15-601. Generally. No person shall leave any motor vehicle unattended on any street without first setting the brakes thereon, stopping the motor, removing the ignition key, and turning the front wheels of such vehicle toward the nearest curb or gutter of the street.

Except as hereinafter provided, every vehicle parked upon a street within this city shall be so parked that its right wheels are approximately parallel to and within eighteen (18) inches of the right edge or curb of the street. On one-way streets where the city has not placed signs prohibiting the same, vehicles may be permitted to park on the left side of the street, and in such cases the left wheels shall be required to be within eighteen (18) inches of the left edge or curb of the street.

Notwithstanding anything else in this code to the contrary, no person shall park or leave a vehicle parked on any public street or alley within the fire limits between the hours of 1:00 A.M. and 5:00 A.M. or on any other public street or alley for more than twenty-four (24) consecutive hours without the prior approval of the chief of police.

Furthermore, no person shall wash, grease, or work on any vehicle, except to make repairs necessitated by an emergency, while such vehicle is parked on a public street. (2003 Code, § 9-501)

15-602. Angle parking. On those streets which have been signed or marked by the city for angle parking, no person shall park or stand a vehicle other than at the angle indicated by such signs or markings. No person shall angle park any vehicle which has a trailer attached thereto or which has a length in excess of twenty-four (24) feet. (2003 Code, § 9-502)

15-603. Occupancy of more than one space. No person shall park a vehicle in any designated parking space so that any part of such vehicle occupies more than one such space or protrudes beyond the official markings on the street or curb designating such space unless the vehicle is too large to be parked within a single designated space. (2003 Code, § 9-503)

15-604. Where prohibited. No person shall park a vehicle in violation of any sign placed or erected by the state or city, nor:

- (8) Alongside or opposite any street excavation or obstruction when other traffic would be obstructed.
- (9) On the roadway side of any vehicle stopped or parked at the edge or curb of a street.
- (10) Upon any bridge.
- (11) Alongside any curb painted yellow or red by the city. (2003 Code, § 9-504)

15-605. Loading and unloading zones. No person shall park a vehicle for any purpose or period of time other than for the expeditious loading or unloading of passengers or merchandise in any place marked by the city as a loading and unloading zone. (2003 Code, § 9-505)

15-606. Junk vehicles not to be left on street right-of-way. No person or firm shall leave or allow to be left on any state, county, or city street right-of-way inside the city any motor vehicle of any kind which is incapable of being operated and which it would not be economically practicable to make operative or which does not display a current valid state vehicle registration tag. (2003 Code, § 9-506)

15-607. Presumption with respect to illegal parking. When any unoccupied vehicle is found parked in violation of any provision of this chapter, there shall be a prima facie presumption that the registered owner of the vehicle is responsible for such illegal parking. (2003 Code, § 9-507)

- 15-701. Issuance of traffic citations.
- 15-702. Deposit of chauffeur's or operators license in lieu of bail.
- 15-703. Failure to obey citation.
- 15-704. Illegal parking.

- 15-706. Disposal of abandoned motor vehicles.
- 15-707. Violation and penalty.

15-701. Issuance of traffic citations.¹ When a police officer halts a traffic violator other than for the purpose of giving a warning, and does not take such person into custody under arrest, he shall take the name, address, and operator's license number of said person, the license number of the motor vehicle involved, and such other pertinent information as may be necessary, and shall issue to him a written traffic citation containing a notice to answer to the charge against him in the city court at a specified time. The officer, upon receiving the written promise of the alleged violator to answer as specified in the citation, shall release such person from custody. It shall be unlawful for any alleged violator to give false or misleading information as to his name or address. (2003 Code, § 9-601)

15-702. Deposit of chauffeur's or operator's license in lieu of bail.

(1) Whenever any person lawfully possessed of a chauffeur's or operator's license issued by the Tennessee Department of Safety, or under the driver licensing laws of any other state or territory or the District of Columbia, is issued a citation or arrested and charged with the violation of any municipal ordinance or state statute regulating traffic, except those ordinances and statutes, the violation of which call for the mandatory revocation of an operator's or chauffeur's license for any period of time, such person shall have the option of depositing his chauffeur's or operator's license with the officer or court demanding bail in lieu of any other security required for his appearance in the city court of this city in answer to such charge before said court.

(2) The officer or the court demanding bail, who receives any person's chauffeur's or operator's license as herein provided, shall issue to said person a receipt for said license upon a form approved or provided by the Tennessee Department of Safety.

(3) In the event that any driver who has deposited his chauffeur's or operator's license in lieu of bail fails to appear in answer to the charge filed against him, the clerk or judge of the city court accepting the license shall forward the same to the Tennessee Department of Safety where disposition by said department shall be made in accordance with provisions of Tennessee Code Annotated. (2003 Code, § 9-602)

15-703. Failure to obey citation. It shall be unlawful for any person to violate his written promise to appear in court after giving said promise to an officer upon the issuance of a traffic citation, regardless of the disposition of the charge for which the citation was originally issued. 15-704. Illegal parking. Whenever any motor vehicle without a driver is found parked or stopped in violation of any of the restrictions imposed by this code, the officer finding such vehicle shall take its license number and may take any other information displayed on the vehicle which may identify its user, and shall conspicuously affix to such vehicle a citation for the driver and/or owner to answer for the violation within ten (10) days during the hours and at a place specified in the citation. (2003 Code, § 9-604, modified)

15-705. Impoundment of vehicles. Members of the police department are hereby authorized, when reasonably necessary for the security of the vehicle or to prevent obstruction of traffic, to remove from the streets and impound any vehicle whose operator is arrested, or any unattended vehicle which is illegally parked so as to constitute an obstruction or hazard to normal traffic. Any impounded vehicle shall be stored until the owner or other person entitled thereto, claims it, gives satisfactory evidence of ownership or right to possession, and pays all applicable fees and costs, or until it is otherwise lawfully disposed of. The fee for impounding a vehicle shall be seventy-five dollars (\$75.00) and the storage cost shall be fifty dollars (\$50.00) for each twenty-four (24) hour period or fraction thereof during which the vehicle is stored. (2003 Code, § 9-605, as amended by Ord. #16-478, April 2016)

15-706. Disposal of abandoned motor vehicles. "Abandoned motor vehicles," as defined in Tennessee Code Annotated, shall be impounded and disposed of by the police department in accordance with the provisions of Tennessee Code Annotated. (2003 Code, § 9-606)

15-707. Violation and penalty. Any violation of this chapter shall be a civil offense punishable as follows: (1) Traffic citations. Traffic citations shall be punishable by a civil penalty up to fifty dollars (\$50.00) for each separate offense.

(2) Parking citations. For parking violations, the offender may, within ten (10) days, have the charge against him disposed of by paying to the city

recorder a fine of three dollars (\$3.00) provided he waives his right to a judicial hearing. If he appears and waives his right to a judicial hearing after ten (10) days but before a warrant is issued for his arrest, his fine shall be five dollars (\$5.00). (2003 Code, § 9-604, modified)
