Applicants for positions, prior to their appointment, will be required to undergo a post-offer physical examination and to undergo pre-employment drug test to determine physical and mental fitness to perform work in the position to which appointment is to be made. Applicants may also be required to submit to an alcohol test prior to employment. Physical examinations and drug/alcohol testing will be performed at no cost to the applicant. Failure to pass a physical examination will make an applicant ineligible for employment with the city if he/she is unable to perform the essential job functions of the position. Drug/alcohol testing will be performed and determination of results will be completed under the city's substance abuse program. (1976 Code, § 1-809, as renumbered by Ord. #356, Dec. 2000, and replaced by Ord. #365, Nov. 2001)

Only the board of alderman has the authority to increase the size of the city number of total employees in each department, the number of each rank or level within each department and the pay range or scale for each rank or level. 4-213. Probationary period. The probationary period for all regular appointments, including promotional appointments and transfers, shall be for a period of six months. The employee's supervisor will tell the employee, during the probationary period, when performance is not satisfactory and is not meeting probationary test requirements.

An additional probationary period of up to three months may be requested in writing by the department head. A copy of the written request for extension shall be given to the probationary employee and a copy shall be filed with the city recorder. No employee shall serve more than nine months on a probationary basis in any one position.

At least 5 days prior to the expiration of an employee's probationary period, the department head shall notify the mayor if the service of the employee has been unsatisfactory, and the department head's recommendation for demotion or release from employment. Said recommendation shall be filed with the mayor and the city recorder.

Successful completion of the probationary period does not confirm a property right in the position as stated in § 4-201. (1976 Code, § 1-812, as renumbered by Ord. #356, Dec. 2000, and replaced by Ord. #365, Nov. 2001)

Unauthorized absence from work for a period of two consecutive work days or one shift day may be considered by the department head as a resignation.

All departments shall keep daily attendance records of their employees. When an employee is absent from work for any reason, the respective department head shall complete a leave report stating; the type of leave, the amount of time off from work and reason for the absence, so the official leave records may be updated. (1976 Code, § 1-813, as renumbered by Ord. #356, Dec. 2000, and replaced by Ord. #365, Nov. 2001)

4-216. Overtime. Overtime may be authorized by prior approval of the department head. Department heads have the authority to require any employee in his/her department to work extra time as required may be grounds for disciplinary action. Department heads are not eligible to receive any overtime pay. All employees, except department heads, required to work overtime shall be paid on the basis of one and one-half (1 1/2) times the hours worked, except for the employees of the fire department. Employees of the fire department that are required to work extra time will be paid based on the minimum regulations of the Fair Labor Standards Act. Insurance will become effective within 60 days from date of employment. Insurance coverage will be of the type and form approved by a majority of the board of mayor and aldermen. (1976 Code, § 1-816, as renumbered by Ord. #356, Dec. 2000, and replaced by Ord. #365, Nov. 2001)

These shall be New Years Day, Martin Luther King Jr.'s Birthday, President's Day, Good Friday, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, the Friday after Thanksgiving, Christmas Eve and Christmas Day. When a holiday falls on a Saturday or Sunday, the preceding Friday, or the following Monday shall be observed as a holiday. Due to the necessity of coverage in some departments, some employees will be on duty during a holiday and can either select another day, subject to the approval of the department head, or receive extra pay for the time worked. If another day is selected, it will have to be selected and taken by the end of the next twelve (12) month period following the holiday.

4-219. Vacation leave. All full-time officers and full-time employees who have been continuously employed for one (1) year or longer shall be credited with earned vacation leave in accordance with the following schedule:

<u>Completed Service</u>	<u>Vacation Credit Per Year</u>
After 1 year	5 working days
After 3 years	10 working days
After 10 years	15 working days
After 15 years	20 working days
After 20 years	25 working days

For employees of the fire department the schedule shall be as follows:

<u>Completed Service</u>	<u>Vacation Credit Per Year</u>
After 1 year	4 - 1/2 shift days
After 3 years	8 - 1/2 shift days
After 10 years	12 - 1/2 shift days

After 15 years

16 - 1/2 shift days

After 20 years

20 - 1/2 shift days

A working day shall equal eight (8) hours, and one half (1/2) shift day shall equal twelve (12) hours.

The above schedule and credits are for uninterrupted service computed from the most recent date of continuous employment. New employees shall not be eligible for vacation until they have worked one full year. An employee will not earn any vacation leave for a portion of year that is not fully completed until his/her anniversary date of employment. Vacation leave shall be taken as earned subject to the approval of the department head or acting department head, who shall schedule vacations so as to meet the operational requirements of the department. Department heads should notify and schedule their annual leave with the mayor. Employees may accrue vacation leave to a maximum of forty (40) working days for regular employees and eighteen (18) shift days for the fire department. If any employee exceeds this maximum, the number of days in excess of the maximum will automatically be transferred when they are accrued to sick leave and shall be used according to the regulations of § 4-220. The city will not pay for vacation days earned but not taken except to employees who have voluntarily or involuntarily terminated their employment with the city. Provided, however, that no terminating employee's accrued days shall exceed the maximum.

An employee may transfer/donate vacation leave to another city employee under the following rules. The receiving employee must have used all of his/her leave time that is allowed for the absence including unpaid holidays, vacation leave and sick leave (if allowed for the absence) prior to being eligible to receive a donation of vacation leave from another employee. In order to receive a donation of vacation leave, the time away from work must qualify under the regulations of FMLA. The time donated is transferred based on the dollar value of the hours not hour for hour to take care of varied pay rates. The minimum amount of leave that can be transferred is four (4) hours. The donating employee must sign a form authorizing the transfer and should include the total hours transferred, total dollars transferred and the receiving employee. (1976 Code, § 1-818, as renumbered by Ord. #356, Dec. 2000, amended by Ord. #360, June 2001, replaced by Ord. #365, Nov. 2001, and amended by Ord. #418, Dec. 2006)

4-220. Sick leave. All full-time officers and full-time employees shall be given credit of one (1) working day, eight (8) hours, of sick leave with pay for each month of employment. Each full-time employee of the fire department shall be given credit for one-half (1/2) shift day, twelve (12) hours, of sick leave pay for each month of employment. All such employees shall periodically be credited in the official records with accumulated sick leave credits in accordance with this accrual rate. Sick leave accrual shall be unlimited.

Sick leave may be taken for the following reasons: personal illness or physical incapacity resulting from causes beyond employee's control, enforced quarantine of the employee in accordance with community health regulations; to keep a doctor or dentist appointment, a death of an immediate family member or for general family/bereavement leave. Sick leave shall not be considered as a right which an employee may use at his discretion, but rather a privilege. Claiming sick leave when physically fit, except when provided by this section, shall be grounds for discharge.

When an employee is absent due to reasons as provided above, in order to be granted sick leave with pay, he/she must meet the following conditions: notify his/her department head or acting department head prior to the beginning of the scheduled work day, or shift day, of the reason for absence; present, if required by the department head, evidence of such medical examination or nursing visit or inquiry as these officials deem advisable. A department head may require a medical certificate signed by a licensed physician certifying that the employee has been incapacitated for work for the period of absence, nature of the employee's sickness or injury, and that he is again physically able to perform his duties. For regular full-time employees, such medical certificate shall be a must for all sick leave periods in excess of two (2) consecutive work days or for any sick leave in excess of sixteen (16) hours during a calendar month. For employees of the fire department, such medical certificate shall be a must for all sick leave periods in excess of one (1) shift day or twenty-four (24) hours per calendar month. When an employee works his/her final day "physically on the job" due to planned retirement or resignation, he/she must have a medical certificate for any leave claimed as sick leave.

Limited use of sick leave for general family/bereavement leave. Any employee who maintains a minimum balance of ten (10) days (8 - 1/2 shift days for the fire department) of sick leave shall be eligible to use five (5) days (4 - 1/2 shift days for the fire department) of sick leave each calendar year for general immediate family care or bereavement purposes. At no time shall the amount of sick leave be drawn below ten (10) days by using such general family/bereavement leave nor shall any employee be eligible for more than five (5) days during a calendar year. General immediate family care shall include: care for sick members of the immediate family, carry an immediate family member to a doctor or dentist appointment, etc. Bereavement shall be used to attend any funeral other than immediate family members who are covered by regular sick leave. In order to be granted general family/bereavement leave with pay, an employee must meet the following conditions: notify his/her department head or acting department head prior to the beginning of the scheduled work day, or shift day, of the reason for absence and must receive approval of the department head. A department head may request documentation that the leave requested meets the requirement of general family/bereavement leave.

The illegal possession and use of drugs, alcohol and/or narcotics by employees of the city is a crime in this jurisdiction and clearly unacceptable. Therefore the City of Henderson has adopted this written policy to ensure an employee's fitness for duty. (1976 Code, § 1-901, as replaced by Ord. #365, Nov. 2001)

The letter of notification shall identify the particular substance found and its concentration level. (1976 Code, § 1-908, as replaced by Ord. #365, Nov. 2001)

CHAPTER 5**TRAVEL REIMBURSEMENT REGULATIONS****SECTION**

- 4-501. Purpose.
- 4-502. Enforcement.
- 4-503. Miscellaneous rules and regulations.
- 4-504. Disciplinary action.
- 4-505. Travel request.
- 4-506. City vehicle use.
- 4-507. Personal vehicle use.
- 4-508. Lodging.
- 4-509. Meals and incidentals.
- 4-510. Miscellaneous expenses.
- 4-511. Travel reconciliation.

4-501. Purpose. The purpose of this chapter is to bring the city into compliance with Public Acts 1993, chapter 433. This Act requires Tennessee municipalities to adopt travel and expense regulations covering expenses incurred by "any mayor and any member of the local governing body and any board or committee member elected or appointed by the mayor or local governing body, and any official or employee of the municipality whose salary is set by Charter or general law."

To provide consistent travel regulations and reimbursement, this chapter is expanded to cover regular city employees. It is the intent of this policy to assure fair and equitable treatment to all individuals traveling on city business at city expense. (Ord. #270, Aug. 1993, as replaced by Ord. #440, Feb. 2009)

4-502. Enforcement. The mayor of the city or his/her designee shall be responsible for the enforcement of these travel regulations. (Ord. #270, Aug. 1993, as replaced by Ord. #440, Feb. 2009)

4-503. Miscellaneous rules and regulations. In the interpretation and application of this chapter, the term "traveler" or "authorized traveler" means any elected or appointed municipal officer or employee, including members of municipal boards and committees appointed by the mayor or the municipal governing body, and the employees of such boards and committees who are traveling on official municipal business and whose travel was authorized in accordance with this chapter. "Authorized traveler" shall not include the spouse, children, other relatives, friends, or companions accompanying the authorized traveler on city business, unless the person(s) otherwise qualifies as an authorized traveler under this chapter.

Authorized travelers are entitled to reimbursement of certain expenditures incurred while traveling on official business for the city. Reimbursable expenses shall include expenses for transportation; lodging; meals; registration fees for conferences, conventions, and seminars; and other actual and necessary expenses related to official business as determined by the mayor. The travel expense reimbursement form will be used to document all expense claims.

To qualify for reimbursement, travel expenses must be: directly related to the conduct of the city business for which travel was authorized, and actual, reasonable, and necessary under the circumstances. Expenses considered excessive will not be allowed. (Ord. #270, Aug. 1993, as replaced by Ord. #440, Feb. 2009)

4-504. Disciplinary action. Violation of travel rules can result in disciplinary action for employees including possible termination of employment. Any person attempting to defraud the city or misuse city travel funds is subject to legal action for recovery of fraudulent travel claims and/or advances. Travel fraud will result in criminal prosecution of officials and/or employees. (Ord. #270, Aug. 1993, as replaced by Ord. #440, Feb. 2009)

4-505. Travel request. To be eligible for reimbursement of official travel expenses, an approved travel authorization form is required for trips where the combination of all expenses (including mileage, gas, lodging, meals and conference fees) exceeds one hundred dollars (\$100.00). Lack of pre-approval will prohibit reimbursement on travel expenses in excess of one hundred dollars (\$100.00). Trips that contain travel expenses of less than one hundred dollars (\$100.00) will not require a travel authorization form to be filed prior to travel. When required, all costs associated with the travel should be reasonably estimated and shown on the travel authorization form. The traveler must prepare an accurate description of the travel and why it is necessary. A copy of the conference program, if applicable, should be attached to the form. If the program isn't available prior to the travel, submit it with the reimbursement form. Travel advances will not be given but prepayment of registration fees, lodging, etc. will be allowed when paid directly to the provider. (Ord. #270, Aug. 1993, as replaced by Ord. #440, Feb. 2009)

4-506. City vehicle use. When out of town travel is required, the city may require the employee to drive a city vehicle. If a city vehicle is assigned to an employee, special permission must be obtained from the department head or mayor for an employee to use a personal vehicle (see § 4-507 below). If a city vehicle is provided for travel, the traveler is responsible for seeing that the vehicle is used properly and only for acceptable reasons. Acceptable reasons shall be:

- (1) Between places of official business;

(2) To and from places of temporary lodging; and

(3) Between either (1) or (2) of this section and restaurants, drug stores or similar places related to comfort and health of the business traveler.

The employee will be reimbursed for expenses directly related to the actual and normal use of the city vehicle when proper documentation is provided. Out-of-town repair cost to the city vehicle in excess of one hundred dollars (\$100.00) must be cleared with the proper city official before the repair is authorized.

Fines for traffic or parking violations while using a city vehicle will not be reimbursed by the city. (Ord. #270, Aug. 1993, as replaced by Ord. #440, Feb. 2009)

4-507. Personal vehicle use. Employees shall use city vehicles when available. If a city vehicle is assigned to an employee, it shall be assumed that the city vehicle will be used for out of town travel. If an employee is not assigned a city vehicle, a vehicle "may" be made available by the city. In any case, use of a private vehicle for business related travel must be approved in advance by the mayor or department head.

If a city vehicle is not available for business related travel, the city will pay a mileage rate which is set and updated as needed by resolution adopted by the city board. If a city vehicle is available for the employee to use and the employee chooses to use his personal vehicle, the city will pay a reduced mileage rate which is set and updated as needed by resolution adopted by the city board. The miles for reimbursement shall be paid from origin to destination and back by the most direct route. Necessary vicinity travel related to official city business will be reimbursed. If an indirect route is taken, the Rand-McNally mileage table will be used to determine the mileage to be reimbursed.

If a privately owned automobile is used by two (2) or more travelers on the same trip, only the traveler who owns or has custody of the automobile will be reimbursed for mileage. It is the responsibility of the traveler to provide adequate insurance to hold harmless the city for any liability from the use of the private vehicle.

Travelers will not be reimbursed for automotive repair, breakdowns, or fuel when using their personal vehicle.

Fines for traffic or parking violations while using a city vehicle or a personal vehicle will not be reimbursed by the city. (Ord. #270, Aug. 1993, modified, as replaced by Ord. #409, Sept. 2005, Ord. #428, Dec. 2007, Ord. #440, Feb. 2009, and Ord. #477, June 2013)

4-508. Lodging. The authorized traveler shall attempt to select hotels or motels that are reasonably priced and they should request special government rates if available. Even if it costs more, travelers may be allowed to stay at the officially designated hotel of the meeting or conference. Lodging

receipts must be submitted with the reimbursement form. (Ord. #270, Aug. 1993, as replaced by Ord. #440, Feb. 2009)

4-509. Meals and incidentals. This city will pay per diem for meals, including related tips and incidentals (M&IE), only when travel is for more than twelve (12) hours at an approved rate per day which is set and updated as needed by resolution adopted by the city board based on the table below. No receipts are required for meals, related tips and incidentals. No more than the approved rate will be paid for meals on any one (1) day for any one (1) traveler.

When travel is		Your allowance is

When prisoners are transported by police officers and meals are purchased for said prisoner, meals shall be reimbursed to the officer at a reasonable rate provided the officer shall provide the actual receipt for said meal(s). (Ord. #270, Aug. 1993, modified, as replaced by Ord. #440, Feb. 2009, and Ord. #477, June 2013)

4-510. Miscellaneous expenses. Registration fees for approved conferences, conventions, seminars, meetings, and other educational programs will be allowed and will generally include the cost of official banquets, meals, lodging, and registration fees. Registration fees should be specified on the original travel authorization form and can include a request for a pre-registration fee payment. Parking fees, rental car fees, taxi or other business related expenses will be reimbursed at actual cost as long as the traveler provides receipts.

Laundry, valet service, baggage handling and tips or gratuities paid for such services are considered personal expenses and are not reimbursable. (Ord. #270, Aug. 1993, as replaced by Ord. #440, Feb. 2009)

4-511. Travel reconciliation. Within ten (10) days of return from travel, the traveler is expected to complete and file the expense reimbursement form. It must be certified by the traveler that the amount due is true and

accurate. Lodging, travel, taxi, parking fees, and other required receipts must be attached. A copy of the travel authorization form, when required, should be attached with the reconciliation. If a travel authorization was not required, a brief description of the trip is to be included on the reconciliation. Direct payments made by the city should be included on the travel reconciliation form in the space provided. The travel reconciliation form shall be signed by the department head and the mayor or his/her designee prior to payment being made. (Ord. #270, Aug. 1993, as replaced by Ord. #440, Feb. 2009)

4-604. Disclosure of personal interest in nonvoting matters.
