

City of Athens, TN – Public Works Department

RIGHT-OF-WAY CONSTRUCTION PERMIT

This Permit for construction on the public right-of-way is hereby issued in keeping with the City of Athens *Rights-of-Way Management Ordinance* and all other applicable rules, regulations, ordinances, and policies.

Failure to comply with the *Rights-of-Way Management Ordinance* will result in the immediate revocation of this Permit and an order to stop work will be issued until such time that all provisions are adequately met and the permit has been reissued.

Permittee is responsible for contacting the ***Athens Utilities Board*** to discuss utility services and locations.

Permittee is responsible for making ***Tennessee One Call*** 72 hours prior to excavation - toll free: **800-351-1111**.

This Permit is valid for six (6) months from the issue date.
