- (d) A public park;
- (e) A licensed day-care center;
- (f) Another sexually oriented business;
- (g) The property line of a lot devoted to residential use;
- (h) Public library;
- (i) A business licensed to sell beer or alcoholic beverages; or
- (j) Funeral home.

(2) A sexually oriented business may not be operated in the same building, structure, or portion thereof, containing another sexually oriented business.

(3) For the purpose of this chapter, measurement shall be made in a straight line, without regard to intervening structures or objects, from and to the nearest lot lines of said premises. (1999 Code, § 9-412)

**9-313. Non-conforming uses.** (1) Any business lawfully operating on the effective date of this chapter that is in violation of the locational or structural configuration requirements of this chapter shall be deemed a non-conforming use. The non-conforming use will be permitted to continue for a period not to exceed two years, unless sooner terminated for any reason or

voluntarily discontinued for a period of thirty (30) days or more. Such non-conforming uses shall not be increased, enlarged, extended or altered except that the use may be changed to a conforming use. If two or more sexually oriented businesses are within 1,000 feet of one another and otherwise in a permissible location, the sexually oriented business that was first established and continually operating at a particular location is the conforming use and the later-established business(es) is non-conforming.

(2) A sexually oriented business lawfully operating as a conforming use is not rendered a non-conforming use by the location, subsequent to the grant or renewal of the sexually oriented business permit and/or license, of a church, synagogue, or regular place of religious worship, public or private elementary or secondary school, licensed day-care center, public park, or residential district within one thousand (1,000) feet of the sexually oriented business. This provision applies only to the renewal of a valid permit and/or license, and does not apply when an application for a permit and/or license is submitted after a permit and/or license has expired or has been revoked. (1999 Code, § 9-413)

**9-314. Additional regulations for adult motels.** (1) Evidence that a sleeping room in a hotel, motel, or a similar commercial establishment has been rented and vacated two or more times in a period of time that is less than ten (10) hours creates a rebuttable presumption that the establishment is an adult motel as that term is defined in this chapter.

(2) It is unlawful if a person, as the person in control of a sleeping room in a hotel, motel, or similar commercial establishment that does not have a sexually oriented permit and/or license, rents or sub-rents a sleeping room to a person and, within ten (10) hours from the time the room is rented, he rents or sub-rents the same sleeping room again.

(3) For purposes of subsection (2) of this section, the terms "rent" or "sub-rent" mean the act of permitting a room to be occupied for any form of consideration. (1999 Code, § 9-414)

**9-315. Regulations pertaining to exhibition of sexually explicit films or videos.** (1) A person who operates or causes to be operated a sexually oriented business, other than an adult motel, which exhibits on the premises in a viewing room of less than one hundred fifty (150) square feet of floor space, a film, video cassette, or other video reproduction that depicts specified sexual activities or specified anatomical areas, shall comply with the following requirements:

(a) Upon application for a sexually oriented permit and/or license, the application shall be accompanied by a diagram of the premises showing a plan thereof specifying the location of one or more manager's stations and the location of all overhead lighting fixtures and designating any portion of the premises in which patrons will not be

permitted. A manager's station may not exceed thirty-two (32) square feet of floor area. The diagram shall also designate the place at which the permit will be conspicuously posted, if granted. A professionally prepared diagram in the nature of an engineer's or architect's blueprint shall not be required; however, each diagram should be oriented to the north or to some designated street or object and should be drawn to a designated scale or with marked dimensions sufficient to show the various internal dimensions of all areas of the interior of the premises to an accuracy of plus or minus six inches (6"). The recorder may waive the foregoing diagram for renewal applications if the applicant adopts a diagram that was previously submitted and certifies that the configuration of the premises has not been altered since it was prepared.

(b) The application shall be sworn to be true and correct by the applicant.

(c) No alteration in the configuration or location of a manager's station may be made without the prior approval of the recorder or his designee.

(d) It is the duty of the owners and operator of the premises to ensure that at least one employee is on duty and situated in each manager's station at all times that any patron is present inside the premises.

(e) The interior of the premises shall be configured in such a manner that there is an unobstructed view from a manager's station of every area of the premises to which any patron is permitted access for any purpose excluding restrooms. Restrooms may not contain video reproduction equipment. If the premises has two or more manager's stations designated, the interior of the premises shall be configured in such a manner that there is an unobstructed view of each area of the premises to which any patron is permitted access for any purpose from at least one of the manager's stations. The view required in this subsection must be by direct line of sight from the manager's station.

(f) It shall be the duty of the owners and operator, and it shall also be the duty of any agents and employees present in the premises, to ensure that the view area specified in subsection (e) remains unobstructed by any doors, walls, merchandise, display racks or other materials at all times and to ensure that no patron is permitted access to any area of the premises that has been designated as an area in which patrons will not be permitted in the application filed pursuant to subsection (a) of this section.

(g) No viewing room may be occupied by more than one person at any time.

(h) The premises shall be equipped with overhead lighting fixtures of sufficient intensity to illuminate every place to which patrons

are permitted access at an illumination of not less than one (1.0) foot-candle as measured at the floor level.

(i) It shall be the duty of the owners and operator, and it shall also be the duty of any agents and employees present in the premises, to ensure that the illumination described above is maintained at all times that any patron is present in the premises. (1999 Code, § 9-415, modified)

**9-316. Exterior portions of sexually oriented businesses.**

(1) It shall be unlawful for an owner or operator of a sexually oriented business to allow the merchandise or activities of the establishment to be visible from a point outside the establishment.

(2) It shall be unlawful for the owner or operator of a sexually oriented business to allow the exterior portion of the sexually oriented business to have flashing lights, or any words, lettering, photographs, silhouettes, drawings, or pictorial representations of any manner except to the extent permitted by the provisions of this chapter.

(3) It shall be unlawful for the owner or operator of a sexually oriented business to allow exterior portions of the establishment to be painted any color other than a single achromatic color. This provision shall not apply to a sexually oriented business if the following conditions are met:

(a) The establishment is a part of a commercial multi-unit center; and

(b) The exterior portions of each individual unit in the commercial multi-unit center, including the exterior portions of the business, are painted the same color as one another or are painted in such a way so as to be a component of the overall architectural style or pattern of the commercial multi-unit center.

(4) Nothing in this chapter shall be construed to require the painting of an otherwise unpainted exterior portion of a sexually oriented business. (1999 Code, § 9-416)

**9-317. Signage.** (1) Notwithstanding any other city chapter, code, or regulation to the contrary, it shall be unlawful for the owner or operator of any sexually oriented business or any other person to erect, construct, or maintain any sign for the sexually oriented business other than the one (1) primary sign and one (1) secondary sign, as provided herein.

(2) Primary signs shall have no more than two (2) display surfaces. Each such display surface shall:

(a) Not contain any flashing lights;

(b) Be a flat plane, rectangular in shape;

(c) Not exceed seventy-five (75) square feet in area; and

(d) Not exceed ten (10) feet in height or ten (10) feet in length.

(3) Primary signs shall contain no photographs, silhouettes, drawings or pictorial representations in any manner, and may contain only the name of the enterprise.

(4) Each letter forming a word on a primary sign shall be of solid color, and each such letter shall be the same print-type, size and color.

(5) Secondary signs shall have only one (1) display surface. Such display surface shall:

- (a) Be a flat plane, rectangular in shape;
- (b) Not exceed twenty (20) square feet in area;
- (c) Not exceed five (5) feet in height and four (4) feet in width;

and

- (d) Be affixed or attached to any wall or door of the enterprise.

(6) The provisions of item (a) of subsection (2) and subsection (3) and (4) shall also apply to secondary signs. (1999 Code, § 9-417)

**9-318. Persons younger than eighteen prohibited from entry; attendant required.** (1) It shall be unlawful to allow a person who is younger than eighteen (18) years of age to enter or be on the premises of a sexually oriented business at any time that the sexually oriented business is open for business.

(2) It shall be the duty of the operator of each sexually oriented business to ensure that an attendant is stationed at each public entrance to the sexually oriented business at all times during such sexually oriented businesses' regular business hours. It shall be the duty of the attendant to prohibit any person under the age of eighteen (18) years from entering the sexually oriented business. It shall be presumed that an attendant knew a person was under the age of eighteen (18) unless such attendant asked for and was furnished:

- (a) A valid operators, commercial operator's, or chauffeur's driver's license; or
- (b) A valid personal identification certificate issued by the State of Tennessee reflecting that such person is eighteen (18) years of age or older. (1999 Code, § 9-418)

**9-319. Exemptions.** It is a defense to prosecution under this chapter that a person appearing in a state of nudity did so in a modeling class operated:

(1) By a proprietary school, licensed by the State of Tennessee; a college, junior college, or university supported entirely or partly by taxation;

(2) By a private college or university that maintains and operates educational programs in which credits are transferable to a college, junior college, or university supported entirely or partly by taxation. (1999 Code, § 9-419)

**9-320. Notices.** (1) Any notice required or permitted to be given by the recorder or any other city office, division, department or other agency under this

chapter to any applicant, operator or owner of an establishment may be given either by personal delivery or by certified United States mail, postage prepaid, return receipt requested, addressed to the most recent address as specified in the application for the permit, or transfer application that has been received by the recorder, or any notice of address change that has been received by the recorder. Notices mailed as above shall be deemed given upon their deposit in the United States mail. In the event that any notice given by mail is returned by the postal service, the recorder or his designee shall cause it to be posted at the principal entrance to the establishment.

(2) Any notice required or permitted to be given to the recorder by any person under this chapter shall not be deemed given until and unless it is received in the office of the recorder.

(3) It shall be the duty of each owner who is designated on the permit application and each operator to furnish notice to the recorder in writing of any change or residence or mailing address. (1999 Code, § 9-420, modified)

**9-321. Violation.** Any person who shall violate any provision of this chapter shall be guilty of an offense against the City of Lawrenceburg punishable by a fine not to exceed state authorized limits. Any person who operates or causes to be operated a sexually oriented business without a valid permit and/or license or otherwise violates this chapter is subject to a suit for injunction. (1999 Code, § 9-421, modified)

## CHAPTER 4

### GARAGE OR YARD SALES

#### SECTION

9-401. Garage sales, yard sales, etc.

**9-401. Garage sales, yard sales, etc.** (1) "Garage sales, yard sales, etc." means the sale or trading of clothing, furniture, household items, food, dishes, antiques or similar goods or merchandise, other than in the normal course of business, or the sale or trading of such goods, as outlined in this definition, by a person not regularly engaged in such business. Such goods or merchandise do not need to be attended for a sale to be deemed to be in existence. The term "yard sale" shall include garage sales, estate sales, carport sales and similar types of sales or events.

(2) Location and manner of yard sale. Yard sales may be held on a lot or parcel of land upon which there is situated a house, apartment or other structure which is utilized primarily for residential purposes. Persons conducting sales held upon vacant lots or upon lots upon which there is situated a structure that is utilized primarily for any use, other than residential purposes must have the express written consent of the owner of the premises.

(3) Number and duration. Yard sales shall be allowed not more than four (4) times in any calendar year for any premises. No sale may run more than three (3) consecutive days. Property may only be displayed between the hours of 5:00 A.M. and 8:00 P.M.

(4) Display area. All displays of yard sale merchandise shall be limited to that portion of the yard area which is at least five feet (5') back from the property line on all sides, and at least ten feet (10') back from any curb or road edge. Displays inside garage and carport areas are permitted. All items must be removed from the yard sale display area at the end of each sale.

(5) Religious and charitable organizations. Religious and charitable organizations may conduct yard sales on the property of the organization or at other locations within the city with the expressed written consent of the owner of the premises where the yard sale is being conducted.

(6) Signage. Yard sale signs located off-premises from the sale should be free standing and shall not be placed on public utility poles, road signs, etc. Signs may be placed on private property with the permission of the property owner. All signage must be removed after the conclusion of the yard sale.

(7) Prohibited acts. No individual, firm, corporation or other partnership shall be permitted to engage in the business of promoting or conducting yard sales for others for a fee or other consideration.

No yard sale shall be held on premises other than the premises of at least one (1) of the persons conducting the yard sale except with the express written consent of the owner of the premises where the yard sale is being conducted.

(8) Enforcement. Any person violating any of the provisions of this chapter shall be guilty of an infraction and upon a first conviction thereof shall be punished by a fine. For second and third convictions, additional fines may be added. (as added by Ord. #1139, Sept. 2014)
