(2) As used in this Act, unless the context requires otherwise, the following words and terms shall have the following ascribed meanings:

¹The provisions in this section are taken from Priv. Acts 1967, ch. 452, as amended by Priv. Acts 1993, ch. 61, 1(5). The compiler has arbitrarily added them at this point and unofficially designated them as § 6A.

"Classified Service" includes all positions in the fire-fighting service and the law-enforcement service of the City; however, it shall not include part-time, seasonal, or auxiliary positions.

"Open competitive" means that original appointments or promotions will be made on the basis of qualifications, and such appointments or promotions shall not be limited to persons of the classified service.

"Provisional appointment" means a temporary appointment to fill a position in the classified service which is necessary because there are no acceptable applicants on the eligible list for the respective position.

"Board" means the Personnel Board of the City of Dyersburg.

(3) There is created a Personnel Merit System for policemen and firemen in the City of Dyersburg. A Board consisting of three members is hereby created to provide administrative services as provided in this Act. One member of the Board shall be elected by the Governing Body of the City of Dyersburg, one member shall be elected by the members of the Classified Service, i.e., members of the Fire Department, members of the Police Department, in a joint election, and the person receiving a majority of the votes of the members of the Classified Service shall become one member of the Board. The person selected by the Governing Body of the City of Dyersburg and the person selected by the majority vote of the Classified Service shall then select a third person within ten days after their appointment and selection and the person agreed upon by these two so appointed and elected shall constitute the third member of the Board. Provided, that if the two members appointed and selected shall fail to agree within ten days after their appointment, then, and in that event, the Governing Body of the City of Dyersburg shall appoint four citizens to meet and confer with four other citizens appointed by the members of the Classified Service. This Joint Committee of eight shall meet, within ten days, and appoint a person who shall constitute the third member of the Board.

The three members thus appointed to the Board shall serve as Board members for a period of three years, or until their successors are appointed and qualified. On or before the expiration of the term of each Board member, his successor shall be selected in the same manner as the prior selection of the said Board member whose term thus expires, to the end that the successor to the member appointed by the Town Governing Body shall likewise be appointed to said Body, the successor to the member elected by the Classified Service shall likewise be elected by said Classified Service, and the successor to the member appointed by the two other Board members shall likewise be appointed by the two other Board members. Persons appointed to the Board shall be qualified electors of the City, and they shall be of good moral character. No member of the Classified Service, or any member of the Board of Mayor and Aldermen of

the City of Dyersburg, may be a member of the Board, nor may a holder of any public office be a member of the Board.

Members of the Board shall select from their number a Chairman who shall preside at all meetings and conferences, represent the Board in its relations with governmental agencies and individuals and call non-scheduled meetings of the Board when necessary to handle grievances of persons in the classified service and to hold hearings. The Chairman shall be selected within ten days after appointment or reappointment of any member of the Board.

A quorum of the Board shall consist of two members. The secretary shall notify all members of regular or special meetings not less than one day or more than three days before such meetings. Either the Chairman or the two other Board members may call special meetings. Special meetings shall be held within ten days from the date of request from the aggrieved persons who have been suspended for more than thirty days or dismissed, from the Classified Service.

Any member of the Board may be removed from office by the Governing Body of Dyersburg for incompetency, dereliction of duty, malfeasance in office or upon conviction of any crime involving moral turpitude. Such removal shall not take effect until ten days after written charges have been submitted to the Board member proposed to be removed and after a public hearing has been held on his removal.

The members of the Board shall devote due time to recruitment, examination, and selection of the best candidates available for the Classified Service, to handling grievances of persons in the Classified Service, to grouping and classifying positions, and to related duties.

Members of the Board may be paid salaries not to exceed fifty dollars per quarter year. Such pay shall be established by the Mayor and Aldermen and expenditures for this purpose shall be made from the general fund of the City.

(4) A member of the merit board shall serve as secretary to the Board. He shall maintain a record of the minutes of all meetings of the Board, establish and maintain a suitable filing system of all records of the Board, notify applicants of examinations, accept applications for consideration by the Board, serve as correspondent, monitor examinations, and perform other related work as required by the Board.

(5) The provisions of this Act shall apply to all law enforcement personnel and fire fighting personnel employed on regular and full-time basis. All positions filled by such persons shall be considered a part of the Classified Service of the City of Dyersburg.

(6) All appointments to, except the appointment of the Chief of the Fire Department and the Chief of the Police Department, the Classified Service shall be made according to provisions herein stated. The discharge of a Fire Chief or Police Chief and all other discharges and promotion within the Classified Service shall be made according to provisions herein stated.

Such appointment shall be on the basis of merit, considering technical knowledge required to perform satisfactorily, the work, experience and demonstrated ability in the particular or similar lines of work, personality and character, and administrative or supervisory qualifications. In determining the weights to be given to these factors the Board shall consider examination scores, education, special training and experience in the field in which employment is sought, physical condition of the candidates, personality and character traits. Such weights shall be applied consistently and uniformly to groups of positions having comparable duties and responsibilities.

Any officer or employee in the Classified Service may be suspended or removed by the appointing authority for malfeasance, incompetency, dereliction of duty, indictment or conviction of any crime involving moral turpitude, for excessive number of violations of traffic and other non-felonious laws, or conduct which tends to disrupt decorum of the community or the department. Notice of such suspensions or removal from employment shall be in writing, and the reasons for such actions shall be listed in the notice.

Any person in the Classified Service who has been suspended for more than thirty days or removed, from employment by City of Dyersburg may appeal such action to the Board. The reasons for such suspension or removal from employment by a department head shall be provided to the effected person in writing, and the effected person shall have ten days in which to appeal such action to the Board. The appeal shall be made in written form setting forth the reasons given for his suspension or removal and his answers to such charges. The hearing on the appeal shall be open to the public, and the action of the Board on such appeals shall be considered final unless the decision of the Board is reversed by court action. Suspensions of not more than thirty days by the appointing authority are not subject to appeals.

The Board shall maintain a list of qualified applicants for positions in the Classified Service at all times. When the list becomes substantially depleted the Board shall recruit, examine and screen enough applicants to provide an adequate supply of qualified candidates for the Classified Service.

When positions become vacant in the Classified Service they shall be filled from the list of qualified candidates certified by the Board. If only one position is to be filled, three candidates shall be certified by the Board. When more than one position but less than five positions are to be filled, there shall be three more candidates certified than the number of positions available. If five or more positions are to be filled the number of certified candidates shall be twice as great as the number of positions to be filled.

Department heads are to select applicants from certified candidates as provided in the prior paragraph. If none of the applicants certified by the Board are acceptable to the appointing authority, he shall report in writing to the Board the reason for such rejections. The Board may certify additional candidates for employment to provide an adequate number for selection as provided above, provided the rejection by the department head is reasonable.

The filling of all positions of the Classified Service shall be by the open competitive method.

The appointing authorities shall cooperate with the Board in preparing and evaluating examinations, assigning weights to the different factors for certifying applicants, character investigations, and evaluating applicants' qualifications.

The appointing authorities shall prepare and maintain such records as may be desirable as to training experience, performance, evaluation, disciplinary actions and related information on Classified employees as may be needed or required by the Board.

(7) All appointments to the Classified Service shall be for a probationary period of six months, except as otherwise provided in this Act. At any time during the probationary period the person serving the probationary period may be removed from the position by the supervising department head, and such probationary period shall not have the right of appeal to the Board. At the end of the probationary period employment shall expire and the person shall cease to be an employee of City of Dyersburg unless the supervising department head requests that such employee be appointed to a permanent position with the City.

Provisional appointments may be made for not more than ninety days when the eligible list has been depleted. Such appointments shall be temporary appointments to classified positions. The Board shall attempt to avoid the necessity of having to make provisional appointments. Provisional reappointments shall not be made to any positions. No person on a provisional appointment shall be given preferential consideration for probationary or permanent appointment.

Temporary or seasonal appointments for not more than ninety days may be made when such action is in the best interest of the City. Persons receiving such appointments shall not be considered a part of the Classified Service.

The appointing authorities shall keep the Board informed on appointments, promotions, suspensions, dismissals, resignations, and vacancies which may occur in the Classified Service.

(8) It is unlawful for any person to use or attempt to use political influence for any applicant or person of the Classified Service.

(9) It is unlawful for any person to falsify applications for employment, to provide misleading information on applications or personnel records, or to intentionally destroy personnel records which continue to be useful.

(10) Any person in the Classified Service appointed on a permanent basis may receive up to twelve months leave of absence without pay from the Classified Service to further his education without affecting his tenure, seniority, or retirement rights.

(11) The Board, with the assistance of the appointing authorities shall prepare proposed rules and regulations for persons in the Classified Service. Such rules and regulations shall be submitted to the Mayor and Aldermen for

adoption, with or without modifications by the Mayor and Aldermen, and such rules and regulations shall be supplementary to the provisions of this Act. The proposed rules and regulations shall be prepared and submitted to the Governing Body within sixty days after appointment of the first members of the Board and the Mayor and Aldermen shall adopt such rules and regulations, with such modifications as this Body may provide, within forty-five days after they are received from the Board. Violation of such rules and regulations by persons in the Classified Service shall have the same effect as violation of this Act.

(12) Any person who wilfully violates any provisions of this Act shall be subject to a fine of not more than fifty dollars (\$50.00). In addition, any person in the Classified Service guilty of violating any provision of this Act shall be subject to dismissal from employment.

(13) If any provision of this Act or the application thereof to any person or circumstance is held invalid, such invalidity shall not affect other provisions or applications of the Act which can be given effect with the invalid provision or application, and to this end the provisions of this Act are declared to be severable. [Priv. Acts 1967, ch. 452, as amended by Priv. Acts 1993, ch. 61, § 1(5)]

Section 7. Be it further enacted, That a majority of the Board of Mayor and Aldermen shall be a quorum to do business, but no ordinance, resolution or other act of the Board shall be passed or become effective unless it receives a majority of the votes of the whole Board in its favor; Provided, however, that a smaller number than a quorum may adjourn from day to day, under a provision of an ordinance, and may compel the attendance of absent members by fines and penalties. The Board shall be the judge of the qualifications, elections and returns of its own members, and shall prescribe rules for the determination of contested elections, and in case of a tie vote or contest in the election for Aldermen, the Board shall determine who shall be seated. In case of a tie vote in the election for Mayor, the Aldermen elect shall meet and organize by electing one of their number Mayor pro tempore, who shall for the time being perform all the duties and be subject to all the liabilities of the regular Mayor, and the Board shall refer the election of a Mayor back to a vote of the people as soon as practicable. In case of contest in the election of Mayor on any other ground than that of a tie vote, the Board shall, after organizing and electing a Mayor pro tempore as above, decide as soon as practicable who is entitled to the office. The Board may determine its own rules of proceeding, and prescribe the punishment of its members for non-attendance, disorderly or other improper conduct, and enforce the same; two-thirds of the Board concurring may expel a member for such conduct. To enable the board to fully investigate charges against its own members or officers, or other proper matters, the Mayor or Recorder, at the request of the Board, is hereby empowered to issue subpoenas and compulsory process to compel the attendance of persons and production of books and papers before the Board or any committee of the same.

Any person may prefer charges against the Mayor for misfeasance, malfeasance or nonfeasance in office, and he may be tried by the remaining members of the Board, and two-thirds of them concurring, he may be removed from office. Vacancies in the office of Mayor or Aldermen, or other offices herein authorized, whether occurring by death, resignation, removal or otherwise, shall be filled by the Board. If the vacancy occurs prior to any next regular State General Election, a person with the qualifications provided herein may be appointed by a majority vote of the remaining members of the board to serve only until that election, or until his successor qualifies. If the vacancy occurs in an aldermanic district, the appointee shall come from the numbered district in which the vacancy occurred. If a vacancy occurs in the alderman-at-large positions, the appointee shall come from the corporate limits. No district seat shall be declared vacated where the alderman's residence ceases to be within his numbered district solely because of redistricting as provided herein. In the absence of the Mayor at any of its meetings, the Board may elect a Mayor or presiding officer pro tempore. No person shall be eligible to the office of Alderman who is not a resident of and legal voter in said corporation election. The regular state meeting of the Board shall be held at such times as it may determine, not exceeding two per month, but special meetings may be held at any time upon the call of the Mayor.

Before assuming to discharge the duties of their office they shall be sworn before some Judge of a Court of Record to faithfully discharge all the duties of the office, and to support the Constitution of Tennessee and of the United States, and that they have had no contract, agreement or understanding with anyone at any time, to vote for any particular person for Recorder or Treasurer, or other office to be filled by said Board, without which oath the office shall be vacant and shall be filled by the Board. A full and complete journal or minutes shall be kept of all the proceedings of said Board. It shall have power to appoint all necessary standing and special committees, and fix the number of each, the committeemen being appointed by the Mayor, unless done by direct order of the Board. The character and duties of such committees shall be designated by the Board, and their mode of procedure may be directed by it. [As amended by Priv. Acts 1967, ch. 157, § 7; Priv. Acts 1979, ch. 86, § 4; and Priv. Acts 1996, ch. 164, §§ 1 and 2]
