In counties with a population of more than 50,000, a public corporation (designated a "Parking Authority") may be formed by the county or a city to construct and operate off-street parking facilities. The authority is under the control of a board of not fewer than five directors appointed by the mayor or county executive with the governing body's approval. Revenue bonds with up to 40-year terms may be issued and additionally secured by mortgages on facilities and on-street parking meter revenues.
