**10-202. Registration of animals.** (1) All residents owning, keeping, or harboring any animal over three (3) months of age shall pay to the city a yearly registration fee of three dollars (\$3.00) for each spayed or neutered dog or cat and four dollars (\$4.00) for each unspayed or unaltered dog or cat owned, kept or harbored.

In case a registration tag is lost or destroyed, a duplicate will be issued upon presentation of a receipt showing the payment of a fee of one dollar (\$1.00) for such duplicate.

These fees shall be annual fees and shall be as follows:

The owner of an impounded animal wearing a valid city tag shall be notified to appear within seven (7) days from the date of notice to the owner, to redeem the animal by payment of the required fees. Untagged, unregistered animals shall be held for a period of three (3) days.

Any animal not claimed within the times provided may be either destroyed or sold.

The impoundment of an animal under this section shall not relieve the owner thereof from prosecution for permitting such animal to run at large in violation of § 10-204.

In addition to, or in lieu of, apprehending and impounding an animal found at large, the animal control officer, upon determining the owner, may return the animal to the owner and issue a summons requiring the owner to appear in city court for determination of whether or not there has been a violation within the meaning of § 10-204. (Ord. #549, April 1992)

**10-207. Impounding and other fees in connection with animal shelter.** (1) The city is directed to establish fees for the apprehension of any animals running at large, for the impoundment of animals at the City Animal Shelter, and for the redemption of animals impounded under the provisions of this chapter. The city may set different fees for different sizes, sexes and kinds of animals and different fees for registered and unregistered animals. Such fees, in all events, shall be sufficient for the city to recover its costs incurred in the administration of this chapter. (Ord. #549, April 1992)

**10-208. Authority to kill animals running at large.** Notwithstanding the provisions of § 10-206, if any animal found at large in violation of this chapter cannot be safely taken up and impounded, such animal may be slain by any police officer. (Ord. #549, April 1992)

Any person convicted of a violation of this section shall be punished by a fine of not less than ten dollars (\$10.00) or more than fifty dollars (\$50.00), or confinement in the city jail not to exceed ten (10) days, or both such fine and imprisonment. (Ord. #549, April 1992)

**10-212. Citation procedure for violations of chapter.** (1) Whenever an animal control officer determines there has been a violation of any of the provisions of this chapter, in lieu of obtaining a warrant for arrest of the offender, the animal control officer may prepare written notices containing the name and address of such person, the offense charged, and the time when such person shall appear in city court. The time specified for appearance shall not be less than five (5) days from the date of issuance to appear, unless the person cited agrees to a shorter period.

(2) The cited person shall sign one copy of the notice to appear. Signing of the notice to appear shall constitute the cited person's promise to appear on the date specified in the notice. One copy of the notice to appear shall be delivered to the cited person.

(3) Nothing in this section shall be construed as conflicting with § 10-213. (Ord. #549, April 1992)

**10-213. Failure to obey animal control citation.** No person shall violate his written promise to appear given to an animal control officer upon the issuance of a citation, provided for in § 10-212, regardless of the disposition of the charge for which such citation was originally issued. Any person convicted of violating this section shall be subject to a fine not to exceed fifty dollars (\$50.00) and/or imprisonment in the city jail not to exceed ninety (90) days. (Ord. #549, April 1992)

**10-214. Acceptance of guilty pleas and fines for animal control violations.** (1) The city court clerk is hereby authorized to accept pleas of guilty for violations of this chapter, to accept designated fines in connection with such pleas, issue receipts therefor, and appear for such person in court for the purpose of entering pleas of guilty, all in accordance with such procedures as may be established by the judge of the city court. Such fines shall be accepted upon the entry of any plea of guilty before the court clerk. The amount of such

fine to be accepted shall be so designated by rule of court promulgated by the judge of the city court; provided that no such fine may be accepted for a sum less than the minimum fine imposed by any section of this chapter for such offense. Any person given a citation for a violation of any provision of this chapter may post the fine appropriate thereto, and notify the clerk of the city court that he will appear for trial in which case the matter may be entered on the docket for trial.

(2) There shall be no cost assessed in cases in which a plea of guilty is entered under this section. (Ord. #549, April 1992)

**10-215. Vaccination of animals.** It shall be unlawful for any person to own, keep or harbor any animal which has not been vaccinated against rabies as required by Tennessee Code Annotated, title 68, chapter 8, or by the rules and regulations established in accordance with Tennessee Code Annotated, § 68-8-105. Evidence of such vaccination shall consist of a certificate bearing the owner's name and address, number of the vaccination tag issued, date of vaccination, date the animal shall be revaccinated, description, name, if any, age and sex of the animal vaccinated, type and lot number of the vaccine administered and the signature of the person administering the vaccine. The certificate shall be prepared in triplicate, the original to be given to the owner, first copy filed in the office of the health and welfare department, and second copy retained by the person administering the vaccine. All vaccinations shall be administered by or under the supervision of a veterinarian licensed by the State Board of Veterinary Medical Examiners to practice veterinary medicine in the State of Tennessee, or by other persons qualified under state law for this purpose. (Ord. #549, April 1992)

**10-216. Quarantine of animal inflicting bite, suspected of biting, or suspected of being rabid.** When any animal capable of being infected with rabies has bitten any person, is suspected of having bitten any person, or is suspected of being infected with rabies, the city shall cause such dog or other animal to be quarantined for such time as he may deem necessary, but not for less than ten (10) days from the day the person was bitten. No such animal shall be killed or destroyed or removed from the city, except upon authorization of the city or his duly authorized representative. Only dogs and other animals which appear well shall be released from quarantine or impoundment. No person shall hide, kill, conceal or aid or assist in hiding, killing or concealing any such animal defined in this section or shall conceal or permit the same to be removed from the city for the purpose of preventing its quarantine as provided herein. (Ord. #549, April 1992)
