When a city employee is reported by the examining physician to be physically or mentally unfit to perform work in the position for which he or she

is employed, the employee may, within five (5) days from the date of that notification, indicate in writing to the mayor of his or her intention to submit the question of physical or mental unfitness to a physician of his or her choice.

In the event there is a difference of opinion between the examining physician and the physician chosen by the employee, a physician shall be mutually agreed upon and designated by both physicians and the third physician's decision shall be final and binding as to the physical or mental fitness of the employee. The city shall pay its physician, the employee shall pay his or her physician and the cost of the third physician shall be shared by the city and the employee.

Employees determined to be physically or mentally unfit to continue in their position may be demoted according to these rules or they may be separated from the municipal government service only after it has been determined that:
