2-108. Retail liquor stores. (1) Sale authorized. It shall be lawful for a licensee to sell alcoholic beverages at retail in a liquor store within the corporate limits of Jonesborough, provided such retail license has been appropriately approved by the town and the state, and such sales are made in compliance with applicable state and federal statutes, rules and regulations, as well as the provisions established in this chapter.

(a) Retail liquor stores are defined as stores licensed under Tennessee Code Annotated, § 57-3-208 to sell wine, intoxicating liquors and beer of over five percent (5%) alcohol content; retail liquor stores are not food stores permitted by the ABC to sell wine under Tennessee Code Annotated, § 57-3-806.

(2) License and certificate required. It shall be unlawful for any person, firm or corporation to sell alcoholic beverages at retail without first obtaining a license for such privilege in an off-premise liquor store through the State of Tennessee Alcoholic Beverage Commission, and without obtaining a certificate of compliance for a specific store location by the Jonesborough Board of Mayor and Aldermen as required by Tennessee Code Annotated, § 57-3-208.

(3) License restrictions. The requirements or restrictions established in Tennessee Code Annotated, §§ 57-3-204 through 57-3-210 apply to applicants for a retail liquor store license in Jonesborough, including but not limited to the following:

(a) No retail license shall be issued to a person who is a holder of public office, either appointive or elective, or who is a public employee, either national, state, city or county except as specified in § 57-3-210(b)(2).

(g) Certification that the applicant or applicant group or any employee, now intended or in the future, that will be employed to manage or assist in the operation of the retail liquor store has not been convicted of a felony within the ten (10) year period immediately preceding the date of the application of any violation of any state or federal law, or of any violation of any municipal ordinance involving alcohol related offenses.

(h) Name of the retail liquor store proposed in the application and the zoning designation applicable to such location.

(i) Address of the retail liquor store proposed in the application.

(j) A site plan drawn to a scale of not less than one inch (1") equals twenty feet (20') that includes the following information:

(m) Verification that the applicant has secured the location for the business at the location submitted in the application.

(n) A time schedule detailing any construction or renovation of the store building, improvements to grounds, and store opening date.

(o) The application form shall be signed and verified by each person who has any interest in the license either as owner, partner, stockholder, director, officer or otherwise.

(6) Application advertising requirements. Before a certificate of compliance application for a retail liquor store may be considered by the planning commission and then the board of mayor and aldermen, whether the application is for a transfer of an existing license to a new location or for a new license, the applicant must place at least one (1) advertisement, at his/her own expense, in a newspaper of general circulation in the town, a minimum of seven (7) days prior to the application being initially reviewed by the Jonesborough Planning Commission, with the published notice including the following information.

(a) Name and address of applicant.

(b) Nature and purpose of application.

(c) Location/address of store location.

(d) Date the application is proposed to be reviewed by the Planning Commission.

(7) Review and consideration of applications for certificate of compliance. Applications to the town for a certificate of compliance needed to license a retail liquor store shall be submitted to the town recorder. The town recorder shall review the documentation provided to see that all information requested has been submitted and appears to be complete. Although the recorder will initially review materials submitted for compliance, and will to the extent possible identify insufficient information, it is responsibility of the applicant to provide all of the information required regardless of the recorder's review. When the recorder does identify insufficient information, the applicant shall have until the materials are sent to the planning commission to complete the application packet. An application shall not be deemed "filed" until it

contains all of the information requested. After the initial review, a date shall be determined to send the full application to the planning commission for consideration. The applicant must provide proper notification in an acceptable publication at least seven (7) days in advance of the meeting in which the planning commission will consider the application. In reviewing the application, the planning commission shall consider at least the following:

(a) Whether the application meets all state and federal requirements.

(b) When there is more than one (1) application for a certificate of compliance in the same overlay zone area, the planning commission shall consider at least the following without regard to the order the applications were filed:

(i) The retail store locations submitted and the considerations of safety, lighting, ingress and egress, size of store, impact on traffic patterns, and ease of enforcement relative to each location.

(ii) The most suitable circumstances and location in consideration of the health, safety and welfare of the citizens of Jonesborough and the lawful operation of an off-premise retail liquor store.

(iii) The ability of the applicant to obtain the necessary license from the state, and to construct, renovate or otherwise develop the premises necessary for the retail store and open it to the public in a timely manner.

(iv) The compatibility of the building and landscaping with the surrounding properties, including building materials, roof pitch, etc., as well as compatibility with any town vision for commercial area in Jonesborough

(c) Initially, the town will advertise, at a convenient time, the projected schedule for adoption of the ordinance governing location, number, and other considerations regulating retail liquor stores and the issuance of a certificate of compliance. The notice will also establish a date the ordinance will become effective which will be the first date to received applications. The projected meeting date of the planning commission in which liquor store applications will be reviewed shall also be included in the notice, as well as the date the board of mayor and aldermen will act on the applications so that the application, review, and approval/denial process falls within the sixty (60) day requirement for action outlined in Tennessee Code Annotated, § 57-3-208.

(d) If a retail liquor store becomes available in an existing zone area or a new store zone is established, any voluntary request to transfer an existing and operating store location shall be evaluated and considered based on the criteria in subsection (7)(b) the same as any other application submitted.

(e) Applications, and all matters submitted with or as a part of such applications become at the time they are submitted the sole and exclusive property of the town and constitute public records open to public inspection.

(f) Because of the sixty (60) day requirement for board action applications outlined in Tennessee Code Annotated, § 57-3-208, any application submitted that is not approved for a certificate of compliance shall be denied by the board of mayor and aldermen. Said applications, however, shall be held by the town until the retail liquor store(s) approved are open and operating. At that time, the application may be disposed of by the town. If the approved store is not licensed by the ABC or fails to open in a timely manner and loses its license, the applications on file for a certificate of compliance may be reactivated and considered submitted upon written request by the applicant.

(8) Restrictions on location of and access to retail liquor stores. No location for a retail store shall be approved on any premise within the town, except on premises that are:

(a) Zoned B-3.

(b) Within a Retail Liquor Store (RLS) Overlay Zone made up of two (2) or more separate areas within the B-3 or other zones with one (1) and only one (1) retail store authorized per RLS Overlay Zone area.

(c) At least two hundred feet (200') from the nearest portion of any church, public or private school ground, day care, public playground or park, public recreational facility, or residential dwelling unit except if the dwelling unit is located within a building that contains mixed uses. For the purposes of measurement, the distance shall be determined from the center of the public entrance to the retail liquor store in a straight line the shortest most direct distance to the major entrance to the facilities and institutions listed. The restrictions set forth herein as to locations apply to conditions existing as of the time the application for a certificate is filed, and the future presence of any uses listed above in this subsection necessitating the two hundred foot (200') distance requirement shall not be grounds for revocation of a license or denial of a certificate if a valid license had been issued to any retail liquor store at the same location and the business has been in continuing operation since that date.

(d) Developed with a building in which the retail liquor store is only on the ground floor.

(e) Under normal circumstances a retail liquor store shall have one entrance for use by the public. Circumstances may exist, like the premises being served by multiple public streets, or an on-premise liquor store being attached to a large complex, in which the applicant may petition for a second public entrance. However, the planning commission

will have to recommend the second entrance, and in no case shall the retail liquor store have more than two (2) public entrances.

(9) Number of stores - adequate availability. For the purpose of determining whether alcoholic beverages are generally available in the town, or whether the town is being adequately served, it will be presumed, absent proof to the contrary, that alcoholic beverages are generally available and that the area is being adequately served when the ratio between the number of operating liquor stores in the town and the population of the town is less than or equal to one (1) store for each three thousand (3,000) town residents or fraction thereof.

(a) No new location for a retail liquor store, except a transfer from one (1) location to another in special circumstances fixed by rules or regulation of the state Alcoholic Beverage Commission, as authorized by statute, shall be approved unless it is determined that alcoholic beverages are not generally available in the town or that the town is not being adequately served by currently operating liquor stores.

(b) The determination by the Jonesborough Board of Mayor and Aldermen concerning the general availability of alcoholic beverages or the adequacy of service in the town shall be binding. However, upon proof of materially changed conditions, the town board may alter, amend or change its determination, provided that such a determination shall not affect those retail liquor licenses issued and in current and continuous use by the same licensee holder. Proof to rebut the presumption of adequacy shall be submitted to and considered by the planning commission and recommended to the board of mayor and aldermen.

(10) Restrictions on issuance of certificate of compliance. No original or renewal certificate of compliance shall be issued for any location until:

(a) An application has been filed with the town recorder.

(b) All requirements to obtain a certificate have been met, and the application complies with all restrictions as to location and number of retail licenses issued within Jonesborough.

(c) A written certification by the applicant is submitted stating that the premises of the retail liquor store are in full and complete compliance with the distance requirements established in § 2-108(8) of this chapter.

(d) The application shall be signed and verified by each person to have an interest in the retail liquor store either as an owner, partner, stockholder or otherwise.

(e) The application has been reviewed and considered by the Jonesborough Planning Commission and recommended to the board of mayor and aldermen.

(f) The application has been considered at a regular or called meeting of the Jonesborough Board of Mayor and Aldermen and approved by majority vote.

(11) Term of certificate of compliance. Once issued by the board of mayor and aldermen, a certificate of compliance required by Tennessee Code Annotated, § 57-3-208 shall be valid for two (2) years. A new certificate therefore is required every other year, to be submitted to the ABC with application for the annual license renewal.

(12) Full and accurate disclosure required. (a) It shall be unlawful for any person to have ownership in or participate, either directly or indirectly, in the profits of any retail store license under this chapter, unless his/her interest in the business and the nature, extent and character thereof shall appear on the application for a certificate of compliance; or if the interest is acquired after the issuance of a license, unless it is fully disclosed to and approved by the board of mayor and aldermen (town administrator). Where such interest is owned by such a person on or before the application for any certificate, the burden shall be upon such person to see that this section is not violated, whether he/she signs or prepares the application, or whether the same is prepared by another; or if the interest is acquired after the issuance of the certificate, the burden of disclosure of the acquisition of such interest shall be upon the seller and the purchaser.

(b) Misrepresentation of a material fact, or concealment of a material fact, required to be shown in the application for a license or certificate shall be a violation of this chapter. The board of mayor and aldermen may refuse to issue a certificate if, upon investigation, the town finds that the applicant for a certificate has concealed or misrepresented in writing or otherwise any material fact or circumstance concerning the operation of the retail liquor store, or if the interest of any applicant in the operation of the business is not truly stated in the application, or in case of any fraud or false swearing by any applicant concerning any matter related to the operation of the business. All data, written statements, affidavits, evidence, or other documents submitted in support of an application are part of the application.

(c) If the provisions of this section and chapter are alleged to have been violated, the board of mayor and aldermen may by majority vote revoke any certificate which has been issued, after first providing an opportunity for the applicant(s) or licensee to refute such allegations and/or show cause why the certificate should not be revoked.

(13) Regulation of retail sales. Retailers licensed under Tennessee Code Annotated, § 57-3-204 shall comply with the regulation of retail sales established in Tennessee Code Annotated, § 57-3-406 included but not limited to the following:

(a) Hours and days of operation - No retailer shall sell or give away or otherwise dispense any alcoholic beverages except between the hours of eight A.M. (8:00 A.M.) and eleven P.M. (11 :00 P. M.) on Monday through Saturday. No retailer shall sell or give away alcoholic beverages

between eleven P.M. (11 :00 P.M.) on Saturday and eight A.M. (8:00 A.M.) on Monday each week.

(b) Sale during holidays - No retailer shall sell or give away alcoholic beverages on Thanksgiving Day, Christmas Day, New Year's Day, Independence Day (Fourth of July), and Labor Day.

(c) No pinball machine, music machine, or other amusement device shall be permitted in any liquor store.

(d) No alcoholic beverages shall be sold for consumption on the premises of the retailer.

(e) Retail liquor stores shall only sell alcoholic beverages.

(f) The sale and delivery of alcoholic beverages at a retail liquor store shall be confined to the building premises of the licensee, and no curb service or drive-thru service is permitted.

(14) License display. Persons granted a license to carry on any business or undertaking contemplated herein shall, before being qualified to do business, display and post and keep displayed and posted, in the most conspicuous place in their premises, such license.

(15) Advertising/signage. Advertising by a licensee, and signs, displays, posters and designs intended to advertise any alcoholic beverages, shall be governed by the applicable rules of the Tennessee Alcoholic Beverage Commission and/or the sign provisions and restrictions of the underlying zoning district as may be specified in the Jonesborough sign and zoning ordinances.

(16) Transfer of license and certificate. The holder of a license for a retail liquor store may not sell, assign or transfer such license to any other person, and such license shall be good and valid only for the twelve (12) months after the same was issued. Except as expressly authorized, there shall be no transfer of any license from one location to another. An application for a retail liquor store license from the Alcoholic Beverage Commission resulting from a change in ownership or store location shall require a re-submittal of an application for a certificate of compliance.

(17) Inspection fee levied. For the purpose of providing a means of regulating the sale of alcoholic beverages within the town, and to provide means of enforcing the provisions of this chapter, there is hereby levied and imposed an inspection fee of five percent (5%) of the wholesale price of all alcoholic beverages sold by wholesalers to any licensed retail liquor store within the corporate limits of Jonesborough. Collection of this inspection fee by wholesalers shall be undertaken under regulations established in Tennessee Code Annotated, §§ 57-3-501 through 57-3-503, including but not limited to the following:

(a) The inspection fee is imposed upon licensed retailers but is collected by wholesalers.

(b) The inspection fee shall be collected by the wholesaler at the time of the sale or at the time the retailer makes payment for the delivery

of the alcoholic beverages, and said fee may be added by the wholesaler to the invoice for alcoholic beverages sold to the licensed retailers.

(c) Each wholesaler making sales to retailers located within the Jonesborough city limits shall make monthly payments to the town.

(d) Monthly payments shall be paid by the twentieth (20th) day of the month following which sales were made, and shall be accompanied with monthly reports that include the information required in Tennessee Code Annotated, § 57-3-503.

(e) Wholesalers collecting and remitting inspection fees to the town shall be entitled to reimbursement for this collection service, a sum equal to five percent (5%) of the total amount of the inspection fees collected, and such reimbursement may be deducted and shown on the monthly report to the Town of Jonesborough.

(f) Failure to collect and/or report and/or to pay the inspection fee collected by the day required shall result in a penalty of ten percent (10%) of the fee due, which shall also be paid to the town.

(g) The Town of Jonesborough has the authority to audit the records of wholesalers reporting sales to retail liquor stores in Jonesborough to determine the accuracy of reports.

(h) Nothing within this § 2-108(17) herein shall relieve the licensee of the obligation for the payment of the inspection fee, and it shall be the licensee's duty to see that the payment of the inspection fee is made to the town recorder.

(i) The inspection fee levied in this chapter shall be in addition to any general gross receipts, sales and other general taxes applicable to the sale of alcoholic beverages, and shall not be in substitution for such taxes.

(18) Surrender of license if business discontinued. Whenever any licensee discontinues business for any reason, he/she shall immediately notify the Alcohol Beverage Commission and the town recorder in writing and surrender the licensee and certificate of compliance.

(19) Revocation procedures. Whenever the board of mayor and aldermen find that a licensee has been, or is, in violation of the Tennessee Code Annotated, title 57, chapter 1, the Rules and Regulations of the Alcoholic Beverage Commission, or the provisions of this chapter, the board shall certify such violation(s) to the state Alcoholic Beverage Commission, in such form as the commission requires. The Alcoholic Beverage Commission shall have the responsibility for determining whether the offender's license shall be revoked. The board of mayor and aldermen, upon determination of violations of state or local regulations governing the retail sale of alcoholic beverages may revoke the town issued certificate of compliance, and shall communicate said revocation to the Alcoholic Beverage Commission for possible further action.

(20) Penalties. Any violation of the terms of this chapter and section may be punishable by a fine under the general penalty clause of the

Jonesborough Municipal Code in addition to any other penalty herein provided, and in addition to the loss of license. Each separate occurrence shall constitute a separate violation. (as added by Ord. #2011-03, Jan. 2011, and amended by Ord. #2016-01, Feb. 2016 *Ch14_04-09-18*)

2-109. Food stores selling wine. (1) Sale authorized. It shall be lawful for a licensee to sell wine at retail in a food store within the corporate limits of Jonesborough provided background checks on the food store manager and responsible corporate officer and zoning are properly certified by the Jonesborough Board of Mayor and Aldermen and the license to sell wine has been properly issued by the Tennessee Alcoholic Beverage Commission under criteria established in Tennessee Code Annotated, § 57-3-806.

(2) License and certificate required. It shall be unlawful for any food store to sell wine at retail without first obtaining a certificate of compliance certifying clear background checks and the proper zoning, as well as an approved license to sell wine has been obtained from the Tennessee Alcoholic Beverage Commission.

(3) Number of food stores with license to sell wine retail. There is no limit to the number of food stores that can be permitted to sell wine if they meet local and state criteria.

(4) Application for certificate of compliance. Applications for a certificate of compliance must be filled out completely, and the completed application must be acted upon by the Jonesborough Board of Mayor and Aldermen within sixty (60) days or the application is deemed granted.

(a) A background check must be undertaken on the store manager, and, if a corporation, the CEO or corporate officer responsible for the food store in Jonesborough.

(b) The required background checks must determine if the manager or corporate officer in charge has been convicted of a felony in the last ten (10) years.

(c) The background checks must be initiated by the applicant and the cost of the background check will be the sole responsibility of the applicant. Background checks must be undertaken by a reputable firm, approved by the State and Federal government, that can undertake a national search using fingerprint technology to determine if a felony has been committed in the last ten (10) years. Background search results must be submitted to the Town of Jonesborough along with the necessary address and contact information of the firm utilized for the search so a verification of results can be obtained. An application for a certificate of compliance is not considered complete until the background check results have been submitted to the town.

(d) The property must be properly identified to allow town staff and the town board to make a determination of proper zoning.

(e) A certificate of compliance application fee will be two hundred fifty dollars (\$250.00) or the maximum allowed by state law. [as added by Ord. #2016-01, Feb. 2016 *Ch14_04-09-18*]
