Section 1. City court established. There is hereby established within and for the City of South Pittsburg a city court.

The board of mayor and commissioners may by ordinance create the office of city judge. If such office is created, it shall be filled by the board of mayor and commissioners at their first meeting in January, 1993, following their election in November, 1992, for a term of four (4) years. The term of the judge shall extend from the first regular meeting of the board in January, 1993, until the first regular meeting of the board in January, 1997, and for the same term each and every four (4) years thereafter. The city judge shall receive such salary as the board shall prescribe. No person shall be eligible to this office unless such person is at least twenty-one (21) years of age and is a person of good moral character.

With the expiration of the city judge's term of office, the board of mayor and commissioners may repeal any ordinance creating the office of city judge and thereby abolish such office, but the act or acts of creating and abolishing said office shall not be construed as an exhaustion of the right to exercise the power herein conferred and granted from time to time in the future and such office may be granted, abolished, re-created or re-abolished at all future times as to the board of mayor and commissioners may appear advisable.

Section 2. Jurisdiction. The city judge shall have jurisdiction in and over all cases for the violation of the ordinances of the city. In addition, the city judge is vested with concurrent jurisdiction and authority with courts of general

ARTICLE 5

FINANCE

Section 1. Fiscal year. The fiscal year of the city shall begin on the first day of July and end on the last day of June.

Section 2. Annual departmental budgets required. The adoption of an annual budget for all departments shall be a prerequisite to the appropriation of money for municipal purposes and the levy of property taxes.

Section 3. Administration required to prepare and submit annual budget and explanatory message. At least sixty (60) days before the beginning of the fiscal year, the administrator shall prepare and submit to the board of mayor and commissioners a budget for the ensuing fiscal year and an accompanying message. The city administrator's message shall explain the budget both in fiscal terms and in terms of work programs. It shall outline the proposed financial policies of the city for the ensuing year, describe the important features of the budget, indicate any major changes from the current year in financial policies, expenditures and revenues, together with the reasons for such changes, summarize the city's debt position and include such other material as the administrator deems desirable.

Section 4. Required content and organization of budget. The budget shall provide a complete financial plan of all city funds and activities for the ensuing fiscal year, except as required by law or this charter and shall be in such form as the administrator deems desirable or the board of mayor and commissioners may require.

Section 5. When budget must be adopted, and effect of adoption. The budget shall be adopted for the ensuing fiscal year before the end of the current fiscal year. Adoption of the budget shall constitute appropriations of the
amounts specified therein as expenditures from the funds indicated and shall constitute a levy of the property tax therein proposed.

Section 6. **Supplemental appropriations.** If, during the fiscal year, the administrator certifies that there are available for appropriation revenues in excess of those estimated in the budget, the board of mayor and commissioners by ordinance may make supplemental appropriations for the year up to the amount of such excess.

Section 7. **Transfer of unencumbered appropriations.** At any time during the fiscal year, the administrator may transfer part or all of any unencumbered appropriation balance among programs within a department, office or agency and, upon written request by the administrator, the board may by ordinance transfer part or all of any unencumbered appropriation balance from one department, office or agency to another.

Section 8. **Incurrence and discharge of obligations.** No payment shall be made or obligation incurred against any appropriation unless the administrator or an officer designated by the administrator first certifies that an appropriation has been made for that purpose and that there is unexpended and unencumbered in the appropriation for that purpose an amount sufficient to meet the obligation or to make the expenditure. However, except where prohibited by law, nothing herein shall be construed to prevent the making or authorizing of payments or making of contracts for capital improvements to be financed wholly or partly by the issuance of bonds or notes or to prevent the making of any contract or lease providing for payments beyond the end of the fiscal year.

Section 9. **Accounting records and audits.** There shall be installed and maintained adequate accounting records in accordance with generally accepted principles of municipal accounting. The same account titles shall be used throughout the accounting records, the budget and financial statements. Constant and comprehensive budgetary control shall be maintained. An audit of the financial affairs of the city shall be required by action of the board and the same be made after the end of each fiscal year by a public accountant skilled in such works.

Section 10. **Competitive bidding and purchasing procedures.** Purchasing and bidding procedures shall be established by ordinance in accordance with state law.
Section 1. **Assessment and levy.** All property within the city not exempt by general law shall be assessed for taxation upon the same principles established in regard to state and county taxation. Assessments made by the county tax assessor may be adopted by the city.

Section 2. **Due and delinquent dates; penalties and interest.** Property taxes shall be payable on and after the first Monday in October of each year, and shall become delinquent on the first day of March following. The board by ordinance shall fix penalties and interest on delinquent taxes.

Section 3. **Collection of delinquent taxes.** The board of mayor and commissioners may provide by ordinance for the collection of delinquent real property taxes by the city recorder as provided by general law; or by the city attorney acting in accordance with general laws providing for the collection of delinquent city or county taxes; or by the use of any other available legal process and remedies. If not otherwise collected, the city attorney, or other attorney designated by the board, shall file suit for collection of all delinquent taxes not later than eighteen (18) months following date of delinquency. Delinquent personal property taxes shall be collected by distress warrants issued by the city recorder and placed in the hands of the sheriff for collection.

Section 4. **County may collect taxes.** The city may contract with the county for the collection of city taxes. The contract may provide for reasonable fees to be paid to the county for this service.

Section 5. **Taxes not to be excused.** No officer or employee of the city shall have the authority to excuse taxes, penalties, interest, special assessments or other charges due the city, but errors may be corrected when authorized by the board of mayor and commissioners.

**ARTICLE 7**

Section 2. **Codification of city ordinances of a general and permanent nature.** The board of mayor and commissioners are vested with power to codify and from time to time to re-codify all ordinances of the city of a general and permanent nature.
Section 3. Construction and interpretation of act. This act shall receive a liberal construction and interpretation. If any provision of this act or the application thereof to any person or circumstance is held invalid, such invalidity shall not affect other provisions or applications of the act which can be given effect without the invalid provision or application, and to that end the provisions of this act are declared to be severable.
