(6) "Operator" means the person operating the hotel whether as owner, lessee or otherwise.

(7) "Person" means any individual, firm, partnership, joint venture, association, social club, fraternal organization, joint stock company, corporation, estate, trust, business trust, receiver, trustee, syndicate, governmental entity, or any other group or combination acting as a unit.

(8) "Transient" means any person who exercises occupancy or is entitled to occupancy for any rooms, lodgings or accommodations in a hotel for a period of less than thirty (30) continuous days.

SECTION 2. The City Council of the City of McKenzie, Tennessee, is authorized to levy a privilege tax upon the privilege of occupancy in any hotel of each transient, by ordinance of the City Legislative Body, in the amount up to five percent (5%) of the rate charged by the operator. Such tax is a privilege tax upon the transient occupying such room and is to be collected as provided in this act.

SECTION 3. The proceeds of the tax authorized by this act shall be allocated to and placed in the city general fund, to be designated and used for such purposes as specified by ordinance of the City Legislative Body.

SECTION 4. Such tax shall be added by each and every operator to each invoice prepared by the operator for the occupancy of his or her hotel and to be given directly or transmitted to the transient and shall be collected by such operator from the transient and remitted to the clerk as provided in Section 5(b).

When a person has maintained occupancy for thirty (30) continuous days, that person shall receive from the operator a refund or credit for the tax previously collected or charged, and the operator shall receive credit for the amount of such tax if previously paid or reported to the city.

SECTION 5. (a) The tax levied shall be remitted by all operators who lease, rent or charge for any rooms, or spaces in hotels within the city, to the clerk or such other officer as may by ordinance be charged with the duty of collection thereof, said tax to be remitted to such officer not later than the twentieth (20th) day of each month for the preceding month. The operator is hereby required to collect the said tax from the transient at the time of the presentation of the invoice for said occupancy as may be the custom of the operator, and if credit is granted by the operator to the transient, then the obligation to the city entitled to such tax shall be that of the operator.

(b) For the purpose of compensating the operator in accounting for remitting this tax, the operator shall be allowed two percent (2%) of the amount of the tax due and accounted for and remitted in the form of a deduction in submitting his or her report and paying the amount due by such operator, provided the amount due was not delinquent at the time of payment.

SECTION 6. The clerk shall be responsible for the collection of such tax and shall place the proceeds of such tax in accounts for the purposes stated herein. A monthly tax return shall be filed under oath with the clerk by the operator with such number of copies thereof as the clerk may reasonably require for the collection of such tax. The report of the operator shall include such facts and information as may be deemed reasonable for the verification of the tax due. The form of such report shall be developed by the clerk and approved by the City Legislative Body prior to use. The clerk shall audit each operator in the city at least once per year and shall report on the audits made on a quarterly basis to the City Legislative Body.

The City Legislative Body is hereby authorized to adopt ordinances to provide reasonable rules and regulations for the implementation of the provisions of this act, including the form for such reports.

SECTION 7. No operator of a hotel shall advertise or state in any manner, whether directly or indirectly, that the tax or any part thereof will be assumed or absorbed by the operator or that it will not be added to the rent, or that if added, any part will be refunded.

SECTION 8. Taxes collected by an operator which are not remitted to the clerk on or before the due dates are delinquent. An operator is liable for interest on such delinquent taxes from the due date at the rate of twelve percent (12%) per annum, and is liable for an additional penalty of one percent (1%) for each month or fraction thereof such taxes are delinquent; provided, however, that such penalty shall not exceed a maximum of twenty-five (25%) percent. Such interest and penalty shall become a part of the tax herein required to be remitted. Each occurrence of willful refusal of an operator to collect or remit the tax or willful refusal of a transient to pay the tax imposed is hereby declared to be unlawful and shall be punishable by a civil penalty not in excess of fifty dollars (\$50.00).

SECTION 9. It is the duty of every operator liable for the collection and payment to the city of any tax imposed by this act to keep and preserve for a period of three (3) years all records as may be necessary to determine the amount of such tax as he or she may have been liable for the collection of and payment to the city, which records the clerk shall have the right to inspect at all reasonable times.

SECTION 10. The clerk in administering and enforcing the provisions of this act shall have as additional powers, those powers and duties with respect to collecting taxes as provided in Title 67 of Tennessee Code Annotated or otherwise provided by law for the clerks.

Upon any claim of illegal assessment and collection, the taxpayer has the remedies provided in Tennessee Code Annotated, Title 67; it is the intent of this

act that the provisions of law which apply to the recovery of state taxes illegally assessed and collected shall also apply to the tax levied under the authority of this act. The provisions of Tennessee Code Annotated, Section 67-1-707, shall be applicable to adjustments and refunds of such tax.

With respect to the adjustment and settlement with taxpayers, all errors of city taxes collected by the clerk under authority of this act shall be refunded by the clerk.

Notice of any tax paid under protest shall be given to the clerk and the resolution authorizing levy of the tax shall designate a municipal officer against whom suit may be brought for recovery.

SECTION 11. The tax levied pursuant to the provisions of this act shall only apply in accordance with the provisions of Tennessee Code Annotated, Section 67-4-1425.

SECTION 12. The collection of the tax authorized by this act shall begin on the first day of the month occurring thirty (30) or more days after this act is officially ratified by the City Legislative Body of McKenzie, Tennessee.

SECTION 13. The provisions of this act are hereby declared to be severable. If any provision of this act or the application thereof to any person or circumstance is held invalid, such invalidity shall not affect other provisions or applications of the act which can be given effect without the invalid provision or application.

SECTION 14. This act shall have no effect unless it is approved by a two thirds (2/3) vote of the Legislative Body of McKenzie, Tennessee. Its approval or non-approval shall be proclaimed by the Presiding Officer of the City Legislative Body and certified by the Presiding Officer of the City Legislative Body to the Secretary of State.

SECTION 15. For the purpose of approving or rejecting the provisions of this act, it shall be effective upon becoming a law, the public welfare requiring it. For all other purposes, this act shall take effect upon being approved as provided in Section 14.
