will be paid mileage by the City for the first 15 miles, and then paid mileage by workers compensation for 15 miles and above. Said employee is personally responsible for keeping accurate records of all mileage.

### 6.17. OCCUPATIONAL SAFETY AND HEALTH

The municipality shall provide job safety and health protection for all employees in accordance with the Occupation Safety and Health Administration (OSHA) Legislation (29 U.S.C. §§ 656 et seq.) and the Tennessee OSHA Law (T.C.A. 50-3-101 et seq.). The city encourages all employees to take the necessary precautions, including available vaccinations and protective equipment, to insure their continued health and safety. Failure to utilize required personal protective equipment may be met with disciplinary action up to, and including, termination of employment.

### 6.18. CITY OF PORTLAND’S PROGRAMS for:

**EDUCATIONAL ASSISTANCE & TUITION REIMBURSEMENT**

**PRE-PAID ACADEMY TRAINING FOR POLICE OFFICER CERTIFICATION**

**PROFESSIONAL DEVELOPMENT TRAINING EXPENSES**

**PROGRAM SUMMARY:** The City of Portland offers educational assistance to eligible employees. Any approval of educational assistance must be applicable to the employee’s current job or professional development deemed beneficial to the operation of the city. Assistance must be approved and employees must agree to the stipulations of the programs outlined below for participation.
EDUCATIONAL ASSISTANCE (Scope of the benefit):

A. The Educational Assistance Reimbursement Program includes tuition expenses, books and registration fees charged by colleges, universities and vocational/technical institutions for course work applied to the completion of a two- or four-year degree or technical diploma. Master’s and doctorate level course work will be evaluated for the reimbursement program on a case-by-case basis. The city reimburses eligible employees after successful completion of the course and submission of the required paperwork. Participants will be required to sign a City of Portland Tuition Reimbursement and Repayment Agreement form.

B. Academy Training for Police Officer Certification Includes tuition, books and registration fees for course work applied to the completion of training through the state’s police academy for police officer certification. Costs for PO certification training will be paid in advance of the training to the state’s academy. Participants will be required to sign a Police Department Tuition Reimbursement and Repayment Agreement prior to enrollment.

C. Professional Development includes enrollment fees for training costs at approved seminars, workshops, conferences etc. related to an employee’s job performance and skill development in their position. Approved Professional Development training costs paid on behalf of the employee do not require a reimbursement agreement.

EMPLOYEE ELIGIBILITY REQUIREMENTS for participation:

Eligible employees must:
• be a full-time employee at the time for application for participation in the program;
• have been employed full time for at least one (1) year or required to obtain police officer certification;
• be performing at their job’s “Acceptable” performance level
• have completed, signed, secured the required approvals and returned all documentation on time.

Any failure to meet the eligibility and documentation requirements of the program(s) may jeopardize any reimbursement or pre-payment from the City of Portland, exclude an employee from future participation in the program(s) or, be cause for the repayment of funds to the City.

Participating employees are required to complete, sign and provide the following documentation:
• the Application for Educational Assistance (Reimbursement Program) form
• the Tuition Reimbursement Agreement form,
• the applicable Repayment Agreement form,
• and provide the City of Portland with official evidence of satisfactory completion of any and all courses (with grades received) and documentation of any additional financial assistance from another agency or source within sixty (60) calendar days of completion of any pre-approved course.

PROCEDURE:

A. Educational Assistance Reimbursement Program -- Employees must submit a completed application with a proposed study curriculum from the learning institution to their department head at least 30 days prior to the registration deadline for such classes. Requests will be considered for attendance at accredited colleges, universities, business, technical/vocational schools and state run academies for single courses or programs leading to a degree, certificate, or a General Equivalency Diploma (GED). The city reserves the right to limit its assistance to the published average of the state’s cost for post-secondary education tuition costs. Participants will be required to sign a City of Portland Tuition Reimbursement and Repayment Agreement form.

B. Academy Training for Police Officer Certification -- Employees must submit a completed application form to their department head at the time of registration. Costs for Police Officer Certification training will be paid at registration (in advance) of the training to the state’s academy. Participants will be required to sign Police Department Tuition Reimbursement and Repayment Agreements prior to enrollment.

C. Professional Development -- Employees must submit an approved (by the Department Head) Purchase Order for registration in the seminar, workshop, conference, etc. and provide a certificate or notification of completion to Human Resources for their training files. There is no repayment agreement required.

D. Grade Requirements for the reimbursement program -- If a written request is approved, the employee shall receive reimbursement for the cost of tuition, books and registration fees upon proof of successfully completing the course(s) based upon the following schedule:
• 100% reimbursement for a grade of A, B or C
• 0% reimbursement for a grade of D or F  
• Pass/Fail class: Pass 100%, Fail 0%  
• Minuses and pluses (A-, B+, etc.) will not change the percentages

E. Additional financial assistance programs -- The city’s financial assistance for continuing education will be reduced by the funding amounts received from other agencies/sources such as scholarships, the Department of Veterans Affairs, etc. Employees will be required to provide documentation of the funding received from any other agency or source.

F. Required documentation at completion of course/training (for the employee file) --

   a. at the end of all educational assistance course work (semester or quarter) -- the employee will provide an official transcript or grade report and an itemized statement of reimbursable expenses (with receipts) and documentation of all additional tuition assistance they receive from other sources to Human Resources for processing of the reimbursement. 
   b. At the end of the program for Police Officer Certification Training -- the employee will provide a copy of their certificate of completion to Human Resources for inclusion in their employee file.  
   c. Professional Development Training -- the employee will provide a copy of the certificate of completion from the training provider to Human Resources for inclusion in their employee file.

REPAYMENT REQUIREMENTS: Employees participating in the Educational Assistance Reimbursement Program and the Police Officer Certification Training program will be required to sign documentation agreeing that they are required to repay the City of Portland all or a portion of the funds paid on their behalf under the program for any affected course(s) or certification.

A. Educational Assistance Reimbursement Program: If an employee voluntarily resigns from the city within two years (24 months) of receiving educational assistance through this program, the employee will be required to repay a portion of the funding paid on their behalf. The repayment plan will be calculated as an amount prorated over a 24-month period. Specifically, for each month of employment, after completion of the final course, the repayment amount owed to the city will be reduced by 1/24 of the total amount incurred and paid on behalf of the employee. The TUITION REIMBURSEMENT AGREEMENT & REPAYMENT AGREEMENT FOR TUITION REIMBURSEMENT FUNDS forms must be completed and signed.

   Educational Assistance funds must be repaid if a participant:

   a. does not successfully complete any course with a grade of “C” or better, as evidenced by an official grade report, transcript, or equivalent form;  
   b. drops, withdraws, or takes an incomplete grade in the course(s);  
   c. does not continue full time employment with the City of Portland at the start and completion of any course  
   d. voluntarily resigns the City of Portland’s employment within two years after completion of the final course.

B. Police Officer Certification Training: If a police officer voluntarily resigns from the city during the two years (24 months) after completion of the basic recruit training required to become a certified police officer, the employee will be required to repay the costs and expenses incurred by the city on a prorated basis. Specifically, for each month of employment, for two years after completion of the training program, the repayment amount owed to the city will be reduced by 1/24 of the total amount incurred and paid on behalf of the employee.

C. Professional Development Training: An employee is not required to repay the costs of professional development training at separation.

WORK SCHEDULE ACCOMMODATIONS: In cases where employees have special scheduling problems while attending approved education or training programs, especially courses in preparation for a GED, every effort will be made to allow the employee release time from his/her work schedule to attend classes, subject to departmental scheduling and workloads. In situations of this type, the employee must make up the release time on a weekly basis. Written approval from the employee’s department head must be obtained prior to using release time. Employees who obtain their GED shall receive a one-time bonus of $250.

NON-WORK-RELATED TYPES OF EDUCATION/TRAINING: Employees are encouraged to improve themselves through education or training, even if it is not related to their city work; however, the city will be unable to provide financial assistance for non-work-related types of education/training. Employees may be granted, upon written request, permission to take time away from their jobs for training when such time is taken without pay as compensatory time or vacation time. This applies only so long as their absences are pre-approved and will not cause hardships for their departments.
TAX IMPLICATIONS

There may be tax implications for employees receiving Educational Assistance and/or Professional Development Training. Please contact your accountant or tax professional for complete details.

6.19. PERSONAL EDUCATION AND TRAINING

Employees are encouraged to improve themselves through education or training, even if it is not related to their city work. The city will be unable to provide financial assistance for this type of education. Employees may be granted, upon written request, permission to take time away from their jobs for training when such time is taken without pay as compensatory time or vacation time. This applies only so long as their absences will not cause hardship for their departments.

6.20. INCLEMENT WEATHER LEAVE

When weather conditions appear to be so severe that an employee fears for his/her safety in traveling to or from the work site, he/she may be absent with leave if the following conditions are met:

1. The employee informs his/her immediate supervisor of his/her absence and the reason for it as soon as possible; and
2. The employee reports to work immediately if a change in weather conditions allows safe transportation to the work site; and
3. The employee shall deduct the missed workday (or portion thereof) from accumulated vacation leave. Reporting this leave shall follow the same requirements as other leave.

The policy is meant for those who are in immediate danger due to weather conditions only. Should any employee abuse this policy, he/she shall be subject to disciplinary action.

6.21. ADDITIONAL BENEFITS

Other benefits previously approved by the Portland City Council, and not in conflict with this policy, shall remain in effect. The Portland City Council may, from time to time, approve additional benefits.

6.22. GENETIC INFORMATION AND NON-DISCRIMINATION ACT

The City of Portland is committed to providing a work environment free of discrimination and harassment. It is The City of Portland’s policy that all employees have a right to work in an environment free of discrimination and harassment based on genetic information or any other basis protected by federal, state, or local law. The City of Portland prohibits harassment of its employees in any form—by supervisors, co-workers, customers, or suppliers.

According to the Equal Employment Opportunity Commission (EEOC), genetic information includes:

- Information about an individual’s genetic tests
- Information about the genetic tests of an individual’s family members
- Family medical history
- Requests for, or receipt of, genetic services by an individual or a family member
- Genetic information about a fetus carried by an individual or a family member; or about an embryo legally held by the individual or family member using an assisted reproductive technology.

Family medical history is included in the definition of genetic information because it is often used to determine whether someone has an increased risk of getting a disease, disorder, or condition in the future.

Examples of genetic tests include tests to determine whether an individual has a certain genetic variant associated with an increased risk of acquiring a disease in the future (for example, genetic tests to determine a predisposition for breast cancer, or the risk of conditions such as cystic fibrosis). A test for HIV infection, a cholesterol test, and drug tests are not considered genetic tests.

GINA generally prohibits employers from requesting, requiring, or purchasing, an applicant’s or employee’s genetic information, even if it is never used. There are six exceptions:
• Information is acquired inadvertently (e.g., a supervisor receives genetic information in response to a question about an employee’s general wellbeing)
• Information is acquired as part of an employee’s voluntary participation in health or genetic services, including wellness programs (individualized information is provided only to the individual; aggregated information that does not identify individuals is provided to the employer)
• Family medical history is needed to comply with the certification requirements of the Family Medical and Leave Act (FMLA), state or local leave laws, or certain leave policies
• Information comes from publicly available sources such as newspapers, magazines, or electronic sources
• As part of genetic monitoring, information is required by law or provided on a voluntary basis (e.g., monitoring required by the Occupational Safety and Health Administration (OSHA))
• Employers conducting testing for law enforcement purposes (e.g., a forensic lab)

It is The City of Portland’s policy to notify employees and health care providers not to provide genetic information when The City of Portland requests health-related information (e.g., to support an employee’s request for reasonable accommodation under the Americans with Disabilities Act (ADA)). Generally, the notice will be included on request forms and/or provided on a separate form when employees or healthcare providers are asked to submit health-related information.

It is The City of Portland’s policy to comply with GINA’s confidentiality requirements by treating genetic information in the same way as medical information (i.e., keeping the information confidential in medical files that are separate from other employee records).

If you feel you have been discriminated against or harassed in any way, it is generally best to tell that person that you find such behavior offensive, that such behavior is against The City of Portland’s policy, and that you want him or her to immediately stop. However, if you are uncomfortable taking this action, or if the conduct does not stop after you have warned the offending person, you should immediately contact your supervisor. If you feel you cannot seek help from your supervisor, then you should contact his or her supervisor or the Human Resources, or higher-level management for assistance.

Every complaint will be investigated as promptly, thoroughly, and impartially as possible. We will protect the confidentiality of complaints to the fullest extent possible. If the investigation determines that discrimination or harassment has occurred, The City of Portland will take immediate and appropriate action.

The City of Portland will not retaliate against any employee for complaining about discrimination or harassment. If you feel you have been retaliated against, follow the complaint procedure above.

The City of Portland will ensure that managers and supervisors take positive steps to comply with this policy. They are required to be aware of potential discrimination situations, quickly resolve any discrimination issues that arise, and refrain from retaliation or harassment against any employee involved in the filing, investigation, or resolution of a discrimination claim.

Managers, supervisors, and all other employees are required to cooperate fully with the investigation and resolution of all discrimination and harassment complaints.

6.23. HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT (HIPAA)

The City of Portland will provide appropriate administrative, technical, and physical safeguards to protect the privacy of protected health information (PHI) by safeguarding information from intentional or unintentional use or disclosure.

The City will use or disclose PHI:

a. to the employee
b. with a consent to carry out treatment, payment or health care options
c. without consent if there exists an indirect treatment relationship with the employee or the provider who created or received the PHI
d. without prior consent in emergency treatment situations (if required by law to treat the employee or if communication barriers prevent clear consent)
e. with and in compliance with Authorization
f. with the agreement of the employee
g. when required by law or for public health activities:
   i. situations involving victims of abuse, neglect, or domestic violence
   ii. or health oversight activities
   iii. for judicial and administrative proceedings
   iv. for law enforcement purposes
   v. for decedents
   vi. for cadaver organ, eye, or tissue donation purposes
   vii. for research purposes
   viii. to avert a serious health threat to health or safety
   ix. for specialized governments functions
   x. for worker's compensation

The City shall not disclose PHI unless it has a valid, signed authorization that contains the following:

a. a specific and meaningful description of the information to be used or disclosed
b. the name or other specific identification of the person(s) or class of persons authorized to make the requested use or disclosure
c. the name or other specific identification of the person(s) or class of persons to whom the City may make the requested use or disclosure
d. an expiration date or event that tells the employee the purpose of the use or disclosure
e. a statement of the employee's right to revoke the authorization in writing and exceptions to the right to revoke, together with a description of how the employee may revoke the authorization
f. a statement that information used or disclosed according to the authorization may be subject to re-disclosure by the recipient and no longer be protected by this resolution
g. signature of the employee and date
h. if the authorization is signed by a personal representative of the employee, a description of such representative's authority to act for the employee.

To file a complaint, employees shall submit, in writing, as many details such as names and dates as possible.

Documentation on all complaints received and their disposition will be kept in the Human Resources office.

The City will take appropriate disciplinary action against any members of the workforce who fail to comply with the privacy policies and procedures.

The City will document the actions.

The City will mitigate any harmful effect that is known to the City of a use or disclosure in violation of the policies and procedures.

The City shall refrain from intimidating, threatening, coercing, discriminating or retaliatory acts against employees who exercise their rights under the Act including:

a. filing a complaint
b. testifying
c. assisting or participating in an investigation, compliance review, proceedings or hearing
d. opposing any act or practice made unlawful by this resolution, provided the employee has a good faith belief that the practice opposed is unlawful, and the manner of the opposition is reasonable and does not involve a disclosure of PHI.

Appropriate employees shall receive training on the policies and procedures with respect to protected health information (PHI) as necessary and appropriate for the employees to perform their jobs.

Training shall be provided to each current employee and thereafter to new members of the workforce within a reasonable time after the person joins the staff and to each member of the workforce whose functions are affected by a change in the policies or procedures. All training shall be documented by the Human Resources office. The HIPAA rules do not interfere with City's the ability to obtain health information necessary to process worker’s compensation
claims; however, the rules may interfere slightly with the amount of information that a health care provider initially is willing to disclose.
SECTION 7 – CONDUCT OF EMPLOYEES

7.1. CODE OF CONDUCT

It is the policy of the City of Portland that employees use appropriate conduct during the course of their official duties. These rules of conduct are established to give general guidance to employees as to what is acceptable behavior and what is prohibited behavior. Violation of any of these rules shall be sufficient cause for counseling, reprimand, suspensions, and/or dismissal of any City employee. Employees may hold their positions during good behavior and efficient service, but may be removed for, but not limited to, the following reasons: Incompetence, Inefficiency, Dishonesty, Insubordination, Discourteous Treatment of the Public, Neglect of Duty.

EXAMPLE RULES OF CONDUCT

Rule 1 – VIOLATION OF RULES
Employees of the City of Portland shall not commit any act or omit any acts which constitute a violation of any of the rules, regulations, directives, or orders of this policy whether stated in this rule or elsewhere (i.e. departmental SOP/SOG).

Rule 2 – UNBECOMING CONDUCT
Employee shall conduct themselves at all times, both on and off duty, in such a manner as to reflect most favorably on the City. Unbecoming conduct shall include that which brings the City disrepute or reflects discredit upon the individual as an employee of the City, or that which impairs the operation or efficiency of the City or individual.

Rule 3 – IMMORAL CONDUCT
Employees shall not participate in any incident involving moral turpitude, which impairs their ability to perform or causes the City to be brought into disrepute.

Rule 4 – CONFORMANCE TO LAWS
Employees shall obey all laws of the United States and of any state and local jurisdictions in which the employees are present. A conviction of a violation of any law may be evidence of violation of this section.

Rule 5 – REPORTING FOR DUTY
Employees shall report for duty at the time and place required by assignment or orders and shall be properly equipped and be cognizant of all information required for the proper performance of duty. Employees, for all duty assignments, shall wear the approved uniform if required.

Rule 6 – NEGLECT OF DUTY
Employees shall not commit any acts expressly forbidden or omit any acts that are specifically required by the laws of this state, the ordinances of this City, these Rules of Conduct or any other orders, policies, procedures or directives of the City. Employees shall not engage in any activity or personal business, which could cause them to neglect or be inattentive to duty.

Rule 7 – FICTITIOUS ILLNESS OR INJURY REPORTS
Employees shall not feign illness or injury, falsely report themselves ill or injured, or otherwise deceive or attempt to deceive any official of the City as to the condition of their health.

Rule 8 – EMPLOYMENT; SICK – INJURED – LIMITED DUTY
No employee shall engage in off-duty employment of any kind while on sick, workers compensation leave, or leave of absence status, except by specific written permission from the Mayor.

Rule 9 – SLEEPING ON DUTY
Employees shall remain awake while on duty. If unable to do so, they shall so report to their supervisor, who shall determine the proper course of action.

Rule 10 – UNSATISFACTORY PERFORMANCE
Employees shall maintain sufficient competency to properly perform their duties and assume the responsibility of their positions. Employees shall perform their duties in a manner, which will maintain the highest standards of efficiency in carrying out the functions and objectives of the department.
Unsatisfactory performance may be demonstrated by a lack of knowledge of the job duties; an unwillingness or inability to perform assigned tasks; the failure to conform to work standards established for the position; the failure to take appropriate action; or absence without approval.

In addition to other indicators of unsatisfactory performance, the following will be considered evidence of unsatisfactory performance: repeated poor evaluations or a written record of repeated infractions of rules, regulations, directives or orders.

**Rule 11 -- INSUBORDINATION**
Employees shall promptly obey any lawful directives of a supervisor.

**Rule 12 -- GRATUITIES.**
Employees shall not accept, directly or indirectly, any money gift, gratuity, or other consideration or favor of any kind from anyone other than the municipality:

1. For the purpose of influencing the performance of an act, or refraining from performance of an act (nominal gifts of appreciation excluded), that he would be expected to perform, or refrain from performing in the regular course of his duties; or

2. That might reasonably be interpreted as an attempt to influence his action, or reward him for past action, in executing municipal business.

**Rule 13 -- ABUSE OF POSITION**
Employees shall not use their official position, official identification card, or badges for:

1. To secure any privilege or exemption for themself or others that is not authorized by the charter, general law, or ordinance or policy of the municipality.

2. Avoiding consequences of illegal acts.

Employees shall not lend to another person their identification card or badges or permit them to be photographed or reproduced without the approval of the Mayor.

**Rule 14 -- ENDORSEMENTS AND REFERRALS**
Employees shall not recommend or suggest in any manner, except in the transaction of personal business, the employment or procurement of a particular product, professional service, or commercial service.

**Rule 15 -- CITIZEN COMPLAINTS**
Employees shall courteously and promptly direct complaints against employees to a supervisor for handling. Supervisors taking a complaint may attempt to resolve the complaint but shall never attempt to dissuade anyone from lodging a complaint against any employee.

**Rule 16 -- COURTESY**
Employees shall be courteous to the public. Employees shall be tactful in the performance of their duties; shall control their tempers and exercise the utmost patience and discretion; and shall not engage in argumentative discussions, even in the face of extreme provocation. In the performance of their duties, members shall not use coarse, violent, profane, or insolent language or gestures, and shall not express any prejudice concerning race, sex, religion, politics, national origin, life style, or similar personal characteristics.

**Rule 17 -- PERSONNEL RECORD STORAGE AND CHANGES**
Personnel records for each employee are kept on file and maintained in the Human Resources Department. It is the responsibility of each employee to update personal information by notifying the Human Resources Department of any changes. Employee changes (i.e. address, telephone number, pay rate, title, etc.) shall be submitted to the Human Resources Department. The City shall not be held liable when incorrect withholding, wrong beneficiaries, or loss of employee benefits results from the failure of any employee to keep personnel records current.
**Rule 18 -- REPORTS**
Employees shall submit all required reports on time and in accordance with established procedures. Reports submitted by employees shall be truthful and complete and no employee shall knowingly enter or cause to be entered any inaccurate, false, or improper information, or alter, remove, or destroy any report once filed for the purpose of altering the natural order of information.

**Rule 19 -- ISSUANCE / RETURN OF CITY OWNED EQUIPMENT**
Each employee may be issued or provided with authorized equipment required for duty. Any employee separated from employment shall return all equipment issued.

**Rule 20 -- USE OF CITY OWNED PROPERTY/CELL PHONES**
The personal use of City-owned property is discouraged. City-owned property includes, but is not limited to, use of copiers, fax machines, telephones, computers, business cards, work badges, uniforms, and logo attire.

Employees issued a City-owned cellular phone due to the nature of their position shall be able to receive and initiate personal calls. However, should personal minutes or data usage exceed the number of minutes allowed by the City’s cellular phone plan, the employee may be held responsible for reimbursement to the City for the overage of charges.

Employees shall utilize City owned property only for its intended purpose in accordance with established procedures and shall not abuse, damage, alter, tamper with, repair unless authorized, or allow unauthorized persons to use City–owned property. All city-owned property issued to employees shall be maintained in a proper order. Intentionally defacing or damaging City property is not permitted.

Employees using personal equipment, such as cameras, tape recorders, tape measures, etc., do so at their own risk and no liability shall extend to the city for the loss or damage of such equipment.

**Rule 21 -- TRUTHFULNESS**
Upon the directive of the Mayor, Department Head, or a supervisor, employees shall fully and truthfully answer all questions specifically directed and narrowly relating to the performance of official duties or fitness for duty which may be asked of them.

**Rule 22 -- BULLETIN BOARDS**
The City maintains bulletin boards at numerous locations on which important information connected with an employee’s work is posted. Cooperation is needed in protecting the posted material. All material to be placed on the bulletin boards must be approved by the appropriate supervisor before it is posted.

No employee shall mark, alter, or otherwise deface any notice or information, which has been posted for viewing within City buildings or on City property.

**Rule 23 -- SOLICITATION**
Charitable solicitations by employees shall be limited to before/after working hours or during an employee’s lunch break.

**Rule 24 -- PARKING**
Parking is provided for employees. Employees should lock their vehicles when left parked. The City does not assume responsibility for loss or damage at any time to employee’s vehicles or their contents.

**Rule 25 -- LOCKERS**
Employees provided lockers in the work place are expected to provide their own lock and to keep the locker locked when away. Liability for loss or damage to content of lockers cannot be assumed by the City. Employees may be requested to open their assigned locker for periodic housekeeping, inspections or other occasions when it is appropriate and/or necessary. Those who use the locker rooms are expected to assist in keeping them clean and orderly. Any suspicious activity around lockers, as well as break-ins and theft, should be reported to a supervisor. All property belonging to the City is subject to inspection at any time without notice, as there is no expectation of privacy.
Rule 26 -- CODE OF ETHICS

Employees shall not conspire or knowingly engage in any activity which deprives any person of their civil rights, due process, equal opportunity for employment, advancement, job opportunities, or any constitutional or statutory guaranteed right. No employee shall disseminate confidential or protected related information to any unauthorized person for any purpose.

Employees are responsible to follow the ethics code as defined in Portland Municipal Code, Title 4, Chapter 8, Code of Ethics (See Appendix A)

7.2. DRUG FREE WORKPLACE GENERAL RULES

7.2.1.1. City employees shall not take or be under the influence of any drug unless prescribed by the employee's licensed physician. Employees who are required to take prescribed or over-the-counter medication shall notify the immediate supervisor should the medication produce any adverse effects which might limit the employee’s ability to perform their job.

7.2.1.2. City employees are prohibited from the use, possession and sale of drugs, alcohol or any other controlled substance on City property or in City vehicles.

7.2.1.3. All property belonging to the City is subject to inspection at any time without notice, as there is no expectation of privacy.
   - Property includes, but is not limited to, vehicles, desks, containers, files and storage lockers.
   - Employees assigned lockers (that are locked by the employee) are also subject to inspection.

7.2.1.4. Employees who have reason to believe another employee is using alcohol or illegal drugs while on duty must report the facts and circumstances immediately to their supervisor or Human Resources. Failure to do so may result in disciplinary action.

7.2.1.5. Failure to comply with the intent or provisions of this directive may be used as grounds for disciplinary action up to, and including, termination of employment.

7.2.2. EMPLOYEE TESTING

All employees in safety-sensitive positions (such as gas employees, equipment / vehicle operators that require a Commercial Driver's License, Police and Fire department employees, etc.) are subject to alcohol and drug testing in accordance with the Department of Transportation (DOT) Omnibus Transportation Employee Testing Act of 1991 (P.L. 102-143, Title V) and the Natural Gas Pipeline Safety Act (49 CFR Part 199).

Employees shall not take or be under the influence of any narcotics or dangerous substances unless prescribed by the employee’s licensed physician. Employees who are required to take prescription medicine shall notify their immediate supervisor of the medication prescribed and the nature of the illness or injury.

DOT regulated positions (i.e. CDL drivers) upon being engaged in a vehicle accident, or have been removed from duty due to reasonable suspicion of being under the influence by a trained supervisor, cannot resume driving activities until results of drug/alcohol screen have been confirmed as negative.

Employees are prohibited from the use, possession, manufacturing, distribution and sale of drugs, alcohol, or any other controlled substance on municipal government property or in city vehicles.

All property belonging to the municipality may be subject to inspection at any time without notice as there may be no expectation of privacy in such property.

a. Property includes, but is not limited to, vehicles, desks, containers, files, and storage lockers.

b. Employees assigned lockers (that are locked by the employee) are subject to inspection by the employee’s supervisor after reasonable advance notice and in the presence of the employee.
As a condition of continued employment with the city, all employees must abide by the city’s policy and notify the immediate supervisor of any criminal drug statute convictions within five (5) days after such conviction. The city, in turn, informs any granting or contracting agency within ten (10) days of such notification.

Failure to comply with the provision or intent of this rule may be used as grounds for disciplinary action up to and including termination, or for requiring the employee to participate satisfactorily in an approved drug abuse assistance or rehabilitation program. A minimum of 15 minutes and a maximum of two hours will be allowed between notification of an employee's selection for random urine drug testing and the actual presentation for specimen collection.

Random donor selection dates will be unannounced with unpredictable frequency. Some may be tested more than once each year while others may not be tested at all, depending on the random selection.

If an employee is unavailable (i.e., vacation, sick day, out of City, work-related causes, etc.) to produce a specimen on the date random testing occurs, the City may omit that employee from that random testing or await the employee's return to work.

Supervisors are required to detail in writing the specific facts, symptoms, or observations that formed the basis for their determination that reasonable suspicion existed to warrant the testing of an employee. This documentation shall be forwarded to the appropriate Department Head who shall immediately forward the information to Human Resources.

7.2.3. REFUSAL TO CONSENT

An employee who refuses to consent to a drug or alcohol test after a work-related accident or incident, if drawn during random selection, or when reasonable suspicion of drug or alcohol use has been identified may be terminated.

7.2.4. CONFIRMATION OF TEST RESULTS

An employee or job applicant whose drug test yields a positive result, indicating the presence of drugs or alcohol, shall be given the opportunity to speak with the Medical Review Officer prior to a final determination. Test results are then forwarded to Human Resources for appropriate action.

7.2.5. CONSEQUENCE OF A CONFIRMING POSITIVE TEST RESULT: JOB APPLICANTS

Job applicants will be denied employment with the City if their pre-employment test result has been confirmed positive.

7.2.6. CONSEQUENCES OF A CONFIRMING POSITIVE TEST RESULT: CURRENT EMPLOYEES

Current employees will be subject to disciplinary action up to and including termination of employment if their test result has been confirmed positive.

7.2.7. CONFIDENTIALITY OF TEST RESULTS

To the extent allowed under the Tennessee Open Records Law, all information from an employee's or applicant's drug and alcohol test is confidential and only those individuals with a need to know are to be informed of test results.

7.3. TRAVEL POLICY

All employees, including elected and appointed officials, are required to comply with the municipality's travel policy as required by T.C.A. 6-54-901.

7.3.1. GENERAL RULES

The Mayor or his/her designee shall be responsible for the enforcement of the following travel regulations.
7.3.1.1. In the interpretation and application of this policy, the term “traveler” or “authorized traveler” means any elected or appointed municipal officer or employee, including members of municipal boards and committees appointed by the mayor or the municipal governing body, and the employees of such boards and committees who are traveling on official municipal business and whose travel was authorized in accordance with this policy. “Authorized traveler” shall not include the spouse, children, other relatives, friends, or companions accompanying the authorized traveler on City business, unless the person(s) otherwise qualifies as an authorized traveler under this policy.

7.3.1.2. Authorized travelers are entitled to reimbursement of certain expenditures incurred while traveling on official business for the City. Reimbursable expenses shall include expenses for transportation; lodging; meals; registration fees for conferences, conventions, and seminars; and other actual and necessary expenses related to official business as determined by the Mayor. Under certain conditions, entertainment expenses may be eligible for reimbursement.

7.3.1.3. Authorized travelers can request either a travel advance for the projected cost of authorized travel, and/or advance billing directly to the City for registration fees, air fares, meals, lodging, conferences, and similar expenses. Travel advance requests are not considered documentation of travel expenses. If travel advances exceed documented expenses, the traveler must immediately reimburse the City. It will be the responsibility of the Mayor to initiate action to recover any undocumented travel advances.

7.3.1.4. Travel advances are available only for special travel and only after completion and approval of the travel authorization form.

7.3.1.5. The travel expense form will be used to document all expense claims.

7.3.1.6. To qualify for reimbursement, travel expenses must be:

- Directly related to the conduct of the City business for which travel was authorized, and
- Actual, reasonable, and necessary under the circumstances. The Mayor may make exceptions for unusual circumstances. Expenses considered excessive will not be allowed.

7.3.1.7. Claims of $5 or more for travel expense reimbursement must be supported by the original paid receipt for lodging, vehicle rental, phone call, public carrier travel, conference fee, and other reimbursable costs.

7.3.1.8. Any person attempting to defraud the City or misuse City travel funds is subject to legal action for recovery of fraudulent travel claims and/or advances, as well as disciplinary action.

7.3.1.9. Mileage and motel expenses incurred within the City are not ordinarily considered eligible expenses for reimbursement.

7.3.2. TRAVEL REIMBURSEMENT RATE SCHEDULE

Authorized travelers shall be reimbursed according to the State of Tennessee travel regulation rates. The City’s travel reimbursement rates will automatically change when the rates are adjusted. The City may pay directly to the provider for expenses such as meals, lodging, and registration fees for conferences, conventions, seminars, and other education programs.

7.3.3. TRAVEL REQUESTS

To ensure reimbursement for official travel, an approved travel authorization form is required. Lack of pre-approval does not prohibit reimbursement, but it does assure reimbursement within the limits of the City travel policy. All costs associated with the travel should be reasonably estimated and shown on the Authorization for Travel Form. An approved authorization form is needed before advanced expenses are paid or travel advances are authorized. A copy
of the conference program, if applicable, should be attached to the authorization form. If the program is not available prior to the travel, you must attach it to your Statement of Expense Claims Form.

7.3.4. TRAVEL DOCUMENTATION

It is the responsibility of the authorized traveler to:

7.3.4.1. prepare and accurately describe the travel;

7.3.4.2. certify the accuracy of the reimbursement request;

7.3.4.3. note on the reimbursement form all direct payments and travel advances made by the City; and

7.3.4.4. file the expense form with the necessary supporting documents and original receipts. The expense form should be filed with the finance department within 10 days of return or at the end of the month, whichever is more practical

7.3.5. TRANSPORTATION

All potential costs should be considered when selecting the modes of transportation. For example, airline travel may be cheaper than automobile when time away from work and increased meal and lodging costs are considered. When time is important, or when the trip is so long that other modes of transportation are not cost-beneficial, air travel is encouraged. If the traveler goes outside the state by means other than air, the reimbursement will be limited to air fare at tourist or economy class, ordinary expenses during the meeting dates, and one day’s meals and motel before and after the meeting. The traveler will be required to take annual leave for any additional time taken beyond the day before and the day after the meeting dates.

Exceptions: When the traveler extends the trip with personal time to take advantage of discount fares, the reimbursement will be limited to the lesser of the:

7.3.5.1. actual expenses incurred; or

7.3.5.2. the amount that would have been incurred for the business portion only. The calculations for the business portion of the trip must be made using the least expensive rates available. All expenses and savings associated with extending the trip must be submitted with the expense reimbursement form

7.3.5.2.1. AIR

When possible, the traveler should make full use of discounts for advance airline reservations and advance registration. The traveler should request conference, government, or weekend rates, whichever is cheaper, when making lodging or rental car reservations. The City will pay for tourist or economy class air travel. The traveler should get the cheapest reasonable fare and take advantage of discount fares. Airline travel can be paid by direct billing to the City. Mileage credits for frequent flyer programs accrue to the individual traveler. However, the City will not reimburse for additional expenses—such as circuitous routing, extended stays, layovers to schedule a particular carrier, upgrading from economy to first class—for travelers to accumulate additional mileage or for other personal reasons. The City will not reimburse travel by private aircraft unless authorized in advance by the Mayor.

7.3.5.2.2. RAIL OR BUS

The City will pay for actual cost of ticket.

7.3.5.2.3. VEHICLES

Automobile transportation may be used when a common carrier cannot be scheduled, when it is more economical, when a common carrier is not practical, or when expenses can be reduced by two or more City employees traveling together.
**Personal Vehicle.** Employees should use City vehicles when possible. Use of a private vehicle must be approved in advance by the supervisor. The City will pay a mileage rate not to exceed the rate allowed by the state schedule. The miles for reimbursement shall be paid from origin to destination and back by the most direct route. Necessary vicinity travel related to official City business will be reimbursed. If an indirect route is taken, MapQuest mileage will be used to determine the mileage to be reimbursed. If a privately owned automobile is used by two or more travelers on the same trip, only the traveler who owns or has custody of the automobile will be reimbursed for mileage. It is the responsibility of the traveler to provide adequate insurance to hold harmless the City for any liability from the use of the private vehicle. In no event will mileage reimbursement, plus vicinity travel and associated automobile costs, exceed the lowest reasonable available air fare and associated air fare travel costs. Travelers will not be reimbursed for automotive repair or breakdowns when using their personal vehicle.

**City Vehicle.** The City may require the employee to drive a City vehicle. If a City vehicle is provided, the traveler is responsible for seeing that the vehicle is used properly and only for acceptable business. The employee will be reimbursed for expenses directly related to the actual and normal use of the City vehicle when proper documentation is provided. Out-of-City repair cost to the City vehicle in excess of $100 must be cleared with the proper City official before the repair is authorized.

**Rental Cars.** Use of a rental car is not permitted unless it is less expensive or otherwise more practical than public transportation. Approval of car rental is generally required in advance by the Mayor. Always request the government or weekend rate, whichever is cheaper. Anyone who uses a rental car for out of-state travel must obtain liability coverage from the vendor.

- Fines for traffic or parking violations will not be reimbursed by the City.
- Reasonable tolls will be allowed when the most direct travel route requires them.

### 7.3.5.2.4. TAXI, LIMOUSINE, AND OTHER TRANSPORTATION FARES

When an individual travels by common carrier, reasonable fares will be allowed for necessary ground transportation. Bus or limousine service to and from airports should be used when available and practical. The City will reimburse mileage for travel to and from the local airport and parking fees, provided such costs do not exceed normal taxi/limousine fares to and from the airport. Receipts are required. For travel between lodging quarters and meetings, conferences, or meals, reasonable taxi fares will be allowed. Remember, original receipts are required for claims of $5 or more. Transportation to and from shopping, entertainment, or other personal trips is the choice of the traveler and not reimbursable. Reimbursement claims for taxis, limousines, or other ground transportation must be listed separately on the expense form, claiming the destination and amount of each fare.

### 7.3.6. LODGING

The amount allocated for lodging shall not ordinarily exceed the maximum per diem rates authorized by the state rate schedule.

#### 7.3.6.1
Tennessee’s reimbursement rate varies according to location and does not include appropriate taxes. State rates for travel reimbursement can be found in the state regulations online at http://www.state.tn.us/finance/act/policy8.pdf.

#### 7.3.6.2
Original lodging receipts must be submitted with the expense form. *Photocopies are not acceptable.*

#### 7.3.6.3
If a traveler exceeds the maximum lodging per diem, excess costs are the responsibility of the traveler.

#### 7.3.6.4
If the best rate is secured, and it still exceeds the maximum lodging per diem, the supervisor may authorize a higher reimbursement amount. Even if it costs more, travelers may be allowed to stay at the officially designated hotel of the meeting; however, more moderately priced accommodations must be requested whenever possible. It will be the traveler’s responsibility to
provide documentation of the “officially designated meeting site” room rates, if these rates are higher than the normal reimbursable amounts.

7.3.6.5. If two or more City employees travel together and share a room, the lodging reimbursement rate will be the maximum of two single rooms. If an employee shares a room with a non-employee, the actual cost will be allowed up to the maximum reimbursable amount. The receipt for the entire amount must be submitted with the expense form.

7.3.7. MEALS AND INCIDENTALS

Receipts are not required for meals and incidentals. The authorized traveler may be reimbursed the daily amount based on the rate schedule and the authorized length of stay. The per diem meal amounts are expected to cover meals, tips, porters, and incidental expenses. The authorized traveler will not be reimbursed more than this. Whether meals may be claimed depends on when the traveler leaves and returns to the official station. The traveler’s official station is home or work, whichever produces the least cost to the City.

When partial day travel is involved, the current per diem allowance is determined as follows:

<table>
<thead>
<tr>
<th>MEAL</th>
<th>IF DEPARTURE</th>
<th>BEFORE</th>
<th>IF DEPARTURE</th>
<th>AFTER</th>
</tr>
</thead>
<tbody>
<tr>
<td>Breakfast</td>
<td>7:00 a.m.</td>
<td>8:00 a.m.</td>
<td></td>
<td></td>
</tr>
<tr>
<td>Lunch*</td>
<td>11:00 a.m.</td>
<td>1:30 p.m.</td>
<td></td>
<td></td>
</tr>
<tr>
<td>Dinner**</td>
<td>5:00 p.m.</td>
<td>6:30 p.m.</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

Departure time is determined by using the start time for the class or event less the estimated travel time from www.mapquest.com

*Generally, lunch will not be reimbursed unless overnight travel is involved. Lunch may be reimbursed if departure is before 11 a.m. and the employee is eligible to be reimbursed for dinner.

** When overnight travel is involved, dinner reimbursement is made regardless of departure time

Regardless of which reimbursement rate the City uses, the amounts include tip, gratuity, etc. The hour and date of departure and return must be shown on the expense form.

The excess cost of an official banquet may be allowed provided proper documentation or explanation is submitted with the expense form. If a meal is included as part of a conference or seminar registration, or is included with the air fare, then the allowance for that meal should be subtracted from the total allowance for the day. For example, if a dinner is included as part of the conference fee, the maximum meal allowance for the day should be reduced by the allowed dinner amount.

7.3.8. MISCELLANEOUS EXPENSES

7.3.8.1. Registration fees for approved conferences, conventions, seminars, meetings, and other educational programs will be allowed and will generally include the cost of official banquets, meals, lodging, and registration fees. Registration fees should be specified on the original travel request form and can include a request for preregistration fee payment.

7.3.8.2. The traveler may be reimbursed for personal phone calls while on official travel, but the amount will be limited as defined in State of TN guidelines and City Travel Policy.

7.3.8.3. An allowance as defined in State of TN guidelines and City Travel Policy will be reimbursable for hotel/motel check-in and baggage handling expenses

7.3.8.4. Laundry, valet service, tips, and gratuities are considered personal expenses and are not reimbursable.

7.3.8.5. For travel outside the United States, all expenses claimed must be converted to U.S. dollars. The conversion rate and computation should be shown on each receipt.
7.3.9. ENTERTAINMENT

The City may pay for certain entertainment expenses provided that the

- entertainment is appropriate in the conduct of City business;
- entertainment is approved by the Mayor;
- group or individuals involved are identified;
- documentation is attached to the expense form to support the entertainment expense claims

To request reimbursement for authorized entertainment expenses, be sure to include with the expense form.

Required receipts. All requests must be supported by original receipts from the vendor (restaurant, caterer, ticket office, etc.) Reasonable tips and gratuities included on the receipt by the vendor are reimbursable.

A disclosure and explanation statement, explaining the purpose of the entertainment and identifying the group and the number of people entertained (or individual names listed if not a recognized group). If the Mayor is the person filing the claim, then it must be approved by the governing board before the finance officer authorizes payment.

7.3.10. TRAVEL RECONCILIATION

7.3.10.1. Within 10 days of return from travel, or by the end of the month, the traveler is expected to complete and file the Statement of Expense Claims Form. It must be certified by the traveler that the amount due is true and accurate. Original lodging, if the City provided a travel advance or made advanced payment, the traveler should include that information on the expense form. In the case of advances, the form should have a reconciliation summary, reflecting total claimed expenses with advances and City pre-payments indicated. The balance due the traveler or the refund due the City should be clearly shown below the total claim on the form or in a cover memo attached to the front of the form.

7.3.10.2. If the traveler received a travel advance and spent less than the advance, the traveler should attach a check made payable to the City for that difference.

7.3.10.3. The Mayor will address special circumstances and issues not covered in this policy on a case-by-case basis.

7.3.11. TRAVEL VIOLATIONS

Violation of the travel rules can result in disciplinary action for employees. Travel fraud can result in criminal prosecution of officials and/or employees.

7.4. USE OF CITY VEHICLES AND EQUIPMENT

No employee may use or authorize the use of municipal time, facilities, equipment, or supplies for private gain or advantage to oneself or any other person, group, or organization other than the municipality. Decisions about aid to charitable, civic or other organizations will be made exclusively by the Mayor and the City Council.

Due to the need for various departments to have on-call employees available to deploy in emergency situations, the following positions will be allowed to take a city vehicle home during nights, holidays and weekends:

Public Safety Department
- Fire Chief
- Any eligible, sworn, police officer residing inside a 25 mile radius of the Portland Police Department, officers who live at a greater distance may be able to park their car at a participating local police department, subject to the assigned vehicle programs outlined by Police Department Standard Operating Procedures/Standard Operating Guidelines
Public Works and Utilities Department

- Public Works Superintendent
- City Engineer
- Departmental supervisor residing inside the planning region of Portland
- The on-call employee of each department
- Assistant Public Works Superintendent

There will be exceptions for other employees whose duties may require that they take a city vehicle home occasionally, and these will require written approval, signed by the Mayor and Supervisorxxxiii.

No one may ride in city vehicles except city employees or people who are directly involved in ongoing city projects such as engineers, contractors, and vendors. Absolutely no family members are allowed to ride in a city vehicle except for city related matters or functions, or approved by the Mayor or Department Head.

All employees who are not the on-call person may only use the city vehicle for city business. The paid on-call employee will be required to have the vehicle with them at all times. This employee may not leave the City’s geographical utility service area in the city vehicle without proper approval. City employees may use city vehicles to attend job related schools if assigned by the Department Head. No other city employee will be allowed to take a city vehicle home overnight unless specifically approved by the Department head.

All employees are required to keep their assigned vehicle clean with maintenance up to date and documentedxxiv. No smoking/tobacco use shall be allowed in city vehicles at any time.

7.5. SEXUAL HARASSMENT xxv

7.5.1. PURPOSE

The City may be held liable for the actions of all employees with regard to sexual harassment and will not tolerate sexual harassment of its employees. The City will take immediate, positive steps to stop such harassment when it occurs. The City is responsible for acts of sexual harassment in the workplace when the City (or its agents or supervisory employees) knows or should have known of the conduct, unless it can be shown that the City took immediate and appropriate corrective action. The City may also be responsible for the acts of non-employees, with respect to sexual harassment of employees in the workplace, where the City (or its agents or supervisory employees) knows or should have known of the conduct and failed to take immediate and appropriate corrective action.

This policy applies to all officers and employees of the City of Portland, including but not limited to, full- and part-time employees, elected officials, regular and temporary employees, and employees working under contract for the City.

7.5.2. DEFINITIONS

The following actions are absolutely prohibited by the City when they affect employment decisions, create a hostile job environment, cause distractions, or unreasonably interfere with work performance. They are:

- sexual harassment or unwelcome sexual advances;
- requests for sexual favors;
- verbal or physical conduct of a sexual nature in the form of pinching, grabbing, patting, or propositioning;
- explicit or implied job threats or promises in return for submission to sexual favors;
- sex-oriented comments on appearance;
- sex-oriented stories;
- displaying sexually explicit or pornographic material, no matter how the material is displayed; and/or
- sexual assault on the job by supervisors, fellow employees, or, on occasion, non-employees

Sexual harassment includes conduct directed by men toward women, conduct directed by men toward men, conduct directed by women toward men, and conduct directed by women toward women.
7.5.3. MAKING SEXUAL HARASSMENT COMPLAINTS

Prevention is the best tool for the elimination of sexual harassment. An employee who feels subjected to sexual harassment should immediately contact one of the persons below with whom the employee feels the most comfortable. Complaints may be made orally or in writing to:

- the employee’s immediate supervisor,
- the employee’s department head,
- the recorder,
- the mayor, and/or
- the board of mayor and aldermen/commission/council
- Human Resources

Employees have the right to circumvent the employee chain of command in selecting which person to whom to make a complaint of sexual harassment. Regardless of which of the above persons the employee makes a complaint of sexual harassment, the employee should be prepared to provide the following information:

- is/her name, department and position title;
- the name of the person or persons committing the sexual harassment, including their title(s), if known;
- the specific nature of the sexual harassment, how long it has gone on, and any employment action (demotion, failure to promote, dismissal, refusal to hire, transfer, etc.) taken against the employee as a result of the harassment, or any other threats made against the employee as a result of the harassment;
- witnesses to the harassment;
- whether the employee has previously reported the harassment and, if so, when and to whom

7.5.4. REPORTING AND INVESTIGATING SEXUAL HARASSMENT COMPLAINTS

The Human Resource Director, or appropriate counsel, is the person designated by the City to be the investigator of complaints of sexual harassment against employees.

When an allegation of sexual harassment is made by any employee, the person to whom the complaint is made shall:

a. separate the complainant and accused party for the duration of the investigation; upon the approval of the Department Head and Mayor.
b. meet with the employees, any witnesses, the supervisor(s), any other members of management considered appropriate and other individuals that may have relevant information. The investigator may elect to conduct a hearing as part of the investigation process.
c. immediately prepare a report of the complaint according to the preceding section and submit it to the mayor and Human Resource Director;
d. make and keep a written record of the investigation at the time the verbal interview is in progress, including notes on:
   i. verbal responses made to the investigator by the person complaining of sexual harassment,
   ii. witnesses interviewed during the investigation,
   iii. the person against whom the complaint of sexual harassment was made, and
   iv. any other person contacted by the investigator in connection with the investigation
e. within ten (10) days of receiving the complaint, the Human Resource Director prepares and presents the findings to the Mayor in a report, which will include:
   i. the written statement of the person complaining of sexual harassment,
   ii. the written statements of witnesses,
   iii. the written statement of the person against whom the complaint of sexual harassment was made, and
   iv. all the investigator’s notes connected to the investigation

The investigator shall make and keep a written record of the investigation, including notes of verbal responses made to the investigator by the person complaining of sexual harassment, witnesses interviewed during the investigation, the person against whom the complaint of sexual harassment was made, and any other person contacted by the
investigator in connection with the investigation. The notes shall be made at the time the verbal interview is in progress.

Upon conclusion of the investigation, the investigator shall prepare a report of the findings and present it to the Mayor. The report shall include the written statement of the person complaining of sexual harassment, the written statement of witnesses, the written statement of the person against whom the complaint of sexual harassment was made, and all the investigator's notes connected to the investigation.

7.5.5. ACTION ON COMPLAINTS OF SEXUAL HARASSMENT

If it is determined that the complaint of harassment is founded, immediate and appropriate corrective action against the employee guilty of sexual harassment will be taken by the Mayor, consistent with this authority under the municipal charter, ordinances or rules governing the authority to discipline employees.

The disciplinary action shall be consistent with the nature and severity of the offense. The disciplinary action may include referral to mandatory EAP, demotion, suspension, warning, reprimand, or termination. A determination of the level of disciplinary action shall be made on a case-by-case basis.

A written record of disciplinary actions taken shall be kept, including verbal reprimands. In all events, an employee named in a sexual harassment investigation shall be warned not to retaliate in any way against the person making the complaint of sexual harassment, witnesses or any other person connected with the investigation of the complaint of sexual harassment.

In cases where the sexual harassment is committed by a non-employee against a City employee in the workplace, the Human Resources Director or Mayor shall take whatever lawful action against the non-employee that is necessary to bring the sexual harassment to an immediate end.

7.5.6. OBLIGATION OF EMPLOYEE

Employees are not only encouraged to report instances of sexual harassment; they are obligated to report them. Employees are also obligated to cooperate in every investigation of harassment.

Disciplinary action may also be taken against any employee who fails to report instances of sexual harassment, or who fails or refuses to cooperate in the investigation of a complaint of sexual harassment, or who files a complaint of sexual harassment in bad faith.

7.6. COMPUTER USE AND MONITORING

It is every employee’s duty to use the City’s computer resources and communication devices responsibly, professionally, ethically and lawfully. These policies are not intended to, and do not grant users any contractual rights. The term “computer resources” refers to the City’s computers, electronic equipment, and its entire computer network.

The computer resources are the property of the City and should be used for legitimate business purposes. While personal use of City computer resources including Internet and electronic mail is not forbidden, it is discouraged. Personal use shall be minimal and shall not interfere with the performance of job duties and responsibilities. Users are permitted access to the computer resources to assist them in performing their jobs. Use of the computer resources is a privilege that may be restricted or revoked at any time. All information contained in the computer resources and all documents generated there from are for the exclusive use of the City in connection with the conduct of its business and are the sole property of the City. Periodically, the City may make a random check of all computers in order to ascertain any abuse.

7.6.1. General Computer Policies

- Only those persons currently employed (or given special permission) are permitted to use any computer resources owned, leased or in control of the City of Portland.
Use of the City of Portland’s computer resources or internet connections for gambling, obtaining or distributing pornographic materials and all other illegal activity is strictly forbidden. The City actively monitors incoming and outgoing internet traffic for this type of usage.

Programs and/or downloads related to specialized icons, wallpaper, screensavers, instant messaging, chat rooms, and online gaming is strictly prohibited.

Only information system personnel or agents contracted by them may install software or hardware on any City computer system. Information systems personnel may, at their discretion, authorize staff to perform specific software or hardware installations. All other software or hardware installations are strictly prohibited.

Unless departmental arrangements have been made, always obtain permission from a co-worker before using his/her computer. Please be considerate, if you must use someone else’s computer, do not change their colors or other settings.

Do not log into your colleague’s account(s). However, staff may authorize other staff members to use shared files and/or directories in cooperative projects.

Where copyright laws apply, the City forbids unlawful copying of any software or manuals.

7.6.2. Internet Usage

Access to the internet is for the exchange of information and research consistent with the vision, mission, goals and activities of the City of Portland.

Employees are expected to use the internet solely for job related or approved educational research and City business communications during work hours.

Employees shall not use the internet for inappropriate or unlawful purposes, including but not limited to, placing unauthorized information, computer viruses or harmful programs on or through the computer system in either public or private files or messages, using obscene or otherwise inappropriate language in communications and obtaining, viewing or downloading information that is unlawful, obscene, indecent, vulgar, pornographic or otherwise objectionable.

Internet access records and records of downloaded files are not private and may be occasionally monitored as the Mayor or Department Head deems necessary.

Department Heads shall be responsible to ensure proper employee use of the internet.

Inappropriate or unlawful use of the internet may result in the loss of access for the user and, depending on the seriousness of the infraction, can result in disciplinary action as deemed necessary.

7.6.3. E-Mail Usage

Electronic mail may constitute a public record under certain circumstances and may be accessible or obtainable by individuals, agencies and others outside the City and subject to state archivist rules for retention / destruction.

All electronic mail originating from or received by City computer systems is City property, and is not considered private information.

Electronic mail may be monitored by the Department Head and/or the Mayor as they deem necessary.
7.7. WORKPLACE VIOLENCE AND HARASSMENT

The City of Portland strictly prohibits any harassment on the basis of race, color, religion, gender, national origin, age or disability as such actions constitute discrimination. No City employee shall engage in harassment of any form.

Harassment is defined as unwelcomed or unsolicited speech or conduct based upon membership in a protected class including race, gender, creed, religion, national origin, age, color, or handicapping conditions as defined by the American with Disabilities Act that centers on hostile work environment or circumstances involving quid pro quo. Any city employee who believes he or she may have a complaint of harassment should report it to their immediate supervisor or should file a complaint within 30 days of the occurrence directly with Human Resources, the Mayor or Department Head. The Human Resource Director, or applicable counsel, will conduct an investigation into any allegations of harassment. The Human Resource Director, or appropriate counsel, will advise the employee of the outcome of the investigation. The Mayor will take any action deemed necessary to preserve the integrity of the organization and to ensure the efficiency and effectiveness of the town’s operations.

Employees witnessing harassment shall also report such conduct to the appropriate department head, Human Resource Director or Mayor. Retaliation toward any employee exercising their right and duty to address perceived harassment will not be tolerated.

Employees are not only encouraged to report instances of harassment; they are obligated to report them. Employees are also obligated to cooperate in every investigation of harassment.

Disciplinary action may also be taken against any employee who fails to report instances of harassment, or who fails or refuses to cooperate in the investigation of a complaint of harassment, or who files a complaint of harassment in bad faith.

The City maintains a zero tolerance policy toward workplace violence, or the threat of violence, by any of its employees, customers, the general public, and/or anyone who conducts business with the City. The City recognizes that each employee is entitled to a safe and secure work environment that is free from intimidation, threats, or violent acts, and will not tolerate verbal or physical conduct by an employee which harasses, disrupts or interferes with another’s work performance or which creates an intimidating, offensive or hostile environment.

No employee or non-employee shall be allowed to harass any other employee or non-employee by exhibiting behavior including, but not limited to, the following:

- **Verbal harassment.** Verbal threats toward persons or property; the use of vulgar or profane language directed towards others; disparaging or derogatory comments or slurs; offensive flirtations or propositions; verbal intimidation; exaggerated criticism or name-calling; spreading untrue or malicious gossip about others.
- **Physical Harassment.** Any physical assault, such as hitting, pushing, kicking, holding, impeding or blocking the movement of another person.
- **Visual Harassment.** Displaying derogatory or offensive posters, cartoons, publications or drawings.

Charges of violence and harassment may be reported to any supervisory employee of the City, including, but not limited to, the Human Resources Director, the Mayor, and the City Recorder. The Director of Human Resources, or appropriate counsel, is the party designated to investigate any claims of workplace violence.

Upon completion of an investigation, a written report will be presented to the Mayor. If it is determined that the information is correct, immediate and appropriate disciplinary action will be taken against the employee guilty of workplace violence or harassment. The disciplinary action may include mandatory management referral to the Employee Assistance Program (EAP), demotion, suspension, warning, reprimand or termination. A determination of the level of action shall be made on a case-by-case basis. It is in direct violation of this policy to engage in any act of workplace violence or harassment.

Employees who have knowledge of an act of workplace violence or of another employee’s intent to commit an act of violence against a co-worker, supervisor or citizen have an obligation to report such information to their supervisor. Failure to report or refusal to cooperate in an investigation regarding workplace violence or harassment may result in disciplinary action. Any employee who acts in good faith by reporting real or implied violent behavior...
or harassment will not be subject to any form of retaliation or harassment. Any action of this type resulting from a report of violent behavior must be reported to Human Resources for investigation.

Should an employee become a victim of an incident of workplace violence or harassment, Human Resources may offer contact through the Employee Assistance Program (EAP) to assist in coping with any effects of the incident. The City must be informed of individuals who have been ordered legally to stay away from any City employee or City location. Any employee who applies for or obtains a protective or restraining order shall provide in confidence to Human Resources the appropriate information and/or documentation.

7.8. SOCIAL MEDIA

City of Portland departments may utilize social media and social network sites in support of City goals and objectives. To address the fast-changing landscape of the Internet and the way residents communicate and obtain information online, City departments may consider participating in social media formats to reach a broader audience. The City of Portland encourages the use of social media to further the goals of the City and the missions of its departments where appropriate.

The Mayor and Department Heads will approve which social media outlets may be suitable for use by the City and its departments.

The City of Portland’s website will remain the City’s primary and predominant Internet presence.

All official City presences on social media sites or services are considered an extension of the City’s information networks and are governed by the City of Portland policy.

The Mayor and Department Heads will review department requests to use social media sites. In addition, the Mayor and Department Heads may assist in the selecting of appropriate social media outlets, as well as defining a strategy for engagement using social media.

Departments that use social media are responsible for complying with applicable federal, state, and county laws, regulations, and policies, as well as all applicable City policies. This includes adherence to established laws and policies regarding copyright, records retention, the Freedom of Information Act (FOIA), the First Amendment, and privacy laws.

Authorized employees representing the City government via social media outlets must conduct themselves at all times as representatives of the City. Employees that fail to conduct themselves in an appropriate manner shall be subject to the disciplinary action outlined in the City of Portland Personnel Manual and the City of Portland Information Systems Policy and Procedures. Violation may also result in the removal of department pages from social media outlets.

Departmental staff members are responsible for the content and upkeep of any social media pages or sites that a department might create. One contact will be designated by the department and approved by the
SECTION 8 – DISCIPLINARY PROCEDURES

8.1. DISCIPLINARY SYSTEM

Whenever an employee's performance, attitude, work habits, or personal conduct fall below a desirable level, supervisors should inform employees promptly and specifically of such lapses. The steps and order of disciplinary action are listed below. A reasonable period of time for improvement may be allowed first, and if there is no improvement, then disciplinary action should be taken.

The supervisor and/or the Mayor shall offer the employee counsel and assistance through the employee assistance program (EAP) when appropriate for the desired improvement. If justified by the seriousness of the first or subsequent violation, the employee may be required by the Mayor and/or Human Resources Director to participate in the EAP. However, the action to be taken depends on the seriousness of the incident and pattern of past performance and conduct. If it is required and the employee refuses, it shall be deemed as grounds for dismissal.

The types of disciplinary action are:

1. ORAL REPRIMAND - Whenever an employee's performance, attitude, work habits, or personal conduct fall below a desirable level, the supervisor shall inform the employee promptly and specifically of such lapses and shall give him/her counsel and assistance. If appropriate and justified, a reasonable period of time for improvement may be allowed before initiating disciplinary actions. The supervisor will place a copy of the appropriate correction notice, following review with employee, in the employee's file stating the date of the oral reprimand, what was said to the employee, and the employee's response.

   It is recommended that the affected employee sign the oral reprimand to indicate that he/she has seen the document and to acknowledge receipt of the employee's copy. Should the employee refuse to sign the oral reprimand, the supervisor will obtain a witness to sign and date the form and so indicate the employee's refusal to sign.

2. WRITTEN REPRIMAND - In situations where an oral warning has not resulted in the expected improvement or when more severe initial action is warranted, a written reprimand may be sent to the employee, and a copy shall, after review with the employee, be placed in the employee's personnel folder. The supervisor administering the reprimand shall advise the employee that the action is a written reprimand and emphasize the seriousness of the problem; cite previous corrective actions and/or informal discussions relating to the offense; identify the problem and/or explain the offense; inform the employee of the consequences of continued undesirable behavior; detail corrective actions and identify dates by which the corrective actions shall be taken.

   At the conclusion of a conference with the employee, a copy of the written reprimand shall be placed in the employee's personnel folder. It is recommended that the affected employee sign the written reprimand to indicate that he/she has seen the document and to acknowledge receipt of the employee's copy. Should the employee refuse to sign the written reprimand, the supervisor will obtain a witness to sign and date the form and so indicate the employee's refusal to sign.

3. SUSPENSION - An employee may be suspended with or without pay by his/her department head with the approval of the mayor. The suspension will not exceed a total of 30 days in any 12-month period. A written statement of the reason for suspension shall be submitted to the employee affected at least 24 hours prior to the effective date of suspension. This is providing that, during the advance-notice period, the employee may be retained in active-duty status, placed on leave, or suspended with or without pay at the discretion of the mayor. The employee will be granted a hearing before the Mayor upon request. An employee determined to be innocent of the charges shall be returned to duty with full pay for the suspension period. All records associated with a suspension shall become a permanent part of the employee's personnel file. Under certain circumstances, an employee may be suspended without 24-hour notice, if in the best interest of the city and/or public interest or safety issues.

4. DISMISSAL - The mayor may dismiss an employee for reasonable cause, subject to the provisions of the city charter, and that is for the good of the city service. Reasons for dismissal may include, BUT SHALL NOT BE LIMITED TO: misconduct, negligence, incompetence, insubordination, unauthorized absences, falsifying records, or refusing to seek assistance through an EAP when it is required by the Mayor and/or Human Resources Director, or violating any of the charter provisions, ordinances, or these rules.
Examples include: incompetency or inefficiency in performing duties; conviction of a criminal offense or of a malfeasance involving moral turpitude; violating any lawful and reasonable regulation, order, or direction made or given by a superior, or insubordination that constitutes a serious breach of discipline; being intoxicated, drinking any intoxicating beverages, or being under the influence of a drug or narcotic while on duty; theft, destruction, carelessness, or negligence of city property; disgraceful personal conduct or language toward the public, fellow officers, or employees; unauthorized absences or abuse of leave privileges; incapacity to perform the essential functions of a job because of a permanent or chronic physical or mental defect that cannot be reasonably accommodated; accepting any valuable consideration that was given with the expectation of influencing the employee in performing his/her duties; falsifying records or using official position for personal advantage; loss of an employee's driver's license and driving privileges by due process of law when the employee's position makes operating a motor vehicle necessary in performing his/her duties; or violating any of the provisions of the city charter, personnel ordinance, or these rules.

The employee, prior to dismissal action, shall be provided a notice of charges and offered a pre-termination hearing in order to respond to the charges; and for the City to verify the facts related to the potential dismissal. The employee shall be furnished an advance written notice containing the nature of the proposed action, the reasons therefore, and their right to a pre-termination hearing before the Mayor. Requests for pre-termination hearings shall be in writing. When possible, the notice of charges shall be furnished at least one calendar week prior to the proposed effective date of the action. During this period, the employee may be retained on duty status, placed on administrative leave, or suspended with or without pay at the discretion of the Mayor. If the employee fails to respond to the advance notice, the proposed action shall be effective on the date specified with no need for further action.

If the charges presented in the pre-termination hearing are sustained by the Mayor, he may present to the City Council his recommendation for termination. The employee may request in writing a full evidentiary hearing before the City Council within 3 calendar days of being notified in writing of the intent of the Mayor to recommend termination. In this hearing the employee may have representative counsel if they choose, and they or their representative counsel may confront and cross examine witnesses prior to final decision by the City Council.

8.2. MAINTENANCE OF RECORDS

The Human Resources Department is responsible for maintaining a folder for each employee. All records of disciplinary action are to be forwarded within three business days following the action taken. These records include, but are not limited to, original written counseling, notice of charges, and Performance Correction Notices, etc.

Copies of records may be kept at the department level and copies may be given to the employee upon request.
SECTION 9 – MISCELLANEOUS POLICIES

9.1. COMMERCIAL DRIVER LICENSE

All employees required to drive (1) a vehicle with a gross weight of more than 26,000 pounds; (2) a trailer with a gross weight of more than 10,000 pounds; (3) a vehicle designed to transport more than 15 passengers, including the driver; and (4) any size vehicle hauling hazardous waste requiring placards are required to have a Tennessee Commercial Driver's License in accordance with T.C.A. 55-50-101 et seq. Fire truck, police vehicle, and emergency medical vehicle operators are exempt from the CDL requirements.

9.2. EMPLOYEE RIGHT TO CONTACT ELECTED OFFICIALS

No employee shall be disciplined or discriminated against for communicating with an elected official. However an employee may be reprimanded for making untrue allegations concerning any job-related matter (T.C.A. 8-50-601--604).

9.3. VOTING

When elections are held in the state, leave for the purpose of voting, if requested, shall be in accordance with T.C.A. 2-1-106. Any person entitled to vote in an election held in this state may be absent from any service or employment on the day of the election for a reasonable period of time, not to exceed three (3) hours, necessary to vote during the time the polls are open in the county where the person is a resident. A voter who is absent from work to vote in compliance with this section may not be subjected to any penalty or reduction in pay for such absence. If the tour of duty of an employee begins three (3) or more hours after the opening of the polls or ends three (3) or more hours before the closing of the polls of the county where the employee is a resident, the employee may not take time off under this section. The employer may specify the hours during which the employee may be absent. Application for such absence shall be made to the employer before twelve o'clock (12:00) noon of the day before the election.

9.4. POLITICAL ACTIVITY AND THE HATCH ACT

Employees have the same rights as other citizens to be a candidate for state or local political office (except for membership on the municipal governing body) and to participate in political activities by supporting or opposing political parties, political candidates, and petitions to governmental entities. No employee may campaign on municipal time or in municipal uniform nor use municipal equipment or supplies in any campaign or election (T.C.A. 7-51-1501) The ‘Little’ Hatch Act.

The Federal Hatch Act (5 U.S.C. §§ 7321-7326) restricts the political activity of individuals principally employed by state or local executive agencies who work in connection with programs financed in whole or in part by federal loans or grants. The Hatch Act applies to any city employee “whose principal employment is in connection with an activity which is financed in whole or in part by loans or grants made by the United States or a Federal agency…” 5 U.S.C.A. § 1501(4)

Permitted and Prohibited Activities of the Hatch Act:

- May be a candidate for public office in a nonpartisan election
- May campaign for and hold elective office in political clubs and organizations
- May actively campaign for candidates for public office in partisan and nonpartisan elections
- May contribute money to political organizations or attend political fundraising functions
- May participate in any activity not specifically prohibited by law or regulation

- May not be a candidate for public office in a partisan election
- May not use official authority or influence for the purpose of interfering with or affecting the results of an election or a nomination for office
- May not directly or indirectly coerce contributions from subordinates in support of a political party or candidate
An election is partisan if any of the candidates in the election are running as a representative of a political party whose presidential candidate received votes in the preceding election at which Presidential electors were selected.

An employee’s conduct is also subject to the laws of the state and the regulations of the employing agency. Prohibitions of the Hatch Act are not affected by state or local laws.

9.5. NON SMOKER PROTECTION ACT

The City complies with the Non-Smoker Protection Act of 2007 which prohibits smoking in all public places such as buildings, equipment, and City-owned vehicles. All employees who operate City-owned vehicles are prohibited from smoking in the vehicle or piece of equipment. This includes other occupants that may be being transported in the vehicles. Violators of this policy will be subject to disciplinary action.

The following areas will be designated as smoke free: (1) Water Distribution Building Offices, Street/Sanitation Office area inside of the Shop, Gas Shop Office areas inside of building, Mechanic Shop Office area only, Waste Water Treatment Plant entire building, Water Treatment Plant entire building, Parks Department including community center, gymnasium, restrooms (both Richland and Meadowbrook Parks).

9.6. IDENTITY THEFT

The risk to the municipality, its employees and customers for data loss and identity theft is of significant concern to the municipality and can be reduced only through the combined efforts of every employee and contractor. The municipality adopts this sensitive information policy to help protect employees, customers, contractors and the municipality from damages related to the loss or misuse of sensitive information.

Sensitive information includes the following items whether stored in electronic or printed format:

1. Credit card information (including credit card number (in part or whole), credit card expiration date, cardholder name, and cardholder address);
2. Tax identification numbers (including social security number, business identification number, and employer identification number);
3. Payroll information (including paychecks and pay stubs);
4. Cafeteria plan check requests and associated paperwork
5. Medical information for any employee or customer (including doctor names and claims, insurance claims, or any related personal medical information);
6. Other personal information belonging to any customer, employee or contractor (including date of birth, address, phone number, maiden name, names, or customer number);

Municipal personnel are encouraged to use common sense judgment in securing confidential information to the proper extent. If an employee is uncertain of the sensitivity of a particular piece of information, he/she should contact their supervisor. In the event that the municipality cannot resolve a conflict between this policy and the Tennessee Public Records Act, the municipality will contact the Tennessee Office of Open Records.

Each employee and contractor performing work for the municipality will comply with the following Hard Copy Distribution policies:

1. Files cabinets, desk drawers, overhead cabinets, and any other storage space containing documents with sensitive information will be locked when not in use.
2. Storage rooms containing documents with sensitive information and record retention areas will be locked at the end of each workday or when unsupervised.
3. Desks, workstations, work areas, printers and fax machines, and common shared work areas will be cleared of all documents containing sensitive information when not in use.
4. Whiteboards, dry-erase boards, writing tablets, etc… in common shared work areas will be erased, removed or shredded when not in use.
5. When documents containing sensitive information are discarded, they will be placed inside a locked shred bin or immediately shredded using a mechanical cross cut or Department of Defense (DOD) approved shredding devise.
Each employee and contractor performing work for the municipality will comply with the following Electronic Distribution policies;

1. Internally, sensitive information may be transmitted using approved municipal e-mail. All sensitive information must be encrypted when stored in an electronic format.
2. Any sensitive information sent externally must be encrypted and password protected and only to approved recipients. Additionally, a statement such as this should be included in the e-mail:

“This message may contain confidential and/or proprietary information and is intended for the person/entity to whom it was originally addressed. Any use by others is strictly prohibited.”

Staff training shall be conducted for all employees, officials and contractors for whom it is reasonably foreseeable that they may come in contact with accounts or personally identifiable information that may constitute a risk to the municipality or its customers. The City Recorder is responsible for ensuring that identity theft training for all requisite employees and contractors is provided. Employees must receive annual training in all elements of this policy. To ensure maximum effectiveness, employees may continue to receive additional training as changes to the program are made.

9.7. DRESS CODE

Those employees in the Police, Fire, Parks and Public Works Departments are furnished uniforms. These must be worn on the job at all times. All other employees, male and female, should wear clothing suitable to the type of work done and the environment in which they work. Clothes should be neat, clean and in good taste, and should not constitute a safety hazard. Interpretation of this rule will be left to the supervisor of the employee whose attire may be in question.

For female employees, skorts may be permitted if the length is appropriate. No shorts are to be worn by those in an office setting; male or female. No shorts, sneakers, flip-flops, t-shirts, sweat suits, or any other item of casual clothing that, in the opinion of the supervisor are inappropriate for the work environment or disruptive to other employees, will be permitted.

Employees arriving at work dressed inappropriately will be sent home to change, with no pay for the time so spent. Repeated violations of the dress code may result in disciplinary action up to and including termination.

Fridays may be observed as “Casual” day, when neat, clean sneakers, t-shirts, blue jeans and sweat shirts may be worn by office personnel. However, no item of casual clothing will be permitted bearing offensive slogans and/or prints.

9.8. CONFIDENTIALITY

By law, most city records are "public records" subject to T.C.A. 10-7-501 – 515, and may be viewed by those who request to do so. However, some records are not public and there are issues dealt with on a daily basis within the city that employees are not at liberty to speak freely of. Information obtained in your capacity with the city should not be the object of open conversation, nor should this information be taken outside the workplace. Any employee who practices such may be subject to disciplinary action up to and including termination.
10.1. AMENDMENTS

Amendments or revisions of these rules may be recommended for adoption to City Council by the Mayor. Such amendments or revisions of these rules shall become effective after approval by Ordinance of the City Council.

10.2. SPECIAL NOTE

These personnel policies are believed to be written within the framework of the Charter of the City of Portland but in case of conflict, the Charter takes precedence.
SECTION 11 – EFFECTIVE DATE

This Ordinance takes effect upon its passage and supersedes any personnel policy, Resolution, or Ordinance previously adopted.

TITLE 4 – MUNICIPAL PERSONNEL
CHAPTER 8 – CODE OF ETHICS

SECTION
4-801. Applicability.
4-802. Definition of "personal interest."
4-803. Disclosure of personal interest by official with vote.
4-804. Disclosure of personal interest in non-voting matters.
4-805. Acceptance of gratuities, etc.
4-806. Use of information.
4-807. Use of municipal time, facilities, etc.
4-808. Use of position or authority.
4-809. Outside employment.
4-810. Ethics complaints.
4-811. Violations.

4-801. Applicability. This chapter is the code of ethics for personnel of the City of Portland. It applies to all full-time and part-time elected or appointed officials and employees, whether compensated or not, including those of any separate board, commission, committee, authority, corporation, or other instrumentality appointed or created by the city. The words "municipal" and "city" or "City of Portland" includes these separate entities.

4-802. Definition of "personal interest." (1) For purposes of §§ 4-803 and 4-804, "personal interest" means: Masculine pronouns include the feminine. Only masculine pronouns have been used for convenience and readability.

(a) Any financial, ownership, or employment interest in the subject of a vote by a municipal board not otherwise regulated by state statutes on conflicts of interests; or
(b) Any financial, ownership, or employment interest in a matter to be regulated or supervised; or
(c) Any such financial, ownership, or employment interest of the official's or employee's spouse, parent(s), step parent(s), grandparent(s), sibling(s), child(ren), or step child(ren).

(2) The words "employment interest" include a situation in which an official or employee or a designated family member is negotiating possible employment with a person or organization that is the subject of the vote or that is to be regulated or supervised.

(3) In any situation in which a personal interest is also a conflict of interest under state law, the provisions of the state law take precedence over the provisions of this chapter.

4-803. Disclosure of personal interest by official with vote. An official with the responsibility to vote on a measure shall disclose during the meeting at which the vote takes place, before the vote and so it appears in the minutes, any personal interest that affects or that would lead a reasonable person to infer that it affects the official's vote on the measure. In addition, the official may recuse himself from voting on the measure.

4-804. Disclosure of personal interest in non-voting matters. An official or employee who must exercise discretion relative to any matter, other than casting a vote, and who has a personal interest in the matter that affects or that would lead a reasonable person to infer that it affects the exercise of the discretion shall disclose, before the exercise of the discretion when possible, the interest on a form provided by and filed with the recorder. In addition, the official or employee may, to the extent allowed by law, charter, ordinance, or policy, recuse himself from the exercise of discretion in the matter.

4-805. Acceptance of gratuities, etc. An official or employee may not accept, directly or indirectly, any money, gift, gratuity, or other consideration or favor of any kind from anyone other than the city:

(1) For the performance of an act, or refraining from performance of an act, that he would be expected to perform, or refrain from performing, in the regular course of his duties; or
(2) That might reasonably be interpreted as an attempt to influence his action, or reward him for past action, in executing municipal business.

4-806. Use of information. (1) An official or employee may not disclose any information obtained in his official capacity or position of employment that is made confidential under state or federal law except as authorized by law.

(2) An official or employee may not use or disclose information obtained in his official capacity or position of employment with the intent to result in financial gain for himself or any other person or entity.

4-807. Use of municipal time. facilities. etc. (1) An official or employee may not use or authorize the use of municipal time, facilities, equipment, or supplies for private gain or advantage to himself.

(2) An official or employee may not use or authorize the use of municipal time, facilities, equipment, or supplies for private gain or advantage to any private person or entity, except as authorized by legitimate contract or lease that is determined by the city council to be in the best interests of the city.

4-808. Use of position or authority. (1) An official or employee may not make or attempt to make private purchases, for cash or otherwise, in the name of the city.

(2) An official or employee may not use or attempt to use his position to secure any privilege or exemption for himself or others that is not authorized by the charter, general law, or ordinance or policy of the city.

4-809. Outside employment. A full-time employee of the city may not accept any outside employment without written authorization from the mayor.

4-810. Ethics complaints. (1) The city attorney is designated as the ethics officer of the city. Upon the written request of an official or employee potentially affected by a provision of this chapter, the city attorney may render an oral or written advisory ethics opinion based upon this chapter and other applicable law.

(2) (a) Except as otherwise provided in this subsection, the city attorney shall investigate any credible complaint against an appointed official or employee charging any violation of this chapter, or may undertake an investigation on his own initiative when he acquires information indicating a possible violation, and make recommendations for action to end or seek retribution for any activity that, in the attorney's judgment, constitutes a violation of this code of ethics.

(b) The city attorney may request the city council to hire another attorney, individual, or entity to act as ethics officer when he has or will have a conflict of interests in a particular matter.

(c) When a complaint of a violation of any provision of this chapter is lodged against a member of the city council, the city council shall either determine that the complaint has merit, determine that the complaint does not have merit, or determine that the complaint has sufficient merit to warrant further investigation. If the city council determines that a complaint warrants further investigation, it shall authorize an investigation by the city attorney or another individual or entity chosen by the city council.

(3) The interpretation that a reasonable person in the circumstances would apply shall be used in interpreting and enforcing this code of ethics.

(4) When a violation of this code of ethics also constitutes a violation of a personnel policy, rule, or regulation or a civil service policy, rule, or regulation, the violation shall be dealt with as a violation of the personnel or civil service provisions rather than as a violation of this code of ethics.

4-811. Violations. An elected official or appointed member of a separate municipal board, commission, committee, authority, corporation, or other instrumentality who violates any provision of this chapter is subject to punishment as provided by the municipality's charter or other applicable law, and in addition is subject to censure by the city council. An appointed official or an employee who violates any provision of this chapter is subject to disciplinary action.

ORDINANCE NO. 577

AN ORDINANCE ADOPTING AND ENACTING A CODIFICATION AND REVISION OF THE ORDINANCES OF THE CITY OF PORTLAND TENNESSEE.

WHEREAS some of the ordinances of the City of Portland are obsolete, and

WHEREAS some of the other ordinances of the city are inconsistent with each other or are otherwise inadequate, and

WHEREAS the City Council of the City of Portland, Tennessee, has caused its ordinances of a general, continuing, and permanent application or of a penal nature to be codified and revised and the same are embodied in a code of ordinances known as the "Portland Municipal Code," now, therefore:

BE IT ORDAINED BY THE CITY OF PORTLAND, TENNESSEE, THAT:

Section 1. Ordinances codified. The ordinances of the city of a general, continuing, and permanent application or of a penal nature, as codified and revised in the following "titles," namely "titles" 1 to 20, both inclusive, are ordained and adopted as the "Portland Municipal Code," hereinafter referred to as the "municipal code."

Section 2. Ordinances repealed. All ordinances of a general, continuing, and permanent application or of a penal nature not contained in the municipal code are hereby repealed from and after the effective date of said code, except as hereinafter provided in Section 3 below.

Section 3. Ordinances saved from repeal. The repeal provided for in Section 2 of this ordinance shall not affect: Any offense or act committed or done, or any penalty or forfeiture incurred, or any contract or right established or accruing before the effective date of the municipal code; any ordinance or resolution promising or requiring the payment of money by or to the city or authorizing the issuance of any bonds or other evidence of said city's indebtedness; any appropriation ordinance or ordinance providing for the levy of taxes or any budget ordinance; any contract or obligation assumed by or in favor of said city; any ordinance establishing a social security system or providing coverage under that system; any administrative ordinances or resolutions not in conflict or inconsistent with the provisions of such code; the portion of any ordinance not in conflict with such code which regulates speed,
direction of travel, passing, stopping, yielding, standing, or parking on any specifically named public street or way; any right or franchise granted by the city; any ordinance dedicating, naming, establishing, locating, relocating, opening, paving, widening, vacating, etc., any street or public way; any ordinance establishing and prescribing the grade of any street; any ordinance providing for local improvements and special assessments therefor; any ordinance dedicating or accepting any plat or subdivision; any prosecution, suit, or other proceeding pending or any judgment rendered on or prior to the effective date of said code; any zoning ordinance or amendment thereto or amendment to the zoning map; nor shall such repeal affect any ordinance annexing territory to the city.

Section 4. Continuation of existing provisions. Insofar as the provisions of the municipal code are the same as those of ordinances existing and in force on its effective date, said provisions shall be considered to be continuations thereof and not as new enactments.

Section 5. Penalty clause. Unless otherwise specified in a title, chapter or section of the municipal code, including the codes and ordinances adopted by reference, whenever in the municipal code any act is prohibited or is made or declared to be a civil offense, or whenever in the municipal code the doing of any act is required or the failure to do any act is declared to be a civil offense, the violation of any such provision of the municipal code shall be punished by a civil penalty of not more than five hundred dollars ($500.00) and costs for each separate violation; provided, however, that the imposition of a civil penalty under the provisions of this municipal code shall not prevent the revocation of any permit or license or the taking of other punitive or remedial action where called for or permitted under the provisions of the municipal code or other applicable law. In any place in the municipal code the term "it shall be a misdemeanor" or "it shall be an offense" or "it shall be unlawful" or similar terms appears in the context of a penalty provision of this municipal code, it shall mean "it shall be a civil offense." Anytime the word "fine" or similar term appears in the context of a penalty provision of this municipal code, it shall mean "a civil penalty."

When a civil penalty is imposed on any person for violating any provision of the municipal code and such person defaults on payment of such penalty, he may be required to perform hard labor, within or without the workhouse, to the extent that his physical condition shall permit, until such

civil penalty is discharged by payment, or until such person, being credited
with such sum as may be prescribed for each day's hard labor, has fully
discharged said penalty.

Each day any violation of the municipal code continues shall constitute
a separate civil offense.

Section 6. Severability clause. Each section, subsection, paragraph,
sentence, and clause of the municipal code, including the codes and ordinances
adopted by reference, is hereby declared to be separable and severable. The
invalidity of any section, subsection, paragraph, sentence, or clause in the
municipal code shall not affect the validity of any other portion of said code,
and only any portion declared to be invalid by a court of competent jurisdiction
shall be deleted therefrom.

Section 7. Reproduction and amendment of code. The municipal
code shall be reproduced in loose-leaf form. The city council, by motion or
resolution, shall fix, and change from time to time as considered necessary, the
prices to be charged for copies of the municipal code and revisions thereto.
After adoption of the municipal code, each ordinance affecting the code shall
be adopted as amending, adding, or deleting, by numbers, specific chapters or
sections of said code. Periodically thereafter all affected pages of the municipal
code shall be revised to reflect such amended, added, or deleted material and
shall be distributed to city officers and employees having copies of said code
and to other persons who have requested and paid for current revisions. Notes
shall be inserted at the end of amended or new sections, referring to the
numbers of ordinances making the amendments or adding the new provisions,
and such references shall be cumulative if a section is amended more than
once in order that the current copy of the municipal code will contain
references to all ordinances responsible for current provisions. One copy of the
municipal code as originally adopted and one copy of each amending ordinance
thereafter adopted shall be furnished to the Municipal Technical Advisory
Service immediately upon final passage and adoption.

Section 8. Construction of conflicting provisions. Where any
provision of the municipal code is in conflict with any other provision in said
code, the provision which establishes the higher standard for the promotion
and protection of the public health, safety, and welfare shall prevail.

Section 9. Code available for public use. A copy of the municipal
code shall be kept available in the recorder's office for public use and
inspection at all reasonable times.
Section 10. Date of effect. This ordinance shall take effect from and after its final passage, the public welfare requiring it, and the municipal code, including all the codes and ordinances therein adopted by reference, shall be effective on and after that date.
