Frequently, MTAS consultants receive questions related to alcohol and beer laws in Tennessee. In an effort to assist municipal officials and employees with these questions, MTAS developed a guide that includes many of the relevant statutory provisions related to alcohol and beer in Tennessee. This guide does not include every statutory provision related to alcohol or beer, so the Tennessee Code will still need to be reviewed as questions arise. The various provisions are arranged by headings for ease of reference.

Beer

T.C.A. § 57-5-101 (b) “Beer” defined

For purposes of this title, “beer” means beer, ale or other malt beverages, or any other beverages having an alcoholic content of not more than eight percent (8%) by weight, except wine as defined in § 57-3-101; provided, however, that no more than forty-nine percent (49%) of the overall alcoholic content of such beverage may be derived from the addition of flavors and other nonbeverage ingredients containing alcohol.

T.C.A. § 57-5-103 Beer permits

(a)

(1) It is unlawful to operate any business engaged in the sale, distribution, manufacture, or storage of beer without a permit issued by the county or city where such business is located under the authority herein delegated to counties and cities.

(2) Permits shall be issued to the owner of the business or other entity responsible for the premises for which the permit is sought, whether a person, firm, corporation, joint-stock company, syndicate, association, or local governmental entity where the governing body has authorized such sales of beer.

(3) A permit shall be valid:

(A) Only for the owner to whom the permit is issued and cannot be transferred to another owner. If the owner is a corporation, a change in ownership shall occur when control of at least fifty percent (50%) of the

stock of the corporation is transferred to a new owner;

(B) Only for a single location, except as provided in subdivision (a)(4), and cannot be transferred to another location. A permit shall be valid for all decks, patios and other outdoor serving areas that are contiguous to the exterior of the building in which the business is located and that are operated by the business; and

(C) Only for a business operating under the name identified in the permit application.

(4) Where an owner operates two (2) or more restaurants or other businesses within the same building, the owner may in the owner's discretion operate some or all such businesses pursuant to the same permit.

(5) A business can sell beer for both on-premises and off-premises consumption at the same location pursuant to one (1) permit.

(6) A permit holder must return a permit to the county or city that issued it within fifteen (15) days of termination of the business, change in ownership, relocation of the business or change of the business's name; provided, that notwithstanding the failure to return a beer permit, a permit shall expire on termination of the business, change in ownership, relocation of the business or change of the business's name.

(7) In the case of beer wholesalers, as defined in § 57-6-102, no county or city shall require a permit from a wholesaler unless such wholesaler operates a warehouse in such county or city.

(8) Any person, firm, corporation, joint-stock company, syndicate, or association engaged in the sale, distribution, or manufacture of beer without the permit required by this part commits a Class A misdemeanor.

(9) Nothing in this chapter shall be construed as granting counties or cities the authority to require the periodic renewal of beer permits.

(10) After July 1, 2015, a city or county shall not issue a permit under this chapter unless the applicant has been a citizen or lawful resident of the United States for not less than one (1) year immediately preceding the date upon which the application is made to the city or county. See Tennessee AG Opinion 16-09, which held that the language in this section is unlikely to pass constitutional muster. The opinion can be accessed [here](#).

(11) A permit holder may sell beer online for curbside pickup at the permit holder's location. Purchased beer must be delivered to the customer's vehicle, and the vehicle must be located within a paved parking area adjacent to the place of business. Beer sold through an online curbside pickup service must be pulled from the inventory located at the permitted location of the retailer providing the service and may not be pulled from the inventory of another retailer or permitted location. Any employee bringing beer to a vehicle for online curbside pickup must confirm the individual receiving the beer is at least twenty-one (21) years of age.

T.C.A. § 57-5-103 (e) Criminal history check on applicant for beer permit

(e) A city or county is authorized to seek criminal history background or fingerprint checks on applicants. Criminal background checks may include fingerprint checks against state and federal criminal records maintained by the Tennessee bureau of investigation and the federal bureau of investigation. The Tennessee bureau of investigation is authorized to assess fees for the searches in accordance with the fee schedule established by the bureaus.

T.C.A. § 57-5-106 Regulation of beer by city

(a) All incorporated cities, towns and Class B counties in this state are authorized to pass proper ordinances governing the issuance and revocation or suspension of licenses for the storage, sale, manufacture and/or distribution of beer within the corporate limits of the cities and towns and within the general services districts of Class B counties outside the limits of any smaller cities as defined in § 7-1-101 and to provide a board of persons before whom such application shall be made, but the power of such cities, towns and Class B counties to issue licenses shall in no event be greater than the power herein granted to counties, but cities, towns and Class B counties may impose additional restrictions, fixing zones and territories and provide hours of opening and closing and such other rules and regulations as will promote public health, morals and safety as they may by ordinance provide. The ordinance power granted to a municipality by this subsection (a) does not permit a municipality to establish residency requirements for its applicants. The ordinance power granted to a municipality by this section does not permit a municipality to impose training or

certification restrictions or requirements on employees of a permittee if those employees possess a server permit issued by the alcoholic beverage commission pursuant to chapter 3, part 7 of this title.

T.C.A. § 57-5-104 Application fee for beer permit

(a) Each applicant for a permit required by § 57-5-103 shall be required to pay an application fee of two hundred fifty dollars (\$250) to the county or city in which the applicant's place of business is located. No portion of the fee shall be refunded to the applicant, notwithstanding whether an application is approved or denied.

T.C.A. § 57-5-104 Privilege tax

(b)

(1) There is hereby imposed on the business of selling, distributing, storing or manufacturing beer in this state a privilege tax of one hundred dollars (\$100), notwithstanding § 57-6-112.

(2) Any person, firm, corporation, joint-stock company, syndicate or association engaged in selling, distributing, storing or manufacturing beer shall remit the tax on January 1 to the county or city in which such business is located. The tax shall be remitted to the county clerk for businesses located in the county outside the incorporated limits of any city or town, and to the official identified by the city or town in the notice required by subdivision (b)(3) for businesses located within the incorporated limits of the city or town.

(3) Counties and cities shall mail written notice to each permit holder of the payment date of the annual tax at least thirty (30) days prior to January 1. Notice shall be mailed to the address specified by the permit holder on its permit application. If a permit holder does not pay the tax by January 31 or within thirty (30) days after written notice of the tax was mailed, whichever is later, then the county or city shall notify the permit holder by certified mail that the tax payment is past due. If a permit holder does not pay the tax within ten (10) days after receiving notice of its delinquency by certified mail, then the county or city may suspend or revoke the permit or impose a civil penalty pursuant to § 57-5-108.

(4) Counties, cities or towns may utilize these tax funds for any public

purpose.

(5) At the time a new permit is issued to any business subject to this tax, the permit holder shall be required to pay the privilege tax on a prorated basis for each month or portion thereof remaining until the next tax payment date.

T.C.A. § 57-5-108 Revocation of beer permits, fines, and responsible vendors

(a)

(2)

(A) A city, Class A county, or Class B county, or any committee, board, or commission created by these governmental bodies, shall not, pursuant to § 57-5-608, revoke or suspend the permit of a responsible vendor for a clerk's illegal sale of beer to a minor, if the permit or license holder and the clerk making the sale have complied with the requirements of § 57-5-606 as a responsible vendor under this part, but may impose on the responsible vendor a civil penalty not to exceed one thousand dollars (\$1,000) for each offense of making or permitting to be made any sales to minors or for any other offense.

(B) The prohibition of subdivision (a)(2)(A) concerning the revocation or suspension of the vendor's permit shall not apply to any vendor who is not a responsible vendor under this part, or to a participating vendor, if the vendor or clerk making a sale to a minor fails to comply with the requirements of § 57-5-606. With respect to such permit or license holder, the committee, board, or commission may, at the time it imposes a revocation or suspension, offer the permit or license holder the alternative of paying a civil penalty not to exceed two thousand five hundred dollars (\$2,500) for each offense of making or permitting to be made any sales to minors, or a civil penalty not to exceed one thousand dollars (\$1,000) for any other offense.

(C) Permanent revocation of beer permits may only be applied when the permit holder has at least two (2) violations within a twelve-month period.

(D) Revocation of beer permits applies only to that permit holder, or agents of the permit holder, at that location. Revocation of beer permits

shall not stay with the property if the property changes hands, nor may a city, Class A county or Class B county, or any committee, board or commission created by these governmental bodies, apply penalties, suspensions or revocations to other beer permits held by the permittee at other locations.

(E) Revocation of a beer permit at one (1) location should not be the sole disqualifying factor when considering the issuance of beer permits at other locations.

(F) If, at any location that has been affected by permanent beer permit revocation, the property changes hands and no longer belongs to the permit holder, or agents of the permit holder, the new property owner may apply to the beer board for release of revocation.

(G) If a civil penalty is offered as an alternative to revocation or suspension, where allowed under subdivision (a)(2)(B), the holder shall have seven (7) days within which to pay the civil penalty before the revocation or suspension shall be imposed. If the civil penalty is paid within that time, the revocation or suspension shall be deemed withdrawn. The holder's payment of a civil penalty shall not affect the holder's ability to seek review of the civil penalty pursuant to subsection (d).

(3) A city or county may at any time accept the payment of a civil penalty, not to exceed the amounts set forth in subdivision (a)(2)(B), by a permit or license holder charged with a violation of this chapter, which payment shall be an admission by the holder of the violation so charged and shall be paid to the exclusion of any other penalty that the city or county may impose.

(b) No permit or license shall be revoked on the grounds the operator or any person working for the operator sells beer to a minor over the age of eighteen (18) years if such minor exhibits an identification, false or otherwise, indicating the minor's age to be twenty-one (21) or over, if the minor's appearance as to maturity is such that the minor might reasonably be presumed to be of such age and is unknown to such person making the sale. The license or permit may be suspended for a period not to exceed ten (10) days or a civil penalty up to one thousand five hundred dollars (\$1,500) may be imposed pursuant to subdivision (a)(3). However, this shall not be

construed in any way to relieve the minor from liability for making such illegal purchase as provided in § 57-5-301.

(c) Such revocation, suspension, or imposition of civil penalty may be made for any violation of any provision of this chapter or whenever it shall satisfactorily appear that the premises of any person, firm or corporation holding a permit or license under this chapter are being maintained and operated in such manner as to be detrimental to public health, safety or morals. The board in considering the suspension or revocation of a license shall consider repeated violations of any local ordinance or state law involving prohibited sexual contact on the premises of an adult oriented establishment.

(d) The action of such agency in connection with the issuance of any order of any kind, including the revocation or suspension of a license or permit, imposition of a civil penalty or the refusal to grant a license or permit under §§ 57-5-105, 57-5-106 and this section, may be reviewed by statutory writ of certiorari, with a trial de novo as a substitute for an appeal, the petition of certiorari to be addressed to the circuit or chancery court of the county in which any such order was issued.

(e) Immediately upon the grant of the writ of certiorari, the agency revoking or suspending a license or permit or imposing a civil penalty shall cause to be made, certified and forwarded to the court a complete transcript of the proceedings in the cause ...

(k) Where a permit or license is revoked, no new license or permit shall be issued to permit the sale of beer on the same premises until after the expiration of one (1) year from the date the revocation becomes final and effective. The board, in its discretion, may determine that issuance of a license or permit before the expiration of one (1) year from the date of revocation becomes final is appropriate, if the individual applying for such issuance is not the original holder of the license or any family member who could inherit from such individual under the statute of intestate succession.

T.C.A. § 57-5-109 Proximity to place of public gathering and previously issued permit

(a) A city or county shall not suspend, revoke or deny a permit to a business engaged in selling, distributing or manufacturing beer on the basis of the proximity

of the business to a school, residence, church, or other place of public gathering if a valid permit had been issued to any business on that same location. This section shall not apply if beer is not sold, distributed or manufactured at that location during any continuous six-month period.

(c) The use of homemade beer made in compliance with the limitations specified in subdivision (b)(1) is allowed for purposes of exhibition, demonstration, judging, tasting, or sampling or as part of a contest or competition, if the exhibition, demonstration, judging, tasting, sampling, contest, or competition is held at a private residence or on a licensed premises. (e) Any city or county may regulate contests, competitions, or other events for the exhibition, demonstration, judging, tasting, or sampling of homemade beer as described in subsection (d), including requiring a permit for the contests,

competitions, or other events.

In addition, upon the second such conviction, the permit or license of such person shall be automatically and permanently revoked regardless of any other punishment actually imposed.

T.C.A. § 57-5-607 Sales to Minors by a clerk in the responsible vendor program

If a beer board determines that a sale to a minor occurred by an off-premise beer permit holder, then the certification of the clerk making the sale shall be invalid and the clerk may not reapply for a new certificate for a period of one (1) year from the date of the beer board's determination. (3) If any county has authorized the sale of alcoholic beverages for sale for consumption off premises pursuant to § 57-3-106, then any municipality wholly or partially within the boundaries of the county may conduct a referendum to authorize the sale of alcoholic beverages for consumption on the premises within the corporate boundaries of the municipality. . .

(b) At any such election, the only question submitted to the voters shall be in the following form:

For legal sale of alcoholic beverages for consumption on the premises in _____
(here insert name of political subdivision).

Note: The local government can opt out of the expanded hours pursuant to the language in Tenn. Code Ann. Section 57-4-203(d)(5) which reads:

(d)

(5) The commission is authorized to extend the hours of sale in the jurisdictions which have approved the sale of liquor by the drink by referendum; provided, however, that such extension of hours as well as § 57-5-301(b)(5) shall apply to Sunday sales of beer within the area of the county outside a municipality which approves liquor by the drink by referendum unless the county legislative body by a two-thirds (2/3) vote sets the hours for Sunday sales of beer in accordance with § 57-5-301(b)(1) to apply within such area. Upon petition by any licensee or group of licensees under this chapter, the commission may, after conducting a rule-making hearing pursuant to the Uniform Administrative Procedures Act, compiled in title 4, chapter 5, adopt rules expanding the hours during which it is legal to sell or give away alcoholic beverages, malt beverages and wine, pursuant to this chapter. The commission is hereby directed to consider such factors as the hours of sales in contiguous states and the need to compete with jurisdictions elsewhere in the country for convention and tourism business. The governing body of any municipality or metropolitan government which has approved liquor by the drink by referendum may, at any time, opt out of any extension of hours adopted under this section by passage of a resolution. Further, any municipality or metropolitan government that has opted out may, at a later date, opt in by passage of a resolution.

(2) Each county or municipality within which such privilege is exercised is authorized to levy and collect the privilege tax separately. However, such privilege tax collected by the county or municipality will remain at the 2003 level and any monetary increase of the privilege tax in fiscal years beginning July 1, 2004, and thereafter, as provided in this subsection (b) will be solely used for the purpose of the administration and enforcement of the duties, powers, and functions of the Tennessee alcoholic beverage commission; provided, however, that in any county where metropolitan government prevails, the urban service district shall constitute the municipality and the general service district shall constitute the county insofar as this chapter is concerned.

effect, may, by local option election, forbid the manufacture, receipt, sale, storage, transportation, distribution and/or possession of alcoholic or intoxicating beverages, within the territorial limits of such county, by a majority vote, at an election to be held as hereinafter provided, and, in the event of such prohibition, the manufacture, receipt, sale, storage, transportation, distribution and/or possession of alcoholic or intoxicating beverages in such county is unlawful; provided, that this does not apply to a bona fide manufacturer, actually engaged in manufacture under this chapter.

(b)

(1) Except in counties having populations of:

not less than	nor more than
12,100	12,200
