the board having a regulatory or penal effect, relating to revenue or the
expenditure of money, or required to be done by ordinance under this Act, shall

An abstract of the essential provisions of each ordinance shall be published once in the official city newspaper within ten days after its adoption, except that only the title shall be so published of a code adopted by reference as provided in this section. Notes shall be inserted at the end of amended or new sections, referring to the dates and numbers of ordinances making the amendments or adding the new sections, and such references shall be cumulative if a section is amended more than once in order that the current copy of the code will contain references to all ordinances passed since the adoption of the original code. [As amended by ch. 110, pr. acts of 1961, § 4]

Section 3.04. City court. Be it further enacted, That a city court, presided over by a city judge, on a full-time, part-time or fee basis as may be prescribed by ordinance, is hereby established, which shall have jurisdiction over violations of this Act and ordinances of the city. The city court shall also have concurrent jurisdiction with that of a General Sessions Court or a justice of the peace over offenses against the criminal laws of state committed within the city. The city judge shall have authority to impose fines, costs, forfeitures, and imprisonment in a jail or workhouse, as provided in this Act by ordinance, and except as provided in this Act and by ordinance, and except as provided in this act his authority and powers and the procedure in the city court shall be the same as provided by state law for a justice of the peace. Appeals from the city court shall be to the circuit court. Warrants, subpoenas and other processes of the city court shall be executed by police officers of the city, who for such purposes shall have the same powers and authority of a Sheriff in executing process of a circuit court. [As amended by ch. 110, pr. acts of 1961, § 4]

The compensation of an acting city judge shall be fixed by ordinance. The board may authorize a city court clerk and other personnel, to assist and to be appointed and removed by the city judge, to perform such duties as may be prescribed by ordinance or by the city judge. [As amended by ch. 110, pr. acts of 1961, § 4]

Section 3.06. Other officers and employees. Be it further enacted, That the board by ordinance may establish offices and positions of employment and may abolish, combine or modify them. The powers and duties of such offices and positions of employment may be defined by ordinance, and if not defined by ordinance shall be defined in formal rules and regulations issued by the mayor, as provided in section 2.12 of this Act, but in any event the mayor may require officers and employees of the city, except those appointed by and accountable to the board, to perform such additional duties as may be considered necessary by him for the proper and efficient conduct of the city’s affairs. Public utilities owned or operated by the city may be under the supervision of the mayor and employees appointed by him or may be under boards or commissions appointed by and answerable to the board, as provided by ordinance. During a suspension, an employee's salary may be reduced or eliminated, as determined by the board. Before suspending for more than thirty days or removing an employee, the board shall serve the employee with a written notice of intention to suspend or remove him, containing a statement of the grounds for such proposed action and notification that the employee may appeal to the board by filing, within ten days, with the city recorder written notice of his intention to do so. The decisions of the board in cases of such appeals by employees shall be final. [As amended by ch. 110, pr. acts of 1961, § 4]

Section 3.08. Oath of office. Be it further enacted, That before the mayor, an alderman or any other person takes any office in the city government, he shall take, subscribe to and file with the city recorder the following oath or affirmation:

performance bond, as provided by ordinance, with some surety company
authorized to do business in the State of Tennessee as surety, in such amount
as shall be prescribed by ordinance. All such bonds and sureties thereto shall
be subject to approval by the council. The cost of such bonds shall be paid by the
city. All such bonds shall be kept in the custody of the city recorder, except that
the city recorder’s bond shall be in the custody of the mayor. [As amended by ch.

Section 3.10. Political activity prohibited. Be it further enacted, That no
officer or employee of the city, other than mayor or aldermen, shall continue in
the employment of the city after becoming a candidate for nomination or election
to any public office. No person shall directly or indirectly give, render or pay
any money, service or other valuable consideration to any person for or on
account of or in connection with any test, appointment, proposed promotion, to
any office or position of the city government. Any person who by himself or with
others willfully or corruptly violates any provision of this section shall be guilty
of a misdemeanor and shall upon conviction thereof be punished by a fine of not
more than fifty dollars ($50.00), or by imprisonment for not more than one year,
or by both such fine and imprisonment. Any person who is convicted under this
section shall be ineligible to hold any office or position of employment in the city
government for a period of five years thereafter, and if he be an officer or
employee at the time of conviction he shall immediately forfeit and vacate the
office or position he holds. [As amended by ch. 110, pr. acts of 1961, § 4]

Section 3.11. Officers and employees not to profit from connections with
city. Be it further enacted, That, except with board approval, expressed by
resolution or recorded motion, no officer or employee of the city shall profit
personally, directly or indirectly, from any contract, purchase, sale or service,

Section 4.01. Fiscal year. Be it further enacted, That the fiscal year of the city government shall begin on the first day of July and shall end on the thirtieth day of June of the succeeding year, but another fiscal year may be fixed by ordinance for the entire city government or for any utility. [As amended by ch. 110, pr. acts of 1961, § 4]

Section 4.02. Mayor to submit annual budget. Be it further enacted, That on or before a date fixed by the council but not later than thirty days prior to the beginning of each fiscal year, the mayor shall submit to the board a proposed budget for the next fiscal year, showing separately for the general fund, each utility, and each other fund the following: (a) revenue and expenditures during the preceding fiscal year, (b) appropriations, and estimated revenue and expenditures for the current fiscal year, (c) estimated revenue and recommended expenditures for the next fiscal year, (d) such other information and data, such as work programs and unit costs, in justification of recommended expenditures, as may be considered necessary by the mayor or requested by the board. The mayor may recommend and estimate additional revenue measures, providing such estimates are separated clearly from normal revenue estimates. The budget shall be accompanied by a message from the mayor containing a statement of the general fiscal policies of the city, the important features of the budget, explanations of major changes recommended for the next fiscal year as compared with the current fiscal year, a general summary of the budget and such other comments and information as he may deem pertinent. A sufficient
number of copies of the mayor's message shall be reproduced to furnish a copy to any person desiring one, and a copy of the budget in full shall be filed with the board and furnished to each member of the board. [As amended by ch. 110, pr. acts of 1961, § 4]

Section 4.03. Public hearing. Be it further enacted, That after receiving the budget from the mayor, the board shall fix a time and place for a public hearing thereon and shall cause a public notice thereof to be published once in the official city newspaper at least ten days in advance of the date of the hearing. Section 4.04. Action by board on budget. Be it further enacted, That after the public hearing and before the beginning of the ensuing fiscal year the board shall adopt an appropriation ordinance, based on the mayor's budget with such modifications as the board considers necessary or desirable. Appropriations need not be in more detail than a lump sum for each department and agency. The board shall not make any appropriations in excess of estimated revenue, except to provide for an actual emergency threatening the health, property or lives of the inhabitants of the city and declared by unanimous vote of all members of the board. If emergency conditions prevent the adoption of an appropriation ordinance before the beginning of the new fiscal year, the appropriations for the last fiscal year shall become the appropriation for the new fiscal year, subject to amendment as provided in this section. Amendments may be made to the original appropriation ordinance at any time during a current fiscal year after a public hearing before the council on five days notice published once in the official city newspaper, provided that increased appropriations may be made only after the mayor has certified in writing that a sufficient amount of unappropriated revenue will be available, except for emergency appropriations as provided above. Any portion of an annual appropriation remaining unexpended and unencumbered at the close of a fiscal year shall lapse and be credited to the general fund, except that any balance remaining in any other fund at the end of a fiscal year may remain to the credit of that fund and be subject to further appropriation.

The mayor shall submit periodic detailed budget reports to the board, showing estimated and actual receipts and expenditures or encumbrances for that period and the fiscal year to the end of that period, as well as the amount encumbered or expended in excess of any of the itemized estimates of expenditures supporting the appropriations. [As amended by ch. 110, pr. acts of 1961, § 4]

Section 4.05. Allotments. Be it further enacted, That the board shall make periodic allotments of appropriated funds, and no contracts or purchases,
except those made by the board, may be made in excess of the amount allotted by the board for any allotment period. In no event may contracts or purchases be made in excess of appropriations. Any expenditures except for salaries and wages may be reduced or eliminated through such allotment control. [As amended by ch. 110, pr. acts of 1961, § 4]

Section 4.06. Purchasing. Be it further enacted, That all contracts and purchases, except those that may be specifically delegated to others by ordinance, shall be made by the board. Any expenditure or contract for more than five hundred dollars ($500.00) shall be made only after publication, advertisement and competition by sealed bids, as prescribed by ordinance and an award shall be made for the bid most advantageous to the city; provided that any or all bids may be rejected, and provided further that bids need not be required for professional services or for services for which the rates or prices are regulated by public authority. Competition by bids shall not be required for the purchase of equipment, materials or supplies from any other governmental agency. [As amended by ch. 110, pr. acts of 1961, § 4]

4.07. Sale of city property. Be it further enacted, That the board may sell any city property which is obsolete, surplus or unusable, if the proceeds do not exceed five hundred dollars ($500.00) without taking bids, but sealed bids shall be taken or a public auction shall be held for any sale producing more than five hundred dollars ($500.00). [As amended by ch. 110, pr. acts of 1961, § 4]

Section 4.08. Annual audit. Be it further enacted, That the board shall employ a certified public accountant to make an annual audit of all financial books and records of the city. The accountant shall file his report with the board, at a time agreed to between him and the board, and shall prepare a summary of the report which shall be published once in the official city newspaper. A copy of the complete audit report shall be kept on file with the city recorder for examination by the public during regular office hours. [As amended by ch. 110, pr. acts of 1961, § 4]

Section 4.09. Property taxes. Be it further enacted, That all property subject to taxation, assessed as of January 10 in each year, shall be subject to the property tax levied by the city. The board by ordinance may elect to use the county assessment or may provide for an independent city assessment by a city assessor appointed by the board. If an independent city assessment is made, a board of equalization, consisting of three persons appointed by the board of mayor and aldermen, with compensation fixed by ordinance, shall hear appeals of taxpayers taken within ten days after the city assessor has sent a notice by ordinary mail of a new or increased assessment; provided that such notice shall not be required nor may appeals be taken in the case of initial city assessments that are the same as county assessments. Except as otherwise provided in this
section, appeals involving city property assessments may be taken as provided by general law. The board of equalization may increase or decrease the assessment of all property of the same class by a uniform percentage, in which case individual notices shall not be mailed but a notice of such action shall be published once in the official city newspaper; such a blanket increase or decrease shall not be subject to appeal. The board of equalization shall also be vested with authority to increase or decrease individual assessments on its own initiative, after proper notice to taxpayers concerned. The authority and duties of such city assessing personnel shall be the same as those provided by general law for county assessing personnel. The city assessor shall meet with and assist the board of equalization. The board of equalization, upon completion of its work, shall submit a written report to the board, including total increases and decreases made by it and the final total assessment of each class of property. [As amended by ch. 110, pr. acts of 1961, § 4]

Section 4.10. Tax levy. Be it further enacted, That the board shall make a tax levy, expressed as a fixed rate per one hundred dollars ($100.00) of assessed valuation, subject to the limitations in section 1.04 (a), above, and if no tax levy is made within ninety days prior to the tax due date, or within ninety days prior to the due date of a second installment if two installments are authorized by ordinance, the property tax rate in effect the last fiscal year shall continue in effect as the tax rate for the new fiscal year. [As amended by ch. 110, pr. acts of 1961, § 4]

Section 4.11. Tax due dates and tax bills. Be it further enacted, That the due dates of property taxes shall be fixed by ordinance and provision may be made for equal semi-annual installments. The city shall send tax bills to taxpayers, showing the assessed valuations, amounts of taxes due, tax due dates, and information as to delinquency dates and penalties. Failure to send such tax bills shall not, however, invalidate any tax. Property taxes shall become delinquent thirty days after a due date, at which time a penalty of five per cent (5%) shall be added and thereafter such taxes shall be subject to interest at the rate of one-half of one percent (of 1%) for each month or fraction thereof until paid. On and after the date when such taxes become delinquent, the tax records of the city shall have the force and effect of a judgment of a court of record. [As amended by ch. 110, pr. acts of 1961, § 4]

Section 4.12. Collection of delinquent taxes. Be it further enacted, That the board may provide by ordinance for the collection of delinquent taxes by distress warrants issued by the mayor for the sale of goods and chattels to be executed by any police officer of the city under the laws governing execution of such process from a justice of the peace, or by the county trustee as provided by general law, or by the city attorney acting in accordance with general laws providing for the collection of delinquent city and/or county taxes, or by any two
or more of the foregoing methods, and by the use of any available legal processes and remedies. A lien shall exist against all property on which city property taxes are levied, as of the assessment date of January 10 of each year, which shall be superior to all other liens except that it shall have equal dignity with those for Federal, state or county taxes. [As amended by ch. 110, pr. acts of 1961, § 4]

Section 4.13. Special assessments. Be it further enacted, That the city may assess all or part of the cost of constructing, reconstructing, widening, or improving any public way, sewers, or other utility mains and appurtenances, against the abutting property owners, under such terms and conditions as may be prescribed by ordinance. Such special assessments shall become delinquent thirty days after their due dates (after the due date of each installment if paid on an installment basis), shall thereupon be subject to a penalty of five per cent (5%), and shall thereafter be subject to interest at the rate of one-half of one per cent (of 1%) for each month or fraction thereof until paid. A lien shall exist against the abutting property superior to all other liens, except that it shall be of equal dignity with liens for county and city property taxes, and said lien shall be enforceable by the same procedures and under the same remedies as provided in this article for city property taxes. [As amended by ch. 110, pr. acts of 1961, § 4]

Section 4.14. Disbursements by checks. Be it further enacted, That all disbursements shall be made by checks signed by the treasurer and countersigned by the mayor. [As amended by ch. 110, pr. acts of 1961, § 4]

Section 4.15. Official depository. Be it further enacted, That the board shall designate an official depository or depositories for deposit and safekeeping of the funds of the city, and may require such collateral security as it deems necessary. [As amended by ch. 110, pr. acts of 1961, § 4]
