<p>Solving homelessness: communities across the globe are using the Built for Zero methodology to reduce and end homelessness. Jake Maguire, Anna Kim. The authors profile the non-profit organization, Built for Zero and how their work is contributing to reducing homelessness. <i>(In Public Management – Vol. 103, no. 8 (August 2021) p. 40-43).</i></p>	Article	Request
<p>A river runs through it: Tennessee RiverLine and partners work to advance stewardship and equitable access to the 652-mile Tennessee River. Kathleen Gibi. Since the pandemic, more and more people are turning to the outdoors for recreation and exercise. Since the organization’s inception in 2016, Tennessee RiverLine has been working to transform the way communities view the river and its potential. <i>(In Parks & Recreation – Vol. 56, no. 8 (August 2021) p. 34-39).</i></p>	Article	Request
<p>Council-manager role conflicts: strategies for success to use before you accept a position and one on the job. Kevin Duggan, Ed Shikada. The authors provide helpful information for city managers to avoid role conflict in city government. <i>(In Public Management – Vol. 103, no. 1 (January 2021) p. 20-23).</i></p>	Article	Request
<p>A budgeting guide for local government. Robert L. Bland, Michael R. Overton. Navigating the increasingly complex crosscurrents of local government finance has become an essential skill for today’s public administrator. The convergence of rising expectations from citizens and council members, anemic growth in revenue sources, and unfunded pensions now coming due has complicated the local manager’s task of preparing a budget that balances revenues with expenditures.</p>	Book	Request

<p>Guidelines for open burning of natural disaster debris. Tennessee Department of Environment and Conservation. The Tennessee Department of Environment and Conservation Division of Air Pollution Control has recently created a new webpage that outlines the process for governmental agencies to follow when proposing a governmental collective site for the open burning of natural disaster debris.</p>	General	Download
<p>Stumped on how to measure DEI training: use this process to structure and evaluate diversity, equity, and inclusion initiatives. Jim Kirkpatrick, Wendy Kirkpatrick. The authors provide ways for organizations to help determine how their diversity, equity and inclusion programs are working and where they might need to improve. <i>(In TD - Vol. 75, no. 10 (October 2021) p. 26-31).</i></p>	Article	Request
<p>How user-friendly is your website: usability lessons for libraries in a remote world. Greg Landgraf. The author provides readers with ways to determine if your website needs updating to be more user-friendly as a result of the pandemic. <i>(In American Libraries - Vol. 52, no. 3/4 (March/April 2021) p. 30-33).</i></p>	Article	Request
<p>Website makeover: transforming the user experience starting from scratch. Candace Zhu. The author encourages library employees to look at their website and work harder on the user experience. <i>(In Computers in Libraries - Vol. 41, no. 6 (July 2021) p. 21-26).</i></p>	Article	Request
