## CHAPTER 2

### EXCAVATIONS AND CUTS

#### SECTION

- 16-201. Notification required.
- 16-202. Safety restrictions on excavations.
- 16-203. Restoration of streets, etc.
- 16-204. Driveways.

**16-201. Notification required.** It shall be unlawful for any person, firm, corporation, association, or others, including utility districts to make any excavation in any street, alley, or public place, or to tunnel under any street, alley, or public place without having first notified the town recorder provided, however, any person maintaining pipes, lines, or other underground facilities in or under the surface of any street may proceed with an opening without such notification when emergency circumstances demand the work to be done immediately and notification cannot reasonably and practicably be given. The person shall thereafter give notification on the first regular business day on which the office of the town recorder is open for business. (1993 Code, § 12-201)

**16-202. Safety restrictions on excavations.** Any person, firm, corporation, association, or others making any excavation or tunnel shall provide sufficient and proper barricades and lights to protect persons and property from injury by or because of the excavation being made. If any sidewalk is blocked by any such work, a temporary sidewalk shall be constructed and provided which shall be safe for travel and convenient for users. (1993 Code, § 12-202)

**16-203. Restoration of streets, etc.** Any person, firm, corporation, association, or others making any excavation or tunnel in or under any street, alley, or public place in this town shall restore the street, alley, or public place to its original condition. In case of unreasonable delay in restoring the street, alley, or public place, the town recorder shall give notice to the person, firm, corporation, association, or others that unless the excavation or tunnel is refilled properly within a specified reasonable period of time, the town will do the work and charge the expense of doing the same to such person, firm, corporation, association, or others. If within the specified time the conditions of the above notice have not been complied with, the work shall be done by the town, an accurate account of the expense involved shall be kept, and the total cost shall be charged to the person, firm, corporation, association, or others who made the excavation or tunnel. (1993 Code, § 12-203)

**16-204. Driveways.** No one shall build or maintain a driveway that intersects with a town street, alley, or other public place without first notifying the public works director. No driveway approach shall be permitted within twenty-five feet (25') of the right-of-way of the intersecting street, and no more than one (1) driveway approach shall be permitted per lot when the lot is seventy-five feet (75') or less in width fronting on any street. All new constructions or replacement of driveway drainage culverts shall have minimum dimensions of fifteen inches (15") in diameter for metal corrugated pipe or twelve inches (12") in diameter for concrete pipe, and twenty feet (20') in length, unless the public works director determines that larger dimensions are necessary for the adequate flow of storm water, and shall be constructed in a manner not to impede adequate drainage along the road right-of-way. (1993 Code, § 12-204)
