

Siting Telecommunication Tower Resources

Dear Reader:

The following document was created from the MTAS website ([mtas.tennessee.edu](https://www.mtas.tennessee.edu)). This website is maintained daily by MTAS staff and seeks to represent the most current information regarding issues relative to Tennessee municipal government.

We hope this information will be useful to you; reference to it will assist you with many of the questions that will arise in your tenure with municipal government. However, the *Tennessee Code Annotated* and other relevant laws or regulations should always be consulted before any action is taken based upon the contents of this document.

Please feel free to contact us if you have questions or comments regarding this information or any other MTAS website material.

Sincerely,

The University of Tennessee

Siting Telecommunication Tower Resources

Reference Number: MTAS-759

A good information source for siting telecommunications towers can be found at the website of the Federal Communications Commission [1].

The FCC's preliminary application to construct or alter a telecommunications tower (FCC Form 854 [2]).

Forms for notifying the FAA of a proposed tower construction or alteration (FAA Form 7460-1) are difficult to access via the Internet. Instead, prospective applicants should contact the FAA's regional office at 1701 Columbia Avenue, College Park, GA 30337 or call (404) 305-5685.

Forms [3] for registering telecommunications towers with the Tennessee comptroller of the treasury
