15-710. Deposit of chauffeur's or operator's license in lieu of bond. Pursuant to Tennessee Code Annotated, §§ 55-50-801 through 55-50-804, whenever any person lawfully possessed of a chauffeur's or operator's license theretofore issued to him by the Department of Safety of the State of Tennessee, or under the driver licensing laws of any other state or territory or the District of Columbia, is issued a citation or arrested and charged with the violation of a traffic ordinance of the City of Sparta, except those ordinances which call for mandatory revocation of the chauffeur's or operator's license with the arresting officer or court demanding bail in lieu of any other security required for his appearance in the municipal court in answer to such charge before the municipal court.

Whenever any person hereof deposits his chauffeur's or operator's license as provided, either the officer or the court demanding bail as hereinabove described, shall issue said person a receipt for said license upon a form approved or provided by the department of safety, and thereafter said person shall be permitted to operate a motor vehicle upon the public highways of this state during the pendency of the case in which the license was deposited.

The clerk or judge of a court accepting the license shall thereafter forward to the department of safety, the license of a driver deposited in lieu of bail if the driver fails to appear in answer to the charge filed against him and which license shall not be released by the department of safety until the charge for

In the case of a nonresident driver whose license is thus received by the department of safety, the department shall forthwith notify the proper motor vehicle administrative authority of the state in which such nonresident driver is licensed that the license of such driver is being held by the department pending disposition of the charge against such driver.

The licensee shall have his license in his immediate possession at all times when driving a motor vehicle and shall display it upon demand of any officer or agent of the department or any police officer of the state, county or municipality, except that where the licensee has previously deposited his license with the officer or court demanding bail, and has received a receipt from the officer or the court, the same to serve as a substitute for the license until the specified date for court appearance of licensee or the license is otherwise returned to the licensee by the officer or court accepting the same for deposit.

The provisions of this section are in addition to the provisions of § 15-704 of the municipal code and may be implemented as alternative procedure to the provisions of § 15-704, but nothing in this section shall be construed to mean that officer or the court shall demand bail on every citation or arrest. (Ord. #97-696, March 1997)

15-711. Violation and penalty. Unless otherwise provided, any violation of this title shall be a civil offense punishable by a civil penalty up to fifty dollars ($50.00) for each separate offense.
