the trustees deem advisable, for utilization in the satisfaction of any contractual 
obligations assumed by or imposed upon the City of Tullahoma as a result of 
said asset purchase agreement aforementioned, and any agreements, exhibits, 
letter memos, or undertakings associated therewith. At such time as said 
trustees determine that there is no longer any necessity to retain said funds in 
excess of ten million dollars ($10,000,000.00) in short term investments, then

shall be at an end.

shall require financial institutions acting as depositories for any funds owned 
and/or controlled by the City of Tullahoma or any of its agencies, including but 
not limited to, the Tullahoma Utilities Board, the Tullahoma Board of 
Education, etc., to pledge assets to secure said public funds, at any time when 
said funds located in and deposited with said financial institution are in excess 
of deposit insurance coverages applicable to said deposit or deposits, said assets
so pledged to be as are designated by the board of mayor and alderman, from
time to time, by action properly taken and/or as is required by the laws of the
State of Tennessee, including but not limited to, Tennessee Code Annotated,
§ 9-1-107; and any Tennessee state or national bank, or savings and loan
association may be utilized as a depository for city money so long as the portion

is secured by collateral having a market value of 105% of the uninsured portion
of deposits. Such collateral shall be securities of a type and quality as specified
by the board of mayor and aldermen as aforedescribed, except that securities of
the United States Government or its agencies, securities backed by the full faith
and credit of the State of Tennessee, and securities backed by the full faith and

County, Tennessee, shall always be acceptable as collateral for deposits. Securities will be pledged to the City of Tullahoma as collateral for deposits by
placing them in escrow with a trustee approved by the Board of Mayor and
Aldermen of the City of Tullahoma, by resolution, from time to time. Any
security thus placed in escrow may be replaced by a security of the kind
specified in this paragraph, which has an equal or greater market value, without
prior authorization by the City of Tullahoma. Replacement by any other
security must first be authorized in writing by the city official having custody
of the funds, or by the board of mayor and aldermen.

Any present city depository that has pledged as collateral for deposits any
securities not of the kind specified as acceptable must replace those securities

since repurchase agreements, by definition, call for the pledging of assets, which
assets might be of different nature from those required herein; however, said
assets so pledged, pursuant to any repurchase agreement, must be acceptable
to the Director of Finance of the City of Tullahoma at all times.
