Re: Transfer of Beer License

Dear Mrs. Dykes:

You have indicated that a local business owner who had a beer license has leased the building and transferred ownership of the beer license.

Please be advised that TCA 57-5-103 provides that a beer permit is authorized “only for the owner to whom the permit is issued and cannot be transferred to another owner.” This is a personal license and cannot be transferred by sale or lease.

Sincerely,

Don Darden
Municipal Management Consultant
