The Mayor shall preside at meetings of the Council, represent the Town in intergovernmental relationships, appoint with the advice and consent of the Council the members of citizen advisory boards and commissions, present a written annual state of the Town message, and other duties specified by the Council. Neither the Town Council nor any of its members shall in any manner dictate the appointment or removal of any Town administrative officer or employee whom the Town Manager or any subordinate of the Town Manager is empowered to appoint, but the Council may express its views and fully and freely discuss with the Town Manager anything pertaining to appointment and removal of such officers and employees.

[As replaced by Priv. Acts 2000, ch. 80, § 1]

When such day falls on a legal holiday, the meeting shall be on the next following day unless otherwise prescribed by Council.

Whenever in the opinion of the Mayor or of any three (3) Councilmembers, the welfare of the Town demands it, the Recorder shall call a special meeting of the Council, by publishing or broadcasting a notice twenty-four (24) hours before the meeting.

Section 8. **Oath of office.** The Mayor and Councilmembers, before entering upon their duties, shall each take and subscribe and file with the Recorder an oath or affirmation to support the Constitution of the United States and of the State of Tennessee and the Charter and Ordinances of the Town of Signal Mountain, and that he will faithfully discharge the duties of his office.

Every ordinance shall be passed on two (2) different days, at regular, special or adjourned meetings, with at least one (1) passage occurring at a regular meeting. Copies of the text of every ordinance must be made available to the public during every meeting in which the ordinance is subject to a reading. Every ordinance must receive at least three (3) positive votes on each reading. No material or substantial amendment may be made to an ordinance on final passage, unless such amendment be passed in the same manner as an amendment to an existing ordinance. Every ordinance shall be
effective upon final passage unless by its terms the effective date is deferred. Every ordinance upon final passage shall be signed by the presiding officer of the Council, and shall be immediately taken charge of by the Recorder and numbered, copied in an ordinance book and there authenticated by the signature of the Recorder, and filed and preserved in the Recorder's office.

Section 11. **Legislative action which must be exercised by ordinance.** Except as otherwise provided by general law or this Charter, legislative action of the Council shall be by ordinance when granting, renewing or extending public franchises; creating, abolishing or combining departments or offices; authorizing the borrowing of money; regulating the rate charged for its services by a public utility; fixing fees, service charges and utility rates; levying taxes; providing a fine or other penalty or establishing a rule or regulation for violation of which a fine or other penalty is imposed; or amending or repealing an existing ordinance.

Section 12. **Recall provisions.** Any person holding an elective office of the Town, whether by election, succession, or appointment to fill a vacancy, shall be subject to removal from office at a recall election in the manner provided herein.

1. A recall of an incumbent of an elective office shall be initiated upon petition signed by registered voters. The Mayor and all Councilmembers shall be subject to recall and a recall petition shall contain signatures equal in number to at least fifty percent (50%) plus one (1) of the vote cast for the Councilmember receiving the highest number of votes in the preceding Town election for the Town of Signal Mountain. Every recall petition shall name the officer against whom it is directed and shall contain one (1) or more specific grounds for removal.

2. Each elector signing a recall petition shall add to his signature, his residence, and the date of signing. Signatures on a recall petition may be on separate sheets but each sheet shall have appended to it the affidavit of some person, not necessarily a signer of the petition, that to the best of the affiant's knowledge and belief the persons whose signatures appear on the sheet are registered voters of the Town of Signal Mountain, Tennessee.

3. A recall petition shall be tendered for filing with the Hamilton County Election Commission. The Election Commission shall examine it to see whether it contains a sufficient number of apparently genuine signatures. The Election Commission may question the genuineness of any signature or signatures appearing on the recall petition and if it shall find that any such signature or signatures are not genuine, it shall disregard them in determining whether the petition contains a sufficient number of signatures. It shall also disregard any signature dated more than sixty (60) days before the date the petition was tendered for filing. The Election Commission shall eliminate any sheet of the petition which is not accompanied by the required affidavit. The validity of the petition shall still be possible if a sufficient number of signatures
remains after eliminating such an invalid sheet. The Election Commission shall complete its examination of the petition as soon as practical and shall thereupon file the petition if valid or reject it if invalid.

(4) As soon as the Hamilton County Election Commission has accepted a recall petition for filing, the Chairman of the Hamilton County Election Commission shall notify the incumbent named in the petition that the petition has been filed. Upon receipt of such notice, the incumbent may resign from his office and thereupon the recall proceedings shall terminate.

(5) If the incumbent, against whom a recall petition is directed, does not resign from his office within ten (10) days after notice of the filing of such petition shall have been given to him, the Hamilton County Election Commission shall arrange a recall election. If a regular, primary or special election is to be held not less than forty-five (45) days nor more than sixty (60) days after the ten (10) days have expired, the recall question shall be placed before the voters at such an election. Otherwise, a special recall election shall be fixed for a date not earlier than forty-five (45) days nor later than sixty (60) days after the ten (10) days have expired. The incumbent against whom a recall petition is directed may resign at any time prior to the recall election and thereupon the election shall not be held.

(6) The following question shall be presented to each elector in a recall election:

"Shall (name of officer) be recalled and removed from the office of (name of office)." The above question shall appear as to every officer whose recall is to be voted upon and provision shall be made for the elector to vote "Yes" or "No" on the question.

(7) If a majority of the voters who vote on the question at a recall election shall vote "Yes," the incumbent shall be deemed recalled and removed from office immediately upon certification of the election. If a majority of the voters who vote on the question at a recall election shall vote "No," he shall remain in office.

(8) No person who has been removed from an elective office by a recall election or who has resigned from such an office after a recall petition directed against him has been filed, shall be eligible for appointment to any office of the Town of Signal Mountain within two (2) years after his removal or resignation.

The Manager's message shall explain the budget both in fiscal terms and in terms of work programs. No payment shall be made or obligation incurred against any appropriation unless the Manager or an officer designated by him first certifies that an appropriation has been made for that purpose and that there is unexpended and unencumbered in the appropriation for that purpose an amount sufficient to meet the obligation or to make the expenditure. However, except where prohibited by law, nothing herein shall be construed to prevent the making or authorizing of payments or making of contracts for capital improvements to be financed wholly or partly by the issuance of bonds or to prevent the making of any contract or lease providing for payments beyond the end of the fiscal year.
