PURPOSE

The purpose of this document is to set a standard procedure for Hiring and Promotions within the Alcoa Fire Department for the positions inclusive of Fire Fighter through Captains. And to give those assigned to administer this process a clear understanding of the process and what it entails.

Following this process will enhance the evaluation procedure and recommendation for promotion in an objective manner rather than in a subjective manner. The result of this process will be a recommendation of the best overall candidates for the job presented to the Fire Chief on an Eligibility List. This process will also insure uniformity of the promotional process from position to position.

SCOPE

It is imperative that the fire service personnel be qualified and capable of efficiently performing the wide range of services necessary to protect life and property.

The primary goal is to evaluate an individual’s capability of assuming a higher level of responsibility on something more than years of service. Thus it is essential that standards be clearly prescribed so that personnel will have sufficient opportunity to prepare themselves. If a new position is in question, the standards should be realistic and not tailored to a particular individual.

The process should then evaluate an individual against the set standard for the position being applied for and an eligibility list developed for the appointing authority to use in making the appointment(s).

The standards for each position within the City of Alcoa Fire Department are found in the department’s Organizational Chart, General Orders, and the Duties, Responsibilities, Essential Functions and Minimum Education Requirements in the Job Descriptions.

THE PROCESS

There are general elements within the standard process, but all elements may not apply to each position’s promotional process. In general, the process consists of the following parts:

a. Application for position
b. Records Review
c. Written Evaluation
d. Practical Evaluation
e. Eligibility List generated
f. Oral Interview by the Hiring Committee
