

5 Things Utility Board Members Should Know

TRAINING REQUIREMENTS

- Complete 12 hours of utility training within one year of initial appointment or election to the board.
- Complete 12 hours of continuing education every three years.

HOW TO GET TRAINING

MTAS offers several utility training opportunities. Visit our [Training Calendar](#) for dates and locations.

HOW TO DOCUMENT TRAINING

Download and maintain an [Annual Training Statement](#) from the Comptroller's website.

YOUR ROLE IN COMPLIANCE

Board members are responsible for maintaining documentation of their completed training and continuing education.
