(Ord. #03-03, Feb. 2003, modified)

**8-211. Beer business lawful but subject to regulation.** It shall hereafter be lawful to transport, store, sell, distribute, possess, receive, and/or manufacture beer within the corporate limits of the Town of Smyrna, subject to all regulations, limitations, and restrictions provided by Tennessee Code Annotated, title 57, chapter 5, or other laws of the state and subject to the rules, regulations, limitations, and restrictions subsequently provided herein. (Ord. #03-03, Feb. 2003)

**8-212. Permit required for engaging in beer business.** It shall be unlawful for any person, firm, corporation, including a municipal corporation or any subdivision thereof, joint-stock company, syndicate or association to sell, store for sale, distribute for sale, or manufacture beer without first making application to and obtaining a permit from the beer board. Each applicant must be a person of good moral character and he must certify that he has read and is familiar with the provisions of this chapter. (Ord. #03-03, Feb. 2003, modified)

**8-213. Beer permits shall be restrictive.** All beer permits shall be restrictive as to the type of beer business authorized under them. Separate permits shall be required for selling at retail, storing, distributing, and manufacturing. Beer permits for the retail sale of beer may be further restricted by the beer board so as to authorize sales only for off-premises consumption. It shall be unlawful for any beer permit holder to engage in any type or phase of the beer business not expressly authorized by such holder's permit. It shall likewise be unlawful for any such beer permit holder not to comply with any and all express restrictions or conditions which may be written into such holder's permit by the beer board.

Any person or entity holding a permit for both on-premises consumption and off-premises consumption, as well as any person or entity holding a permit effective for more than one restaurant or business within the same building, shall be notified of the change in the ordinance by the town clerk within ten (10) days after the effective date of the ordinance comprising this section and affected permittees must obtain new permits in accordance with the revised beer ordinance within one hundred twenty (120) days. (Ord. #03-03, Feb. 2003, modified)

**8-214. Permits for certain premises prohibited.** (1) No permit shall be issued to sell beer or other beverage coming within the provisions of this chapter in violation of any provision of state law, or where such sale will cause congestion of traffic or will interfere with schools, churches, or other places of public gathering, or will otherwise interfere with the public health, safety, or morals. In no event will a permit be issued authorizing the manufacture, storage or sale of beer within three hundred (300) feet of any school, church, funeral home, hospital, licensed day care facility, or other place of public gathering. For purposes of this section, distances shall be measured in a straight line from the closest point of the applicant's building to the closest point of the building of the school, church, funeral home, hospital, licensed day care facility, or other place of public gathering; provided, however, that if the applicant leases space in a shopping center or strip mall, the distance shall be measured in a straight line from the closest point of the nearest interior wall of the applicant's leased space to the closest point of the building of the school, church, funeral home, hospital, licensed day care facility, or other place of public gathering. The judgment of the beer board on such matters shall be final except as same is subject to court review.

(2) No permit shall be suspended, revoked or denied on the basis of proximity of the establishment to a school, church, or other place of public gathering if a valid permit had been issued to any business on that same location as of January 1, 1993, unless beer is not sold, distributed or manufactured at that location during any continuous six-month period after January 1, 1993.

(3) No permit shall be issued to sell any beverage coming within the provisions of this chapter for consumption on the premises where the primary or principal business carried on is the sale of groceries, drugs, candies, soda, fountain drinks, merchandise, or commodities, other than the serving of meals and lunches; provided, nothing in this section shall prevent sale or consumption in dining rooms and lunch rooms of stores where such rooms are separate and distinct from other departments.

(4) Notwithstanding anything herein to the contrary, the three hundred (300) foot minimum distance requirement contained in subsection (a) of this section shall not apply with respect to any school, church, funeral home, hospital, licensed day care facility, or other place of public gathering that is located in a shopping center or strip mall.

(5) Any permit holder possessing a valid permit to sell beer on the effective date of the ordinance comprising this chapter, may continue to possess such permit and after the effective date of this chapter notwithstanding the fact that such permit holder's location does not comply with the distance regulations set forth in this section, provided, that such permit remains in compliance with the other provisions of this chapter. In accordance with § 8-217 of this chapter, any such permit shall expire on termination of the business, change in ownership, relocation of the business or change of the business's name. Any new applicant for permit related to the same location must comply with the distance regulations set forth in this section. (Ord. #04-40, Nov. 2004, modified)

**8-215. Application for and issuance or refusal of permit.** Before any permit is issued by the beer board, the applicant therefor shall file with the secretary a sworn application in writing establishing the following facts which are hereby made conditions of any permit issued and any misstatement of fact shall be sufficient for cause for the revocation of such permit:

(1) The applicant shall be a citizen of the United States or a legal resident alien, or if a firm, syndicate, association or other business entity, the members thereof holding an interest greater than forty nine percent (49%) shall be citizens or legal resident aliens of the United States, and no applicant shall be less than twenty-one (21) years of age. The applicant shall designate the location of the premises where the business will be conducted and shall name the owner or owners (including members, shareholders, officers and/or managers) of the premises.

(2) No person shall be employed in the storage, sale, or manufacture of such beverage except citizens of the United States or legal resident aliens.

(3) The applicant shall not engage in the sale of such beverages except at the place or places for which the beer board has issued a permit or permits to said applicant.

(4) No sale of such beverage shall be made except in accordance with the following conditions:

(a) If the application is for a permit to sell for consumption on the premises, said applicant will make no sale except where meals or lunches are regularly served at tables or counters under a regular permit.

(b) If the application is for a permit to sell at hotels, sales for consumption on the premises will be made only at tables and to persons in guest rooms.

(c) If the application is for a permit in a club or lodge, such applicant must be a regularly incorporated club or lodge operating under a charter and bylaws in which the officers are elected by the regular membership. Members of said organization must pay a substantial membership or initiation fee. The purpose of organization and existence of said club shall be for purposes other than the sale of beverages covered by this chapter.

(d) If the application is for a permit to sell not for consumption on the premises, no sale will be made for consumption on the premises. Furthermore, no consumption shall be allowed on the premises. No such beverage will be kept for sale on said premises except in the original packages or containers.

(5) No sale shall be made to persons under twenty one (21) years of age.

(6) Neither the applicant, nor any person employed by him in the sale, storage, or distribution of beer, nor any person, firm, corporation, joint-stock company, syndicate, or association having at least five percent (5%) ownership interest in the applicant, has been convicted of any violation of the laws against possession, sale, manufacture or transportation of beer or other alcoholic beverages, or any crime involving moral turpitude or any conviction for a crime violating a drug or alcohol law or a crime involving physical violence, within the last ten (10) years. If an applicant has a disqualifying criminal cause pending against him at the time of application for a beer permit, then the board may require that the applicant report to the town clerk within thirty (30) days of resolution of the pending criminal matter, the final outcome of the matter, which outcome or resolution may cause the applicant's beer permit to be placed on the beer board agenda for consideration of suspension or revocation in accordance with § 8-223. Failure to timely report in accordance with this provision shall be considered by the board in its deliberations.

(7) The applicant shall conduct the business in person for himself. If the applicant is acting as agent, the application shall state the person for whom the applicant intends to act.

(8) The applicant shall comply with the by-laws and rules of procedure of the Smyrna Beer Board.

The applicant shall not purchase beer except from manufacturers or distributors licensed to manufacture or distribute such beverage in this state. No manufacturer or distributor shall sell beer for resale except to those who have been licensed by the beer board.

The beer board shall consider each application filed and grant or refuse the permit according to its best judgment of the facts and circumstances. Revocation of a beer permit at one location shall not be the sole disqualifying factor in considering the issuance of beer permits at other locations. The action of the beer board in granting or refusing a permit shall be final except as same is subject to court review.

Any applicant making a false statement in the application shall forfeit such applicant's permit and shall not be eligible to receive any permit for a period of ten (10) years. (Ord. #03-03, Feb. 2003, modified)

**8-216. Filing, investigation of, and action on applications.**

Applications for permits shall be filed with the secretary, who shall make an investigation. The police department and the codes enforcement and inspection division shall assist in the investigation. Upon completion of said investigation, the secretary shall submit the application to the beer board at its next meeting. The beer board shall consider the application and shall endorse its action thereon. If approved, the secretary shall issue a permit. (Ord. #03-03, Feb. 2003)

**8-217. Permits not transferable.** (1) A permit shall be valid only for the owner to whom the permit is issued and cannot be transferred to another owner. If the owner is a corporation, a change of ownership will occur when control of at least fifty percent (50%) of the stock of the corporation is transferred to a new owner. In addition, a permit shall be valid only for a business operating under the name identified in the permit application.

(2) Except as provided in § 8-213, a permit is valid only for a single location and cannot be transferred to another location. A permit shall be valid for all decks, patios, and other outdoor serving areas that are contiguous to the exterior of the building in which the business is located and that are operated by the business; provided, however, that if a deck or patio is added subsequent to the initial permitting process, it must comply with all applicable distance requirements in this code.

(3) A permit holder must return such holder's permit to the Town of Smyrna within fifteen (15) days of termination of the business, change in ownership, relocation of the business or change of the business's name; provided, that notwithstanding the failure to return a beer permit, a permit shall expire on termination of the business, change in ownership, relocation of the business or change of the business's name. (Ord. #03-03, Feb. 2003)

**8-218. Permits may be issued to hotels, clubs, and lodges.** A permit may be issued for the sale of any beverage coming within the provisions of this chapter in hotels, clubs, or lodges, subject to all the limitations and restrictions contained in Tennessee Code Annotated, title 57, chapter 5, and subject to the limitations and restrictions provided by this chapter. (Ord. #03-03, Feb. 2003)

**8-219. Permit to be posted.** The permit required by this chapter shall be posted in a conspicuous place on the premises by the permit holder, together with all other permits, licenses and stamps as required by law. (Ord. #03-03, Feb. 2003)

**8-220. Privilege tax.** There is hereby imposed on the business of selling, distributing, storing or manufacturing beer an annual privilege tax as set forth in Tennessee Code Annotated, § 57-5-104(b)(1). Any person, firm, corporation, joint-stock company, syndicate or association engaged in the sale, distribution, storage or manufacture of beer shall remit the tax on January 1 of each year to the Town of Smyrna, Tennessee. At the time a new permit is issued to any business subject to this tax, the permit holder shall be required to pay the privilege tax on a prorated basis for each month or portion thereof remaining until the next tax payment date. The Town of Smyrna shall mail written notice to each permit holder of the payment date of the annual tax at least thirty (30) days prior to January 1. Notice shall be mailed to the address specified by the permit holder on its permit application. If a permit holder does not pay the tax by January 31 or within thirty (30) days after the written notice of the tax is mailed, whichever is later, then the Town of Smyrna shall notify the permit holder by certified mail that the tax payment is past due. If a permit holder does not pay the tax within ten (10) days after receiving notice of its delinquency by certified mail, then the beer board may suspend or revoke the permit or impose a civil penalty pursuant to § 8-223. (Ord. #03-03, Feb. 2003, modified)

**8-221. Sales and consumption prohibited during certain hours.** No sale, disposition, use or consumption of any beverage coming within the provisions of this chapter shall be made within the hours of 3:00 A.M. and 6:00 A.M. Nor shall any permit holder give away or otherwise dispense any beverage coming within the provisions of this chapter to any person during the hours prohibited in the immediately preceding sentence. (Ord. #03-03, Feb. 2003)

**8-222. Prohibited conduct or activities by beer permit holders.** It shall be unlawful for any beer permit holder to:

(1) Be convicted of any violation of the laws against possession, sale, manufacture or transportation of beer or other alcoholic beverages, any crime involving moral turpitude or any conviction for a crime violating a drug or alcohol law or a crime involving physical violence, within the last ten (10) years. If a permit holder shall become convicted of an aforementioned crime, then he shall have the duty to report said conviction to the town clerk within ten (10) days of such conviction, which conviction may cause the permit holder's beer permit to be placed on the beer board agenda for consideration of suspension or revocation in accordance with § 8-223. Failure to timely report in accordance with this provision shall be considered by the board in its deliberations;

(2) Employ any person convicted of any violation of the laws against possession, sale, manufacture or transportation of beer or other alcoholic beverages, any crime involving moral turpitude, or any conviction for a crime violating a drug or alcohol law or a crime involving physical violence, within the last ten (10) years. If a permit holder shall employ any person who becomes convicted of an aforementioned crime, then he shall have the duty to report said conviction to the town clerk within ten (10) days of such conviction, which conviction may cause the permit holder's beer permit to be placed on the beer board agenda for consideration of suspension or revocation in accordance with § 8-223. Failure to timely report in accordance with this provision shall be considered by the board in its deliberations.

(3) Employ any minor under eighteen (18) years of age in the sale, storage, distribution or manufacture of beer, except as permitted under state law;

(4) Make or allow any sale of beer to a person under twenty-one (21) years of age;

(9) Allow any beverages of alcoholic content greater than five (5) percent by weight to be brought into such permit holder's premises for consumption therein unless such permit holder also has a license to sell liquor by the drink;

(10) Distribute or sell beverages in bottles or other containers unless such containers shall bear a label or cap showing the name of the manufacturer thereof;

(11) Allow any loud, unusual or obnoxious noises to emanate from such permit holder's premises;

(12) Allow such permit holder's place of business to become a public nuisance or a nuisance to law enforcing agencies of the Town of Smyrna or Rutherford County, or create a nuisance or materially contribute to creating or maintaining a public nuisance;

(13) Operate a disorderly place of business or permit or allow fighting or boisterous or disorderly conduct on the premises; or

(14) Allow or engage in any criminal activity on the premises. (Ord. #04-40, Nov. 2004, modified)

**8-223. Suspension or revocation of permit; civil penalty.** (1) The beer board shall have the power to revoke or suspend any permit for any

violation of any provision of this chapter. Whenever it shall be brought to the attention of the beer board that any declaration of fact contained in the application is false, or that there has been any violation of any provision or state or federal law regulating the sale, storage or transportation of alcoholic beverages or any statute of the State of Tennessee regulating beer or other alcoholic beverages, or that there has been any violation of any provision of this chapter, expressly including the prohibited acts herein, or that the limitations and conditions of the permit have been violated, or that the permit holder fails to file a report or pay any tax or license fee required, the beer board may revoke or suspend such permit. No permit shall be revoked or suspended until a public hearing is held by the beer board after reasonable notice is given to the public and to all known parties in interest. Revocation proceedings may be initiated by the chief of police or by any member of the beer board.

(2) Notwithstanding any other provision herein, pursuant to Tennessee Code Annotated, §57-5-608, the beer board shall not revoke or suspend the permit for off-premises sale of beer of a "responsible vendor" qualified under the requirements of Tennessee Code Annotated, §57-5-606 for a clerk's illegal sale of beer to a minor if the clerk is properly certified and has attended annual meetings since the clerk's original certification and/or is otherwise in compliance with the Tennessee Responsible Vendor Act, unless the vendor's status as a certified responsible vendor has been revoked by the alcoholic beverage commission. The beer board may permanently revoke or suspend the beer permit of a responsible vendor when the permit holder has at least two (2) violations for the sale of beer to a minor within a twelve (12) month time period.

If the responsible vendor's certification has been revoked, the vendor shall be punished by the beer board as if the vendor were not certified as a responsible vendor.

"Responsible vendor" shall mean a person, corporation or other entity that has been issued a permit to sell beer for off-premises consumption and has received certification by the Tennessee Alcoholic Beverage Commission under the Tennessee Responsible Vendor Act of 2006, Tennessee Code Annotated, §57-5-601, et seq. "Clerk" shall mean any person working in a capacity to sell beer directly to consumers for off-premises consumption.

Pursuant to Tennessee Code Annotated, §57-5-608, the alcoholic beverage commission shall revoke a vendor's status as a responsible vendor upon notification by the beer board that the board has made a final determination that the vendor has sold beer to a minor for the second time in a consecutive twelve-month period. The revocation shall be for three (3) years.

It is the duty of the permittee to advise the beer board of participation and provide proof thereof, in the responsible vendor program at the time of the hearing.

Upon determination that a sale to a minor has been made by the beer board, the beer board shall report the sale to the alcoholic beverage commission

within fifteen (15) days of the determination of the sale. Additionally, if the beer board determines that a clerk of an off-premises beer permit holder certified under Tennessee Code Annotated, §57-5-606, sold beer to a minor, the beer board shall report the name of the clerk to the alcoholic beverage commission within fifteen (15) days of determination of the sale. The certification of the clerk shall be invalid, and the clerk may not reapply for a new certificate for a period of one year from the date of the beer board's determination.

(3) The beer board may, at the time it imposes a revocation or suspension, offer a permit holder that is not a responsible vendor, or a permit holder that is a responsible vendor but who is non-compliant with the provisions and requirements of the Tennessee Responsible Vendor Act, the alternative of paying a civil penalty not to exceed two thousand five hundred dollars (\$2,500.00) for each offense of making or permitting to be made any sales to minors, or a civil penalty not to exceed one thousand dollars (\$1,000.00) for any other offense.

The beer board may impose on a responsible vendor, as defined in subsection (2), a civil penalty not to exceed one thousand dollars (\$1,000.00) for each offense of making or permitting to be made any sales to minors or for any other offense. If a civil penalty is offered as an alternative to revocation or suspension, the holder shall have seven (7) days within which to pay the civil penalty before the revocation or suspension shall be imposed. If the civil penalty is paid within that time, the revocation or suspension shall be deemed withdrawn. Payment of the civil penalty in lieu of suspension or revocation by a permit holder shall be an admission by the holder of the violation so charged and shall be paid to the exclusion of any other penalty that the town may impose.

(4) Where a permit has been revoked, no new permit may be issued to permit the sale of beer on the same premises until after the expiration of one (1) year from the date the revocation becomes final and effective. The beer board, in its discretion, may determine that issuance of a license or permit before the expiration of one (1) year from the date of the revocation becomes final is appropriate, if the individual applying for such issuance is not the original holder of the license or any family member who could inherit from such individual under the statute of interstate succession.
