James Glover

CITY ATTORNEY

Walt Freeland

CITY RECORDER

E. Anne Blackmore

Preface

This code is the result of a comprehensive codification and revision of the ordinances of the City of Williston, Tennessee.

The attention of the user is directed to the arrangement of the code into titles, chapters, and sections. Related matter is kept together, so far as possible, within the same title. Each section number is complete within itself, containing the title number, the chapter number, and the section of the chapter of which it is a part. Specifically, the first number is the title number followed by a hyphen, then the chapter number with the last two numbers showing the section number within the chapter, so that, for example, title 10, chapter 2, section 6, is designated as section 10-206.

By utilizing the table of contents at the beginning of each title and chapter of the code, the user should readily find all provisions in the code relating to any question that might arise.

The code has been arranged and prepared in a form to facilitate keeping it up to date. MTAS will provide updating service under the following conditions:

(1) All ordinances relating to subjects treated in the code or which should be added to the code are adopted as amending, adding, or deleting specific chapters or sections of the code.

(2) One copy of each ordinance adopted by the town is furnished to MTAS immediately after its adoption.

(3) The town will reimburse MTAS for the actual costs of reproducing replacement pages for the code.

When the foregoing conditions are met, MTAS will reproduce replacement pages for the code to reflect the amendments and additions made by such ordinances. This service will be performed at least annually and more often if justified by the volume of amendments. Replacement pages will be supplied with detailed instructions for utilizing them so as again to make the code complete and up to date. If this very simple procedure is followed, the code will be kept up to date in a way that will serve fully the needs of the town's officials and citizens. If any questions or problems arise concerning the up-dating procedure, an MTAS ordinance codification consultant is available to the town for advice and assistance.

The able assistance of Mrs. Deborah K. Linn, the MTAS Word Processing Specialist who did all the typing on this project, is gratefully acknowledged.

M. Michael Tallent
