CHAPTER NO. 60

HOUSE BILL NO. 1997

By Representative Givens

Substituted for: Senate Bill No. 1991

By Senator Williams

AN ACT relative to the levy of a privilege tax on the occupancy of any
rooms, lodgings or accommodations furnished to transients by any hotel, inn,
tourist camp, tourist court, tourist cabin, motel or any place in which rooms,
lodgings, or accommodations are furnished to transients for a consideration in
Rogersville, Tennessee.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF
TENNESSEE:

SECTION 1. As used in this act unless the context otherwise requires:

(1) "Consideration" means the consideration charged, whether or not
received, for the occupancy in a hotel valued in money whether to be received in
money, goods, labor or otherwise, including all receipts, cash, credits, property
and services of any kind or nature without any deduction therefrom whatsoever.
Nothing in this definition shall be construed to imply that consideration is
charged when the room, lodging, space or accommodation provided to the person
is complimentary from the operator and no consideration is charged to or
received from any person.

(2) "Hotel" means any structure or space, or any portion thereof, which
is occupied or intended or designed for occupancy by transients for dwelling,
lodging or sleeping purposes, and includes any hotel, inn, tourist camp, tourist
court, tourist cabin, motel, or any place in which rooms, lodgings,
accommodations or spaces are furnished to transients for a consideration.

(3) "Occupancy" means the use or possession, or the right to the use
or possession, of any room, lodgings, spaces or accommodations in any hotel.

(4) "Operator" means the person operating the hotel whether as owner,
lessee or otherwise and includes any governmental unit.

(5) "Person" means any individual, firm, partnership, joint venture,
association, social club, fraternal organization, joint stock company, corporation,
estate, trust, business trust, receiver, trustee, syndicate, governmental unit or any other group or combination acting as a unit.

(6) "Tax collection official" means the finance officer or other person designated by the municipal legislative body to collect the tax imposed by this act.

(7) "Transient" means any person who exercises occupancy or is entitled to occupancy for any rooms, lodgings, spaces or accommodations in a hotel for a period of less than thirty (30) continuous days.

SECTION 2. The Legislative Body of the Town of Rogersville, Tennessee, is authorized to levy a privilege tax upon the privilege of occupancy in any hotel of each transient in the amount of seven percent (7%) of the consideration charged by the operator. Such tax is a privilege tax upon the transient occupying such room and is to be collected as provided in this act. [As amended by Priv. Acts 2007, ch. 8]

SECTION 3. The proceeds received by the town from the tax shall be retained by the town and deposited into the general fund of the town.

SECTION 4. Such tax shall be added by each and every operator to each invoice prepared by the operator for the occupancy of the hotel and given directly or transmitted to the transient. Such tax shall be collected by such operator from the transient and remitted to the Town of Rogersville, Tennessee.

When a person has maintained occupancy for thirty (30) continuous days, that person shall receive from the operator a refund or credit for the tax previously collected or charged, and the operator shall receive credit for the amount of such tax if previously paid or reported to the town.

SECTION 5.

(a) The tax levied shall be remitted by all operators who lease, rent or charge for any rooms, lodgings, spaces or accommodations in hotels within the town to the tax collection official, such tax to be remitted to such officer not later than the twentieth (20th) day of each month for the preceding month. The operator is required to collect the tax from the transient at the time of the presentation of the invoice for such occupancy as may be the custom of the operator, and if credit is granted by the operator to the transient, then the obligation to the town entitled to such tax shall be that of the operator.
(b) For the purpose of compensating the operator for remitting the tax levied by this act, the operator shall be allowed two percent (2%) of the amount of the tax due and remitted to the tax collection official in the form of a deduction in submitting the report and paying the amount due by such operator, provided the amount due was not delinquent at the time of payment.

SECTION 6. The tax collection official shall be responsible for the collection of such tax. A monthly tax return shall be filed under oath with the tax collection official by the operator with such number of copies thereof as the tax collection official may reasonably require for the collection of such tax. The report of the operator shall include such facts and information as may be deemed reasonable for the verification of the tax due. The form of such report shall be developed by the tax collection official and approved by the Town Legislative Body prior to use. The tax collection official shall audit each operator in the town at least once a year and shall report on the audits made on a quarterly basis to the Town Legislative Body. The Town Legislative Body is authorized to adopt resolutions to provide reasonable rules and regulations for the implementation of the provisions of this act, including the form for such reports.

SECTION 7. No operator of a hotel shall advertise or state in any manner, whether directly or indirectly, that the tax or any part thereof will be assumed or absorbed by the operator or that it will not be added to the rent, or that if added, any part will be refunded.

SECTION 8. Taxes collected by an operator which are not remitted to the tax collection official on or before the due dates are delinquent. An operator is liable for interest on such delinquent taxes from the due date at the rate of per annum, and is liable for an additional penalty of one percent (1%) for each month or fraction thereof such taxes are delinquent. Such interest and penalty shall become a part of the tax herein required to be remitted. Each occurrence of willful refusal of an operator to collect or remit the tax or willful refusal of a transient to pay the tax imposed is a violation of this act and shall be punishable by a civil penalty not in excess of fifty dollars ($50.00).

SECTION 9. It is the duty of every operator liable for the collection and payment to the Town of Rogersville any tax imposed by this act to keep and preserve for a period of three (3) years all records necessary to determine the amount of tax due and payable to the town. The tax collection official has the right to inspect such records at all reasonable times.

SECTION 10. The tax collection official in administering and enforcing the provisions of this act has as additional powers, those powers and duties with
respect to collecting taxes as provided in Title 67 of Tennessee Code Annotated or otherwise provided by law.

For services in administering and enforcing the provisions of this act, the tax collection official is entitled to retain as a commission of the taxes collected.

Upon any claim of illegal assessment and collection, the taxpayer has the remedies provided in Tennessee Code Annotated, Section 67-1-911. It is the intent of this act that the provisions of law which apply to the recovery of state taxes illegally assessed and collected shall also apply to the tax levied under the authority of this act; provided, the tax collection official shall possess those powers and duties as provided in Tennessee Code Annotated, Section 67-1-707, with respect to adjustment and settlement with taxpayers of all errors of taxes collected under the authority of this act and to direct the refunding of same.

With respect to the adjustment and settlement with taxpayers, all errors of town taxes collected by the tax collection official under authority of this act shall be refunded by the tax collection official. Notice of any tax paid under protest shall be given to the tax collection official, and suit for recovery shall be brought against such tax collection official.

SECTION 11. The tax levied pursuant to the provisions of this act shall only apply in accordance with the provisions of Tennessee Code Annotated, Section 67-4-1425.

SECTION 12. If any provision of this act or the application thereof to any person or circumstance is held invalid, such invalidity shall not affect other provisions or applications of the act which can be given effect without the invalid provision or application, and to that end the provisions of this act are declared to be severable.

SECTION 13. This act shall have no effect unless it is approved by a two-thirds (2/3) vote of the Legislative Body of the Town of Rogersville, Tennessee. Its approval or non-approval shall be proclaimed by the Presiding Officer of the Legislative Body of the Town of Rogersville, Tennessee and shall be certified by such Presiding Officer to the Secretary of State.
