1Chapter 280, Acts of 1901, is the present basic charter act for the Town of Whiteville. As unofficially set out herein, all of its general and permanent amendments have been incorporated through the 2022 session of the Tennessee General Assembly. When a section of the charter has been amended or added, the citation to the act making the amendment has been placed in brackets at the end of the amended or added section. Bond authorization and validation acts, since of a temporary nature, have not been included.

A few catchlines have been added and some catchlines have been slightly changed. A table of contents has been added to facilitate use of the charter.
