CERTIFIED MAIL RETURN RECEIPT REQUESTED

North Claiborne Volunteer Fire Department
Attention: Brian Griffin, Fire Chief
P. O. Box 858
Harrogate, Tennessee 37752

Dear Chief Griffin and NCVFD Members:

Please refer to the letter from the City of Harrogate dated September 19, 2006, that you received on September 28, 2006. As requested in the letter, the NCVFD was to vacate the property on Brunswick Avenue by October 31, 2006, so the city could make use of the much-needed space.

Again, we ask you to vacate that property. The city is considering legal options to secure the right to legal possession of the property and may start legal proceedings if the NCVFD does not vacate the property."

Sincerely,

Bill Fultz, Mayor
